## Band Receives Top Honors at District Meet

Chelsea High School Symphony Band members returned from the District 12 Band and Orchestra Festival at Ypsilanti High school, Ypsilanti, last Saturday with four "A" from each of four judges in four categories, a feat unmatched since 1968. A total of 76 students participate in the high school band program.

"The students should be very proud of the job they did," high school band director Steve Bergmann stated. "With 30 freshmen in the symphony band, Saturday's results simply mean the band program here should remain strong for a number of years."

Judging Chelsea High's performance Saturday were band directors from Valparaiso, Ind.; Chicago, Ill.; Michigan State University, East Lansing; and North Muskegon High school, Muskegon. The band was rated on a scale of 1 to

Chelsea High musicians were required to perform three selections of prepared music, followed by the impromptu performance of two other numbers to test their sight reading ability. Students were given seven minutes in which to study sheet music for the impromptu numbers.

For the prepared portion of the competition, the band performed Polyhar's "Flicker Tail" in the concert march division; Alfred Reed's "Imperatrix" off a list of required music; and Giovanni's "Overture in B Flat" as their selected piece.

As a result of their success in the district contest, Chelsea High's Symphony Band is now qualified to enter the State Band and Orchestra Festival to be held currently in Lansing and Traverse City on April 30. Chelsea band members have voted to compete in the Traverse City competition.

CHELSEA HIGH'S SYMPHONY BAND, under the direction of Steve Bergmann, returned from the District 12 High School Band and Orchestra Festival at Ypsilanti High school last Saturday, with perfect scores from all their judges in the annual competition. Their performance has been unparalleled by Chelsea bands since 1968. The band received four 1-ratings in four divisions from four judges. Pictured above are all 76 members of Chelsea's top-ranked band.

## String Orchestra Earns Top Rating

Chelsea's 8th and 9th grade String Orchestra received a final rating of 1 in the District 12 Junior High Orchestra Festival last Saturday at Saline Middle school. Chelsea musicians performed three musical scores before three judges, then sight read another selection for their fourth categorical rating.

Required selections performed by Chelsea orchestra members were a march and waltz from Grant's "Woodside Suite," followed by Pachelbel's "Fugue" and two songs from Sontag's "Folk Song Set."

"The four judges gave very favorable and helpful comments to our Class B orchestra," director Anna Allmipich revealed. Performance adjudicators were Gerrit Van Ravenswaay of Holland Com-

munity Schools, Holland; Maurice W. Riley of Eastern Michigan University, Ypsilanti; and Edward Szabo, also of EMU. Sight reading judge was Robert A. Ritsma of Hope College, Holland.

"I felt that the group played their best Saturday, with all concentration levels at their peaks," Miss Allmipich continued. "I was very pleased with the attitude and self conduct of every student."

Before the Chelsea orchestra left Saline, members of the group were able to hear two other schools perform in the festival—a full orchestra from Grosse Pointe and another from Saline.

"It was a very worthwhile and rewarding day," Chelsea's orchestra director concluded.

## No Opposition For Slate in Village Voting

Chelsea village voters will go to the polls Monday, March 14, to fill the expiring terms of three village trustees, the village clerk, and two Library Board trustees. All candidates in the election were nominated by the Independent Party at a village caucus Feb. 14 and will run unopposed.

On the ballot for two-year terms as trustee are Diane Borton, Mike Sweet and incumbent Lyle Christwell. Christwell was appointed to the trustee post last November following the resignation of former trustee David Rowe. He now faces voter confirmation to retain the seat.

Incumbent Thomas Neumeyer is the Independent Party nominee for village clerk. Monday's election promises Neumeyer a second term in the two-year post.

Contenders for three-year terms as Library Board trustees are Robert Merkel and Katherine Wagner. Diane Borton, 36, resides at 176 Orchard St. with her husband, Richard, and their four children. Born in Flint, she graduated from University High school, Ann Arbor, in 1958. She attended Washtenaw Community College, and is currently working towards a degree in library science at Eastern Michigan University. A member of St. Paul United Church of Christ, she has served as secretary of the Board of Christian Education.

Mrs. Borton has also been active in several community organizations. She is a nine-year member of Chelsea Child Study Club and a past president of the group; a charter member and former vice-president of Chelsea Area Historical Society; and she has led a local 4-H group for several years. Among her other civic involvements, Mrs. Borton was instrumental in restoring the exterior of Chelsea's railroad station.

Mike Sweet, 38, resides at 745 S. Main with his wife, Jeanette. The father of eight children, Sweet was born in Stockbridge. He graduated from Stockbridge High school in 1957, and attended Jackson Junior College for two years. He has been

employed by Chelsea Milling Co. for the past 13 years as shipping and sales co-ordinator. Sweet is a member of St. Mary Catholic church.

Other civic involvements include one year as a reporter for area Cub Scouts; two years as a reporter and member of the Board of Directors of the Chelsea Junior Chamber of Commerce; and three years as a coach for local children's sports. ## Lions Club Chapter Officially Launched

A Chelsea chapter of the Lions Club, a national service organization, was officially launched Tuesday, March 1, at an organizational meeting attended by 13 area residents. Several other Chelseaites have committed themselves to membership, but were unable to attend Tuesday's gathering. Altogether, some 25 new members will initiate the organization.

Newly elected officers spearheading the new Lions Club include Tom Dmoch, president; Duane Branch, secretary; and Mike Nagel, treasurer. In subsequent weeks, members will elect first-, second-, and third-vice presidents, and a board of directors.

Meeting dates established by the group will be the first and third Tuesdays of each month, 6:30 p.m.

at Chelsea Community Hospital. National membership dues are \$10 per year. Local chapter dues will be determined by a member majority.

Among its many contributions on a national level, the Lions Club was instrumental in the establishment of Leader Dog schools, the Eye Bank, and other programs for the blind. Other objectives of the group include support of recreational, environmental, and citizenship projects.

A dinner meeting on March 15, 3:30 p.m. at Chelsea Community Hospital will kick-off Chelsea Lions Club operations. All interested parties are invited to attend.

There are no prerequisites for membership, nor are members of other community service organizations excluded from joining the local Lions group. Women may organize under the auspices of an official Lioness Auxiliary. For more information, contact Tom Dmoch, 475-2331.

Charter night for the new service club is slated for April 30. In honor of the occasion, Michigan Lions dignitaries, the Lions district governor, and representatives of neighboring Lions clubs will attend chartering ceremonies.

Chelsea firemen were kept busy early this week as they fought a blaze late Monday evening, March 7, at Chelsea High school which totally demolished a 16'x24' shed used to store track equipment. No injuries were reported in the fire although flames consumed most of the stored equipment. Arson is the suspected cause of the blaze.

According to Chelsea Fire Chief Jim Gaken, Chelsea police on routine patrol sighted smoke in the (Continued on page four)

## Proving Grounds Drivers on Strike

Unresolved issues of job security confronted Chrysler Corp. and UAW bargaining agents yesterday at a meeting in Detroit. The meeting was called in an attempt to settle the week-long strike which has idled about 470 driver-mechanics, maintenance staff and stock crews at Chelsea's Chrysler Proving Grounds. Engineers and salaried administrative employees remain unaffected by the strike.

Members of UAW Local 1284 walked off the job at 10 a.m. Thursday, March 3 in a dispute over local contract matters. Union members have been working without a local pact since last September.

"We hope to get something started today," Nelson Rooke, president of the local said Wednesday. "There have been no dramatic changes in the strike up to now, but we got a call to meet in Detroit, so we're going out there with four bargaining committee members." "Though it's not unusual to work without a local contract, the situation doesn't often arise," he added.

According to Rooke, no economic issues are at stake. "Those are covered in our national contract," he affirmed. Union demands include alterations in starting and quitting times to eliminate 50-minute shift overlaps, job protection for union members should Chrysler lease their facility to other firms, a contract clause to require those leasing the proving grounds to use union workers, and elimination of a problem with one job classification.

During the 1974 automotive lull, about 90 percent of the proving grounds drivers were laid-off for four months while Chrysler leased the test facility to American Motors and other firms, one union official stated.

"With approximately 470 workers out, the current strike has had an obvious effect on our operations," proving grounds manager B. J. Ludwig reported. "However we are still doing those jobs which are most critical to get work out." Both sides have maintained their willingness to meet anytime, day or night, to settle the labor dispute.

Strikes by Local 1284 at the Chrysler facility in the past have always been short-lived and generally peaceful. Only one other strike several years ago progressed beyond five days.

Last November, workers staged (Continued on page six)

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster came to the session at the country store Saturday night mad as a wet setting hen. He was waving this clipping that said the United States was helping South Africa make atomic bombs. If that ain't waving a red flag in front of the bull and giving him a file to sharpen his horns he didn't know what is, Clem allowed. He said he allus thought a burnt child fears the fire, but with that kind of foreign policy we're passing out the matches to everybody in the woods.

Democrat Clem said he knew President Carter didn't claim to be an expert in foreign affairs when he voted for him, but he don't think the President would favor a balance of power where ever kneeling country on the map can blow up everybody else. Clem said he saw a piece just the other day where this feller that use to be a President's press secretary said the one thing he learned on the job was that there never is just one reason for a Presidential decision, but 30 or 40. Clem said he didn't know how much President Carter has thought about us backing South Africa's atomic bomb plants, but he could think of 40 reasons not to, and not one to do it.

The feller got into a general discussion of Clem's report, and it was general agreed with him. It was Ed Doolittle that pointed out, though, that we done the same thing for Israel and Japan, so it ain't like our bomb building policy in South Africa is new. Besides, Ed went on, we might be working a trade with South Africa for some of that uranium and plutonium it's got plenty of, but we didn't stand to gain nothing but trouble in most of the places where we've built up armies and arsenals.

Actual, said Zeke Grubb, all

America's friends in this old world remind him of what one of our generals said about Italy gitting into World War II. It don't really matter which side they come in on, the general said, if they're agin us it'll take five divisions to fight em, and if they're for us it'll take five divisions to defend em.

Probable the reason Congress ain't been heard from on the bomb deal is that it ain't costing enuff yet, Zeke declared. Them fellers usual don't perk up at anything under \$500 million, so they'll wait til they can make inspection tours of South Africa's new defense systems with their wives and children. They would do better to talk to this boy John Phillips at Princeton University, Zeke said, he drew up working plans for a nuclear clear bomb that only cost \$2,000.

If America is set on building bombs fer everybody, Zeke allowed, what we ought to do is recruit this Phillips feller to be Johnny Atomicseed. He could roam the world spreading the nuclear joy in the name of the peace-loving USA. He could show ever country how to turn out \$2,000 bombs, and Zeke said there's no telling how much we'd save in them banana republics where they change dictators ever six months and the old ones take their bombs and money with em.

Yours truly,  
Uncle Lew.

Plastic Bottles Bomb  
Newest on the list of potential health hazards is that 32-ounce plastic bottle that Coca-Cola has recently been pumping its beverage into.  
Coke has been touting the new

container as a convenient and lightweight alternative to glass bottles.  
But the Michigan Department of Public Health is warning Michigan residents to leave the plastic bottles on supermarket shelves.

Too many questions are still unanswered on the bottles' possible health hazards, the department says.

The suspected culprit is the chemical acrylonitrile which, when fed to rats in a federal Food and Drug Administration study, caused weight loss and other abnormalities.

Acrylonitrile is in the plastic, but it's still not known whether it transfers to the beverage too. And as yet, no human health problems have been linked to the bottles, first put on Michigan shelves last month.

But the FDA has withdrawn its earlier approval of the bottles, the state health department has issued its warning, the Monsanto Co. has stopped producing them, some supermarket chains have stopped selling them—and the future looks dim for the plastic bottles.  
Environmentalists frown on the bottle too, saying it's just another non-returnable container that will end up as litter.

### Right-To-Die Move On

A state legislator wants to give people a voice in what may be the most important decision of their lives—whether to die naturally or be kept alive by artificial devices.  
State Rep. David Hollister of Lansing admits that it may take three to four years for the idea to catch on and win legislative approval. But he wants to introduce a right-to-die bill this year, then wait and see what happens.

California already has such a law. It allows people to sign a document asking that their lives not be artificially prolonged if they are ever terminally ill. Signers must re-sign the document every five years and can change their minds at any step along the way, up to the last moment.

The law is a year old in California and similar measures have been proposed in Florida, Virginia, West Virginia, Idaho and Maryland.  
But in Michigan, before a bill is even in the hopper, right-to-life groups are criticizing the idea. Others are saying that legislation is no way to deal with such critical life-and-death questions.

For Hollister, it looks like a long laborious struggle ahead.

### Update:

The Michigan Agriculture Commission has reversed itself to endorse lowering legal levels of PBB in Michigan food. The commission's decision came after Gov. William Milliken asked it to reconsider. Legislation before the state House would reduce the amount of PBB permissible in

# SPECIAL Reduced Interest Rates on Home Improvement Loans for Energy Conservation

The cost of heating a home has gone up an average of 76.3% in the last five years, and it is predicted to go up an additional 211.3% in the next ten years. This means the average monthly \$30.00 heating bill you were paying five years ago is now \$52.89. If these dire predictions are true, by 1987 you could be paying as much as \$164.65 per month for the same amount of heat.

What can you do about it? For one thing, you can insulate your house. It is a lot cheaper than gas, electricity or oil.

To help conserve energy, Ann Arbor Federal Savings is now offering a special reduced rate on Home Improvement Loans, through March 31, 1977, for any approved home energy conserving program. Maximum loan \$5,000, up to 60 months to repay.

This low rate would put energy conserving within your budget. For example: a \$500 loan with term of 24 months would cost \$23.33 per month an annual percentage rate of 11.13%, and with term of 36 months \$16.38 per month, an annual percentage rate of 11.08%.

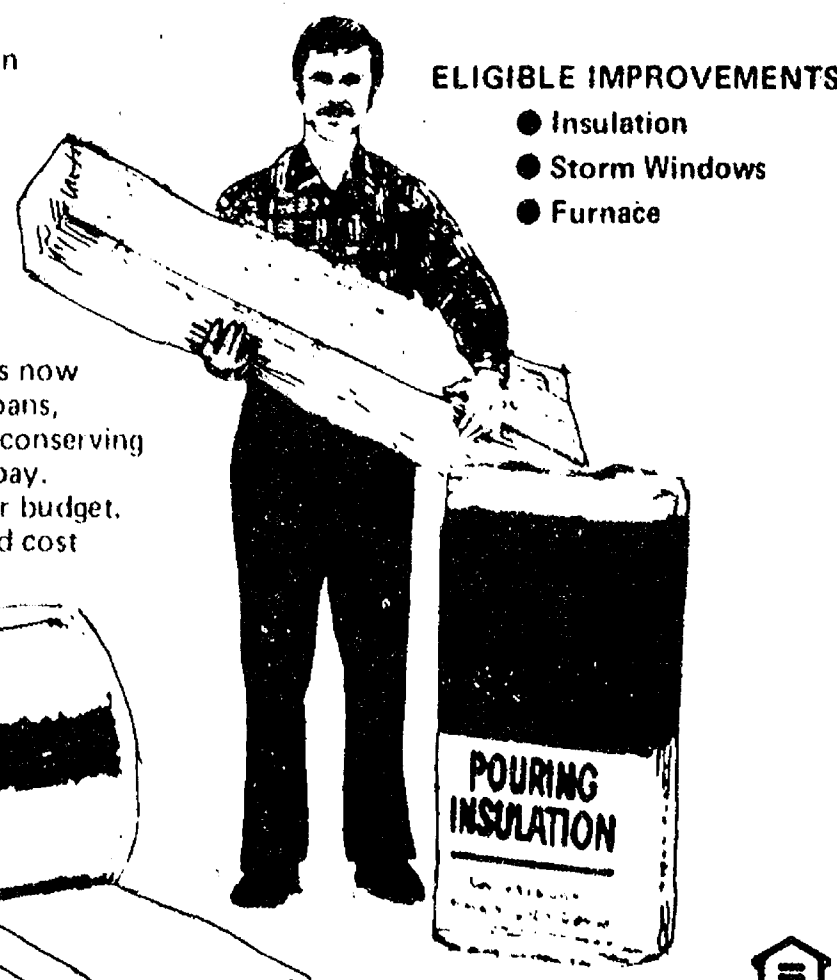

Full details at all AAFS offices.

## Girl Scouts Mark Anniversary

Local Girl Scouts and Brownies celebrated the 65th anniversary of Scouting Sunday evening, March 6, with an annual Father Daughter Banquet in the Chelsea High school cafeteria. A crowd of nearly 300 attended the event. The dinner, catered by Kentucky Chicken, began with an introduction delivered by the Rev. R. Morris of Zion Lutheran Church. Following the meal, the group retired to the high school gymnasium where Brownie Troop 889 conducted a flag ceremony to launch the latter portion of the program. An introduction of all troop leaders followed.

Barb Wolfgang reported on the progress of the local Girl Scout Cookie Sale, and each girl in the scouting program was recognized for her sales efforts. Five Girl Scouts have each sold more than 200 boxes of cookies.

## Modern Mothers See Demonstration Of Belly Dancing

Members of Modern Mothers Child Study Club were introduced to the ancient art of belly dancing at Tuesday evening's meeting, Catalina Hall of Belleville. Several basic movements of the oriental dance. She also explained much of its history and the benefits obtained from dancing. Dressed in an authentic Middle East "gypsy-type" costume, Mrs. Hall performed two dances as members watched in awe of her ability to move isolated parts of her body with exceptional grace and rhythm.

Another highlight of the evening was the presentation of a 500 dollar check to the Waterloo Nature Center for the construction of a display to house the Burg collection of Indian artifacts. Tom Hodgson of the Waterloo Recreation Area and Chelseaites Vincent Burg were on hand to accept the gift which represents part of the profits from the craftbook.

Liz Prentiss was welcomed into the club as a new member with the presentation of a rose. By a unanimous vote Gale Johnson became the new finance chairman.

This March 8 meeting was held at the home of Jeanene Riemenschneider with Marilyn Chasteen and Sharon Hodgson assisting as co-hostesses. Continuing Education for Women will be the topic of March 22 when the group will meet at the home of Gloria Greenleaf.

## Child Study Club Members Enjoy Yoga Demonstration

## VFW Post Sponsoring Blood Drive

The second annual Chelsea VFW Post 4076 Blood Drive, co-sponsored by the American Red Cross, has been rescheduled to May 7 this year. Normally the drive is conducted two weeks later, but because of a high projected need for blood during Memorial Day week-end, the new date was set.

The blood drive will be held from 9 a.m. to 3 p.m. at the Chelsea Fairgrounds Service Center. Donors may schedule appointments in advance by calling Bill Pierce, 475-2911.

Red Cross nurses will staff the clinic. Those donating blood and members of their immediate family become eligible to receive free blood should they require it in the future. Blood donors will also receive an official Red Cross blood donor card which specifies the donor's blood type.

## School Opinion Survey Set By Advisory Group

The Opinion Survey Subcommittee of the Citizens Advisory Committee has announced that it will conduct a survey of public opinion regarding the Chelsea School System between March 18 and 23, 1977. The survey is designed with the aid of the Bureau of School Services in Ann Arbor, will be distributed to 800 residents within the Chelsea School District.

Tabulated results of the survey will be a part of the report submitted by the Citizens Advisory Committee to the Board of Education. Preliminary reports are scheduled to be made March 23, and final reports by April 15.

The Evaluation Subcommittee, whose task has been to measure the quality of education in the schools system relative to its cost,

has nearly completed its work and will submit its report by March 31. To ensure that all residents are informed of the findings and recommendations of the Citizens Advisory Committee, a newsletter will be mailed to all registered voters in the Chelsea School District, with the first issue scheduled for late March mailing. The newsletter will also contain other general information concerning the financing and operation of the schools.

The Citizens Advisory Committee is interested in the comments and questions of all Chelsea School District residents. Since it is impossible to reach everyone with the opinion survey, comments and questions may be submitted in writing by sending them to School District Line, P.O. Box 393, Chelsea.

## Taping Oral History To Be Demonstrated

Chelsea Area Historical Society continues to present programs significant to its role as preserver of the best and the worst in Chelsea's past. On Monday, March 14, 8 p.m. in the McKune Library meeting room, Mrs. Lydia Muncie of the Washtenaw County Genealogical Society, will demonstrate the Art of Taping an Oral History.

Several historical society members intend to use their new knowledge to tape conversations with long-time Chelsea residents who may shed light on the "way it was" for the benefit of area newcomers. Harold Jones, long-time

area resident, will assist Mrs. Muncie by discussing the old inter-urban transit system.

The Historical Society continues its loan request for artifacts, photos and mementoes to be displayed in the McKune Library Historical Room. Mrs. Fred Petsch, president, has agreed to assure special care of loaned items upon request.

Jones, who is assembling quite an album of old photos, presently is looking for more and would be most appreciative of community assistance towards that goal. Society meetings are open to the public and refreshments are served.

## Camping Program Needs Equipment

A lack of canoes and life jackets in sufficient quantities, appear to be the only stumbling blocks to the success of Beach Middle School's third annual 6th grade camp, slated for April 4-7 at Mill Lake Camp in the Waterloo Recreation Area.

Camp co-ordinator James Hoffmeyer has issued an appeal to community residents who possess either canoes or life jackets, to consider donating the use of their equipment to the students for the four-day camping session. The students will care for the canoes and life jackets in a proper and responsible manner, Hoffmeyer assured.

Residents who are interested in lending their support to the camping program through the loaning of their equipment are asked to contact Hoffmeyer at 475-8014.

Camp Energy is the theme of this year's 6th grade camp. Under the direction of Joe Beard and program director Alice Steinbach, the project will provide 6th graders with outdoor education via participation in more than 30 activities which emphasize hiking and environmental research.

Among the activities offered this year are woodcarving, astronomy, local history, survival skills, nature photography, and nature crafts. Of the 30 activities, students choose six as their area of concentration. Cost of the camp

is \$10, which covers food expenses and rent of the camp.

The 6th graders are divided into two groups, with each group attending the camp for two days and one night. Students are assigned to cabins, and two counselors per cabin provide constant supervision. Some 15 Beach school staff members are also involved in the project.

The format of the camping session includes student input. The 6th graders elect representatives who in turn meet with faculty representatives to discuss course of ferings and camp goals. Together, the two groups design a program to maximize the value of the experience for the student.

## Girl Scout Cookie Sale Hits New High

The 1977 Girl Scout Cookie Sale here surpassed its sales goal and achieved major increases in both profit and sales. It has been announced by the Huron Valley Council sale chairman Mrs. Jean Spence of Ann Arbor.

Girl Scout cookie sales in Western Washtenaw County went up 6 percent, from 29,230 boxes last year to 31,140 this year. Area cookie chairmen were Joan Ganthier of Dexter, Barbara Seabury and Barbara Wolfgang of Chelsea, Mrs. Martha Bernbeck of Saline, and Mrs. Herbert Honer of Manchester.

Total sales climbed over the goal of 350,000 boxes to 370,080, a 21.9 percent increase over last year's total of 303,516 boxes. Profits went up 24 percent to \$273,859 from the 1976 figure of \$211,566.

These profits, highest in local Council history, will provide \$74,016 to Girl Scout troops for community service and other projects and \$199,843 to the Council for the provision of services to troop leaders, and for camp development and campership aid.

Every section of the Council service area scored sales increases, led by southern Wayne county and Monroe county with 43 percent, Plymouth-Northville with 35 percent, and Livingston county with 33 percent. Sales in Wayne-Westland and in Ann Arbor went up 20 percent. Other area increases were eastern Washtenaw county, 17 percent, and western Washtenaw county, 6 percent.

"The sale seemed to move into high gear early and stay that

way," Mrs. Spence commented. "Our 6,000 girls and over 300 men and women volunteers did a marvelous job in communicating to customers that the cookie sale is a great way to contribute to a good organization while getting something delicious to eat in return. Giving enrollment is one reason for the sale's success, Mrs. Spence stated as well as the introduction of a new cookie, the Peanut Butter Patty.

Success of the sale insures the construction of the polebarn rain weather facility at Camp Linden in Livingston county and other planned capital improvements there and at Camp Hilltop in Ann Arbor, and Camp Crawford, south of Ypsilanti, she added.

All cookies ordered will be delivered by the Girl Scouts from March 4 to March 15.

Girl Scouting here is also supported by area United Ways. The cookie sale is licensed by the state of Michigan under license number 9054.

The class will begin Tuesday, March 22, from 7 to 8:30 p.m. in room 118 at Chelsea High School. Cost of the course is \$5. To register, call Hodder at 475-7238 after 5 p.m.

## Volleyballers Lose Season's Final Match

Chelsea High's varsity volleyball team finished its season with a 15-17, 8-15 loss to Dexter in their pre-regional round. The team finished with an 0-6 league record and a 1-11 over-all record.

This year's squad was composed of one returning letter-winner, senior, Kim Moore. Other senior members were Dawn Kilpatrick and Colleen Collins, while juniors included Kathy Starkey, Gail Erke, Diane Ottomano, and Denise Robbins. Veronica Satterthwaite was the only sophomore on the team.

Kim Moore, Kathy Starkey and Denise Robbins were each successful on better than 75 percent of their serves. Colleen Collins, Kim Moore and Denise Robbins each had a better than 75 percent record of good bumps. Diane Ottomano, Veronica Satterthwaite, Colleen Collins and Kim Moore set better than 85 percent. Kim Moore, Diane Ottomano, and Denise Robbins spiked successfully 75 percent of the time.

Kim Moore, captain, carried the best team statistics all season and was voted most valuable player on the team. Kathy Starkey was voted most improved.

## Dexter Township Board Denies Rezoning Request

At its regular March meeting, the Dexter Township Board denied the rezoning request of Steven Hastings and Haggerty Lumber Co. by a vote of 3-2. Petitions filed by Hastings and Haggerty Lumber Co. asked that 17 acres on North Territorial Rd. be redistricted from rural residential to convenience commercial.

Although Hastings indicated his desire to construct a veterinary clinic on the 7-acre land site, the board issued their denial on the grounds that 7 acres was a larger than necessary area for the clinic. Several residents had expressed opinions both for and against the zoning change at two meetings prior to the March board meeting.

In other action, the board considered the preliminary plat approval of Carriage Hills, Number 2. Mr. Snyder of Atwell-Hicks presented the plans for road and water control. Snyder stated that the County Drain Commission has required extensive provisions to prevent future surface water problems. After considerable public input, the board voted approval of the preliminary plat.

The board concluded its meeting with an agreement to consider a request for a private road by Mr. Pahey following submittal of road plans and a study of the plans by township engineers. Anyone interested in securing information on the Private Road Ordinance should contact Earl Doletsky, zoning enforcement officer.

## Drain Commissioner Meets With MCRC

Washtenaw County Drain Commissioner Tom Blessing met with the executive board of the Mill Creek Research Council during their Feb. 16 meeting, held at the home of Betty Messman. Blessing, who replaced ex-commissioner Jerry Fulton in January, was invited to attend the meeting to gain an insight into the hydrological aspects of the Mill Creek Park proposal-aspects of interest to a drain commissioner.

Council members Robert Wirtz, David Bacon, William Chandler, Wally Fuslier, Betty Messman, Brett Seabury, and Lynda Koch were present, with Virginia Denham attending as a guest.

After the business session of the meeting, Blessing was given a background of the Mill Creek Research Council, including the history of the proposed HCMA Metro-Park and the incorporation of the council at the time of the Army Corps of Engineers huge reservoir project in the early 1960's. Virginia Denham presented an enlarged, detailed map of that proposed reservoir and the surrounding areas.

## Junior High Band Festival Scheduled

Chelsea's 7th and 8th grade bands will compete in the District 12 Band and Orchestra Festival this Saturday at Saline Middle School. Each group will perform three required numbers before a panel of judges, and will then adjourn to a sight reading room where their ability to perform spontaneously will be tested.

Eight graders will depart for the festival from the Beach Middle school parking lot promptly at 7:30 a.m. and are scheduled to return to Chelsea at approximately 11 a.m. Their performance time is 8:50 a.m.

Members of the 7th grade band will leave for Saline from the Beach Middle school parking lot at 1 p.m. and should be returning at approximately 4:30 p.m. Performance time for the 7th graders is slated for 2:25 p.m.

Prepared musical selections to be played by the 8th graders include Mesang's "Mighty Mite" in the march division; Forsblad's "The Four Freedoms Overture";

and Grundman's "American Folk Rhapsody."

Seventh graders will perform King's "Custer's Cavalry" in the march division; Erickson's "Norwegian Folk Suite" off a compiled music list; and Thomas' "Festival Day Overture" off a pre-arranged selected list.

During the sight reading portion of the competition, both bands will be required to play a march and concert selection. Each group is allowed only seven minutes in which to study the sheet music for both selections, and then must perform the numbers before a judge.

The bands are rated on a scale of I to V. Eighth graders will be competing at the Class B level, determined by enrollment, while 7th graders will perform at the Class C level.

"Band members are working hard and doing a nice job," 8th grade band director Warren Mayer stated. As a policy, "we don't make predictions on the outcome of our performances," he added. Seventh grade band director is Steve Bergmann.

## Special Olympics Spikers Team Swamps Dexter

Chelsea's Special Olympics volleyball team swept the courts with a stunning performance in a six game pre-tournament series against Dexter, March 3. The games were played at Dexter.

"I was elated with their winning performance," said Coach Nancy Oswald. Chelsea won both matches, needing victories in only two out of three games in each match to capture top honors.

Results of the first match were Chelsea, 8, Dexter, 15; Chelsea, 15, Dexter, 2; and Chelsea, 15, Dexter, 5. In the second match, Chelsea dominated all three games. Final scores were Chelsea, 16, Dexter, 14; Chelsea, 15, Dexter, 13; and Chelsea, 15, Dexter, 5.

Thursday's contest was a warm-up for the Washtenaw County Special Olympics Volleyball Tournament to be held at High Point, Ann Arbor, on March 18. Prospects look good for Chelsea, according to Coach Oswald who stated, "I'm betting we bring home the trophy."

"The team has lots of talent, especially on the varsity squad which consists of Kathy Buck, Matt Schmidt, Steve Lawrence, Chris Williams, Barb Jedele, Pat Brady and Leonard Carlson," Coach Oswald continued. "Steve Lawrence played exceptionally well against Dexter."

On the junior varsity, and also looking good are Kathy Young, John Winans, Glenn Passow, Perry Fletcher, Lori Brown, Sue Armstrong, Ryan Sweeney, Theresa Murphy and Linda Alber.

Lately, Chelsea's Special Olympics team has been practicing a multitude of sports as three of the boys, John Winans, Matt Schmidt and Glenn Passow, were scheduled to compete at the State Wrestling Tournament in Lansing last Saturday, March 5, while the girls were entered in a basketball tournament last Friday, March 4. On March 11, both boys and girls will compete in a swim meet against High Point.

Tuesday afternoon, March 8, firetrucks were again dispatched by the Chelsea Fire Department, this time to extinguish a grass fire along local railroad tracks.

"Apparently spring is here," Chief Gaken commented after the fire had been put out.

Are you going to be "wearing the green" on the 17th? If you want to go all the way and make a special St. Patrick's Day meal, try it the Michigan way and have a traditional boiled dinner.

Everything you'll need is available from Michigan: beef, potatoes, onions, carrots and cabbage.

Everyone probably has a favorite recipe and, most likely, they would all be different. Here's mine:

Brown a four-pound beef brisket well on both sides in a Dutch oven. Turn the brisket fat side up and add a large onion, peeled and quartered; one-half cup coarsely chopped celery; two parsley sprigs; two teaspoons salt; four whole cloves; four whole black peppercorns; a crumbled bay leaf and two cups of water.

Bring this to a boil and simmer, covered, for two hours and 15 minutes. At this point, add eight medium potatoes, pared, and six medium pared carrots. Simmer an additional 10 minutes.

Now add a medium head of cabbage which has been cut into six wedges and simmer for another 20 minutes or until both the meat and vegetables are tender.

As an accompaniment, prepare both horseradish and dill gravy. Melt three tablespoons butter and blend in three tablespoons of flour. Gradually stir in two cups of milk and bring to a boil, stirring. Cook until smooth and thicken and then add one-half cup Michigan Grade A sour cream. Season with salt and pepper and keep it warm.

Divide the sauce in half and in one add a tablespoon of horseradish or more to taste. In the other half, add two tablespoons fresh dill weed.

This dinner is enough to make an old Viking like me want to go out and start chasing the snakes out of Michigan.

## International Food Tasting Open House

"Croque-Monsieur," Japanese style fried chicken, mock Belgian waffles, and Chupa Guaze will be only a few of the many international foods to be sampled by those attending an international food tasting open house on Monday, March 14, 3 p.m., at the Trinity Lutheran church social hall, 1400 W. Stadium, Ann Arbor. The event is open to the public.

Sponsored by Youth For Understanding (YFU), an international student exchange program headquartered in Ann Arbor, the open house will include informational highlights on the YFU exchange program. A slide presentation on various foreign countries, along with YFU literature and the presence of several YFU committee people to answer questions regarding YFU, will be features of the event.

Foreign students currently residing in the local area will provide samples of food traditionally served in their home countries, as well as recipes for the preparation of each dish. Blank recipe cards will be available so those in attendance may copy down their favorites.

In addition to food samples, each foreign student will display postcards, photographs, costumes, ornaments, and various miscellaneous items characteristic of their countries.

Among those exchange students particularly in the open house will be Chieko Misaki of Japan, currently living with an Ann Arbor host family; Godelier Kusters of Belgium, also living with an Ann Arbor family; Henry Jomard of France, now living with a Manchester family; and Gabriel Breuer of Paraguay, presently living with an Ann Arbor family.

Any area resident interested in learning more about the opportunity to travel abroad as an exchange student to the country of their choice, to be a host family for their six months of one year, or to be an active YFU committee person in the Washtenaw county area is particularly encouraged to attend the food tasting open house.

## School Board Petitions Due By April 11

Two seats on the Chelsea Board of Education will be up for grabs in the June 13 school board election following a decision by board members Howard Haselschwardt and Jim Stirling not to seek re-election when their four-year terms expire this year.

Prospective candidates for the two member vacancies must file their nominating petitions with School Board secretary Robert Schaffer by 4 p.m., April 11. Petitions will be received by the central board office located in Chelsea High school.

Candidates are required to have a total of 20 signatures on their nominating petitions. Those signing the petitions may reside in any township within the Chelsea School District.

However, in accordance with a recent change in the state law, candidates must circulate separate petitions in each township rather than combining names from various townships on a single petition as had been permitted in the past.

## Letters to the Editor

Dear Editor:

As a mother of a 7th grade cager and attendee of all 11 games, I would like to take this opportunity to give credit to the following 14 boys on the 7th grade basketball team: Mike Bareis, Tobin Boyd, Sam Coombs, Doug Henson, Darrow Keezer, Jeff Lantis, Ross Murphy, Rick Poljan, Jeff Rowe, Geoff Shaw, Todd Sprague, Bob Trevino, Tom Vandervoort, and John Welton.

These boys gave their best in their hustle, determination, and desire to win, despite only three wins on their record. They came on strong in their last three games of the season, and were really clicking as a playing team unit. Congratulations boys!

Marian Sprague.

### Medical Improvement Deductible

Home improvements are generally not tax deductible, but they can be—if they're a medical necessity. For example, a swimming pool to provide treatment for a polio victim; a chair-seat elevator for a heart patient; central air conditioning for a child afflicted with cystic fibrosis.

How much of the expense is deductible? The amount over which it increases the property value. For example, if an elevator costs \$5,000, and the property value is increased by \$1,000, the \$4,000 excess is deductible. If there's no increase in property value, it's all deductible.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2621. We're here to help!

## Ike Lundberg Retiring As Park Manager

Einar "Ike" Lundberg, 62, Waterloo Recreation Area park manager, will retire from the Department of Natural Resources on March 19 upon completing 25 years of service.

Born in Rockland, Lundberg graduated from Crystal Falls High school and attended Michigan State University. He began his career with the Department of Natural Resources as a foreman at Camp Waterloo, a conservation and corrections facility.

In 1938, he was transferred as a ranger to Waterloo Recreation Area. In 1961, Lundberg served for two years before he transferred back to Waterloo as assistant manager. In 1965 he was promoted to Park Manager of Charles Mears State Park in Entwater, only to be transferred and promoted again to Park manager of Fort Wilkins State

Park in 1967. Another promotion in 1973 returned him to Waterloo, the largest Recreation Area in the state, where he assumed duties as manager.

While at Fort Wilkins, Lundberg helped promote and establish the Fort Wilkins Natural History Association, the second of its kind in the State Park System. A veteran of World War II, Lundberg was stationed in the South Pacific.

Among his civic activities, Lundberg is a member of many Historical Societies, the Michigan Parks Association and Michigan Forestry Association. If plans materialize, Mr. and Mrs. Lundberg plan to open an Antique Shop in their retirement home at 4872 State Rd. 26, East Lafayette, Ind.

A retirement party is to be held for Lundberg on March 12 in Jackson by his friends and fellow employees.

## Hockey Team Loses Season's Final Game

The last game of the season for Chelsea's hockey team ended on a sour note Sunday in Jackson, Ice Arena, as the Bulldogs lost their consolation championship game to Hanover Horton, 4-3.

Chelsea seniors Mike Check, Bob Fisher, and Mike Schanz put on their skates for the last time as CHS icers in this game.

Chelsea opened the scoring five seconds into the game when Steve Check drove a shot past Hanover's goalie. Greg Hastings was awarded an assist.

Then at 5:03 in the first period Greg Hastings dug the puck loose from in front of the net and put it away for another Bulldog goal. Garry Kellman earned an assist on Hastings' effort.

Hanover returned the fire at 5:19 when John Arey scored Hanover's first goal of the game. An apparent Hanover goal late in the first period was cancelled by the referee because a Hanover player was discovered inside the Chelsea goal crease when the puck went in.

Hanover's offense mounted in the second period when Marc Gonzalez scored twice. One shot beat Chelsea net tender Mike Check from outside of the blue line as Gonzalez put some steam on that shot. Then, Greg

Hastings scored his second goal of the game at 5:07 on an assist from teammate Bob Fisher. The second period ended with the score knotted at 3-3.

The third period was a real free-for-all with both teams getting scoring chances, but neither team finding the net. At 13:56 in the final period, with time almost gone, Hanover's Giff Adams scored the winning goal.

"Both teams played a good clean game, and it was a nice finish to the hockey season," Bulldog advocate Richard Glasson reported.

Chelsea hockey coach Jerry Ringe was honored by his team following the game.

Coach Ringe and his staff were also thanked by hockey supporters for a job well done this season, and for making the necessary sacrifices to run the team each week. Chelsea cheerleaders who gave unmeasured support to this season's hockey squad were Tami McDonald, Vicki Smith, Dawn Klobuchar, Andi Klobuchar, and Kris Saarinen.

**LEAGUE CHAMPS:** Dana's Chelsea plant girls basketball team walked away with a league title last Thursday following an overpowering victory over Gainer & Associates in Ann Arbor. The team finished the season with a perfect 8-0 record. Team members were joined by a Dana representative as they displayed

their trophies in the above photo. Front row, from left, are Kathy Pinney, Shawn Spaulding and Brenda McGibney. Back row, from left are Dana personnel manager Jack Barnes, Lynne Roskowski, JoAnn Alber, Char Steinaway and team manager Waldo Steinaway.

## Dana Girls Basketball Team Wins League Title on 8-0 Record

Chelsea Dana's girls basketball team finished their season Thursday, March 3 with an 8-0 perfect record as they crushed Gainer & Associates, 35-11. Following the game, played in Ann Arbor, the Dana squad received championship trophies for their efforts.

In the first quarter of Thursday's game, Dana scored six points to Gainer's four. By half, lead to 9-4. As the fourth quarter got underway, Dana shut-out Gainer's scoring efforts while Chelsea's Char Steinaway began to warm-up by depositing eight more points for Dana. Gainer struggled for a comeback, but was only able to collect one more point in the last three minutes of play to leave the game 24 points behind league leading Dana. Scoring for Dana were Char

Steinaway with 14 points; Shawn Spaulding, 8; Sue Schulze and JoAnn Alber, 4 each; Lynne Roskowski, 3; and Brenda McGibney, 2. Other Dana team members are Kathy Pinney, Marlene Rancey,

Cher Strozler and Marcia McGibney. Team manager, Waldo Steinaway, accepted the team trophy for the squad as Dana's representative.

### Correction Noted . . .

In the March 3 issue of The Standard, page 1, it was incorrectly stated that Elizabeth Carroll, RN, and Pat Brooks, RN, were nurses affiliated with the Washtenaw County Red Cross. Both nurses, who volunteered their time to the Chelsea Jaycee Auxiliary Blood Pressure Clinic, are employed by Chelsea Community Hospital.

## CARD OF THANKS

I wish to thank all of my relatives and friends for the flowers, gifts, cards and calls while I was in the hospital and since my return home. A special thanks to Pastor Ratzlaff for his visits. Being remembered in such a nice way means more than this thank you can say.

## Spring Begins On March 20

This year the official beginning of spring will be nearly six hours later than last year—but not because of the extreme winter we've been having.

"The reason for this nearly quarter-of-a-day delay is that the sun takes 365.2422 days for its apparent yearly journey around the earth, but the calendar is set up for only 365 days," according to University of Michigan astronomer Hazel M. Losh.

Spring will arrive at 12:43 p.m. March 20. That's when the sun reaches the vernal equinox, crossing the equator on its way north. "Since Dec. 21, the sun has been steadily trekking northward at the rate of about 1 degree per day," says Losh. "On the day of the equinox, the sun will rise and set almost exactly at the east and west points of the horizon, and it will be said that the day and night are of equal length."

"This is not exactly true, however," she continues. "Although they are technically equal, the interval between the appearance of sunrise and sunset will be about eight minutes longer than the time from sunset to sunrise, due to the refraction (bending) of the sun's rays by the earth's atmosphere."

## Stalled Auto Demolished By Train

A car, driven by Nate Johnson, 19, of 139 E. Summit St., was struck by an eastbound Amtrak commuter train late Tuesday evening at the Freer Rd. crossing after it stalled midway across the tracks. Neither Johnson nor his passenger, 18-year-old Mark Warren, also of Chelsea, was injured in the mishap.

According to Chelsea police, Johnson was northbound on Freer Rd. when he attempted to drive across the railroad tracks. His car, a 1970 intermediate size Oldsmobile, stalled on the tracks from an undetermined cause. As Johnson tried to restart the car, he noticed a train approaching. Johnson and Warren consequently fled from the auto.

Investigating officers reported that witnesses on the train saw no lights from the car as the train neared the Freer Rd. crossing. The train, driven by engineer James Sheeran of Jackson, collided with the stalled vehicle while traveling at a speed of 70 mph. Johnson's car was totally demolished upon impact.

## New Members Named to Rec. Council

At their March 7 meeting, the Chelsea Board of Education approved the recommendation of the Chelsea Recreation Council to appoint Dale Schumann and David Martin to membership on the council. Schumann and Martin will complete the remaining portion of the three-year terms of former Recreation Council members Bob Beaudoin and Mike Sweet.

Schumann, a practicing pharmacist and part-owner of Chelsea Pharmacy, Inc., will replace Beaudoin, who has resigned. Martin will replace Sweet, who is leaving the Recreation Council to serve on the Chelsea Village Council as trustee. Martin is employed by Chrysler Piping Grounds as maintenance supervisor, and has been cubmaster of Chelsea Cub Scout Pack 435 for the past three years.

## Cager of the Week

**TONY ROBARDS (32)**, a second year varsity squad veteran, has been playing basketball for Chelsea schools for the past five years. A highlight of his career came last year when he was awarded an all-league honorable mention by a vote of coaches in the SEC. For his performance on the courts this season, the 6'1" senior was presented with the Mr. Hustle Award at Chelsea High's Winter Sports Banquet Tuesday evening. In summarizing the Bulldog varsity season, Robards stated "we could have done better—we didn't start out too hot, but in our last few games we got as good as we could have this year." The basic problem facing Chelsea early in the season was finding a decent starting line-up that could work well together, according to the cager. When the Bulldogs played Saline for the second time this winter, that problem had apparently been solved. "Even though we lost the game to Saline, it was probably our best game of the season technically," Robards said. "We hardly made any mistakes and had a good scoring average." Chelsea's game with Napoleon rated high with Robards. On a personal level this year, "Mentally, Napoleon was my best game," he revealed, "even though my highest scoring game was against South Lyon." Robards, who switched positions this winter from center to forward, plays basketball "because there is a mental challenge to the sport." "You can always improve, and each game can become increasingly better," he added. Robards stated that "teamwork is the only way to do anything on the court." This season, the Bulldogs "opal" or zone defense worked best to "keep all the teams we played scoring low." Actively involved in football, as well as basketball, Robards has one older sister and three younger sisters. He is the son of Mr. and Mrs. Jim Robards of Luick Dr.

## Arsonist Sets Fire to Doghouse

Arson was the suspected cause of an evening blaze which destroyed a doghouse in the backyard of Mrs. Dorothy Erskine, 237 Railroad St., Sunday, March 6. The Erskine's family pet, a small sheepdog, escaped the fire with minor injuries when the fire singed hair on the left side of his body.

According to police reports, Mrs. Erskine has been alerted by a neighbor who came to her door to report the doghouse was on fire. Mrs. Erskine promptly put out the flames and summoned police. She told officers that her dog had been tied to the doghouse but had broken the rope to escape the fire. Upon investigation, police found the fire had been intentionally set by someone who ignited a rug inside the doghouse. "The dog usually barks a lot if someone comes into the yard," Mrs. Erskine said. She added that she had not heard any barking the night of the blaze. No suspects have been apprehended in the incident.

## New Film Showing Set At North Lake Church

"Corrie: Behind the Scenes with The Hiding Place," a new full-length color release from World Wide Pictures, will be shown at North Lake United Methodist church, 1411 N. Territorial Rd., on Sunday, March 13. A single showing is scheduled to begin at 7 p.m.

"The Hiding Place," a true story filmed in Holland and other European locations, is based on the experiences of Corrie ten Boom, who, with her father, sister, and brother, provided refuge for countless Jewish families. A secret room was constructed in their home as a hiding place for use during Gestapo raids. The ten Booms' activities were discovered, and they were sent to prisons and concentration camps.

According to Kenneth Bliss, Director of Distribution for World Wide Pictures, "The Hiding Place" has been extremely well-received, both by audiences and film critics. "Corrie was produced to give people who have seen 'The Hiding Place' or read her many best-selling books an opportunity to hear her share many of her memories about her life in Holland, her family, and her lifetime of service to others."

Bliss added that the film "offers a great lesson in the perseverance of a personal faith in a very dark and trying period of world history. Corrie ten Boom, now in her eighties, has a tremendous vitality, a deep spiritual commitment, and a profound love for her fellow man." The Rev. David Stiles, pastor of North Lake church, stresses that

## Sylvan Citizens Council Critical of Zoning Policy

"Planned reasoned, program for development of the township for the human population is the goal of a master plan or zoning ordinance to make those living there most comfortable," George Holmes, co-chairman of the West Sylvan Citizens Council stated at a public meeting Tuesday, Feb. 22 in Sylvan Township Hall.

Some 40 Sylvan township residents attended the highly organized, informational meeting held to clarify procedures governing zoning changes in the township and the impact of these changes on future township development.

The highly articulate Holmes, joined by co-chairman Greg Koepfer and other citizens council officers, Dale Fisher and Richard MacMath, augmented their dissemination of information with a slide presentation which gave the gathering a physical view of the township lands involved in zoning changes. Controversial land parcels only recently redistricted from recreation-conservation to agricultural by the township board were among those clearly outlined.

The danger of the board's recent zoning changes is a breakdown of land control which may be desirable in the future, and a weakening of the provisions which can signal rejection of proposed zoning changes, Holmes explained.

"Reasonable is now the test," Holmes continued. "Anything which follows the master plan is considered reasonable." With that in mind, the township board has authorized changes in the master plan to create an amended version which now justifies their form-

er actions and gives cause for future changes, MacMath charged. After vocalizing the position of the West Sylvan Citizens Council in regard to recent zoning amendments, council members proceeded to underscore the legal, economic, and ecological implications of these amendments. Through out the discussion, citizens council officers fielded questions from the floor in an effort to make the issues more comprehensible to those attending the meeting.

Of paramount importance to the present was a concluding exchange between citizens council representatives on methods of affecting zoning decisions.

Citing a referendum vote as the only remaining alternative to disenfranchisement with the outcome of recent rezoning actions backed that view by stating that a council ruling was the only superior authority capable of reversing the decision of a referendum.

"Our desire for a referendum vote is now the principal part of the controversy surrounding past rezoning decisions," Holmes explained. He criticized the Sylvan Township Board for their failure to schedule a referendum vote on both the Miller and Coltre property rezoning decisions even though petitions requesting the referendum had been filed with the township clerk several months ago.

Calling for township support to expedite the matter, the citizens council restated the fact that 186 registered voters in the township had legally filed for their right to vote on the past zoning changes but had not even received acknowledgment of the action from their representative governing board.

More meetings are planned in the future by the West Sylvan Citizens Council to organize resident participation in local government, and to ultimately force the current township board to listen to the exigencies of its electorate, according to Holmes.

## Swim-A-Thon Raises Funds for Swimmers

Saturday's Chelsea Aquatic Club Swim-A-Thon was an overwhelming success, club director Larry Reed reported Monday. More than 2,700 was raised toward the purchase of a Colorado Electric Timing System. In addition to Swim-A-Thon proceeds, swim club fees and the parents' club concessions and earnings at swimming meets will help defray the cost of the system.

Five swimmers, Amy Hume, Chrissy Favors, Richard Slater, Scott Prohaska and Lisa Smith,

were each responsible for gathering more than \$100 in pledges. Lisa Smith led the group with pledges totaling \$100.

Some 100 swimmers from 6 to 18 years of age participated in the Aquatic Club Swim-A-Thon drive. The new timing system financed by club efforts which were in turn supported by the community, will be donated to the Chelsea School system upon receipt. According to Reed, the system is expected to greatly improve the total aquatic program.

## Bishop William Gordon To Visit St. Barnabas

Bishop William Gordon of Midland, assistant bishop of the Diocese of Michigan, will visit St. Barnabas Episcopal church Sunday, March 13, to confirm and meet with members of the congregation. Worship services for his Sunday only will be 4 p.m.

Born in Spray, N.C. on May 6, 1918, Bishop Gordon is the son of the Rev. William J. Gordon and Anna Barrow Clark Gordon. He has six sisters.

Bishop Gordon is a graduate of Virginia Episcopal school, Lynchburg, Va.; University of North Carolina, A.B., 1940; and Virginia Theological Seminary, B.D., 1943, D.D., 1953.

He was ordained to the diaconate in 1943 in North Carolina, and went to Alaska in March of that year to serve St. Peter's church in Seward. He advanced to priesthood in July, 1943, in Nenana, Alaska, and married Shirley Lewis of Longview, Wash., in the same month.

Immediately following their marriage, the couple left for St. Thomas Mission, Point Hope, Alaska. During the nearly five years Bishop Gordon served the Arctic Coast missions, he traveled approximately 6,000 miles by dog-team.

On Nov. 7, 1947, he was elected Bishop of Alaska by the House of Bishops, and was consecrated on May 18, 1948, shortly after his 30th

birthday. Bishop Gordon resigned as Bishop of Alaska on Sept. 1, 1974, feeling that 26 years as bishop in one place was sufficient for him and the diocese. At the time he was the senior diocesan bishop in the church.

Following his resignation, Bishop Gordon flew his own single-engine plane to visit the missions and outposts in Alaska averaging about 50,000 miles yearly. He was chosen by the National Junior Chamber of Commerce in 1953 as one of the 10 outstanding young men in the United States, and was given the Alaskan Christian Citizenship award in 1963 by Sheldon Jackson Junior College. He is also in the Alaskan Hall of Fame. Continuously active in ecumenical work, he helped organize the Alaskan Association of Churches and served as its first president.

Bishop Gordon has traveled more than 200,000 miles in 20 months with Teach Each A Ministry team to 69 dioceses in the United States, Central America, South America, West Indies, Africa, England, and Australia speaking on the ministry of the laity in the Body of Christ.

The Gordons have four children. Married daughters live in Seattle, Wash., and London, England. A married son lives in Jupeau, Alaska, while a daughter, Anna, lives at home with her parents. The couple has four grandchildren.

1. To continue to maintain the orderly and controlled growth of the Village in accordance with our newly adopted Comprehensive Development Plan.
2. The Independent Party will continue to work for the improvement of the present sewer system. We continue to believe that the improvement of the present system is the responsibility of the residents of the Village but that extension of the system is the responsibility of the developer.
3. The Independent Party is in favor of a cooperative approach to the problems of recreation and supports the Village's participation in the coordinated group effort to draw together all of the local groups and agencies interested in recreation for the Chelsea area residents.
4. The Independent Party is in opposition to the proposed Mill Creek Metropolitan Park as now proposed by Huron-Clinton Metropolitan Authority. This park offers little, if any, benefits to the local area residents. It will probably cause many problems for the area and added costs to the local taxpayers.
5. The Independent Party is in favor of continued support of the Village Planning Commission.
