Federal Screw Workers Back On Their Jobs

Some 153 members of UAW Local 437 returned to work Monday to end a two-week strike at Chelsea's Federal Screw Works after the members voted, 88-43, to accept the modified terms of a new three-year contract Thursday morning, May 12. The strike began May 3 when the workers walked off their jobs in a dispute over economic issues.

The new contract contains a change in the cost of living index allowance, an added personal day, seniority change, inequity adjustments and language changes in contract terms.

"The new contract meets the majority of union demands," Mike Bauer, vice-president of the Local 37 bargaining committee said Tuesday. "Only a few things were left out."

"We're happy with the settlement, we feel it was a fair one,"

was the comment of Vincent Dorcas, Federal Screw Works general manager. "The contract ratified by the union is a rearrangement of our first contract offer." He added that plant operations immediately returned to normal when workers returned to their jobs.

Over-all, management at the local screw machine parts manufacturing firm was able to weather the strike without any serious repercussions among its customers.

"Our customers were prepared for the strike, and consequently we haven't lost any yet due to the situation," Dorcas explained Tuesday. The company manufactures screw machine parts for the automotive industry, along with piston parts for several smaller business firms.

The recent strike was the first ever to hit the Federal Screw Works plant in Chelsea.

PLAYGROUND BENEFITS: Silhouetted by a backdrop of North school children climbing up a piece of newly installed playground equipment at the elementary school are, from left, Bernice Packard, Vivian Michaelson, Sue Walton, North school principal Robert Benedict, Mary Lou Tudor, Berta Stein and Sandy Meyer. Mrs. Tudor is presenting a \$100 check to Mrs. Walton, chairman of the

North school playground improvement committee on behalf of the Chelsea Jaycee Auxiliary. The check represents proceeds from the sale of space for booths during the Auxiliary's Flea and Craft Market May 7. The sale was held as a community service project to launch the local Auxiliary's "Jaycette" Week celebration.

Schools Seek 4.4-Mill Levy For Operating

The ballot for the May 23 school election will ask voters in the Chelsea School District to decide on an additional 4.4 mills to operate local schools for the 1977-78 year. This increase will result in an addition of only 3.25 mills to a property owner's tax bill for 1977, because an increased evaluation of the district will permit the school board to reduce its debt retirement millage by 1.15 mills. The latter millage was levied to retire bonds sold to finance school construction.

Examples of what Monday's proposed 4.4 mill increase will cost the property owner are illustrated by the following table.

Assessed Value of Property	Increased Cost
\$20,000	\$ 65
\$25,000	\$ 77
\$30,000	\$ 97
\$35,000	\$114
\$40,000	\$130
\$45,000	\$146
\$50,000	\$162

Since the assessed value of property is defined as one half of its market value, property assessed at \$50,000 would have a sale price of \$100,000.

"The Board of Education was appreciative of the efforts of the Chelsea Boosters in restoring extra curricular activities for the kids this year," said Howard Haselschwardt, Chelsea School Board president. "The board is in agreement that if our schools are to continue as public institutions, they must be financed with public funds in the future. Therefore, the board will not accept private donations to maintain or restore school programs next year."

"The home, the church, and the public schools," Haselschwardt continued, the probably the greatest source of influence in most young people's lives. The additional millage requested will give the Chelsea School District the necessary funds to continue its role in preparing youngsters for the adult world.

Voting Monday will be in the large groups instruction room at Beach Middle school. Polls will be open from 7 a.m. to 8 p.m.

Poppy Day Sale Scheduled Friday

"Lest We Forget" is the theme of this year's Poppy Day in Chelsea which will take place tomorrow, May 20. Sponsored annually by the American Legion Auxiliary, Poppy Day is a time for remembering all American veterans with the purchase of a simple red flower.

A special proclamation from Chelsea Village President Don Wood has brought official sanction to the day-long observance. In heading the proclamation with a poppy donation, area residents will be contributing to a benefit fund for veterans still hospitalized from the effects of military service.

"Please wear your poppy, don't let it out of sight," Chelsea American Legion Auxiliary Presi-

dent Lucile Barr urged. "It was made by a veteran. For some, it is the only work they are able to do."

"We took a senior boy to Ypsilanti State Hospital a few weeks ago to help with a bingo party for about 80 men and women veterans," she continued. "It was quite an experience for him, but he said he was very glad he went. I wish more young people could visit these veterans, especially veterans not much older than high school students."

"I wonder if veterans sometimes feel that because they are out of sight, they are out of mind," Mrs. Barr said, adding, "To prevent such a misconception, wear your poppy with pride—not out of sight."

G. Albrecht Narrowly Escapes Copter Crash

Gary Albrecht of 13589 Waterford Rd. was just two floors and 10 minutes short of joining three waiting passengers who were slashed to pieces by the whirling blades of an idling helicopter which flipped over on the rooftop heliport of the 59-story Pan American building in New York Monday.

Having completed his business dealings in New York, Albrecht was scheduled to ride the waiting helicopter to a nearby airport on a leg of his return trip home. Five persons were killed in the accident, including a woman who was hit by falling debris a block away from the skyscraper that straddles Grand Central Terminal in mid-town Manhattan. Along with the three passengers, a fourth man on the roof died of injuries.

Albrecht was at Equity Insurance Co., in New York to tape a closed-circuit television program to be used as an instructional aid by insurance companies throughout the country.

The tape features several speakers, all members of the Million Dollar Round Table, a top-echelon insurance business organization.

Albrecht is scheduled to appear as a principal speaker before the group at an upcoming meeting where the tape will be presented.

He had been taping all day and was doing well when he "flubbed" a line, just as the project was about to be wrapped up," according to his wife, Ginny. It took about 10 minutes to correct the error which made the insurance man late in leaving for the heliport.

Albrecht was in an elevator in the Pan American building, riding past the 57th floor when he heard an explosion and the elevator came to a halt. His first impression was that the elevator had failed and was about to plunge 57 stories.

However, in a matter of seconds, the doors burst open and Albrecht found himself being rushed down a stairway to the ground floor by rescue workers.

"It's merely a coincidence," he wasn't up there," Mrs. Albrecht said Wednesday. "He missed being there by only 10 minutes, which was quite an experience for him."

She added that several Million Dollar Round Table executives, upon hearing of the crash, and also hearing that the body of one victim had still not been identified, called Monday evening to make sure her husband was safe.

"We're kidding now," Mrs. Albrecht revealed. "We keep saying how we've robbed the Million Dollar Round Table meeting of its dramatic effect. Imagine how it would sound when they went to introduce Gary and had to say, 'the next man on the tape died 30 minutes after he gave his speech.'"

Albrecht is now back on the job as a principal in the private Detroit insurance agency of Nestor, Walsh & Albrecht. Though he tends to play down the excitement caused by his close call, he did retrieve a piece of glass from the crash, bringing it home as a reminder of his exceptional luck.

THE CROWNING MOMENT in the 1977 music season for the two Chelsea High students pictured above, came recently when junior Jim Wiedmayer, left, was selected to play trombone in the State Honors Orchestra, and senior Bill Smith, right, was seated first chair clarinet in the State Honors Band. Selection was made by the Michigan Schools Band and Orchestra Association. Both will perform with their respective groups in the Youth Arts Festival Saturday at Mt. Pleasant.

Two CHS Musicians Receive State Honors

Two Chelsea High musicians, junior Jim Wiedmayer and senior Bill Smith, have been selected for the 1977 State Honors Orchestra and State Honors Band by the Michigan Schools Band and Orchestra Association. The orchestra is an 85-member group, while 110 instrumentalists round out the band. Each group represents the very best among high school musicians state-wide.

Wiedmayer will play trombone in the honors orchestra, while Smith has been seated first chair in the honors band.

Selection was based on each student's performance in the State Solo and Ensemble Festival several weeks ago. In the festival, Wiedmayer received a Division I rating at the proficiency-II level, and Smith received a Division I rating at the proficiency-III level, the highest possible level of achievement.

In addition to their selection to the honors orchestra and band, both Wiedmayer and Smith were nominated as top soloists of the day by judges at the State Solo and Ensemble Festival. Each judge was allowed to name only one or two musicians from the hundreds they hear perform.

The short-lived Honors Orchestra and Band will stage only one performance this year, when they appear in the Youth Arts Festival of Michigan Week Saturday, May 21, in Mt. Pleasant.

The event is to be hosted for the fourth consecutive year by Chelsea. (Continued on page four)

School Choirs Plan Concert for Monday

Beach Middle school's 7th and 8th grade choir will join with the Chelsea High school choir in the presentation of a Pops Concert, May 23, 7:30 p.m. in the high school auditorium.

Members of the high school choir will perform "Sounds of the Caribbees," a medley of hits by the famous sister-brother duo, and "Twentiana," a medley of hits from the 1920's. Women of the choir will be featured in Terry Pinkman's "Cherish."

The 90-voice middle school choir will continue the program with such favorites as Simon and Garfunkel's "Sounds of Silence," and "Bridge Over Troubled Water." The program will conclude with a ragtime presentation of "Sweet Gypsy Rose" and "Tie a Yellow Ribbon," complete with a dance routine.

Both choirs are directed by DiAnn L. Roy and are accompanied by LaVonne Harris. The concert will be presented free of charge.

MAYOR EXCHANGE: Though celebrations in honor of Michigan Week, May 14-21, are now winding down, excitement was high in Chelsea Monday when local officials participated in Mayor Exchange Day to mark Chelsea's 24th observance of the annual event. On that day, Chelsea Village President Don Wood, Administrator Fred Weber, Clerk Thomas Neumeyer and their respective wives traveled to Reed City for a day in office, while Reed City Mayor Donald Collison, Councilwoman Pat Ivkovich and their respective spouses arrived

in Chelsea for a taste of politics here. Above, the group of Reed City emissaries are joined by several Chelsea Village officials who remained at home to welcome their guests. Preparing to enter Chelsea Milling Company for a tour of the facilities are front row, from left, Don Collison, Donna Collison, Pat Ivkovich, Paul Ivkovich, Jan Sweet, Sandy Brown and Walt Brown. Back row, from left, are Mike Sweet, Pat Chriswell, Lyle Chriswell, Bob Schaeffer and Diane Borton.

Youth Baseball Registration Set Saturday

All area boys and girls, ages 7 to 12, should be breaking in their baseball mitts and practicing their throws in preparation for Youth Baseball, sponsored by the Chelsea Recreation Department. Registration for Little League, Pony League and T-Ball will be conducted this Saturday, May 21, at Sylvan Town Hall.

According to Youth Baseball director, Joe Rossi, registrants should be accompanied by a parent and are expected to bring the required \$5 fee, to insure that registration forms may be properly completed.

Children with last names beginning with A through K will register at 10 a.m. Last names beginning with L through Z will register at 11 a.m. (Continued on page four)

Bike-A-Thon Nets \$4,000 for Cancer Fund

Braving a searing sun and near 80-degree temperatures, 105 riders pedaled their way up and down the hills of a 25-mile course at Chelsea's Chrysler Proving Grounds Sunday in the second annual Cancer Bike-a-thon, sponsored by the American Cancer Society.

Standouts among the biking enthusiasts were a Senior Citizen still recovering from a brain tumor operation three weeks ago who rode his five-speed the entire length of the course; two women who each rode a large-size tricycle loaned to them by the Chelsea United Methodist Retirement Home, and a rider on a 21-year-old bicycle with balloon tires which the rider pumped furiously over the north 10 miles of the course.

In all, a mixture of area residents from 8-year-olds to Senior Citizens, well up in years, participated in the event.

"Chelsea and its area residents came through with flying colors," a Bike-a-thon committee member commented Tuesday.

One dauntless duo decided the course was not long enough, so Gary Kaluzny, an employee of the Proving Grounds, doubled the distance riding 50 miles, and Doug Nutt of Chelsea rode 35.

All previous records were broken Sunday as the 105 riders brought in \$4,000 for cancer research. Last year, 22 riders participated in the Bike-a-thon to collect \$1,600.

Four bikers in the lead for the most amount of money pledged per mile this year are Robert P. Stoffer, \$16.20 per mile for a total of \$405; Richard Jones, \$11.15 per mile for a total of \$278.75; Mrs. Richard Jones, \$9.92 per mile for a total of \$248; and William E. Clarke, \$5.40 per mile for a total of \$210.

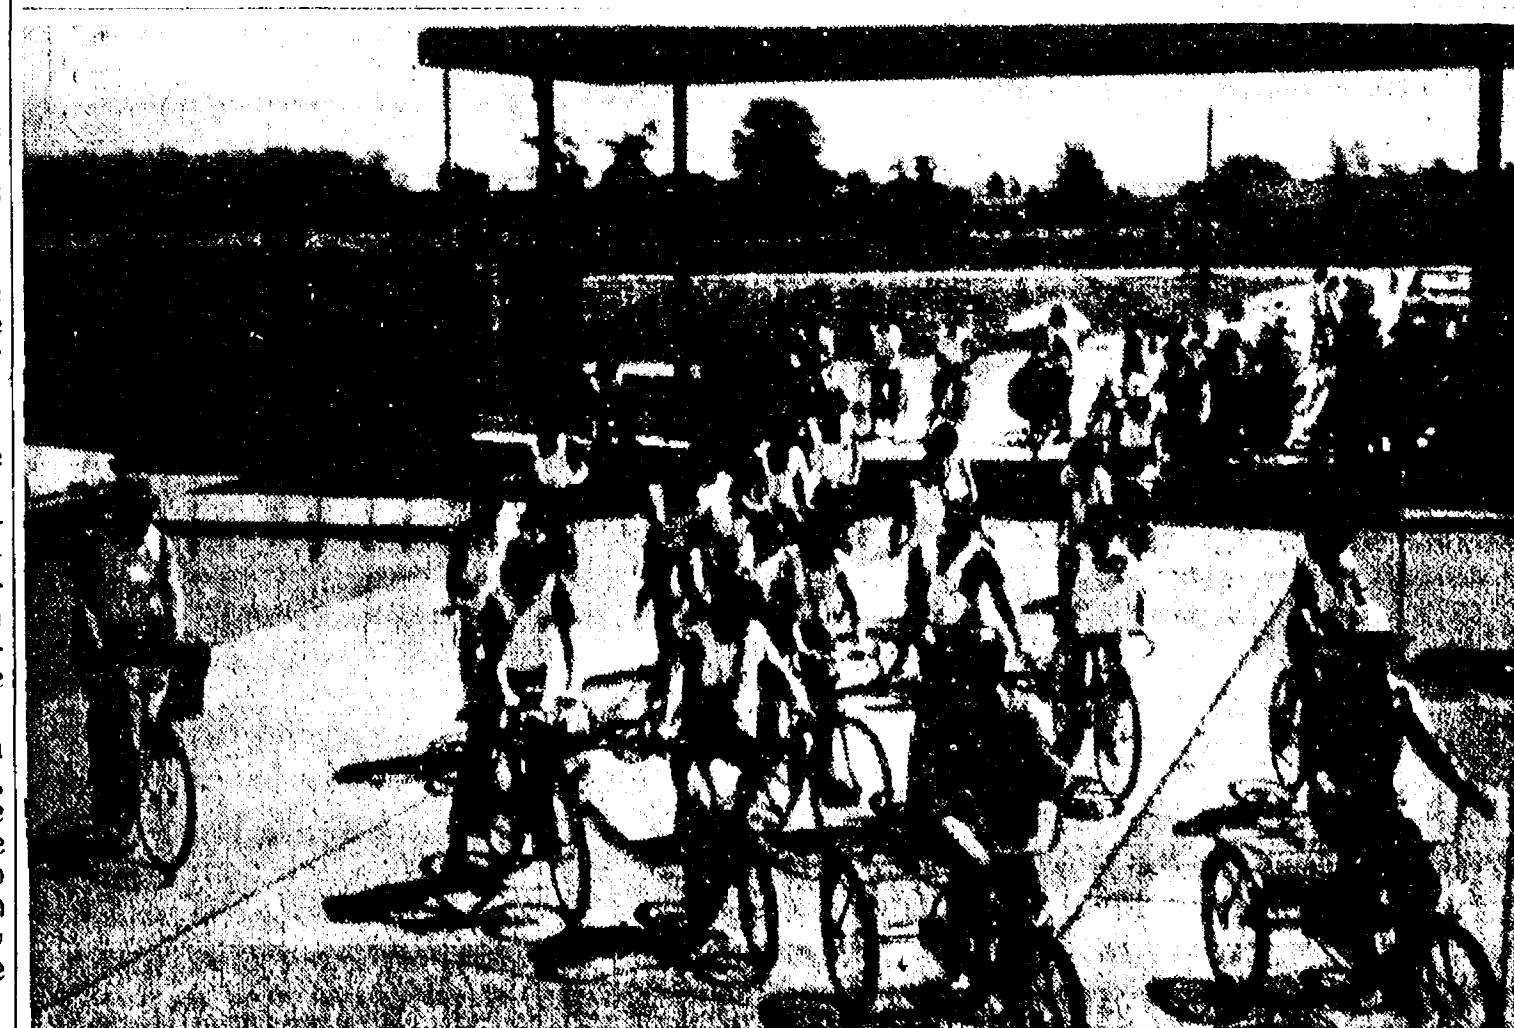

"A total community effort was involved with the largest turnout coming from the elementary and junior high schools," said Mrs. Robert Stoffer, an organizer of the event.

"These youngsters must be commended for their strong efforts. We hope their sponsors will realize what a truly remarkable job they did," remarked Mrs. George Painter, special events chairperson, American Cancer Society.

Area merchants were generous in supporting the cause with Polly's Market donating all the lemonade served during the Bike-a-thon, and Jiffy Market supplying all the paper cups and ice cubes for the day.

Mrs. Arthur Cobb, RN, was on hand at all times in case of emergencies, while others nearby were ready to make minor bike repairs.

Key to the success of the Bike-a-thon was the co-operation of B. J. Ludwig, Elmer Kiel and their many employees at Chrysler Proving Grounds, who organized, planned and hosted the event. (Continued on page four)

BIKERS BLAST OFF: Led by Chelsea American Cancer Society Unit chairman Donna Palmer, and Marge Daniels, a unit officer, Bike-a-thon participants start out on the first leg of their ride

over the 25-mile course at Chrysler Proving Grounds last Sunday. The event began at 12 noon and continued through 5 p.m.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 (This is a slack time of year for politicians. They are in office, still sulking from getting put out of office or getting their ducks in a row to run for office. So them outfits that tell folks what America thinks about politics and everything else is between roles, as actors like to say when they're out of work. The politicians are snatching at ever straw,

and they are coming up with a typical everything, from farmer to consumer to whoever they happen to meet on the street.

The other day I saw where one national poll found out that all Democratic Presidents in recent history, folks in this country hold Franklin Roosevelt and John Kennedy in "highest esteem." For my money, "highest esteem" means what names come to mind first for any reason. A generation of Americans grew up with FDR in the White House, and Kennedy getting killed burned his name in our memories. I figure you could ask folks anything about Presidents, and if we took "recent history" to be anything like the last 50 year you'd get the same answer.

This matter came up during the session at the country store Saturday night. It was Zeke Grubb that said he wondered what happened to that poll ever spring that tells us how many people each farmer is feeding. Zeke said he folloed it pritty clost, and the last he heard the ratio was one to 30. Zeke figured it's getting harder to find out how many farmers there are, with all the city folks moving to the country and keeping on working in town. The last the USDA could do is tell the real farmers how far ahead of the Russians they are, Zeke allowed. The Reds may have more submarines and more atomic bombs than we got, and a bigger standing army, but we got to be way ahead in folks fed per farmer, cause we're feeding the Russians too. And this time of year the folks are off on way are going day and night. Zeke said he couldn't git no rest fer the lights of tractors flashing through the night like lightning. Our farmers must be working in the daytime fer hisself and at night fer them 30 other folks, was Zeke's words.

Clem Webster said what bothers him about polls is that to make the things work you got to come up with a typical whatever you're dealing with, like the typical American family has 4.3 members. Clem said he'd been around a lot of years and he's seen a heap of families, but he's never found that 3.0 of one. Last summer, Clem said, he read in one of his USDA pamphlets where the typical farmer has mice in his kitchen and rats in his barn. Clem said that information strikes him about as important as saying that a particular banker in prison fer embezzling his own money is a typical banker, or

MICHIGAN MIRROR

By Warren M. Hoyt, Secretary, Michigan Press Association

GOP Scrambling For Griffin Spot
 Michigan's senior U.S. Senator, Robert Griffin, shocked most Michigan Republicans last week with an announcement that he wouldn't seek re-election next year. But the news also sparked aspirations in perhaps dozens of GOP officials who never expected that office to be up for grabs so soon.

Within hours after Griffin's announcement hit the airwaves, political speculators had suggested former President Gerald Ford, former Lt. Gov. James Brickley, various congressmen and state lawmakers and even Gov. William Milliken as possible replacements for Griffin.

Ford is thought to be disinterested and Milliken aides say the governor has never aspired to Washington, but Brickley acknowledged that he's willing to be courted.

The Michigan Republican Party, crippled by Ford's loss last November, needs to hang onto that

U.S. Senate seat if it is to retain a voice in that body. Some say Griffin's retirement, after he achieved 22 years of Senate seniority, will weaken Michigan's position in Washington. Others, however, say Griffin did not use his seniority and influence as he should have. They say his retirement will open the way to younger, brighter politicians who would be more aggressive in pursuing Michigan's interests.

Blues Chief Gets More Green
 For the second time in less than a year, the chief executive of Michigan Blue Cross-Blue Shield has gotten a raise. His new salary is \$110,000.

The Blues' board of directors approved the pay raise for John McCabe, who was making \$95,000, to recognize new duties he's had to assume, board spokesmen said.

Customers of the state's largest health insurer, meanwhile, face a

rate hike as large as 14.8 percent for some classifications. Altogether, the Blues want to collect \$125 million more a year from their more than five million customers in Michigan.

Blues board members who opposed the pay raise said it gave the Blues a bad image. But proponents said big money is needed to attract and keep good management types.

Michigan Big on Disasters
 In spring, 1976, massive flooding ruined crops and forced hundreds of people from their homes.

That fall, more heavy rains drenched crops. Early the following spring, ice storms darkened and chilled thousands of homes, downed trees and dampened spirits.

Altogether, since spring 1975, Michigan counties have suffered \$70.8 million in property damage from natural disasters. Various counties have been declared disaster areas a total of 66 times, the Michigan State Police say.

In the last two years, three major Presidential Disaster Declarations have been made in Michigan due to the flooding, rains and ice storms. In addition, blizzards and tornadoes left more damage.

No one is quite sure, however, which of Michigan's 83 counties escaped unharmed over the last two years. State Police spokesmen will only say that the southern half of Michigan's Lower Peninsula generally gets hit the worst by everything from rains to snows to tornadoes.

Four New Prisons Proposed

Gov. William Milliken has proposed that new prisons be opened at four different sites, although two of the facilities could not be ready for inmates until the end of next year.

While residents of potential prison sites hoped theirs would not be chosen, Milliken instead said all of the sites suggested by corrections officials were needed. He said he hoped the legislature would provide funds to convert St. Augustine Seminary near Saultuck and the soon-to-be-empty Kincheloe Air Force Base by this fall.

Two other sites, one a warehouse in Detroit and the other a state institution in Northville, should be ready by late 1978, Milliken said.

While the new prisons could end the current overcrowding, administration officials acknowledge that even more new beds are needed to accommodate a swelling prison population, nearing 14,000 and expected to continue growing.

Seminar Slated on

The Co-operative Extension Service will present a seminar on Sprayers and Hand Tools, Thursday, May 19, from 7:30 p.m. to 9 p.m. The seminar will be held at Co-operative Extension Service Cafeteria at the County Service Center, 4133 Washtenaw.

JUST REMINISCING

4 Years Ago...

Thursday, May 24, 1973—

Chelsea's varsity nine experienced its one brief shining hour last Saturday when they captured the championship at Tecumseh's Invitational Tournament. They downed Saline and their hosts to take the trophy.

Despite eloquent efforts of local residents, Lima township officials, many environmental groups and the Department of Agriculture, the Department of Natural Resources (DNR) has sanctioned Mill Creek Park plans with tentative approval. Ten enthusiastic delegates to Chelsea from Sparta were most impressed with Chelsea's tidy appearance and the Medical Center, but they were also delighted with their tours of the Jiffy plant and Chrysler Proving Grounds. The delegates came to Chelsea Monday as part of Mayor Exchange Day. Joyful noises will emanate from St. Paul's United Church of Christ Sunday evening as music-makers of all shapes and sizes participate in the Spring Musicales. Proceeds from the event will be used to purchase new robes for the Children's Choir.

Construction of Chelsea's new fire station on West Middle St. west of Balmer's Brake Service, is to begin soon, it was announced this week. Contractor for the job is Frederick Belser. Arthur Lindauer, a Chelsea architect, designed the new building.

Chelsea Village President and Mrs. Robert Daniels, and Councilman and Mrs. Stephen Clark left here Monday to go to Mt. Morris for Mayor Exchange Day. Among other activities in Mt. Morris, the local officials will tour public buildings.

Mister Editor, I saw where there was a holdup the other day in a garage. Police said the gunman took \$13 off a college professor that was in the shop waiting fer his car to be fixed, and \$375 off the mechanic. Do you have a poll to show if they were a typical perffessor and a typical mechanic?

Jeff Dils Rated Key to EMU Track Hopes

Chelsea sophomore Jeff Dils is considered Eastern Michigan's top hope in both the 110- and 400-meter hurdle events at the 1977 Mid-American Conference Track Championships which opens Thursday at Ohio University in Athens, O. Competition will run through Saturday.

Dils, a graduate of Trotwood High School in Madison, O., enjoyed an outstanding indoor campaign which saw him qualify for the NCAA Championships in the 60-yard (0:07.2) and 70-yard (0:08.3) high hurdles, the 440-yard dash (1:47.8), and as a member of the team's mile relay. Outdoors, he has hit the qualifying standard in the 110-meter hurdles at 1:38.

EMU Head coach Bob Parks predicts Dils will place in the top three in each of the two hurdles and also plans to run him in the 1000-meter relay. "Jeff is one of our keys, no doubt about it," commented Parks. "If he runs 100 percent there is no question he will be a placewinner in both events, and he has the capability of winning each of them."

In last year's league championships, Dils finished fourth in the 440-yard intermediate hurdles at 1:53.5 and sixth in the 120-yard high hurdles at 1:49.

A second-place finisher in the 1976 Outdoor Central Collegiate Conference Championships in the high hurdles, Dils also has a 30.4 300 to his credit this year.

In an outdoor dual meet against Western Michigan last month, Dils took first-place hon-

ors in both the 110-meter hurdles (1:38.5) and the 400-meter hurdles (1:53.4) and also anchored the victorious mile relay team to lead the Hurons to an 85-78 upset win. That victory snapped West-

ern's 57-straight dual win streak dating back to 1965.

Eastern figures to battle it out with host Ohio University for the year's conference championship. The Hurons have finished second two years in succession after winning the title in 1974.

The famous Sault Ste. Marie locks, which unite Lake Superior with the other four Great Lakes, rank high in navigational importance.

Harry Kenworthy, Community Relations Manager, Ann Arbor, offers you this telephone tip:

"Two-Party Budget Service may help you save money on your phone bill"

Two-Party Budget Service is especially designed for people with fixed incomes, such as retirees. For a monthly charge of only \$3.39, plus tax, this service lets you make 45 local calls a month and talk as long as you like. Extra local calls you make are 5c each. This is our least expensive service (a lot cheaper than two-party flat rate service).

If you think Two-Party Budget Service might be what you need, just call your Michigan Bell Business Office and talk to a service representative about it.

STUDENTS TOUR DANA PLANT: Students from Mrs. Duane Crouch's 5th grade class at North Elementary school, toured Chelsea's Dana Corp. as part of their study of careers last week. The students gather in an attentive circle around a Dana worker, above, as they watch him demonstrate one of Dana's many machine operations. Chaparrones for the group were Mrs. Salyer, Mrs. Dunlap and Mrs. Benedict.

Special Olympians Do Well in Tri-County Meet

On Saturday, May 14, Chelsea Special Olympians traveled to Monroe High school to compete in the Tri-County Swim Meet and Bowling Competition. At the close of the day-long event, the athletes had collected an outstanding array of first, second and third-place finishes.

"I was very pleased with the outcome and am very confident we will have quite a few local Olympians entered in the state competition at Central Michigan University next month," said Chelsea Coach Nancy Oswald.

Bowling competition began 9 a.m. Saturday at Nortel Lanes in Monroe. With 66 lanes, the bowling alley was perfect for the regional contest, according to Coach Oswald. Entered in the competition were 396 mentally-impaired students.

"Chelsea did very well, probably because of the practice they received every Monday at Chelsea Lanes," Coach Oswald explained. Each student bowled two games, handicaps were figured, and then each student was ranked.

Placing first for Chelsea in the 16-17 boys division was Matt Schnadt with a 352. Other local top-place winners were Lori Brown, first in the 14-15 girls division with a 299; John Winans, first in the 20-29 men's division

LETTER OF THANKS

As chairman of the blood drive conducted on May 7, 1977 I wish to thank all those who donated blood or attempted to give blood. A special thank-you to the assistant principal of the Chelsea High school, Mrs. Nancy Schave, who talked to the high school seniors about the blood drive. Four high school seniors responded to the call. Miss Tammy Lorenz and Miss Denise Wirtz spent two hours in helping register blood donors, then they themselves donated a pint of their blood. Also from the high school were Miss Julie Pennington and Mr. Gerald Doll who donated their blood. I wish to thank all the members of VFW Post 4076 who helped on the blood drive and donated blood. Byron Smith, Roy Dechert, Ken Platt, Mac Packard, Bill Pierce, Fremont Boyer, Tom Collinsworth and Kermit Sharp who worked all day and also gave blood. From the Ladies Auxiliary were Betty Smith, Nina Mathews, A. Ellenwood, Mary Kniss, Lucy Platt, Terri Moore, Betty Clark, Gertrude O'Dell, Marian Johnson, Dorothy Lentz, Bessie Sharp and Deborah Clark. Most of these women worked the entire day and some donated blood.

I also want to thank the Post and Auxiliary members who didn't work, but did donate their blood. From the Post were Frank White, Gary Kent, Max Grambau, Donald O'Dell and Billie MacDonald. From the Auxiliary was Julie Kent. Lucy Platt also was responsible for the delicious meal served at noon time. Bessie Sharp was responsible for the orange juice and the very tasty doughnuts.

This year we collected 82 pints, that is 15 pints better than last year. Let's all make a harder effort to make these Community Blood Drives a bigger success.

Ron Moore, chairman of May 7, 1977 Blood Drive.

CARD OF THANKS

The students and staff of North school would like to thank all of those people who helped make our playground a nicer place. We really enjoy having more things to play on and that wouldn't have been possible without your help. Thanks to John Poulter for bringing his tractor, and to Jim Robards for the use of his semi. Thank you to those who donated materials and money. A special thanks to Pete Stein, who was our leader and organizer.

James W. Tarnaski Returns from Cruise In Mediterranean Area

Navy Electronic Warfare Technician Third Class James W. Tarnaski, whose wife, Dawn, is the daughter of Mr. and Mrs. Floyd Rinehart of 551 Glazier Rd., Chelsea, recently returned from an extended deployment in the Mediterranean Sea.

He is a crewmember aboard the guided missile cruiser USS Richmond K. Turner, homeported in Norfolk, V. While deployed, his ship operated as a unit of the U.S. Sixth Fleet.

During the deployment he and his shipmates participated in numerous Sixth Fleet training exercises including "National Week XXII," an eight-day exercise that took place in the Tyrrhenian and Ionian Seas, near Sicily. Additionally, he and his fellow crewmembers had the opportunity to visit Spain, Italy and Sicily during the cruise.

The Turner is 533 feet long, displaces 7,800 tons fully loaded and carries a crew of 398 officers and enlisted men.

Tarnaski joined the Navy in May 1975.

2001

It's Rampy's theory that if you spend time, effort and money to see that your customers are satisfied, they'll come back again... and again.

That's exactly why Rampy recently bought the most modern computer diagnostic system available. The Sun 2001. It's one of the few things in this world that seems to make everyone happy.

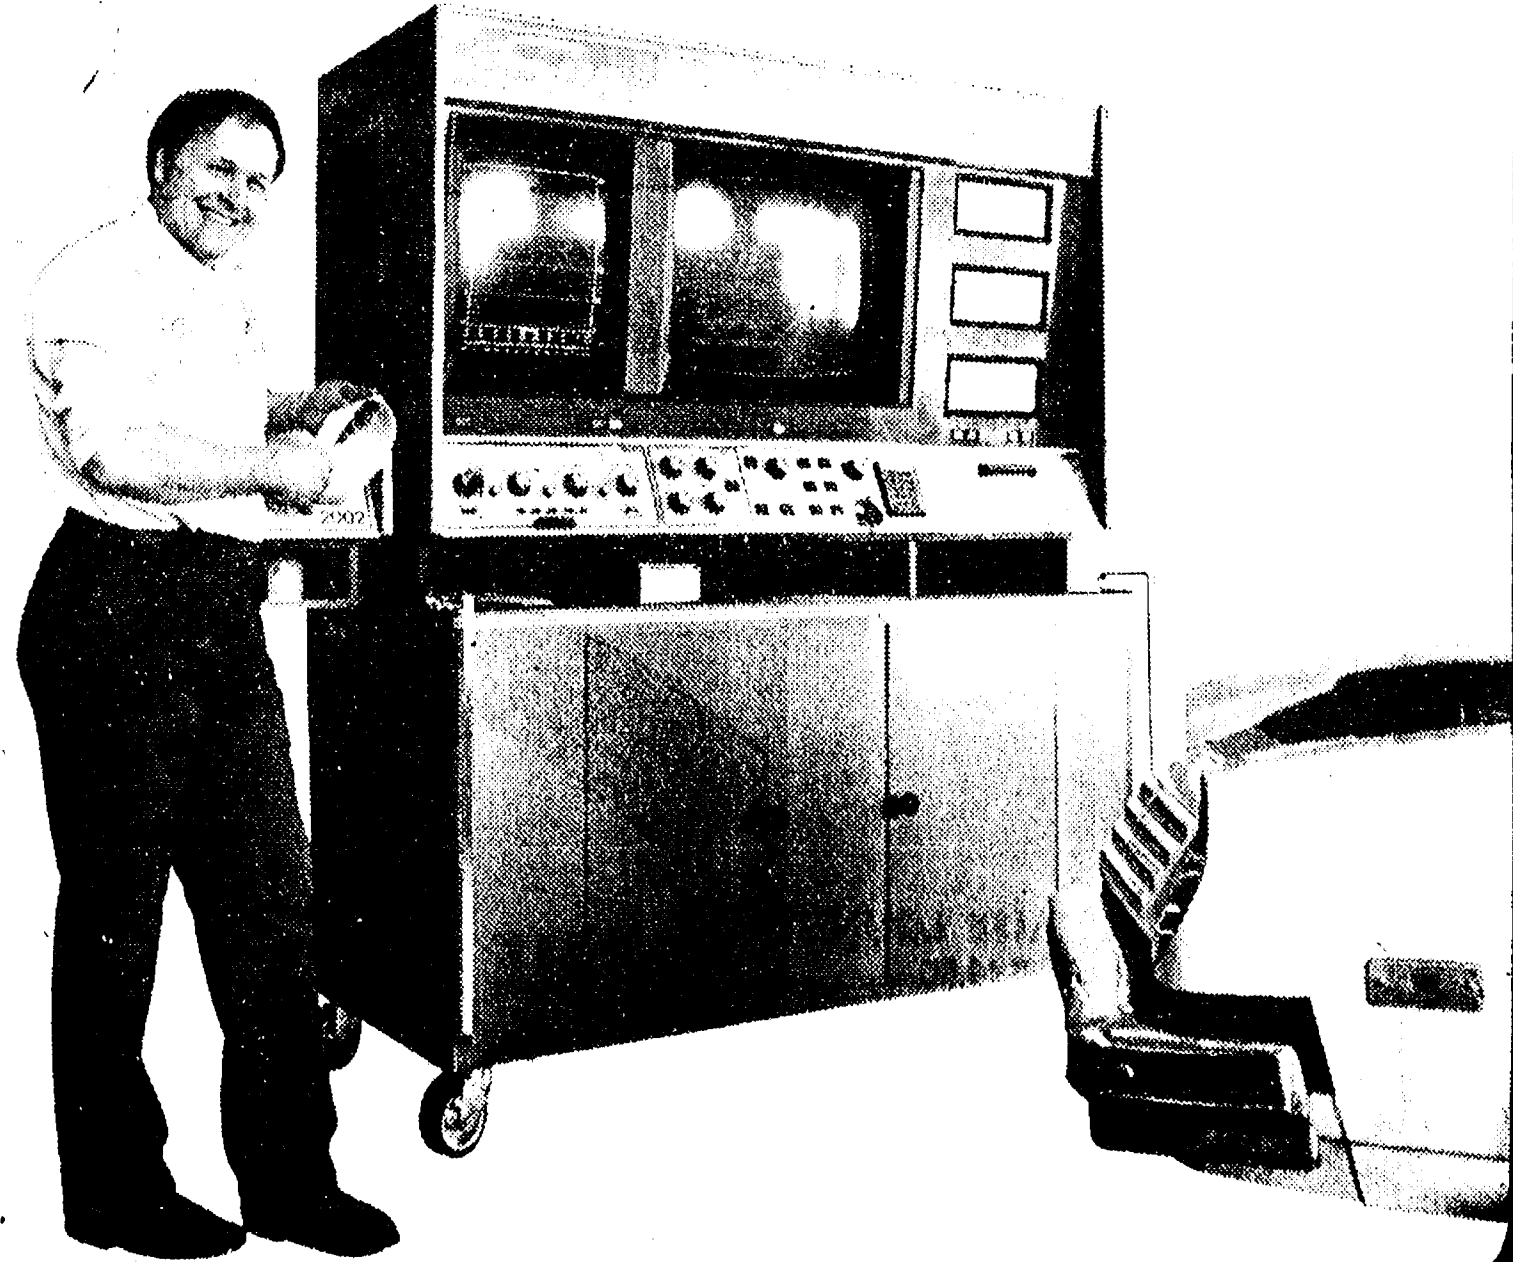

The mechanics like it because it makes their job easier... it can spot a small problem before it develops into a big one... and it saves a lot of sweat looking for problems that just don't want to be found.

Customers like it because the computer print-out they receive allows them to see just exactly what was needed to get their cars running at peak performance. And, that means fewer service calls in the long haul. The real problems are spotted right away.

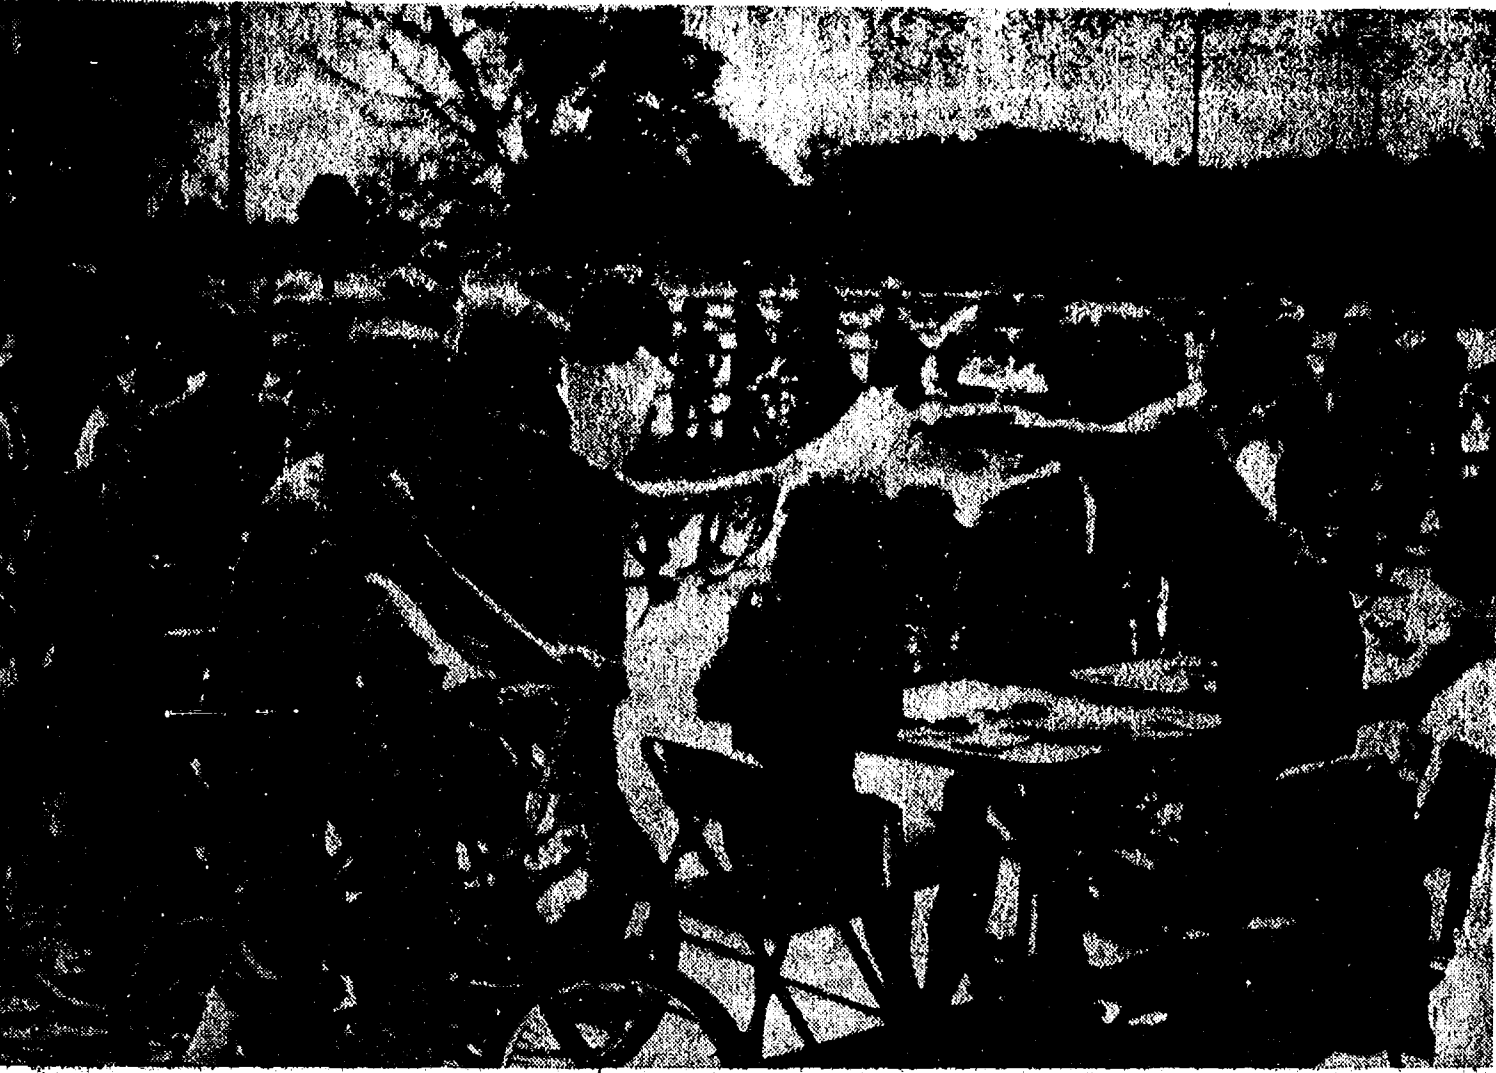

And Rampy likes it because he can see it helps keep his customers satisfied.

Bring your car in for a taste of the future today... the Sun 2001... at Rampy Chevrolet.

RIDERS CHECK IN: A group of riders in Chelsea's Cancer Bike-A-Thon line up to receive numbers as they check in before tackling the 25-mile course Sunday. In the foreground of the photo, one boy appears exceptionally well-prepared for the job ahead as he dangles a canteen from the handlebars of his bicycle.

SAPPED OF THEIR ENERGY, the four riders pictured above chose to finish the 25-mile Cancer Bike-A-Thon course last Sunday from the back of a pick-up truck. Though the riders could only collect on the amount of miles pedaled during the event, their contribution still helped raise pledge funds to a total of \$4,000 for the day.

Michigan forests still produce valuable commodities, not the least of which is the attractiveness of woods and waters to urban people of the State and the Nation. The vacation land of the north is not only a "water wonderland" but also a wooded wonderland. Its use for recreational purposes could well have produced more income to the State than did the timber harvest of last century.

Letters to the Editor

Dear Editor,
I would like to take the opportunity to express my appreciation of the Parent Readiness Education Project (PREP) in our school system.
On behalf of all the students and parents involved in this program, I would like to thank Mrs. Linda Hiatt, Mrs. Pat Passick, (teachers) and Mrs. Kathy Hagerman (secretary).
We think PREP has been a very rewarding experience for all of us, and think it is well worth our support so that others may benefit from it in the future.
Thanks to all responsible, for PREP.
Carol Ledford.

Dear Editor,
As everyone knows, the 1977 millage will be voted on May 23. We feel the people in the Chelsea community should definitely pass this millage. We realize that it's going to raise taxes but in the long run it's worth it. All students in the Chelsea area will be badly effected if the millage doesn't pass.

During the millage for the fall of 1976, there were persons who came to the High School to observe, and they noted that students and teachers alike had a very low morale because of the problems we were having at that time.

Extra-curricular activities are essential to the Chelsea school system in keeping the morale of teachers and students up. In the 1976-77 season 500-600 students participated in sports alone. Without the millage there will be:

1. More vandalism, for there will be more free time and a lot of students will take out their hot frustrations on the property of the school. The students that are involved in the extra-curricular activities are the ones who will probably contribute most to the problems we will have. These aren't under-statements. We've already heard what some students have to say about it.
2. The drug problem in the junior high and high school isn't that bad now but without these activities again, they'll have more free time to get more involved with drugs. If this millage doesn't pass, in a sense, you're contributing to the delinquency of minors.
3. In order to be able to participate in extra-curricular activities the students must pass three out of four academic classes. Again, if the millage doesn't pass most students won't bother to keep their grades up, many feel that there's no reason to.

We want to come across strongly but optimistically because extra-curricular activities give students a purpose in going to school. We are trying to express the feelings of students along with this concern.

We owe a lot of thanks to everyone who helped raise money last year but we won't be allowed to go out into the community and raise money this year.

When you think about it, what does Chelsea offer to kids our age, if we're not able to participate in extra-curricular activities? Our plea to this community is, "Vote Yes!" for the 1977 millage, we need your support.
Concerned Students.

Mrs. Edward Bennett

Chelsea Woman's Mother Dies at Saline Nursing Home

Aleta A. Bennett, 83, mother of a Chelsea resident, died Friday, May 13, at Saline Evangelical Home after a lengthy illness. She had resided at 48 Chestnut St. with her daughter and son-in-law, Mr. and Mrs. Robert Rasmussen, until 1973 when she entered the Saline Home.

Born in Ellensburg, Wash., on Nov. 12, 1888, she was the daughter of John and Ida Swasey Packwood. On Nov. 27, 1918, she married Edward E. Bennett. He preceded her in death in 1930.

Mrs. Bennett was a member of St. Paul United Church of Christ, Chelsea, and a life member and past matron of the Ilii Chapter Order of Eastern Star of Toppenish, Wash. She had served as city clerk and treasurer of Toppenish for 26 years, retiring in 1959. She came with her family to the Chelsea area in 1969.

Survivors include her daughter, Mrs. Robert (Betty) Rasmussen, one brother, John W. Packwood of Bothell, Wash.; five grandchildren, Lee and Frederick Bennett of San Diego, Calif.; Mrs. Richard (Susan) Huelsberg and Mrs. Daniel (Christine) Gaunt, both of Ann Arbor; and Brock Rasmussen of Chelsea; and six great-grandchildren, Steven Gaunt, Bernice, Erin, Denise, Yvette and Moses Bennett. A son, E. Eugene Bennett, preceded her in death in 1947.

Funeral services were held Tuesday, May 17, 1:30 p.m. at Burghardt Funeral Home with the Rev. Ralph J. Ratzlaff officiating. Burial followed in Oak Grove Cemetery, Chelsea. Memorial contributions may be made to the Saline Evangelical Home.

CONFIRMANTS: Following a year of instruction in the basic tenets of the Christian faith, the five young people from Chelsea's First Congregational church, pictured above with two church officials, confirmed their commitment to Jesus, Christ in a service of worship on Palm Sunday, April 3. Guest speaker for the occasion was the Rev. Stanley Hartman, administrator of the Saline Evangelical Home for Children and Aged. As their personal gift to First Congregational church, the 1977 Confirmants presented the church with five hand-made mosaic plaques decorated with the symbolic identities of Jesus—Alpha and Omega, the Conquering Lamb of God, King of Kings (crown and cross), ICHTHUS (Jesus Christ, God's Son, Savior) and the Son of Righteousness. Front row, from left, are Scott Chapman, Jennifer Ringe, Tracy Barr and Troy Satterthwaite. Back row, from left, are Georgia Collins, chairperson of the Board of Deacons; Susan Satterthwaite; and the Rev. Carl Schwarm, pastor of First Congregational church.

Tecumseh Historic Tour Set

Tecumseh's stately 19th century homes on tree-lined Chicago Blvd., will create the setting for a second "Promenade the Past" festival, this year to feature a tour of six historic structures.

The tour is scheduled May 21 and May 22 from 1 to 6 p.m. along Chicago Boulevard, M-50. This historic district was placed on the Michigan State Register of Historic Sites in January 1976.

The first "Promenade" held in 1976 was a restoration, by volunteers and top designers, of the "Weller House," once the home of Michigan author Allan Seager. The six buildings included on the 1977 tour reflect different eras in Tecumseh's development. Each architectural style represents the cultural, economic, social and religious ideas of that period. Together these buildings form a streetscape—a visual history of Tecumseh's heritage that remains a lively, attractive neighborhood.

Special demonstrations and entertainment reminiscent of the home's history will enhance the visitor's perception of 19th century life in the country town. The tour includes: —First United Presbyterian church, Gothic revival ca. 1865. Refreshments served to visitors. —James McAllister House, Greek revival home ca. 1839. —C.A. Stacy House, an Italianate villa style home ca. 1848-56. The Promenade String Trio performs in the music room. One room in the 27-room house is furnished by Merkel's of Chelsea.

—Occidental Farm House, a brick Federal style home ca. 1842. Renovated as the Augues Co. flower and bath shop. Sheep shearing, wool spinning and weaving demonstrated on the lawn.

—Tecumseh's first Catholic church, a cobblestone structure built in 1913. Renovated as Richard Marks Stained Glass Studio-Gallery.

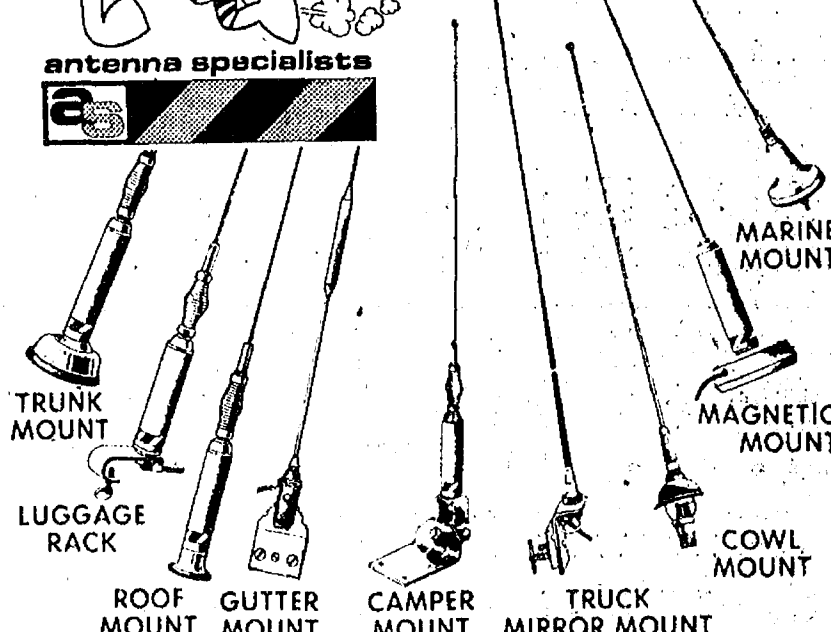

—Wickwore House, a Queen Anne clapboard home ca. 1890. Four Dads quartet will entertain. Antique car will be displayed.

Original postcard etchings of the structures on tour will be given to visitors with admission.

Real Estate

By PAUL FRISINGER

REALTOR

EXCLUSIVE RIGHT TO SELL

When listing your home with a Realtor to sell, there are a variety of arrangements you can make. But if you are seriously intent on selling your home within a reasonable time and at the price you are asking, it would pay to consider making an "exclusive right to sell" agreement.

This gives the Realtor the right to his commission if he actually sells your home during the listing period, or if another Realtor sells it, or if you sell it yourself.

Under these conditions, the Realtor will have the added incentive and protection to go all-out in heavily advertising your house and showing it to prospective buyers.

He will not be afraid of bringing it to the attention of other Realtors who may have qualified prospects. As a rule, Realtors are willing to cooperate and share the single commission. That gives you the advantage of having several Realtors make a determined effort to sell your home.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea, Mich. Phone: 475-8681; evenings 475-2621. We're here to help!

JCs, Auxiliary Win Several State Awards

A 12-member delegation from the Chelsea Jaycees and its Auxiliary traveled to Lansing last week-end to attend the Jaycee State Convention, May 13-15. Several members of the delegation were among those honored before a gathering of more than 2,400 Jaycees from across the state.

Attending the convention from Chelsea were Mr. and Mrs. William Tudor, Mr. and Mrs. Norman Colby; Mr. and Mrs. Hap Baker, Mr. and Mrs. Robert Meyers, Mr. and Mrs. Mitchell Zink, Robert Ponte and Anne Steinaway. Mary Lou Tudor was named one of five Outstanding Spokettes for the 1976-77 year, an award reserved for first-year members only. Some 300 members were entered in this year's competition.

Her husband, William, received the Jaycee Presidential Award of Honor for projects which extended Camp Waterloo and Camp Stockbridge.

Mitchell Zink also received a Jaycee Presidential Award of Honor as one of the outstanding recruiters in the state. Having signed up 32 new Jaycee members, Zink was named one of the 91 new members.

Anne Steinaway was the fourth member of the Chelsea contingent to be recognized during the state convention. She was honored at a Saturday noon luncheon as a past president of the Michigan Jaycee Auxiliary.

In other convention activities, Michael Robinson was elected president of the Michigan Jaycees for the 1977-78 year.

JC Auxiliary Observes Jaycette Week

The Michigan Jaycee Executive Board inaugurated Michigan's first annual Jaycette Auxiliary Week this month as Auxiliary members throughout the state celebrated "Jaycette" Week, May 8-14.

In honor of the observance, Chelsea Jaycee Auxiliary members joined other Michigan chapters in efforts to acquaint their communities with their purpose, goals and history; and to carry out a service project for the benefit of their community.

Kicking-off Jaycette Week locally, the Chelsea Auxiliary sponsored a Flea and Craft Market, May 7, with proceeds from the sale of booth spaces earmarked for North Elementary school playground improvements. As a result of this successful project, \$100 was donated to North school Monday.

Accepting the donation for North school was Principal Robert Benedict. "We are very appreciative of the donation," he said. "It will certainly help pay some of our bills."

Supporting the service project were approximately 12 area groups which sold an assortment of goods, ranging from jewelry and dishware to some antiques. A steady stream of people from the Chelsea area also participated in the event as they milled about the sale grounds throughout the day.

Following the Flea and Craft Market, local Auxiliary members launched a campaign to make the Chelsea community aware of the

organization's purpose. The stated purpose of the group is "... first to assist with Chelsea Jaycee activities wherever needed; and secondly, to promote and initiate civic projects with the approval of the Chelsea Jaycees, and to encourage leadership."

Taking this purpose to heart, local Auxiliary members have established a "very proud 20 years history" in community service, Jaycee assistance and personal development.

Several Chelsea Auxiliary members have served at District and State Jaycee Auxiliary levels during the organization's past two decades. Among those achieving the distinction are Pat Maroney, district vice-president, 1969-70 and state president, 1970-71; Anne Steinaway, district vice-president, 1969-70 and state president, 1970-71; Donna Branham, co-founder of the monthly state newspaper, "Key-stone," 1968-69 and recipient of the state chairman "Spokette" Award, 1967-68; Sandra Brown, state corresponding secretary, 1970-71; and Alberta Colby, district vice-president elect, 1977-78.

The wife of any active Chelsea Jaycee member in good standing is eligible for membership in the Chelsea Jaycee Auxiliary.

Many different people lived in Michigan in prehistoric times. Burial mounds, implements, weapons and 10,000 copper mining pits tell of these early people.

PLACING IN A THREE-WAY TIE for runner-up honors at last week's Tecumseh Relays were these members of the Beach school girls track team. Front row, from left, are Shelly Weber, Anita Powell, Beth Bush, Rae Apilado, Lisa Corra and Betsy Ball. Back row, from left are Nancy Hastings, Lorrie Vandegrift, Chris

Johnson, Coach Ann Schaffner, Kathy Brown, Pris Drew and Nancy Heller. Missing from the photo are Mary Boylan and Barb Hanna, two other Beach school track stars who also competed in the meet.

Beach Girls Track Team 2nd in Relays

Last Friday evening at the Tecumseh Relays, Chelsea's junior high girls track team steamed to a three-way tie with Saline and Tecumseh to take runner-up honors behind Monroe. The Bulldogs finished within two points of the Relay champions scoring 26 points to Monroe's 28. Twelve teams were entered in the event.

In addition to Chelsea, Monroe, Saline and Tecumseh, other schools represented in the meet were Addison, Blissfield, Dexter, Drages, Dundee, Ida, Jackson and Springbrook.

"The top 14 girls from our track team competed in this fine meet and did an outstanding job," said Chelsea Coach Ann Schaffner. "I was extremely proud of each of them."

The shot put team of Mary Boylan and Rae Apilado were first-place winners with a combined total of 63½'. For their efforts, each received a trophy. Chelsea's hurdle relay team, composed of Anita Powell, Pris

Drew, Barb Hanna and Beth Bush, finished third to receive ribbons.

Also receiving ribbons for their respective performances were members of the Bulldog 880-yd. relay team, Chris Johnson, Lori Vandegrift, Beth Bush and Pris Drew, which placed third; and Chelsea's sprint medley relay team of Rae Apilado, Nancy Heller, Mary Boylan and Nancy Hastings, which was fourth across the finish line.

Running well, and just seconds off a sixth-place finish were Shelly Weber, Betsy Ball, Kathy Brown and Lisa Corra, who represented Chelsea in the 440-yd. relay.

Pris Drew, who set a new school record with a leap of 14' 3½" in the long jump, was joined by Nancy Hastings in the long jump relay. Though Hastings also got off her best jump of the season, their combined total was still not sufficient to place, "a tribute to the fine caliber of competition," according to Coach Schaffner.

PROCLAMATION

WHEREAS: The annual sale of Poppies by the Veterans of Foreign Wars of the United States and the American Legion has been officially recognized and endorsed by governmental leaders since 1922; and

WHEREAS: Memorial Poppies are assembled by disabled veterans and the proceeds of this worthy fund raising campaign are used for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans, and

WHEREAS: The basic purpose of the annual sale of Memorial Poppies by the VFW and American Legion is eloquently reflected in the desire to "Honor the Dead by Helping the Living;"

THEREFORE: I, Don Wood, President of the Village of Chelsea, do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Memorial Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead. I urge all patriotic citizens to wear a Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed: Don Wood
Chelsea Village President.

Girls Track Team Nips Dexter, 73-63

Chelsea girls track team defeated Dexter, 73-63, in what Coach DiAnn L'Roy characterized as an outstanding meet for both schools. "The Chelsea-Dexter meet seems to bring out the best in both teams, which is proven by the fact that both this year and last year several school records were set by both teams."

The competition was keen and as a result, several Chelsea girls set personal bests for the season. The team was paced by senior Susan Frisbie who won both the 100 and 220; and junior Shelley Warren who won the 880 run in a new school record time of 2:

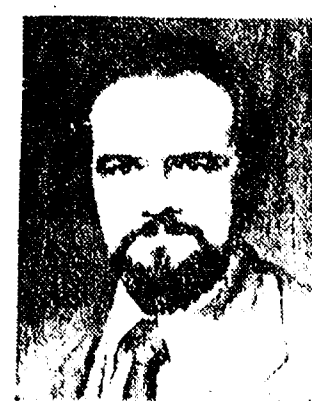

26.9, the discus in a record toss of 93'2", and also ran the opening leg on the record setting mile relay team. Kathy Treado tied her school record in the high jump with a second place leap of 5'0", and Annette Gaken set a new mark in the 110 low hurdles with a second place finish of :16.3.

Art Show Benefits Medical Scholarship

Chelsea and Painters, under the direction of their instructor, Mrs. Betty Maxwell, of Ann Arbor, will present their fourth annual Art Show and Sale, June 4 and 5 on the grounds of Chelsea Medical Center. Times for the show will be from 10 a.m. to 5 p.m. both days.

Original works by the artists will be on display and may be purchased at prices beginning at \$5. Twenty-five percent of the profits from sales will be donated to a medical scholarship fund for a deserving Chelsea youth.

Track Team Downs Milan, Falls to Dexter

Chelsea High's varsity track team sampled both the taste of victory and that of defeat in the past week as they turned back Milan 94 1/2-83 1/2, on Tuesday, May 17 and then returned Thursday to lose a tough decision to Dexter, 80-78.

"In both meets we were short-handed as our top sprinter and 440 yarder did not run," said Coach Bert Kruse. "Their injuries not only affected the sprinters and 440, but two relays as well."

Against Milan, Chelsea was mentally sharp enough to overcome the problem, but against Dexter, the Bulldogs were flat and slow to pick up momentum until they convinced themselves they could win, according to Coach Kruse.

In the Milan meet, Chelsea swept all three relay events and picked up 37 points in the distance runs to stuff a lead from the field events. As a result, they provided an ample margin for victory.

Bulldog cinderment leading the field against Milan were Rick Haller, a double winner in the 880-yd. run and mile run; Randy Sweeney, top finisher in the high jump and 120-yd. high hurdles; and Bob Ball, a double winner in the shot put and discus throw.

Bright spots in the Dexter loss were a triple win by Randy Sweeney in the long jump, high jump and 120-yd. high hurdles, followed by a second-place finish in the pole vault; and Bob Ball's double win in the shot and discus.

Although Chelsea finished out its dual meet schedule Tuesday at Saline, this Saturday the team will travel to Clarenceville to compete in the regionals.

In the regionals, the first three finishers in each event will qualify for the state meet on Wednesday, May 25.

Another upcoming contest will be the conference meet at Brighton. Field events and preliminaries will start at 2 p.m., followed by final running events at 6:30 p.m. Both boys and girls leagues will be competing at this meet.

VFW Post, Auxiliary Install New Officers

On Wednesday, May 11, a joint installation of VFW Post 4076 and its Ladies Auxiliary was held in the Post Home at 105 N. Main St., at 8 p.m.

Installing Officer for the VFW Post was LeVerne Rizer, VFW Post 423, Ann Arbor. Local Post officers installed for the 1977-78 year were: Kermit Sharp, commander; Richard A. Clark, senior vice-commander; Ronald Moore, junior vice-commander; Laurence

Boyer, quartermaster; Bill Pierce, chaplain; Mac Packard, advocate; Tom Collinsworth, surgeon; and Frank White, three-year trustee.

Installing officer for the Ladies Auxiliary was Ruth Otto, VFW Auxiliary 423, Ann Arbor. Local Auxiliary officers installed for the 1977-78 year were: Bessie Sharp, president; Norma Seyfried, senior vice-president; Gertrude O'Dell, junior vice-president; Mary Kniss, treasurer; Sally Ellenwood, chaplain; Joan Barnes, conductress; Nina Mathews, guard; and Sandi Ellenwood, three-year trustee.

Some 36 members and guests attended the joint installation ceremonies. In addition to the installing officers, other guests were: Rueben Swisher, commander of Washtenaw County Chapter 13, Disabled American Veterans; Nelson Otto, VFW Post 423; and Edna Lutz, VFW Auxiliary 423, Ann Arbor.

SSG Norman Green and his wife, Ruth, also attended. SSG Green, a member of VFW Post 4076, is with the U. S. Army, 6th Infantry Brigade, Berlin, Germany. He and his wife are currently vacationing in the Chelsea area, and will return to Berlin shortly.

After the installation ceremonies were conducted refreshments were served.

VFW Hosts Children from National Home

A busload of 30 children and their housemothers from the Veterans of Foreign Wars National Home in Eaton Rapids, along with seven members of Jackson VFW Post 823, drove into Chelsea Saturday evening, May 7, where the group was received by 10 members of Chelsea VFW Post and Auxiliary No. 4076. The travelers were returning from a Tiger baseball game in Detroit earlier that day.

Local VFW members greeting the arrivals at Chelsea's Post Home at approximately 7 p.m. were Commander Byron E. Smith, VFW Post 4076; and President Betty Smith, VFW Ladies Auxiliary. They had organized a meal of hot dogs, baked beans, potato salad and miscellaneous foods for their hungry guests.

When the group departed for Eaton Rapids at 9 p.m., on the final leg of their trip, each child carried a big bag of popcorn, also furnished by members of Chelsea's VFW.

Of special note is the fact that all meal workers who hosted the Eaton Rapids group were the same Chelsea VFW Post and Auxiliary members who had worked nearly eight hours at Chelsea Fairgrounds during the VFW Blood Drive held that same day.

HOSPITALITY DAY

On Hospitality Day of Michigan Week 1976, the Michigan Department of State Highways and Transportation officially named M-66 Sojourner Truth Highway, honoring the slave woman buried in Battle Creek, who lectured eloquently for the anti-slavery movement and reform causes in Civil War times.

Town & Country Woman's Club To Install Officers

Town and Country Woman's Club will hold its annual installation dinner May 24 at Billingsgate, a remodeled Methodist church located in Horton.

Billingsgate, which was reviewed recently in The Detroit Free Press, is owned by James Beck, an interior designer for Jacobson's of Kalamazoo.

In redecorating the church, Beck has retained its stained glass windows, ornate metal ceiling and other unique architectural aspects. The choir loft is now a bedroom; which overlooks three conversation areas located in the central part of the church. Tapestries and other original wall hangings adorn the walls and set off the various antiques which Mrs. Beck, an antique enthusiast, collects and sells.

The women of Town and Country will be able to browse through the living quarters during a cocktail hour preceding a dinner prepared by Mrs. Beck, a gourmet cook. Reservations are required for specially prepared lunches and dinners for groups of 10 to 40 people.

New officers to be installed at a ceremony following the dinner will be Joann Waller, president; Sue Calus, vice-president; Wanda Connors, secretary; and Bobby Hoffenbecker, treasurer.

Michigan and Detroit rank first in the nation in the commercial value of their commodities manufactured for export.

Waterloo Methodist Women Meet in Jackson With Pastor

Waterloo Village United Methodist Women met at the home of the Rev. and Mrs. Glenn Kjellberg in Jackson, May 11, for a pot-luck dinner at noon. Six members and three guests answered roll call.

The meeting was opened with a prayer by President Eloise Schulz. Secretary and treasurer's reports followed. One thank-you note, which had been received by the group, was also read to members.

Shirley Case was appointed chairman of the rummage sale slated for May 20, 9 a.m. to 4 p.m. at Waterloo Town Hall. A shower was planned for Cindy Harok.

Members will clean the church June 2, and will meet again June 3 at the home of Vera Relthmiller for a pot-luck dinner. The program will be presented by Shirley Case on Isaiah 9:2-11. The meeting closed with a benediction.

Michigan's Upper Peninsula was explored and mapped by the French long before the Lower Peninsula. The first French explorers reached the Upper Peninsula about the same time that the Pilgrims arrived at Plymouth, Massachusetts. Father Jacques Marquette established a mission at Sault Ste. Marie in the year 1668. Three years later, a mission was founded at St. Ignace, and a few years later the French built a fort there.

Hospital Volunteers Card Party Benefits Care Campaign

Volunteers at Chelsea Community Hospital sponsored a card party May 12 to raise funds for the Care Campaign, a drive to help finance the purchase of the hospital's Surgical Center. Attending the event were 25 tables of card players.

Chelsea Greenhouse donated plants for individual table prizes, along with two door prizes, a lush Lobelia plant and a hanging fuchsia. Refreshments were provided by the hospital.

Door prize winners were Luella Patterson, a Ming tree; Audrey Harris, the Lobelia plant; Mary Haskell, the hanging fuchsia; Ruth Mshar, a candle centerpiece; Nancy Wood, a planter; and Marjorie Beaumont, silver-trimmed cut-glass coasters.

The grand prize, an afghan made by Kathryn Staffan, was won by Isabel Eisele.

Among their upcoming fund-raising projects, the volunteers will host a marathon bridge game in the fall, with Kathryn Staffan chairing the event.

Michigan built the first 108 roads in the wagon days. It was among the first to lay brick pavements in America, and it built the world's first concrete road in 1909 at Detroit.

Lima Center Extension Group Elects Officers

Lima Center Extension group met Wednesday, May 11 at Lima Township Hall with Mrs. Harold Sias and Mrs. Raymond Schairer as hostesses. Twenty-three were present for the program on "Food Additives" given by Mrs. Glen Edict in the morning, and a pot-luck luncheon at noon. A business meeting followed.

Mrs. Mary Haselswerdt, vice-chairman, welcomed the three guests and expressed the hope that they would become members.

The group decided to have a craft demonstration by Country Craftique in Chelsea for the June meeting and to eat at Schumm's. Officers for the coming year include: Mrs. Clarence Reddeman, chairman; Mrs. Mary Haselswerdt, vice-chairman; Mrs. Lee Second, secretary and treasurer; Mrs. Carroll Ordway, reporter; Mrs. Glen Edict, recreation chairman; Mrs. Patric Raney, community chairman; Mrs. Clifford Bradbury, assistant community chairman; Mrs. Harold Sias, historian.

The vice-chairman is in charge of programs; therefore she will act as leader with the other members taking turns getting the lessons from the Extension office if the group wants that particular lesson.

The group was reminded to save "white elephant" items for the July picnic.

Introducing

The Simple Interest Loan

A new way to borrow money and pay less for it.

Now, National Bank and Trust offers you a simpler and better installment loan. It's called the Simple Interest Installment Loan. With it, you pay interest only on the money you use, for the number of days you use it. There's no interest added on in advance, as in conventional installment loans used by the other local banks.

With Simple Interest Loans, we simply figure the interest on the unpaid balance of your loan each time a payment is made. So any time you reduce that balance ahead of the agreed payment date, you'll save on interest charges. For instance:

EARLY MONTHLY PAYMENT

Any time you make a payment ahead of the agreed due date, you have that many more days with a lower unpaid balance—so you pay less interest.

MULTIPLE PAYMENTS

Making more than one payment at a time reduces the loan principal even more, so you save on interest charges again.

LUMP-SUM PAYMENTS

Any amount can be paid, any time, to reduce the principal. The earlier your payment is made in the life of the loan, the greater the savings in interest charges.

In short, each payment you make reduces the principal balance of your loan. And only with a Simple Interest Loan is interest recalculated when each payment is made.

You can use a Simple Interest Installment Loan to borrow money for any worthwhile purpose. Whether it's a new car, a vacation, or anything at all, you'll find it's the better way to borrow!

Here is one example of the way a Simple Interest Loan can save you money.

Let's say you buy a car, use your old car as a down payment and finance the balance of \$3,500 on a 36-month loan. With an Annual Percentage Rate of 11.33% your monthly payments would be \$115.13. The sum of the payments would be \$4,144.68 of which \$644.68 is the total finance charge on the loan. At origination, this looks the same whether it's a conventional loan or a Simple Interest Loan.

Now—say that at two months, you have an extra \$200 that can go toward paying off your loan. The way most banks arrange loans, you'd only save \$2.84 by paying that \$200 in addition to your regular payment. But with an NBT Simple Interest Loan, the same extra payment would save you \$68.41 in interest charges.

Example of Interest Savings: Simple Interest vs. Conventional Installment Loans	
ACTUAL SAVINGS \$2.84 OTHER BANKS, CONVENTIONAL LOAN	ACTUAL SAVINGS \$68.41 NBT SIMPLE INTEREST
\$10	\$20
\$30	\$40
\$50	\$60
\$70	\$80

Example based on \$200.00 extra payment at two months, in addition to regular monthly payments on a \$3,500.00 36-month loan.

PAY INTEREST ONLY ON THE MONEY YOU USE, FOR THE TIME YOU USE IT.

BRAIN SURGERY PATIENT 62-year-old Joe Squaia of Farmington Hills pauses for a bit of refreshment at the 20-mile mark on the Cancer Bike-A-Thon trail last Sunday. The spry and dashing cycling enthusiast completed the 25-mile ride though he was still recovering from a brain tumor operation only three weeks ago.

Fuel Tax Revenues Continue To Climb

State fuel tax revenues are still climbing, increasing by 5.8 percent in the first quarter of 1977 over the same period of 1976, the State Highway Commission in Lansing reported May 12.

Collections on the sale of gasoline, diesel fuel and liquid petroleum gas in the January-March period totaled \$100,106,348, up by \$5,486,488 from the year before.

License plate fees, based on vehicle weight, yielded \$98,250,473, an increase of 5.7 percent. Revenues nearly balanced the decline in the previous quarter, the result of slow sales of 1977 tabs affixed to plates issued in 1976.

Gross receipts, including \$2,889,626 in earned interest and miscellaneous revenues, totaled \$201,276,453, an increase of 6.2 percent over the first quarter of 1976.

Interest now is distributed quarterly, rather than annually as in previous years.

The first quarter distribution amount to Washtenaw county is \$1,445,562, compared to \$1,326,109 for the same period of 1976.

First quarter distribution amounts to local cities and villages included in the county figure, compared to the same period last year, are Chelsea, \$22,900 in 1977 and \$21,637 in 1976; Dexter, \$11,260 in 1977 and \$10,641 in 1976; Manchester, \$12,780 in 1977 and \$12,080 in 1976; Pinckney, \$7,522 in 1977 and \$7,087 in 1976; and Saline, \$26,692 in 1977 and \$24,902 in 1976.

The Veterans Administration will pay up to \$65 monthly for tutorial assistance to GI Bill students.

In Michigan, there is land for agriculture, for forestry, for industry, for recreation. Few if any other states can boast such variability of landforms, such a multiplicity of soil types. Largely responsible for this were the glaciers which covered Michigan during the Ice Age that ended about 20,000 years ago.

Slugger of the Week

DON ALDRICH, a first-year member of the varsity squad, has spent a good portion of his baseball career crouched behind the batter's box, wearing a protective catcher's mask. However, this season he has been sighted in the outfield and adds to his catching experience only as a reliever for Bulldog Don Nadeau. As an outfielder, the 5'8", 125-lb. junior stated "the biggest thing in judgment on the ball; the direction it's going to take once it's in the air, and where it's going to land." Aldrich's most memorable game this season was against Jackson Northwest, May 7. In that game, he hit a crucial bases-loaded single. "The hit drove in two runs and we won the game," Aldrich said. Though the slugger was less than optimistic about Chelsea's chances for a title this season, he did say, "we have a lot of games left and can finish high." According to Aldrich, the beginning of the season was what really hurt the Bulldogs. "There is a lot of good feelings between team members, and we can play well together," he continued. "Our only problem seems to be we don't take full advantage of our opportunities. For example, we had the bases loaded a couple of times when we were playing Brighton last Friday, but we didn't score any runs at those times." For Aldrich, playing baseball is almost a matter of habit. A fixture on the diamond since he was 10 years old, Aldrich said, "I play baseball because I like team sports, the weather during baseball season is warm so it's nice to be outdoors, and mostly I've just been playing it so long." He has an older brother, one older sister, and is the son of Mr. and Mrs. William S. Aldrich of 221 E. Middle St.

Tennis Team Wins Two In Past Week

Last week was a busy one for the Chelsea Netters as both the JV and varsity teams played two full matches.

On Thursday, the varsity netters defeated Stockbridge, 4-3, by winning second, third and fourth place in singles competition, followed by a first in doubles. Chelsea's only single loss was to Stockbridge's No. 1 player, Steve Zick, who extended his record to 10-1 for the season.

The scoring went as follows: Chelsea 4, Stockbridge 3.

Singles: No. 1, Steve Zick (S) defeated Jon McCormick, 6-1, 6-1. No. 2, Tom Severn (C) defeated Dan Stanley, 6-4, 6-3. No. 3, Mike Hagen (C) defeated Todd Lee, 6-1, 6-1. No. 4, Jerry Bullock (C) defeated John French, 6-3, 6-4.

Doubles: No. 1, Scott Owings and Dave Steinbach (C) defeated J. Terrell and C. Stephens, 7-6, 6-2. No. 2, B. Basore, J. Jurken (S) defeated Randy Bohl, Arnel Minix (C), 6-2, 6-3. No. 3, B. Zick, G. Stanley (S) defeated Jeanette Morrison, Sarah Hasel-schwardt (C), 6-2, 7-6.

On Friday the varsity netters defeated Ann Arbor St. Thomas, 5-2, in a return match. Earlier in the season Chelsea had edged St. Thomas, 4-3. Friday's scoring was: Chelsea 5, St. Thomas 2.

Singles: No. 1, Jon McCormick (C) defeated Kevin Curtiois, 6-1, 6-0. No. 2, Tom Severn (C) defeated Greg Lotz, 6-1, 6-3. No. 3, Mike Hagen (C) defeated Brian O'Keefe, 6-2, 6-0. No. 4, Jerry Bullock (C) defeated Rick Door, 6-4, 6-1.

Doubles: No. 1, Dave Steinbach, Scott Owings (C) defeated A. Jakimen, M. Wilson, 6-4, 6-0. No. 2, J. Fagos, P. Chmielewski (St. T.) defeated Randy Bohl, S. Barlow, 6-2, 6-1. No. 3, M. McMillan, D. Madalina (St. T.) defeated Jeannette Morrison, Sarah Hasel-schwardt, 7-5, 4-6, 6-4.

Chelsea's varsity tennis record is now 3-4 for the season.

Varsity Track Team 6th in Cardinal Relays

Last Saturday, Chelsea's varsity boys track team took part in the Cardinal Relays at Michigan Center, and finished sixth behind Northville, Holt, Jackson Lumen Christi, Mason and Jackson Northwest.

Chelsea's only winning combination was its pole vault relay team of Matt Heydauff and Randy Sweeney who had a combined height of 25'6". Their performance set a new school record in that event.

The Bulldog's shot put relay team of Bob Ball, Mark Smyth and Tim Welshans also set a school record with a combined distance of 135'11", but they could manage only a fourth place in the field of tough competition.

Chelsea's distance medley team (mile, 800, 1 1/2 mile, 2 miles) of Dave Dawson, Dean Thompson, Rick Haller and Phil Frame also ran a strong race and finished third behind Northville and Lumen Christi, two exceptionally good teams. Their time was 24:47.5. The intermediate relay

Church Marks Centennial

A special Centennial Mass to celebrate the laying of the cornerstone of St. Patrick's Catholic church in 1877 will be celebrated at the Northfield church on Whitmore Lake Rd. on Sunday, May 22. Bishop Kenneth Povish of Lansing will officiate at 4 p.m.

The Mass will be followed by groundbreaking ceremonies for the new parish center, after which a reception for the Bishop will be held on the lawn.

St. Patrick's parish was founded in 1831.

Baseball Team Wins Three in Past Week

Chelsea's varsity baseball team ended its record to 8-5 by winning three games in the past week.

Friday, the Bulldogs succumbed to Brighton, 1-4. Some defensive lapses and a lack of timely hitting led to the defeat, according to Chelsea Coach Paul Terpstra.

Junior Kurt Owings pitched well, seven walks hurt him as he had to pick up the win. Offensively, the Bulldogs could muster only four hits by four different players, Mike Check, Don Aldrich, Nadeau, and Chuck Broderich.

Saturday, the Bulldogs defeated Ann Arbor St. Thomas in both games of a doubleheader, 2-1 and 1-0.

In the first game sophomore Machesky earned his second win against no losses scattering eight hits and walking only two. Senior rightfielder Mike Check helped the defensive by throwing out a runner on the plate.

Offensively, the Bulldogs ended out 10 hits, including two by Nadeau, two each by Check and Don Morrison, and one safety by Anthony Houle, Broderich, Nadeau, and Mike Sweeney had the only hit in the game.

In the second game juniors Jeff Well and Joe Ewald combined to beat the Irish. Powell pitched the first four innings giving up three runs and hits. Ewald pitched the fifth and yielded three runs and six hits in three innings of work. The Bulldogs edged out nine hits, including one each by Check and Aldrich, connecting were Steve Check,

CHS Class of '67 Reunion Plans Near Completion

With reunion plans for the Class of '67 nearing completion, the committee organizing the event has scheduled another meeting for June 6, 8 p.m. at the home of Cindy Blacklow Beauchamp to confirm final arrangements.

Agreement has been reached on a band and decorations for the reunion.

The Class of '67 committee has requested all information sheets and money to be submitted as soon as possible. Information sheets are needed even if a class member is not planning to attend. Return the sheets by mail to: Chatley Fredette, 679 S. Lima Center Rd., Chelsea.

Beer Can Trading Meet Held Sunday

A unique meeting was held at the Chelsea Fairgrounds Service Center on Sunday, May 15. Bringing together a crowd of local residents, and others who traveled quite a distance, was this area's first beer can trading meet.

Beer can collectors and traders include men and their wives, single people, and young folks. According to one participant, those attending were courteous, friendly and willing to exchange views with their fellow beer can connoisseurs. Literally thousands of beer cans were on display for sale or trade.

The event was just one of the many ways in which the Chelsea Fairgrounds operates as a meeting center for groups in and around the Chelsea area.

Of course, the biggest event to be celebrated at the fairgrounds is still to come, the Chelsea Community Fair, Aug. 23-27.

Baseball Team Defeated By South Lyon

Chelsea's varsity baseball team pushed ahead of South Lyon in the top of the sixth inning Tuesday, only to watch its one-run lead disappear in the bottom of that inning as South Lyon retaliated with five runs to ice its 8-4 victory over the Bulldogs. The loss put Chelsea's over-all record at 3-6.

"We were trailing 1-3 when junior Mike Sweeney hit a three-run homer in the top of the sixth to put us ahead, 4-3," said Chelsea Coach Paul Terpstra, "but South Lyon came back to more than double their score." In the game, South Lyon collected a total of 13 hits.

Chelsea managed to collect only four hits throughout the game. In addition to Sweeney's three-run homer, other successful Bulldog batters were Mike Check, Don Nadeau and Don Morrison. Morrison came through with a triple.

Accepting the loss was Chelsea pitcher John Daniels.

The Bulldogs are scheduled to play again Friday against Milan, and will return the following day, Saturday, to host Columbia Central in a doubleheader.

Michigan is richly endowed with water both from ground supplies and from the largest natural reservoir of fresh water, the Great Lakes. Michigan's 3,126 miles of Great Lakes shoreline, 11,000 inland lakes and 36,000 miles of streams constitute one of its principal attractions as a recreational area.

Tennis Team Battered By Mason, 2-5

On Monday, May 16, Chelsea High's varsity tennis team was battered by Mason, 2-5.

"Fine efforts were put in by Jon McCormick, number one in singles, and by Tom Severn, number two in singles," Coach Sam Vogel stated. "They were each able to win one set before losing to their Mason opponents in the decisive third."

In the game, McCormick received an unexpected handicap when the handle of his racket snapped off. He borrowed another racket to continue the game, but a string on that racket broke. He finally finished the game with a third borrowed racket.

Because of the time taken to play both three set matches by McCormick and Severn, Mason defaulted to Chelsea's third seed in singles, Mike Hagen, and to the Bulldogs fourth seed in singles, Jerry Bullock. The Mason team had to return home because of the late hour, according to an explanation given by their coach.

At the time Mason defaulted, Hagen had a 4-1 lead over his opponent.

Chelsea returned to the courts Wednesday evening to play Brighton in the last scheduled varsity match of the season. Tomorrow, Chelsea will return to face Mason and eight other schools in the Tennis Regionals at Holt. Tennis play for Chelsea schools will end Tuesday, May 24, with a JV match at Novi.

The name "Michigan" is an Indian word meaning "great water." The French used it for one of the Great Lakes, which they at first called "the lake of the Illinois." Thomas Jefferson proposed it as a name for a future western state which was not located where Michigan is today. As a name for a political unit, it originated in 1805, when congress created the Territory of Michigan. President Jefferson named a New England veteran of the Revolution, William Hull, as first territorial governor.

Needed: A Very Special Person

WE REALLY NEED a firm, but understanding adult to take over when Mom is away. Our family includes a strong-willed boy of 9, an energetic girl of 7, a lazy grandmother cat, an Irish Setter who thinks he's a lap dog, and a goldfish named "Harold." Mom works from 9-5, plus sells real estate part-time. Situation and pay are very negotiable. Could be part-time your house and part ours. Need someone permanent, hopefully several years. Is there a possibility you would clean house once a week, start dinner sometimes, and stay at our house occasionally on week-ends or during mother's vacation? BOARD OF COMMISSIONERS

Wednesday, April 20, 1977
Record of Proceedings
EVENING SESSION

An adjourned session of the Washtenaw County Board of Commissioners was held at the Court House in the City of Ann Arbor, Michigan, on Wednesday, April 20, 1977.

The meeting was called to order by Chair Kuebler at 7:00 p.m. The Board stood in a moment of silence.

Roll call found all fifteen (15) Commissioners present.

Comm. Minick supported by Comm. Ellis moved that the minutes of the April 6th meeting of the Board of Commissioners be approved. Carried.

Special Order of Business:

Comm. Murray supported by Comm. Shoultz moved that the resolution supporting adoption of the Huron River Planning Group's Management Plan for the Huron River, and designation of a portion of the Huron River and selected tributaries as a "Country-Scenic" River under the Michigan Natural Rivers Program, be adopted.

Discussion ensued. Comm. Walter supported by Comm. Fojtik moved to postpone this resolution until the next meeting of the Board. Discussion. Question was called. Motion to end debate carried. Voice vote on postponing the resolution. Motion failed.

77-0179 Original motion to adopt the resolution was now on the floor. Roll call vote: YEAS: 10. NAYS: 5. Motion carried.

Comm. McClary supported by Comm. Walter moved to receive and file the communications and refer them as recommended with the following corrections: R-7214, R-7227 and R-7237 should be referred to Budget. R-7227 should also go to the Accommodation Ordinance Commission. R-7218 should be referred to Human Resources only. R-7235 and R-7251 referred to Administration. Motion carried.

Communications are as follows:

R-7214 FILED: April 1, 1977: Letter from Department of Treasury dated March 25, 1977, re: Delinquent Tax Revolving Fund (Act 206, P.A. of 1983, as amended). (receive and file and refer to Budget Committee)

R-7215 FILED: April 1, 1977: Letter from Washtenaw County Council on Aging, Inc., dated April 1, 1977 and addressed to Margaret Kuebler recommending that Bent Nielsen be appointed to the Executive Committee of the Area Agency on Aging. (receive and file and refer to Administration Committee)

R-7216 FILED: April 1, 1977: Letter from Department of Health, Education & Welfare dated March 29, 1977 and addressed to Margaret Kuebler, re: letter of understanding between Office of Child Development and Washtenaw County CSA with respect to its Head Start Program for PY "L" which begins August 1, 1977 and ends July 31, 1978. (receive and file and refer to Human Resources Committee)

R-7217 FILED: April 1, 1977: Letter from the University of Michigan, dated March 30, 1977, and addressed to Meri Lou Murray, re: the University is again seeking nominations for its Manpower Leadership Program. (receive and file and refer to Administration Committee)

R-7218 FILED: April 1, 1977: Letter from SEMCOG dated March 30, 1977 and addressed to Meri Lou Murray acknowledging receipt of our application for Federal LEAA funds for the Law Enforcement Training Grant. (receive and file and refer to Human Resources Committee)

R-7219 FILED: April 1, 1977: Memo from Probate Court-Juvenile Division, dated March 21, 1977 and addressed to the Members of the Executive Agreement Committee, re: annual meeting scheduled for Friday, April 29, 1977 at 10:00 a.m. Conference Room, Juvenile Court. (receive and file and refer to Human Resources Committee)

R-7220 FILED: April 4, 1977: Notice of Hearing from the Michigan Public Service Commission, Case No. U16365 in the matter of the application of Michigan Consolidated Gas Company-Utility Division for authority to file revised rate schedules to be held at 9:30 a.m. on April 27, 1977 in the Office of the Commission, Lansing. (receive and file and refer to Administration Committee)

R-7221 FILED: April 4, 1977: Letter from Michigan State Highway Commission, dated March 30, 1977 and addressed to Robert M. Crime Prevention Week Tips Offered

The Washtenaw County Sheriff's Department will kick-off Crime Prevention Week, May 22-28, by giving county residents a series of tips on precautionary measures they should take to minimize their chances of falling victim to crime.

The tips will be released daily through area newspapers and AM radio stations and will include the following information:

1—Protect Your Children, they can't be replaced. The following information should be read by every parent and discussed with every child:

Never go anywhere with a stranger. Don't take money or candy or other gifts from any strangers. Do not let any stranger touch you. If he or she tries, get away from him or her and report it to your parents and the police. Do not go to the store alone and make sure your parents know where you are.

None of these precautions will work unless the parents constantly know the location of their children.

2—If somebody wants to steal your bike. Don't make it an easy target when you're not riding it, always keep it locked up.

3—Home Improvement Fraud... Home improvement frauds cost Americans from \$500 million to \$1 billion a year. Beware of promises to make your home a "display model" for which you receive a special low rate for work done and promises of bonuses for neighbors and friends purchasing the same work after seeing your "model" home. Usually the bonuses never materialize and the cost of the work to your home is far more than a legitimate contractor would charge. Also, check consumer references for all work. Remember that you never get anything for nothing.

4—Don't Give Your Car Away! You can reduce the risk of theft of your unattended car, its parts or contents, by observing these precautions:

Always remove your keys and lock your doors and windows. Don't leave valuable items in plain sight.
