Hospital Funds Campaign Near \$1.2 Million Goal

FHA Approves Low Interest Loan of Up to \$5.5 Million

In February, Chelsea Community Hospital announced its "Care Campaign" to raise \$1.2 million in a down payment on the \$3.42 million purchase of the 39,000 sq. ft. Surgical Center building, adjacent to the hospital. Now, eight months later, achievement of the campaign goal appears imminent.

Jim Daniels, "Care Campaign" chairman, reported Tuesday that pledges to the fund drive total \$1,073,000 and could reach the \$1.2 million goal within the next few weeks.

This success, coupled with a \$4 million, 5 percent interest, year loan from the Farmers Home Administration, a division of the U.S. Department of Agriculture, will enable the hospital to complete its purchase of the Surgical Center building from private owners by the end of September.

In a related development, Paul Mann, chairman of the hospital's Board of Governors, reported that Farmers Home Administration officials gave preliminary approval of an additional loan of \$3.1 million, also on a 5 percent, 40-year basis, bringing total funds available to the hospital to an unexpected \$5.5 million.

Mann explained the additional approval was made to consolidate borrowing to cover the hospital's existing obligations and

to consummate remodeling and expansion requirements. Originally, the hospital had planned to use \$180,000 of its \$1.2 million "Care Campaign" goal for improvements, closing costs and fees.

"The availability of the additional loan commitment on extremely favorable terms will allow the hospital to implement improvements now, which otherwise would have been delayed for years," Mann stated. He also pointed out that the hospital would be under no obligation to borrow the total amount unless it was needed, and that interest would be paid only as the money was borrowed.

Specific plans for the use of the \$3.1 million in additional funds will be announced within the next several weeks by the hospital's Board of Governors.

Kimball Smith, of Kulick, Smith & Kistler in Lansing, who represented the hospital in loan negotiations with Farmers Home Administration, remarked, "there's no question that the overwhelming community support indicated by the success of the hospital's fund drive was a key factor in the procurement of this loan; the real credit should go to the hundreds of individuals and businesses who have responded so openly to the hospital's appeal for funding."

Brothers Die In Hawaii Gun Accident

Benjamin Richard Schneider, 14, and Kenneth Lloyd Schneider, 12, of Kahului, Maui, Hawaii, and formerly of Grand Haven, died suddenly in Kahului on Sept. 1, from wounds suffered in a gun accident. Their father was a Chelsea native.

Both boys were born in Bhawanipatna, India, while their parents were there serving as missionaries. Benjamin's date of birth was Nov. 3, 1962, while Kenneth was born Nov. 26, 1964. They were the sons of the Rev. D. Douglas and Karen Daenzer Schneider.

The family had moved to Maui, Hawaii, from Grand Haven only one month ago, after the Rev. Schneider had accepted the pastorate of a United Church of Christ congregation there.

In addition to the parents of the two youths, survivors include a sister, Katherine Schneider, at home; the paternal grandmother Mrs. Evelyn Bernice Schneider of Munith; maternal grandparents Mr. and Mrs. Milton Daenzer of Fremont; three uncles, F. Richard Schneider of Oregon, Lloyd Schneider of Chelsea, and James Schneider of Colorado; three aunts, Mrs. Gary (Judith) Kent of Munith, Mrs. Gary (Janice) Schneider of Oregon, and Mrs. Terry (Diane) Reed of Chelsea.

Memorial services were conducted in Kahului, Maui, Hawaii. The family suggests that memorial contributions may be made in the names of Benjamin and Kenneth to the Schneider Memorial Fund, care of St. Paul United Church of Christ, 14600 E. US12, Chelsea.

Swim Club Is Starting for Youngsters

Anyone, any age, from 5 to 17 years is invited to join the Chelsea Aquatic Club. A low-pressure competitive organization governed by its membership, the club is devoted to the development of its members' swimming ability, strokewise, and to supplying low levels of competition.

"The club provides a social outing for its members as well as existing as a goal setting organization," director Larry Reed said.

The coaches try to teach each swimmer correct techniques, theory and logic. They then help each member set goals and work out ambitions. Above all else, every Chelsea swimmer swims in every Chelsea meet; this is a mandatory club policy.

All 9-12 grade members will be eligible for varsity teams, 7-8 graders will be eligible for Junior High School team competitions, and grades 1-6 will be eligible for an Elementary Swim Club conference.

The first week, Sept. 12-16, will be a period of free clinics. Fees will not be collected until Monday, Sept. 19. The practice schedule and fee schedule is listed on the full pool program.

"The club has had tremendous growth and wishes this to continue," Reed explained. If you are interested in finding out more about the Aquatic Club, call Reed at the Beach Pool, 475-1425.

FOOTBALL SEASON ARRIVES. Shouldering the bulk of responsibility for the performance of the 1977 CHS varsity football team are the iron-clad men pictured above. Front row, from left, are co-captains Matt Fisher, Leon Brown and Victor Verchereau. Behind them, from left, are assistant coach Richard Bareis, head coach Phil Bareis, and assistant coach Jim Tallman. With a number of returning lettermen this season, the Bulldogs hope to be strong contenders for the top spot in the Southeastern Conference.

Home Football Season Begins Friday Night Against Tecumseh

With their pre-season scrimmages stored away for experience, the 1977 Chelsea High school varsity football team is beginning to cultivate the confidence which could carry them to a championship year. The scrimmages have delivered opportunities to shore up the gaps in team strategy. Sizing up his team's potential, Coach Phil Bareis stated, "although we will have a long ways to go, I'm certainly encouraged by our performance to date." He added that the 10 to 12 seniors on the ball club "have the potential to make it go."

Seventeen players will be returning from last year's opening line-up, giving Chelsea the advantage of a seasoned team. Their goal will be to improve last year's record, and according to Bareis, "with the type of young men we have, we should do it."

This year, Chelsea will be led by a wedge of tri-captains, Matt Fisher, Leon Brown and Victor Verchereau. Serving as assistant coaches are Richard Bareis and Jim Tallman.

Team manager is Jeff Kell. White managers are John Lane, Mark Bareis, Marty Steinhauer, and Tom Hill.

The Bulldogs will sport their blue and gold colors in their opening game tomorrow, Sept. 9, against Tecumseh on the home field. The game begins at 7:30 p.m.

Most Fall Recreation Program Classes Start Week of Sept. 19

Recreation Director Tom Neumeyer has announced the fall schedule of classes to be offered by the Chelsea Recreation Council. Most classes will begin the week of Sept. 19 and continue for 4 to 8 weeks following that date depending on the course.

To register for a class, prospective students must call the instructor prior to the first class meeting. Fees for all classes have been determined according to the course content, length of class and materials needed. All fees are to be paid at the first class meeting.

Classes must have a sufficient number of persons enrolled to defray the cost of the class, or the class will have to be cancelled.

Following is a complete list of the fall class offerings, and pertinent information for each one:

Schools Open With Tentative Agreement

After a 16-hour, all-night bargaining session, teachers in the Chelsea School District and the Chelsea Board of Education reached tentative agreement early Tuesday on the economic package to be delivered in a new teacher contract. However, both sides failed to achieve a settlement on several remaining issues which would have paved the way toward a swift contract ratification vote.

Among the unresolved issues are language changes in certain contract clauses, class size guarantees, and extra-curricular requirements.

Contrary to a situation facing many other school districts with unresolved teacher contracts, schools in Chelsea opened as scheduled Wednesday, with the prospects of a local teacher's strike pictured as remote. In fact, negotiations were expected to resume shortly although no definite date had been set as of today's publication.

"It's not unusual to start school without a teacher contract,"

Chelsea School Board President Robert Daniels said, following Monday's marathon bargaining session. "We're working to complete negotiations on the non-economic items, but until that is done and the contract ratified by the school district and teacher's union, information with regard to negotiations will be withheld."

Daniels confirmed that passage of the school board's 3.8-mill tax increase proposal for school operating costs in the Aug. 15 election contributed to the tentative economic agreement.

Chelsea School District business manager Fred Mills agreed with Daniels and added that although language issues were at the core of the recent impasse in bargaining talks, "no strong disagreements are going."

Leonard Solomon, representing the Chelsea Education Association, is chief negotiator for the more than 130 teachers to be affected by a new contract, while Jim Moore, of the Michigan School Board Association, is representing the local school board.

Lima Recall Election Scheduled for Oct. 26

A special election has been set for Oct. 25 to determine whether Lima Township Supervisor Robert D. Musolf should be recalled from office.

The county clerk's office has certified recall petitions containing 212 names. A total of 157 names were needed to hold the election. "We're elated," C. R. Pavitt, chairman of the Citizens Committee for the Recall of Robert Musolf, said in response to this latest development. "We can now start campaigning and informing township residents of the issues involved so they will go out and vote."

Eight reasons for the recall were listed on the petitions filed with the county clerk. Pavitt states that five of the reasons are documented items and may be verified at the County Equalization office, the County Clerks office, through Lima township tax assessment

records, or Lima Township Board minutes.

Pavitt, who has lived in Lima Township for four years, but has owned property in the township for 12 years, is an engineer. He said that although he originally voted for Musolf as supervisor, things have gone from bad to worse since Musolf was elected last November.

Musolf, serving his first term as the township's top official, is a general contractor and has lived in the township for 10 years. He denies all eight charges against him and claims he has records to prove the allegations are false.

Musolf admits there was some friction on the board because of property assessments, the core issue of two of the eight charges leveled against him, but says

Rebuilding Year Ahead for Harriers

What does a high school cross-country coach do when four of his top five runners graduate? The answer is rebuild as quickly as possible, according to Coach Pat Clarke, who faced this situation while preparing the 1977 Chelsea High harriers for their upcoming season.

"To help achieve his goal, Coach Clarke has welcomed back four lettermen from last year's squad. Leading the quartet is senior Captain Dave Dawson. An all-league

selection in 1976, Dawson appears ready to give his opposition a run to the finish line this season, his coach maintained.

Two returning junior lettermen, who are sure to gather points for the local pack of runners, are Chris Minick and Scott Beyer. Both have looked good in practice thus far, Coach Clarke said, although Beyer has been troubled by a nagging leg injury.

The last returning veteran is

Vandalism Reported in Fortune Strike

We've had numerous incidents of vandalism, and have had to go to Washtenaw County Sheriff's deputies to patrol every night," Leonard Fortune, manager of Fortune Industries, reported Tuesday, in describing the latest developments in the 17-day strike at the local abrasives manufacturing firm.

Some 42 workers, all members of UAW Local 437, walked off their jobs at noon Monday, Aug. 22, after their three-year contract expired. Eighty percent of the workers at the 56-employee firm cited to strike that morning, citing what they called low pay, poor benefits and poor working conditions.

Fortune added that among the acts of vandalism to occur at Fortune Industries, located at 117-Dexter-Chelsea Rd., was \$250 worth of damages to the car of a salaried employee who has continued reporting for work since the strike began. "I find this kind of behavior extremely disappointing," Fortune said.

Along with the vandalism, several other disruptive incidents have reportedly marred what was initially a peaceful labor dispute. According to Fortune, strikers attempted to prevent him from leaving the plant at about 5 p.m. last Friday. Sheriff's de-

puties were needed to quell that disturbance also. "This plant is a plant I started 25 years ago," Fortune noted in chagrin.

Larry Howard, Local 437 president at Fortune Industries, Wednesday denied any knowledge of vandalism at Fortune Industries. "None of our people are trying to disrupt anything," he maintained. He admitted that strikers had encountered "a few small problems" with management at the abrasives firm, which they were currently "trying to iron out." Among the problems, Howard said, was the failure of salaried workers to stop for the picket line.

"There were a couple of incidents where some of the strikers were almost run down by cars," he explained.

Although no definite date has been set for negotiations, both sides are hopeful that talks will begin within the week. "We're willing to bargain at any time," Fortune declared, while Howard announced that if management wanted the workers to return to their jobs, "all they would have to do is schedule a meeting."

The amount of a wage increase still appears to be the biggest factor at issue in the labor dispute.

Merchants Finish 3rd in State Tourney

An outstanding catch by the third baseman from an opposing team abruptly ended the Chelsea Merchants' bid for a state title during the State Class C Fast-Pitch Softball tournament in Frankenmuth last week-end, but not before the merchants had succeeded in playing to a third-place finish in the four-day competition.

In the tournament, which began Sept. 2, the Merchants played a total of five games, three of which were scheduled on the same day. However, it was in the semi-finals Sunday evening that the Merchants' fate was sealed.

Facing Custer VFW, the Merchants were trailing by a single run. "We had the tying run in the sixth inning but our runner was cut down at the plate in a very close play," Merchants Coach Dick McCalla reported. "Then in the seventh inning, with two out, we had the bases loaded, but the third baseman for Custer VFW made the outstanding catch that ended the game." The Merchants lost that one by a 4-3 score.

To gain their spot in the semi-finals, the Merchants began by losing their tournament opener

Friday to Denny's Bar of Port Huron, 9-1. Returning to the diamond Saturday, the Merchants edged Frankenmuth's Black Label, 4-3, to start their upward climb.

Sunday was a grinder of a day for the local sluggers. They shut-out Albion Merchants, 4-0, in an early afternoon battle, and duplicated that shut-out victory with a 2-0 sweep over Art's Bar of Lansing later in the evening. That win brought them to the semi-finals.

Key to the team's success, according to McCalla was "the best defense ever from all nine players," and "hitting when we needed it." He noted his team "played its best ever," and added that the bulk of encouragement came from spectators. "They were great, we had close to 50 people attending from Chelsea and Ann Arbor."

Making up the Merchants' roster this season were Randy Brier, assistant coach Wayne Welton, Ralph Stewart, Bill Harvey, Jr., Lenard Kozma, Craig Houle, John Houle, Howard Treado, Keith Hume, Mark Musolf, assistant coach Tom Ballstere, a Cohen Heydiauff, Art Farley, Al Cohen Gaty White and Coach McCalla.

HELPING OUT in the Fair Kitchen during the Chelsea Community Fair, Aug. 23-27, were members of three Chelsea Boy Scout troops, Troop 420, Troop 425 and Troop 478. In the photo, two Boy Scouts demonstrate their cheerful manner in serving

customers, while a third buses a tray to make room for more hungry people at the dining tables. Overseeing the proceedings is long-time local troop leader Otis Titus.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster's report last week on the U. S. Department of Agriculture growing into a department of everything but agriculture set the fella to thinking. Zeke Grubb and Bug Hookum showed up at the country store Saturday night with clippings they demanded time to discuss, and everybody else was wanting to get in his report on the matter. The session drug on till Ed Doolittle final went home huffy because he didn't get to speak his mind on the Panama Canal.

Zeke said he had thought about Clem's report up one side and down the other, and he was of a mind that the USDA and all government farm services at all levels is geared to making the biggest show for the littlest effort, and that line of thinking leaves out the small farmer that needs the help. It's like the preacher that took the big paying job at the big city church, Zeke said. The preacher told his old lady that rich folks have souls to save just like poor folks do, and they could be a heap more comfortable setting a example for the rich ones to follow. He told her he'd pray over the decision about leaving the pore little country church, while he went upstairs and packed their things.

Farming, Bug Hookum agreed, is gitting to where it's just like he heard a editor say once that writing for a country newspaper fer so much a inch is a perfect formuler fer starving to death. Of course, Bug said, the clue here is the "so much." If you're a big name in the writing business you write fer the big outfits fer big money. If you're a big farmer with a little doctor practice on the side, and you want to take advantage of what you see as a big fu-

ture in goards of cumquats, not to mention a shelter fer taxes, you'll have farm agents falling over one another to give you advice, was the way Bug put it.

Practical speaking, Bug went on, it ought not to be surprised him to see where the average soldier makes more than the average farmer. He said a study showed that the annual paycheck for a Fort Bragg soldier is \$10,525, and that is nearly \$3,000 more than the average annual civilian wage in that North Carolina farming county where the Army base is. Actual, Bug said, the average welfare family has more spendable income than the average farm family. It ain't unusual, he said, fer a family folloing the wheat harvest to have \$100,000 tied up in equipment and to work all year to make \$3,000.

Josh Clodhopper made one of his rare comments Saturday night. He said he is as much concerned about what happens to food after the farmer raises it as he is the farmer while he's raising it. Josh had saw where the Food and Drug Administration is letting ice cream makers import and use somepun called caseinate cause it's cheaper than dairy products at home, and the outfit that makes Popsicles has put together a frozen mix of eggs, milk and orange juice on a stick that it says takes the place of breakfast. Progress is down-right sickening, Josh said.

Yours truly

Uncle Lew.

MICHIGAN MIRROR

By Warren M. Hoyt, Secretary, Michigan Press Association

Michigan Air Clean . . . Except
 The air you breathe in Michigan meets federal health standards for four of five pollutants. But it's still heavy with photochemical oxidants—caused mainly by auto emissions—that state officials say are a problem nation-wide.
 Monitors of air quality scattered throughout the state gave Michigan air generally good marks in

1976 for levels of suspended particulates like soot and ashes; sulfur dioxide, a product of coal-burning; and for nitrogen dioxide and carbon monoxide, produced by autos.
 There were scattered violations of those standards. Eight counties, for example, violated federal standards for suspended particles. They were Alpena, Calhoun, Delta, Ingham, Genesee, Monroe, Saginaw and Wayne.
 A few also showed too-high levels of sulfur dioxide and carbon monoxide, but state air quality officials say most of those problems have been or will soon be solved.
 But one problem far from being solved is that created by photochemical oxidants, mainly ozone, produced when auto emissions combine with sunlight. The oxidants can be very irritating to people with respiratory problems, although they do not exist heavily enough here to bother healthy persons.

Enrollment in the Chelsea School District has increased this year by 114 students to a total of 2,733 students, one-third of whom are attending the high school, according to Fred Mills, business manager for the district.

The Chelsea Board of Education at its regular meeting Monday, Sept. 10, selected Dec. 17 as the proposed election date for a bonding election to relieve overcrowded conditions in the elementary schools and in the high school. The board will request approval of the proposed election date from the County Election Committee.

Welfare More Efficient
 Nine months ago, the state's welfare boss hinted he'd quit if he couldn't shape up the welfare program.

Today, John Dempsey is still on the job and says he's been successful. He says fewer people are getting money they're not entitled to, more fraud is being prosecuted, and the state is saving money.

The rate of those getting more money than they should — or money when they shouldn't — has been cut by a third in Wayne county over the past 30 months and by more than a half in the rest of the state.

Still, however, more than 20 percent of welfare cases are costing the state more money than they should be. Part of that is due to caseworker error, the rest to fraud or mistakes by recipients, Dempsey says.

Junior Achievement Recruitment Begins

Ever wonder where the man who put "pet rocks" on the market acquired his business know-how? He was once a member of Junior Achievement, a program which gives high school students the opportunity to start and operate their own miniature businesses.

This year, southeastern Michigan high school students will have the chance to hone their business talents when the Junior Achievement Program gets underway the week of Oct. 17.

American Airlines vice-president Richard C. Hoerner, chairman of JA Recruitment-1977, reports that more than 200 volunteers from business and industry will visit some 180 high schools during September and October to sign students up for the new JA Program Year.

Each fall thousands of teenagers operate their own companies at JA centers located throughout the six-county area of Wayne, Oakland, Macomb, Washtenaw, Livingston and Monroe. This year JA will expand to include St.

Clair county with centers opening in Algonac and Port Huron. Another new center will open in northwest Detroit.

JA companies meet one evening per week, Monday through Thursday, from 7 to 9 p.m. The program runs from October through April.

Chelsea's JA program is sponsored by Dana Corp. and is directed by Ken Kuzon, a Dana executive. The local group meets Monday evenings, 7-9 p.m., in the woodworking shop at Beach Middle School.

In addition to learning money management, organizational and leadership skills and effective decision-making processes, young people in JA gain valuable business experience which proves most helpful in future job situations. Contests, awards, scholarships and numerous social activities are another part of JA.

Chelsea high school students interested in learning more about the local JA program should contact Kuzon at 475-8441, during business hours.

DANA RETIREMENT: An Aug. 31, Richard S. Bennett retired from Chelsea's Dana Corp. after more than 31 years of service with the company. Bennett requested early retirement to allow himself time for traveling, fishing and visiting old friends. UAW Local 437 chairman Herchell Craft presented

the retiree with a Bible in appreciation of his many years of work, while plant manager Ron Bollet presented Bennett with a Dana blue blazer jacket. Helping Bennett, center, display his awards are Craft, left, and Bollet.

Historical Society Organizing for Fall Next Monday

On Monday, Sept. 12, 8 p.m. at the McKune Memorial Library, the Chelsea Area Historical Society will reconvene, following a summer recess, to organize its program for the 1977-78 year.

In an effort to formulate long range plans for appropriate projects, officers of the group will forego a formal meeting with a guest speaker in order to devote the time to selecting these objectives.

Historical society member Harold Jones has been photographing village homes and collecting pictures of Chelsea's earliest settlers in preparation for a project by the society to catalogue this information and make it available to the public. In conjunction with this project, a concentration of efforts during the coming year will probably go toward recording oral histories as told by local citizens.

As usual, the public is invited and refreshments will be served. For further information, call Marie Petsch at 475-8494.

Vandalism Reported In Fortune Strike

(Continued from page one) International recommended that the striking workers accept management's initial offer. "We've had no reports to that effect," Howard countered.

Fortune Industries, which is owned by Life Resources, Inc., headquartered in Colton, Calif., operates as a national supplier of pre-formed abrasives. As a result of the strike, the local company's future may be threatened. "The longer this strike continues, the more liable we are to lose a good share of our customers," Fortune said.

Howard's response to the company pay increase offer was, "none of that so-called \$2 increase pertains to the first two years. We're still concerned about how to get along during that time." He added that the strikers were also demanding that working conditions be changed because they work with virtually no heat in the winter.

According to Fortune, the UAW

Rebuilding Year Ahead for Harriers

(Continued from page one)

sophomore Steve Kvarnberg. "Steve is really starting to progress as a runner and should surprise a few people before the year ends," the coach predicted.

While these four runners are expected to dominate the team with their experience, it is the number five, six, and seven runners who form the heart of a cross country team, according to Coach Clarke. In speculating as to who these key runners will be, he explained he is looking to last year's JV team, and then to newcomers.

Back from last year's JV team are five likely prospects, senior Mark Shippy, junior Brian Herrick, and sophomores Randy Bohl, Jim Fitzsimmons and Mark Beyer. Any one of them could break the varsity line-up, the coach speculated. "Hopefully a few of them will."

In terms of newcomers, Coach Clarke has recruited a few cross-country talents who could help the team substantially by the end of the year. The newcomers are seniors Randy Harris, Ken Jenkins and Jim Weidmeyer; juniors John Whitaker and Pat Murphy; and sophomore Mark Stevenson.

"There are some fine potential runners in this group," the coach concluded, "but it will take time to develop them. We'll play it by ear this year."

Tuning his attention to this season's competition, Coach Clarke announced the following league outlook for 1977.

Brighton—As defending league champion, the team is heavily favored to repeat. Most members of this team, which won 30 successive dual meets and was ranked fourth in Class A, are returning, led by senior Sean Hurley and juniors Doug Moore and Jeff Proxul.

Dexter—Expected to field one of the school's strongest teams ever, the Dreadnaughts will be led by ace runners Dean Lindemann, Ron Raiford and Dan Bourn.

Novi—With two fine runners, juniors Jeff Johnston and Mark McKenney, competing this season, the Wildcats should emerge as the darkhorse in the league.

Milan—Shooting for a first divi-

sion finish, the Big Reds will be led by Larry Worden and Craig Dunham.

Saline—Also rebuilding this season, the Hornets will have two of the better runners in the conference in their midst. The two are Glen Hart and Mike Keller.

South Lyon—In a rebuilding cycle, the Lions are a questionable quantity.

Chelsea—The Bulldogs will have to wait and see what develops. Newcomers to the varsity scene will have to come through if the season is to be successful.

TRADE-INS ACCEPTED!
Here is the story of these furs: Furriers from time to time get "stuck" with furs unclaimed from storage, pie-owned like-new fur stoles, jackets, collars, bunnies, scarves, & full length coats. These valuable furs are on sale by Ascott Furrier and are augmented with brand NEW furs. All at tremendous savings and luxury trade-ins that look like NEW but must be labeled "second-hand used." Imagine buying a pre-owned fur stole for only \$69 or a fine couturier MINK STOLE for just \$139! Imagine beautiful LIKE-NEW full length MINK COATS for just \$399. Expensive furs, yes, but now yours at ridiculous prices. It makes good sense to buy a fine used fur. Dollar for dollar you get a better buy for your money. So if you want to buy a good \$69 and up bargain in a fur, if you want to spend hundreds of dollars instead of thousands for the very finest MINK, better come early. In addition, you'll find a large selection of NEW one-of-a-kind furs from regular stock. FUR COATS, JACKETS, STOLES and SCARVES will go at low, low prices.
No interest or carrying charges on the LAWAY PLAN we have for you. A small down payment will hold any item.

DEATHS

Mrs. Edward A. Koch Dexter Woman's Mother. Dies in Clare Nursing Home

Mary I. Koch, 85, of Harrison, and formerly of Brighton, died Tuesday afternoon, Aug. 30, in Clare Nursing Home, Clare, following a short illness. She was born May 14, 1892, in Chelsea, a daughter of George and Alice Guinan Nordman.

On Nov. 15, 1915, she married Edward A. Koch in Chelsea. The couple moved to Brighton in 1939. Mr. Koch preceded his wife in death on Jan. 19, 1953.

Mrs. Koch was a member of St. Patrick Catholic church in Brighton, and was also a member of the Altar Society of the church, as well as the Brighton Senior Citizens Club.

Before her marriage, Mrs. Koch had been a school teacher in Freedom township. Prior to her retirement, she had been employed by Michigan Seamless Tube Co. in South Lyon. For many years, Mrs. Koch was treasurer of Genoa township.

Survivors include four daughters: Mrs. Kenneth (Dorothy) Hennes of Dexter, Mrs. Margaret Longhorn of Brighton, Mrs. Leo (Mary) Vasher of Harrison, and Mrs. Richard (Gertrude) Scammon of Carmel Valley, Calif.; a son, Edward A. Koch, Jr., of Walnut Creek, Calif.; 14 grandchildren; 25 great-grandchildren; a sister, Mrs. Hazel Bycraft of Chelsea; a brother, Frank Nordman of St. Johns; and several nieces and nephews. She was preceded in death by a daughter, Mrs. Ruth Oppenhuizen.

The Funeral Mass of the Resurrection was conducted Friday, Sept. 2, 11 a.m., in St. Patrick Catholic church with the Rev. Fr. Michael D. Murphy as celebrant. Burial followed in Calvary Cemetery, Brighton. Rosary was recited Thursday, Sept. 1, 7:45 p.m., at Keene Funeral Home in Brighton.

Claude I. Pulleyblank Former Area Resident Dies at Chelsea Hospital

Claude I. Pulleyblank, 89, formerly of Hiland Lake, died at Chelsea Community Hospital Tuesday, Sept. 6, after an illness of eight weeks. He had moved to Alban, Ontario three years ago, after living at Hiland Lake for 40 years. He was visiting at the home of a granddaughter, Mrs. Richard H. Ashley of Dexter, at the time of his death. He was a retired tool and die maker.

Born in London, England on Nov. 26, 1887, he was a son of Stephen and Juliana Perkins Pulleyblank. He married Sarah Hooton on July 12, 1917. They had celebrated their 60th wedding anniversary in July. She survives. Mr. Pulleyblank was a member of North Lake United Methodist church.

Surviving in addition to his widow are a daughter, Mrs. David (Audrey) McCormick of Noelville, Ontario; three grandchildren (including Mrs. Ashley); seven great-grandchildren; a brother, Harper Pulleyblank of Detroit; and a sister, Mrs. Harry (Elsie) Clooten of California. He was preceded in death by three brothers, Aubrey, James and Ronald.

Funeral services will be at 2 p.m. Friday, Sept. 9 at the Burghardt Funeral Home, with the Rev. John Elliott officiating. Burial will follow in Oak Grove Cemetery. Friends may call at the funeral home.

Girls Varsity Swim Team Begins Season

Chelsea High's girls varsity swimming team will open its season Sept. 13 with a home meet against Erie-Mason High school, beginning at 7 p.m. The team will attempt to improve its 5.4 record from last year, established in its inaugural swimming season.

The 1977 schedule will include 12 dual meets, one league meet, and the state meet. The list of dual meet competitors features five Class A teams. Five of the meets included on the schedule will be swum at home.

Six lettered swimmers, representing eight of the 11 school record holders, will return to action this season. Last year, the team, qualified 11 swimmers for the 1976 state meet, but none placed among the winners. "We hope to change that this year," Coach Larry Reed said optimistically.

Team work-outs are currently being conducted for both swimming and diving events, Monday through Friday, 3:30 to 5:30 p.m., with optional practices before school each day. Anyone interested in joining the team need only show up for a work-out with their swim suit and towel.

"You need not be an outstanding swimmer to come out for the sport," Coach Reed stated. "The team is divided into all ability levels."

Local Youngsters Help MD Telethon

Spurred on by the Jerry Lewis Muscular Dystrophy telethon which aired over the Labor Day week-end, five local youngsters succeeded in collecting \$107.02 from neighborhood donors, and then pledged this amount to the national drive.

David Calus and Danny Kleis, both of whom live on Ivey Rd., canvassed their neighborhood, on bicycles to collect \$50, while John and Donna Jean Harris, accompanied by Tracy Harpok, collected \$27.02 to aid in the fight against muscular dystrophy. The latter three youngsters all live at Sugar Loaf Lake.

BIRTHS

A son, Ryan Basil, to Mr. and Mrs. Thomas Dunlap of 18781 Winters Rd., Aug. 20, at Foote East Hospital, Jackson. Maternal grandparents are Mr. and Mrs. Jack Barkley of Chelsea, and paternal grandmother is Mrs. Ruth Dunlap, also of Chelsea.

that the charges are more of a personal nature than political.

"I represent fair government, and will be responding to these charges in more detail within the next week," he said.

The current recall drive is the second one facing a Lima township official in less than one year. Former Trustee Wallace Fusilier, who had served as supervisor previously, was the target of a recall movement earlier this year. The main reason behind attempts to oust Fusilier was the manner in which Fusilier won a four-year trustee post during last November's election.

Fusilier resigned last March before petitions, turned down once,

could be refilled with the county clerk for certification. Also resigning was former Clerk Leila C. Bauer. Both positions have since been filled.

Real Estate

By PAUL FRISINGER

REALTOR

BUYING VS RENTING

To buy or to rent — that is the question. Both have their place. First, renting can be the answer for families who know they'll only be in the area for a short time or who prefer not to contend with maintenance. It's also the only solution for anyone with insufficient funds for the down payment on a home.

The main disadvantage of renting is a financial one. As living costs rise — so do rents. A lease may protect you temporarily, but when it expires, the landlord is free to increase the rent — even under rent control when justified. Rent payment cannot be deducted from income tax as the homeowner can deduct real estate taxes

and interest on the mortgage payments.

Your best buffer against inflation is to own your own home. You'll also be pleasantly surprised to find it also is one of the best financial investments you ever made. Your payments will remain level while your resale value — especially in this area — will continue to rise.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

James Haller Named Sharon Supervisor

James Haller, 41, former chairman of the Sharon Township Planning Commission and the Zoning Board of Appeals, was appointed township supervisor, Sept. 1, by township trustees during a regular meeting of the Sharon Township Board. He succeeds the late Allan Alber, who died Aug. 11.

In accepting the appointment, Supervisor Haller stated he plans to generally continue township business as before, and hopes to do as good a job as his predecessor. "I don't intend to make any changes as supervisor," the new township official maintained.

Haller added that the first responsibility he faces in accepting his new office is to achieve certification as a township assessor. When asked if he felt the township was currently facing any problems of great importance, Haller replied, "We're a small township and as of right now, we do not have any major problems."

Haller was appointed supervisor by Sharon trustees Herbert Jacobs,

Duane Haselschwardt, Willard Blumenauer and Don Irwin, after his name was apparently the only one submitted to the trustees for consideration in filling the vacancy. According to Haller, nominations were made "by folks in the township who called the township board to suggest candidates."

As a result of his appointment, Haller was forced to resign his chairmanship of both the Sharon Township Planning Commission and the Zoning Board of Appeals, after serving in those positions for the past two years. The township board plans to appoint a new member to the planning commission, which will then elect a new chairman. The same new member appointed to the planning commission will also fill the one-member vacancy on the Zoning Board of Appeals.

A graduate of Howell High School, Haller attended the University of Michigan in Ann Arbor, and served with the U.S. Army as an insurance agent by the Ann Arbor office of the Automobile Association of America (AAA).

Haller is the father of four children, Greg, 20, Rick, 18, Jodi, 11, and Nicki, 10, and lives with his wife, Lyleen, at 18794 Grass Lake Rd., Manchester.

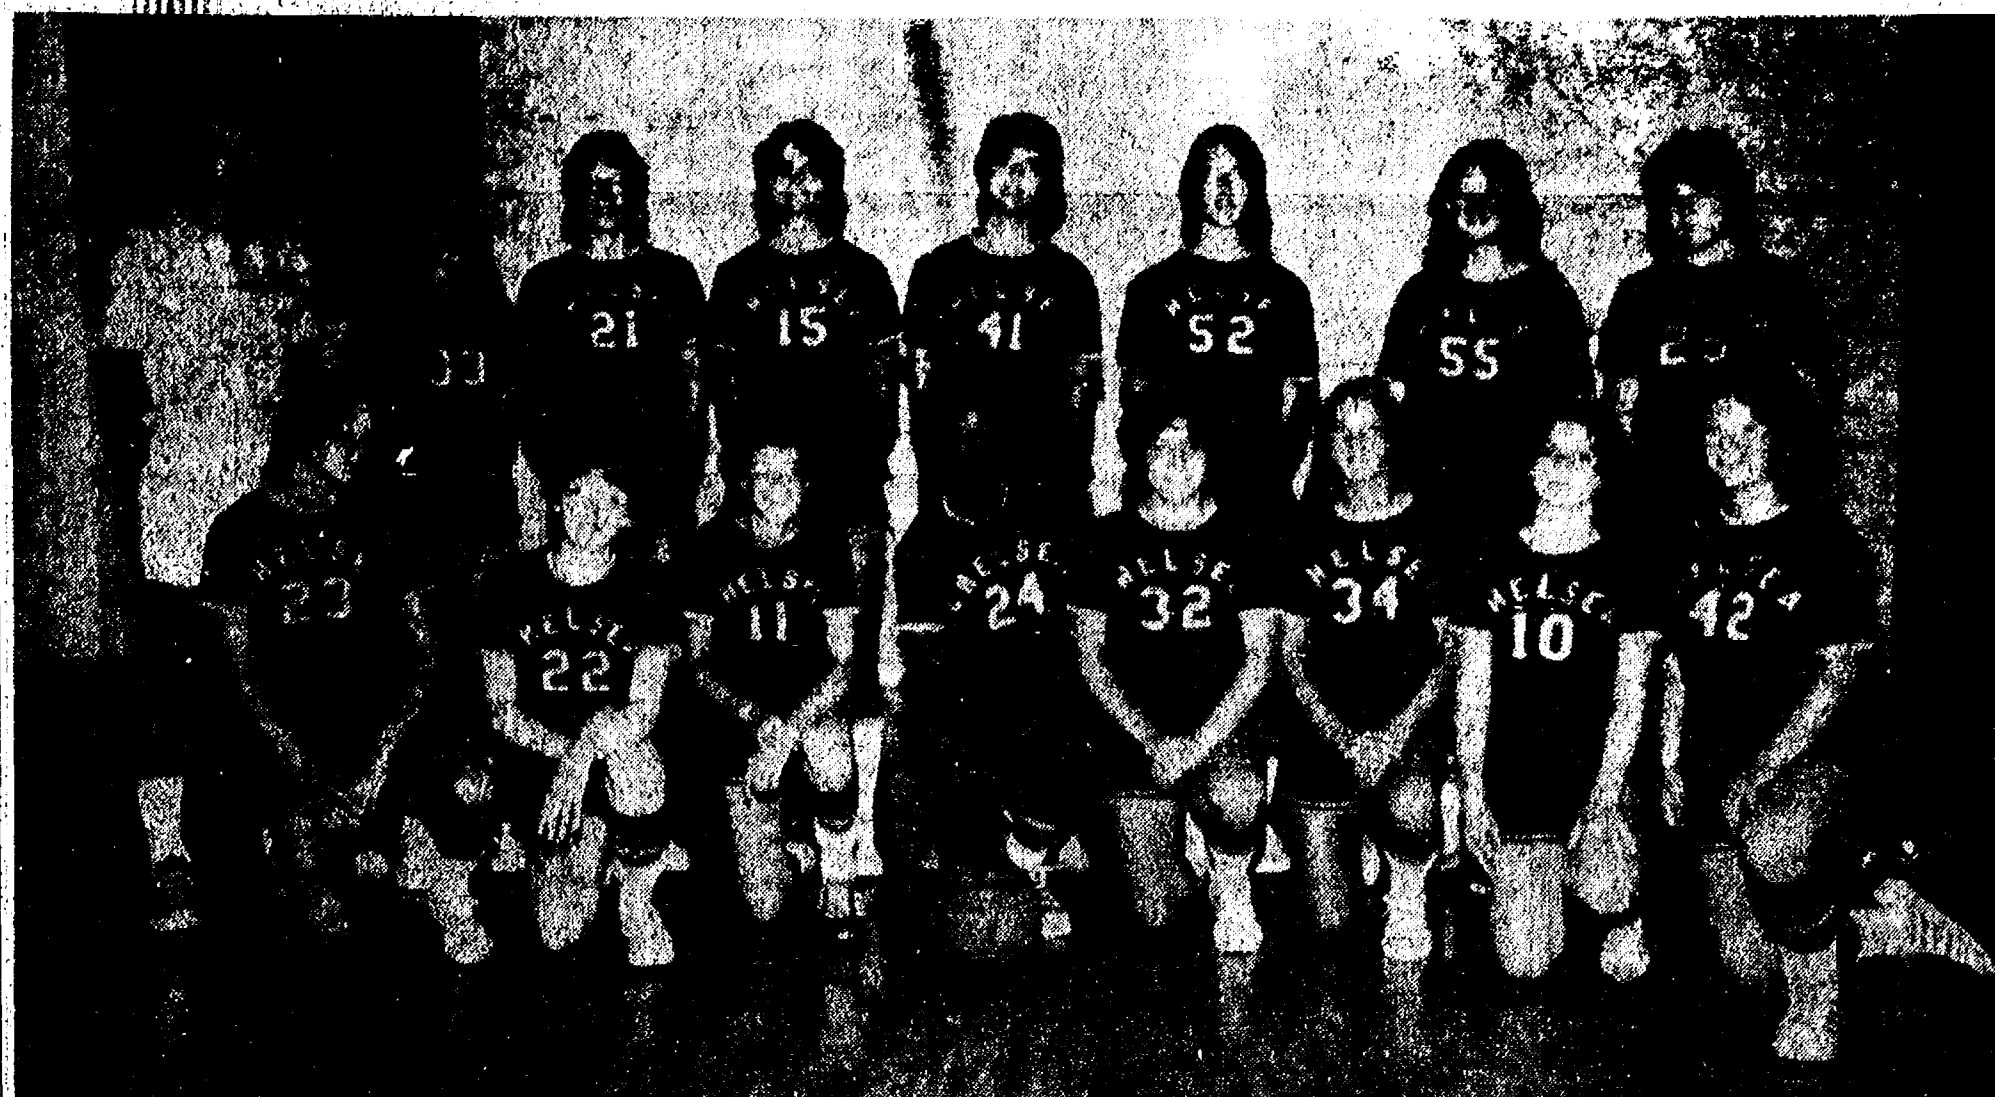

In an effort to better serve the residents of Sharon township, Haller has stated that any resident concerned with any issues pertaining to township matters should call him at 475-2651 to discuss the issue.

Ed Wade Sets New Ski Boat Race Record

In the Eastern Regional Drag-Boat Championship Races, held Labor Day week-end at Columbiaville, Ed Wade set a course record and bested all competitors to receive the trophy in the Stock Ski Boat Drag Race Class. Ed, driving his Switzer Shooting Star, powered by a stock Johnson 200 h.p. engine, set and broke the course record three times, ending with a best speed of 78.68 mph for the 1/4 mile run, a record speed.

Previously, in the points meet in July, Ed won the trophy for Competition Outboard with speed of 78.8 mph.

Ed is sponsored by Chelsea Automotive of Chelsea, and Nate's Boat Shop of Ann Arbor.

Six New Teachers Join Beach Faculty

Six new Beach Middle school teachers were hired by the Chelsea School District for the 1977-78 school year. Three of the six are serving as replacements for teachers currently on leaves of absence, two others were hired in response to increased enrollment, and the last is filling the special education gap at the local junior high.

Replacing DiAnn L. Roy, on a leave of absence, is Mrs. Tamara Barbret, who is teaching vocal music at Beach school, as well as at Chelsea High school. A graduate of Central Michigan University, she was previously a vocal music teacher in the Bad Axe Public School system.

Mrs. Tracy Cassard, who is replacing Mrs. Mary Baker, also on leave of absence, is teaching 8th grade English. She did her student teaching at Beach school last year, prior to graduating from the University of Michigan with a major in English.

Strings and orchestra classes

at Beach school and the high school are under the direction of Mrs. Karey Haas. Mrs. Haas, whose major instrument is the viola, is a graduate of Western Michigan University. She and her husband, Duane, reside at Cavanaugh Lake.

David Longe is teaching 8th grade math and science, in lieu of Mrs. Nola Borders, who is on a leave of absence. A graduate of the University of Detroit, Longe has previously taught at Detroit's Assumption Grotto school. He and his family reside on Island Lake Rd.

Multi-lingual Deborah Saravolatz has been added to the Beach school faculty to teach French and Spanish. She earned her A.B. degree from the University of Michigan where she majored in French and minored in Spanish. In addition to her skill in both languages, she brings a first-hand knowledge of France to the classroom, having lived in Aix-en-Provence, France while enrolled as a student at the University of Aix-Marseille during the 1975-76 school year.

Rounding out the list of new teachers is Marla Sebu, the new special education teacher at Beach school. Miss Sebu, who deals with learning disabilities and emotional impairment, is a graduate of Eastern Michigan University. She currently resides in Ann Arbor.

Fire Truck Fair Shuttle Service Serves 722 People

Using his vacation time, and a 1942 fire truck loaned to him by the Chelsea Fireman's Association, Mac Packard shuttled a total of 722 residents to and from this year's Chelsea Community Fair. It was Packard's third year serving residents in this capacity.

Based at the corner of Middle and Main Sts., the shuttle service was used by 182 riders Tuesday, Aug. 23; by 198 riders Wednesday, Aug. 24; and by 342 riders Thursday, Aug. 25. Making 11 round trips daily, the antique fire truck logged a total of 79 miles during its three-day period of fair shuttle operations.

Packard's drivers were Vern Welch, Roy Greenleaf, Lucy Platt and Jim Finch. Added assistance came from an office crew at Chelsea's Rockwell plant, who helped sponsor the shuttle service with a donation.

Gridders of the Week

MATT FISHER (35), is a second-year veteran of the Bulldog varsity squad. The 6'1", 175-lb. senior returns to the team as the leading scorer from last year. In that season he established a three-touchdown record. Fisher, who is one of this year's three team captains, will be positioned as halfback for the 1977 season. He is the son of Mr. and Mrs. Dale Fisher of 3991 Notten Rd.

LEON BROWN (33), is returning for a third year on the varsity squad this season. The 6'3", 210-lb. fullback was selected all-conference tackle

on both the first and second SEC teams in his two previous years of play. A tri-captain of this year's varsity team, the CHS senior is the son of Mr. and Mrs. Andy Brown of 16455 Winters Rd.

VICTOR VERCHEREAU (66), rounds out the triad of captains leading the 1977 Bulldog gridders. A two-year varsity squad member, the 6'1", 185-lb. senior will again be a key to Chelsea's defense when he appears in the line-up as a guard for his second consecutive year. Verchereau is the son of Mr. and Mrs. Joseph Verchereau of 10397 Hadley Rd.

Letters to the Editor

Dear Editor,

Mr. Raymond Nusca has again managed to distort and misquote letters to the editor pertaining to the recall of Robert Musolf.

Most people are familiar with property tax laws; however, it is known that there has been supervisory-assessors that have victimized some people through their assessing practices and for that reason we have a board of review and appeals board at county and state levels.

Nancy Burkhalter's letter stated that a great number of people approached by petition carriers were reluctant to sign the recall petition for fear of reprisals that may be taken at next assessing time. No one has accused Musolf of this practice. The reason copies of the petitions were given to the "Board of Review" was for insurance purposes only, knowing the incompetent and irresponsible way Musolf assessed Lima township property.

C. R. Pavitt

Dear Editor:

After reading the letter by Betty Jo Parks about the horse division of the Chelsea Fair, I must add my whole hearted agreement.

I've taken my horse to the Chelsea Fair for the past few years, and stopped because of the unfair treatment. Glass and bits of twisted, razor-sharp metal in the ring, rearranging classes and not informing exhibitors, overcrowding the classes, (the classes were so crowded Wednesday, it was dangerous!) inadequate warm-up facilities, and rudeness by the 4-wheel drive people. How am I supposed to warm up my horse on one side of the grounds, then run to the other side of the grounds to make my classes when I can hardly hear them over the roar of the 4-wheel drives? We used to look forward to taking the horses to the fair but not for that kind of trash!

Maybe the show committee should start the show at 8:00. People get up that early to go to shows - I do. And I'm not the only one.

The people who have exhibited and want to exhibit their horses should pull together and get something done. If we don't, we just might not have a good horse division.

Ruth Lawson.

SPARTAN MARTINS

Purple martins—Spartan martins as they have been dubbed—have come to Michigan State University.

Several martin families are now occupying two of nine martin "apartment, style" birdhouses put up on campus through the efforts of student groups. Since the presence of some martins attracts others, Glenn Dudderar, MSU Extension specialist and faculty adviser to the Fisheries and Wildlife Club, expects to see all the houses full within the next few years.

Ariens

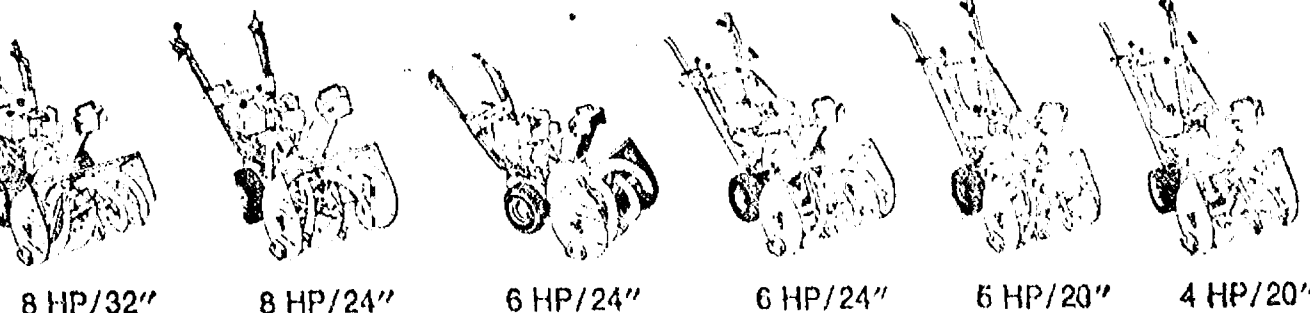

SNO-THRO

FOR THE TOUGHEST SNOW ACCUMULATIONS

This rugged, powerful, self-propelled, two-stage 7 h.p. Sno-Thro 24" auger represents the finest in design, engineering, materials and workmanship available. Surprisingly easy to operate and maneuver, it will cut a clean swath through knee deep snow accumulation. It features five speeds forward, neutral and reverse with automatic power release clutch. You can drive the Ariens Sno-Thro to and from storage area without engaging auger. There are finger-tip controls for quick operator response. The lockout differential prevents one wheel spin on slippery surfaces. The 24" swing around discharge chute and adjustable deflector enables you to throw snow up to thirty feet away.

Ariens also offers an 8 HP/24", two 6 HP/24", 5 HP/20" and 4 HP/20" Sno-Thro models to fit the Sno-Thro to the job you want done. Why not visit any one of the authorized Ariens dealers listed below and see why Ariens is the industry's biggest seller.

Pinckney Man Critical After Auto Crash

A Pinckney man was reported in critical condition at University Hospital after an accident early Thursday, Sept. 1, in which he lost control of his vehicle on Dexter-Pinckney Rd., slammed into a utility pole, glanced off, and struck a large tree broadside.

According to the Washtenaw County Sheriff's Dept., Michael William Laurin, 109 Norwood, Pinckney, was northbound on Dexter-Pinckney Rd. at 3:38 a.m. when he fell asleep at the wheel. His automobile traveled .112 feet off the roadway, caromed off a Detroit Edison utility pole, and wrapped itself around a tree on private property, trapping the driver inside. The Dexter Fire Dept. assisted with rescue operations, after which Laurin was transported by ambulance to University Hospital.

St. Paul Church Choir Program Begins Next Week

The fall choir program at St. Paul United Church of Christ will get underway next week, with all choirs scheduled to begin weekly practice sessions.

The Chancel Choir, under the direction of Brenda Cotton, will meet Wednesdays, at 8 p.m.; the Joyful Noise Choir, open to children in kindergarten through 3rd grade, will begin rehearsals Tuesday, Sept. 13, 3:30 to 4:30 p.m.; and the Junior Choir will meet for its first rehearsal Wednesday, Sept. 14, also 3:30 to 4:30 p.m.

A new Youth Choir is being organized this fall, open to junior high and high school youths. For further information regarding this new choir, call Mary Olney, director of children's choirs at St. Paul church.

Telephone Your Club News To 475-1371.

Final Report Shows Concussion Suffered In Fire Truck Fall

The report on Jimmy Weber's fall from a firetruck transporting children from the fairgrounds to downtown Chelsea, on page 13 of the Sept. 1 issue of The Standard contained an erroneous statement. According to police reports, doctors at Chelsea Community Hospital termed Weber's injuries as minor. However, according to Mrs. Joann Weber, the boy's mother, police left the hospital before a final diagnosis was made, in which doctors stated the youth had suffered a head concussion. They then referred the youth to St. Joseph Mercy Hospital in Ann Arbor for further treatment.

St. Paul Church Fall Rally Day Slated Sunday

St. Paul United Church of Christ in Chelsea will begin its fall schedule Sunday, Sept. 11, with church school at 9 a.m. and 10:30 a.m., and worship at 10:30 a.m. The Rally Day celebration will continue with a family potluck following the morning worship service.

Church school classes for three-year-olds through second graders are set for 10:30 a.m., while classes for 3rd graders through 8th graders, as well as those for adults, will meet at 9 a.m.

The Chancel Choir will sing at the morning worship service to add to the festive spirit of Fall Rally Day.

Organists Guild Presenting Recital At Zion Church

A small, recital-type program illustrating the variety of pieces that can be played on an old-time organ will highlight a meeting of the Ann Arbor Chapter of the American Guild of Organists, Sept. 13, 7:30 p.m., in the Old Zion Lutheran church at Rogers Corners. Installation of new officers will also be conducted during the regular business session of the group.

Following the recital, a brief history of the church, and its organ will be presented. Future plans with regard to preservation of the landmark church building will then be discussed.

The Sept. 13 program is open to the public.

Sgt. Richard Worden Presented Army Commendation Medal

Sergeant Richard H. Worden, son of Mrs. and Mrs. Haskell Worden, 25 Cedar Lake Dr., recently was presented the Army Commendation Medal at Ft. Lewis, Wash.

The Army Commendation Medal is awarded by authority of the Secretary of the Army to service members who distinguish themselves by meritorious achievement in performance of their official duties.

Sgt. Worden received the award while assigned as a senior mechanic with the 8th Infantry Division at Ft. Lewis.

The sergeant entered the Army in September 1971.

He is a 1971 graduate of Chelsea High school.

His wife, Heidi, is with him in Washington.

Pregnant teen-agers have the highest rate of any age group of dead or damaged babies, according to The National Foundation-March of Dimes. Medical complications in their pregnancies are common. Magnifying the problem is a virtual epidemic of adolescent pregnancies: among 17-year-old girls in America, one out of 16 is a mother.
