Lima Township Recall Election Slated Tuesday

Voters in Lima township will determine the political fate of Supervisor Robert Musolf Tuesday, Oct. 25, when they go to the polls to cast their ballots in a special recall election.

Recall petitions claim Musolf, elected for a two-year term as supervisor last November, "has done nothing for the township, has violated the state constitution by assessing real property over 50 percent, has shown favoritism to some and bias to others in his work with other board members and appointed committees, lacks integrity in dealing with people, distorts and stretches the truth regarding township matters, did not submit a true and accurate statement of his election expenses, and has lost credibility in conducting township matters."

Musolf denies the charges, stating "the township board has not allowed me to perform some of my duties and carry out my responsibilities as township supervisor." He claims "the recall committee and its supporters are a minority group in the township" and are "running the government for their benefit," and reduces the recall effort to "nothing more than a blatant attempt by Fuslier (former township supervisor and trustee) to get the job he did not win in a fair election."

Charges and counter-charges by both sides have escalated in the past two weeks as the final showdown approaches. Last week, a committee in support of the supervisor announced its intention to thwart the recall, and has been

actively canvassing the township to promote this goal. Likewise, members of the recall committee have been appealing to voters "to examine the facts" in hopes of convincing undecided voters in Lima to support the recall campaign.

One argument presented by recall adversaries is that if the supervisor is recalled the state would be responsible for assessing the township, removing the present local control of this aspect of township government. Proponents of the recall state there are no provisions which entitle the state to enter the assessing picture. Responsibility for assessing lies with the county, they say, if the township is unable to do its own. They claim county intervention is unlikely since one of their requirements for a new supervisor would be that he become a conditionally certified assessor.

If the recall succeeds, the township board will have between 30 and 60 days in which to appoint a temporary supervisor, who will remain in office until an election for a new supervisor can be conducted. Candidates for the election will be selected by each political party in the township.

If the recall fails, Musolf and members of the township board will have to iron out their differences to become operational. Members of the township board were initially neutral on the recall issue, but chose to support the recall two weeks ago after Musolf attacked the board in his response to recall charges.

Kiddies Halloween Party Set for Oct. 31

Brisk fall winds, the appearance of goblins and ghosts in the windows of area homes, and pumpkins grinning on the doorstep, all signal the approach of Halloween.

Again this year, Chelsea Kiwanians will contribute to the "spirit" of the occasion by hosting a Kiddies' Halloween Party on Monday, Oct. 31.

As part of the traditional festivities, youngsters draped in

white sheets, masks, home-made or store bought costumes, will make the rounds of the neighborhood homes from 4:30 p.m. to 6 p.m. to collect goodies while voicing the familiar chant, "trick or treat."

Beginning at 6 p.m., they are invited to congregate at the Municipal Parking Lot on Park St., where their costumes will be

REGIONAL PP&K WINNERS: Chelsea football team can anticipate a lot of help in the future from these Punt, Pass & Kick winners who took top honors in their respective divisions during Saturday's PP&K regional competition in Holland. Kevin Morris, left, displays the trophy as the 11-year-old division titlist, while John Morris, right, 13-year-old division winner, looks

like it took quite a battle to win his title. Actually, Morris had been playing with his 8th grade football team before this photo was taken. Congratulating the boys in the background is Lyle Chriswell, sales manager for Palmer Ford, local PP&K sponsors. These two winners will now advance to zone competition at Dearborn next Saturday.

OCTOGENARIANS HONORED: Chelsea Kiwanians honored the male members of the community, 80 years of age or older, at their regular Monday night meeting, Oct. 17. The 20 men, above represent 1,692 years of life. Seated in the front row, from left, are George Doe, 88; William Hohrein, 88; Clarence Lehman, 80; Dan Denton, 94; the Rev. William Mundy, 89; and Thomas Wortley, 84. Standing in the back row, from left, are Lionel Vickers, 80;

Wrestling Practice Will Begin Nov. 1

A meeting of all prospective Chelsea High wrestlers, with the exception of those participating in the current football program, has been scheduled for Tuesday, Oct. 25, 3:20 p.m., in the high school cafeteria.

During the meeting, wrestling coaches Richard Bareis and Sam Vogel will discuss problems concerned with wrestling practice, wrestlers, and the upcoming schedule of meets.

Anyone interested in going out for wrestling with a question regarding the wrestling program, should contact Bareis or Vogel. Since practice is scheduled to begin Nov. 1, all wrestlers are urged to have their physicals prior to that date.

According to Coach Bareis, Chelsea will have quite a few returning lettermen this year, but he urges anyone with an interest in the sport to try it for a season. "Wrestling is a sport for any size person," the coach said.

Weight classes are 98 lbs., 105 lbs., 112 lbs., 119 lbs., 126 lbs., 132 lbs., 138 lbs., 145 lbs., 155

lbs., 167 lbs., 185 lbs., and heavy-weight.

The 1977-78 Bulldog wrestling squad will be led by tri-captains Rick Beeman, Mike Young and Todd Hendrick. The team's first dual meet will be Nov. 22 against Jackson Northwest.

Suspected Arson in House Fire

The Michigan State Fire Marshal's office is investigating the cause of a fire which occurred Friday afternoon on Notten Rd., only moments after a 29-year-old Grass Lake man had been found shot to death 1/4-mile north of the blaze.

Arson is the suspected cause of the fire which damaged the home of Rebecca Smith, 3620 Notten Rd., but did not result in any injuries.

The fire totally destroyed one bedroom of the house, while several other rooms sustained considerable smoke damage, firemen reported. According to Chelsea Fire Chief Jim Gaken, three separate fires had been started in the house.

"Someone broke in and took several items so we have reason to suspect the fire was an attempt to cover up the robbery," Chief Gaken said. However, it was reported that a large sum of money kept in a bedroom dresser drawer was undisturbed.

"Our feeling is there is no connection between this fire and the shooting death on Notten Rd. the same afternoon," Chief Gaken added. The victim in the shooting death was identified as Michael Lee Eubanks of 12226 Seymour Rd., Grass Lake.

JV Gridders Crush Rival Dexter, 36-6

Playing most of the game in Dreadnaught territory, and racking up touchdowns in all but the first quarter, Chelsea's junior Bulldogs crushed arch-rival Dexter last Thursday, 36-6.

The win raised Chelsea's JV conference record to 3-1, and gave the team an 4-2 over-all record in the season.

Chelsea opened the game with the kick-off, and held the Dreadnaughts deep in their territory. Action for the remainder of the quarter continued on Dexter's side of the field with neither team scoring.

In the second quarter, the Bulldogs launched an offensive drive that was capped by Mike Wood's one-yard touchdown run. Chelsea kicked for the extra point, but the effort fell wide.

Attempting to catch up, Dexter ran a reverse play which covered 84 yards and resulted in a touchdown. However, Dexter's extra

Bulldog Gridders Lose to Dexter, 6-0

Chelsea's varsity football squad was blanked by Dexter Friday, 6-0, in what was primarily a defensive work-out for members of both teams. The loss dropped Chelsea to 1-5 for the season, while Dexter moved up to a 4-3 record.

Dexter received the Bulldogs' opening kick-off, and "went right to work grinding out rushing yardage," according to Chelsea Coach Phil Bareis. However, the Dreadnaughts were hampered in their efforts by the Bulldog defense which knocked down the opposition, forced a Dexter fumble, and recovered the ball to stop the drive.

Once in possession of the ball, Chelsea's offense was unable to move and was consequently forced to kick to move the ball to neutral territory. Bob Gottfried punted and sent the ball out of bounds on the Dexter 40-yard line.

From there, both Chelsea and Dexter played defensive football until the end of the first quarter when Dexter produced its only scoring drive of the game to put

the ball over the goal line on the first play of the second quarter. Chelsea received the kick-off in the second half, and moved the ball the length of the field, only to fall one yard short of a first down, and two yards short of a touchdown.

In that third-quarter drive by the Bulldogs, Alan Augustine carried for 23 yards off a fake punt. Quarterback Jess Coburn completed two passes to Dave Schrotenboer for first down yardage, but with Chelsea facing a fourth down and four from the five-yard line, Steve Pennington could manage only three yards and the Chelsea drive came to a halt.

"Our defense, although pushed around in the first half, came back to play well in the second," Coach Bareis said. Defensive standouts were Gary Packard, Rick Beeman, James Bollinger, Alan Augustine, Todd Hendrick and Scott Price.

The Bulldogs will face an undefeated Saline squad tomorrow, in their last home game of the season. The evening has been designated as Parents Night.

Girls Basketball Team Downs Dexter, Saline

It was an extremely close, hard fought battle that took place last Thursday at Dexter High school between members of Chelsea High's girls varsity basketball team and their Dexter rivals, but the Chelsea team prevailed, coming through with a 49-43 overtime win.

Although Chelsea opened the scoring, Dexter quickly closed the gap and then moved into a 15-12 lead at the end of the first quarter. Chelsea returned to outscore Dexter, 13-7, in the second quarter, and led 25-22 at the half.

Both teams refused to give up, according to Chelsea Coach Cheryl Vogel, and the third quarter ended with Dexter back in the lead, 36-33.

Dexter and Chelsea continued to exchange the advantage in the final period until only 10 seconds remained in the game. At that point, Chelsea was ahead by one point, but fouled a Dexter girl, who was awarded two free throws. The Dreadnaught cager sank the first of her two attempts to tie the score and move the game into overtime.

Under the ensuing pressure, Sheryl Kiel scored a basket, and Shelley Warren put a free throw through the net to give Chelsea the 49-46 victory.

"Shelley Warren played a particularly outstanding game for Chelsea, collecting 25 rebounds—her season high," Coach Vogel said. Warren was also high scorer in the game with 16 points.

Also scoring were Nanette Push with 9; Lori Miles, 6; Tracy Hawker, 5; Penny Collinsworth, 5; Sue Heydlauff, 4; and Sheryl Kiel, 4. Joining Warren as high rebounders were Tracy Hawker, Sheryl Kiel and Nanette Push.

In other action, the Saline Hornets came to Chelsea Tuesday to play basketball, but Chelsea turned the score around once again, to

'Mike' Eubanks Shot To Death Last Friday

A 29-year-old Grass Lake man was found shot to death Friday afternoon on a deserted stretch of Notten Rd., a half-mile north of I-94.

The victim was identified as Michael Lee Eubanks of 12226 Seymour Rd. Detectives from the Jackson State Police Post investigating the apparent homicide, said Eubanks was found by a couple who drove by the victim's 1974 Corvette and noticed his body slumped over the wheel.

Eubanks died from a single bullet wound in the back of his head, below his left ear, which came from a small caliber weapon. According to police, the victim was murdered in his car.

Jackson Police said Eubanks was discovered at 2:45 p.m. They said there was no apparent sign of robbery, that his wallet and CB radio were intact, and that there was no sign of a struggle.

Police say they have no motive or suspect in the slaying, but are "following up leads." Among the leads is the possibility that the homicide is drug related.

"But that is only a possibility," one detective involved in the investigation explained. "There were no drugs in the car, or anything to indicate the victim had used drugs."

Several Chelsea residents acquainted with Eubanks said he was known to carry large sums of money and was rumored to be a major area drug supplier. One resident said Eubanks was a local cocaine kingpin a little more than one year ago, but was allegedly out of the business at the time of his death.

Eubanks, who drove a truck for

Klunipp Gravel Co., had no prior criminal record and was not the target of any known past or current police investigation, Jackson Police said. A former member of the Chelsea Jaycees, he had served as president of the organization from 1972-73.

An autopsy performed Saturday "uncovered nothing unusual besides a bullet wound in the side of the head," according to authorities.

A fire at 3620 Notten Rd., which occurred within a few minutes of the discovery of Eubanks' body was not believed to be related to the homicide, police said.

"Although it is possible to hypothesize anything given the fact the two incidents occurred within minutes of each other, we have no reason to suspect the two are connected," a Jackson Police detective reported.

Adding to the mystery surrounding Eubank's death is the fact that his step-mother, Adeline V. Eubanks, was shot to death earlier this year in her mobile home at Novi. The killing was never solved.

Mrs. Eubanks, 58, moved to Novi after selling the North Lake Store, an establishment she and George (Jack) Eubanks had owned for several years.

Mrs. Eubanks body was discovered in her trailer on Jan. 26. Police reported she had been shot several times. Although a diamond stone had been pried from a ring on her finger, police considered robbery a secondary motive in the crime.

Michael Eubanks had been questioned in connection with his step-mother's death, as were other members of the family, but none were ever linked to the crime.

Bulldog Golfers Win Conference Tourney

Chelsea High's golf team swung into a strong finish in league competition prior to last Saturday's regional tournament, defeating both Novi and Lincoln before they were finally edged by Brighton. As a result of their performance, the Bulldog golfers ended the conference season with a 10-4 record.

On Friday, Oct. 7, Chelsea participated in a 27-hole invitational tournament hosted by Novi at Godwin Glen. The Bulldogs topped the 12-team field, returning home with a first-place trophy.

In the match, Charlie Bridges, took second place medal honors, followed by Brian Lewis with 11th-place medal honors. According to coach Pat Wade, Joe Ewald and Bruce Rabbitt were major contributors to the victory.

Returning to the green Tuesday, Oct. 11, for the eight-team

Southeastern Conference tournament at Novi, Chelsea again took the tournament title.

"This event was held in cold, driving rain, which lasted throughout the day," Coach Wade remarked, "so the victory over all opponents was all the more satisfying, fought for as it was under the worst possible conditions for golf."

Charlie Bridges was again second medalist, while Brian Lewis was fourth for the entire tournament. Scoring well for the team were Joe Ewald and Bill Spaulding.

Their first-place tournament finish moved the Bulldogs into a second-place finish in the league. Saline was the SEC Conference titlist, with Brighton, 3rd; Milan, 4th; Novi, 5th; Dexter, 6th; South Lyon, 7th; and Lincoln, 8th.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

A while back lawyers on the U.S. Supreme Court ruled 5-4 that lawyers can't be prevented from advertising. I've kept looking, but I ain't found the papers running any special on legal services. Fact is, I don't notice any change in the number of lawyer ads at all. There weren't none and there still ain't, which don't bother me one way or the other except for that 5-4 decision.

You would think that it would go without saying that any service that's legal to give is legal to promote, including legal service. But other lawyers sitting on other benches already has told us the answer to that one. You can sell cigarettes, for instance, but you can't advertise them on television, but you can in print. Which proves nothing so much as that lawyers figger if a person can read they got to know if they want to smoke cigarettes or not, but them that watch TV have to be told every move to make. Which could have some bearing on why so much toilet paper is advertised on TV. But it still leaves you wondering why they can't advertise beer, but they can't show anybody actual drinking it.

But we was talking about lawyers and their right to promote their trade and we have to ask why the Supreme Court ain't been called on to rule on doctors running ads. The truth of the matter is, both of these lines of work make their own rules, and they don't need the Supreme Court to tell them anything. What concerns me about this business is that the highest court in the land was split wide open on such a simple question.

Mister Editor, I saw in the paper the other day where the U.S. Supreme Court voted 5-4 on 115 cases last year. It seems to me is a lawyer sitting on the Supreme Court don't know what the law is in 115 cases, how are the ordinary folks going to know what it is in the 115 cases we run into every day? It scares you to realize that one man could leave the court and another take his place, and the law of the land would be exact opposite in them 115 cases. Actual, it's good that I don't have say-so about laws, because

my idee about some of them would be a far cry from what we got now. I would start by reworking drunk driving laws so that a driver would never get a chance to break it but once, and I would work right on through laws again stealing, where it would be considered a crime instead of a excuse for whatever the thief says is wrong with him. Another change would be in the way people charged with crimes are treated. In the courts now they're the honor guests and their victims are guilty until proved innocent. Any vote, 9-4 or 9-0, that turns a man loose because he told police where he threw a little girl he had killed makes for bad law in my book.

Mister Editor, I don't hold to the idee that wisdom comes with age any more than I do that youth is wasted on the young. We got dumb ones and smart ones of all ages, and who else but a young person would have the energy to do what youth lets us do? But I still say being legal don't automatic mean being right.

Yours truly,
Uncle Lew.

win, 69-65, in their highest scoring game to date.

Saline took a 16-14 lead in the first quarter and expanded its advantage to 32-37 at the half. The Bulldogs refused to quit and came strong in the third period, hustling and playing a good, tight defense, to outscore Saline, 21-10.

The Bulldogs made up a 10-point deficit at one point, to lead, 58-47, at the end of the quarter.

Fouls began to take their toll in the fourth quarter, according to Coach Cheryl Vogel, as both teams had two starters foul out. Chelsea's bench came through, however, to hang onto the lead and win the game, 69-65.

High rebounders for Chelsea were Shelley Warren and Cheryl Kiel. High scorer was Shelley Warren with 21 points; Nanette Push scored 17; Penny Collinsworth, 12; Sheryl Kiel, 10; Sue Heydlauff, 5; and Tracy Hawker, 4. Chelsea's record is now 8-1 over-all and 4-1 in the league.

Executive-Legislative Relations

Damaged by Veto Override

A so-called non-partisan bill became a bitter partisan issue during and following a legislative override of a governor's veto last week.

Governor William G. Milliken pulled out all stops and made party unity pleas with House Republicans in an effort to stop a veto override on a bill giving more

power to the legislature in promulgating rules drawn up by state agencies in implementing laws.

The override was the first in 28 years.

A comfortable working relationship between the Republican executive office and the Democratic-controlled legislature was at the very least bruised if not totally severed as a result.

The House vote of 74-5—the exact number needed for a 2-3 majority—incited six Republicans even after a personal appearance in the Republican caucus by the governor making a last ditch effort calling for solid party unity.

Following the vote, Milliken turned and said the bill's constitutionality would be challenged. He asked for a Supreme Court advisory opinion claiming the act usurps judicial and executive power.

"The action is simply a power grab by the legislature when it all too often has trouble facing up to some of the major responsibilities it already has," Milliken charged.

House Minority Floor Leader William Bryant of Grosse Pointe Farms shouted "petty politics" after the override and noted the governor had pledged an alternative change in the rules procedure.

Speaker Bobby Crim of Davison bounded the charge back to minority party members and reminded them of the original 97-5 vote on the bill. He declared the issue was really one of elected officials versus bureaucrats.

The governor continued to smolder as long as two days after the override noting he would not forget the names of the six Republicans who voted with the Democratic majority.

He also lashed out at legislative leaders citing failure to pass budget bills as the new fiscal year begins calling the inaction just another example of the legislature's irresponsibility.

Budgets for the Departments of Military Affairs, State Police and Highways and Transportation remain unsettled with the dawning of the new fiscal year.

Shoe on Other Foot

Rep. Robert Welborn (R-Kalamazoo), one of the six Republicans voting to override, brought to the attention of the House and governor a 1962 override attempt.

The vote notes then Sen. William G. Milliken was one of 22 members who voted in favor of overriding a veto of a bill which also would have required affirmative legislative approval of admin-

South School Parent Association Operating

An effort by several South Elementary school parents to establish an ad-hoc, non-political organization to facilitate communications between parents and school staff members, resulted this month in the official formation of the Parent Teacher Student Association (PTS). Gatherings of the group began informally in June.

PTS officers are Joy Stacey, chairperson; Georgia Myers, secretary; and Marietta Elliott, treasurer.

In keeping with their goal, PTS members have already initiated several projects, including the publication of a newsletter and sponsorship of parent coffees. Newsletter committee members are Phyllis Tillman and Elsie Strong, while parent coffees chairperson is Barb Seabury.

Two parent coffees have been held to date. The first featured Lee DeCamp, South school learning disabilities teacher, as speaker, while Margaret LaGassio, South school social worker, addressed parents at the second. The next parent coffee will be Nov. 8, with Sylvester Wojciechowski.

If the legislature were allowed to establish itself as final arbiter on how the executive administers the law, a significant portion of executive powers would be assumed, by the legislature."

Governor's Future Decision
Legislative observers are split over what affect the override and the ensuing friction with the legislature will have on Milliken's decision to seek re-election as governor, run for the U.S. Senate or retire from public office.

Some believe the sting of the override will hasten retirement while others see it as a mandate to remain as the state's chief executive and provide tougher scrutiny on legislative actions.

Milliken continues to promise an announcement by Thanksgiving.

Kay Heller is coordinating the Learning Enrichment Center, while Jeanne Stock and Marietta Elliott are Book Fair co-ordinators.

The Book Fair will take place Nov. 16-18 at South school and will feature good used books, as

well as children's and adult paperbacks. Used book donations are being accepted and should be deposited in a collection box which has been placed in room 14 at South school.

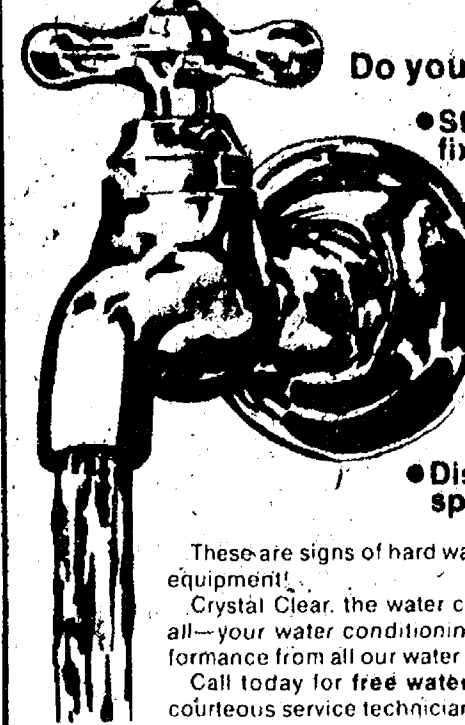

Persons interested in helping with the Book Fair are directed to call Mrs. Stock at 475-7891, or Mrs. Elliott at 475-9248.

Learning Enrichment Center Organizing

Volunteers are needed to help with a Learning Enrichment Center now in the process of organization at Chelsea's South Elementary school.

Designed to provide a place where a child or group of children may receive some added individual attention or academic counseling, the Center will also be used as a central location for special types of materials used by classroom teachers, and as a meeting spot by resource volunteers, who will describe their vocation, education, special skill, hobby, collection or trip to elementary school children.

Eventually, the Learning Enrichment Center will include a math lab and a language lab for children.

Volunteer help is needed in a variety of capacities. Adult community volunteers are being sought to staff the Center, where they will help with a child's development of a good self concept and instilling of importance in the community. Others are needed as resource volunteers and should contact South school to list their name in the school's resource file. Volunteers are also needed to attend a workshop Wednesday, Oct. 26, from 9 a.m. to 12 noon in room 14 at South school. During this time, persons attending will make math games to be used by the Center.

In addition to volunteers, material donations are being sought. Materials needed include containers for storage, any type of measuring device, and small items for counting such as buttons, bottle caps and popsicle sticks. These should all be turned into the workshop next Wednesday.

The Learning Enrichment Center is being sponsored by the newly formed Parent Teacher South Association (PTS). Kay Heller, a PTS member, is coordinating the project, while South school administrators have provided PTS members with a permanent room at the school to house the Center.

Friends of Chelsea Players Elect New Slate of Officers

Friends of the Chelsea players held its annual meeting Oct. 8 at the home of Mrs. Robert Danilow. The meeting basically involved the presentation of the 1977-78 slate of officers for voting upon. Elected were: Mrs. Jeanette Tobin, president; Douglas Beaumont, vice president; Mrs. Marie Fetsch, secretary; and Mrs. Ann Lee, treasurer.

Also 15 board members were voted on.

Also discussed was the possibility of a Winter Arts and Theatre program involving the Chelsea Community.

The next meeting will be held Thursday, Nov. 3, 7:30 p.m., at the home of Mrs. Jeanette Tobin. Any interested party is welcome to attend.

VFW Auxiliary Plans Hospital Party

A regular business meeting of Chelsea's VFW Post 4076 Ladies Auxiliary was held Oct. 10 at the Post Home with 11 members in attendance.

The Auxiliary voted on donations to two State President's projects for the current year. As a result of the election, a retaining wall will be financed at Camp Trotter, and a stove and refrigerator will be donated to the VFW Home in Egan Rapids for use in the facility's Community Building.

Members then voted on a donation to Chelsea United Way to complete the agenda of financial business.

Hospital Chairman Betty Smith reported to the Auxiliary that the Post would like assistance from the group in hosting a hospital party Nov. 18 at the Ann Arbor Veterans' Administration Hospital.

Americaplan Chairman Eulalie Packard reported on the Veteran's Day Parade Nov. 11, and Voice of Democracy Chairman Lucy Platt announced that she had contacted three area high schools to participate in the annual VFW Voice of Democracy contest.

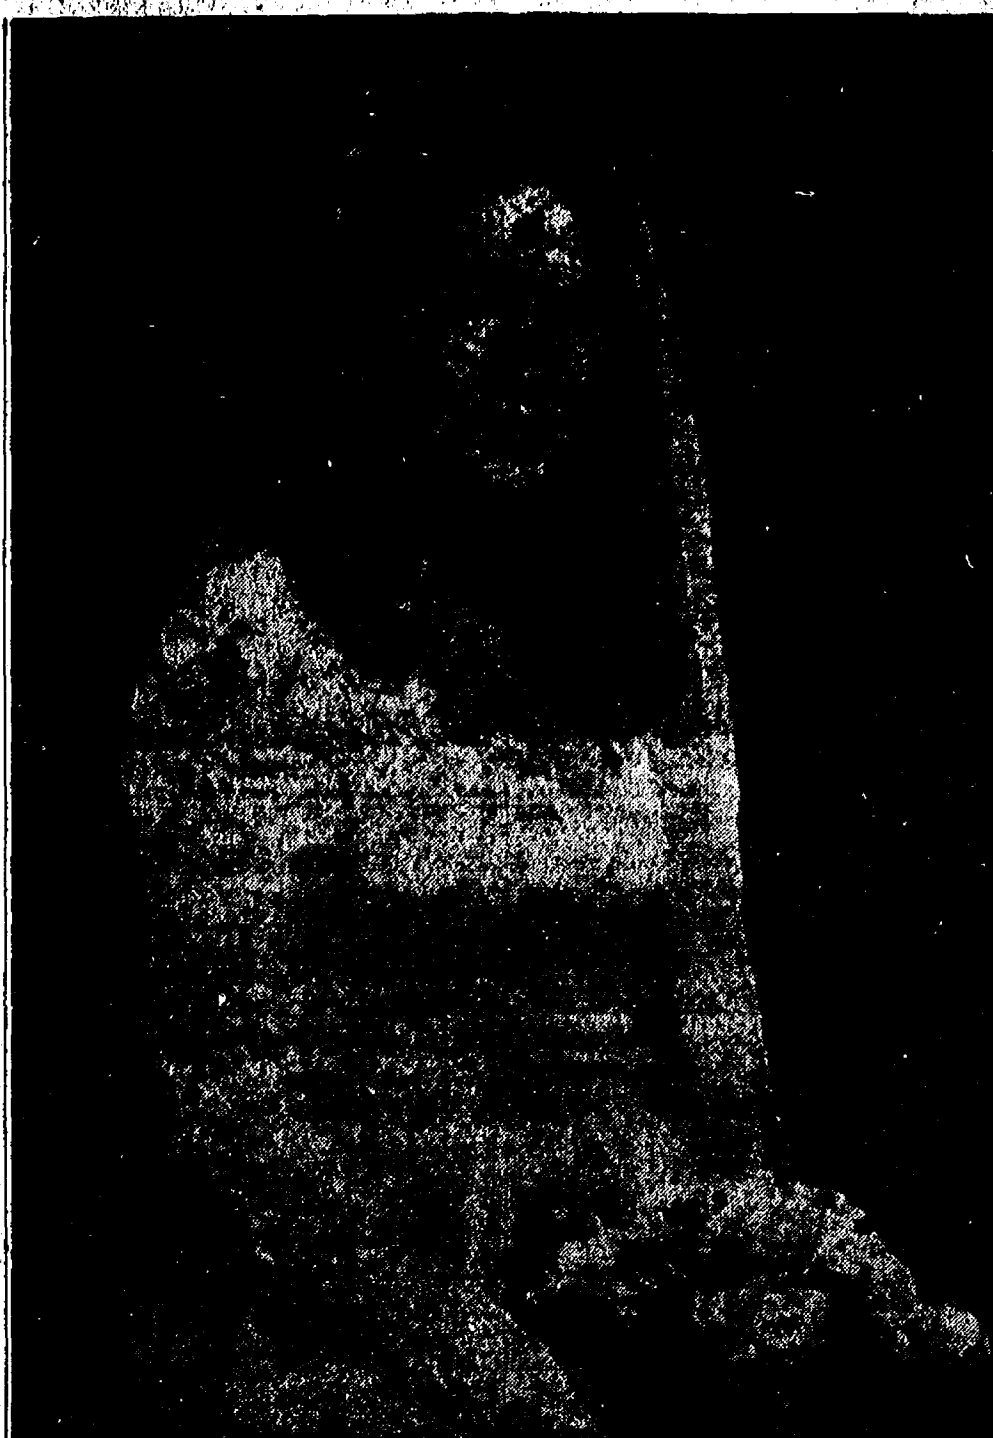

Sixth District President Betty Ellsworth will attend the local Auxiliary's Nov. 14 meeting for inspection. All chairmen should be at the hall with their notebooks at 7:30 p.m.

CORRECTION:

Mrs. Robert George Winans

Kathryn D. Pierce, Robert Winans Wed Friday in Chelsea Church

"And This Our Life, Our Beginning" was the theme selected by Kathryn Diane Pierce and Robert George Winans for their marriage Friday Oct. 14, in St. Paul United Church of Christ. The 7 p.m. ceremony was performed by the Rev. R. J. Ratzlaff before 200 guests.

The bride is the daughter of Mr. and Mrs. Donald F. Pierce, of 12172 Jackson Rd.; Dexter, and the bridegroom is the son of Mr. and Mrs. George L. Winans, of 164 Park St., Chelsea.

Special music for the wedding included Puccini's "Trumpet Tune." The bride was costumed in a silk organza gown fashioned with a Queen Anne neckline, open-cut bishop sleeves and a chapel-length train. The gown featured Alençon lace accents and beaded-pearl and crystal trim. Matching Alençon lace and beaded pearls formed the headpiece for her double-tiered veil. She carried a cascade bouquet of white, regular and miniature roses, surrounded by stephanotis.

Maid of honor was Cindy K. Pierce of Dexter, sister of the bride. Her burgundy tulle gown was styled with chiffon capelets, and she held a bouquet of white miniature carnations, red roses and stephanotis.

Serving as bridesmaids were Gwen Graham of Chelsea; Sherry Moore of Chelsea; Mrs. Lynn Stoll of Grass Lake; and Leslie Szubczak of Southgate. Their gowns and bouquets matched those of the maid of honor.

For her daughter's wedding, Mrs. Pierce chose a honey-colored, floor-length, double-knit gown and wore a corsage of miniature roses, while Mrs. Winans, mother of the bridegroom, appeared in a champagne-colored lace, floor-length gown and wore a corsage of Talisman roses.

John Story was best man. Attending as groomsmen were Matt Heydlauff of Chelsea; Dick Lutovsky of Chelsea; David Stoll of Grass Lake; and Jeff Weber of Chelsea.

The wedding reception, given by the bride's parents, took place in Chelsea's UAW Hall. There the wedding theme was displayed on a poster designed by Edwin Greenleaf. The theme also appeared on special napkins and the bridegroom's cake.

Upon their return from a week-long wedding trip to Myrtle Beach, S. C., and Gatlinburg, Tenn., the newlyweds will reside in Chelsea. The bride selected a blue and white pant suit for her traveling costume.

The former Miss Pierce is a 1976 graduate of Chelsea High school and is employed by the U. S. Post Office in Ann Arbor. Her husband is also a 1976 graduate of Chelsea High school and is employed by Rockwell International, Chelsea plant.

Waterloo Methodist

Women's Society Meets

Waterloo Village United Methodist Society met Oct. 12 at the home of Shirley Case for a potluck dinner at noon. Nine members and one guest were in attendance.

President Eloise Schütz opened the business portion of the meeting with a prayer, and then proceeded to read four thank-you notes which had been received by the group.

A card was sent to Mark Dault, signed by all. Four veterans' greetings were sent and received.

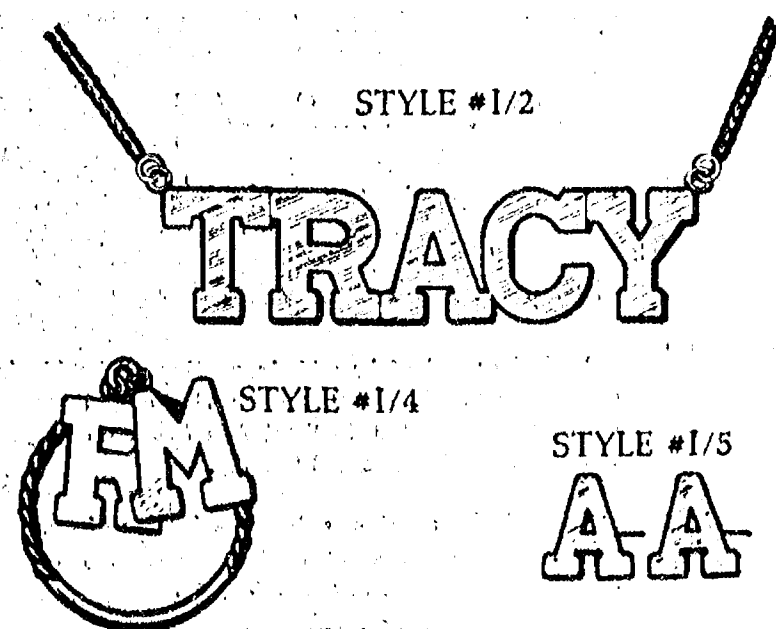

The society's day in mission has been scheduled for Thursday, Oct. 27, from 9:30 a.m. to 2 p.m., at Base Line church, Battle Creek. Six members will attend. The meeting closed with a benediction.

COULD YOU IMAGINE A KALAMAZOO COAT?

Fashion sometimes gains its name from the strangest places. The Tuxedo coat is one example. On Oct. 10, 1886, Griswold Lorillard walked into a club wearing a tailless dress coat and a scarlet satin waistcoat. The location was the Tuxedo Club in Tuxedo Park, New York and the style caught on.

Gridders of the Week

TODD HEADRICK (63), a tackle for Chelsea's varsity football squad, began his varsity career as a guard last season. The 6'2", 200-lb. senior, who was selected Most Improved Player last year, described his present job as "getting off the line quickly, hitting low, and trying to beat the guy in front of you off the line." A starter in every game this season, Headrick is also stationed as a middle guard in Chelsea's defensive line. In Chelsea's game with Dexter last Friday, Headrick was mentioned as a "defensive standout" by Coach Phil Barelli. Chelsea's game with South Lyon was named by the gridders as both his personal best game and the team's best game to date. "We did a good job, and it was a big upset when we won," he explained. When asked to predict the outcome of Chelsea's three remaining games, Headrick replied, "How we do against Saline on Friday depends on how the team feels mentally. Although we're the underdogs in that game, we'll win if we want to." He said the same attitude applied to Chelsea's other two games, one against Lincoln, and the other against Jackson Northwest. In addition to football, Headrick wrestles for Chelsea High. He is the son of Mr. and Mrs. Don Proctor of 121 W. Summit St.

JEFF POWELL (11), also a second-year member of the varsity squad, began the current season as a quarterback, but because of injuries, he says he has not played much this year. Nevertheless, the 5'9", 140-lb. senior, who was selected Most Valuable Player his JV year, has managed to accumulate a total of five touchdowns for the Bulldogs in their past six games and has been responsible for several key plays. However, the gridders maintain his only claim to fame is that he is "the smallest kid in the team." Along with playing quarterback, Powell is sometimes positioned as a running back. In describing his responsibilities, Powell said that as a quarterback

he "must have knowledge of everybody's assignments, not just his own," while as a running back, "it is important not to be tackled, and to be fast if you're not big." Powell announced his plan to beat Saline this week. "If we do, we will have shown that on any given day we were capable of defeating any team in the league," he said. Saline and South Lyon, a team Chelsea defeated earlier in the season, are ranked at the top of the SEC league. Powell, who also plays baseball for Chelsea High, is the son of Mr. and Mrs. Fred Powell of 1030 N. Fletcher Rd.

JASON LINDAUER (70), is now in his second season as a guard for the varsity Bulldog squad. The 6'0", 180-lb. senior said that "pulling and double teaming with the center" are his primary responsibilities when sent out on the field. Selected Most Valuable Lineman in his freshman year, Lindauer appears to have lived up to his promise in Bulldog encounters this season, both as a guard and defensive end. He named Chelsea's battle with Brighton as his personal best this year. "I was personally satisfied with the job I did in that game, which doesn't happen very often," he explained. He agreed with Headrick that South Lyon was Chelsea's best game to date, "not just because we won, but because we got breaks when we needed them." He added that Chelsea looked as good as it could in that encounter, given the conditions. Lindauer noted that as the season has progressed the Bulldogs have lost their enthusiasm which has consequently contributed to some of their losses. "We should be thinking about the present game each night we play, and what we should be doing," he said, "and then we could probably win." Although he claims Saline will be a tough match this Friday, Lindauer says Chelsea "has the potential" to win. Along with football, Lindauer plays hockey for Chelsea High and is a member of the varsity track team. He is the son of Mr. and Mrs. Arthur Lindauer of 200 S. Fletcher Rd.

Girl Scout Leader Hosts Detroit Group

Girl Scout Leader Lynda Longe and her Chelsea Girl Scout Junior Troop 719 entertained 36 Junior Girl Scouts from Detroit's Assumption, Grotto Elementary School last Saturday. The visiting scouts came to the area to explore the 250-acre Longe family farm and the 100-year-old family farmhouse on Island Lake Rd. Mrs. Longe had previously been a troop leader to all of the Detroit Junior Scouts, who came accompanied by their present leaders, Mrs. Rosalie Roberts and Mrs. Gerri Hengehold. The Longe family property, which had been purchased from the government in the 1800's by the great-grandparents of David Longe, Mrs. Longe's husband, provided many of the Detroit girls with a variety of new experiences as they played in the barn, walked in the cornfields, and hiked to Island Lake. An afternoon rain failed to dampen the day as the girls went indoors to enjoy a chicken dinner prepared by Mrs. Longe for a total of 46 guests. With 13 rooms, the Longe house provided plenty of space for the visitors. Before the Detroit scouts left for home, they exchanged addresses with the Chelsea Scouts and plan to continue their new friendships by mail. David Longe is a new mathematics teacher at Beach Middle School.

Jackson Singer-Model Will Be Guest at Waterloo Family Night

Singer-model Mrs. Elizabeth Farrell of Jackson, will be the featured guest at a special Family Night celebration Saturday, Oct. 22, at Waterloo Town Hall. The event is being sponsored by Waterloo United Methodist Church. An active performer in the Jackson Community Theatre group, Mrs. Farrell entertained church members earlier this year at their annual Mother & Daughter Banquet. Family Night will open with a potluck supper at 6 p.m. to be followed by a program at 7 p.m. All area families are invited to participate in the event.

A NEW BUREAU

Attorney General Griffin Bell is creating a new Bureau of Criminal Justice Statistics to replace the present system of misadvising crime in the nation.

Public Help Asked In Search for Superintendent

The Chelsea Board of Education is planning to enlist the help of area residents in its search for a successor to Superintendent Charles Cameron, who will retire next June 30. Catherine, dean of area school administrators, has served Chelsea schools for 41 years, including 28 years as superintendent. He will be 63 in December. Residents interested in contributing their ideas to the search for a new superintendent are asked to attend a special meeting Oct. 24, 8 p.m. in the board room at Chelsea High. This meeting will be held in conjunction with the regular Open Forum conducted the fourth Monday of every month. Board members will ask the public for assistance in developing criteria to be used in selecting an applicant for the job. Members of local clubs or other civic organizations are particularly urged to send a representative to the meeting.

Douglas Foreman Has Lead Role In U-M Comedy

Douglas Foreman, a 1977 graduate of Chelsea High School and now a freshman at the University of Michigan, has been cast in the major comic lead role of Buzz Richardson in the U-M Freshman-Sophomore production of "Applause," a play written by Betty Comden and Adolph Green. "Applause" is a musical adaptation of "All About Eve" which won a Tony Award in 1970. A movie version of "All About Eve" featured Bette Davis in a starring role. "Applause" will be presented to the public Dec. 13 at the Lydia Mendelsohn Theatre in Ann Arbor. Foreman, who is majoring in speech and communication at U-M, is the son of Mr. and Mrs. Louis F. Foreman of Gregory.

Named Personnel Manager for Walker Facility

Walker Manufacturing Co. has announced the appointment of Thomas A. Monzitta to the position of personnel manager of Walker's Engineering and Research Center in Grass Lake. Monzitta joined Walker in October 1975 as a corporate recruiter. Prior to this appointment, Monzitta was wage and salary administration supervisor. He holds a BA degree in Business Administration from Eastern Michigan University. Monzitta is the son of Mrs. Thelma Eisemann. Walker Manufacturing Co., a major component of Tenneco Automotive, supplies a wide range of automotive and heavy duty truck parts to the transportation industry. The company registered 1976 sales of \$377 million and employs about 9,000 people in North America and Europe.

Cager of the Week

LORI MILES (31), a guard for Chelsea's girls varsity basketball squad, began her varsity career as a forward on last year's team. The 5'2" junior says she prefers her new position, which requires her to "know the plays" and "be able to move where needed." Miles, who began playing basketball because she enjoys it and because it provides her with something to do in her spare time, said that Chelsea's game with Milan has been her best this season. "I had my most points in that game and played the longest of any game thus far," she explained. When asked to name Chelsea's best game as a team this season, Miles reported that the Bulldogs did their best against South Lyon. "It was a close game all the way through," she said. "We didn't get overly excited, blow off, and make mistakes." Miles predicts her team will "definitely finish up in the top of the league" if the players continue at the present rate. "Hopefully we'll be number one," she added. She noted that the Bulldogs have improved since last year and are "playing more together as a team." "We play good defense, have good shooting ability, and are learning to use it more," Miles said in describing the assets of the present Bulldog squad. In addition to basketball, Miles is a member of Chelsea's varsity track team. She is the daughter of Mr. and Mrs. David Miles of 11081 Dexter-Chelsea Rd., Dexter.

Girls Swim Team Defeats Erie-Mason

Chelsea High's girls varsity swimming team won the fifth of its past six meets last week, defeating Erie-Mason, 100-66. The Bulldogs were paced by school record performances from Shelly Springer in the 500-free, and Nancy Heller in the 100-yard breaststroke. Springer lowered the CHS 500-free record by more than 10 seconds, while Heller lowered her own school breaststroke record by more than two seconds. Other Chelsea winners were Michelle Alexander, Sara Borders, Heller and Springer, in the medley relay; Shannon Springer in the 200- and 100-free styles; Michelle Clark, diving (her second consecutive win in as many meets); and Borders in the butterfly. Shannon Culver, Sue Cobb, and the two Springer sisters combined to win the freestyle relay. Outstanding performances were turned in by Teresa Degener and Shannon Culver in the individual medley, by Annette Kuhl in the 50-free, and by Lisa Radke and Marcia Warren in the backstroke. This week, Chelsea will swim against two Class A teams—Swartz Creek from Flint, and Southgate High School.

Cross Country Team Dumps Dexter, 20-37

Chelsea High's cross country team traveled to Dexter last Thursday, and proceeded to dump the rival Dreadnaught squad, 20-37, in what Bulldog Coach Pat Clarke described as "a fine performance by all."

"We had three of our varsity runners out with the flu, but the rest of the team came on strong to win the meet," he added. Leading the way for the Bulldogs, as he has done all year, was Captain Dave Dawson, who placed first with a time of 16:35. Junior Chris Minick and Scott Beyer followed in 3rd and 4th positions with times of 17:39 and 17:49, respectively. Senior Randy Harris turned in his best performance of the year to finish 5th in 18:17.

Chelsea juniors Pat Murphy and John Whitaker continued their rapid improvement this season

by finishing 7th (18:32) and 9th (19:01), respectively. Harris and Murphy each passed four Dexter runners in the last half-mile of the race to insure the Bulldog victory.

Chelsea's runners now have a 5-3 record for the season.

Last Saturday the Bulldog squad traveled to the Mason Invitational and finished in 15th place even though 11 members of the team missed the event because of illness or conflict with a band trip scheduled the same day. Captain Dave Dawson again set the pace for the team, placing 7th in a field of 120 runners and establishing a new school record time of 15:45 for the three-mile run.

Also placing for Chelsea in the invitational were Chris Minick, 67th; Steve Kvarnberg, 84th; Pat Murphy, 96th; and Randy Bohl, 98th.

Blood Pressure Night Held at Beach School

A Parent Blood Pressure Education Night was conducted in the large group instruction room and cafeteria at Beach Middle School Monday, Oct. 10, in conjunction with a unit study undertaken by Mrs. Alice Steinbach's 8th grade science class.

Interested members of the community, as well as parents, participated in the evening's program.

The program began with a film, entitled "High Blood Pressure—Public Enemy Number One," shown by Dr. Gary Nicols, who is currently involved in high blood pressure research at the University of Michigan Medical School. Following the film presentation, Dr. Nicols conducted a question and answer period, and informational materials were distributed by members of the science class.

The 8th graders then assisted several medically trained individuals in checking the blood pressure of their parents and school staff members.

Beach Middle School is one of 21 Michigan schools selected this year for an initial pilot study of a teaching unit on high blood pressure, or hypertension. The study is being sponsored jointly by the Michigan Kidney Foundation and Alpha Delta Kappa, an education honorary.

Two weeks ago, the unit was taught as part of the 8th grade

science program in Mrs. Steinbach's classes, and will be followed by a more extensive pilot study during the spring semester.

Teachers involved in the pilot studies will assist in the development of teaching materials for state-wide use in the 1978-79 school year.

Fresh Grid Team Loses in Final Seconds

Dexter freshmen griders stunned their Chelsea counterparts with a touchdown and two-point conversion in the final seconds of a game Wednesday, Oct. 12, to edge the Bulldogs, 14-12.

"We started like we were going to run the Dreadnaughts out of town," Chelsea Coach Bill Bainton said as he recalled Carl Simpson's 50-yard carry on the first offensive play in the game.

That drive died on the six, but the Bulldog defense forced a punt, and Chelsea's Bill Freeman returned the ball 45 yards for a touchdown, aided by key blocks from Simpson and Jon Reimenschneider.

Chelsea added another touchdown in the second period when Steve Wilson scored from the four. According to Coach Bainton, hard running by Simpson, Freeman, Reimenschneider and Wilson took the Bulldogs close again, but the half ended before they could score.

Dexter finally got off the board early in the third period, collecting six points on a 35-yard run. The play came just after Chelsea's inside kick-off attempt failed. Although their touchdown seemed to serve as a pick-up, another Dreadnaught drive was stopped when Bulldog middle guard Mike Wade recovered a fumble on the nine.

Chelsea's offense remained dormant until the fourth period when it began to grind out yards behind the blocking of Mike Wade, Kirk Stubbs, Mike Lazarz, Chris Heaton and Keith Hegadorn. As the clock ran down, the Bulldogs pounded their way to the two-yard line, and they appeared to have the game locked up.

But Dexter recovered a fumble with 40 seconds left in the final period and caught Chelsea's defense napping on the next play—a 98-yard end around. The Dreadnaughts' extra point run slipped into the end zone to give Dexter 14 points.

Chelsea came back with a desperation pass, but it was intercepted as time ran out in the game.

Don Johnson Memorial Scholarships Awarded

Recipients of the Donald R. Johnson Memorial Scholarship were announced Monday evening at the annual County 4-H Recognition Ceremonies. Receiving \$150 scholarships were Peggy Koharske of Ann Arbor and Don Oltmanns of Ypsilanti.

Peggy, the daughter of Mr. and Mrs. James Koharske, 3380 Dixboro Rd., is presently majoring in social sciences at Washtenaw Community College. She hopes to become a social worker and is planning to attend Southern Methodist University in Texas next year.

Don is the son of Mr. and Mrs. Richard Oltmanns, 4601 Merritt Rd. He is pursuing a career in computer science at Eastern Michigan University.

The scholarship the students received was established by the

Washtenaw County Board of Commissioners as a memorial to the service provided to the people of Washtenaw county by the late Donald R. Johnson. Johnson served as director of the Washtenaw County Co-operative Extension Service for more than 25 years. His dedication to the youth in the 4-H program is memorialized by these scholarships.

Katie Chappin, a Chelsea resident and Johnson's secretary, presented the two students with the scholarships and the memorial plaque. The plaque will be on display in the hall of the county building.

No community will grow and develop when its people are envious of each other.

DEATHS

Michael L. Eubanks
Former Jaycee President
Dies Suddenly Friday

Michael L. Eubanks, 29, of 12226 Seymour Rd., Grass Lake, died suddenly Oct. 14 of a gunshot wound. He was born April 8, 1948, in Jacksonville, Fla., to Melissa Balmer Ellola and George (Jack) Eubanks.

A graduate of Grass Lake High School, Eubanks was a former member of the Chelsea Jaycees, and had served as president of the organization from 1972-73.

Eubanks was employed by Klumpp Gravel Co. at the time of his death.

Survivors include two sons, Kirk and Todd, of Chelsea; his mother, Mrs. Ellola, of Grass Lake; his father, George Eubanks, of Jackson; and two brothers, Dennis, of Jackson, and Ronald, of Grass Lake.

Funeral services were held Tuesday, Oct. 18, 2 p.m., at Staffan Funeral Home with the Rev. R. J. Ratliff officiating. Burial followed in Mt. Hope Cemetery, Waterloo.

A Masonic service was conducted Monday, Oct. 17, 8 p.m., also at Staffan Funeral Home.

Mrs. Benj. Anderson

Former Royal Oak Resident
Dies at Methodist Home

Mrs. Benjamin (Rose) Anderson, 85, died Monday, Oct. 17, at the Chelsea United Methodist Retirement Home. Born Feb. 9, 1882, in Sumpter township, Wayne county, she was the daughter of William and Sarah Scott Prince.

She married Benjamin Anderson on April 6, 1904. He preceded her in death on Nov. 10, 1945.

Mrs. Anderson came to the Methodist Home from Royal Oak on July 29, 1966. She was a member of First United Methodist church, Belleville.

Funeral services were held Wednesday, Oct. 19, 1 p.m., at the Methodist Home Chapel with the Rev. Ira Wood officiating. Burial followed in Union-Udell Cemetery, Belleville.

Arrangements were by Staffan Funeral Home.

Methodist Home Residents Ready For Annual Bazaar

Several months of preparation on the part of Methodist Home residents will culminate Saturday, Oct. 29, with the annual Chelsea United Methodist Retirement Home Bazaar. The event will take place from 1:30 to 4 p.m. at the Home.

Items to be featured in the bazaar include ceramics, handwork, baked goods, children's books, a grab bag, and "odds and ends." Free parking is available, and coffee will be served free of charge.

All proceeds from the bazaar will be shared by participating Methodist Home residents. Mrs. Winifred Jordan is chairman of the event.

Children's Story Hour Resumes Nov. 2

At McKune Library

Storyteller Joanne Weber will once again lead Chelsea children on an action-packed odyssey through books when Story Hour begins Wednesday, Nov. 2, at McKune Memorial Library.

Open to pre-schoolers, the program will be conducted from 9:30 a.m. to 10:30 a.m. every Wednesday through February.

Because the hour is strictly for children, mothers may use the time to shop or run errands.

JV Gridders Crush Rival Dexter, 36-6

(Continued from page one)

Refusing to surrender Chelsea's earlier lead, Bulldog John Dunn passed 36 yards to Mike Killelea to move Chelsea to the nine-yard line. On the next play, Mike Wood carried the ball across these remaining nine yards for another Chelsea touchdown. Wood came back with a successful conversion run, and the Bulldogs finished the half with a 14-6 advantage.

Chelsea dominated the second half as Shawn Murphy went 15 yards for a touchdown in the third quarter, followed by Mark Cole, who ran the ball for two extra points. In the fourth quarter, John Dunn passed 26 yards to Brad Knickerbocker for six more points, and Mike Wood ran in two more to increase the Bulldog lead to 30-6. Cole then ended Chelsea's scoring with a one-yard touchdown plunge.

Leading Bulldog tacklers in the game were John LaBarbara with 12; Dave Morris, 9; Shawn Murphy, 9; Lou Jahnke, 8; Dave Gawlick, 5; Andy Weir, 4; Keith Stillion, 3; Dan Pagliarini, 2; Tom Houle, 2; Dan Rowe, 1; John Dunn, 1; Tim Sweeney, 1; Howard Flintoft, 1; Mark Schanz, 1; Mike Killelea, 1; and Tom Gilbreath, 1.

Andy Weir and Tim Sweeney recovered fumbles, while Dave Gawlick and Dave Brewer each had an interception.

"Our defense was great except for three reverse plays Dexter ran, which amounted to most of their offense for the night," Chelsea Coach John Schaffner remarked. Those complimented by the coach for doing a good job were Jim Cobb, Mike Wood, Mark Cole, Dave Eisele, Steve Hawker, Todd Wright, George Egele, Brad Flanigan, Karl Albrecht and Jeff Boyer.

"Over-all, though, the entire team played an outstanding game," Coach Schaffner continued. Offense, those complimented by the coach for their strong blocking performance were Mike Killelea, Lou Jahnke, John LaBarbara, Dan Rowe, Steve Hawker, Dave Morris, Andy Weir, Todd Wright and Brad Knickerbocker. Wingback Dan Pagliarini was also a standout in blocking, according to Coach Schaffner.

Chelsea JV squad will travel to Saline today for a game beginning at 7 p.m.

Real Estate

By PAUL FRISINGER

REALTOR

TAX TIPS WHEN YOU BUY REAL ESTATE

When you buy real estate, your tax benefits start immediately. For example, property taxes paid at the settlement are deductible. Usually, these taxes are pro-rated between the buyer and seller so that each pays his respective share. In some localities where the property taxes are paid during the following year the taxes are actually paid.

The other settlement expenses generally are not deductible, however, most of them can be added to the cost of the real estate when you sell it. The effect will be to reduce the profit subject to income tax. Among these are: lawyer's fees, property surveys, title search and title insurance, transfer taxes and "points."

It should be noted that, what the IRS calls "basis" is quite important to establish. It is the purchase price of the real estate which includes your down payment, mortgages, and those non-deductible settlement costs. The basis determines what your profit or loss will be when you sell.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings 475-2621. We're here to help!

Aquatic Club Blitzes Plymouth, 488-181

Chelsea Aquatic Club joined a new swim club league this year which is composed of three Class "A" teams, Plymouth, Belleville, and Ypsilanti, and three Class "B" teams including defending state champions Milan, Willow Run and Chelsea. Although Chelsea is the smallest community of the group, it has one of the largest team contingents with more than 150 swimmers participating.

In its first meet of the season Chelsea traveled to Class "A" Plymouth and won 23 of 24 events to completely dominate the meet, 488-181. Winners for Chelsea were Matt Steinhauer, John Cattell, Jeff Mason, Dave Karns, Mary Lazarz, Cathy Hoffman, Amy Oxner, Jenny Pichlik, Trisha Mattoff in the 8 and under age group. Nine and ten-year-olds were paced by Phil Sweet, Mark Henson, David Steinhauer, Eric Schaffner, Melanie Gunn, Margie Rawson, Jennifer Cattell, Paula Colombo, Kriss Mattoff.

Special Olympics Soccer Team Ties for State Title

Chelsea's Special Olympics soccer team traveled to Ann Arbor last Saturday to compete in the first state soccer tournament, and returned with a gold medal after tying with High Point for the championship. Competition, described as "very tough and also very exciting" by Coach Nancy Cooper, featured teams from across the state.

All teams entered in the event were first watched for 10 minutes each, and then put into performance divisions. Chelsea was awarded a Division I rating and drew Monroe as its first opponent.

In their opening game, it took the local soccer players a while to get going, according to Coach Cooper. But after a scoreless first quarter, Chelsea exploded with a powerful offensive drive to finish on top of the 9-4 decision. Scoring for Chelsea were Leonard Carlson, 2 goals; Kathy Weber, 3; Steve Lawrence, 3; and Patty Brady, 1.

Novice Swim Club Gives Beginners A Chance

"For new and lower level swimmers the Chelsea Aquatic Club regularly hosts novice swimming meets," director Larry Reed began in describing the structure of Aquatic Club competition. "In these meets, Chelsea state meet qualifiers are not eligible to compete, allowing the newer swimmers a greater chance to participate and find success."

Two weeks ago Chelsea held its first novice meet in which the following swimmers performed admirably: Kurt Roberts, Ted Lewis, Angie Defant, Deanne Collins, Meredith Johnson, Carmen Albertson, Carry Colman, Brenda Rush, Steve Brown, Jenny Hent, Sharon Colombo, Jerrod Fletcher, Annette Duhammel, Martha Koerke, Brad Cox, Kristy Centilli, Catherine Coffman, Tylene Greenleaf, Chandra Hurd, Beth Paddock, Tina Paddock and Gary Callison.

Also, Susan Schmunk, Charna Street, Karen Grau, Sara Weiss, Scott Landrum, Dawn Weatherwax, Mike Carrigan, Colleen Stubbs, Julie Koch, Melanie Flannigan, Paula Kuzon, Cindi Stirling, Kelly Fletcher, Julie Willan, Gena Durgan, Wendy Westfall, Mike Coffman, Eddie Brosnan, Cheryl Martin, Brian Schinault, Kristi Hegadorn, Tim Weir, Sheila Lorerzer, Debbie Burton, Bill Geddes, Karen Killelea, Marie Bulick, Catrina Heaton, and Jennifer Colvin.

Next novice swim club meet will be this Saturday, 8 a.m. at the Beach school pool. Anyone still interested in joining, may do so by calling 475-1425 for further information.

CHS Golfers Place 8th In Regional Tourney

Chelsea High golfers wrapped up their season Saturday with an 8th-place finish in the state regional golf tournament. Some 25 teams participated in the regional, held at Green Oaks Golf Course in Willow Run.

Grosche Isle, Riverview, Gabriel Richard and Tecumseh claimed the three top spots in Saturday's competition, and as a result, will advance to the State Class B Finals at Portland Country Club this Saturday.

Chelsea golfers in the regional were Brian Lewis, Joe Ewald, Charlie Bridges and Bill Spaulding.

"We have now completed one of our most consistently successful seasons since entering the golf circuit," Coach Pat Wade said in assessing the 1977 season. (Continued on page 13)

TODAY'S THOUGHT

By LOUIS BURGHARDT

Veteran's day is set aside each year to honor those who served their country in armed services. We honor them all; those who wore a uniform in days past and those who wear it today. We honor them with recognition of a debt that can never be repaid. It is beyond price.

It is a tragic fact of life that the best of the young men have always had to carry the burden of war. It has always been that way and probably will always be that way — as long as wars divide nations and people.

As we honor all those who so rightfully deserve thankful remembrance, we all hope there will be no more wars. Wars accomplish nothing. They create more problems than they solve. For those who wear a uniform and those who don't, it is far better to give their energies to the purpose of peace, instead of their lives in destructive purposes. Will it ever be realized this is the only way to build a better future for all mankind? BURGHARDT FUNERAL HOME, 214 East Middle St., Chelsea, Mich. Phone 475-1551.

Letters to the Editor

To the Editor:

I have been continually amazed over the last year at how fast Supervisor Musolf can forget facts and positions when he feels it is useful. In March of this year he wanted an outside assessor, however, when questioned at two separate public meetings about his estimated cost figures for this service, he "forgot" who gave the figures and could not verify them. In April he appealed to the citizens at the annual township meeting to bring in an outside assessor as the only way to fairly assess the whole township. Fortunately, our township board did not agree with him at that time and refused, stating that local, not outside, control was important in this matter.

Ever since that time I have heard Mr. Musolf throw this instance out as the prime example of the fact that the board would not work with him. In recent weeks, however, he has been claiming that if he is recalled, outside assessors will have to come in. Fortunately this is not the case, and does not check with

the facts as told by the Michigan Townships Association. The new supervisor would assess with a conditional certificate (just as Bob Musolf has this year), and the township board would not have to hire any outside assessors. They long ago took their stand against that issue.

This is all immaterial to my point, however. Since supervisor Musolf is now saying that outside assessors are not desirable, and the board long ago said that same, are they not all in agreement? If so, then why does Musolf keep saying that the board is against him? It sounds like sour grapes to me, because he was wrong in the first place, and just another example of the two-faced attitude exhibited by our supervisor. I sympathize with the efforts of our board. The current supervisor must be a very difficult man to work with.

David D. Bacon.

To the Editor:
In response to the letter of Oct. 13 by the Lima Township Board, I feel that this letter was

an attack on my interests of good government in Lima township.

Even though I am not a resident of Lima township, I am a Lima taxpayer. I want to inform you that I have attended a board meeting with other non-residents but Lima taxpayers and found that the audience made it impossible for the supervisor to have an orderly meeting.

To my knowledge and in all fairness, I respect the thinking of the Lima Township Supervisor and I have and will continue to support Bob Musolf.

Leroy Heller

To the Editor:

I couldn't agree more with Jack Bradbury about the importance of getting Lima township's government back on the track. However, I cannot go along with him on how it should be done.

Jack advocates a limited discussion, tight type of board meeting with little public input under the present supervisor as the best solution to the problem. This may work out at the county level (there are those who don't think so) but small townships like ours have neither staffs of paid experts nor committee structures to help board members inform and prepare themselves for decision making. Consequently most problems are discussed and worked out at the regular public meetings. Unfortunately, if the topic at hand is a "hot" issue, there's

always the risk of a "circus." I think there needs to be much mutual respect, faith, and confidence to accomplish things at the township level of government.

Therefore, under the present circumstances, I think the best, quickest and most decisive way to end the stalemate and smooth out the difficulties is a successful recall election. Furthermore, I am convinced that hostility and distrust are so strong between the supervisor and town board members that failure of the recall would inevitably prolong the conflict and controversy for at least a year. Lima township would continue to be saddled with a divided administration incapable of positive action.

Therefore, in the interests of re-establishing stable government I urge the citizens of Lima Township to get out on Oct. 25th and vote for the recall. Before marking the ballot the voter should ask himself, "what's in the best interests of Lima Township?" and be determined not to be influenced by feelings for the individual personalities involved. I sincerely hope that the majority will opt for a fresh start.

If the recall succeeds, the next and very important step is to identify and encourage candidates for Supervisor who have leadership qualities capable of restoring public confidence and co-operation both with and from the board. I have to believe that there are four legally (or appointed) board members who are as anxious as Jack and I are to get the township's show on the road again.

Virginia Denham.

Dear Editor:

Many charges and counter-charges have appeared on these pages over the past month regarding the recall of Supervisor Robert Musolf. Unfortunately, it is difficult, if not impossible, for all readers to verify the accuracy of statements made in these "letters" columns. For that reason it is important to remember that unless references and sources are given, information presented represents only the opinion of the writers and not necessarily fact. In past weeks many supporters of the supervisor have expressed strong opinions about taxes, assessors, etc., both in the columns and in canvassing various residents. Fortunately, the facts as gathered from the Michigan Township Association and the State Assessors Board DO NOT SUPPORT these opinions. I for one am thankful, as I am no more desirous of high taxes than anyone else. (This approach by Musolf amounts to nothing more than a smear campaign.)

The fact is we would have saved tax money this year had the state assessed us, due to Mr. Musolf's show on the road again.

(Continued on page 12)

(Paid Political Advertisement)

Lima Township Residents:

Let's Look at the Facts:

1. The Recall Committee stated and documented their charges. Did Robert Musolf answer them or just answer by charging others?
2. The Recall Committee is an open group, on record at the County Clerk's Office. Meetings are open to all interested residents. Musolf supporters, who are they? Are their meetings open to all?
3. The Recall Committee has been very careful to only present and charge facts that they can produce actual evidence for. Musolf supporters are going around requesting signatures on hearsay. Has any proof or evidence of their statements been offered to you in return for your signatures?

Ask Yourself the Following:

1. Can the entire Board be wrong and one man right?
2. Can the Township run on errors? Would you accept an error of over 52% from our Township Treasurer?
3. Did Lima Township have these problems before Musolf was elected?
4. Did we have resignations of elected and/or appointed officials, after serving some ten years or longer, before Musolf was elected?
5. Can the Township run on ignorance of laws, errors, pity, and apathy?
6. Is the Board responsible for assessing problems?

Weigh the Facts. Check them out.

Contact any one of the Township Board Members. Find out from those that are now governing our Township. Can it really be done with Robert Musolf as Supervisor?

If you cannot honestly answer "no" to the above questions, then Recall Robert Musolf.

Please, bring our Township back together. Vote "YES" October 25, 1977. Recall Robert Musolf.

THE CITIZENS COMMITTEE FOR THE RECALL OF ROBERT MUSOLF

Harry Kenworthy,
Community Relations Manager,
Ann Arbor, offers you this
telephone tip:

"Two-Party Budget Service may help you save money on your phone bill."

Two-Party Budget Service is especially designed for people with fixed incomes, such as retirees. For a low monthly charge, you would share a two-party line and have an allowance of 45 local calls a month. Extra local calls you make are only 59¢ each. This is about the lowest-cost phone service in the country. If you think Two-Party Budget Service might be what you need, just call your Michigan Bell Business Office and talk to a service representative about it.

sol's over-assessment at 50.2 percent. A state assessor, BY LAW, would have assessed at 40-50 percent level for a savings of between \$91,000 and \$485,000 in true cash value, depending on level achieved. I challenge Musolf to show by what arithmetic tricks he can turn this savings into anything else.

I also remind you that the board must approve an outside assessor. This is the same board that refused to hire an outside assessor in April when it was suggested by Musolf. As has been continually the case, Musolf twists issues to fit his needs. In the spring he fought to get an outside assessor; now he makes one sound like the end of the world. How quickly he forgets! Fortunately, this is all a mute issue, as Bob Edwards of the Michigan Township Assn. has advised that the new supervisor will be conditionally certified by the state (yes, as Mr. Musolf was this year) thus eliminating the need for any state or outside agencies. I urge Mr. Musolf's supporters, who have his allegations, to be concerned enough to ask for the source, if any of the information.

This continuing distortion of the facts is unfortunate. Supervisor

Musolf prefers to lash out verbally at various parties instead of attempting to address the issues. In doing so he has denied us all a chance to hear both sides of the story. He stated in last week's paper that the recall committee's attacking him, yet I have never heard anyone on the committee state anything more than the facts. No one from either side has ever challenged a single fact stated by recall personnel! Not one!

As a continuing example of the kind of distorted statements that Supervisor Musolf continues to put out, I refer to his letter in last week's issue of this paper. In his statement he refused to appear in an open debate Saturday night at the Township Hall. For his reasons he cited that the recall committee would use the occasion to conduct a smear campaign. It is difficult to believe he really believed that, as his invitation outlined the suggested rules and invited his own inputs to help structure the meeting. I'd like to openly review the intended forum here and let you decide the fairness of it.

John Hansen, principal of Dexter High school, had agreed to serve as moderator. He does not live in the township and is an impartial, respected, fair individual. Further, the debate was to run under rules established by the League of Women Voters. These have been fairly and successfully used for political debates for years. We intended to allow

a 10-minute opening statement from each side. After opening statements a five-minute rebuttal would then be allowed each side. After that, written statements would have been submitted from the audience, to either side, with three minutes allowed both sides for response. This last point was 't' desirable to ensure that no audience badgering was permitted. I cannot imagine a fairer or more open setting in which to discuss the issues at hand. It was intended that neither side have any more or less of an edge than the other. The recall committee's only anticipated advantage was that they felt they had the truth on their side. Based on Mr. Musolf's answers and refusal to appear, I can only surmise that he agreed with the committee in this instance. It is unfortunate that once again he has refused township residents the chance to make up their own minds with an open examination of both sides of the story. What has happened to the openness and honesty you keep talking about, Mr. Supervisor?

The recall is being actively worked on by a committee of over 25 people. As many as 50-60 persons have attended some Monday night open meetings. This is not a small, vindictive group, but a broad spectrum of concerned township residents. I urge you to back your Township Board, your Board of Review and other township officials who support the recall (see their ad in this issue). I'm reminded of Bert Lance's

resignation statement several weeks ago. He said, "It's not a matter of right or wrong, but one of effectiveness. If because of one controversy around me I cannot perform my duties, then it is time to leave in the best interests of my country." In this light, it is not necessary to take a side. I believe we are all on the same side—that is, we want good, honest, effective leadership. I believe in order to get there, we must support the recall and remove the one obstacle in the path of effective government that has been our trademark in the past. Kenneth E. Burkhalter.

To the Editor:

Many people have said supervisor Musolf has failed to fill the Planning Commission vacancy. But no one has ever said anything about how the township board failed to approve the appointments that were made.

Yes, I was there, the last time Supervisor Musolf tried to fill the and nearly every time prior to that there were as many as nine names to be considered. Two of which Supervisor Musolf did not appoint, because he did not approve of them. One of which was appointed and approved by the board, and six of which were appointed and not approved by the township board. Just a few minutes prior to this item of business, the township board decided to change the Planning Commission from a five-member board to a six-member board which was out of order be-

cause this matter was not even on the agenda for this meeting. Besides a six-member board is rarely heard of. Most boards are of an odd number like 5, 7, or 9, to avoid a deadlock in voting. If the township board could not agree on filling one vacancy previously, how did they think they could agree on filling two vacancies at this meeting?

The one appointment that was made and approved was that of myself. I was asked by members of the township board if I would consent to be considered for the position of Planning Commission. Only because I was asked, and because it was obvious that new names were necessary to complete the appointment, did I consent.

At the next meeting the township board refused to act on the Planning Commission appointment because there were new names submitted without first having been published in the paper.

I said later that if the Planning Commission appointment was not settled at the next meeting I would withdraw my name.

At the next meeting I was appointed by the supervisor and approved by the township board to fill the fifth vacancy. After the sixth vacancy could not be filled, the meeting turned into a big shouting match.

Later I was asked to come to the front of the room to talk with the township board. In doing so I was asked by a township board member, if I would consent to

have my name taken off the Planning Commission again, to force Supervisor Musolf to make another appointment. Then the board would put my name back on again. This helped me make my decision. It was now that I decided to do exactly what I had said earlier that I would do if the appointments were not settled, and obviously they were not. So I told the Lima Township Board that they did not need to take my name off the Planning Commission. But that I would do it myself instead, and that it would not go back on again. I don't like to be used for a decoy.

I have attended several township meetings, and I don't like what is going on. I think it is sad that people have to take sides because they can't get along in township government. That's all you hear lately, is this side and that side. A gentleman called on me one day recently, in his efforts to gain support for the recall of Supervisor Musolf. After listening to his story, and after a long conversation, I asked the man, "If Supervisor Musolf gets recalled, are you people going to pick on the next supervisor as much as this one?" His reply was, and I quote, "Probably not." Now does that tell you anything?

I thought we all learned in our early school days, the old rule about united we stand, divided we fall. I think it's about time everyone in this township starts pulling together, instead of in opposite directions. I feel sure that if

all the efforts that some township residents, and officials, present and past, have put into criticizing and downgrading our township government, could have been funneled into upgrading and helping each other, this could be the best township this side of the Mississippi.

Robert L. Heller.

To the Editor:

During a recent conversation with one of our Lima township board members I was disturbed to find out that our supervisor who keeps saying that he wants to work for this township, does not appear to be doing so, all his statements to the contrary.

The supervisor and all board members were asked to appear in court last Thursday in support of the Green case which this township has been prosecuting for more than 11 years. All board members and several township residents appeared for this important case which has cost us thousands of dollars over the years. After a two-hour wait, Mr. Musolf had not shown up or phoned in. As of Saturday he had not offered an explanation to any board member for his absence.

Thinking that the supervisor didn't appear because he wasn't invited, or was invited by a board member that he couldn't work with, I checked further. I understand that our township at-

torneys called him twice to insure that he would be there, as they felt it was important for the township to have everyone there. All other board members made it, several taking time off from work. If there was any doubt in my mind before about who is working for the township, there isn't now. Matters such as this are too important for the supervisor to forget, and represents to me the last straw in a series of similar irresponsible incidents. I urge everyone to remove Mr. Musolf. Vote on the recall, and return effective government to this township.

Ted W. Cheever.

To the Editor:

I feel I can express my opinions with knowledge as I have been a working member of the Lima Township Planning Commission since 1974. My last appointment was made with a three yes and two no vote. Those who opposed, Wallace Fuslier and Lella Bauer, was due to my direct and open opposition to Wallace Fuslier.

I have watched him and others intimidate and manipulate not only board members, but citizens of this community who have gone before the different governing units for assistance or as a spectator. I include him still as a working member of Lima Township. (Continued on page 13)

The only one in our township government qualified to speak on the assessment roll for Lima Township is Supervisor assessor Musolf, this by virtue of his attending required assessor classes at Washtenaw Community College, assessor classes at University of Michigan, passing required state exam for assessors, Lansing, and working with required county and state personnel.

At the annual meeting he stated that the tax roll needed to be reworked to make it uniform because there were people who were assessed at 25 percent to over 50 percent. It was not a popular stand to take—he knew that when he took the stand. But he was elected by the majority to represent all the people.

I look at the figures tossed out to confuse people, certainly frighten them into thinking, "If he (Musolf) stays in office my taxes go up!" Let me assure you, those of you whose assessment is at 25-30 percent instead of the required 50 percent, your taxes will go up

DEFENSIVE BATTLE

It looked like Chelsea was ready to score in the third quarter of their game with Dexter Friday, but a pile-up, like the one above, ended the Bulldog drive two yards short of a touchdown and one yard short of a first

down at the four-yard line. Chelsea fullback Al Augustine (22), who led the Bulldog drive with a 23-yard run, rushes a Dexter player who appears about ready to join the grounded gridlers.

MIXED UP POTATOES: Don Drew, a retired railroad engineer, displays four potatoes which came from his garden at 19130 North Territorial Rd. this fall. As many as seven individual potatoes have joined together as a single growth, producing a variety of uncharacteristic potato shapes. Drew said he had "just a little potato patch" and "planted about a peck" of potatoes only to dig up these unusual specimens early this week. When asked if he used anything special to enrich the soil, he replied, "I used no fertilizer, no nothing." He added that his potato patch was "kind of down next to a pond," but there was nothing unusual about the soil there. Drew said he plans to take the potatoes home "and probably eat them."

VARSITY CHEERLEADERS: Pom-poms raised and ready for action, these members of the 1977 CHS football cheerleading squad routinely pour their energy into various chants and sidelines to keep Bulldog spirits from flagging during the fall grid season. This year the girls have updated their uniforms with new sweaters. Front row, from left, are Carrie Lane, Anna Crawford and Kim Olson; back row, from left, are Connie Connelley, Laurie Campbell, Beth Collins and Cathy Villemure. Coaching this year's cheerleading squad is Mrs. Helen Bareis.
