## QUOTE

"Thanks be to God, since my leaving of wine, I do find myself much better, and do mind my business better, and do spend less money, and less time lost in idle company."

—Samuel Pepys, 1662.

## Special Election Set Monday for WCC Proposal

Voters in the Washtenaw Community College District will be presented a bond proposal requiring no tax increase at an election April 2.

The proposal is an authorization to issue bonds for construction of an occupational education building and a family education center.

"The cost of constructing the two buildings can be contained within the present .50 mill tax being levied by the College for capital projects and bond retirement," Dr. Gunder A. Myran, President pointed out. "Therefore, there will be no tax increase under the bond proposal. Under the previous law the trustees could have authorized the bond sale. Last fall the board had the opportunity to r through a bond issue for this project in advance of the November election," Myran said. "However, the trustees took the position to wait for the voters' decision on the Headlee Amendment. With an affirmative vote on the amendment, the board is now presenting this bond to the voters."

Local elections will be held in Ypsilanti and Ann Arbor and in some townships and school districts. A special election is required in other parts of the county.

"When the Occupational Education Building is completed, more suitable space will be provided for programs in allied health careers including practical nursing, dental assisting, radiologic technology, respiration therapy, and emergency medical services," he said.

The building will provide enlarged, more efficient space for career programs in welding, construction technology, commercial photography and technical commercial art.

The Family Education Center Building will provide a focus for instructional offerings in family related subjects as well as providing for child-care services.

## Moratorium On Overdue Library Books

In honor of National Library Week (April 2-7), McKune Memorial Library is offering a once-in-a-lifetime deal.

No overdue fines will be charged on books returned between April 2-April 7. The library wants the books back, whether they are two days or two years overdue.

As for books that have not been checked out because you still owe money on books returned after the due date, stop in between April 2 and April 7. Your name will be removed from the list at your request and borrowing privileges will be restored.

## Home Meal Service Needs Additional Volunteer Drivers

Chelsea Home Meal Service is in need of volunteer drivers for Wednesday runs and alternate drivers for every day of the week. (Continued on page eight)

## One Petition Filed for School Board

Petitions for a vacancy on the Chelsea Board of Education must be filed by 4 p.m. on Monday, April 9.

Martin Tobin, president of the board, has decided not to seek reelection. Consequently, there is one vacancy for a four-year term running from July 1, 1979 to June 30, 1983.

As of this date, Arthur E. Dils of 650 N. Main has filed a petition. Petitions are available in the office of the superintendent.

55th BIRTHDAY PARTY: Past and present Kiwanis Club presidents pose together at the 55th birthday party for the club Monday evening. M. W. McClure, president in 1930 and 1933, and Mrs. McClure stand at left. He is the only surviving charter member of the local Kiwanis Club. Weldon Harbaugh, current president, and Mrs. Harbaugh are on the right.

## Kiwanis Club Marks 55th Year

Seventy people gathered in the Medical Center dining room Monday night to wish a happy 55th birthday to the Chelsea Kiwanis Club.

From 7 to 8:30 p.m., members dined on prime rib and baked potatoes and were entertained by

the "Contemporaries," a vocal group from Chelsea High school. In attendance were M. W. McClure, the only surviving charter member of Chelsea's club, and Joseph Medrano of Dexter, Kiwanis Division 10 lieutenant governor.

Kiwanis was founded in Detroit in 1915 as the "Benevolent Order of the Brothers," a social organization. Later, the Indian word "Kee-wanis," meaning "we trade," was adopted as the club name. In 1918 the name was altered to read "Kiwanis" and the slogan changed to "We Build" to better typify the constructive aims of the group.

Chelsea's chapter was first organized on March 21, 1924 under the sponsorship of the Jackson

club. W. R. Daniels was the first president and A. B. McClure, the first secretary.

Now, more than 50 presidents later, the top spot is held by Weldon Harbaugh. According to Harbaugh, the birthday party was a success for more than one reason. Everyone enjoyed the dinner and entertainment, he said, and still got home in time to see Michigan State defeat Indiana State in the NCAA basketball tournament finals.

## Farm Fair Slated By Farm Bureau Women

Farm Bureau women of Washtenaw and Monroe counties will be exhibiting the agricultural story during "Farm Fair," March

29-31, 9:30 a.m. to 9:30 p.m. at the Briarwood Mall in Ann Arbor.

Mrs. John (Nancy Mshar) Bihlmeyer, public relations chairman, invites the public to view their displays which include dairy, beef, pork, fruit, vegetables, small animals and various types of farming procedures.

There will be 12 different displays providing a variety of things to see and sample.

Thursday at 8 p.m., Dunbar Lockers of Dexter will demonstrate how to cut a side of pork. Every night at 7 and 8 p.m. there will be a demonstration of goat milking in the center of the Mall. At 8 p.m. Friday and 3:30 p.m. Saturday, live baby animals will be displayed in the southeast corner. Steps in grain planting and harvesting will be shown and a life-size papier mache cow will be on display to demonstrate the steps taken before it's sent to market.

Mrs. Bihlmeyer enthusiastically urges everyone to visit the fair. There will be something of interest for everyone.

## Jazz Band, Choirs Plan Free Concert

Chelsea High school invites the community to come and enjoy a worthwhile evening of popular music featuring three choirs and a jazz band, April 5, 8 p.m. in the CHS auditorium.

Setting the mood of the "Pop Concert" will be the junior high jazz band, known as the "Beach Middle School Stage Band." Vocals will be presented by the high school choir, "Contemporaries," and the Beach Middle school choir.

Selections presented by the Beach Middle school choir will be "Every-one," a Barbra Streisand number; "Color My World," and "If."

Chelsea High school choir will sing "Windy," "Dance with Me," and "Spinning Wheel," a Chicago number. The Contemporaries, a small ensemble, will sing "Song Bird," "Delta Dawn," "Walk on By," and other selections. Tammy Barbret will direct the three choral groups and Warren Mayer will direct the Beach Middle School Stage Band. The public is invited to attend. Admission is free.

## Four Students Chosen To Attend Boys State

Four boys from Chelsea High school have been selected to participate in a week-long program intended to stimulate interest in government.

The four selected are Kent Bolinger, Brad Flanagan, John LaBarbara, and Dave Waldyke. Steve Kvarnberg was chosen as an alternate.

Known as Wolverine Boys State, the program is designed to permit boys 15 through 17 to function in a two-party political structure, complete with campaigning, convention, and elections.

Held on the Michigan State University campus June 13-20, Boys State was created in 1937 by the American Legion. The selection of candidates, however, is the sole responsibility of the local organization, in this case Chelsea High school. The boys were first nominated by faculty members, and then a special faculty committee selected four participants and one alternate.

Desirable characteristics published by the American Legion constituted the criteria used in selecting the representatives from Chelsea High. These are: Demonstrated leadership; an awareness of government; mental alertness; vigor, enthusiasm and responsibility; and the ability to get along with others.

## Plans 50-Year Reunion

Chelsea High School Class of 1929 is planning its 50-year reunion for Saturday, June 23.

All the members of the class have been contacted and the committee expects a good turnout. Festivities will take place at the Rod and Gun Club in the afternoon and evening.

Chaired by Lyle J. Haselschwerdt, the planning committee consists of Elsie Satterthwaite, Arden Wahl, Lawton Steger, Claude Rogers, Raymond Canine and Kathryn Staffan. The committee hopes to hear from everyone by May 1. Any one of the above named members may be contacted for more information.

## CHS Baseball Team Opens Season April 5

Sixteen members of the Chelsea varsity baseball team are working hard in preparation for a 22-game schedule, beginning Thursday, April 5 with a match-up in Stockbridge.

The Bulldogs will be trying to improve on their 16-10 overall and 9-6 SEC records of last year. In addition to the 14-game schedule, the varsity squad will meet Stockbridge, Pinckney, Jackson Northwest and Ann Arbor Gabriel Richard.

This year's team will be headed by five seniors: Al Augustine, catcher, pitcher, infield; Gary Dils, infield; Mike Eisele, pitcher, infield; Mike Machesky, pitcher, infield; and Roger Moore, outfield. Machesky and Moore were both Second Team All-Conference selections in 1978.

The squad is dominated by juniors this year, insuring a solid, experienced team for the next two seasons. The juniors are: Dan Alker, pitcher; Mark Barnes, infield; Jim Cobb, outfield; John Dunn, infield; Steve Hawker, outfield; Lou Jahnke, outfield; Brad Knickerbocker, infield, pitcher; Chuck Moore, pitcher; Drew Sprague, infield; and Mike Wood, catcher, infield.

The lone sophomore this year is Jeff Dils in the infield. Coach Paul Terpstra sees a good season ahead for the Bulldogs. The league should be well balanced, he says, with Saline, Milan, and Brighton being the teams to beat. Chelsea will be able to rely on strong pitching, with Machesky and Eisele heading the crew of mounds-men. On good defense will be returning starters Augustine (catcher), Knickerbocker (second base), and Roger Moore (centerfield).

## Community Lenten Service Set April 4

On Wednesday, April 4, the Community Lenten Service, sponsored by the Chelsea Ministerial Fellowship, will be held in First United Methodist church, 123 Park St.

The service will begin at 7:30 p.m. and will include music by the Methodist Church Chancel Bell Choir and worship led by the Rev. Harry Brakeman and lay persons from the Ogden United Methodist church near Blissfield. They have just returned from a work camp

in Haiti, West Indies. They will show slides and tell of their experience. Child care will be available for infants through kindergarten.

Prior to the worship service, the community is invited to attend a pot-luck meal which will begin at 6:15 p.m. Those planning to attend the pot-luck should bring one hot and one cold dish to pass and their own table service. Coffee will be furnished by the host church.

## Chelsea State Bank Assists CHS Class

Chelsea State Bank recently boosted teaching efforts at Chelsea High school, joining forces with Mrs. Ann O'Hagan in presenting materials on banks and checking.

Scott Tanner, of the Chelsea bank, visited the junior-senior "Your World and Money" class to explain checking procedures and to answer questions. Cancelled checks, check registers, and deposit slips from the

bank were distributed with a simulated account used by Mrs. O'Hagan to direct check writing. Actual statements made out to Inna C. (Chelsea) Student were received by students several days after all written checks were turned in.

Reconciling the accounts took the better part of two class periods for many students, but according to reports, the experience was worth it.

FOUR TOP AWARD WINNERS in the county at the 4-H Spring Achievement are, left to right: Debbie Honbaum, 1st in Senior Miss Knitting construction; Mary Anderson, 1st in Junior Miss modeling; Laurie Heller, 1st in Young Miss construction; and Beth Heller, 1st in Junior Miss construction.

## All Terrific Tailors Rated A on 4-H Spring Achievement Project

It was a heady day for the Terrific Tailors 4-H Club as all 21 members received "A" ratings on their projects at last Saturday's Spring Achievement at Chelsea High school.

In addition to the "A" ratings, Mary Anderson, Linda Bristle, Sommar Havens, Beth Heller, Laurie Heller, Nancy Heller, Sue Heller, Laurel Inglis, Sara Anne Noah, Amy Wolfgang and Wendy

Wolfgang also received Honor Awards.

Laurie Heller received the top County Construction Award in the Young Division, with Beth Heller taking the same prize in the Junior Division. Runner-up County Construction Award in the Senior Division was taken by Linda Bristle.

In the modeling portion of the show, Mark Goderis, Laurie Heller, Laurel Inglis, Sara Anne Noah,

Amy Wolfgang and Wendy Wolfgang were selected to the Top 30 Young Division modelers.

Mary Anderson, Beth Heller and Laurie Hines placed in the Top 10 modelers in the Senior Division.

The Terrific Tailors' leaders, Charlotte Anderson and Donna Hughes, expressed pride in the accomplishments of their club and said that they are looking forward to Exploration Days at Michigan State University in April.

'A' RATINGS: Freer Acres 4-H Club members Tylene Greenleaf, Missy Young and Carol Palmer, who earned "A" ratings at last Saturday's Spring Achievement are, left to right, Kristie Centilli, Julie Thompson.

## Freer Acres Win Top Awards

Beginners and Young Misses of Freer Acres 4-H Club made it a perfect night as they swept "A" rating ribbons at Saturday night's Spring Achievement Style Show.

Five girls, Kristie Centilli, Tylene Greenleaf, Missy Young, Carol Palmer and Julie Thompson received purple honor ribbons in construction. Top modelers from Freer Acres

were Kristie Centilli, Debbie Gorman, Carol Palmer and Julie Thompson. Gorman and Centilli were also in the top 10 with Centilli taking second place in a field of more than 150 girls.

## Uncle Lew from Lima Says:

### DEAR MISTER EDITOR:

Bug Hookum announced to the fellers at the county store Saturday night that this is the spring he final is going to git organized. Ever winter, Bug said, he sets and figgers how he ought to put good weather to better use. He said the conceiver was the grocery list his old lady give him on his way out of the house. Bug said he rounded up most of the items before the session started, and prices marked over prices marked over prices told him if he ever was going to put in a spring garden this is the spring.

The fellers listened patient, and Clem Webster even give Bug a "amen, brother" when he got done with his three months late New Year's resolutions. Ed Doolittle took a little shine off the new Bug when he noted the apple tree that blowed over early in the winter still was blocking the front of the shed where Bug keeps his tiller and tools, and Ed was taking all bets that it would be there three months from now. Ed said what Bug actual is going to do this spring is keep right on solving the big problems of the world with the rest of the fellers, and leaving little matters like eating and paying the bills to the old lady.

The feller that runs the store was strong disagreed with Ed. He broke in to say that desperate times call for desperate measures, and that he had to buy the same groceries Bug was complaining about. He said most folks laughed at them farmers in Washington last month, and said they weren't doing nothing but burning gasoline and wearing out tractor tires, but when push comes to shove amongst the links in what the scientists call the food chain he knowed who would be left holding the empty bag. Sales of farm products may be at a all-time high, the store feller went on, but the piece of that action that finds its way in the farmer's pocket is another set of figgers. If they don't grow it, we don't eat it, was his words, and all this talk of forming food coops won't help.

Practical speaking, Ed said, you can't argue the need for the farmer. But the farmer has got to realize that folks on the other end of that food chain are as hard put as he is. We have seen to many cases, Ed declared, where Government supports and regulations hurt instead of help, and pushing up farm prices would just build a fire under red hot inflation. You might as well guarantee the brick mason 50 weeks of outside work over year, and then move into guaranteed income for everybody, was Ed's words.

Actual, Mister Editor, Ed don't know nothing about economics, and he gits that mixed up. He still thinks "austerity" means cutting out and cutting back, and he refuses to look up the word in the Carter Administration's dictionary. Ed has trouble with a austere federal budget designed to spend \$29 billion or \$45 billion more than it takes in. Ed has listened to Bug and Washington talk about gitting organized a long time, and he can't overcome doubts about both of em.

Yours truly,  
Uncle Lew.

### HORS D'OEUVRES

For a new appetizer, try delicate crepettes asparagus: they're miniature crepes spread with the miniature crepes spread with the popular onion soup mix and sour cream combination. Wrap around asparagus spears and you'll be glad you did! Another unique hors d'oeuvre is a splash of unflavored gelatin blended with Roquefort, cream cheese and Worcestershire sauce.

### Forecast for Economic Slowdown

If Michigan's cyclical economy is on schedule, brace yourself for an economic slowdown and a high inflation rate for 1979.

Historically, the auto industry dominated state has had three or four years of high production followed by a year of slowdown, coupled with a high unemployment rate. If that pattern follows its normal course, we're due.

Governor William G. Milliken's recent economic forecast does nothing to dispell this fear. His economic experts predict 1979 will be a year of economic slowdown and a high inflation rate.

To the individual, that means no growth in household spending power, more unemployment, a larger strain on state services and, possibly, for the first time the necessary use of the economic and budget stabilization funds.

Dr. Gerald Miller, director of the state Department of Management and Budget, says he still sees no recession on the immediate horizon, but holds out the possibility of one in 1981.

Miller sees inflation as the key problem facing the state and the nation. He predicted there would be a worsening in 1979—a boost in prices by 8.4 percent for the last

gest increase since the 8.55 percent rate in 1974.

"In 1979, the economy will not have bottomed out. A 1980 recession is still possible. If we run into a recession in fiscal year 1979-80, it will be one of the more difficult years we've faced," Miller said.

For the first time since its inception, the state may have to draw on the resources of the budget stabilization fund. The fund was created to set money aside during good economic years to use during not-so-good years.

Miller said the state might have to tap some money from the fund in the October-December quarter of 1979. Although the unemployment rate is 7.4 percent, he said it could top 8 percent during that quarter.

The stabilization fund law provides for money to be returned to the general fund when and if unemployment hits the 8 percent level.

Milliken said the state can deal with the slowing economy by slowing its rate of spending and increasing government efficiency. He said the Headlee tax limitation amendment and the budget stabilization fund will provide the discipline to help meet those goals.

### Lottery Earnings Increase

One thing that continues to grow in an uncertain economy is the Michigan State Lottery which has topped \$1.28 billion during its first six years of operation.

Michigan's lottery—the most successful in the nation—continues to pump funds into the state's general fund, aiding the state to provide essential services to the people.

Estimates indicate the lottery has saved each taxpayer in the state around \$44 per year as players continue to purchase weekly tickets, instant tickets and the daily numbers game.

During fiscal year 1977-78, Lottery Commissioner Gus Harrison reported record sales of \$326 million of which \$155 million was paid back out in prizes. After subtracting administrative costs, the lottery bureau deposited \$144 million in the general fund during the fiscal year.

During the six-year period of the lottery, it has deposited a total of \$549 million in the general fund while paying out over \$500 million in prizes.

You Read It First in The Standard!

"My company cancelled my retirement plan, but thanks to Great Lakes Federal I'll be able to retire in fifteen years with \$593,036 plus Social Security."

That's right. John Tracy will have \$593,036 when he retires in 15 years. He was able to "Roll over" the \$165,508 that had accumulated in his company plan into a tax deferred IRA retirement plan at Great Lakes Federal Savings. In addition he will put \$1,500 each year in an IRA plan until he retires in 15 years. With current interest of 8% per annum, 8.30% effective annual rate, his deposits will amount to \$45,180 and his \$165,508 will have grown to \$547,856 giving him a total of \$593,036.

You too can open an IRA tax deferred retirement account at Great Lakes Federal if your company should cancel your plan or if your company does not offer a tax deferred plan. You can deposit 15% of your earned income, up to a maximum of \$1,500, each year in your IRA account. You pay no income tax on these deposits until you begin making withdrawals after age 59½. And at this time your income tax rate probably will be considerably less. With the tax break you not only accumulate more, but you reduce your current income tax payments. And your money is insured to \$100,000.

With your account you receive a Retirement Account card which you can use when making deposits to your account and which entitles you to Travelers Checks and Money Orders free of charge. At the end of March, June, September and December you receive a detailed statement which describes each deposit to your account.

YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX

That's right. You can open a 1978 IRA account or add funds to your present IRA account, up to your maximum for 1978 until April 15, 1979.

Federal regulations require a substantial interest penalty for early withdrawals.

# Spring Home Tour Proceeds Will Benefit Cancer Society

On Friday, April 27 the Chelsea Chapter of the American Cancer Society is sponsoring a Spring Home Tour. The tour will include eight local homes ranging from contemporary design to a home built in the 1800's. None of the homes to be presented has ever been shown before. Included are the homes of Mr. and Mrs. William Storey, Mr. and Mrs. Thomas Eisele, Mr. and Mrs. Jack Merkel, Mr. and Mrs. Gerry Giffin, Mr. and Mrs. Jerry Steinhauer, Mr. and Mrs. John Gunn, Mr. and Mrs. Robert Noll, and Mr. and Mrs. Lloyd Bridges. Over the next four weeks, two homes a week will be featured.

Bill and Jean Storey of 216 Jefferson purchased their late 19th

century home from Mabel Fox, a former Chelsea schoolteacher and community leader along with many of Miss Fox's antiques. Jean, a collector, has added many interesting pieces which she refinishes. Examples are the mahogany desk in the den, primitive wash stand and cherry table in the dining room; all are family heirlooms. The Storeys also have many collections, including brass and glass candlesticks, Bing and Ghronahl Christmas plates, lovely old glass, and chine plates.

The kitchen and bathroom have been remodeled but the basic character of the home has not been altered since it was built. The sunny warm kitchen with its large windows is ideal for raising plants and for enjoying the beautiful garden in back.

Upstairs the den, two bedrooms and hallway sitting room host numerous old pieces. A bedspread of Irish wool and a woolen coverlet on the Early American stand are found in the master bedroom. The Storey home will be number one on the tour and the only home where tickets will be available or the day of the tour.

The Thomas Eisele family home at 770 Book St., includes four school-age children. Their lovely wooded property is a perfect setting

for their large French Colonial home built in 1872. From the spacious entry to the four bedrooms upstairs, the entire house reflects the Eiseles' interest in traveling and entertaining.

Joan and Tom have used local talent in decorating, such as the original paintings in the living room, the copper cubes used as tables which were made by Tom and a friend, and the built-in wall in the family room done by Gerry Giffin (whose home is also on the tour). There is also a fine needlepoint done by a family member on an antique chair, a custom made five-foot glass-topped table with glass cube base and examples of the children's art work. The family room includes an oak armoire and shelf from Tom's family. Along with Oriental touches are recent pieces from Greece, Spain, Yugoslavia and Mexico.

Visitors will want to walk out into the screened-in porch off the living room to enjoy the lovely view. Tickets will be sold starting March 30 through the day of the tour at the following locations in Chelsea: Dayspring Gifts, Merkel Home Furnishings and Country Craftique. The William Storey residence at 216 Jefferson will be the only home where tickets may be purchased the day of the tour. The donation is \$5 with all proceeds going to the American Cancer Society. Tour hours are from 1 a.m. to 3 p.m. No children under 12, please.

In conjunction with the tour the United Methodist church 128 Park St., will hold a soup and salad buffet from 11 a.m. to 1 p.m. Tickets are available at the door.

## Piano Students Will Appear in Recital

Students from the piano class of Betty Rasmussen will present a spring recital for their families and friends on Sunday, April 1, 6 p.m., at St. Paul United Church of Christ, Old US-12, Chelsea. Other members of the community will be most welcome.

Participating students include Becky Finch, Chris Johnson, Daniel Klemmer, Jon Lane, Melanie Lee, Rebecca Lee, Tucker Lee, Damon Mark, Duane Robbins, Bethel Snyder, Linda Stillion, Keith Stillion, Valerie Stoker, Carol Stirling, Cindy Stirling, Colleen Stubbs, Marie Sullivan, Alison Thornton, Cinda Thornton, Carol Warren, Marcia Warren, Christine Young, and Michelle Young.

## RUTH CIRCLE

The regular monthly meeting of Ruth Circle, Methodist Women's group, was held in the Crippen Building of the Village Apartments at 1 p.m. on March 21.

Hostesses for refreshments were Mrs. Cora Dolan and Mrs. Mary Lou Haas.

Devotions were given by Mrs. Mary Esther Reed, followed by an inspirational program "Resurrection: The Message of Life," given by Mrs. Lou Love and Mrs. Florence Simmons.

THE LATE 19TH CENTURY white clapboard home of Mr. and Mrs. William Storey is the first home to be featured on the Spring Home Tour, April 27 and the only home where tickets will be sold the day of the tour.

COLLECTIONS of brass and glass candlesticks are arranged on antique furniture in the cozy dining room of the William Storeys.

THE FRENCH COLONIAL DESIGN of the Thomas Eisele home is perfectly situated in a lovely wooded setting which gives great privacy yet the convenience of town living.

THE GRACIOUS LIVING ROOM of Joan and Tom Eisele combines an off-white color scheme with accents in brown. Their home reflects the family's interests in travel, sports and entertaining.

## Jaycee Auxiliary Hears Reports on Various Projects

The March 20 general membership meeting of the Chelsea Jaycee Auxiliary was hosted by Kathy Sprawka of 9735 Joslin Lake Rd. After calling the meeting to order, President Sandy Meyer took Standing Committee Reports. Under On to Activities, it was reported that Spring District would be held in Chelsea April 2. It was decided that election of new officers would be moved to the April 17 meeting.

Standing project chairman for 1979 (Dorothy Bades) reported the program was underway and that 100 seats have been reserved for the program. Kathy Sprawka, Redbal chairman, said that families were being encouraged to practice fire safety in their homes as part of the safety program. Alberta Colby reported that Hugs for Special Olympics has become a standing project and will fill the program's need for manpower at events.

Under old business, the History Update was completed and the internal fund raiser, Crazy Cards, declared a success. Chairman Nan Rowe said collection boxes for the Pet Food Drive, in conjunction with the Washtenaw County Humane Society, had been placed in area grocery stores. A ticket sale to support Muscular Dystrophy Fund, chaired by Arlene Samek, reported a total of 106 had been collected. Bob Wheaton, 643 W. Middle St., was declared the winner of \$53. The other \$53 went to M.S.

Under new business, it was reported that Family Time, a part of the Michigan Jaycee-Jaycette Family Life program, would be offered to the membership and their families. The workshop, designed to help families identify things they can do to make their time together more satisfying, was slated for March 25 at the Meyer residence. Nan Rowe volunteered to help the Jaycees with their upcoming Easter Egg coloring session.

"Finally, Denise Martell was named 'Girl of the Month' for her many hours of work for the group. Meeting ended with the Creed.

## Waldo Steinaways Will Observe 50th Anniversary

Mr. and Mrs. Waldo Steinaway, Sr., will celebrate their 50th wedding anniversary on Saturday, March 31 with an open house for friends and relatives beginning at 1 p.m. and continuing until late evening at the home of Mr. and Mrs. Richard Scripser, 1003 Fahrner Rd.

The occasion is being hosted by their children, Mr. and Mrs. Waldo Steinaway, Jr., Mr. and Mrs. Arthur Steinaway, Mrs. Paul Steinaway, Mr. and Mrs. Richard (Helen) Scripser, Richard Steinaway, and Mr. and Mrs. Fred (Linda) Schock.

The Steinaways lived most of their married life in the Chelsea area until 1971, when they moved to Harrison, where they now reside. The couple requests that no gifts be brought.

## Woman's Club Learns Trends in Home Decorating

Woman's Club of Chelsea met Tuesday evening, March 27 at Merkel's Furniture Store, where Bob Merkel and Craig Thuroff presented the program "New Trends in Spring Decorating."

According to Merkel, natural colors and earth tones are still used, but jewel colors and rapidly gaining popularity. Furniture shapes are tending toward more comfortable and livable shapes, he added, with higher backed chairs and plenty of cushions accentuating the effect.

Merkel and Thuroff displayed samples of new floor and wall coverings and curtain fabric. They also pointed out several pieces of furniture that exemplify the latest trends.

Members and guest Sandy Spade then adjourned to the McKune Memorial Library for a business meeting. Janice and Kathryn Glazier hosted dessert.

Next meeting will be April 10 at the library with Gene Werdehoff presenting the program "Hawaiian Jaunt."

## James Branham's Are Honored on 25th Anniversary

Rodney and Joe Branham had a plan to surprise their parents on their 25th Wedding Anniversary.

The unsuspecting couple, James and Ella Branham, were told they had to drive some things over to the UAW hall on M-52, and, according to son Rodney, "They bit."

Some 130 friends and relatives danced until 1 a.m. last Sunday morning, making their 25th anniversary that Mr. and Mrs. Branham will not soon forget.

## U-M Hospital Plans Renovation Of Old St. Joe's

University Hospital, Ann Arbor, has asked the state to approve renovation of the old St. Joseph Mercy Hospital building for use by support services.

The recently purchased St. Joseph Mercy Hospital property would be used to house temporarily the administrative, financial and related support functions that do not relate to direct patient care. By transferring these offices, University Hospital would use the released space in its facility for patient care services.

The project is estimated to cost \$3,583,877 and would be completed in July 1985.

In keeping with federal regulations requiring State approval prior to change in service and capital expenditure, University Hospital has applied for a Certificate of Need. The application is on file with the Michigan Department of Public Health, division of Health Facility Planning and Construction.

## Food Allergies Discussed for Modern Mothers

Dr. Paula Davey, clinical ecologist, addressed the Modern Mothers at their meeting last Tuesday night. Members and guests gathered at the home of Sharon Hodgson to hear Dr. Davey speak about food allergies and food addiction.

Guests included Janet Alford, Kathy Correll, Pat Coelius, Dee Demick, June Flanagan and Kathy Young.

An Easter egg hunt is planned for April 14 at Carol Flintoft's home.

## Methodist Women Plan Ecumenical White Breakfast

United Methodist Women of the Chelsea First United Methodist church are holding their second annual Ecumenical White Breakfast, Thursday, April 5 at 9 a.m. in the social center.

Guest speaker will be the Rev. Susan Defoe and white grape juice and hot cross buns will be served.

All area women are invited to come together to celebrate the Easter season. Call in reservations to Joanne Weber, 475-2741. A small collection will be taken to cover expenses.

## Personalized Food Spending Plan Available at No Charge

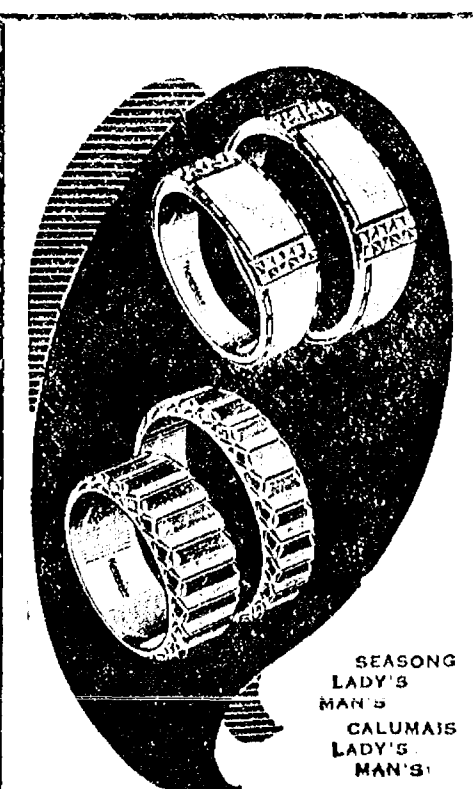

How much does it cost to feed a family of four? Or two? Or six? How much should it cost? Are we spending too much? If these or similar questions cross your mind following a trip to the food market then read on.

This Thursday, Friday and Saturday, March 29, 30, 31, Marion Prince and Helen Fairman, extension home economist, will be at Briarwood Mall running a computer assisted program "Targets For Food Spending."

To get a free personalized food spending plan for your family at two cost levels drop by and describe your family (names, ages, and number of meals eaten away from home) on a computer input form. Select two cost levels (moderate, low-cost or thrifty), and leave the rest to the computer. In minutes you will receive a computer print-out showing: 1) How many \$'s are needed to feed your family at two cost levels, 2) Recommended number of servings of each of the Four Food Groups to purchase weekly, and 3) A dollar breakdown for each food group. Come between 2 and 5:30 p.m. Thursday or Friday, or 11 a.m. and 5:30 p.m. Saturday.

With your computer suggestion you will also receive a daily food guide listing the foods included in each group, the important nutrients they contain and the number of servings recommended for different ages. This guide together

The typical home kitchen can be a noisy environment, warn hearing specialists who point out such a kitchen may contain as many as 20 labor-saving but noise producing appliances. A good rule of thumb is to use no more than two of the noisiest at the same time the specialists add.

## TODAY'S INVESTOR

By Thomas E. O'Hara

Q. I recently obtained a mortgage on a house I purchased. The interest rate is 12 percent. My father said when he started out it was easy to borrow money at 3 to 4 percent. Could you tell me how long ago it was that you could borrow at such low rates?

A. Just about the time your father said it was. If he was a soldier in the Second World War, he was able when he came home to borrow at pretty low rates. In mid-April, 1946, U. S. Treasury 2 1/2's due Sept. 15, 1972-67 traded at 109 1/2 to yield 2 percent according to Wayne Hummer & Company's Bank Bond Comment. A similar bond today yields 8.9 percent. As WH points out, consumer prices have risen by about the same percentage. This great increase in dollars we are handling doesn't seem to be making us more wealthy. Figures show our standard of living has not increased since 1899 and since 1973 has actually down 2 1/2 percent. Inflation has increased prices and the dollars we handle, but it hasn't given us more goods.

Q. I have read in the paper that Investment Clubs on the average earn a higher rate of return than such groups as mutual funds, bank trust departments, Pension Funds, and other groups of large investors. Would you explain why these groups of amateur investors seem to do so much better than these other groups of experienced investors?

A. It is true that Investment Clubs for the past 10 years have earned on the average 10-16 percent compounded annually on their member's investments. That is a very good return and shows they have kept ahead of inflation. It is my opinion that the reason why Investment Clubs have out-performed other groups is the difference in the investment philosophy they follow. Investment Clubs invest regularly, usually each month, and do not hold back their investments trying to guess which way the market is going to move. They reinvest their earnings as they receive them and invest their money in stocks which their studies show are likely to be more valuable companies five years from now.

The other groups of investors that you mentioned have a different philosophy. They try to guess which way the market is going to move and when they think it is going down they save their cash and try to wait and buy near the bottom. When the market is high in their judgment they sell with the hope they can buy back at the bottom of the market.

The theory upon which they operate is perfect but in practice a lot of hitches occur. When a lot of them decide the time has come to buy, their buying drives prices up and only a few get the bottom prices. The opposite works on the high side when they start selling prices come down and few get the top prices.

Also these large investors tend to put their money principally in very large companies. These are very good and very sound companies but most of them do not grow as fast as many smaller companies. Investment Clubs put their money in very sound companies and in many of the same companies the very large investors buy but about 75 percent of their money is invested in smaller, more rapidly growing companies.

For instance, if you look at the stocks most widely held by Investment Clubs, the first 10 are about the same as the gain investors own, but after that you get such companies as Kaneb Services, American Family Corporation, Amcor, and North Central Airlines. These companies have grown rapidly in recent years and their stock prices have kept pace with their growth. There is a list of the 60 companies most widely held by Investment Clubs in the January issue of Better Investing. I'm sending you a copy so you may see the kind of companies that clubs buy and the kind which help earn them a superior return.

Mr. O'Hara welcomes your questions, but will answer them only through this column. Readers who send in questions on a general investment subject or on a corporation with broad investor interest and whose questions are used, will receive a complimentary year's subscription to the investment magazine, Better Investing. We would be pleased to send a complimentary copy of Better Investing Magazine or information about Investment Clubs to any reader requesting it. Send 50 cents for postage and write to: Today's Investor, P. O. Box 220, Royal Oak 48068.

### Tire Slashed on Car Parked at Residence

A tire valued at \$60 mounted on a 1979 Chevrolet was slashed while parked in front of a private residence in the 8000 block of Forest St., Dexter, some time between 9 p.m. Friday, March 23 and 9 a.m. Saturday, March 24, according to the Washtenaw County Sheriff's Department.

A knife was believed to have been the weapon used to destroy the tire, a 14" Ward's glass belt.

## For Tomorrow We Begin Diet

By Loren D. Estleman

Say what you like about winter, it's self-correcting. If lousy weather leads to inactivity and overeating, at least when you go outside you can hide all those extra lumps and bulges under your overcoat. And if, like me, you're on a diet eight months out of each year, the first icy blast from the north means a welcome release from those long, agonizing periods between meals when anything that finds its way to your stomach besides water is reason for towering guilt. What good is a trim waistline if no one gets to see it?

It stands to reason, then, that we who are weight-conscious should view the first robin as a harbinger of tortuous hours to come. Warm weather means shorts and bathing suits and getting out of the house, which means that four month's worth of well-earned blubber must be trimmed between March and May.

It wouldn't be so difficult if there weren't a conspiracy out there to keep us fat. March is also the month that the Dairy Queens and the A&W's and the other seasonal distributors of cholesterol choose to open their doors and dangle their fattening delights before our starving gazes, while bakers turn on their exhaust fans to arrest our noses with those diabolical aromas of glazed sugar and warm dough and liquid lemon and chocolate filling.

For the dieter who has successfully eschewed these agents of the devil, the danger period falls between supper and bedtime, during which, as any real eater knows, the leftovers are being defiled by gremlins that live in the refrigerator, and if we don't eat them now there won't be anything left to make sandwiches to carry to work tomorrow.

If we try to take our minds off such delusions by watching television, we soon learn that Madison Avenue has set aside that very time to air most of its food-oriented commercials, complete with loving close-ups of sizzling cheeseburgers and mountains of ice cream with rivers of chocolate syrup flowing like lava down their slopes. The ads for Weight Watchers are just as bad, as they trot out dishes of roast beef and mashed potatoes, brimming with gravy and corn on the cob slimy with

molting butter—dishes which, they claim, can all be experienced "within limits" on their weight watching program. Trouble is the organization's offices are closed at night and our only recourse is to satisfy the food lust they themselves have engendered in whatever's handy, most certainly without limits.

Of course there's always exercise, which today means jogging, but I don't trust people who run. For all I know they could have just finished robbing a bank and are making their escape ingeniously disguised as Bruce Jenner. And you never see a jogger smile, except on television, so it can't be much fun.

Which leaves not eating. An unnatural pursuit at best, and downright high-handed when you think of those people stranded in the Donner Pass during the last century, who would have given up their hopes of a new life out West in return for that second pork chop you're turning down so sanctimoniously today. Fasting is supposed to purify your mind and clear your system. All it ever did for me was embarrass me in a public place when my stomach started rumbling and everyone ran for the exits, shouting "Earthquake!" What's so bad about being fat? It never put Sidney Greenstreet on the unemployment line.

## questions and answers

Q. I have been collecting social security disability benefits for 9 years. In a few months, I'll be 63. Should I file an application for retirement benefits?

A. No. If you are receiving checks as a disabled worker, your disability benefits will automatically be changed to retirement benefits when you reach 65. If you are getting checks as a disabled worker, disabled widow or widower, you will get instructions when you reach 65 because your rights and responsibilities will be somewhat different than they are now.

Q. My husband and I are going to take our disabled son to a social security office next week to apply for SSI payments. What information records should we take?

A. You should take a record of the child's social security number, if available; a birth certificate or oldest available proof of age; information on dates of treatment or examination for the child's disability or blindness; information about the child's income and assets and the income and assets of you and your husband; and information about the child's living arrangements. But don't delay applying if you don't have all this information. The people at the social security office can help you obtain whatever is needed.

A. There is a special minimum retirement benefit for people who worked under social security at least 20 years. This helps people who had low earnings, but still above a specified level, in their working years. The amount of the special minimum depends on the number of years of coverage. For a worker retiring in 1979 at 65 with 30 or more years of coverage the minimum would be \$230. The special minimum benefit will increase automatically in future years as the cost-of-living rises.

## Advergraphics Expands Staff

Advergraphics, Ltd., of Ann Arbor, whose president and creative director, William A. Latocki, is a 1970 graduate of Dexter High School, has announced the expansion of the staff and facility of the advertising and design studio.

The studio has doubled the size of its operation since the first of the year and is now located on two floors at 1935 Pauline, Ann Arbor, in the Pauline Plaza. This expansion includes extensive additions to the creative and production stage and two new executive offices. The company has also remodeled its lobby and conference area.

New additions to the staff include Ruth A. Lopez, administrative assistant, and Karen Sherman-Nestor, production director and graphic designer. A marketing director, as yet unnamed, will become part of the company in the near future. They join the present staff of Latocki and Jill Gordon, art director and illustrator in forming the executive board.

Latocki stated that the additions and expansion were necessary in order to keep pace with business growth and to serve clients more efficiently.

## G. Bursley Named UN Day Chairman By Gov. Milliken

Gov. William G. Milliken announced Friday that he has appointed former State Senator Gilbert E. Bursley of Ann Arbor, as 1979 United Nations Day Chairman in Michigan, for the 11th consecutive year.

Bursley, president of Cleary College in Ypsilanti, served in the Michigan House of Representatives from 1960-64 and in the Senate through last year. Bursley, a former U. S. diplomat, served four years as chairman of the Senate International Commerce Committee and is on the Board of Directors of the Michigan Partners of the Americas and the Michigan International Council.

"The world-wide observance of UN Day provides a focal point for people of all nations to demonstrate their continuing commitment to the purchase of the United Nations," Milliken said.

"World peace is a goal of individuals and of nations, and the United Nations as an organization has played and will continue to play an important role in the search for peace."

"Former Senator Bursley has extensive experience with people with varying philosophies in many parts of the world. I am sure he will make a significant contribution to Michigan's observance of United Nations Day on Oct. 24," Milliken said.

During the intensive six weeks of training, the airman earned the honor graduate ribbon for academic and military excellence. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Tanner will now receive specialized training in the flight training equipment field at Chanute AFB, Ill.

A 1977 graduate of West Senior High School, Garden City, the airman attended Central Michigan University.

### Andrew Jackson Was Quite A Character

When Andrew Jackson became president, he invited the common folk to his inaugural party. They came in the hundreds, filling the White House with noisy crowds and clumsy horses. Only after the tubs of punch were put outside, were the people induced to leave. The same friendly President was also argumentative and known to duel so frequently that he died with bullets from several duels still lodged in his body. Jackson's secretary bookcase is one of several interesting pieces of furniture owned by famous Americans now on exhibit at Henry Ford Museum, Dearborn.

 Daniel W. Popkey pled guilty to open intoxicants. Fines and costs, \$40.  
 Karl F. Shamel pled guilty to no operator's license on person and an improperly registered vehicle. Fines and costs, \$20.  
 David B. Murphy, Jr., pled guilty to speeding. Fines and costs, \$40.  
 Janis J. Binger pled guilty to speeding. Fines and costs, \$20.  
 Steven K. Wolfe pled guilty to speeding. Fines and costs, \$25.  
 Gregory Owen Balla was found guilty of speeding. Fines and costs, \$60.

## K-C Campaign to Aid Mentally Retarded

The fourth annual fund drive to assist the mentally retarded both locally and state-wide will be conducted Friday through Sunday, April 6-8 by the Chelsea Council of the Knights of Columbus.  
 Last year, the Knights, a Catholic men's fraternal society, collected \$483,933 in the three-day Michigan drive. Locally, more than \$2,000 was collected and donated to St. Louis school and the Chelsea special education class.  
 Next week, Knights and their assistants will be on the streets asking people to donate money to the mentally retarded. Contributors will be given a Tootsie Roll candy in appreciation of the gift.  
 According to drive co-chairman Douglas Nadeau, volunteers are needed to assist at collection stations at Chelsea State Bank, Polly's Market and the Chrysler Proving Grounds and other area plants.  
 Eighty percent of the net income from donations is retained by the local council, with the rest going to state council to meet expenses and make donations in behalf of the 63,500 Knights in Michigan.  
 According to KC State Deputy William J. Walsh of Albion, there are more than 265,000 mentally retarded citizens in Michigan. Contributions from the public in this lessening the handicaps of the retarded, said Walsh, will go toward tarded through training and professional assistance.  
 The Knights and their helpers will be easily recognizable throughout the weekend. Dressed in colorful hats and carrying tootsie roll-shaped canisters, they will wear aprons proclaiming, "K. of C. Help the Mentally Retarded."  
 Anyone able to volunteer time for this fund raiser may call Douglas Nadeau at 475-7151.

## Good Things Growing In Michigan

Good things are growing in Michigan! The largest crop of apples since 1896 was harvested last year, totaling 800 million pounds, a 40 percent increase over 1977, according to the Michigan Department of Agriculture.  
 Our state led the nation in production of Jonathans, Northern Spies, and Ida Reds, a cross developed in 1942 between Jonathan and Wagener varieties.  
 Apples not marketed during fall are kept in cold and controlled atmosphere (CA) storage through winter and spring months to insure consumers have ample supplies until the summer harvest begins.  
 Apples kept in cold storage, with temperatures of 32 to 36 degrees, will maintain freshness for three to six months. About three and a half million bushels of apples are currently being stored in 287 CA rooms around the state.  
 CA storage is currently unique to apples, although testing continues with other fruits and vegetables. This scientific method slows breathing, or aging, processes through the lack of oxygen and places apples in 'hibernation.'

Fruit intended for CA storage is examined by MDA inspectors before rooms are sealed. Oxygen levels of three percent and carbon dioxide levels of two and one-half percent to five percent are then maintained by testing the atmosphere twice each day. Once a CA room is opened, apples are marketed within a month to six weeks, depending on the variety.  
 While it's still good baking weather, try making Apple Brown Betty. Mix 3 cups of small coarse bread crumbs with 1-3 cup melted butter, 1-3 cup brown sugar, 1/2 teaspoon of cinnamon and 1/2 teaspoon salt. Put a layer of this in the bottom of a greased baking dish. Cover with a layer of tart, diced apples. Continue layers until all ingredients are used, finishing with a layer of crumbs. Cover and bake at 375 degrees for one hour. Uncover the last 10 minutes to brown.

### Michael D. Kesling Completes Basic Course At Submarine School

Navy Seaman Michael D. Kesling, son of Dava L. and Pat A. Kesling of 7400 Dexter Town Hall Rd., has completed the Basic Enlisted Course at the Naval Submarine School, Groton, Conn.  
 During the six-week course, he was introduced to the basic theory, construction and operation of nuclear-powered and diesel submarines. In preparation for his first assignment, he studied shipboard organization, damage control, and submarine safety and escape procedures.  
 A 1977 graduate of Dexter High school, he joined the Navy in October 1978.

## Psychology Award

MARY NOAH

The psychology award is given out approximately once a month to a student in the psychology class taught at Chelsea High school by Paul Terpstra. The winner is determined by the pupils in the class, who vote for the person of their choice. He or she must be characterized by high scholastic achievements, considerable class participation and interest, and an enthusiastic attitude toward the subject.  
 The winner of the psychology award this month is Mary Noah, a senior at Chelsea High school. Mary's classmates chose her because of her high grades, behavior in class, and her concern for the subject matter. Mary said that "the class was intriguing" and that she tried to apply the concepts she learned to other subject areas and classes.  
 Mary carries a 10.00 (A) grade point average and ranks about 6th out of 210 students on the scholastic ladder. She is also treasurer for the class of 1979, vice-president of her 4-H club and a member of the National Honor Society.

## Athletic Boosters Ask Continued Help

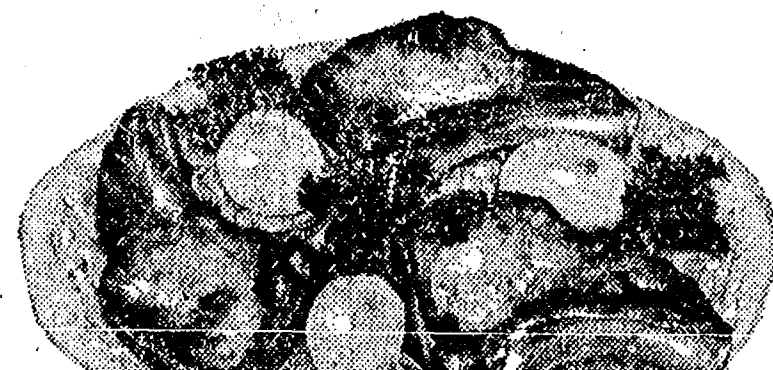

In spite of the recent snow and bitter cold, fall and winter sports have truly come to an end and a fresh new season of spring sports is almost upon us.  
 Officers and chairpersons of the Chelsea Athletic Boosters Club extend their appreciation to all who helped in various ways throughout the past seasons.  
 Much time and effort were devoted to the installation of a new fence around the athletic fields. Many people assisted with tickets and attended doors and gates for football, basketball, volleyball and wrestling.  
 The club sponsored a concession stand for an all-day wrestling tournament and is grateful for the food and time given to the project. Funds from such activities have aided in several purchases for athletic groups.  
 New ideas and new areas of support are always welcomed by the Boosters. Meetings are held the fourth Monday of every month in the faculty area of the Chelsea High school cafeteria at 8 p.m.

## State Steelheaders See Great Season

Steelheaders slunked last fall should have a springtime bonanza with a near-record run of the silvery fish returning to riverbed spawning grounds, according to Automobile Club of Michigan.

"Last fall, steelhead runs were virtually non-existent even on usually productive streams, meaning most fish probably wintered in the Great Lakes," stated Joseph Ratke, Auto Club touring manager.

But this spring's snowmelt and expected rains should send nearly two million fish averaging 10 pounds into rivers listed on Auto Club's guide. This season could rival the 1976 record.

Because of the expected heavy runs across the state, the current state steelhead record of 26 pounds, 8 ounces set in 1975 could be topped.

Fishermen can start the season in southwest Michigan and move north along the Lake Michigan coastline until runs peak, usually in late April.

Lake Huron's tributaries usually offer best steelheading from mid-April to mid-May, while Upper Peninsula anglers can concentrate on streams between mid-April and early June.

Southeast Michigan residents can count on best fishing in the

St. Clair River from now until mid-April.

Auto Club advises anglers to learn regulations applying to rivers listed in its guide, as parts of some are restricted to fly fishing only. Other streams open after April 1 or on April 23, the general trout season opener.

The State Public Health Department has extended its warning that Lake Michigan steelhead may contain hazardous amounts of polychlorinated biphenyls (PCBs). It advises children and nursing mothers not to eat Lake Michigan steelhead. All others should consume no more than one-half-pound per week.

Further information on fishing rules and pollution dangers may be found in the DNR's 1979 Michigan Fishing Guide.

### PREPARING JERKY

Home-made jerky is relatively easy to prepare. Slice flank steak, lengthwise with the grain, into very thin strips and spread onto racks before drying in the oven. Use a low oven temperature and cook until the jerky feels hard and is dry to the touch. Jerky can be easily stored in plastic bags or in jars with tight-fitting covers.

## Many People Missing Out on SS Checks

There could be many people in this area who are missing out on much needed cash income because they don't know about the supplemental security income (SSI) program, a social security spokesman said recently.

SSI, administered by social security, makes monthly cash payments to people in financial need who are 65 or over, or blind, or disabled. It makes no difference how old or young a person is to receive SSI payments because of blindness or disability.

A person does not have to be destitute to receive SSI. An otherwise eligible person can own some property and have some other income and still receive SSI payments. But, there are limits to the amount of income and what can be owned.

A person can have assets, what he or she owns that count, worth up to \$1,500, \$2,250 for a couple, and still be eligible for SSI. Not everything counts. A house the person lives in does not count as an asset, nor does an older car. Personal effects do not count. What does count are items of value — bank or savings accounts, cash, jewelry, other real estate,

antiques, large insurance policies (over \$1,500), and similar items.

Not all income counts. Generally, the first \$20 of unearned income in a month does not count. Above that, though, the SSI payment is reduced dollar for dollar. The first \$35 a month of earned income does not count. Above that, the SSI payment is reduced \$1 for each \$2 of earnings.

Living arrangements also can affect the amount of payment. A person living in someone else's household generally receives a reduced payment.

The maximum Federal SSI payment is \$189.40 a month for an individual and \$231.10 a month for a couple.

A person's income and assets count in deciding if a child under 18, 21 if a student, is eligible for SSI.

Anyone who knows of someone who might be eligible for SSI can help by suggesting that he or she check with any social security office. The people there will be glad to provide more detailed information about SSI and to answer questions.

The address and telephone number of the nearest social security office can be found in the telephone directory.

## questions and answers

**Q.** When I retired last year, I arranged to have my social security checks deposited directly into my bank account. I'm going to move in a couple of months. I've already notified the bank. Should I notify social security too?

**A.** Yes, you should, so that you will get any correspondence social security sends you. It's also a good idea to notify the post office and ask them to forward your

mail. That way, you'll be assured of receiving all your mail.

**Q.** Two years ago, I was severely injured in an auto accident and haven't worked since. Even though my condition hasn't improved, I've been thinking of trying to get some kind of job because I need the money. If I do go to work, will my disability benefits stop right away?

**A.** No. But if you take a job you should notify social security. People who return to work before there has been any significant medical improvement in their con-

ditions can be eligible for a trial work period to test the ability to work. During this 9 month period, they may work and still get disability checks. If you show you can work after this trial work period, you will be paid benefits for an adjustment period of 3 months. Of course, if your attempt to work is unsuccessful, and are still severely disabled, benefits will continue.

# Farmers Begin Their Million Dollar Gamble

A multi-million dollar gamble is again about to start in Michigan and is already starting in other parts of the country. The gamble will take place on the fertile soil of the state's farmland. The gamblers are our Michigan farmers who will soon take to their fields in their annual gamble with Mother Nature to produce a bountiful harvest. Then, they take the chance that prices will be high enough so that, at year's end, they will end up with a profit instead of a loss.

Earl Dolezky, chairman of the Washtenaw County Agricultural Service Office, feels that farmers should consider participating in the 1979 Set-Aside Program to improve their chances of ending up in the black instead of the red when they close their account books next year.

Farming is a big gamble, because farmers will stake everything they own—and most of the things for which they are still paying—on a process of nature that seems relatively simple on the surface: the growing and harvesting of a crop. It seems simple enough; however, the farmer stakes everything on the most unpredictable thing known to man—the weather.

Participation in the 1979 Set-Aside Program can take some of the gamble out of farming or minimize the risk of loss. Dolezky emphasizes that strong participation is necessary to begin balancing supply with demand, so that the market will pay a profitable price. Producers need to participate to reduce the ending stocks of grain and strengthen the market.

This may be accomplished by farmer participation in the 1979 Set-Aside and Acreage Diversion Program. Last year, farmers nationally agreed to set aside and divert from production more than 22 million acres. In Michigan more than 3½ million acres were actually set aside. Hopefully, this was responsible for the increase in farm prices, despite record grain production last year. About 24,000 Michigan farmers complied with the program requirements in 1978, said Dolezky.

For 1979 the primary advantage for the farmer who enrolls is the target or price guarantee on his wheat and feed grains. The 1979 target price for wheat is \$3.40 a bushel, which is the same as last year; corn is \$2.20, up 10 cents a bushel; grain sorghum is \$2.30, up

2 cents; and barley is \$2.40, up 15 cents from last year. In addition, Dolezky said, producers are assured of price support loans on all eligible crops they produce and, in case of crop failures, they may qualify for low yield payments.

A farmer planting wheat and/or feed grains must set aside some acreage or, in other words, keep some land out of production in 1979 to qualify for program benefits. For wheat and barley, a producer must set aside acreage equal to 20 percent of the acreage he plants; for corn and grain sorghum, he must set aside acreage equal to 10 percent of the acreage planted.

Producers have the option in 1979 as they had in 1978, to voluntarily divert additional land for a diversion payment, but only for corn and grain sorghum. No provision has been made for diversion payments for wheat and barley.

To qualify, producers will be required to divert land equal to an additional 10 percent of acreage intended for 1979 corn and grain sorghum. This option applies to one of both crops.

Payment rate for the additional land diverted from production is \$1 per bushel for both corn and grain sorghum. These rates are applied to the established farm yield times the additional acreage diverted. This payment is made on the additional acreage diverted. There is no payment on the initial 10 percent set aside.

In 1973, producers exercising the option to divert additional acreage were limited to the acreage of feed grains they had in 1977. There is no restriction limiting 1979 corn or grain sorghum acreage to 1978 plantings. Any corn or grain sorghum producer, meeting his minimum set-aside requirements, may divert additional acreage for payment.

Applications are now being accepted at the Washtenaw County ASCS office at a good rate, and will be accepted through April 30. The program is strictly voluntary, and there are no penalties assessed against producers who may, for one reason or another wish to withdraw from the program at a later date.

## ABLE AND BAKER

Able and Baker were two female monkeys shot into space in separate containers in the nose cone of a Jupiter rocket fired by the United States in 1959.

# AGRICULTURE IN ACTION

## Letuce Strike Affects You...

The California lettuce strike could be over by the time you read this, but it is still an issue that concerns all of us regardless of whether it's settled or not.

Strangely enough, despite all the violence that's occurred during the strike, there's been little national news media exposure. For example, back in February, upwards of a thousand United Farm Worker supporters invaded the lettuce fields. Keep in mind that these growers are private fields and they were trespassing.

They went through the property of growers who had striking and non-striking employees alike, and terrorized workers on the job. Their rampage brought out sheriff's deputies from four counties, left two policemen injured, and a shambles of battered cars and trucks. Yet, in all of this, the leader of the United Farm Workers Union, Cesar Chavez, goes about talking of non-violence.

There are those who have sympathy for the farm workers because they believe them to be poor, downtrodden migrants. This is simply not so. The lettuce workers in California are local residents who are already making from \$9 to \$12 an hour when you count the basic wage and bonus piece rate. Chavez's new wage demands range from 32 to 90 percent above that.

The national news media have missed the point about the violence and the wages, and they have also missed a third issue—votes turning down Chavez's union. There were three votes just prior to the lettuce strike when disenfranchised workers voted the UFW out.

In spite of the "non-news" coming out of the lettuce fields, there are church and other groups still singing the praises of Chavez and his "non-violent" ways. Chances are, with the help of some of the church groups, perhaps even your own, you'll be hearing more about Cesar Chavez and his union in other states as well.

In the meantime, violence continues and lettuce lies in the field to rot in California.

# Stars Brighten April Michigan Activities

The stars at night, are big and bright... in the sky and on stage, during April in Michigan. The month also offers some "crafty" things to do flavored with the sweetness of spring, according to the Michigan Calendar of Events. In the realm of celestial offerings, Besser Planetarium, Alpena presents "Cosmic Visions" skyshow, April 1-8 and "Spring Star Talk," April 15-May 27; Longway Planetarium, Flint stages "The Rites of Spring" skyshow, April 1-4.

When you say Sarah Vaughn and Count Basie, you've said it all when it comes to rhythm and blues, jazz and contemporary musical perfection. The dynamic duo comes to the Music Hall, Detroit, April 3-8. The harmonizing, vocalizing of The Lettermen is scheduled for Miller Auditorium, Western Michigan University, Kalamazoo and the delightful wit and pianism of Victor Borge will charm the audience of MSU's Auditorium, East Lansing, April 4.

Some things never go out of style and the music of the Glen Miller Orchestra is among them, in concert April 17, Arts Academy, Interlochen. The Civic Center, Lansing, welcomes Johnny Cash, April 22, and Cleo Laine and John Dankworth take full command of the stage at the Music Hall, Detroit, April 24-29.

Along with the sweet sounds go the sweet flavors of maple syrup and maple sugar candy. Indulge yourself in the springtime treat at the Maple Syrup Festival, Shepherd, April 27-29 and at Vermorville, April 28-29. Shepherd has a wide variety of activities planned for the whole family to enjoy as well as the traditional pancake and sausage dinners.

Busy fingers and fancy doers will display the fruits of their creative talents at the Arts and Crafts Show, April 19-21, St. Charles; Arts and Crafts Exhibit, Meridian Mall, Okemos, April 19-22; and the Ceramic Show, IMA Auditorium, Flint, April 20-22.

Antiquers, collectors and browsers will find tempting treasures from the past at the Art and Antique Auction, Cranbrook Art Museum, Bloomfield Hills, April 18-22; the Antique Show, Artillery Armory, Oak Park, April 20-22; Antiques Market, Farm Council Grounds, Ann Arbor, April 22; and the Antiques and Collectables Show, Civic Center, Lansing, April 28-29.

Probably Michigan's oldest festival and certainly the loveliest, is "Blossomtime," April 29-May 5, Benton Harbor-St. Joseph. The event is reputed to be one of the largest of its kind in the country and the Grand Floral Parade, with its spectacular, blossom decked floats, has often been likened to the Rose Parade. A rather unique aspect of "Blossomtime" are the

blossom trails through the orchards that visitors can follow and enjoy the fragrance and beauty of spring in bloom.

Another Michigan event, traditional with the coming of spring, is the National Trout Festival, Kalamazoo, April 27-29. In addition to the prize "catch" competition, there will be parades, dances, carnival fun and other entertaining events.

Two outstanding and extremely interesting exhibits open this month at the Institute of Arts, Detroit. "Poster Art in Poland, 1899-1978" will include 180 works selected from the world's first poster museum near Warsaw. The exhibit opens April 14 and continues through May 5. "Noguchi's Imaginary Landscapes" combines numerous examples of the Japanese-American sculptor's beautiful, simple designs with models, plans and photographs of his internationally famous projects, April 19-June 17.

April's program for Michigan theatre goers includes several all-time favorites like: "Hello Dolly," April 1, 4-7, Pilt and Balcony, Saginaw; "My Fair Lady," April 4-7 and 11-14, Kalamazoo Center, Kalamazoo; Oklahoma, Partington Center, Lansing, April 6-7; and A Chorus Line, April 11-30, Fisher Theatre, Detroit.

April is the month to get out and enjoy the "spring" of Michigan. To make sure you don't miss any of the fun, write for a free copy of the Michigan Calendar of Travel Events available from the Travel Bureau, Michigan Department of Commerce, Box 30226, Lansing 48909.

## Melvin M. Robinson Returns from Exercise In Mediterranean Sea

Navy Hull Maintenance Technician Third Class Melvin M. Robinson, son of Bobby J. and Norma M. Castle of 284 Rush Lake Rd., Pinckney, recently returned from a deployment in the Mediterranean Sea.

He is serving as a crewmember aboard the salvage and rescue ship USS Edenton, homeported in Norfolk, Va.

During the cruise, his ship participated in several training operations, including mine recovery exercises. Additionally, he and his shipmates participated in the aid of a ship on fire at sea and target towing and joint salvage operations with the Italian and Turkish navies. He and his shipmates had the opportunity to visit Bermuda, Spain, Italy and Turkey.

The Edenton displaces 3,117 tons fully loaded and carries a crew of 102 officers and enlisted men. Robinson joined the Navy in October 1975.

## Gregory Area Man Finishes Navy Aviation Indoctrination Course

Navy Ensign Robert L. Hihman, son of Paul E. and Suzanne D. Hihman of 13484 North Territorial Rd., Gregory, was graduated from the Navy's Aviation Indoctrination Course (AIC).

During the four-week course at the Naval Air Station, Pensacola, Fla., trainees studied basic aerodynamics, aviation physiology and engineering. They also studied land and sea survival techniques and participated in an extensive physical fitness curriculum.

AIC is the first step in the Naval flight training program leading to designation as a naval aviator. A 1978 graduate of Northwestern University, Evanston, Ill., with a Bachelor of Arts degree, he joined the Navy in June 1978.

## Philadelphia Man Was First To Hold More Than One Patent

Sam Mulliken of Philadelphia became the first person to hold more than one patent when he was issued four patents simultaneously on March 11, 1791. Mulliken's inventions included a thresher, hemp machine, marble polisher, and a cloth napper. As prodigious as he was in inventions, Mulliken could not match the more than 1,000 patents held by Thomas Edison, which include the phonograph and a century old this year—light bulb. Greenfield Village, Dearborn, celebrates Edison's centennial of light along with its own 50th anniversary at the same Menlo Park, N. J., laboratory where Edison did his famed work. Other Edison-related buildings in the Village include his West Orange, N. J., laboratory, his grandfather's Ontario, Canada, homestead and the Smith's Creek Station in Michigan where he was ejected as a child.

# ASK THE GOVERNOR

by William C. Millman

**Question:** I am planning a unit on consumerism for my students. Where can I go for information on this subject?

**Governor:** The Michigan Consumers Council, 414 Hollister Building, Lansing 48933, coordinates information on the subject. The council publishes a series of pamphlets which may be helpful to you and your students.

Some of these pamphlets include: "How To Complain," a guide on how to do it effectively; "How To Sue Someone in Small Claims Court," a guide to the court system; "Michigan Consumer Protection Act," a guide to the law which prohibits unfair and deceptive trade practices; "What to do When You Can't Pay Your Bills," a guide on how to cope with debt, and "You Can Stand Up to Unfair Business!" a guide on dealing with door-to-door salesmen and contracts.

All these pamphlets are free and some are available in Spanish as well as English.

**Question:** When I retired, I lost the health insurance coverage I had through my employer. Besides Blue Cross and Blue Shield, are there any companies that will sell me a policy to help pay for some of the costs not covered by Medicare? I have had a difficult time getting coverage.

**Governor:** On April 1, a new law will take effect in Michigan, requiring commercial insurance companies to offer elderly people Medicare supplemental policies comparable to those available through

Blue Cross and Blue Shield. There are more than 500 insurance companies that sell individual or group hospital, medical or surgical insurance coverage in Michigan. The new law requires those companies to offer coverage to any person who is eligible for the federal Medicare program.

The policy must at least cover the deductible and co-insurance requirements of Part A and Part B of the federal Medicare program.

**Question:** I keep hearing about Michigan's international trade missions. Do they really pay off?

**Governor:** International trade is one of our state's economic stories. Today, Michigan is the second largest exporting state in the nation, after California. Our annual export volume is nearly \$4 billion. Currently, more than 80 foreign companies have plants and offices in our state.

Michigan has been a leader among the states in establishing foreign trade offices. We operate offices in Brussels and Tokyo. In addition, the Michigan Department of Commerce organizes trade missions to other nations on a regular basis. For instance, the director of the Office of Economic Expansion recently returned from trade missions to Australia and Taiwan.

If you would like more information on Michigan's participation in international trade, call the International Division of the State Department of Commerce at 517-373-6390.

## Cub Scouts Celebrate Arrival of Spring With Kite-Flying Contest

Along with robins and budding trees, kites are traditional heralds of spring. This week, Cub Scout Den 11 will welcome in the season with a kite-flying contest at North school.

Under the supervision of their Den Mother, Sandy Thurkow, the boys have devoted their last three meetings to designing and constructing their own kites. Building the toys not only brought pleasure, but also helped the scouts toward fulfilling requirements for a merit badge.

Their handwork may be admired at 6 p.m. March 29, as the scouts launch their creations into the breeze.

Flying kites decorated with fluorescent paint, rock stars, and plenty of imagination will be Dale Cole, Tim Evisizer, David Fritas, Ted Lewis, Todd Rowe, Todd Thurkow, and Jason Wolf.

## FFA Slave Auction Set For Monday

Have you ever wanted to own a slave?

Future Farmers of America can make your dream come true Monday, April 2, 7:30 p.m. at the Chelsea High school cafeteria.

Chelsea FFA Chapter will be auctioning off members to be a slave-for-a-day to the highest bidder. Purchase of a slave entitles the owner to one eight-hour day of work anytime within one year from the date of purchase. Proceeds go to the FFA.

Assistant Principal Sam Vogel urges the public to come out and buy a slave. The auction has been very successful in the past raising from \$500 to \$300.

## Dance Marathon Starts Friday At Chelsea High

## Real Estate

By PAUL FRISINGER

REALTOR

### ETHICS IN ADVERTISING

When you conduct a real estate transaction with a Realtor (a member of the National Association of Realtors) you can be assured that you will be in good hands. The Realtor subscribes to a strict code of ethics in all areas of real estate functions. There's no way we could touch on all of them in this space — but I would like to mention just a few in the area of advertising.

unless the salesman's connection with the Realtor is obvious in the advertisement. A Realtor does not submit or advertise property without authority and in any offering, the price quoted will not be other than that agreed upon with the owner as the offering price.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea, Phone: 475-8688; evenings names or telephone numbers, 475-2621. We're here to help!

## Emergency Funds Provided for CATS

Chelsea United Way is donating a check for \$1,000 to the Chelsea Area Transportation Service (CATS), as emergency funding. Inflation has pushed CATS' cost of operation beyond its budget and \$1,000 in assistance has been urgently needed.

CATS provides free bus transportation for handicapped persons and senior citizens and has been operating on a budget of about \$12,000 per year. It has received funds from the Village of Chelsea, Sylvan township, the Methodist Home, Kiwanis Club, Chelsea United

Way and other local organizations, and these funds are matched dollar for dollar by the State of Michigan. According to CATS treasurer Dale Schumann, more assistance is needed on a continuing basis.

A request has been made by CATS to become a member agency of Chelsea United Way so it can depend on an annual share of United Way Funds. Schumann, who is also an officer of Chelsea United Way, states that the CATS application is now under review and has strong support from the leadership of the fund-raising agency.

## Special Olympians Meet In Volleyball Tourney

Two Chelsea teams traveled to High Point to take part in the Area 20 Special Olympic Volley

ball Tournament Thursday, March 22.

Playing in the first division were Chelsea High, Dexter High, High Point, and St. Louis team II. Chelsea was defeated by Dexter, 15-10 and 17-15. High Point defeated St. Louis, 11-15, 15-12, and 15-11. Dexter then played High Point for the trophy.

High Point, coached by Doug Cooper, took the trophy, defeating Dexter 15-12 and 15-11. Dexter, coached by Cindy Marks, took second place and St. Louis, third.

Playing for Chelsea were Ryan Sweeny, Mike Foster, Kim Foss, Lori Brown, Chris Williams, and Glenn Passow.

In Division II, Chelsea Middle school, coached by Lynn Zander, played St. Louis team II, another junior team composed of students 15 years old and under.

Chelsea Middle school lost, 15-0, to the St. Louis team coached by the Rev. Fr. Salvatore. Chelsea later defeated St. Louis team III, 16-14.

Playing for Chelsea were Cathy Weber, Dawn Stancato, Nancy Lawrence, John Heim, Sally Moore, Peter Worden, Theresa Carlson, and Jill Carter.

Playing for St. Louis were Leonard Warner, David Carr, Mark Berryman, John Wilson, Jim Doros, and David Cerconi.

In Division III, St. Louis team III took first place while Hillcrest Center and High Point II tied for second.

Playing for St. Louis were Julian Early, Donald Ellery, Everett Terrell, Mark Stitt, Pat Wiley, Ray Smith, and Tim Burke. Ref.

**HOSPITAL ADDITION:** A lone shovel awaits the beginning of construction on an addition to Chelsea Community Hospital. Scheduled for dedication in July 1980, the new structure will house expanded out-patient facilities. Included in the plans are

therapy rooms, a new main entrance and registration area, office space and a pulmonary unit. Funds for the nearly \$1.7 million project are coming from the Farmer's Home Administration, a division of the Department of Agriculture.

## Construction Started on Hospital Addition

After nearly a five-month wait for the winter weather to pass, construction has begun on an addition to Chelsea Community Hospital.

The two-level structure, first announced in May 1978, is designed to expand out-patient facilities. The first floor will house a new main entrance to the hospital and a patient registration area. Main

ly, however, it will allow space for recreational, physical, occupational and speech therapy facilities.

A pulmonary unit, EKG facility and office space are slated for the lower level. Kitchen and dining room operations have also been expanded.

The 37,000 square foot building is the result of a Certificate of

Need, issued by the Michigan Department of Public Health in 1978, thus authorizing the construction.

This paved the way for a \$1.3 million building project, financed by the Farmers' Home Administration, a division of the Department of Agriculture.

Bids were accepted in the fall of 1978, and the contract awarded to North Construction Co. of Jackson.

Inflation has pushed the original \$1.3 million figure close to \$1.7 million. Barring any difficulties, the new structure will be ready for dedication on or near July 1, 1980.

## Cards of Thanks

CARD OF THANKS  
The family of Paul Hoffman wishes to thank all of our kind friends and neighbors for their many kind expressions of sympathy and condolence, floral offerings, food, cards and letters during our recent loss of our husband and father.

Mrs. Paul Hoffman and son David.

THANK YOU  
Our sincere thanks and gratitude to all our friends, neighbors and relatives for your acts of love and kindness during my recent accident. Your prayers mean so much to us and God has moved in a miraculous way in healing. We praise His holy name. A special thanks to our parents, my sisters and Ginny Novess for helping care for the boys. Also a special thanks to Marge Thompson for giving of her time and love in helping to change the dressing. God bless you all even as He has blessed us. James 5:15.

Ernie and Vickie, Mike, Steve and Danny.

## GIRL SCOUTS

TROOP 689—  
Last week Troop 689 worked on patch work. Then we walked up town to Dancer's to take down our window display.  
Jenny Cattell, scribe.

TROOP 169—  
On Tuesday Brownie Troop 169 made decorated pictures with curled paper. Borders were made with popsicle sticks. They remind us of spring.  
Laura Comeau, scribe.

TROOP 84—  
We made our own treats Monday from all natural foods. We copied down the recipe to take home. Bree Michelsen brought the treat. We talked about our other projects we will be doing.  
Kimberly Easton, scribe.

TROOP 82—  
Girl Scout Troop 82 has been busy.  
March 6—Our troop made place-mats for the Father-Daughter Banquet.  
March 11—Our banquet was very nice. We had a chicken dinner and we danced.  
March 13—We saw three very interesting movies about Italy.  
March 20—Paola Brown came to our meeting and she told us what it was like growing up in Italy.  
March 27—We made invitations for our troop's Mother's Tea.  
Kerri Henderson, scribe.

**NOTICE**  
Default having been made in the conditions of a certain second mortgage made by ROBERT FREDERICK, an unmarried man, a/k/a FRED R. FREDERICK, as mortgagor, to DUNBAR DAVIS and MARTHA DAVIS, husband and wife, as mortgagees, dated January 23, 1978, and recorded on May 15, 1978, in Liber 1649 of Washtenaw County Register of Deeds Records, on pages 783 through 784, on which mortgage there is claimed to be due and unpaid at the date of this Notice, including principal and interest, the sum of Five Thousand Three Hundred Ninety-Six and 49/100 (\$5,397.49) Dollars; and no suit or proceeding at law or in equity having been instituted to recover the debt or any part of the debt secured by said mortgage, and the power of sale in said second mortgage contained having become operative by reason of such default:

NOTICE IS HEREBY GIVEN, that on Thursday, the 3rd day of May, 1979, at 10:00 in the forenoon, at the southern entrance of the County Building in the City of Ann Arbor, Washtenaw County, Michigan, that being the building where the Circuit Court for the County of Washtenaw is held, there will be offered for sale and sold to the highest bidder at public auction for the purpose of satisfying the amount due and unpaid upon said second mortgage, together with the legal costs and charges of sale, including an attorney fee allowed by law, the land and premises situated in the Township of Salem, County of Washtenaw, State of Michigan, described as follows:

A parcel of land being a part of the N.E. 1/4 of the S.E. 1/4 of Section 16, T. 1 N., R. 7 E., Salem Township, Washtenaw County, Michigan, more particularly described as:

Beginning at a point on the East line of said Section 16, said point being N. 1 degree 20' W. 158.03 ft. from the S.E. corner of said Section 16; thence S. 88 degrees 48' 30" W. 580.80 ft. to a point; thence N. 1 degree 20' W. 150.00 feet to a point; thence N. 88 degrees 48' 30" E. 580.80 ft. to a point on the East line of said Section (centerline of Curtis Road, 88 ft. wd.); thence S. 1 degree 20' E. along the centerline of said Road, 150.00 ft. to the point of beginning, containing 2.0 acres of land. Subject to the right of the public over and across the East 33.0 ft. of the parcel as above described, said East 33.0 ft. being the West 1/2 of Curtis Road (66 ft. wd.).

During the six (6) months immediately following this sale, the property may be redeemed.

**Basic First Aid Seminar Slated at WCC Ypsi Center**

A basic first aid seminar will be conducted at no charge for interested members of the community by Washtenaw Community College on Thursday, April 5 from 1:30 to 3:30 p.m.

Conducted by Jane Jacobs of the Washtenaw County Health Department, the seminar will stress "what you should do when you first see an accident victim," explains Jacobs. She will include a discussion of basic first aid priorities such as mouth-to-mouth resuscitation, controlled bleeding, what to do in case of poisoning and first, second and third degree burns.

The free class will be offered at the Ypsilanti Center of the College at 411 Forence. Advanced registration are requested by phoning WCC staff at 482-2230.

**Special Olympians**

(Continued from page nine)

ereeing was done by Cheryl Hedding of Chelsea High.

The next event for the Special Olympians in Washtenaw county is a gymnastics clinic on March 30 at High Point which is being conducted by Eastern Michigan University's gymnastics team. Following that will be the county swim meet April 5 at High Point.

PAUL P. KECK

**Gregory Area Youth Completes Air Force Basic Training Course**

Airman Paul P. Keck, son of Mr. and Mrs. David W. Keck of 15610 Arnold, Gregory, was assigned to McChord AFB, Wash., for duty in the U. S. Air Force aircraft equipment maintenance field.

The airman, who recently completed basic training at Lackland AFB, Tex., studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Keck is a 1976 graduate of Milford High school.

## Charboneau-McDonald Vows Exchanged in Jackson Church

Shirley Olive Charboneau of Jackson, daughter of Mr. and Mrs. Edmond Kent of 20735 Delaware St., Southfield, wed Paul LaVerne McDonald, of 133 Orchard St., Chelsea, son of the late Mr. and Mrs. George McDonald, in a candlelight ceremony Friday, March 16, at Grace Church of the Nazarene, Jackson. The bride was given away by her son, Tim.

For her wedding the bride wore an A-line style yellow chiffon gown trimmed in lace with a rose motif. The gown was designed by Martha Miller of Chelsea. The bride designed a matching hat and mantilla veil done in pale yellow and trimmed in lace with a rose motif. She carried a spring bouquet of carnations and daffodils. Matron of honor was Shirley Stutz of Jackson. She wore a knee-length turquoise chiffon dress. She carried a spring bouquet of carnations.

Serving as bridesmaid was the bride's daughter, Dawn Charboneau of Jackson. She appeared in a pale blue knee-length chiffon dress also carrying a spring bouquet.

Kathleen Stutz, daughter of the matron of honor, served as flower girl. She wore a floor-length beige chiffon gown and carried a pedestal candle holder decorated with yellow carnations around the candle. The candle was lit by the bride and bridegroom to begin the ceremony. The wedding party also participated in the ritual by carrying candles and placing them in a candlebra. Kathy McDonald lit them as they walked in.

The bride's mother wore a V-necked floor-length green chiffon gown. The bridegroom's sister, LaMoyné Loughry, of Ann Arbor, wore a floor-length pink chiffon gown.

Immediately following the wedding a reception was held at the bride's home in Jackson. 50 guests attended the celebration. Wilma Winans of Chelsea, who is a close friend of the bride's, did all the photography.

Following the reception, the newlyweds left for a week-end at the Irish Hills. The couple will reside in Jackson.

The bride attended Clarenceville High school in Livonia and is presently a cook at Chelsea Methodist Retirement Home. Her husband is a graduate of Dexter High school and served in the Navy for seven years. He is presently employed by Chelsea Milling Co.

## Pinckney Area Girl Completes Marine Basic School Course

Marine Second Lieutenant Linda L. Harvey, daughter of Howard L. and Dorothy S. Harvey of 3550 Windwheel Point, Pinckney, has been graduated from The Basic School.

The Marine Corps Development and Education Command in Quantico, Va. It is designed to prepare newly-commissioned officers for assignment to the Fleet Marine Force and emphasizes the duties and responsibilities of a rifle platoon commander.

The training included instruction on land navigation, marksmanship, tactics, military law, personnel administration, Marine Corps history and traditions, communications and the techniques of military instruction. During the 26-week course, leadership by example and teamwork were stressed and the students participated in a demanding physical conditioning program.

A 1977 graduate of Smith College, Northampton, Mass., with a Bachelor of Arts degree, she joined the Marine Corps in June 1978.

## Jerry Bridges Studying in Europe

Jerry Bridges a sophomore from Chelsea, son of Mr. and Mrs. Lloyd Bridges, is among 15 Northwood Institute students spending spring term in Europe.

Previously, Northwood terms abroad have focused on one country but for the first time, a five-stop, three-country program has been arranged—Paris, Rome, Athens, Florence, and Vicenza.

The unique construction of Northwood's Term-in-Europe (TIE), allows the student to view Europe from the perspective of Paris, Rome, Athens and Florence, followed by four weeks of very intensive study at the Villa Cordellina in Vicenza.

The stay in Paris, will include visits to sights of the city and Haut Etudes Commercial—the outstanding French graduate school of business. While there, a special seminar on international business by Professor A. VanBockstael is planned.

While visiting the sights of Rome, the group will also have an in-depth study of Al Italia and international transportation.

The trip to Athens includes special excursions to Islands of Hydra, Hegyna, Poros and to Mycenae and Delphi. A special reception is also planned for the Northwood group by international businessmen and a seminar presentation and discussion regarding international management problems in

developing economies. Florence will include not only a visit to all the sights but a special seminar on management presented by Olivetti.

By rail to Vicenza and the Villa Cordellina, the group will have a four-week intensive study program. Instruction in International Management and International Labor Relations will be conducted by Brenda Osis, a professor of business administration in Athens, Greece. Sources of Western Civilization will be taught by Mr. and Mrs. William Davenport. Davenport, who resides in South France, is the director of Northwood Europe and is also the arranger and counselor during the term.

## The Bible-The Light from Heaven

Teaches the man in Christ Jesus is in his body. This is self-evident. The man who is in his body is in his church. This is true because the body and the church are identical. (Ephesians 1:22, 23; Colossians 1:18). IN CHRIST JESUS—We are the sons of God. "Ye are all sons of God by faith in Christ Jesus." We are adorned with righteousness: "For as many of you as were baptized into Christ did put on Christ." The putting on Jesus Christ man is made a "new creature." (2 Corinthians 5:17). He is cleansed by the blood of Christ. (Romans 6:4). There are no distinctions: There can be neither Jew nor Greek, there can be neither bond nor free, there can be neither male nor female." We are a united people: "For ye are all one in Christ Jesus." We are a hopeful people: "And if ye be Christ's, then are ye Abraham's seed, heirs according to the promise." (Galatians 3:26-29). God made a promise to Abraham that in his seed all families of the earth would be blessed. Christ is that promised seed; (Galatians 3:16).

## St. Joseph Mercy Hospital Seeks Project Approval

St. Joseph Mercy Hospital, Ann Arbor, has asked the State to approve two projects.

One is for the construction of a two-story addition adjacent to the hospital to be used for central supply, purchasing, engineering and housekeeping facilities. It would be completed in July 1980 at an estimated cost of \$4,425,000.

The second request is for refinancing St. Joseph Mercy Hospital's Professional Office Building, 5305 E. Huron River Dr. The facility is physically connected to the hospital, and houses offices of physicians and health-related businesses.

If approved, the hospital would purchase the Professional Building. The hospital leases the Professional Building and sub-leases space to its tenants. By purchasing the building, the hospital would save approximately \$759,000 on a present value basis.

The transaction would be completed in November at an estimated cost of \$4,245,000.

In keeping with federal regulations requiring State approval prior to capital expenditure, change of ownership and construction of St. Joseph Mercy Hospital has applied for a Certificate of Need. The application is on file with the Michigan Department of Public Health, division of Health Facility Planning and Construction.

## Disability & Employment

**Seminar Slated April 7**  
**On WCC Campus**

As part of a continuing series of special programs for the handicapped, Washtenaw Community College and the Ann Arbor Center for Independent Living will offer a one-day seminar on employment Saturday, April 7 from 1 to 4 p.m.

The seminar, offered at no charge to participants, will be given in Room 1905 of the College's Student Center Building at 4800 E. Huron River Dr. It is designed as a forum not only for those with a particular handicap but also for those with an interest in broadening their knowledge about human differences by discussing feelings, attitudes, experiences and perceptions of the handicapped.

The program is partially funded by the Ann Arbor Chapter of Civitan which awarded the College a grant for the purpose of defraying the expenses of transportation for the handicapped to the seminar.

Any prospective participants in need of transportation should call 971-0277.

Other questions regarding the seminar should be directed to College staff at 482-2230.

The AFL-CIO's Laborers' International Union of North America, the Plasterers' and Cement Masons' Union, and the National Joint Painting, Decorating, Drywall Apprenticeship and Training Committee received 1-year renewal contracts totaling \$2,801,878 from the Department of Labor to train 2,270 minority group members, veterans, women, and economically disadvantaged persons.

reasons: 1) that the existing building is useless without a variance 2) that the mobile home park driveway will serve as a buffer between the parking lot and the homes. Roll call: Yeas all. Motion carried.

The Board of Appeals received a request from the Zoning Inspector for an interpretation of the Zoning Ordinance re: signs in Central Business District lots without buildings.

Motion by Schardein, supported by Christwell, to instruct the Chelsea Planning Commission to examine the Zoning Ordinance and propose an amendment to allow for signs on CBD lots without buildings. Roll call: Yeas all. Motion carried.

Motion by Schardein, supported by Sweet, to adjourn. Roll call: Yeas all. Motion carried. Meeting adjourned.

## ZONING BOARD OF APPEALS PROCEEDINGS

March 20, 1979

The Zoning Board of Appeals was called to order at 7:40 p.m. by Chairman Wood.

Attendance—same as regular Council Session above.

The board was presented with a variance request of George Knickerbocker to reduce front yard from 20 feet to 15 feet.

The Chelsea Planning Commission recommended that the variance request of George Knickerbocker be granted.

Motion by Brown, supported by Popovich, to grant the variance request of George Knickerbocker based on the fact that the property is useless without a variance. Roll call: Yeas all. Motion carried.

The variance request of Joe Machnik for parking setback relief was received.

Motion by Brown, supported by Sweet, that the variance request of Joe Machnik be granted on the following conditions: 1) that front parking be developed per attached site plan 2) that new curb cut be provided in front as per attached site plan 3) that curb opening on Buchanan St. be closed as per plan 4) that an illegal sign be removed; and for the following

## Know How To Get Emergency Help

There have been many questions of when CPR or other emergency techniques should be administered. Chelsea Community Hospital would like to clarify and/or aid the residents of Chelsea and the surrounding communities as to how one might best handle an emergency situation.

In an emergency situation, such as a heart attack, drowning, motor vehicle accident, etc., you should:

1. Immediately notify an ambulance.

2. Start cardio-pulmonary resuscitation (heart massage and mouth-to-mouth breathing). Do not wait until the ambulance arrives—CPR should be started immediately.

3. If you are not trained in CPR or first-aid techniques—the police and fire department personnel can be called for assistance until an ambulance arrives.

4. If it is an emergency that does not require an ambulance, you may wish to take the victim by car to the nearest emergency room for treatment.

Emergency treatment is available at the Chelsea Community Hospital Emergency Room on a 24-hour basis, by physicians and nurses specializing in emergency care.

For non-emergency problems, you may wish to contact your own physician or one of the area clinics.

If you want to learn life-saving techniques, please contact the In-service Director of Chelsea Community Hospital, or one of your community resources, for further information; there is no charge for group classes. This knowledge may save the life of someone you love. Please take advantage of this community service.

Emergency phone numbers to place by your phone are: Ambulances, Fontana-Taylor, 994-4111, Horne-Vinson, 769-6228; Chelsea Police Department, 475-9122; Chelsea Fire Department, 475-1411; Chelsea Community Hospital, 475-1311.

### Overheated Electrical Plug Causes Small Fire at Polly's Market

An overheated electrical plug caused a small fire at Polly's Market Saturday night, according to Fire Chief James Gaken.

The flames broke out in a dairy cooler and melted a number of plastic egg cartons before they were extinguished. The Chelsea Fire Department was summoned, but the small blaze was already spent when they reached the scene.

## APICS Honors Chelsea Man

A Chelsea man has been recognized as a Certified Practitioner in the field of production and inventory control by the American Production and Inventory Control Society (APICS).

Ronald Walter of 718 McKinley, a Programmer-Methods Analyst at Sarns, Inc., Ann Arbor, was so honored after completing a battery of exams offered by the society's certification council.

He was required to pass four out of five exams offered, testing knowledge and understanding of Shop Floor Controls, Material Requirements Planning, Capacity Planning and Control, Forecasting and Inventory Management.

APICS is a society of professionals serving industry on the management level. The society has more than 2,700 members throughout chapters in major cities in the United States, Canada and Mexico.

### Four Chelsea Students Listed on Ferris State Scholastic Honor Roll

Four Chelsea residents are among the 1,881 students honored for scholastic excellence during the winter quarter at Ferris State College in Big Rapids.

Named to the Academic Honors List are Julia A. Chapman and Lisa A. Walworth, both 1977 Chelsea High graduates; and 1975 CHS graduates Todd E. Orbring and Stephen A. Snyder.

To be cited for academic excellence, a student must earn at least a 3.25 grade point average on a 4.0 scale, and carry a full academic load of 14 quarter hours or more.

**PURRFECT COMFORT:** A happy permanent naps in his favorite spot. The society reminds everyone that pets are a serious responsibility.

## Pet Food Drive Very Successful

The cats and dogs of the Huron Valley Humane Society will soon feast on the generosity of Chelsea residents. This year's Jaycee Auxiliary pet food drive has been so successful that it will become an annual event.

According to Chairwoman Nan Rowe, "We've never received such a response. It's marvelous! Everyone's been so generous."

The Humane Society staff has been overwhelmed by the overflowing baskets in Polly's Market, Jiffy Market, Schneider's Grocery, and Kusterer's Food Market. As of last Saturday, said chairwoman Rowe, at least 100 cans and over 70 boxes and bags of cat and dog food have been donated.

The last day to contribute to

this drive is March 30, but the Humane Society stresses that donations and a helping hand are always welcome.

In conjunction with the collection, the Society reminds all owners to consider having their animals neutered or spayed, and urges them to remember that pets are a full-time responsibility.
