Girls Track Team Prepares For Opener

How does a team replace its leading scorer and the holder of 10 school, class or relay records. That's the problem facing the Chelsea girls' track team since half-miler Shelley Warren graduated. In spite of that, though, distance running will still be one of Chelsea's strong points.

The half-mile continues to be a solid race with junior Teresa Hoffman and sophomore Nancy Heller, both high placers in the conference last year. Teresa is becoming the leader of the distance runners and Nancy bettered Shelley Warren's freshman record last spring.

Pris Drew returns in the mile and long jump. She holds the school record in the mile and was second leading scorer as a freshman last year.

The two-mile run has Dawn McDowell back for her first full season in the distances. She switched from the sprints midway through last season and is still learning as a sophomore.

School Needs Immunization Records Soon

Superintendent Van Meer is urging parents to return the immunization forms for their youngsters as promptly as possible. With little more than eight weeks of school remaining, there is a great amount of work to be done.

School records must be submitted to the County Health Department; that department notifies the school districts which students are in need of immunizations; parents are then notified; immunization clinics must then be scheduled.

If everyone co-operates fully and promptly, it is hoped that immunizations may be administered during the month of May prior to the end of school and the beginning of vacation periods.

TREE-PLANTING PROJECT: Despite stock-piling temperatures, Sara Noah of the 4th grade gamely shovels the last earth around a new spruce tree at North school. Fourth and fifth grade students raised \$200 through the construction and sale

North School Classes Earn Money for 10 Spruce Trees

Braving the cold and drizzle, fourth and fifth graders at North school saw the rewards of last winter's labor as 10 spruce trees were planted on the school grounds. The classes of Mrs. Cummings,

of crafts last winter, and purchased the trees for the school. Looking on are Dave Stanulis, manager of Michigan Tree Merchants, where the spruce were purchased, and Peggy Moore, fourth grade teacher at North school.

Mrs. Moore and Mrs. Thomas made and sold crafts both in town and at school last December, said teacher Peggy Moore. From their profits of \$200, ten five and six foot tall spruces were purchased

FFA Annual Slave Auction Raises \$1,200

Members of the Chelsea FFA chapter reported good support for the annual Slave Auction Monday night, April 2.

More than \$1,200 was raised and will be used to fund upcoming events, such as leadership camp, National Leadership Conference in Washington, D. C., and the President's Conference.

It will also aid in sending students to the National FFA Convention in Kansas City, Mo.

Spring Break Starts Friday For Schools

In the unlikely event that anyone has forgotten, a reminder that no Chelsea school classes will be held next week, April 9-13, as students sleep in, relax and enjoy spring break.

Luckier than most, members of the senior trip club will bask under sunnier skies than Michigan can offer as they jet off to Hawaii for the recess.

Sidewalk Sale Dates Set in August

Even though we're still walking around with coats and gloves it's time to begin thinking about the Chelsea Sidewalk Sale and Art Fair, scheduled for Aug. 3 and 4.

Specifically, those who are interested in reserving a space should consider doing so soon.

According to sale co-ordinator Karen Johnson, "If people aren't signed up by June 1, they won't even get a space." Johnson backed this up by saying that one-third of available spaces are already taken.

The place to sign up is Karen's Boutique, 118 S. Main St., where a large chart indicates which spaces are still rentable and which are already reserved. The fee is \$10 per space.

More information about the Art Fair may be obtained by calling Karen Johnson at 475-2678. Sidewalk sale co-ordinator is Jeff Flin-toft who may be reached at 475-7600.

DSA AWARD: Past and present come together 1978-79, Ann Feeney, receives her plaque from last year's winner, Charles Cameron.

Jaycees Distinguished Service Award Presented to Ann Feeney

Cited for her outstanding community service, Board of Education member Ann Feeney was presented with the Jaycees Distinguished Service Award at a banquet last Thursday, March 29 in the Fair building.

Charles Cameron, last year's DSA winner, presented the plaque to Mrs. Feeney.

Feeney, 249 Park St., was honored for her activities with Spaulding for Children, the Chelsea Historical Society and with the United Way, as budget chairperson for three years. She is also treasurer and driver for the Chelsea Home Meal Service.

The winner was chosen from a field of five finalists which included Otis Titus, Nancy Cooper, Jean Eaton and Will Connelly. Loree Stafford, a nominee but not a finalist, was also in attendance.

Other honors were given, including the Jaycee Auxiliary DSA award, which went to Sue Zink. Leon "Bill" Shutes received an award citing seven years of service and friendship to the North Lake Co-Op Nursery. The Eleanor Shutes Memorial Award for outstanding service by a North Lake Co-Op parent was given to Karen Koch.

The ceremonies featured a 7:30 dinner, with entertainment provided by the Waterford Senior Citizens Schoolhouse Kids. The Jaycees presented the Schoolhouse Kids with a donation to aid their charity, the Waterford Transportation Service for senior citizens and the handicapped.

Truck Driver Cuts Corner Too Short

A semi-truck forced a parked car into the railroad signal on Main near Middle Monday, causing damage to the gate and station. No one was injured in the accident.

According to police reports, the incident occurred at 12:50 p.m. as the semi driver, Glenn Lee Barner of Ann Arbor, made a right turn from the Chelsea Lumber Co. driveway. As he turned, the rear wheel of the tractor hit the left rear of the parked vehicle, owned by David Stoll of 18339 Bush Rd., and forced it against the railroad signal.

The truck driver was cited by police for an improper right turn.

Girl Scout Cookies Will Arrive Today

Area residents can be expecting delivery of their Girl Scout cookies soon. They will be delivered to the Chelsea Area Depot located at Longworth Plating (Main and Jackson) on Thursday, April 5.

One troop cookie chairman will pick them up and distribute them to the girls from their troop depot.

Chelsea Girl Scouts sold a total of 8,592 boxes of cookies. "Profits from the sale will be used to do a lot of neat activities," Mrs. Roberta Hinz, cookie sale chairman, stated.

Troops averaging 125 boxes per girl, thus winning a free week-end at one of the Huron Valley Girl Scout Council camps, are Cadette Troop 98, Junior Troops 639 and 82. 22 girls will receive a patch for selling 50 boxes of cookies. 32 for selling 100, seven for selling more than 200, two girls will receive a super patch for selling more than 300 boxes. 51 girls will receive a t-shirt for selling more than 79 boxes.

Special recognition is given to the following girls: Junior troop 639, Christine Favors and Angie Jacobinski, for selling 352 boxes each. Amy Wolfgang sold 204, Lori Jedele sold 200 and Valerie Staker sold 234. Junior Troop 719, Sommer Havens sold 248, Jennifer Lindsay, 230, and Wendy Westphal 206. Junior Troop 58, Sally Wilson sold 283 boxes. Tina Harook and Robin Mock sold 150.

Area Township Budgets Hit By Inflation

Inflation is the order of the day, as five of six area townships reported increased budgets at their annual meetings, March 31. Four townships recommended increases for officials, and all committed federal revenue sharing funds for road maintenance.

tee salaries were boosted from \$40 to \$50 per meeting.

At the federal revenue sharing budget hearing it was decided that the entire sum of \$11,200 would go for road improvement.

Sylvan Township

A proposed total budget of \$171,225.67 was recommended at the Annual Meeting, March 31, up approximately \$20,000 from the 1978 fiscal year.

Increases were made in attorney's fees and also in the town hall remodeling fund.

Township officials received no increases in salary. The one mill authorization for operating costs was renewed.

Federal revenue sharing funds of \$20,000 will be spent as follows: Recreation Council, \$2,500; CATS transportation, \$200; McKune Library, \$1,258.87; and Wash-tenaw County Road Commission, \$14,241.13.

Lima Township

A proposed budget of \$118,761.03 was recommended for approval at the annual Lima Township meeting, March 31. The budget is up slightly from last year's figure.

Township officials received no salary increases. \$8,000 in federal revenue sharing funds was allocated for road maintenance, and it was decided to renew 1.16 mills for operating costs.

Lyndon Township

Officials in Lyndon township were approved salary increases at the annual township meeting March 31.

The supervisor's pay rose from \$5,780 to \$6,048, the clerk's salary from \$3,840 to \$4,140, the treasurer's from \$3,428 to \$3,698 and trustees from \$25 to \$35 per meeting.

A proposed budget of \$83,797.30, up from \$70,864.30 last year, was recommended for approval. \$5,000 of the new budget is carried over from last year.

It was decided to spend the \$8,400 of federal revenue sharing funds three ways: \$7,500 for road maintenance, \$700 for the Chelsea Recreation Council and \$200 for McKune Memorial Library.

Webster Township

Township officials in Webster township were recommended for a (Continued on page three)

CHS Varsity Baseball Season Opens Today

Today the Chelsea High school varsity baseball team opens its 1979 campaign against the Stockbridge Panthers, in Stockbridge at 4 p.m.

Only three days before its opener, the starting line-up was pretty well set with only two positions in doubt.

Returning letterman and senior tri-captain Al Augustine will start as catcher. Mike Wood, Mark Barnes and Gary Dils are all vying for the first base berth.

The remainder of the infield is set, with Brad Knickerbocker at second, Jeff Dils at shortstop and John Dunn in the hot corner.

Heading the outfield corps is senior tri-captain Roger Moore in centerfield, Lou Jahnke in left, with Mike Wood and Steve Hawker competing for the start in right.

Pitching against Stockbridge will be split, with seniors Mike Eisele and Mike Machesky sharing the mound duties.

Next Tuesday the Bulldogs open the SEC season with a home game against the Novi Wildcats.

Season's Final Travel Film Slated Saturday

If the word "travelogue" conjures up images of slides or films flashing on a single silver screen, then it's a sure bet that Robert Brouwer has never crossed your path.

As the featured traveler at this week's installment in the Kiwanis series, Saturday, April 7 at 8 p.m., Brouwer will present "The Lure of the Great Lakes" in a unique and different way.

An electrical contractor for many years, Brouwer began photography as nothing more than a hobby. At the encouragement of friends, he produced his first slide show: a traditional effort employing one projector and one screen. Later he graduated to two projectors and two screens.

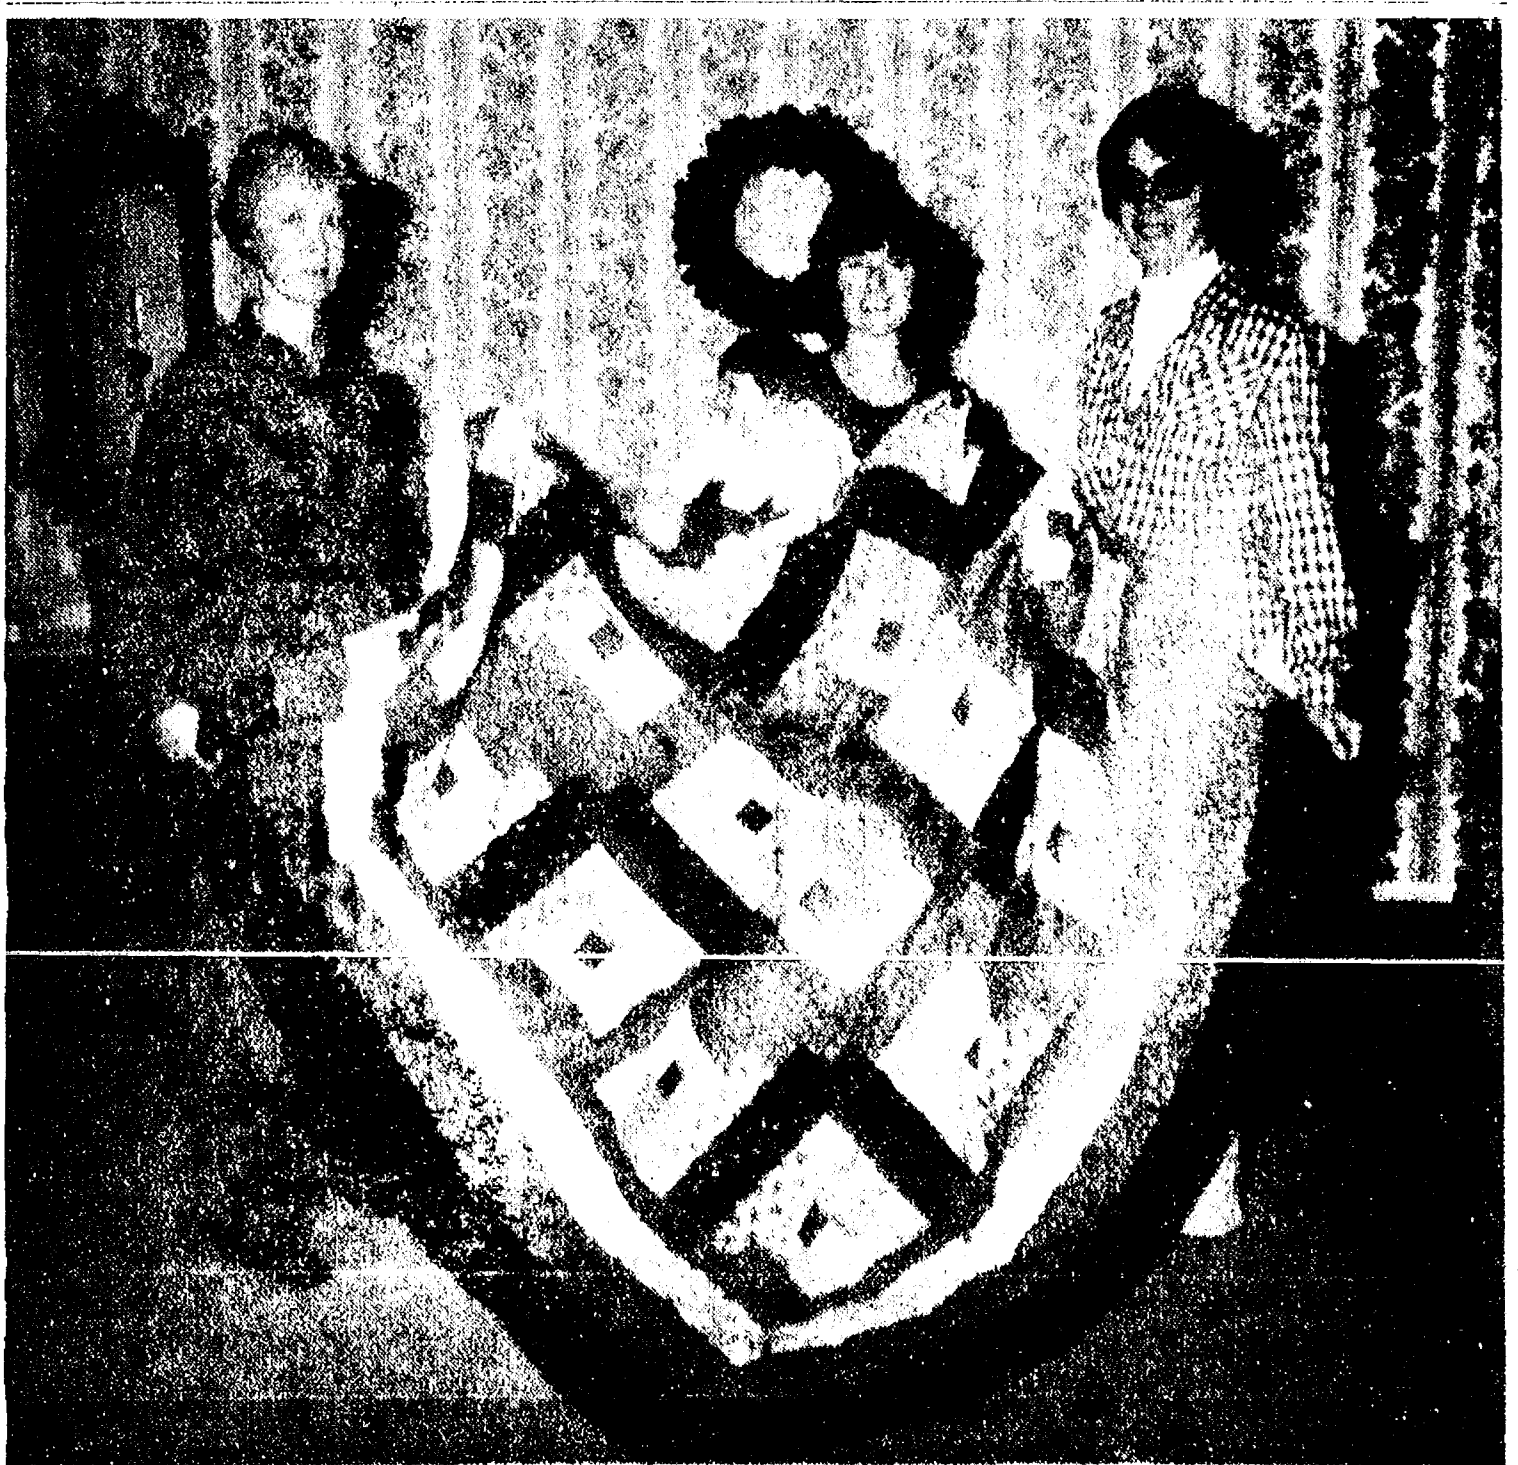

All that is past history for Brouwer these days, however. Saturday night's show in the Chelsea High school auditorium borders on being a multi-media event, as it incorporates three screens, six projectors, hi-fidelity stereophonic equipment and music and sound effects recorded on-the-spot.

Brouwer's early electrical training has proved valuable in planning and designing much of the special equipment employed in his presentations.

He was commissioned by interested groups and the national tourist agency of Holland to produce a travelogue on The Netherlands—an unprecedented arrangement in the travelogue field.

His unusual productions have been seen in some of the largest auditoriums in the country. Audiences have rated them "on a par with Cinemas" and feel that "everyone in America should see this."

Tickets will be available at the door for those not holding season tickets.

QUILT FOR CANCER BENEFIT: Three women of the Chelsea Co-Op Nursery, left to right, Barbara Stephenson, Maggie Kemler and Sally Nicola, display the quilt they stitched for the Chelsea Chapter of the American Cancer Society. Also participating in the sewing were Lisell Bowers, Sharon Roehm, Barbara Raney, Sue Machnik, Marty Shoemaker, Sharon Wisniewski, and Sue Starkey. The queen-size quilt was done in the Log Cabin pattern and will be displayed throughout the month of April at Country Craftique and Merkel's Furniture Store. Materials were donated by Dr. and Mrs. John L. Stevenson.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I submit that we have set a record in recent weeks. There has been more news about more events that more people don't understand nothing about than ever before. I admit that takes some doing, but you don't have to go farther than Einstein and Egypt to see I'm right.

The great scientist Einstein's birthday was last month some time, and we were treated to newspaper and magazine articles and TV specials on about how his mind changed the world. Actual, he just changed the understanding of the world by them that understand anything he was thinking about. For me, gravity makes as much sense as the core of the earth as it does as a rubber blanket with a pool ball rolling across it. And you might as well tell me I can flap my ears and fly as show me where the faster I go the younger I get. But the atomic bomb is real enough, and I'm told Einstein figured that one out.

Meanwhile, President Carter was off trying to beard the Middle East lions in their dens. His summit over here didn't take, so he decided to take one to Begin and Sadat. The best I can flinger he got the leaders of Israel and Egypt to set down and talk, but I didn't

know what they were talking about till the President got back. What them fellers was doing, Mister Editor, was dividing the loot. The papers said after the President got his peacemaker welcome back home that his trip will cost us \$5 billion in aid to the two countries. At last report, they still were yelling at one another over the same old questions—whether Palestine and which bank of the Jordan is which. My bet is that the foreign aid they'll get will be in airplanes and guns so both can keep on negotiating, as the diplomats put it, from positions of strength.

And while this old world kept turning, our cameras were scouting other worlds. Scientists were excited about pictures and information they were getting about Jupiter, Saturn or wherever, but I didn't hear any mention of their spotting a better place to live. They said a active volcano and some gas on one of them places adds to their knowledge of what holds the universe together. When they find it, Mister Editor, I hope somebody ties a knot in it, cause down here it's coming unraveled.

The fellers touched on this space study. Saturday night during the meeting at the country store, and Bug Hookum said he was with Henry Ford all the way. Henry has made his stand in Cookeville, Tenn., where he has put up a 60-foot TV tower over his trailer park to keep airplanes from the nearby field from flying low over his trailer park. Airport officials say he is violating their air space, but he claims he owns his trailer park property "all the way up to the stars and all the way down to China."

Practical speaking, declared Bug, it'll take a Solomon and a Einstein to work this one out on any base other than might makes right. Who can say Henry ain't entitled to his chunk of the sky, and just because his deed don't give a depth don't mean his land ain't got one.

Yours truly,
Uncle Lew.Dial-A-Garden

Legislative Committee Raps State Hiring of Minorities

A special House committee has recommended a new statute be enacted to compel state and local governments, state universities and state boards to maintain affirmative action employment for minorities and women.

Additionally, the report recommended that state universities be compelled to actively recruit and retain more minority students. The special committee was formed last year after statistics were released indicating the state was behind in its affirmative action goals. The committee held hearings in each department of state government and on campuses of state colleges and universities.

Goals for minority and women's employment in state government were set in 1977 by the Michigan Equal Employment Opportunity Council at 14.5 percent minorities, 42.5 percent women, and 11.3 percent handicapped.

Minority and women's employment, as of October, 1978, actually totaled 18.3 percent and 51.3 percent, respectively. However, minorities and women only account for about 16 percent of officials and administrators in state government.

The committee's final report also declared, new minority personnel in various state departments often come from other departments instead of from outside state government.

The final report recommends a wide-sweeping bill to ensure that affirmative action plans be developed and followed by virtually every governmental unit in the state, including all units of local government, school districts, universities, junior college districts, commissions, boards, departments and any other body created by statute.

The bill would also require that all affirmative action plans be approved by the Civil Rights Commission and that the plan describe jobs available, minority populations and numerical goals for minority hiring.

Further, the report said as an incentive to minority and female owned businesses, the state should distribute a number of its purchase orders to those businesses. There was a caution that state should be careful to determine the businesses were legitimately owned.

ed by minorities and not operations with minority fronts.

Citing lower numbers of minorities enrolling in colleges, the report also calls for legislation to provide control over state colleges to ensure colleges will actively recruit and retain minority students.

Increasing Beer-Soft Drink Prices

The state's attorney general's office has been asked by the Michigan United Conservation Clubs, one of the major supporters of the state's non-returnable bottle and can ban, to investigate beer and soft drink prices to see if higher prices are "politically motivated" to discourage other states from adopting similar bans.

Thomas Washington, executive director of MUCC, in making the requests of the attorney general's office, said since not all distributors have had to spend money to comply with the state law and since many distributors are gaining additional income from recycling, it is questionable whether any price increase due to the deposit law is justified.

Washington suggested that price hikes are designed to make the bottle ban, approved by the voters in 1976, appear ill-advised and unworkable. "This might discourage other states, as well as the U. S. Congress, from passing similar legislation in their jurisdictions," he suggested.

According to Washington, Michigan beer prices are reportedly higher than in neighboring states, but said prices remained competitive in Oregon and Vermont which also adopted bottle deposit laws. In Maine, which also has a deposit law, Washington said an attorney general's investigation resulted in a price decrease.

Returnable containers should be cheaper than non-returnable containers because of lower packaging costs, Washington maintained. Chief Assistant Attorney General Stanley Steinborn said the department will have to examine the charges to see if there is an actual basis for an investigation. He said higher prices in one state may not be a crime. "If they want to charge \$2 for a bottle of pop and people are willing to pay for it, then they can do it," Steinborn said.

"My company is too small to offer a retirement plan, but now, thanks to Great Lakes Federal I'll be able to retire with \$124,229 plus my social security benefits."

That's right, John Smith will have \$124,229 when he retires thanks to Great Lakes Federal Savings IRA tax deferred retirement plan.

And he'll save a bundle on income taxes each year. Here's how this great plan works.

IRA accounts are for people who do not have a plan available where they work. They can be opened with as little as \$1, and you can make deposits throughout the year to fit your individual income. . . \$50, \$100 or whatever is best for you. You can contribute 15% of your earned income to an IRA account up to a maximum of \$1500 each year. Your yearly contribution can be deducted from your current taxable income. You do not pay taxes on this money until you begin withdrawing it after age 59½. At this time your income tax rate will probably be substantially less.

Your IRA account can earn the high interest rate of 8% per annum. Interest is paid quarterly and compounded monthly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months. Minimum term 36 months. Your account is insured with an agency of the federal government to \$100,000.

YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX

That's right. You can open a 1978 IRA account or add funds to your present IRA account up to your maximum for 1978 until April 15, 1979.

Federal regulations require a substantial interest penalty for early withdrawals.

VICTOR VERCHEREAU

V. Verchereau Elected State FFA President

A 1978 graduate of Chelsea High school has been elected state president of the FFA at the state convention in East Lansing, the week-end of March 21-23.

Vic Verchereau, 10307 Hadley Rd., was elected to the top office by nearly 340 delegates from 170 chapters who had 21 nominees from which to choose.

The one-year term will take him to Kansas City for the FFA national convention, Lexington, Ky., to meet the national officers and to Washington, D. C. for a president's conference.

FFA (formerly known as Future Farmers of America) is a national organization with chapters in all states and Puerto Rico. It was founded 51 years ago to meet the needs of potential farmers, but has since modified the name to FFA to "take the emphasis off plowing."

The organization now concerns itself with all aspects of agriculture and strives to educate students to better understand the role of agriculture in the economy and society.

Vickie Koch Named To MSU Honor List

1975 Chelsea High school graduate, Vickie Koch, daughter of Mr. and Mrs. Robert Koch, 12255 Sciq Church Rd., has been named to the dean's list for the past term at Michigan State University.

Vickie, a senior in labor and industrial relations, earned the honors with a 3.5 grade point average for the term.

A sudden or rapidly developing hearing loss or acute or chronic dizziness are signs that medical attention should be sought as soon as possible, warn hearing specialists. Such symptoms can indicate serious medical problems, the specialists add.

Local Doctors Now Certified By ABFP

Dr. S. Margaret Davies and Dr. James Frederick Peggs, Ann Arbor, have been named as diplomates of the American Board of Family Practice (ABFP) as a result of passing a certification examination offered by the ABFP. They are now certified in the medical specialty of family practice and are actively functioning as physicians and instructors at the Family Practice Center in Chelsea now affiliated with the University of Michigan.

The intensive two-day written examination is designed to prove the candidate's ability in the area of internal medicine, surgery, obstetrics, gynecology, pediatrics, psychiatry and community medicine.

To qualify for the examination a physician must have completed either a three-year family practice residency or have been in family practice a minimum of six years and successfully completed 300 hours of continuing medical education approved by the American Academy of Family Physicians.

ABFP diplomates also must continue to show proof of competence in the field of comprehensive, continuing care of the family by being recertified every six years. No other medical specialty requires diplomates to prove competence on a continuing basis.

The latest group of diplomates brings the total number to more than 19,000. Most are members of the Academy of Family Physicians, the national association of family doctors. The Academy was the first national M.D. group to require members to take continuing medical study, and was chiefly responsible for securing specialty status for family practice. This year is the 10th anniversary of the specialty.

Annual Meetings

(Continued from page one)

7.7 percent salary increase at the annual meeting March 31. Approval was recommended for a \$122,089 budget. Last year's budget was \$111,941.

It was also recommended to renew one mill for operating expenses.

Freedom Township

A proposed budget of approximately \$73,000 was recommended for approval at the Freedom township annual meeting March 31. This figure is down from last year's budget of \$75,000. Last year's budget included a balance on hand.

Township officials received salary increases, with the supervisor's salary going from \$5,400 to \$6,000 and the clerk and treasurer each receiving increases from \$4,000 to \$4,500. Township trustees received no increases.

The purchase of 3/4 acres of land adjoining the town hall was reported. The land is the proposed site for the future township fire hall.

All revenue sharing money was allocated for road repair.

Voters Approve WCC Bonding

County voters approved the sale of bonds for construction of two new buildings at Washtenaw Community College in Monday's election.

According to figures released by WCC officials, the bonds for a Family Education Center building and an Occupational Education building were approved by a vote of 11,961 to 9,891.

The bonds will not require a tax increase, but voter approval was necessary under the Headlee tax amendment.

Class of '69 Planning Reunion in August

If you can remember back far enough to when a "disco" was a "discotheque," then chances are Aug. 14-15 will be important dates for you.

Those are the days scheduled for the Chelsea High school Class of 1969 10-year reunion.

Nearly everyone has been contacted and replies have arrived from as far away as California and Maryland. Even French exchange student Claude Sportes has been contacted and is planning to attend.

The deadline for reservations is April 15.

Scheduled for the two-day celebration are a Tuesday night dinner and Wednesday picnic, said co-ordinator Judy (Sanderson) Armstrong.

Armstrong stresses, though, that there is still much to plan and discuss for the reunion to be successful. An organizational meeting is set for Monday, April 16 at 7:30 p.m. at her home, 8750 Beechwood.

Come or call 475-8224 to contribute any suggestions.

Cindy R. Litteral Completes Air Force Fire Fighting Course

An official at C'anute AFB, Ill., has announced the graduation of Airman Cindy R. Litteral from the U. S. Air Force's fire protection specialist course conducted by the Air Training Command.

Airman Litteral, daughter of Mr. and Mrs. John Litteral of 7804 Kothe Rd., Manchester, is now trained to fight structural and aircraft fire and repair fire fighting equipment, and will serve at Peterson AFB, Colo. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman is a 1978 graduate of Manchester High school.

Gregory Area Youth On Navy Assignment In Western Pacific

Navy Electrician's Mate Third Class William N. Watson, son of Fred R. and Mary M. Watson of 5203 Dutton Rd., Gregory, recently departed for a deployment in the Western Pacific.

He is a crewmember aboard the tank landing ship USS Barbour County, homeported in San Diego and operating as a unit of the U. S. Seventh Fleet.

Missions of the Seventh Fleet are to protect U. S. citizens, shipping and interests in the Western Pacific; to deter aggression against our Western Pacific allies by maintaining mobile striking forces; to promote peace and stability in the Western Pacific and to create goodwill for the United States.

During the cruise, the Barbour County is scheduled to participate in various training exercises with other Seventh Fleet units and those of allied nations. Port visits are scheduled in several Far Eastern countries.

The Barbour County is 522 feet long and can cruise at speeds to 20 knots. She carries a crew of 223 officers and enlisted men and can accommodate more than 350 Marines for amphibious operations. She is specially designed to transport tanks, other heavy vehicles, engineer equipment and supplies which cannot be landed by helicopters or landing craft.

Watson joined the Navy in August 1976.

Merkel, Gunn Homes Featured In Cancer Society House Tour

This is the second of four articles featuring the eight homes included in the Spring Home Tour sponsored by the Chelsea Chapter of the American Cancer Society. The tour is Friday, April 27, from 9 a.m. to 3 p.m.

Jack and Mary Ann Merkel's 25-year-old home at 1301 N. Freer Rd., was designed by Art Lindauer 25 years ago for the Jack Merkel family. The Merkels and their five boys have used all available space, resulting in a charming yet very practical home.

An example is the sunken living room with a cathedral ceiling and a fireplace with exposed flues. The illusion of a large, spacious area is accentuated by oriental carpets. At this level is the kitchen with its bakers rack from Greece and the dining room which features an antique oak table and imported chairs. The entire effect is charming and demonstrates the Merkel's eclectic approach to decorating.

The art work throughout the home includes examples done by their sons, whose bedrooms are downstairs. A pool, added eight years ago, is a favorite gathering place for this sports-orientated family.

Now that the boys have grown up, Mary Ann is employed at Merkel's Home Furnishings where her husband is one of the owners. Their home has easily adjusted back to a small family size and remains relatively easy to maintain.

The second home featured this week is "Quinta Gunn," the beautiful contemporary residence of John and Sondra Gunn of 11240 Trinkle Rd. Reached by a quarter-mile winding drive through the woods, the home was designed for the site by Hobbs & Black Associates and built in 1976 by the owners.

TRACY TOURVILLE

Tracy Tourville Completes Army Basic Training

The Mexican influence begins with the name, meaning "Gunn's country home," and continues inside showing the Gunns' interest in Mexican art and anthropology. The orange carpeting, brown tiles and white walls throughout provide an elegant backdrop for their Mexican colonial furniture and wall hangings.

John and Sondra developed their taste for Mexico after living there for two years and traveling extensively in Central America. The main living area separates the parents' bedroom and study wing from the children's lower level bedrooms and recreation room. Highlights in the recreation room are the photo display and the furniture John built. Each floor has a much-used, screened-in deck and there is a patio off the living room where the family enjoys entertaining.

Tickets are on sale at Dayspring Gifts, Merkel Home Furnishings and Country Craftique through the day of the tour. The only home where tickets will be available the day of the tour is that of Mr. and Mrs. William Storey at 216 Jefferson. All proceeds from the \$5 donations will go to the American Cancer Society. Tour hours are from 9 a.m. to 3 p.m. No children under 12, please.

The United Methodist church at 128 Park St. will hold a soup and salad buffet from 11 a.m. to 1 p.m. on April 27 also. Tickets are \$3 and are available at the door.

DEATHS

Mrs. William Winter

Dies Suddenly Sunday At Ann Arbor Hospital

Sophia Winter, 16260 Winters Rd., Grass Lake, died suddenly at St. Joseph Mercy Hospital last Sunday, April 1. She was 84 years old.

Born in Washtenaw county to Andrew and Barbara (Frye) Oesler, Mrs. Winter lived on the same farm from 1912, when she married William H. Winter, until her death. She was a member of the Salem Grove United Methodist church.

Her husband and one daughter, Mrs. Harold (Marie) Riplon, preceded her in death.

She is survived by three daughters, Irene Harrison of Grass Lake, Mrs. Emerson (Betty) Moon of Columbus, O., and Mrs. Paul (Doris) Kope of Ann Arbor; two sons, Victor of Chelsea and Herman Edwin of Drayton Plains; 11 grandchildren, 11 great-grandchildren and several nieces and nephews.

Funeral services were held Tuesday, April 3 at 1:30 p.m. Burial followed at Oak Grove Cemetery. Arrangements were made by Burghardt Cole Chelsea Chapel.

Miss Cora Feldkamp

Long-Time Area Resident Dies at Chelsea Hospital

Miss Cora Feldkamp, a resident of the Chelsea Methodist Retirement Home, died Tuesday, April 3 at Chelsea Community Hospital.

Born in Saline township Nov. 4, 1890 to Emmanuel and Christine (Boettner) Feldkamp, she was a graduate of Chelsea High school and lived in the area most of her life. A member of St. Paul United Church of Christ, she sang in the choir for 63 years and participated in the Mission Club, the Women's Fellowship, and the XYZ's. She is survived by friends and cousins.

Funeral services will be held Thursday, April 5 at the Burghardt-Cole Chelsea Chapel. Burial will follow in Oak Grove Cemetery.

Envelopes for memorial contributions may be obtained at the funeral home.

Telephone Your Club News To 475-1371.

PREPARING FOR SPRING SALE: Chelsea Methodist Retirement Home residents, left to right, Gertrude Clark, Helena Schweitzer, Winifred Cooley, and Cora Dolan finish hemming one quilt and begin to select the fabric for another. Active in needle work, woodcrafts and ceramics, residents say they are busier than they've ever been. Their handicrafts may be purchased and admired Saturday, April 7 from 1:30 to 4 p.m. at the Annual Spring Sale.

Methodist Home Residents Set For Spring Sale of Handicrafts

What do you get when you combine people with enough time to do a good job and old-time skills perfected over a lifetime?

If the fine homespun goods from the Chelsea Methodist Retirement Home are any indication, you get a pretty creative environment. Residents all over the home are busy making the goods they've made for decades, whether for gifts, to sell to the public, or just for the sheer joy of creating something beautiful.

Saturday, April 7 from 1:30 to 4 p.m., the home will have its Annual Spring Sale. For anyone interested in finding some bargains or shopping for Easter, all the shops, including the discount Variety Shop, will open.

One of the home's biggest operations is the sewing room. Last year residents made 64 quilts, most of them sold before they were finished. Almost every morning several ladies are in the room, hard at work stitching squares or tying up a quilt. They also make handbags and do repair work for the home.

The ceramics shop is another bustling spot. Here again, articles often sell before they're finished. For months before Christmas, home residents diligently work to prepare enough Christmas trees to please the public. After Christmas, there are Easter eggs and bunnies, but, come summer, it's back to trees.

Home co-ordinator of ceramics, Mrs. Florence Hubbard, smiles

and says, "You can get pretty tired of Christmas trees."

The fanciest crafts are found in the home showcase. Here residents sell their own handiworks and display crafts they've been doing since childhood. Among the needle craft, wool work, fancy dolls and other fine articles may be found many interesting gifts.

Chelsea Methodist Home is a truly creative environment. Residents have the support and opportunity to produce the crafts they've known all their lives, and sometimes learn new ones.

Some residents smile and say they're busier now than they ever were since they've come to retire at the home.

This environment is one of the aspects that adds to the quality of life at the home. The public is always welcome to share that creativity.

Historical Society Quizzed on Antiques

As the March meeting of the Chelsea Historical Society members were treated to a review of antiques. Speaker Mary Jo Miller brought with her some articles she has collected and, as an introduction to her talk, passed them among the members for identification. Gwen Schrader assisted Mary Jo in the "quiz."

There were no perfect scores, but members and guests were intrigued by the antiquity of the articles and improvements made over the years.

Mrs. Miller also gave the members an overview of furniture and furnishings used in homes from

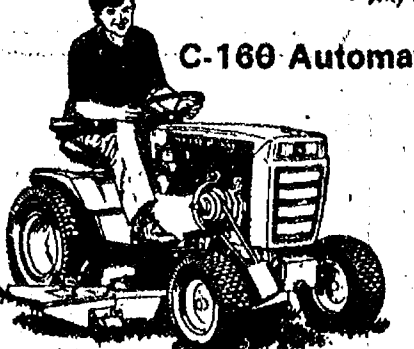

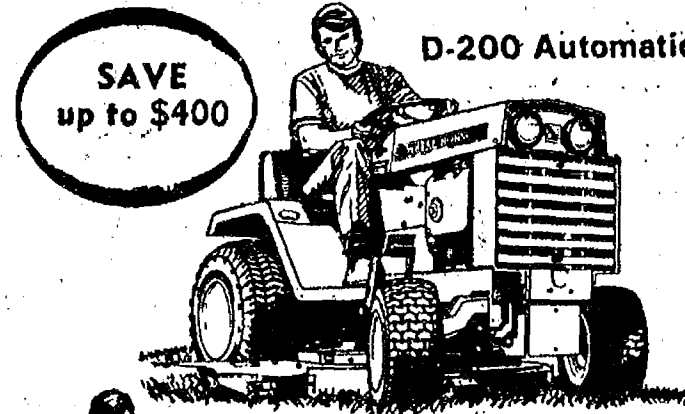

the early 1700's to the present day. The April 9 meeting will feature Amy Lee and Barbara Berlin, Urban Planning students from the University of Michigan. They will update the society on the progress of a survey they are conducting in the Chelsea area as part of their studies. Interested residents are invited to attend.

The Labor-Management Reporting and Disclosure Act restricts the use of trusteeships by unions; restrictions cover reasons for taking control of a subordinate union, transfer of funds, and filing of reports.

Easter Egg Hunt Slated April 14

A son, Garth Bradley, March 24, to Gerald and Carol Tunney of Gaines. Maternal grandparents are Mr. and Mrs. Alvin Jesele of Gregory. Mr. and Mrs. Max Tunney of Linden are paternal grandparents.

That certain breath of spring in the air is a sure sign that the Easter Bunny is on his way.

This year, he'll be stopping in again to preside over the Jaycees annual Easter Egg Hunt at the Chelsea High School Athletic Field.

At 11 a.m. on Saturday, April 14, the Bunny will signal the start of the hunt, which will be broken down into age groups ranging from pre-school through second grade.

All children are asked to bring their own containers.

Real Estate

OUT-WITTING HUMAN NATURE

An escrow account is, normally, money which is held by a third party to pay off a future debt. When you make your monthly mortgage payment, you are probably paying money into an escrow account over and above the loan installment for hazard insurance and property taxes.

In one way, the escrow account helps you outwit human nature. It is said that the first thing that gets cut when the budget has to be balanced is the monthly savings deposit.

Here's how your escrow account is set up. At the beginning of each year, your account is reviewed and your costs are estimated for the next year. The total is divided by 12 to get the monthly payment. This payment could increase for one or a combination of three main reasons:

- 1) Your tax rate or premium rate has increased;
- 2) Your assessed valuation has increased;
- 3) Additional funds are needed to make up a deficit in your escrow account.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8683; evenings 475-2621. We're here to help!

Softball Program Revised for Girls

Chelsea Recreation Council is offering a new revised Girls' Softball program this spring, according to Mrs. Roberta Kemp, program director.

Girls will compete in two leagues, each consisting of a minimum of four teams. Eight, nine- and ten-year-olds will compete in the Midget League, while the Junior Miss League will consist of those from 11 through 14 years.

This year, for the first time, girls will play during evening hours.

"Everyone seems happy about playing at night," said Director Kemp. "More girls will be able to participate and more parents will be able to see their daughters in action."

The early game will be at 5:30 p.m. with another following at 7:15 p.m. Midget League will compete on Tuesday and Thursday, with the Junior Misses taking the field on Monday and Wednesday.

Free t-shirts will be given each girl by the Recreation Council.

The regular season begins June 11 and runs through Aug. 2. Registration will be held April 16-20 and 23-27 during noon hour at North, South and Beach schools.

On May 16, prior to the start of the season, the council will sponsor a Girls' Softball Clinic. Details will be forthcoming later in April.

For more information on the program or to volunteer coaching time, call the Community Education Office at 475-9830.

Immanuel Bible Church Is Celebrating 12th Year

On January 8, 1967, eight families met to pray about purchasing the then-vacant St. Paul's church on E. Summit St. In February of that year, in recognition of God's provision, the name of Immanuel Bible church was decided upon, and in April the first Sunday school and worship services conducted.

This Sunday, April 8, the congregation will celebrate its 12th anniversary. The gospel quartet, The Gospel Harmony Boys, will participate in the 9:45 a.m. Sunday school opening exercises and provide special music for the worship service at 11 a.m.

In 1967, in The Chelsea Standard, the church stated, "We propose in our hearts to be true to the Word of God, that the truth and power of the Holy Scriptures may animate freely and faithfully, and trust we shall contribute a measure of spiritual life and strength to this community."

This 12th anniversary, said Pastor Ron Little, is witness to the fact that Immanuel has remained true to its resolve.

The public is cordially invited to participate in this happy occasion.

The U. S. Employment Service and its affiliated state agencies provide specialized services for veterans, youths, older workers, the handicapped, rural workers, and the disadvantaged.

Home Meals Service Now in Its 8th Year

The establishment of the Chelsea Home Meals Service grew out of a need perceived by the United Methodist Women in 1972 and subsequently was sponsored and supported by the Jaycee Auxiliary and Church Women United.

The United Methodist Women president, June Warren, directed the three women who had expressed an interest in providing some assistance to the elderly and infirm in Chelsea, to set up a committee to investigate. These women were Ann Steinaway, Carolee Hoffmeyer and Sybil Johnson. As the committee they investigated the possibility of receiving funding through a Title VII Federal Grant.

With the help of V. O. Johnson, then administrator of the Methodist Home, and Dr. David Peterson from the Institute of Gerontology at the University of Michigan, they submitted a grant proposal. The rude awakening came when the red tape looked to be so tangled and requirements of compliance so stringent as to constitute another bureaucratic mess that could cost as much as \$49,000 per year.

In the meantime, the need grew and the committee took matters into their own hands. After some consultation with Jackson program directors, they purchased an insulated cooler from the hardware store on credit, arranged with the Methodist Home to provide the daily meals, and the program was born.

In its eighth year, Carolee Hoffmeyer is still the chairperson. Barbara Branch, who was one of the first drivers, is now the coordinator, a position also held by Ann Steinaway and Ginny Whealon. Maryann Merkel, a long-time driver, is in charge of publicity and Ann Feeney is the treasurer.

The supportive role played by the food service department of the Methodist Home cannot be emphasized too greatly. They have been consistently helpful and kind, providing an average of 600 meals per month that are hot, packaged

Dept. regulations and are annually investigated by this department. The meal carrier is a light-weight plastic, insulated container that uses a heated metal plate to maintain the necessary high temperatures.

Founders of the Chelsea program are especially proud of the fact that their program was the first in Washtenaw county, is done solely on a volunteer basis, and has been used as a model for several other county programs. The United Methodist Retirement Home has always provided the meals—in 1972 at \$1.15 each and for the past three years at \$1.50 each.

The Labor-Management Reporting and Disclosure Act protects the right of union members to examine books and records of their union that contain information used in reports submitted to the U. S. Department of Labor.

balanced and tasty, each day taking into consideration special dietary needs of the elderly, diabetic and heart patients.

The program is funded annually through the United Way and therefore can provide lower priced meals to anyone who cannot afford to pay the full cost. Through the years private donations have also played a major role in the financial success of the program and also those same Title VII funds are available on a county-wide basis and are used to pay for meals for persons already on public assistance.

Cards of Thanks

CARD OF THANKS

The Chelsea Jaycee Auxiliary would like to thank Polly's, Jiffy Market, Schneider's and Kusterer's for allowing us to place posters and boxes in their stores for pet food collections. We want, also, to thank this wonderful, caring community for its generous response! The pet food was delivered to the Humane Society Monday and they are so very grateful. Thanks for caring!

Nan Rowe.
Kathy Sprawka.

THANK YOU

Many thanks to all our friends and relatives who made our 25th wedding anniversary celebration a success and a memorable occasion. Thanks to all who helped and a special thanks to Rodney and Doris Branham, Joe Branham and Diana Cooley.

James and Ella Branham.

By mid-year 1978, one out of every two U. S. women 16 years old and over was working or looking for work, according to the U. S. Department of Labor's Bureau of Labor Statistics.

Meeting was called to order by Supervisor Schoenberg at 1 p.m. with the following citizens present: Ken Leander, Alan Broesamle, Jerry Herrick, Don Boham, Dale Messing, Carl Heller, Doug Robeson, Chuck Ritter, Gerald Dresselhouse, Norm Hinderer, Reuben Lesser, Sr., James Carruthers, Reuben Lesser, Jr., Fred Pearsall and Dan Murphy.

Minutes of the last Annual Meeting were read and approved.

Motion by Chuck Ritter, supported by Fred Pearsall, to levy no fee on township residents for use of sanitary landfill. Motion carried.

A lengthy discussion followed on township roads.

Motion by Dresselhouse, supported by Carruthers, that the budget be approved as read. Motion carried.

Motion by Robeson, supported by Messing, that Federal Revenue Sharing budget be approved as read. Motion carried.

Motion by Pearsall, supported by Boham, that the following appointments be approved for a period of one year: Harry Mertens as Zoning Inspector, Kusch and Flintoft as Attorneys, Gus Steger as Auditor, and Chelsea State Bank as depository of all Township Funds. Motion carried.

Motion by Pearsall, supported by Murphy, to spread one mill for operation expenses. Motion carried.

Charles Ritter stated that he was not in favor of the Township joining SEMCOG for any reason. He was informed by Lesser that the only reason that there was interest in joining by the township was to have a better control of local matters adversely concerning the township.

Discussion followed on residents who have junk cars and other materials stored on their property. Clerk Murphy informed the citizens that letters to any violators have been sent out and encouraged anyone that knew of other violators to contact him and he would send additional notices to those people.

Discussion followed on State designated increases in values in the Agriculture District.

Discussion followed on Central Advertising sign on Rickman property.

Motion to adjourn at 2:40 p.m. Daniel J. Murphy, Clerk.

Donald Schoenberg, Supervisor.

Michigan House OKs Extra Disaster Funds

The Village of Chelsea in the 23rd District will receive approximately \$3,922 from the State Police's Disaster Fund as part of extra money approved by the House of Representatives recently. State Representative Mary Keith Ballantine reported today.

The House passed and sent to the Michigan Senate a supplemental appropriation bill that gave the fund \$2.3 million in extra monies for the current fiscal year.

"The extra funds are necessary because of the number of outstanding claims on the fund from communities across the state," Rep. Ballantine explained.

The fund currently has a balance of \$650,000, but the number of claims approved for payment totals more than \$2.4 million. When all

the claims are paid, the fund will have a balance of about \$300,000.

The disaster contingency fund is used to assist communities which suffer unanticipated costs due to natural disasters, such as floods, severe snowstorms, or tornados.

"Through this supplemental appropriations bill must first be approved by the Senate and the Governor before the communities will receive the funds due them. I am nonetheless pleased that the Legislature is on the road to approving payment for these claims," Rep. Ballantine added.

Nearly all of the money in the appropriation will go to communities for payment of outstanding claims requested following the blizzard of January, 1978. About \$30,000 will be appropriated for flood claims in Allegan county.

Spring Nature Walks Offered at Waterloo

Throughout the month of April, park naturalists at the Waterloo Interpretive Center will be conducting spring walks for the public on Saturdays and Sundays at 2 and 4 p.m.

The walks, lasting about 90 minutes, will emphasize wildflowers, wildlife and life processes unique to the spring season.

There is no charge for visiting the Interpretive Center. However,

because it is a state park facility, all vehicles entering the Center's parking lot must have a State Park Motor Vehicle Permit. They are available at the reception desk in the Interpretive building.

An annual permit, allowing a vehicle to enter any Michigan State Park an unlimited number of times during the calendar year, is \$7. A daily permit is \$2 and is good for the date of issue only. Senior citizens may purchase a special annual permit for \$1.

Funds collected from the sale of motor vehicle permits in the past helped build the Interpretive Center. This year's income will help pay the cost of operating state parks and for future park development.

For further information on the walks, call 475-8069.

Lima Township Board Proceedings

ANNUAL MEETING

March 31, 1979

The meeting was called to order at the Townhall by Supervisor Bauer and opened with the Pledge to the Flag. Thirty-two residents were in attendance.

Approved minutes of the 1978 Annual Meeting.

Revenue and Expenditure Reports were received.

Reports were given by the Supervisor and Zoning Inspector.

Approved 1.16 mill operating levy for 1979.

Approved regular township meetings for the first Monday of each month.

Approved using Federal Revenue Sharing Funds for road repair and maintenance.

Approved motion that Mill Creek Park Project be reviewed by the SEMCOG A-95 Clearing House Review Committee.

Approved motion that Mill Creek Park Project be brought before the SEMCOG Area-wide Water Quality Review Board.

Approved motion that the Heritage Conservation and Recreation Service be requested to grant an extension to the 30 day E.I.S. review period to the maximum allowable time, since local boards and regional committees meet only at monthly intervals and cannot formulate responses within the 30 days allowed presently.

Approved motion that the residents adopt a resolution in opposition to the park, as submitted by Wally Fusilier.

A committee was formulated to investigate and review road commission problems. They are Chairman, Harold C. Powers, Lila Pawlowski, Robert Wirtz, Wally Fusilier, Mansour Rejali, and Harold Trinkle.

The Lima Township Budget in the amount of \$118,761.03 was approved.

Approved motion that the supervisor appoint a clerk and pay a rate determined by the Board.

Meeting adjourned at 3:20 p.m. Respectfully submitted, Arlene R. Bareis, Clerk.

Jeff Dils Earns All-America Honors

An Eastern Michigan University student from Chelsea recently took All-American honors at an NCAA track meet in Detroit.

Jeff Dils, son of Mr. and Mrs. Arthur Dils of 650 N. Main St., ran the 440 and 600 meter races in the invitational National Indoor Track Meet, held March 9-10 at Cobo Hall.

He was the only runner in the NCAA to place in both events, his father reported, with times of 48.9 in the 440 and 1:10.7 in the 600.

A senior in business administration, Dils is captain of the EMU track team. He graduated from high school in Trotwood, O., and soon afterward moved to Chelsea with his parents.

Several weeks after Detroit, Dils took two firsts, one second and one third place finish in an outdoor meet hosted by Western Kentucky University.

MERKEL BROTHERS

The Bible-The Light from Heaven

Gives a comparison of Noah's salvation and our salva-
tion. Noah was saved by grace. Grace means "favor,"
"love," "good will," "mercy." "But Noah found grace
in the eyes of the Lord." (Genesis 6:8). We are saved
by grace, "For by grace are ye saved . . ." (Ephesians
2:8). In Titus 2:11 is written, "For the grace of God
that bringeth salvation hath appeared to all men." In
the person of Jesus Christ. Noah was saved by faith.
"By faith Noah, being warned of God concerning of
things not seen as yet, moved with fear, prepared an
ark to the saving of his house." (Hebrews 11:7). We
are saved by faith. " . . . through faith." (Ephesians
2:8; Hebrews 11:6). Noah was saved by obedience.
"Thus did Noah, according to all that God commanded,
so did he." (Genesis 6:22). Jesus Christ is the author
of eternal salvation to all them that obey him. (He-
brews 5:9). Noah was saved by water. We are saved by
water. (1 Peter 3:20, 21; Acts 22:16).

A CUSTOMER

A customer is the most important person ever in this
business, in person, or by telephone.

A customer is not dependent on us . . .
we are dependent on him.

A customer is not an interruption of our work . . .
he is the purpose of our work.

A customer is not an outsider in our business, but part of it . .

A customer is not a cold statistic, but a human being with
feelings and emotions like our own.

A customer is a person who brings us his wants. It is our job
to handle them profitably to him and to ourselves.

We would like you to become our customer. Stop in today
and let us provide you with the service you deserve.

Swimmers Complete Very Successful Year

Chelsea High school swim program recently completed its third year of competitive swimming. It was a season of successes, with the swim club winning seven, losing only three, and capturing one league title while barely missing another.

The swim team won two 8 and under girls titles, one 8 and under boys title, two 9 and 10 girls titles and two 13 and 14 boys titles.

Junior high swimmers went 6-1, their sole defeat coming at the hands of Adrian by one point.

The girls high school team went 13-0 and now has a 17-meet unbeaten streak. The girls broke 10 of 11 varsity records and qualified for the state meet in seven events. They also won their own invitational for the second year in succession.

A 14-2 season mark was posted by the boys high school team, including a nine-meet winning streak. They fell to Monroe High school, which placed 7th in Class "A" state meet, and to Milan, which took 3rd in the Class "B" state meet. The boys broke 10 of 11 varsity records and qualified for the state meet in 9 of 11 events.

Tom Gaunt became the first Chelsea swimmer to place in the state high school swimming championships.

Over the past three seasons, team records reflect excellence: swim

club, 23-11; junior high, 14-1; girls high school, 29-6; boys high school, 27-12.

In addition, this past week-end two Chelsea swimmers placed in the state AAU meet: Don Nicola in the 50 freestyle and Dave Mason in the 100 and 200 butterfly.

GIRL SCOUTS

TROOP 729—

On Tuesday Brownie Troop 729 had a meeting and discussed our overnight camping trip which will be held at Hilltop. We had pop-sicles for treats and a short play hour.

Kim Ritter, scribe.

TROOP 84—

On Monday Brownie Troop 84 played stoop tag and mirror. We had a snack. We went to The Chelsea Standard to see how they print the paper.

Michelle Elliott, scribe.

ACTIVE BROWNIES of Troop 145 have plenty to smile about. According to leader Marie Columbo and assistant leader Sharon Roehm, the girls spent a busy year at crafts and activities. They knotted macrame snowflakes for the people of Chelsea Methodist Retirement Home and presented them to the residents in person. Waterloo Nature Center provided a learning experience last fall, and sledding, bowling and roller-skating were all fun activities.

Troop members are: front row, left to right, Debbie Urbanek, Kellie Kanton, Sharon Colombo, Kim Degener, Cathy Hoffman; middle row, Laura Peterson, Tracy Roehm, Linda Laler, Teresa Rudnicki, Amber Raney, Stacey McDaniels; back row, Jennie Heim, Katie Kelley, Jill Penhallegon, Anna Muncer, Stacey Murphy, Donna Harris. Not pictured is Peggy Hammerschmidt.

FFA Members Attend State Convention

On the week-end of March 21-23, several local FFA members participated in the 51st annual State Future Farmers of American Convention, on the Michigan State University campus.

Students participating were Bob Ball, trying for a position on the National Chorus, and Brian Koepele, vying for a spot in the National Band.

Representing Chelsea were Bill Lamb, Mark Machesky and alternate Bob Ball.

The Outstanding Junior Award, given to high school juniors who qualities, was awarded to Patti Shoemaker and Mark Lesser. Shoemaker also received a silver proficiency award in Ag Processing.

Receiving the state farmer degree from Chelsea were Shelly Hatt, Debbie Harrison and Victor Verchereau. The chapter's agriculture exhibit received a bronze rating.

Numerous students from around the state attended the convention and viewed the machinery and facilities displayed on campus.

TROOP 689—

Last week Troop 689 went to Polly's to get groceries for our camp trip which was March 30, 31 and April 1. We went to Camp Linden and we had a good time. We want to thank Mrs. Dils and our leader Mrs. Hoffman for taking us camping.

Jenny Cattell, scribe.

School Board Briefs

Regular meeting called to order Monday, April 2 at 8 p.m. by President Martin H. Tobin.

Present: Tobin, Stirling, Schafer, Snyder, Feeney, Heller, Schumann, Superintendent Van Meer, Business Manager Mills, Principals Conklin, Wojcik, Benedict, Assistant Principal Vogel, Special Education Director DeYoung, Community Education Director Rogers, and guests.

Board approved the minutes of the March 19, 1979 meeting.

The Board granted a leave of absence to Sharon A. Baylis, High School Media Specialist, for the 1979-80 school year.

Board accepted the following teacher resignations with regret effective June 11: Mark J. Kerwin, high school building trades instructor; Artemis Nikki Marmas, high school counselor; Gail Quinn, high school English teacher.

The Board approved an unpaid leave of absence for Hannah Tolles. The leave will be from April 19, 1979 to June 8, 1979.

The board heard the following informational reports:

Superintendent Van Meer apprised the Board that the WISD Board of Education has designated June 11, 1979, as the date to place before the electorate the issuing of a bonding program to construct the POHI Center in Ypsilanti.

Superintendent Van Meer informed the Board that the Chelsea School District should elect a representative to cast a vote in the WISD Board election. Two WISD Board members' terms expire.

Dr. DeYoung presented a report on the St. Louis School for Boys and its subsequent impact for special education services to the Chelsea School District.

Superintendent Van Meer discussed several different reading emphasis programs that will be conducted during this school year. The possibility of a RIF (Reading's Fundamental) program was discussed—setting aside reading time in all the schools during a period of time using district teachers on release time to create a developmental reading program for youngsters who are having difficulty.

Trustee James Stirling gave a report from the Sex Education Advisory Committee indicating they have reviewed the elementary and Beach Middle School programs; at their next meeting on April 23 they will be reviewing the high school program.

The board recessed into executive session at 10:05 p.m. to discuss personnel evaluations, and convened at 11:55 p.m. into public session to conduct official business.

The board acknowledged Trustee Ann Feeney's recent honor of receiving the Jaycee Distinguished Service Award.

Board adjourned at 11:57 p.m.
