Bareis Resigns Post As Head Football Coach

Philip Bareis, head football coach at Chelsea High school since 1968, has announced his resignation as head football coach. Bareis indicated, "I am relinquishing my duties as head football coach to devote full time to serve as athletic director and director of physical education."

Bareis has been coaching for 20 years. He served the Clinton School District from 1959 to 1965. He was head coach at Clinton from 1961 to 1965 and his over-all coaching record was 33, 11 and 2, with four Lakeland C Conference Championships.

Bareis came to Chelsea in 1966. Under his direction Chelsea won five Conference Championships — 1968, 1969, 1970, 1971 and 1975. Included in those five championships were three undefeated seasons — 1969, 1971, 1975. The undefeated 1971 team was tied with Kalamazoo Hackett for No. 1 ranking in the AP poll. Bareis' over-all record at Chelsea is 78 wins, 30 losses, and 3 ties.

Superintendent Van Meer states, "The people of Chelsea are grateful for the contributions that Phil Bareis has made to the athletic program and to the positive influence on the lives of young people."

Van Meer indicates that the search for a new head football coach will begin immediately. Applications will be considered from within the system as well as from outside the system.

CHS Varsity Baseball Team Still Struggling With Erratic Offense

Chelsea High's varsity baseball team continued its hot-cold pattern this week, dropping two straight to Lincoln and Novi, then rebounding to capture a twin bill from Ann Arbor Gabriel Richard.

The Bulldogs persist in exhibiting good pitching but are handicapped by erratic performances at the plate.

Mike Machesky pitched Tuesday's defeat at the hands of Lincoln and was tagged with the loss. The Railsplitters pounded out 10 hits to go with the six Chelsea errors that handed them the victory.

Picking up hits for Chelsea were Roger Moore, Jeff Dils, Lou Jahnke, and Brad Knickerbocker, each with one, and Gary Dils with two.

Friday, Mike Eisele had control trouble, walking six and giving up four hits, as Novi edged the Bulldogs, 4-3. The loss came as Novi scored on an unearned run in the seventh. Gary Dils again had two hits, and Al Augustine belted one.

Saturday, though, the Bulldogs uncorked their hitting power to sweep a doubleheader from Ann Arbor Gabriel Richard, behind good pitching.

Machesky won the first game, 7-0, as he struck out 14 Irish and picked up his first victory of the season.

Pounding out hits for the Bulldogs were John Dunn, Drew Sprague, Roger Moore, Steve Hawker and Brad Knickerbocker.

In the second half of the double-

header, Chuck Moore picked up his second win as he hurled the Bulldogs to a 2-1 victory. Moore yielded six hits and no walks.

On hand with the big stick for the Bulldogs were Roger Moore, Mike Wood, Augustine, Gary Dils and Jahnke.

Last week's games left the diamondmen with a 4-5 over-all record and a 2-3 record in the SEC. The team will play at South Lyon Friday, and in the qualifying round of district Monday at Milan.

Cal Summers Giving Up Auxiliary Post

Calvin Summers, the friendly face behind the expired parking meter, has announced his retirement from the captaincy of the Chelsea Police Auxiliary, effective May 15.

Cal will not be giving up the uniform or the meter job, but will turn the planning and organization of the 15-member Auxiliary over to a still-to-be-elected captain.

A member of the Auxiliary for 20 years, Cal has been captain for 15 and feels it's time to "get a little more retired than I've been."

Presenting the award to Mrs. Donaldson are, right, Carolee Hoffmeyer and Joy Stacey, both of Chelsea Church Women United.

CHS FORENSICS TEAM: Not every member of the Chelsea High school forensics team made it to the state level of competition, but Coach William Coelius firmly believes the effort of the entire team was responsible for CHS taking third place at the state meet. Team members are, back row, left to right, Patrick Powers, Gary Dils, Todd Wurster, Tom Severn, John Koepke, Sara Merkel, Jill Janes, Jeryl Herrick, Steve Kvarnberg; middle row, Sally

Forensics Team Third in State

Chelsea High school's forensics team climbed the last rung on the ladder of competition last Saturday, as 13 team members vied for top spots at the state competition.

Patrick Powers placed fourth in the state in Sophomore Serious,

Vaught, Debbie Koepke, Theresa Merkel, Ruth Rawson, Jim Fitzsimmons, Kent Bollinger, Dave Morris, Arnel Minix, Scott Prohaska, Kollette Rinehart, Coach Coelius; kneeling, Cindy Bareis, Karen Dault, Michel Benedict, Mary Bort, Kelly Stibelton, Mary Stoll, Dawn Krieger, Jim Cobb; reclining, Mark Stevenson and Brian Kruger.

tying the former CHS record for high state finish, set in 1975 by David Glazier.

Chelsea's over-all team rated third in the state in Class "B," from North Farmington and Birch Run.

Other placers for Chelsea were Tom Severn, who took 7th in Impromptu and Todd Wurster and Ruth Rawson, who placed 7th in Dramatic Duo.

Individuals competed against all other individuals for placing, while school standings were ranked according to class.

Summer Musical Auditions Scheduled

Friends of the Chelsea Players announce the selection of this year's summer musical, "Bells Are Ringing" by Betty Comden and Adolph Green.

The play will be presented Thursday, Friday and Saturday, July 19, 20 and 21.

Directing the musical this year is an alumna of the Chelsea Players and Chelsea High school graduate, Michelle McClear of 321 Elm St.

Michelle starred in "Mame" and "Oliver" at Chelsea High. She taught two years at the drama workshop for children sponsored by the Chelsea Players and graduated from Aquinas College last summer with majors in English and history.

She has worked on summer productions of "Fiddler on the Roof," "Oklahoma," "The Music Man," "You're a Good Man, Charlie Brown" and "Hello Dolly."

Auditions for "Bells Are Ringing" will be held Memorial Day weekend on the following schedule: Saturday, May 26 from 9 a.m. to noon; Sunday, May 27 from 9 a.m. to 1 p.m.; and Monday, May 28 from 1 p.m. to 5 p.m.

Rehearsals begin June 11 and will run from 7 p.m. to 10:30 p.m.

Further questions may be directed to Michelle McClear at 475-1168.

Recovered Rooster in For Repairs

The scene in the auto body shop is pretty normal for a week-end. There's a beat-up Buick with a dented fender, a Corvette with a hole in the fiberglass hood, an 8-foot chicken with no feet and a cracked head.

An 8-foot chicken?

These days it's the only place to be for the mascot landmark of the Little Rooster Restaurant, 11455 North Territorial Rd. The statue was purloined from the Dexter eatery and then discovered on the roof of Pioneer High school in Ann Arbor, somewhat the worse for wear.

Restaurant owner Betty Aspiranti says the 50-pound figure was stolen sometime last week-end. The thieves were in a hurry and broke the giant cackler off at his feet, leaving them behind. By the time head custodian at Pioneer noticed the bird on the school roof, his huge head was damaged too.

All is not grim for the wandering leghorn, though. His body is made of fiberglass (like a Corvette) and it's possible that some concerned craftsman at an auto body shop may restore his handsome form to the restaurant roof in no time.

In the meantime, Betty Aspiranti is glad just to have him home again.

Zatorski's name was picked at random from among thousands of entries from bowlers all desiring to team up with the early morning DJ. Zatorski and McCarthy will be competing against other WIR personalities and their partners Thursday May 10 at the Thunderbowl Lanes in Allen Park.

Boys Track Team Taking Their Lumps

Last Tuesday, May 1, the Chelsea boys track team fought back from a 23-point deficit to tie Manchester, 66-66. The Bulldogs were led by junior distance-ace Mark Beyer, who won the mile (4:46) and the two-mile (10:25).

Other Bulldog winners were Don Schrottenboer, high jump, 5'8"; and Jeff Eibler in the 330 low hurdles, 43.5.

The following Thursday, the thinclads traveled to Milan and absorbed a 103-28 pounding. Again, Mark Beyer led the way, winning the mile (4:50) and the two-mile (10:40).

Senior Pat Murphy won the 880-yard run in a personal best time of 2:05.5.

Next day, Chelsea competed in the Ma-on Relays and placed 8th. Junior Mark Beyer accounted for all Chelsea points with a fifth place finish in the two-mile at a personal best time of 10:24.

Dexter was on hand, Monday, to thump the Bulldogs, 103-29. Mark Beyer won the mile and sophomore Jeff Bradley took the two-mile with a time of 10:57.

Other placers, by meet, were:

Milan meet—High jump—3rd, Todd Otto, 5'6"; and Dan Schrottenboer, 5'8"; Long jump—3rd, Dan Kleis, 16'8"; Shot put—3rd, Bill Freeman, 36'2"; 100-yd. dash—3rd, Ken Bauer, 11.6; 1 mile run—3rd, Pat Murphy, 5:05; 440-yd. School Board Will Seek 1.7 Extra Millage

Martin H. Tobin, president of the Board of Education, Chelsea School District, has announced that the Chelsea Board of Education will seek additional operating millage.

The Board of Education will place before the electorate a request for 1.7 additional mills for two years for operation. The election date will be June 11.

Chelsea School District has not had an increase in operating millage since August, 1977. The School District's operations have been hampered by the impact of inflation. The 1.7 mills represents a 5.8 percent increase in tax levy.

The 1.7 mills increase will allow Chelsea School District to continue current programs and continue to place a high degree of emphasis on curriculum co-ordination and quality education.

Girls Track Team Defeats Milan. Loses To Powerful Brighton

Chelsea High girls track team won and lost last week, defeating Milan, 77-46, after falling to Brighton, 84-39.

Chelsea did better against Brighton than expected, winning six events, but couldn't cope with Brighton's tremendous depth.

Mary Boylan continued to throw well, taking the discus with a 97'-11" toss and upping her school shot put record to 34'2", in a second-place effort. Brighton's Linda Williams won the event with a 44'11" throw.

Lorrie Vandegrift high jumped 4'10" for a season best, but captured only third. Debbie Honbaum won the 100 with a time of 12.3 and Kathy Honbaum took the 220-yard dash with a time of 28.6.

Together with Chris Johnson and Tracy Bohlender, the Honbaums edged Brighton in the 880 and 440 relays. Nancy Heller, Lisa Vandegrift, Teresa Hoffman and Pris Drew combined to take the mile relay.

In defeating Milan later in the week, Chelsea won 12 of the 15 events. Mary Boylan started off the meet by winning both the shot put and discus. Lisa Vandegrift won the long jump and Tracy Bohlender the high jump, as the Bulldogs took all four field events.

Debbie Honbaum took the 100 and 440, as Chelsea's only other double winner.

Chris Johnson, Sue Heller, Kathy Honbaum and Tracy Bohlender were victorious in the 880 and 440 relays and Lisa Vandegrift, Maggy Sweet, Nancy Hastings and Barb Davis teamed up to win the mile relay.

One of the high spots of the meet for the Bulldogs came in the mile, in which Nancy Hastings won (5:50.1) and Teresa Hoffman placed third (5:59.5). These were the first under-six-minute miles for Chelsea this season.

Other Bulldog wins were Kathy Honbaum in the 220 and Nancy Heller in the 880.

The split gives Chelsea a 3-1 league record, which is good enough for a share of second. For here on, though, the road gets rougher.

Dexter, also 3-1, visits on Tuesday, followed by Saline Thursday and Lincoln Monday. These meets will decide the final dual standings. The Chelsea girls need to win at least one of these to avoid another fifth-place finish.

Bike-A-Thon for Cancer Society Slated May 20

Area merchants have donated many prizes for participants in this year's ride. Two of the prizes are on display in Dancer's Department Store in Chelsea.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Clem Webster told the fellers at the country store Saturday night that from what he reads in the papers folks are as likely to say "see you in court" as they are "have a nice day." Americans have gone so crazy, Clem allowed, they'll sue their relatives and their neighbors at the drop of a

insult, and they call their lawyers if the fellow in front waits too long after the light changes. We got cases clogging up courts that could best be ruled on in the kitchen over a cup of coffee, was Clem's words.

Clem said he wasn't talking so much about situations like that movie star and his former live-in woman, but he noted that the case came out the way it ought to. The judge said the woman didn't have a contract, so she didn't have a claim to half the man's money. Clem said he couldn't help thinking as he followed that trial in California that what the man and woman did that she was suing him about is against the law in most states, and that a trial like that wouldn't of made no more sense than one robber suing the other for his half of the loot.

Actual, Clem went on, what got him thinking about everybody suing everybody was when he came to realize that of all their targets folks would rather sue people and things that have control over them. For instance, you pick up a paper and you see where a policeman or a school superintendent is going into court to answer charges of brutality or unfair firing, and the county manager has got to tell the judge why so-and-so was left out of the new garbage pickup. Liability insurance for policemen and elected officials in local governments has got to be such a risk the companies don't want to write it.

General speaking, the fellers was more up on what you might expect. Zeke Doolittle said he had saw where liability insurance in one rural county was \$175 a year for every deputy sheriff, and there is no telling what the cost is to back up them big city cops that get sued. Doctors in some places have formed their own malpractice insurance pools, Zeke said, and they've found they're better off than dealing with companies that don't want the business anyway. Ed Doolittle added that he saw a piece where some states are setting up central offices to pit bids on liability insurance for all local governments that want to take part, and the bigger the group the lower the rates.

Practical speaking, Ed went on, governments at all levels have got into this fix by offering services that never can work out fair for everybody. Ed said he was thinking of Medicaid and programs to help drunks. Medicaid already has overrun the Federal and state pots,

State Chamber Supports Tax Shift
 The State Chamber of Commerce, a highly respected interest group in the legislative halls, wants increased property tax relief and elimination of the sales tax on residential utility bills.

The chamber has suggested the relief be paid for by an increase in the general sales tax rate. Frank Stacking of Ford Motor Co., the chamber's tax analyst,

said the proposal, however, would probably mean delaying property tax relief for up to a year since the sales tax increase would have to be approved by the voters. He said, however, the time would allow legislative leaders time to rally support from such a plan. Stacking said the tax shift plan in the House Taxation Committee appears to be going nowhere because it does not have the proper

support from the right leaders. That plan has been considerably pared down (to about \$250 million) because of its initial requirements for a higher income tax. The chamber proposes raising the sales tax rate up to 5 percent, from the current constitutional maximum of 4 percent, which would produce about \$440 million more a year for the state.

The elimination of the sales tax on utility bills would use up about \$100 million of that, leaving about \$340 million for additional property tax relief through a more liberal circuit breaker.

The circuit breaker, for most state taxpayers, provides for the state payment of 60 percent of the property taxes in excess of a 3.5 percent of taxpayer income.

The chamber opposes increasing the income tax rate to pay for the tax relief. Stacking said surveys show the sales tax to be the least objectionable tax in the state.

He said that with no sales tax on food and drugs, and the proposal to take the tax off utility bills, it is more and more a luxury tax that does not unfairly affect low income persons.

Stacking concluded, on behalf of the chamber, that because voters would have to approve a constitutional amendment to permit the higher sales tax, the tax shift would get a gauge of popular support.

Schools Need Warrants

To Search Student Lockers
 Attorney General Frank J. Kelley has ruled that public school administrators may not search student lockers or cars without first obtaining search warrants.

In an opinion to Rep. Bela Kennedy, (R-Bangor), Kelley said school administrators may want to search lockers or student cars on school property in an effort to find weapons, narcotics or other illegal substances, but court opinions have clearly established that students have constitutional rights while at school.

"It's indeed unfortunate that the presence of narcotics, weapons or other materials may prompt school administrators to want to search lockers or cars, but the law clearly protects the constitutional rights of students and requires a search warrant," Kelley said.

However, it was noted a search warrant may not be needed if there are "exigent circumstances . . . which make it impractical to obtain the warrant" or the student has waived right to warrants. "Students have a reasonable expectation of privacy where the school grants them use of school property for a locker or a parking space . . . Therefore, to invade this privacy, a search warrant is required unless exigent circumstances are present," the attorney general concluded.

Why some people get a Greater return on their money.

Some people get a higher return on their money, because they put their dollars in higher interest paying certificates of deposit at Great Lakes Federal Savings. You can, too.

For example, if you have savings, securities or property that are earning 5% or less, you can switch to Great Lakes Federal Savings 8% per annum certificates of deposit (effective annual rate 8.30%) and increase your yearly income significantly.

Take a hard look at all of your invested dollars. This includes savings accounts, securities, property, savings bonds, paid up insurance policies and any other form of investment you may have.

Some could be paying you as little as 5%, 4%, and even less. A switch to some of Great Lakes Federal Savings higher interest paying certificates of deposit could add many hundreds of dollars to your annual income.

We would be very happy to discuss with you how our many plans can help you.

Bulldog Sluggers of the Week

BRAD KNICKERBOCKER, left, infielder for the Bulldogs, expresses the frustration of the entire team at the unpredictable weather this season. Mother Nature, more than anything, said Brad, is responsible for the indifferent showing from the Chelsea team this year. The 5'9" second baseman has no such problems with his other varsity sports, football and basketball, as football is played in any weather and basketball has a nice roof over the court. Brad goes pretty far back in baseball, having played T-ball, Babe Ruth and Pony League, mostly as a pitcher. Brad wants to play all three sports in his senior year but has no definite plans beyond that. He is the son of Ray and Louise Knickerbocker of 226 E. North St.

MIKE WOOD, junior rightfielder on the team, agrees with most of his teammates when he asserts that the 1979 Bulldogs have to "work on fundamentals and especially hitting." Also like many of his teammates, Mike is interested in more than one sport. He played on the Bulldog basketball team until last year and was a tailback on the football squad this past season. The 6'0" righthander enjoys drawing and sketching as an interest away from the year-round practice grind of his athletics. He thinks he will probably go to a trade or technical school after graduation next year, but plans are still up in the air. Mike is the son of Nancy and Clarence Wood, 616 Flanders.

Girls Track Team 5th In Mason Invitational

Chelsea was one of seven girls track teams competing in the Mason Invitational Friday night. The Bulldogs finished fifth in the meet with 5 1/2 points. Perennial power Holt was a runaway winner with 120 1/2, followed by Pinckney with 94, Jackson Northwest with 76 and host Mason with 62.

The high point of the evening for Chelsea came as the 880 relay team of Chris Johnson, Kathy Honbaum, Tracy Bohlender and Debbie Honbaum pulled ahead of Holt on the final exchange and held on to win the event with a fine 1:51.5 time.

The same foursome returned two races later to run second in the 440 relay.

Other Bulldog placers were Mary Boylan, third in the 400 and fifth in the shot put; Marlene Williams, fifth in the 110 hurdles; Teresa Hoffman, fourth, and Nancy Hastings, fourth in the two-mile run; and Hoffman, Lisa Vandegrift, Bohlender and Debbie Honbaum fourth in the mile relay.

"I'm pleased with our efforts," said Coach Bill Bainton. "We ran good times in spite of the cold weather, and out of the 15 runners we took, 11 earned medals."

Two Unlocked Bicycles Stolen At High School

Separate thefts of two unlocked 10 speed bicycles at Chelsea High School last week have prompted Chelsea police to encourage residents to protect their cycles with village licenses.

The bikes, both parked unguarded near the CHS gymnasium door, were reported missing to police late the week-end.

Chief George Meranuck reminds villagers that, beginning with 1979, the bicycle license is valid from January to December and not July to July as in past years. Identification of a recovered bike is difficult without registration on file with Chelsea police.

Licenses are a bargain at 50 cents and may be purchased at the police station.

JV Baseball Team Squeaks Past Lincoln

Junior varsity baseballers from Chelsea moved their season mark to 3-1 last week as they squeaked by Lincoln, 6-5, but were edged by Novi, 8-7. In Tuesday's contest with Lincoln, the Bulldogs won in spite of seven fielding errors. Chris Heaton pitched, allowing only three hits and striking out 10. Hits were directed by Sean Peterson, Mike Wade and Ross Stofflet. Stofflet drove in the winning run in the sixth inning with a key smash. Novi took Friday's contest in what Chelsea Coach Wayne Welton described as a "poorly played game" on the part of both teams. Chelsea pitcher Joel Krichbaum received little defensive support as the Bulldogs made six fielding misuses. Chelsea pitchers issued 10 walks. Pete Con, Mike Bohlender and Jeff Beaver each had two hits and made it safely to base three times. Ross Stofflet extended his hitting streak to seven games. Friday, the JVs play South Lyon at home.

High School Scheduling Starts May 15

John Williams, principal of Chelsea High school, has announced that student scheduling for the 1979-1980 school year will take place the week of May 14 at the high school.

The same procedure will be used as that of last year. Namely, the scheduling will be done in the Media Center and students will actually be selecting their classes for next year. This "arena-type" procedure is used to give students greater involvement in determining their schedules and to eliminate conflicts as soon as possible.

On Thursday, May 10, high school students will attend a scheduling orientation assembly. At this meeting, students will receive a Master Schedule, a list of their Course Requests and a Schedule Work Sheet. With their parents' assistance, students must work out a tentative schedule in advance. They will not be allowed to enter the scheduling area until they have done so. The present 8th grade class will have their assembly on Monday, May 14.

Scheduling itself will take place on the following schedule: next year's seniors, Tuesday, May 15; juniors, Wednesday, May 16; sophomores, Thursday, May 17; freshmen, Friday, May 18.

Students will be called to the Media Center in small groups on their appointed day. The order of scheduling will be determined at the orientation assembly. If a student is too ill to attend school on the appropriate day, a parent may schedule in his or her place.

Real Estate

By PAUL FRISINGER

REALTOR

REALISTIC RETIREMENT PLANNING

There are two approaches to retirement planning for the homeowner. One is to sock money away in the bank and have a good-sized nest egg with which to buy a retirement home when the time comes. The other approach is to buy that retirement home now and have it well paid off when retirement arrives.

Economically and emotionally, the best answer is to buy that home now. Not only will you have a good cash investment in it when you retire, but the value of that home should keep increasing with the inflation rate.

Interviews with retirees reveal that one of the last things

they desire to do upon retirement is withdraw a sizeable amount of cash from savings. The bank account is a must at a time when expenses climb and income remains flat.

Real estate will never cost less than it does now. The time to start retirement planning also is now!

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8682; evenings 475-2621. We're here to help!

er, historian; Ron Zatorski, Americanism; James French, one-year trustee; and Mac Packard, adjutant.

FLOYD RODERICK poses with the machine that was his daily companion for 15 years at the Chelsea village landfill. Roderick retired last month from supervising the fill, which he operated alone for seven years.

Floyd Roderick Retires As Supervisor of Village Landfill

Retirement usually means one of two things: either you did such a good job that everyone notices when you hang up your hat, or you did such a good job that almost no one notices that you're gone.

The second case is certainly true of Floyd Roderick, who supervised the village landfill so well for 15 years that, when he retired last month, his smoothly-oiled operation never missed a beat.

Which isn't to say that Floyd won't be missed. He has been a mainstay at the landfill since

1964, when he accepted the supervisor position at the then three-year-old site. There was hardly anyone to supervise, though, since Floyd was the only employee. For seven years he drove and repaired machinery, organized and landscaped the fill alone.

The salary back then for the job was \$1.90 an hour, Floyd recalls with a smile.

Roderick was born in Illinois and moved to Michigan when he was about 11 years of age. He was schooled in Ann Arbor and moved to Chelsea soon after his marriage, at age 19 in 1934.

He worked for a number of years with Ted Balmer in his auto repair shop, was employed by Kramer Freight Lines and worked in a few smaller shops, all around Chelsea.

Then, in 1964, he heard that the village was seeking someone for the landfill job, made application with the council and began his village career.

Conditions eased after a while. In 1971, Floyd received some assistance in the form of a part-time helper. The fill now employs a supervisor in addition to one full-time and one part-time employee.

The work was never easy, with snow to be plowed off in winter and muddy conditions in the spring and fall. Floyd remembers the biggest business day for the fill—436 loads in seven hours one exhausting Saturday last year.

Every job has its idiosyncracies and land fill supervision is no different. Floyd said that he came to dislike bed springs and

rubber tires. "Bed springs are hard to push under," he explained, "and rubber tires just work their way up to the surface of the sand. They won't stay buried."

Now that all the driving and fixing and bedspring-burying is over, what does Floyd plan to do with his retirement? "Golf off as much as I can," he vows.

SOPHOMORE TRIO: Hard work and talent marks the three sophomores on the Chelsea High school varsity softball team. The trio, from left to right, Anita Powell, Jennifer Ringe and Molly

Eisele, adds depth to an already gifted Bulldog team. With two more playing years ahead of them, Powell, Ringe and Eisele should make their mark on Chelsea softball.

Sophomores Contribute to Softball Success

This year's Chelsea High school varsity and junior varsity softball teams will be depending on some very fine young softball talent. A lot of this talent may be found in the sophomore class.

Playing on the varsity team this year are three fine sophomore athletes: Jennifer Ringe, Molly Eisele and Anita Powell.

Ringe plays in the outfield and at second base. She is the second leading hitter on this year's Bulldogs so far, batting .364. In addition to softball, Jennifer has played two years of basketball and sings in the Chelsea High school's mixed

ensemble, "The Contemporaries." Molly Eisele is a second sophomore who will be making a contribution to this year's varsity. She plays shortstop and has already won one varsity letter in softball. Molly is also the sophomore class secretary and plays on the varsity basketball team in the fall.

A third sophomore on the varsity team this year is Anita Powell. Anita plays in the outfield and pitches. Her .444 batting average tops the varsity team. Anita also competed this year on the Chelsea girls varsity swim team.

In addition to the three on the varsity team, there are 10 sophomores that make up the junior varsity softball team. These 10 members are Donna Alexander, Beth Bush, Cara Feeney, Paula Haist, Kelly Hense, Angie Inglis, Patti

Schumann, Kristyn Steinhauer, Diane Thompson, and Cathy Wade.

With the graduation of five seniors out of 12 varsity players, these 10 sophomores will be very important to varsity coach Bill Wescott. "If next year's varsity is to be successful, these 10 players will have to make a contribution on the JV level," says Wescott.

"Many of the girls have put in long hours and a lot of hard work. I hope that they will continue to strive for excellence and become varsity players."

Ann Arbor Trust Co. Opening Third Branch

Ann Arbor Trust Co. has received approvals from bank regulators to open its third branch office, at S. State St. and Ellsworth Rd., near Ann Arbor.

George H. Cress, Trust Company president, indicated that remodeling of an existing building on S. State St., just beyond the I-94 overpass, would begin as soon as final plans are prepared and local permits secured. Opening of the branch is scheduled for late this fall.

In his quarterly message to stockholders, Cress reported that Ann Arbor Trust will move into new branch office buildings in Chelsea and Brighton Monday, April 30, and on May 21, respectively. These are the first branch banking offices established since Ann Arbor Trust became a full service commercial bank in August of 1974.

Total assets of the Trust Company at March 31, 1979, were \$75,295,479, compared to \$70,610,749 one year ago. Cress noted, while deposits increased from \$64,939,831 to \$63,364,134 on the same dates. Outstanding loans from March 31, 1978 to March 31, 1979, increased from \$38,774,317 to \$48,660,311, up approximately 25 percent.

Total earnings for the first quarter of 1979 were \$182,842, compared to \$179,844. On a per share basis the first quarter earnings amounted to 89 cents compared to 88 cents for the same period in 1978, after giving effect for 2-for-1 stock split payable April 12, 1979. "We are experiencing increased costs of funds and increased expenses due to the start-up of two new branches," Cress noted. "We are confident these locations and the new branch office on S. State St. will be positive contributors to future earnings," he added.

Good Things Growing In Michigan

After the long winter, you may wish to try a Michigan wine and cheese tasting party to welcome spring. Our state's 14 wineries produce every type of wine, including appetizer, dinner, sparkling and cooking wines, to rank Michigan sixth among wine producing states, according to the Michigan Department of Agriculture.

Michigan's 15 cheese factories produce about 33 million pounds of natural cheeses annually, with each variety distinctive in flavor, body and texture.

There are no firm or definite rules in matching cheeses and wines. Try mixing and matching to discover new combinations! For a perfect blend between cheese and wine, be sure neither flavor dominates. Light, dry white wines should be served with light cheeses that are delicate in flavor. Heavy, full-bodied wines should be served with cheeses with pronounced flavor.

When preparing a tasting party, allow four to six ounces of cheese and a half bottle of wine for each guest. Open red wines an hour before serving to allow them time to "breathe" and develop a full bouquet.

Cheese, with bread and crackers, helps to neutralize the palate between wines. Offering cheese in large portions permits guests to savor the amount they wish. Be sure to provide plenty of knives to avoid mixing various cheese flavors.

When serving wines, have guests sample dry wines first, white and red, then sweet wines, again offering white before red. Tasting a glass of sweet wine first spoils the tastebuds for drier wines. To keep from combining wine flavors and aromas, you will need to rinse out each glass after each wine.

For anticipated wine tastings, building a "library of bottles," a small wine cellar, is not a difficult task. A clean, dry, well-ventilated dark corner away from hot water pipes will do. Corking allows wine to continue maturing in the bottle. Store bottles horizontally so wine is in constant contact with the cork. This prevents the cork from becoming too dry and shrinking, which would let air seep into the bottle. If air should reach the wine, it begins to oxidize, losing its color, bouquet and aroma.

JV SOFTBALL TEAM: Chelsea High school's junior varsity softball team are off to a fine start this season, with their record standing at 2-0 in the league and 3-1 over-all. Team members are: back row, left to right, Diane Thompson, Laurie Voita, Beth Bush, Ann Eisele, Amy Unterbrink, Joanne Killelea, Shelly Weber; middle row, Krystn Steinhauer, Angie Inglis, Paula Haist, Cathy Wade, Diane Bareis; front row, Laurie Cobb, Cara Feeney, Molly Feeney, Donna Alexander and Kelly Hense. Not pictured is Pattie Schumann.

JV Softball Team Continues Hot Streak

Highlighted by yet another no-hit hurling performance by Amy Unterbrink the Chelsea High school junior varsity softball team took three out of three last week, demolishing Ann Arbor Forsyth, 22-4, on Wednesday, and taking a twin bill from Pinckney, 8-6 and 22-4. The red-hot JVs are now 7-1 on the season.

Wednesday's game was the first for Ann Arbor Forsyth and the all-freshman team played well. But the usual first-game jitters and a strong Chelsea team were just too much, as Chelsea jumped out to a 9-0 score in the first two innings.

Freshman Ann Eisele was given her first start of the season after just two brief relief appearances, and claimed her first win. Ann pitched three strong innings, giving up just one run and one hit, while she walked six, hit one and struck out six.

Shelly Weber replaced Eisele on the mound in the fourth inning in her first pitching assignment of the year. Shelly responded by pitching two good innings, giving up only three runs as Chelsea cleared the bench in the last two innings.

Cara Feeney led the JV hitting attack with three singles, while

Kelly Hense, Paula Haist, and Beth Bush each had two hits. Molly Feeney, Laurie Voita and Ann Eisele all had perfect days at the plate as Molly and Laurie each contributed a single, while Ann helped her own cause by doubling in the second inning to get the only extra base hit of the game.

Friday's doubleheader was cancelled because of poor field conditions, but the field was ready as Pinckney traveled to Chelsea on Saturday for a doubleheader.

The first game of the twin bill turned out to be an unusual one for Chelsea, as the two starting pitchers became locked in a tight pitching battle. Amy Unterbrink started for Chelsea and struck out nine batters in the first three innings on her way to her second consecutive no-hitter. She fanned 17 hitters, walked 10 and hit six batters.

Amy was matched for the first three innings by the Pinckney pitcher as Chelsea went into the bottom of the fourth inning in a scoreless tie with Pinckney. In the fourth the Chelsea JVs put their act together and with five hits, two walks and an error they collected seven runs.

However, the game wasn't over as the Pinckney girls rallied in the top of the fifth and scored three runs on two walks, an error and three passed balls. Again, in the top of the sixth, Pinckney rallied and pulled to within one run without hitting the ball. Unterbrink hit two batters and walked four, facing disaster with the bases loaded and just one out.

Amy settled down and struck out the next two batters to get out of the inning. Chelsea added an insurance run in the bottom of the sixth and Amy put Pinckney away without trouble in the seventh and Chelsea posted an 8-6 win.

Amy Unterbrink pitched her second no-hitter and set a JV pitching record, striking out 17 hitters as Pinckney failed to hit the ball out of the infield. The only balls that were where two groundouts to short and a pop-up to short.

Unterbrink has now posted a 2-0 record and in 14 innings has given up just one hit when pitching in relief against Ann Arbor Huron. She has struck out 30 batters while walking only 24. Coach Waller said that this is an amazing feat for a freshman pitcher who has only been hurling for one year.

In the second game, Ann Eisele started her second game for Chelsea and posted her second win as Chelsea broke Pinckney's back, 22-4. Ann pitched five excellent innings giving up just three hits and walking four, as she struck out seven batters. Ann was in trouble in the fifth inning as she gave up two lead-off singles to batters who scored on an error, but settled down and struck out the side to slam the door in Pinckney's face.

In the second game Chelsea put together a strong hitting attack as Paula Haist, Laurie Cobb, Cathy Wade and Ann Eisele each had two hits. Ann Eisele slugged her first home-run of the season in the fifth inning.

The Chelsea JV softball team has now posted a 7-1 record for the season. Cara Feeney leads the team hitters with a .569 batting average, including 13 hits in 23 official times at bat. Paula Haist is hitting .444 and leading the team with 25 runs batted in. Beth Bush, (.347), Cathy Wade, (.374), and Shelly Weber, (.454) have also provided excellent hitting power for the JV girls.

Hospital Child Care Center Plans Month

Chelsea Community Hospital Child Care Center has a variety of activities in May planned for the children enrolled.

The first week, children will be learning about zoo animals and wild animals. They will be discussing the names of the animals, what they eat and what types of homes they live in. The children will make animal puppets, collages of animal pictures and animal cages for their "zoo." The group will be reading many books on animals, acting out animal movements and sounds and learning whether the body parts of animals are the same as people's. They will also discuss how to treat wild animals.

The following week, the children will learn about the circus. Art activities during the week will include making clown faces, a trapeze from straws and circus puppets. Dramatic play will be emphasized during this week. The children will use the balance beam to be high wire artists and don clown clothes and makeup to become clowns.

Nutrition will be the next unit of study. Children will learn the names of different foods and the four food groups. They will learn the need for food in order to have energy and many other things needed to grow, work and play.

The children will taste and smell different foods. Various activities

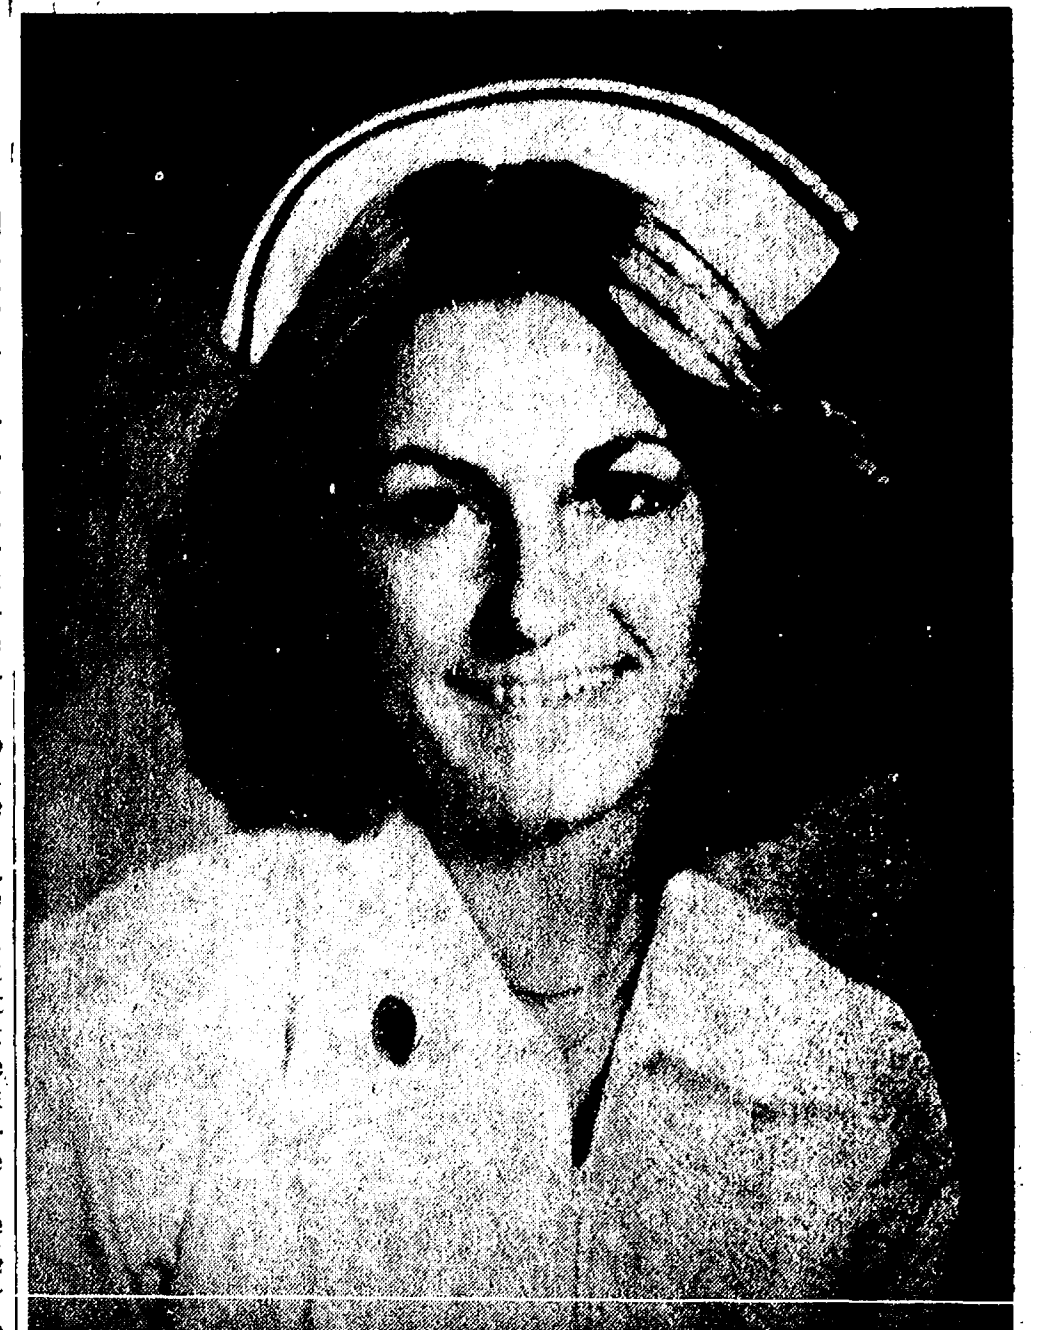

will help them learn about food sources and packaging. During this week, the group will walk to Polk's Market to explore varieties of cables and see how they are packaged.

In conjunction with the nutrition unit, the center will have its spring parents' meeting, Tuesday, May 22 at 7:30 p.m. Julie Say, Chelsea Community Hospital Nutritionist, will present information on nutrient requirements for preschoolers, and food acceptance problems and suggestions for handling them.

The center's teachers will also present information on nutrition education activities planned at the center.

The final week in May, the children will study various aspects of farms. They will discuss farm animals and learn new songs about farms. Questions such as "What does a farmer do?" and "What tools do farmers use?" will be answered. A field trip to a local farm is also being planned in order for the children to explore the realities of farm life.

There are still full- or part-time openings for children, ages 2½ through 7 at the center which operates from 6:30 a.m. to 5:30 p.m., Monday through Friday. It is located at St. Paul United Church of Christ, 14600 Old US-12. For further information, contact Corinne Priehs, 475-1920.

CHRISTINE DUERR, daughter of Mrs. Lina Duerr, 503 S. East St. and the late Adolph Duerr, graduated from Nazareth College with a bachelor of science in nursing degree Saturday, April 28. Duerr, who graduated magna cum laude, was honored by selection to Who's Who Among Students. She will be employed at University Hospital in Ann Arbor in the Holden Perinatal Unit.

CHS Tennis Team Downs Stockbridge, Loses to Novi

The Chelsea High school tennis team saw-sawed to another uneven week, as the netters lost to Novi on Friday, but defeated Stockbridge on Monday afternoon.

Friday's loss to Novi was by a 1-7 score. The only player to bring home a win for Chelsea was Tom Severn, who played three tough sets for the victory. He defeated John DeBrule, 6-4, 4-6, and 6-4.

Jeff Stirling lost his match to Magnus Anderson, 4-6 and 0-6. Scott Prohaska lost to Mike Rice, 0-6, 0-6; and Terry Shonk fell to Rob MacPherson, 0-6, 0-6.

Sarah Haselschwardt and Jeanette Morrison played outstanding

tennis, but were defeated by Paul Henderson and Steve Discher, 3-6 and 3-6. Arnel Minix and David Boyer lost to Dean Marshall and Greg McComas, 3-6 and 1-6. Joanne Westera and Doug Inglis fell to Sheri Alexander and Kent Kratz, 3-6 and 2-6.

Monday's match was brighter, as the Bulldog netters defeated Stockbridge, 4-3, bringing Chelsea's season mark to 3-3.

In singles, Tom Severn romped over his opponent, Dan McKune, 6-1, 6-3. Terry Shonk was defeated by Betty Zick, 6-2, 6-2. Scott Prohaska downed his opponent, 7-5, 6-0.

In doubles play, Morrison and Haselschwardt took a three-setter from Ron Stowe and Don Horst, 2-6, 6-0 and 6-3. Arnel Minix and David Boyer lost to Tom U'Ren and Andy Schneider in a three-setter. Joanne Westera and Todd Koch lost to Rick Soullieres and Julie Boos, 3-6, 1-6.

The Bible-The Light from Heaven

Instructs about obedience to civil laws. (Romans 13:1-7). In verse 1 we note the duty enjoined. "Let every soul be in subjection to the higher power." In order to urge us on in the performance of this duty, the apostle assigns some reasons. 1. Because of the wrath of God. The disobedient are punished. "They that resist shall receive to themselves damnation." The civil authority is the avenger. "But if thou do that which is evil, be afraid; for he beareth not the sword in vain." 2. Also for conscience sake. They are God's institution and command. "For there is no power but of God; and the powers that be are ordained of God." Because this is true, "he that resisteth the power, withstandeth the ordinance of God." 3. They are a necessity. They were designed to be "not a terror to the good works, but to evil. Those who do good need have no fear; to the contrary they shall have praise from the same." He (it) is a minister of God to thee for good. Because we have the benefit and blessing of civil government, we should preserve and support it. In verse 7 we read: "Render to all their dues, tribute to whom tribute; custom to whom custom; fear to whom fear; honor to whom honor."

UNITED WAY BUDGET STUDY: The budget committee of Chelsea United Way met for two long evenings last week to consider the 1980 fund requests from 13 Chelsea and Washtenaw County social service agencies. Left to right are William J. Voilano, executive director for Child & Family Services of Washtenaw County, Jerry Dresselhouse, budget committee chairman, Jeanette Tobin, Daphne Hodder, Dick Rigg, Bill Spade, Eleanor Hall and Tom Valliencourt.

UNITED WAY FUNDS REQUEST: Kenneth R. Brock, president of the Washtenaw County chapter of the Cystic Fibrosis Foundation, points to a chart as he appeals to the budget committee of Chelsea United Way for continued support in 1980. Seated at the head of the committee table is Chelsea United Way chairman Jerry Dresselhouse.

United Way Budget Committee Hears Agency Funds Requests

How much should Chelsea area families give this fall for the 1980 needs of Chelsea Recreation, Chelsea Home Meals, Chelsea Social Service and 11 other local agencies that serve the poor, the unfortunate and the handicapped?

These were the considerations faced during long evening hours last week by the budget committee of Chelsea United Way, principal fund raisers for social services that depend on Chelsea area citizens and businesses for support.

Jeanette Tobin, Daphne Hodder, Dick Rigg, Bill Spade, Eleanor Hall and Tom Valliencourt, along with committee chairman Jerry Dresselhouse, spent eight hours listening to presentations by agency representatives who came before the panel during two evening sessions in the Union Hall of Local 437 UAW on Main St. One member of the committee, Sandy Ellenwood, was absent because she was out of town.

The United Way committee received information and asked questions about the management of these social service organizations. The members wanted to know how well the money is being spent, how much of Chelsea area gifts actually reach the people for whom the money is intended. The committee also maintained a vigilant concern that other Washtenaw communities were contributing a fair share to the work of county social service agencies.

It was close to midnight of the second evening when the committee finished its review of all the numbers and viewpoints. Their recommendations will be presented to the Chelsea United Way directors in a meeting scheduled for Wednesday, May 9 at 7 p.m. in the council chambers of the Village Hall. The 1980 budget requests are the basis of the Chelsea United Way fund raising campaign which will begin in October. All meetings of Chelsea United Way are open to past, present or future donors to United Way campaigns.
