Blaze Destroys Hardware In Pinckney

A blaze of unknown origin ripped through several buildings in downtown Pinckney Wednesday morning, gutting Lavey's Hardware store on M-36 and two surrounding structures used by Lavey's for storage.

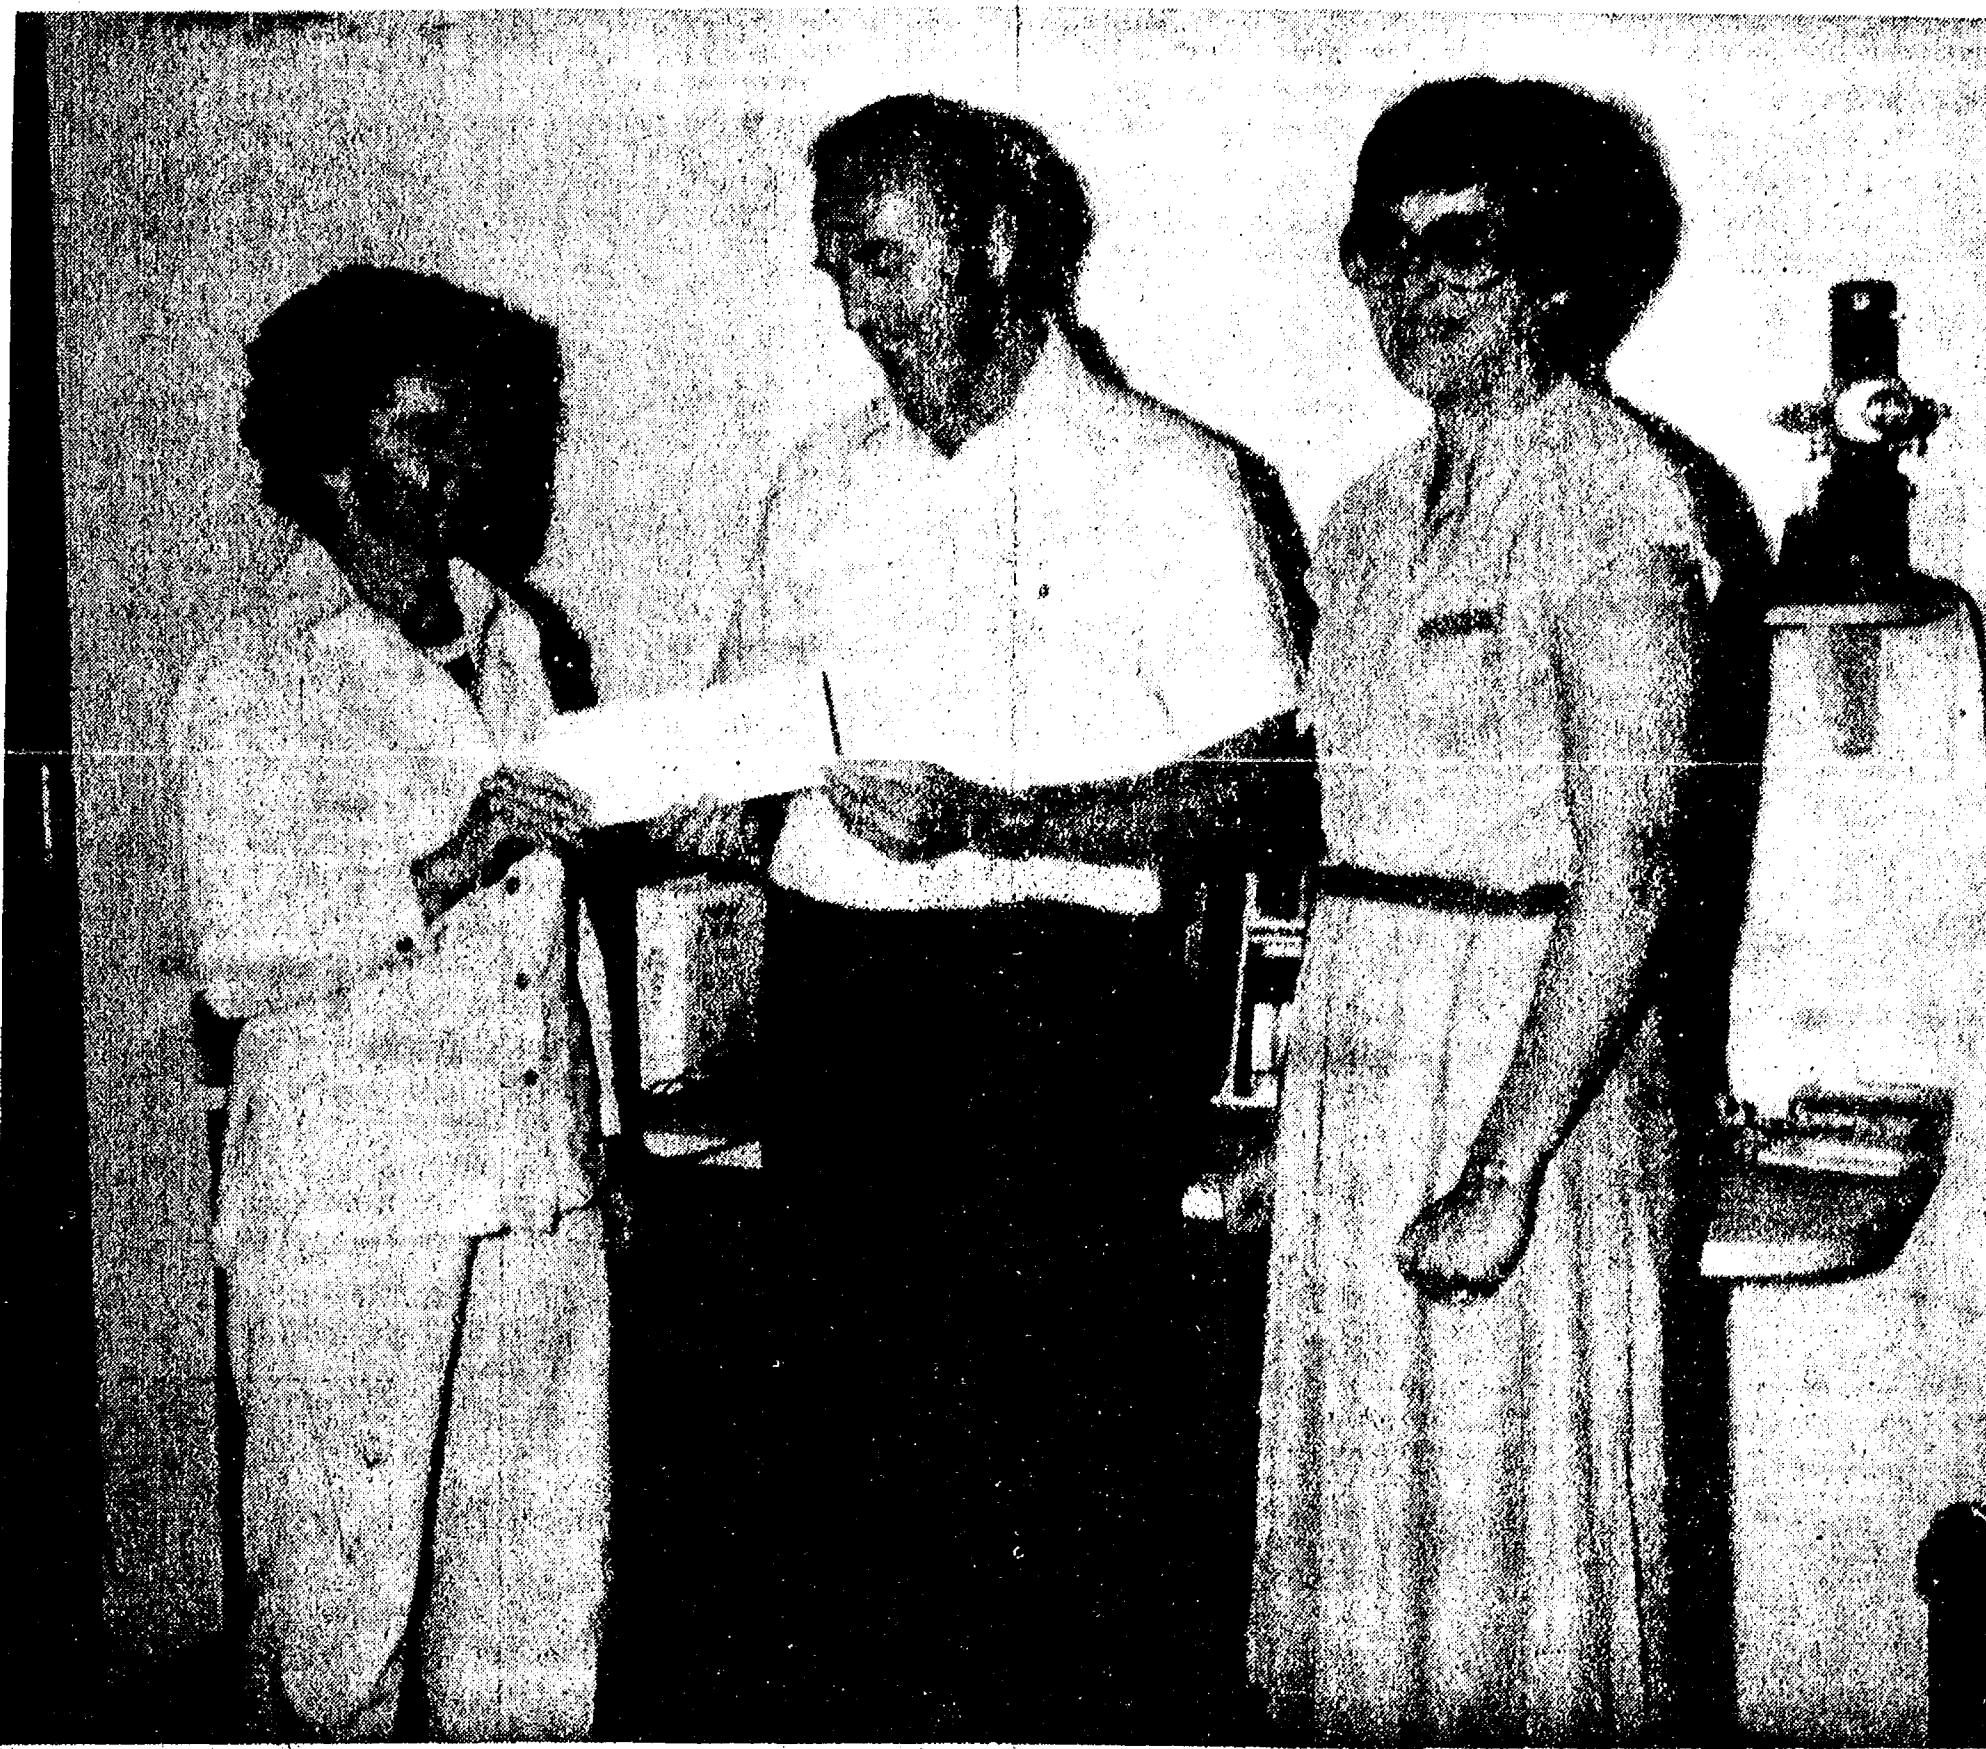

A spokesman from Pinckney's fire department reported hearing of one firefighter taken from the scene in an ambulance, but that report is unconfirmed.

Firefighters from Howell, Pinckney, Dexter, Chelsea, Gregory, Unadilla and Brighton battled the blaze which began around 10:30 a.m. in the upper story of the hardware store. At 3:00 p.m. firefighters were still sifting through the rubble and the fire had not yet officially been declared extinguished, according to the Pinckney spokesman.

Firefighter Dan Ellenwood rode on one of the two trucks Chelsea dispatched to the blaze and fought the fire on the upper level of the store. Ellenwood reported that the building looked intact from the outside except for the broken windows, but that the structure was "totally gutted" on the interior.

Pinckney firemen said that the three buildings were part of the hardware store complex, but that firewalls between them prevented the flames from spreading even more quickly than they did. A restaurant, Aunt Betty's, and an apartment above the restaurant received minimal damage.

Water damage was evident everywhere and the building's roof had collapsed. Firemen were still trying to determine the cause late Wednesday afternoon.

MEDICAL SCHOLARSHIP FUNDED: An art sale for the benefit of Chelsea Community Hospital, held some weeks ago by the Chelsea Painters, turned out to be a financial success, as evidenced by this \$500 check being presented to Dr. William Hawks

by Betty Maxwell, instructor and director of the Chelsea Painters. Gail Johnson, treasurer of the Chelsea Community Hospital Auxiliary, looks on at right. The \$500 will be deposited into the fund to support the A. A. Palmer Medical Scholarship.

Two Critically Hurt in Cycle-Auto Crash

Two young Chelsea residents were critically injured Thursday morning, June 14, when the motorcycle they were riding slammed into a car at the intersection of Old US-12 and Freer Rd.

Robert E. Swanberg, 20, 4895 Peckins Rd., and Julie A. Proctor, 19, 745 S. Main St., were riding eastbound on Old US-12 at approximately 11:34 a.m. when their 1978 Yamaha collided with a car just pulling into the intersection from Freer Rd.

Washtenaw County Sheriff's Department reports indicate that the car, driven by Jill Jones, 16, of Ann Arbor, had been traveling north on Freer and had stopped at the intersection. Jones then pulled out into the roadway, not seeing the cycle approach from the west, said the report.

The cycle skidded for 31 feet

before crashing into the auto. The sheriff's department report cited high weeds as an obstruction to the line of sight from the car.

Swanberg and Proctor were taken to University of Michigan Hospital in critical condition, both with severe head injuries, said Sheriff's Deputy Larry Thayer. Both were wearing helmets when the accident occurred.

According to a University Hospital spokeswoman, Proctor and Swanberg both underwent surgery for their injuries. As of Wednesday morning, Proctor was still listed in critical condition. Swanberg was reported in good condition following surgery Tuesday afternoon.

Deputy Thayer reported that the Sheriff's Department investigation is concluded and that no violation will be issued.

Amateur Radio Field Day Slated Saturday

Operating under actual field conditions, Chelsea Communications Club members and amateur radio operators in the Chelsea area will be active for their third year in the annual Amateur Radio Field Day sponsored by the American Radio Relay League.

Field Day is a test of radio com-

munications under simulated field-emergency conditions, operating solely on power generators and batteries. Hundreds of clubs and thousands of amateurs throughout the nation will erect antennas, set up stations, and operate in the field to test their ability to communicate with each other within the allotted time.

Club stations will operate continuously for 24 hours, beginning at noon on Saturday, June 23, at Park Sharon on M-52 south of Chelsea. Using the park through the co-operation of Dan Harsh, Washtenaw County Civil Preparedness Director, and the Washtenaw County Parks Commission, members will establish their stations and antennas, and emergency power equipment.

This annual function provides an opportunity for interested area residents to observe amateur radio communications in action. The public is invited to visit the station site at Park Sharon.

Minor Damage Done Monday in Risner Home Fire

Chelsea firemen were called to the scene of a fire in a house owned by Edward Risner at 5993 Clear Lake Rd., Monday afternoon around 4:30 p.m.

According to Fire Chief Jim Gaken, it appears that something on the stove overheated and set fire to the nearby wall. Damage was done to the wall and smoke

JANE MUSBACH, a Chelsea High school student, became a strawberry for a day as she passed out discount coupons for strawberry confections to be purchased at the upcoming Strawberry Festival. Sponsored by the Chelsea Hospital Auxiliary, the festival will fund the Auxiliary's treasury and will eventually be used to help the hospital. Persons with or without coupons may purchase the strawberry desserts on Sunday, June 24 from 3 to 6 p.m. on the hospital grounds. Tours of the complex will also be given. Alice Simpson, who created Jane's strawberry costume, will also be selling tickets on a U. of M. quilt that she made for the fundraiser.

Youth Horse Show Set For Sunday

Chelsea Jaycees youth horse show will be held at the Chelsea Fairgrounds on Sunday, June 24. Purpose of the show is to give area youth a chance to gain experience in competition before an audience in preparation for the fair show in August.

Contestants will be divided into two age groups, a junior group for those 13 and under, and a senior group for those 14 to 18 years old. There will be a separate class for ponies 54" and under. Twenty-six events will be run and six ribbons will be awarded for each event, along with an overall class trophy.

A complete list of scheduled events is shown in the ad elsewhere in this issue of the Standard. The registration table opens at 8:30 a.m., with the events starting at 9 a.m.

For an early morning starter the Jaycee Auxiliary will have coffee and doughnuts available. Later in the day they will have refreshments and a lunch concession set up.

Police Union Election Postponed

A union certification election scheduled for Tuesday, June 19, intended to determine whether Chelsea police officers would be represented by the Fraternal Order of Police (FOP) as their sole bargaining agent, was postponed Tuesday, pending resolution of problems regarding the original request for the election.

According to Police Chief Robert Aello, the FOP and the labor attorney for the village had not resolved certain problems stemming from the original petition by officers for the election.

When and if the differences can be resolved, the election may be rescheduled, said Aello.

Fireworks, Barbecue Set for 4th

Poultry and pyrotechnics will highlight the fourth of July, as the Chelsea American Legion Post 31 presents its annual fireworks display and chicken barbecue at the Chelsea Fairgrounds.

The Legion boasts 2,000 chickens done to perfection for the barbecue at noon, and \$1,800 worth of fireworks to be displayed at dusk.

Softball Team Wins Again in AA League

Chelsea's 16-18 ASA fastpitch softball team ran its record to 2-0 in the Ann Arbor Recreation League this past week.

Last Friday, Chelsea trimmed Dexter 2-1. Nanette Push was the victorious pitcher for Chelsea, striking out five Dexter hitters. Chelsea's offensive attack collected five hits off the losing pitcher, Dee Carpenter.

Chelsea left 11 base runners stranded in the seven-inning affair. After defeating Dexter, Chelsea went to work on Garris Law Of-

fices of Ann Arbor and trounced them soundly, 13-6. Anita Powell went the distance, tossing a one-hitter and fanning eight hitters in five innings.

Chelsea blasted 13 hits and scored 10 runs in the first inning. Molly Eisele collected two hits. Jennifer Ringe ripped out three hits while Nanette Push, Amanda Schwarze and Kim Wood added extra base hits for the winners.

Chelsea will take on Gabriel Richard at 7:50 p.m. at Vet's Park Diamond No. 2 this Friday, June 22.

Pastor's Anniversary Honored at St. Paul's

The congregation of St. Paul United Church of Christ, 14610 Old US-12, Chelsea, honored its pastor, the Rev. R. J. Ratzlaff on the occasion of the 20th anniversary of his ordination, with recognition services and a reception on Sunday, June 17.

Pastor Ratzlaff was ordained June 21, 1959 at his home church, Christ Church, Milwaukee, Wis., by the late Dr. Albert G. Gonser. St. Paul church is Pastor Ratzlaff's third parish since ordination. He served First Church, Watertown, Wis. for five and one-half years; United Church, Schleswig, Ia., 10½ years; and is presently in his fifth year of service to St. Paul's.

As part of the anniversary observance, Pastor Ratzlaff was presented with a new pulpit gown by president of the congregation, Dr. Charles Cox, and a banner of the United Church emblem, by staff assistant Mary C. Olney. A solo, based on the epistle lesson read at his ordination service, was

sung by Mrs. June Krebs, accompanied by Miss Olney. Mrs. Karey Johnson offered a viola solo during the offertory.

Following the service, a reception was held in the church lounge, with Lena Behnke and Linda Duerr hosting. Mrs. Behnke had baked a large three-tier cake with the United Church symbol, a cross, and miniature statuette of a pastor decorating it. Cake was served during the coffee hour reception.

Pastor Ratzlaff has a Bachelor of Arts degree from Elmhurst College, awarded in 1955; Bachelor of Divinity (1959) and Master of Divinity (1969) from Eden Seminary, and an honorary Doctor of Divinity degree awarded by Midwestern College, 1970. He has been honored with listings in Who's Who in Religion and Personalities of the West and Midwest. He has done graduate work at the University of South Dakota and the University of Michigan-Institute of Gerontology.

Girls Softball Teams In 2nd Week of Action

Girls Recreational Softball Leagues, the Midnets and Junior Misses, played their second full week of contests last week.

In the Junior Miss League (girls aged 11-14), Gail Paxton's Candy Kisses started their Wednesday night contest with Kris Matloff on the mound. Kelly Hawker took starting duties for Betsey Ebbitt's Red Devils, who took charge in the third inning with a home run from Jennette Rouse. The Devils emerged victorious, 25-11.

Second game of the evening featured an exciting come-from-behind victory. Karen Tobin's Orange Crush squad took an early lead behind the pitching of Joann Tobin. Sue Messner started on the mound for Vicki Molsinger's Black Panthers.

The Panthers made their comeback in the bottom of the fifth on a home run slammed by Margie Rawson. Dianna Parker then stole home to tie the score. Jean Folsom stepped up and laced a

Landfill Stickers Required

The July 1 deadline for replacing Chelsea Sanitary Landfill cards with the new vehicle stickers is quickly approaching.

After that date, users of the fill must display a sticker on the glass inside of the vehicle where it is visible from the outside. If a vehicle is sold, the owner should remove the sticker from the glass and return it for a new sticker.

If anyone has a load for the landfill which cannot be carried in the vehicle with the sticker, he must apply to the Village of Chelsea office at 104 E. Middle St. for a one-day permit to use another vehicle.

Village residents may pick up their stickers at the village office. Residents of the various townships must obtain their stickers at their respective township halls. Vehicles without stickers will not be admitted to the site after June 30.

Two Hurt in Crash Near Manchester

Two Manchester residents were injured Monday evening when the car in which they were riding slid into a ditch on the edge of M-52 and overturned.

Manchester police said that the driver of the car, Mark A. Siler, 20, of 13175 Pleasant Lake Rd., was driving northbound on M-52 between Manchester and Chelsea when the auto left the roadway. Siler attempted to guide the car back onto the surface, but lost control and careened sideways into the roadside ditch.

Passenger Timothy Arnett, 17, of Manchester was thrown from the car upon initial impact, police said, after which the vehicle rolled over at least four times.

Siler was trapped beneath the twisted wreckage and Chelsea fire department was called in with heavy equipment to extricate him from the car.

Both were taken to Chelsea Medical Center, reported Manchester police, and no serious injuries were sustained by either. Manchester police are still investigating the incident.

Volunteers Prepare Horse Barn for Fair

On June 14, the Chelsea Community Fair held another work bee. Hinges on the horse stalls were removed 21st impact wrenches. The stalls will be moved to the old horse barn, which will be used for the 1979 fair.

Those participating in the work were Lloyd Grau, Bill Stofor, Charles Staphis, John Wellnitz, Harold Trinkle, Dan Grau, Frank Renton, Mary Ann Guenther, Jerry Herrick, Kay Poljan, Joe Merkel, III, Harold Gross, Mark Staphis, Scott Otto and Reuben Lesser, Jr.

These people volunteered to prepare the fairgrounds and buildings for this year's event. The newly installed tile drain was inspected. It will drain off surface water

from the Firestone plant. The manhole, tile and catch basin were constructed by the Klink Excavating Co.

After the bee, an informal meeting was held in the Hickory Room. Protection and safety measures (Continued on page three)

High School Report Cards Are Ready To Be Picked Up

Chelsea High school Assistant Principal Sam Vogel has announced that students may pick up report cards at the high school office Monday through Friday from 9 a.m. to 3 p.m. High school report cards will not be mailed.

HELP FOR POLICE AUXILIARY: Whitey Andrews, second from right, and Al Feldman, far right, of Dana Corp., present a check for \$810 to Chelsea Police Chief Robert Aello, for use in purchasing equipment for the Chelsea Police Auxiliary. Auxiliary Policeman and Dana employee Phil

Boham, far left, first presented the idea of the contribution to Dana. Andrews said that there are certain organizations within the Village that Dana feels need all the support they can get, and the Police Auxiliary is one of them. Funds for the donation came from Dana's general fund.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

They use to say a college had gone, book-learning crazy if it had rules like a ball player had to be able to read the letter he won before he could wear it on his sweater. That must of been before things got slack. Zeke Grubb told the fellers at the country store Saturday night that at California State University athletes not only ain't expected to know anything they are discouraged from learning anything.

According to the piece Zeke had saw, seven basketball players at that school say they didn't get what they were promised with their scholarships, a education. They are suing the school for what amounts to a breach of contract, Zeke said, claiming they were denied the chance to take subjects that would do them any good. The toughest course one said he took in college was "The Theory of Basketball," and the coach made arrangements for another student to take the final exam so as not to worry his starter with such trifles. That was after the school got other students to take tests so the players could get in the school in the first place, Zeke said. Another complained that the school had the nerve to take back the car it had give him when he left the team.

Practical speaking, reported Zeke, you would think the athletes don't have a case. They was showed the easy way, and they took it. But the item Zeke read said the seven are wanting \$2 million apiece for their ignorance, which is the kind of money that could make stupidity even more popular than it is. On the other hand, Zeke went on, if these boys think a college education is worth \$2 million, students that work hard for four year and learn how to make their way in the world for only \$20,000 might start thinking they got a bargain.

Clem Webster wanted to know if the boys would settle for another scholarship, with the understanding they had to pass the test to get in. That's what college sports is coming to anyhow, Clem allowed, since players can't let study get in the way of games and practice, and they're doing one or the other all the time. What we ought to do, Clem said, is hire athletes to represent schools the way city-

ies pay teams to play. Then after they get too old to play there's plenty of time for serious study. College sports is to big to be hurt by a bunch of boys setting in class gitting fat when they could be on the field gitting in shape, was Clem's words.

Mister Editor, I ain't never been denied a decent education anywhere for the simple reason that I ain't never ask for one. But I am of a mind that if we have reached a place in this country where our courts will listen to cases of a man suing his parents for malpractice because he didn't grow up rich and famous, and of college ball players wanting \$2 million because they didn't learn nothing we had ought to ask ourselves what we mean by justice. I put them in the class with the feller that said his drunk driving case ought to be thrown out because he was to drunk when he was arrested to decide whether to take the drunk test.

Yours truly,
Uncle Lew

Solution To High Utility Rates
Attorney General Frank J. Kelley has offered what he thinks is a solution to holding down utility rate increases.

Under a plan devised by the attorney general, members of the Public Service Commission would be directly elected and staff members of the PSC would come under control of the legislature.

As now constituted, Kelley charges the commission does not serve the public, but guarantees profits to the utilities and "in many cases (the staff) ask for higher rate increases for the utilities than they petitioned for."

Kelley noted currently the commissioners are appointed by the governor for six-year terms and they "become faceless bureau-

crats." Instead, the commissioners should be directly accountable to the electorate and elected to their posts, he said.

Fourteen states currently provide for the election of public utility commission members.

If the commissioners still become "faceless" even after being elected, then it's the people's fault.

Kelley indicated the commission staff should be put under legislative control to ensure its independence from the utilities. He said now several commission staff members are former utility employees who seem to favor the utilities over the public.

In previous years, measures have been introduced requiring election of commissioners and prohibiting commission staff members from being employed by utilities, and have failed, Kelley, however, said he believed his proposal will pass the legislature this year because consumers are fed up with utility rate increases.

Other proposals offered by Kelley aimed at holding down utility rate increases would provide a \$5 per day credit for all utility customers whose service is disrupted for more than three hours on any day and require utility stockholders to assume the costs of "white elephant" power plants that cost more than originally estimated.

Gus Harrison Ends Public Service

Michigan is losing a valuable public servant at the end of June with the resignation of Gus Harrison, the developer and director of the Michigan State Lottery — the nation's most successful state-run lottery.

Harrison, who will embark on a new career as a consultant to state lotteries, has now completed 20 successful public service careers. For 19 years before taking over the helm at the lottery, he was director of the Michigan Department of Corrections and served as warden of the Southern Michigan Prison.

Under the direction of Harrison, the lottery is averaging well over \$1 million a week in profits and has added funds to the state's general fund that would have otherwise had to come from taxpayer's pockets.

Since November 13, 1972, when the first state lottery ticket was sold, Harrison's leadership has produced numerous new games to continue to hold the interest of Michigan citizens.

Never has such a dedicated state employee single-handedly brought more funds into state coffers to prove his worth as director—often referred to as a czar—of the Michigan State Lottery.

Bike Ride Through Hell Slated July 14

An expected 700 bicyclists from all over the country will be riding through Hell Saturday, July 14 as participants in the third annual "One Helluva Ride."

Sponsored by the Ann Arbor Bicycle Touring Society, the ride will give bicyclists a choice of three routes—50 km., 100 km., and 160 miles.

Each loop of the ride travels through Hell, which is located just 20 miles east of Eden and 400 miles south of Paradise. A seven-color patch will be awarded to those who complete the ride.

This year's ride has several unique features, including a child care center, sleeping bag space for campers and a chicken dinner put on by the Future Farmers and Future Homemakers of America in Dexter.

Rain or shine, the ride starts at Wylie Middle school in Dexter, at 7 a.m. Paul Malboeuf of Chelsea is co-ordinator for the ride. "The routes have been selected for the low traffic density and the beautiful scenery," said Malboeuf.

A mobile bicycle repair van will be touring the routes to take care of minor bike repairs. Sag wagons will also be touring the routes. ARROW, a ham radio relay league, will have several vehicles at key points along the routes to keep track of riders and to provide communications in the event of an emergency.

Riders may register early on Friday from 7 to 9 p.m. at Wylie Middle school in Dexter, or Saturday at 6:30 a.m.

The registration fee for the ride is \$4 before July 1. After that date, the fee will be \$5. Dinner is \$3.75 for advance registrants only. Sleeping bag space is \$1.25.

Your children could save a life, with a little help from you and your telephone.

Michigan Bell... people who enjoy serving people.

If you have children at home, would they know who to call in case of a fire, accident or sudden illness? Be sure you have listed near your phone the numbers of your doctor, hospital, poison control, police, fire department and other emergency numbers. Show your children how to find those numbers, how to dial them (if they don't already know), how to call the operator; let them know if 911 can be dialed for fire, medical or police help in your area. Write down your home address near these numbers, too, so your children or your baby-sitter can give it to people who need to find your home in a hurry. (But, for safety's sake, you should instruct them not to give your address or other information to strangers on the phone.) Your telephone can be a lifesaving help in an emergency. Teach your children how to use it for their protection and yours.

NELSON-SHOLTY: Mr. and Mrs. John Nelson of Chelsea have announced the engagement of their daughter, Catherine Ann, to Craig Lee Sholty, son of Mr. and Mrs. Dwight Sholty of DeWitt. The bride-elect is a 1978 graduate of Lee High School in Wyoming, Mich. Mr. Sholty is a graduate of DeWitt High School. An Aug. 18 wedding is planned in Wyoming.

Beef Referendum Hearings Scheduled

Producers should be aware of the beef research and information program. If a majority of voting producers support the program an assessment will be made on producers' receipts for the sale of cattle.

The expected beginning assessment would be 2 percent of the value of each animal slaughtered; the maximum allowable assessment under the Beef Research and Information Act of 1976 is .5 percent.

Five public hearings have been scheduled in June in Dallas, Pittsburgh, Atlanta, Reno and Des Moines. The Secretary of Agriculture has the responsibility to determine if an order permitting research and information activities should be issued. Local offices of the Agricultural Stabilization and Conservation Service (ASCS) will conduct the referendum. Producers must register 10 days prior to the referendum.

In 1979, Detroit telephone customers were first in the nation to be assigned phone numbers to facilitate handling calls.

JC Auxiliary Plans Summer Season Events

Regular monthly meeting of Chelsea Jaycee Auxiliary was held Tuesday, June 19 at the home of the hostess, Denise Martell. Co-hostess for the evening was Jill Compeau.

Summer projects were discussed. In June, the Auxiliary will be busy assisting the Jaycees with their horse show both by registering the riders and operating a food concession stand. Jaycees and Auxiliary will have a pool party on June 30.

July and August will find the group busy preparing for sale of tacos during the sidewalk sales and helping the Jaycees with the fair float and bingo tent during the fair. They will also be raising money for MD and holding a husband's appreciation steak fry.

Special guests for the evening were Annette Hermetz and Kelly Love who represent the Handicapped Riders Program. They presented a slide program and passed out informative brochures regarding the program. The Auxiliary is very interested in this area as it has found great reward in helping with the Special Olympics children.

Nan Rowe received Jaycette of the Month for May. Nan Rowe and Denise Martell received gifts from Carol Smith for their assistance with her year's planned program.

VFW Auxiliary Hosts Children from National Home

Chelsea VFW Post No. 4078 and Auxiliary hosted 88 children and chaperones for lunch at the Post Hall, as the group was returning to the National Home in Eaton Rapids after spending the day at Cedar Point.

National Home Chairman Byron Smith and Auxiliary Chairman Betty Smith planned the lunch and were assisted by post and auxiliary members Mac Packard, Carl Heldt, Eulabee Packard, Lucy Platt, and Dorothy Lentz.

Women who helped furnish the food but could not be present were Gertrude O'Dell, Darlene Cozzens, Fran Zatorski, Nina Matthews and Sandi Ellenwood.

The children personally thanked each of the women for the lunch they were served.

Chelsea Co-Op Nursery Offers Water Workshop

Are children bored with summer vacation already? Chelsea Co-Op Nursery will be offering a water workshop on the theme of water Wednesday, June 27, 9 to 11:30 a.m. for three-, four- and five-year-olds.

Price is \$2.50 for one child or \$3.50 for two or more children in one family. Limit on enrollment is 11 children.

For reservations, call Kathryn Bradbury at 475-8316 by June 25. Other workshops will be announced throughout the summer.

Mr. and Mrs. Gary F. Zenz

Carole G. Dietle, Gary F. Zenz Exchange Vows in Ann Arbor

Wedding vows were exchanged by Carole G. Dietle and Gary F. Zenz at Bethlehem United Church of Christ, Ann Arbor, on Saturday, June 2. The 6 p.m. ceremony took place before an altar decorated with white roses with the Rev. Oral L. E. Williamson officiating. Parents of the couple are Mr. and Mrs. Lawrence Dietle of Chelsea, and Mr. and Mrs. Clifford Zenz of Dearborn.

Given in marriage by her father, the bride wore a white Bianchi gown featuring a bodice of reembodyed Alencon lace and pearls, with capelet sleeves and a softly draped chiffon skirt ending in a chapel train. Her short circular veil fell from a matching lace camelot cap. She carried a bouquet of pink roses, stephanotis and ivy.

Joan Boyer of San Diego, Calif. was her sister's matron of honor. Bridesmaids included Laura Zygnowicz of Garden City, sister of the bridegroom, Laurel (Lancaster) Smith of Chelsea, and Cindy Reynolds of Ann Arbor. Their dresses by Bianchi were softly gathered at the shoulder and featured a tulip hemline. They carried bouquets of pink and red roses, purple statice and ivy.

Laurie Boyer, niece of the bride, as flower girl, wore a long white organza pinafore over coral jersey, and carried a small basket of flowers matching those of the bridesmaids.

Mrs. Dietle, mother of the bride chose a long willow green chiffon gown, the bodice featuring a wide pleated bertha.

Mrs. Zenz, mother of the bridegroom, wore willow green chiffon, with a full skirt and long sleeves ending in ruffled cuffs. Both mothers carried white orchids.

Best man was Donald E. Meyer of Dearborn, while David Dietle, brother of the bride, from Ann Arbor, Michael Lagerstrom of Westland, and D. William Young, Jr., of Royal Oak, were groomsmen.

Music during the ceremony was provided by June and Clare Wagon of Chelsea, who sang "The Lord's Prayer" and "One Hand, One Heart."

After a dinner dance at Win Schuler's Marriott Inn, Ann Arbor, the newlyweds left for a Caribbean cruise. They are living at Cloverlane apartments in Ypsilanti.

The bride is a 1977 graduate of Albion College and is employed in the office at MacDermid, Inc. The bridegroom, a 1976 graduate of Michigan State University, is an engineer with Ford Motor Co. in Dearborn.

Parties for the bride were given by Yvonne Kukla, Loretta Marano, and Billie Zenz of Dearborn, Cindy Reynolds of Ann Arbor, and by Helen Lancaster and Laurel Smith, and Anne Belsler and Jane Wolf, all of Chelsea.

A Weekly Report from
State Rep. Mary Keith Ballantine

Week of June 18-25

OLD PLATES—To meet collector demand, the Secretary of State is selling all leftover 1976 bicentennial license plates for \$1.00 each. Proceeds go to the Motor Vehicle Highway Fund. Call your local S/S office to find out where to get them.

TICKETRON OK—Both houses have now approved SB 214, which allows the use of computer ticket-selling devices—"ticketrons"—in Michigan. These would add a surcharge to tickets and make them available in shopping malls and other retail areas.

HOT SEAT?—The Department of Labor has pointed out that there is no law, standard or rule relating to temperatures in the workplace, so no matter how hot it gets this summer, there is no point at which an employer must send workers home.

GRANT'S TOMB?—The Senate Municipalities and Elections Committee has voted to remove from the 1979-80 budget the state's annual \$800,000 grant for the Pontiac Silverdome. There have been previous attempts to remove this on the basis that it is a gift to private enterprise, not a public agency. However, the House has always voted to retain the grant.

FOOD THOUGHT—Under present law, all school districts must begin breakfast programs this fall. However, a special House subcommittee is now studying HB 427 and 4503 which would allow local voters to decide whether or not to have them. Breakfast supporters say the program helps children learn better; opponents say it increases costs and disrupts family lives.

BUSY SIGNAL—Now in the House is SB 150, which would prohibit the use of automated-dialing, push-button or tone-activated devices for pre-recorded commercial telephone messages. However, they could be used if a telephone subscriber has said it's OK or given his number to the caller. There have been several complaints about such "robot" calls.

FEARSOME FIBER—The Department of Public Health has reported that a continuing examination of 1,510 schools in 71 counties has turned up 149 asbestos-containing materials from schools in 32 counties. Asbestos was used in building materials before its health hazard was known.

LEGAL MATRIMONY—Governor Milliken has signed into law HB 4489, which allows a federal judge to perform marriages in Michigan. Others who can do so are the clergy, mayors, city clerks, district magistrates, and judges of the district, Common Pleas, probate and municipal courts.

LAB TABOO—The Attorney General has ruled that under the new Public Health Code, physicians may not tell their patients to get any drugs or treatments, even if necessary, at a laboratory or business in which the physician has a financial interest.

Area Students Graduated From MSU

A number of area residents were among the 4,984 students awarded degrees at spring term commencement exercises at Michigan State University June 9.

Graduating from Chelsea were Teresa L. Gilbreath, 8216 Beeman Rd., BA in advertising; Susan M. Ottoman, 12835 Waterloo Rd., BS in nursing; and Paul A. Wood, 646 Flanders St., BA in public administration. Wood and Ottoman graduated with high honors.

Also receiving a diploma was Jean M. Gunther of Dexter, 9180 Dexter-Chelsea Rd., with a BS degree in horticulture.

Two Gregory residents earned master's degrees this spring. Elaine Grogan, 13100 Worden Rd., received a Master of Social Work degree, while James Hanson, 13236 Joslin Lake Rd., earned his MA in counseling.

Manchester was represented at the commencement exercises by three graduates. C. D. Kniashynsky, 11140 Pleasant Lake Rd., earned a BS in retailing clothing and textiles; Kurt B. Kocinski, 123 Riverside Dr., was awarded a BS in electrical engineering; and Laura L. Young received her MA in reading instruction.

Theft Reported From Vehicle In Dealer's Lot

Lloyd Bridges Chevrolet dealership reported missing to Chelsea police last week a truck tailgate, stolen from a new vehicle in the lot.

Dick Lloyd of Lloyd Bridges told police that the missing tailgate, filched from a 1979 Chevy pickup parked in the new car area at the dealership, was discovered Monday morning, June 11. It was valued at \$154.

Also taken was a full wire wheel cover, missing from a new car parked in the same lot. The items were apparently pilfered over the week-end while the dealership was closed.

CHELSEA POLICE are sporting a spiffy new look lately, the result of a change in uniform style and striking new emblems on patrol cars. Sgt. Lenard McDougall, left, and Chief Robert Aello model the dark blue shirts and light blue ties that replaced the old sky blue shirts and black ties. Except for a slight change in hat style, and new

Federal Crop Insurance Acreage Report Due Before June 30

USDA's Federal Crop Insurance District director, Harlin G. Stull, reminds farmers carrying "all-risk" protection on their corn and/or soybean crop to report the number of acres and share as soon as planting is completed but not later than June 30.

No reports of damage can be accepted until a report is on file with the office located at: FCIC, 1123 W. Chicago Rd., Coldwater 49036.

Farmers wishing assistance may contact the office or telephone (517) 279-8471.

Farmers Should Report Plantings To ASCS Office

All Washtenaw county farmers are reminded it is necessary to report planted crops by July 2. More than 960 farms are signed up in the 1979 Wheat & Feed Grain Set Aside Program. It is a requirement that these producers report the planted crops for eligibility of program benefits.

All participating farms will be spot checked this summer by airplane. Slides will be reviewed in the County Office for accuracy of reporting.

Also, all other non-participating farmers should report crops for

history purposes for future programs.

YOU'VE GOT MY WORD ON IT.

There may be bigger used car lots in the area. But there aren't any that are better than Rampy's. You've got my word on it. I'm Bill Miller, Used Car Sales Manager for Rampy Chevrolet.

I'm responsible for seeing to it that when someone buys one of our used cars, he's got more to depend on than a smile and a handshake.

I personally decide which used cars and trade-ins will stay on our lot. And because I'm careful about the cars I choose, Rampy can back me up with both his good name and his OK Used Car Sticker.

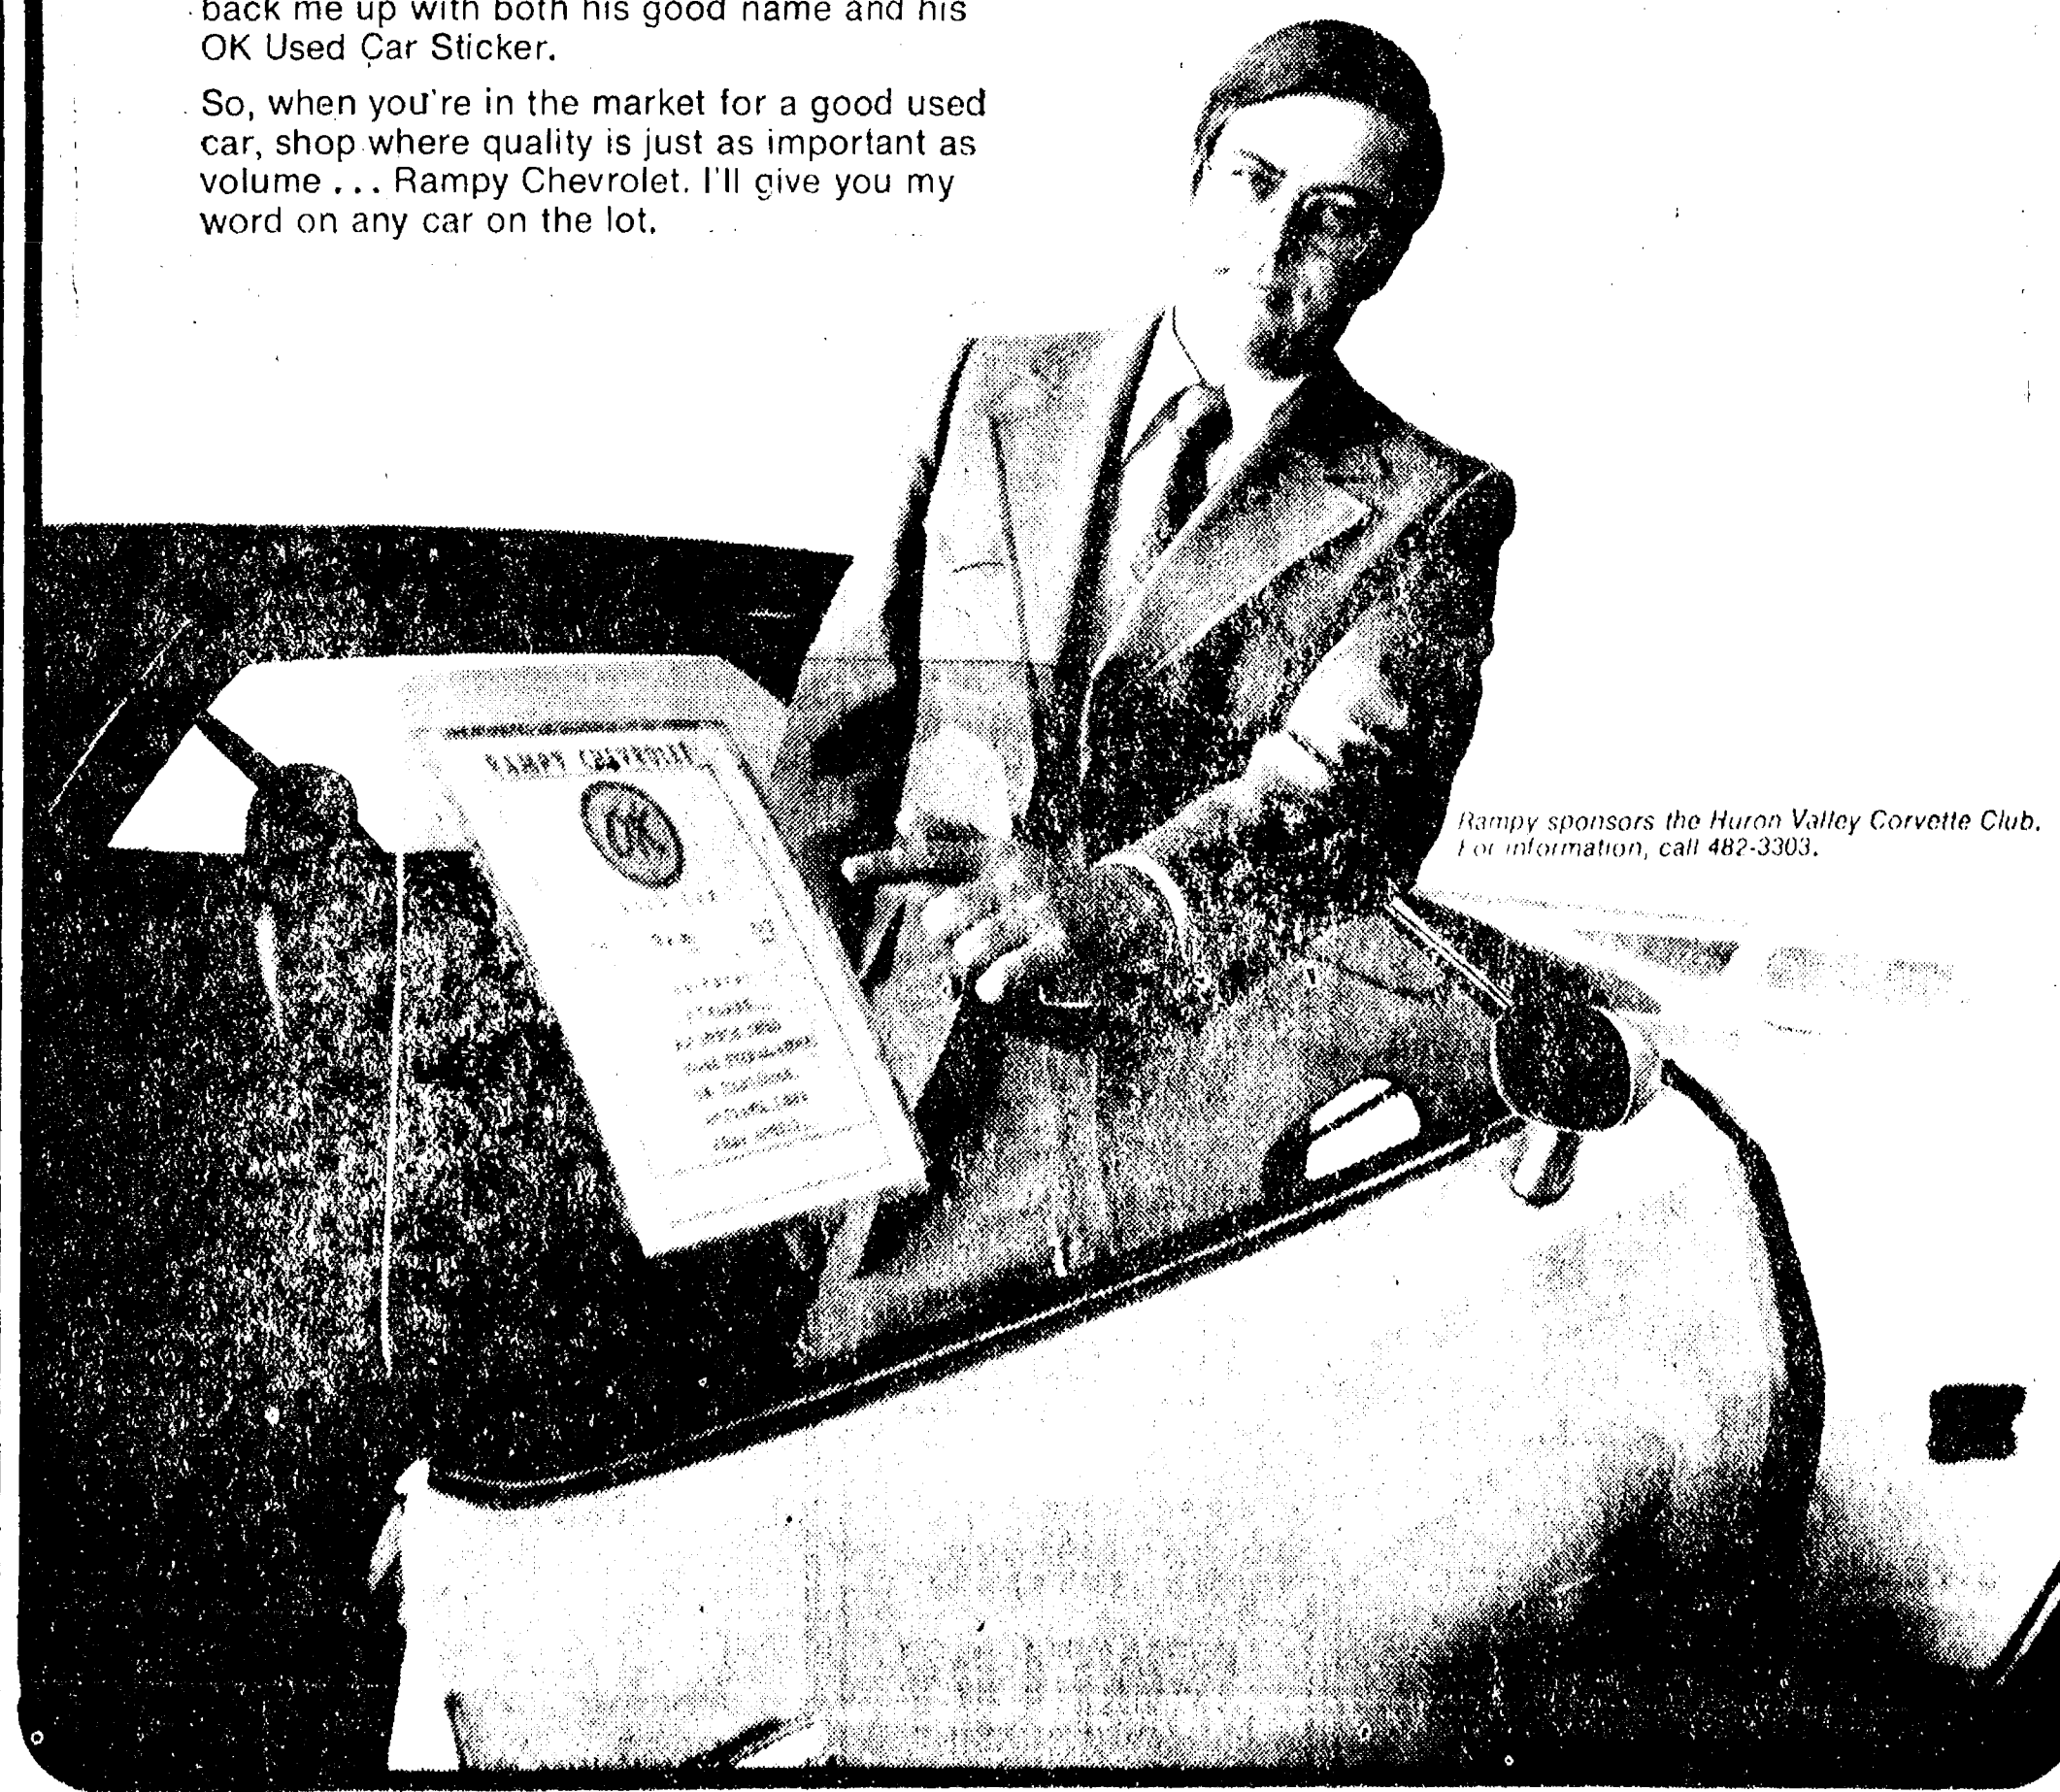

So, when you're in the market for a good used car, shop where quality is just as important as volume... Rampy Chevrolet. I'll give you my word on any car on the lot.

Rampy's not just selling cars, he's selling service.

single to drive in the winning run. Panthers edged the Crus, 19-18.

Last Friday, a make-up game was played. Karen Tobin's Orange Crush was demolished by Bersey Ebbitt's Red Devils, 34-9.

Beth Unterbrink pitched the first two hitless innings for the Devils. Starting for the Crush was Kim Forner.

The Crush attempted a comeback in the fourth inning, with all of their nine runs, including a homer by Joyce Roberts, but the rally fell short.

Monday night, Donna Stofor's Blue Eyes continued a modest winning streak by beating the Orange Crush, 23-6. Mara Petsch continued her fine pitching with four strike-outs.

Gail Paxton's Candy Kisses recorded their first win Monday, by besting the Black Panthers, 24-19.

Kelly Fletcher started on the mound for the Kisses in the close contest. A profusion of hits combined with good baserunning and stealing contributed to an exciting game.

In the Midget League (girls aged 8-10), Ken Unterbrink's girls started off the season right with

their first win, a victory over Bonnie Basso's squad by a score of 17-4.

Starting on the mound for Unterbrink was Traci Modrzejewski. Alisha Dorow handled the starting pitching duties for Basso.

Second game of the evening was highlighted by homers off the bats of Karen Weber, Jenny Pichlik, Laura Walton, Michelle Easton and Deana Slusher, all for Nancy Pichlik's team. Kim Collins shouldered pitching duties for Pichlik and Paula Kuzon was Anne Schaffner's starter. Pichlik's team, sparked by the round-trippers, romped, 22-3.

Rapidly increasing home prices and higher interest rates have contributed to a greater reliance on dual incomes to secure Veterans Administration guaranteed home loans. Last year, 41 percent of the approved applications listed income from veterans and spouses, compared to 30 percent in 1974.

Against Brighton, Mark Ianni and Korschuh led in hitting with two each, as Korschuh pitched a five-hitter, struck out five, walked one.

Despite two hits each by Brian Hochrein and Jay Garrett, Dexter's second outing against Ramapo ended in a 6 to 5 Ramapo victory.

Jackson then beat Dexter, 4 to 2, with Ianni leading with two hits. Ianni led again in the second Jackson game with two hits and two RBIs, but failed to offset an 11 to 3 defeat.

Leading hitters and their records thus far are Mark Ianni, .461, RBIs: Gary Dils, .444, 5 RBIs; Byron Korschuh, .375, 5 RBIs; Al Augustine, .364, 4 RBIs; and John Conlin, .353, 3 RBIs. Others on the team are Mike Claffey, Keith Corson, Mike Eisele, Brant Garber, Mike Machesky, Gary Neff, Rich Neff, Harvey Proctor, Jeff Valerio, and Bob Vasher.

It is nearly as far from Copper Harbor in Michigan's Upper Peninsula to Detroit as it is from Detroit to New York City.

DEATHS

Mrs. Charles Fletcher Dies Sunday at Hospital Following Brief Illness

Mrs. Charles (Louise) Fletcher, 428 W. Middle St., died Sunday, June 17 at Chelsea Community Hospital following a brief illness. She was 55.

Mrs. Fletcher was born March 5, 1924 in Hendricks, Ky., the daughter of Daniel Boone and Cora Tibbs Risner. In 1941 she was married to Charles Fletcher, who died May 31 of this year.

Mrs. Fletcher was the youngest of eight children. Five preceded her in death: Christine Combs, Ulla Kimbner, Myrtle Risner, Hardest Risner and Dorcy Risner.

Survivors include one son, Bob Fletcher of Gregory; five daughters, Mrs. Leonard (Shirley) Simonson of Central Lake, Mrs. Bennie (Wanda) Thomas of Gregory, Mrs. Harold (Helen) Barth of Dexter, Mrs. Philip (Connie) Musolf of Dexter and Mrs. Vickie McIntosh of Chelsea; 16 grandchildren; two sisters, Mrs. Mabel Holbrook and Mrs. Lara Holbrook, both of Salyersville, Ky.; and several nieces and nephews.

Funeral services were held Wednesday, June 20 at the Staffan Funeral Home with Pastor Cledys Whitaker officiating. Burial followed in Oak Grove Cemetery.

Mrs. Chris Bauer Dies at Nursing Home

Mrs. Myrtle Estelle Bauer of Cedar Knoll Rest Home, Grass Lake, a former Chelsea resident, died Friday, June 15 at the home. She was 96 years old.

Mrs. Bauer was born Feb. 15, 1883 in Chelsea, the daughter of Samuel and Lena Hunter Guerin. In 1900 she was married to Chris Bauer, who died in 1944.

Mrs. Bauer spent her married life in Albion, where she was a member of the Albion United Methodist church and a life member of OES No. 124.

She is survived by two daughters, Mrs. Thomas (Irene) Bennett of Cedar Lake, Chelsea, Mrs. Gladys Whitehouse of Oklahoma City, Okla.; two grandsons, Thomas Bennett of Alpena and James Bennett of Chelsea; and two granddaughters, Christy Bauer of Grand Rapids and Jeanie Hall of Albion. A son, Walter, died in 1959.

Graveside services were held Monday, June 18 in Oak Grove Cemetery, with D. Wayne Fleener officiating.

Arrangements were made by Staffan Funeral Home.

Carl Genske Heads Local U-M Club

Carl F. Genske, State Farm Insurance Agent of Dexter and former Chelsea High school teacher and baseball coach, has been elected president of the University of Michigan Club of Ann Arbor.

Genske is the chief officer for the 1979-80 year. Other officers elected are Howard Gerlach, president-elect; Bill Hart, secretary; and Franz Brenner, treasurer.

Genske acts as official scorer at Michigan basketball games and serves as a linesman for football.

The U-M Club of Ann Arbor had a record high 807 members during the 1978-79 year. In addition to supporting three academic scholarships, the club contributed more than \$8,000 to the men's and women's athletic programs.

Miss Myra M. Snow Former North Branch Resident Dies Saturday

Miss Myra M. Snow, a resident of the Chelsea United Methodist Retirement Home, died Tuesday, June 16. She was 87.

Miss Snow was born May 7, 1892 at North Branch, the daughter of Dr. Sparrow and Hulda Bird Snow.

Miss Snow came to the Home from North Branch on Nov. 3, 1969. She is survived by a cousin, Mrs. Katherine Cushman of Dearborn.

Funeral services were held Tuesday, June 19 at the Chelsea Methodist Retirement Home Chapel, with the Rev. Ira Wood officiating. Burial followed at Maple Grove Cemetery in North Branch.

Arrangements were made by Staffan Funeral Home.

Trinkle Barn Dance Draws Large Group

The sixth annual "Old Fashioned Barn Dance," held Saturday at the Charles Trinkle farm, was a huge success. The band played to a record number of people, the weather was beautiful and the air was country.

Although tallies are not complete, it is estimated to be the biggest and best yet. It makes the hard work all worth while when you see so many people enjoying

a good time, and know it is going to make those less fortunate happy also.

The success of such an event is made possible, not only by the committee that works to organize and the businesses that donate supplies or services, but by you, the people who attend. Each and everyone of you can boost, "I Support Special Olympics," because that is where the proceeds of this fun filled event go.

Brian D. Smith Earns Degree at WMU

Real Estate

By PAUL FRISINGER

REALTOR

A GOOD FLOOR PLAN

When considering the purchase or construction of a new home, one of the major considerations should be a good floor plan. What do I mean by a good floor plan?

Most importantly, a sound floor plan is one where you can get to the separate areas of the house without going through another area (a mistake most often found in bedrooms). The different areas should be well separated. The kitchen should be easily accessible from the dining room and recreation area.

Proper placement of closets and stairs should add convenience. Bedroom closets are better placed on inside walls to function as a sound barrier between bedrooms. Improperly placed or oversized windows can make furniture arrangement impossible. Naturally, the size of the rooms will vary from house to house, but the living room should be large enough to contain at least one conversation group and allow room for movement and circulation. A good floor plan is only appreciated when you have suffered through a bad one.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea; Phone: 475-8688; evenings 475-2621. We're here to help!

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, June 8, present were Tobin, Schafer, Feeney, Snyder, Heiler, Schumann, Stirling, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Conklin, Benedict, Wojcik, Assistant Principal Vogel, Special Education Director DeYoung and guests.

Meeting called to order at 8 p.m. by President Martin H. Tobin. Board approved the minutes of the June 4, 1979 regular meeting, and the minutes of the special June 11, 1979 meeting.

Board approved the Chelsea School District to proceed to borrow \$400,238 against the 1979-80 State Aid.

Board approved the Chelsea School District participation in a Vocational Education Consortium. The Consortium will consist of Chelsea, Dexter, Manchester, Milan, and Saline. The Consortium is submitting a state grant for funding to enrich the vocational offerings for students.

The board approved the Chelsea School District's participation in

the Michigan Association of School Boards Legal Trust Fund for the 1979-80 school year at a cost of \$53.48.

The board approved a resolution honoring Martin H. Tobin for service to the Board of Education for four years as a trustee and one year as president.

The board approved the date of July 9, 1979 for the Board's organizational meeting.

The board adopted a membership resolution for Chelsea Schools to participate in the Michigan High School Athletic Association from Aug. 1, 1979 through July 31, 1980.

The board approved the bid of \$59,577 to Duke Roofing Company, Inc., of Ypsilanti for partial roofing of the high school, and approved \$8,000 for roof repairs to other district buildings, expenditures will be from the maintenance millage account.

Dr. Henry DeYoung gave an end-of-the-year report for the special education services for the Chelsea schools.

Alan Conklin, Beach Middle School principal, presented a review of the Middle School curriculum.

President Martin H. Tobin conducted the oath of office for Arthur E. Dils. Dils will assume his board membership at the first meeting in July.

The board directed the administration to prepare program reductions due to the recent millage failure, for the July 9 meeting.

The board also will petition the Election Scheduling Committee for a possible election date of Aug. 20. At the July 9 meeting the board will decide to accept program reductions as presented or present another opportunity to the voters for additional funding.

Meeting adjourned at 10:55 p.m.

Firemen Squelch Blaze in Motor Home

Chelsea firefighters squelched a small fire in a motor home owned by a New Boston man last Friday, June 15, as it sat near Brown Dr. and M-52.

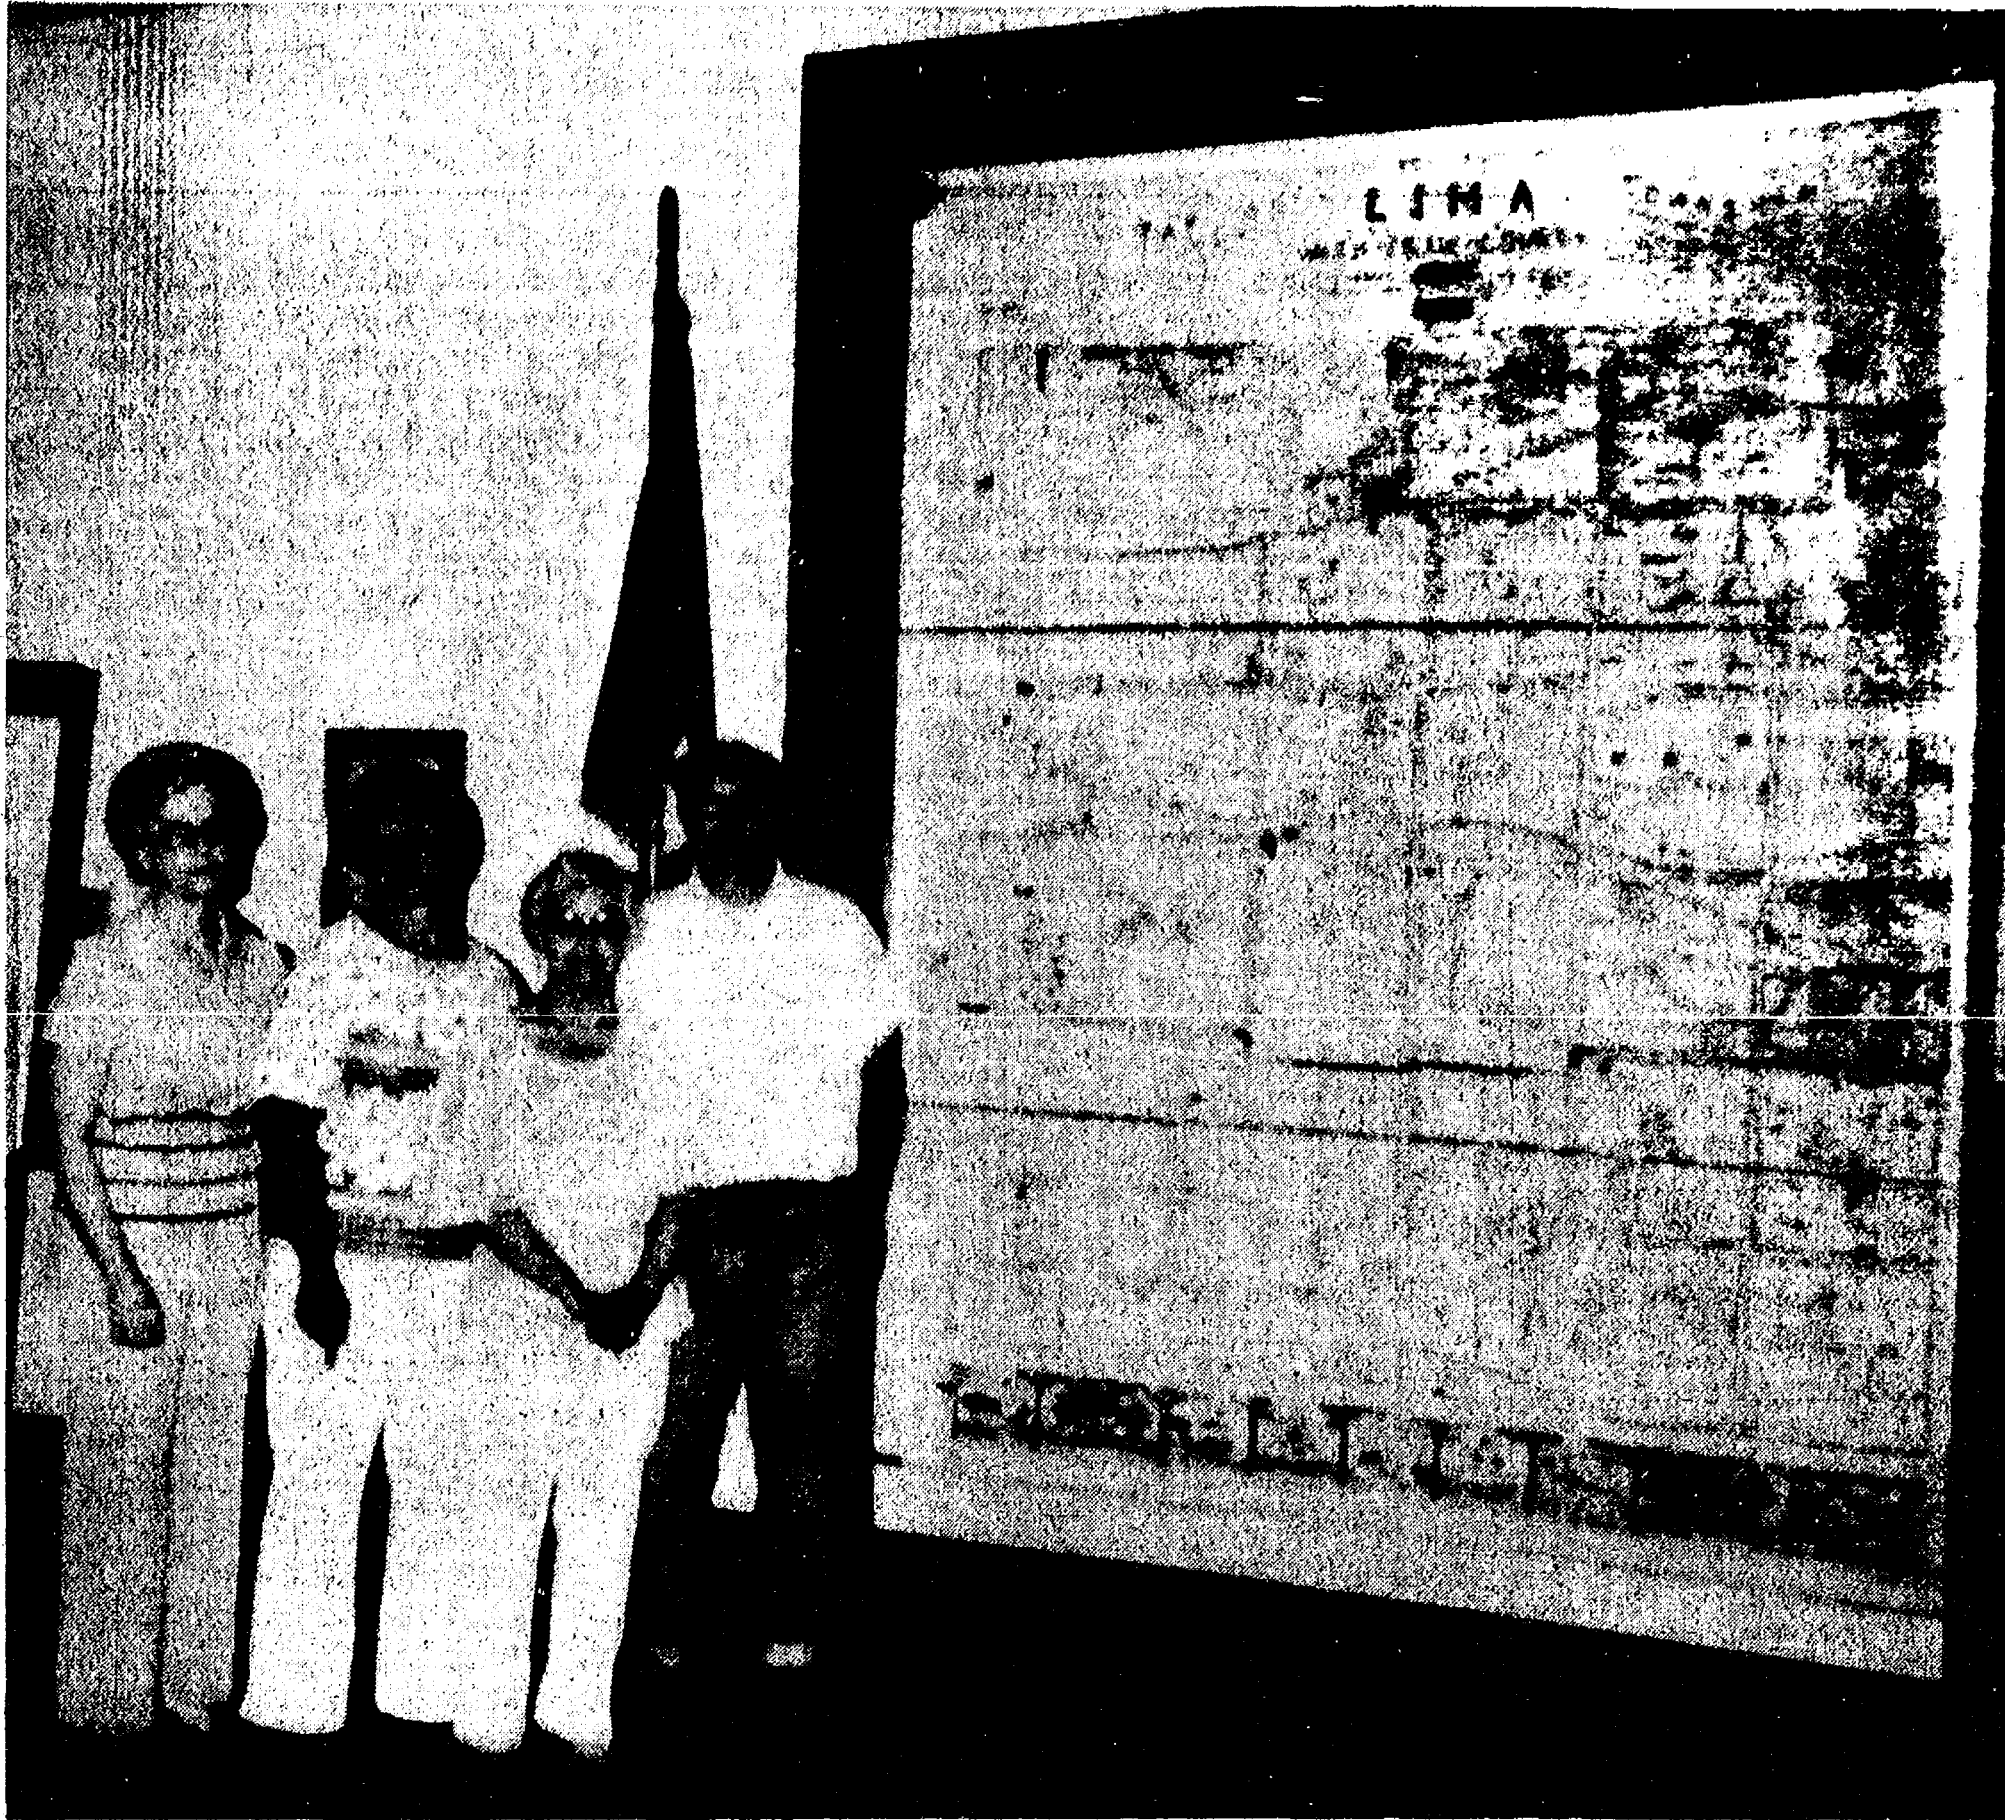

Firemen said that a broken exhaust pipe vented hot fumes near the wooden floor of the motor home and ignited it. Fire Chief Jim Gaken reported that damage to Louis Cutliff's vehicle was minimal.

A HAND-SEWN MAP of Lima township is admired by four people who had a hand in its creation. Craftspeople, from left to right, Katherine Reddeman, Janet McCalla, Mary Haselswerdt and Wallace Fusilier each worked on the giant embroidery.

The hanging was recently placed in the wooden, glassed-in case in Lima Township Hall to protect it from the elements. Previously, it had been on display in several sites.

Van Stolen, Recovered in Few Hours

A Grass Lake man lost and subsequently recovered his yellow Chevy van last Friday, June 15, in the space of about seven hours.

Harold E. Churchill, 8775 Waterloo-Munith Rd., first reported his 1968 van missing to Chelsea police about 5:30 p.m. He reported that it had been parked in front of North American Rockwell on Main St. and that the keys had been left in the ignition.

Churchill called police back around 8 that evening to report that his roommate had seen the van travelling northbound on Main St. toward Stockbridge.

Another call to police around 10:15 p.m. informed them that Churchill had found the vehicle in a swamp on Boyce Rd., in driveable condition, and that he planned to drive it home.

Hand-Embroidered Wall Hanging On Display in Lima Township Hall

A hand-embroidered wall hanging depicting Lima township, a gift to the township from the women of Lima, has recently been hung in the newly-decorated Lima Township Hall. There it will be protected from deterioration and damage in a cabinet designed for it by Wallace Fusilier. Cost of the cabinet was covered by donations from family and friends of Walter Wolfgang, as a memorial to the long-time township trustee, who died in 1976.

The hanging first came about early in 1976, when Lima residents Mrs. Leonard McCalla and Mrs. Joseph Egan were asked by the Dexter Bicentennial Committee to co-ordinate a Lima township memorial project. After much discussion, it was decided to adopt the suggestion of Mrs. Harry Denham and create a wall hanging of the map of Lima.

Mrs. Denham drew up the plan and Mrs. Clarence Reddeman and Mrs. Lewis Haselswerdt located 42 women willing to help make the hanging, which includes 36 12-inch embroidered or otherwise embellished linen squares, showing Lima as it was in 1973.

Historic sites and significant landmarks are shown, either on the section blocks or on an embroidered strip across the bottom, which pictures special features and

buildings. The hanging also depicts, in symbols, farm lands, woods, waters, homes, churches and schools, explained by a key on a side panel.

Mill Creek, the township's most important natural resource, has had a very influential role in Lima township history. In fact, the community was called Mill Creek at one time. Because of the impact it has had on the township, it was felt by the craftswomen that this history should be told. A bottom strip was added to tell the story.

Mill Creek is shown in the strip crossing the township, weaving in

and out through small scenes depicting various periods in township history and the 19th century public buildings still standing in 1976.

Finished blocks were assembled and sewn together at the Reddeman home by Mrs. Reddeman and Mrs. Haselswerdt. The wooden pole which supports it was fashioned by Wallace Fusilier.

Since the hanging was completed in 1976, it has been displayed in several places, including the wall of the then-Ann Arbor Federal Office in Dexter during the bicentennial celebration.

Letters to the Editor

To the Editor:

As a new resident to the community and as a person having direct contact with the try-outs for the casting of the play, I wish to reply to the editorial about our play in last week's paper. My family and I have been residents of Chelsea for exactly one year, and we have found the community to be extremely warm and hospitable to us. We have felt welcome here from our first day of residence. I certainly feel that it is holds out its arms to anyone willing to give a little of themselves, time and talent-wise, to its growth.

Speaking as the choreographer for the play, I was present at the tryouts and most definitely agree with the director's casting of "Bells Are Ringing."

Experience is most certainly a plus for everyone, but a director must consider the characters of the play in relationship to each performer's individual characteristics. A professional actor or actress no matter how much experience does not automatically fit into every play or lead part, and that professional should be able to recognize that fact and be willing to accept another role besides the lead.

I definitely feel that it was not a case of petty jealousy, and I am a living example of the fact that Chelsea does want new talent. The play is loaded with fantastic talent from the leads on down. It is really exciting for me to be associated with such a talented, hard-working and fun group of people, adults and young adults alike.

It is not necessary for anyone to apologize or rectify an error for none was made. I think you're in for a real treat when you come and see "Bells Are Ringing," July 19-21.

A proud citizen of Chelsea
Margaret M. Skelton

Dear Editor:

In answer to the embarrassed Chelsea resident and avid supporter of the Chelsea Players, I was appalled to read the recent letter that was published last week regarding Rita Howard. First of all, who is Rita Howard? And why do any Chelsea residents owe her an apology? (She probably got more publicity in this article than she ever got in New York, Europe, and the Hollywood films! - through no fault of hers).

If Rita Howard is truly a professional, then she should not feel slighted in any way because she was not cast, and she has no reason to question her worth! From what you said about her experience it sounds like she has proven herself an excellent performer many times! Maybe she is too good!

Obviously, the embarrassed (and should be) Chelsea resident doesn't understand a thing about show business! Any good director, looks at the potential of a show, from a broad perspective - an overall view, and for the show to be a success, it has to be balanced. He or she cannot have one person carry the show or be the show. No matter how good the actors and actresses are it's more important to have a well rounded show. Maybe the other members of the potential cast, could not perform up to Rita Howard's standards at this point in their careers!

Along with providing opportunities for the adult members of our community to express their creative selves, the Chelsea Players were founded to wean, cultivate,

and motivate, the upcoming young talents in our community, through experiences like "Bells Are Ringing." It was not founded to accommodate ex-professionals with leading roles just because they are charming, friendly, intelligent, beautiful, and have been to New York.

I certainly cannot justify a request that was made for the leading lady to step down from her role and move aside for an actress who could have had another part, but refused it. Of course, the cast could all learn from her, but the ill feelings and intimidation caused by this incident would stunt growth and learning of any kind.

I feel the apology that is due here should go to Miss McClear who is, by the way, experienced, and who probably did what she had to do for the welfare of the whole show. I'm sure she will carry off a spectacular production.

I would also just like to mention, that the Chelsea Players are always open to new talents, but what Chelsea Players could use are a few more open minds, and if you want "adult talent" (alias professional talent) go to the Fish-er Theatre in Detroit!

A Concerned Professional and supporter of the Chelsea Players

Dear Mister Editor:

While I was extremely flattered by the letter written by "the embarrassed Chelsea Resident," I would like to point out that show business is unique because of its strange disciplines. The occurrence here in Chelsea is really no different from the professional theatre where nothing is ever guaranteed on a casting selection. In this light, therefore, I sincerely wish the leading lady and the director the utmost success in "Bells Are Ringing" and my thanks to the author for his concern and interest in the success of the Chelsea Players.

Yours faithfully,
Rita Wilson-Howard

To the Editor,

This is in reply to the Bycraft family letter that appeared in the June 14, 1979 edition of The Chelsea Standard.

I'm terribly sorry that your dog, Cocoa was hit and injured. I hope that by now she has recovered. I was not the driver of the car who hit Cocoa, but I could have been had I been driving along Scio Church Rd., on the evening of June 11 and Cocoa had run out in front of my car.

What I am wondering is, why was Cocoa in the road? I think you are placing the blame of Cocoa's injury on the wrong party. It was not the driver's fault that your dog was where she should not have been. Why wasn't she on a leash? Or tied in the back yard? Or in a fenced-in area? Or at the very least under the control of someone?

Of course the driver of the vehicle who injured your dog should

have stopped and reported to you that your pet had been injured. That was thoughtless and cruel not to do so. But, if your dog was running loose, without proper tags, how is anyone to know where she belonged, if anywhere. That was thoughtless and cruel of your part.

Your pet is your responsibility. They do not belong running loose on the road. You have no one to blame but yourselves when something as tragic as this occurs.

A Pet Owner Too.

To the Editor:

In replying to the letter in last week's paper concerning the leading role in the summer play, I would like to say that I believe that the right decision was made in choosing the actress to fit the part.

Unlike "The Embarrassed Chelsea Resident," I know both Lori Van Riper and Rita Howard. And again I say, the right choice was made. The type of role that is called for in "Bells Are Ringing" fits Miss Van Riper to the "T." And I'm sure the director realized this. Miss Van Riper has a cheerful personality that is infectious to all those in an audience. This quality in Miss Van Riper has been, and will be a major step in her success in the play.

Also, she is very well-trained in voice and dance. She has been taking dance lessons since early childhood and is one of the best dancers I have ever seen. In "Bye Bye Birdie" she was excellent. She also choreographed the play "Brigadoon," and in that play, the dancing was superb. Miss Van Riper sings in her church's choir and has a beautiful, strong voice. In fact, she is so musically inclined that I can see no reason for any doubt as to how she'll work out in this play.

Frankly, "Embarrassed Chelsea Resident," I feel that you have done Rita Howard an injustice. I am sure that she realizes how well Miss Van Riper fits the leading role, and is happy for her. A true professional would, without any doubt, be glad to step aside and let a younger, less experienced actress try her hand in this production. I am sure she is happy for Miss Van Riper just as I am sure Miss Van Riper would have been happy for her.

I do believe, that you owe both of these fine actresses an apology.

Setting things straight

To the Editor:

Re: The letter of June 14 regarding the recent casting of the Chelsea Players upcoming production.

I was shocked and disturbed to return from play rehearsal Thursday night to be greeted by this unwarranted and thoughtless letter. I feel the author has grossly misanalyzed the situation and has neglected to include some pertinent facts.

To begin with, Rita Wilson-Howard WAS cast in the play. The fact that Mrs. Howard was not cast in a lead role has nothing to do with her welcome, or lack thereof, to this community. It was neither an injustice, nor a personal insult, but rather a re-

sult of what the director thought would be best for the interpretation of this play. Having performed in Europe, New York, and California, does not necessarily make one right for a part or automatically guarantee a leading role.

I find it ironic that the author referred to Mrs. Howard as an "experienced professional." Certainly a truly professional actress would never attempt to have the director fired because she was not cast as a lead, as did Mrs. Howard. Rather, she would accept a supporting role with the humility and grace that experience has taught her.

Mrs. Howard is undoubtedly a talented woman and could still have made a significant contribution by continuing her commitment to the play in a position where the director felt her abilities would be most productive in this season's play.

The allegation that this production is to be a "high school performance" is unfounded.

This will be the fifth community summer production in which I have participated, and I have yet to see an adult who auditioned for a production left uncared. A community play is, as such, open to all members of the community, and if the director feels that a high school student is better suited for a leading role than another member of the community, then the younger person deserves to be cast.

I feel the author was unfair in referring to the director as an "inexperienced amateur." If the Players felt the director was incapable of doing an adequate job, they would not have hired her. The author of this letter was in no position to suggest that the show be recast.

There aren't words that can describe the anger I feel at the suggestion that the young woman who was cast should step down. The suggestion was cruel and impertinent. The director certainly had confidence in the abilities of the young woman she cast, and the two female leads complement each other well on stage. Had the casting been different, that compatibility might not have been achieved.

I fear that this misguided anonymous author has added an unfortunate new dimension to the play. I hope that the audience still comes to the performances ready to enjoy, as always, the entertainment provided by area residents, rather than to criticize and find fault.

I'm sorry that the author of this incredible letter didn't have the courtesy and courage to won up to the uncalled for remarks by signing his or her name. I don't believe Mrs. Howard is owed an apology by this community, but rather, that both Mrs. Howard and

this embarrassing Chelsea resident owe the community and the Chelsea Players an apology for their immature behavior.

Julie Prohaska.

NOTICE OF PUBLIC HEARING

A Public Hearing will be held by the Chelsea Village Planning Commission July 10, 1979 at 7:30 p.m. in the Village Council Chambers on the following proposed amendments to the Zoning Ordinance:

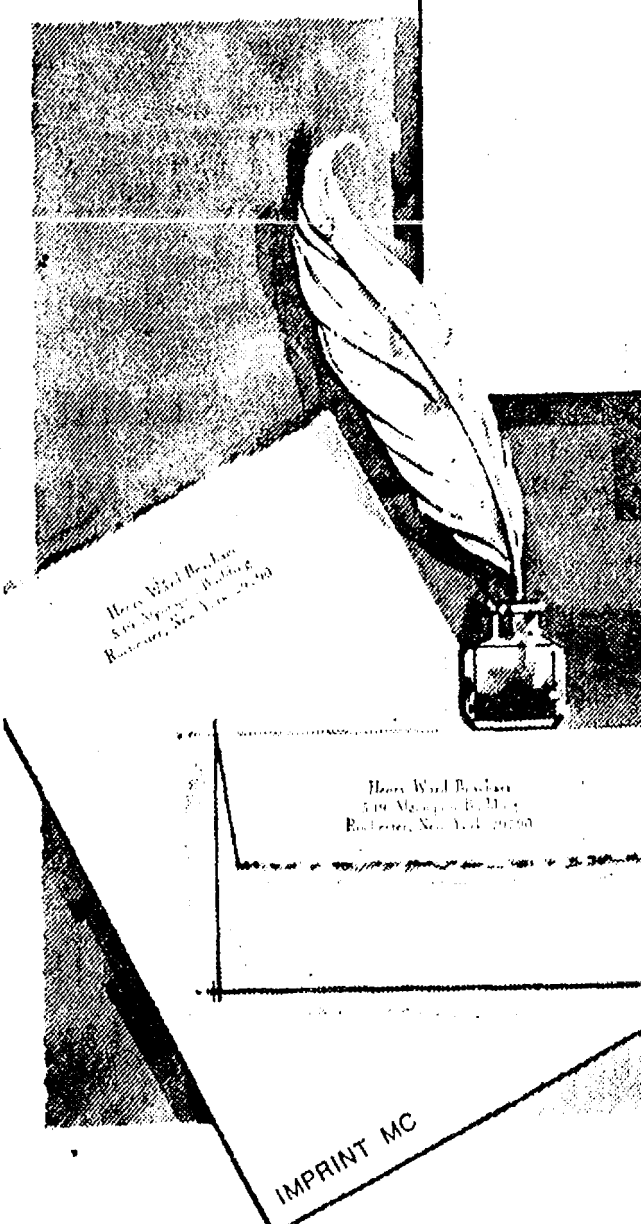

- AMEND SECTION 5.2.6 by adding the following Subsection 1: One permanent sign for the purpose of advertising gasoline prices when mounted on a free-standing structure or on the structure or on the structure of another permitted sign may be installed, provided that clear views of street traffic by motorists or pedestrians are not obstructed in any way. Such sign shall not exceed nine (9) square feet in area.
- AMEND SECTION 5.2.6, B by changing to read as follows: All signs in the Central Business District C-5 and Office District 0-1 shall be wall signs, except in a C-5 District, where the principal use of a lot is for the sale of new and used vehicles. In such case a free-standing sign shall be permitted in addition to a wall sign.
- AMEND SECTION 5.2.8 by adding the following: D. One temporary opening soon sign shall be permitted in all commercial, office and industrial districts for a period not to exceed sixty (60) days. Said sign shall not exceed thirty-two (32) square feet in area and shall be at least 10 feet behind the property line.

The Bible-The Light from Heaven

Places emphasis on the word must. Man who comes to God must believe. "But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." (Hebrews 11:6). Man must be born again. Jesus said to Nicodemus, "Marvel not that I said unto thee, ye must be born again." (John 3:7). In Acts 9:6, the Lord said to Saul of Tarsus, "Arise, and go into the city, and it shall be told thee what thou must do." See Acts 22:16. Man must be saved by the name of Christ. "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." (Acts 4:12). Man who worships God must worship him in spirit and in truth. Jesus said to the woman at the well, "God is a Spirit: and they that worship him must worship him in spirit and in truth." (John 4:24). In verse 23 we read, "For the Father seeketh such to worship him." The days approach in which man must die. "And the Lord said unto Moses, Behold, thy days approach that thou must die..." (Deuteronomy 31:14). Solomon wrote in Ecclesiastes 9:5, "For the living know that they shall die..." See also Hebrews 9:27. Man must stand before the judgment seat of Christ... (2 Corinthians 5:10). Amos the prophet told the people in the long ago, "Prepare to meet thy God." (Amos 4:12).

Sylvan Township Board Proceedings

Minutes of meeting of Sylvan Township Board held on June 6, 1979.

Meeting was called to order by Supervisor Schoenberg with the following members present: Trustees Carruthers and Lesser, Treasurer Pearsall and Clerk Murphy. Minutes of the last meeting were read and approved.

A large number of residents of Ivey Road were present to discuss the conditions of their road. A straw vote of those residents was taken and 7 out of the 21 residents were opposed to the proposed improvements. The supervisor informed the residents of Ivey Rd. that it was necessary for all of the people to agree to the project or else it would not be completed. A compromise project is a possibility but that will be the decision of the Township Board after conferring with the Washtenaw County Road Commission.

Don Callus was present to protest the gravel pit adjoining his property and was informed by the board that he would get a copy of the legal steps that the board may or may not follow.

Howard Bergman was present and informed by the board the necessary procedures to follow in order to get his property zoned back to agriculture from recreation conservation.

Motion by Carruthers, supported by Pearsall, to pay bills as submitted. Motion carried.

Motion by Pearsall, supported by Lesser, to delay the first payment of the punch card voting devices until it is determined that the county is going to continue this procedure. Motion carried.

A thank you note from the Rehoboth Lodge No. 130 was read.

Harry Mertens gave his zoning report.

James Liebeck gave his planning report.

Motion by Carruthers, supported by Murphy, to review our zoning ordinance and update and publish notice of hearings in The Chelsea Standard, Reminder, and Ann Arbor News. Motion carried.

Motion to adjourn.
Daniel J. Murphy,
Sylvan Township Clerk.

Pastor To Be Ordained At St. Thomas Lutheran

On June 24 at 3 p.m., the Rites of Ordination and Installation of Paul Puffe will take place at St. Thomas Lutheran church, Missouri Synod, 10001 W. Ellsworth Rd., Ann Arbor.

The Ordination and Installation will be officiated by the Rev. Richard Schleier, president of the Michigan District Lutheran church, Missouri Synod, with the Rev. Parke Frederick, circuit counselor, circuit four and Pastor of St. Paul Lutheran church, Ann Arbor, as the liturgist and preacher.

Paul Puffe was born in Minnesota (1953) and moved to Bismarck, N.D., where he graduated from Bismarck High School and attended North Dakota Boys State. In 1971 he attended Massachusetts Institute of Technology (M.I.T.), Cambridge, Mass., where he earned a Bachelor of Science degree in aeronautical and astronautical engineering.

While at M.I.T., he became quite active in the campus Christian fellowship, and through cross-registration at Wellesley College, and Harvard Divinity School, he pursued courses in New Testament and New Testament Greek.

Mr. Puffe entered Concordia Seminary, St. Louis, Mo., in 1975. From 1977-78 he served a theological internship as Vicar at Mt. Calvary Lutheran church in Brookings, S.D. He completed the Master of Divinity degree at Concordia in November 1978 and has continued to do graduate work in Old Testament until June 1979. Graduate studies will continue at the University of Michigan while he serves as pastor at St. Thomas Lutheran church.

In 1974, Paul married Eleanor Billmeyer of Schenectady, N.Y. Eleanor graduated from Wellesley College and has been employed in records and administration for several medical research projects. Both are active in sports and music as Eleanor enjoys singing and playing the harp, and Paul plays the trumpet.

St. Thomas is a "country" church centrally located between the towns of Ann Arbor, Chelsea, Manchester and Saline. This gala event marks the 25th pastor to serve St. Thomas in its 137-year history. The interim pastor, the Rev. Don Neiswander, will continue to be the Lutheran Chaplain at St. Joseph Mercy Hospital.

There will be a reception at the conclusion of the service and all are welcome to meet Paul and his wife Eleanor.

Black Sheep Theatre Opens Summer Season

Manchester's Black Sheep Repertory Theatre opened its summer season last Wednesday, June 13 with an enthusiastic musical review, "Berlin to Broadway with Kurt Weill."

Featuring songs from 11 Weill shows, the musical traces his triumphs on the Berlin stage, chiefly in collaboration with lyricist Bertolt Brecht, through his Broadway hits, written after Weill fled Nazi Germany in the early 1930's.

A spirited, well-matched quartet of players, Angelina Fiordellisi, Matthew Thornton, Carolyn Tjon and Tom Emmott, and a "guide" to Weill's life and career, David Johnson, give zestful life to some 32 selections, a brief but representative sampling from Weill's prolific career.

The first act focuses on the Berlin musicals of the early '30s, with the cast biting off Brecht's sardonic lyrics (in English translation by several lyricists) in songs alternately harsh and rueful.

Broadway and American lyricists such as Ira Gershwin, Alan Jay Lerner and Maxwell Anderson softened Weill's dark pessimism somewhat; but the satirical numbers presented in the second act are still perceptibly different from usual Broadway fare of the 1940's.

The cast is uniformly good, with Angelina Fiordellisi a standout in the dissimilar numbers "Pirate Jenny," "Surabaya, Johnny" and

"Saga of Jenny." Numbers where the quartet blends together often approach great power and beauty.

The only jarring note in the entire production, and a persistently recurring one, is the awkward method of blackout transitions between numbers. These blackouts leave audience members to watch the cast scamper about the stage to their positions for the next number. The uneasy effect is to chop the proceedings into segments instead of allowing the effect of the music and lyrics to flow smoothly.

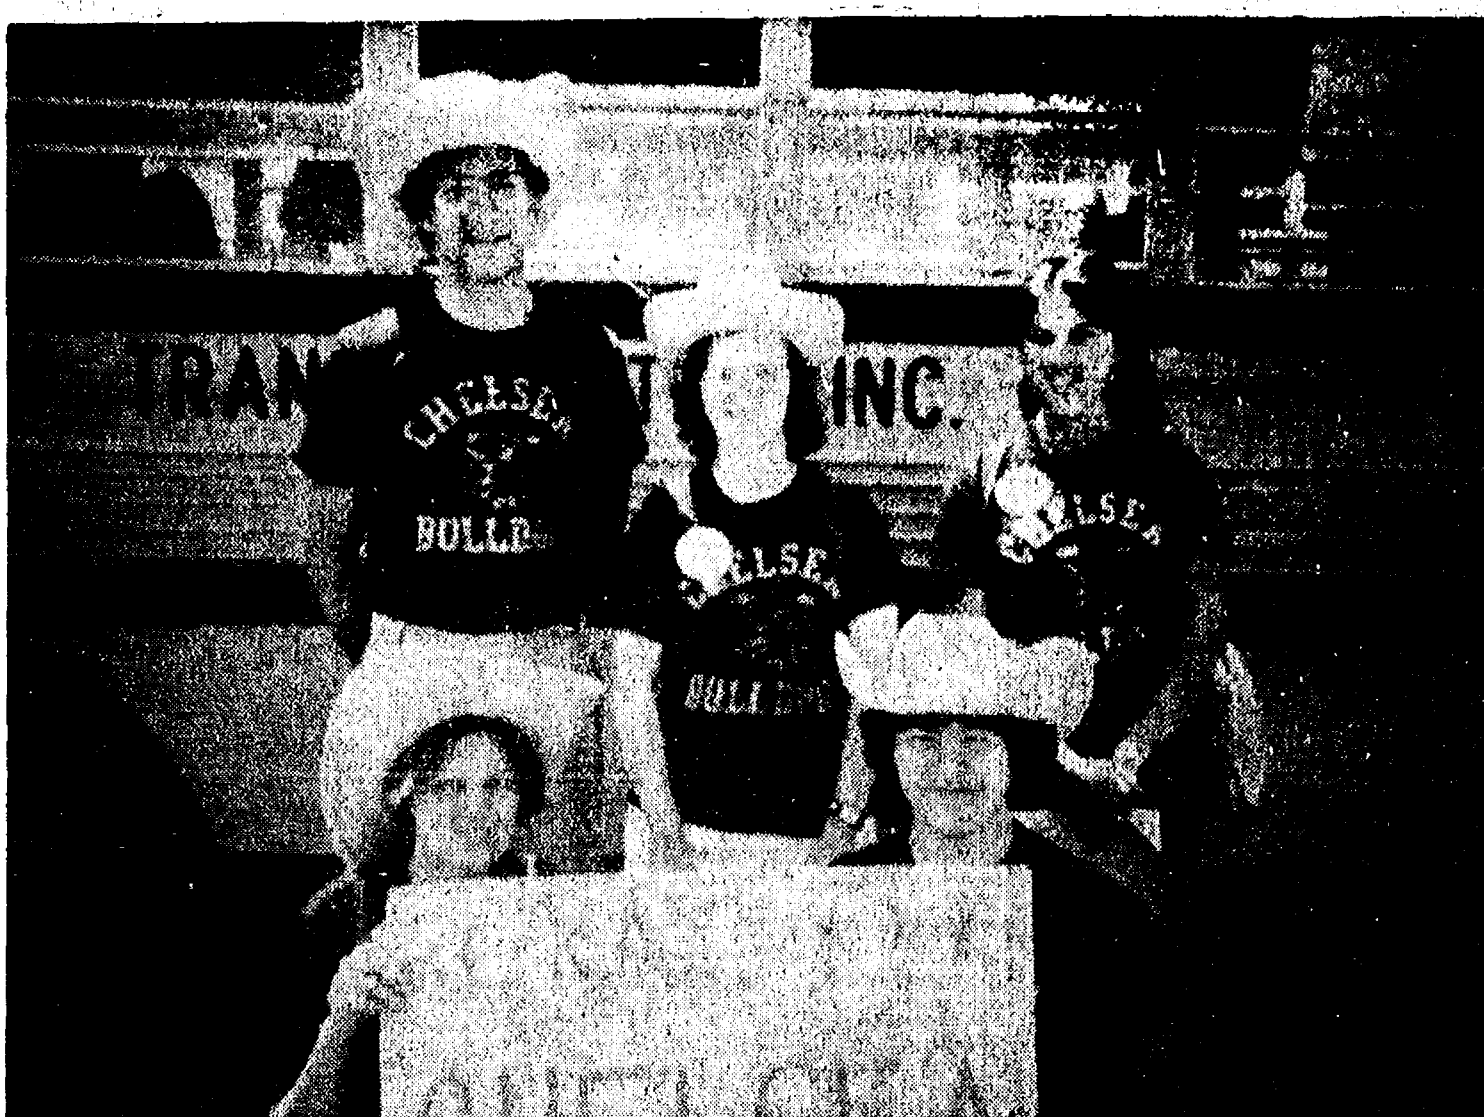

"Berlin to Broadway with Kurt Weill" will run through July 1 at the Black Sheep Theatre.

Gregory Area Youth Promoted With Army Unit in Germany

Mac A. Jarvis, son of Mr. and Mrs. Walter F. Jarvis, 105 Blind Lake, Gregory, recently was promoted to Army specialist four while serving as a radar repairman with the 708th Maintenance Battalion in Mannheim, Germany.

Jarvis entered the Army in December 1976.

The specialist is a 1974 graduate of Stockbridge High school. The first auto traffic tunnel built between two nations was the mile-long Detroit-Windsor tunnel under the Detroit River.

MORE THAN 2,000 McDONALD'S CREW MEMBERS, parents and guidance counselors from Michigan and Toledo attended the "Big Event," a mock national political convention to learn about McDonald's PACE (Programmed Assistance in Career Exploration) program. PACE is a computerized career guidance program designed to help McDonald's employees and their immediate family

to explore interests, careers, and educational and training opportunities by providing relevant, personalized up-to-date career information. Local McDonald's participants at the "Big Event" are back row, left to right, Manager Geoff Flaum, crew members Sue Kester and Lisa Bauer; and, front row, crew members Laura Coffman and David Boyer.

McDonald's Launches Career, Education Counseling Program

McDonald's Corp. launched a career and educational counseling program, PACE (Programmed Assistance in Career Exploration), at the "Big Event," a mock national political convention, Saturday, June 16 at 11:30 a.m. in the Longs Convention Center in Lansing.

More than 2,000 McDonald's crew members, parents and guidance counselors from Detroit, Grand Flint, Saginaw, Bay City, and Midland traveled by bus to participate in the "Big Event." Attending from Chelsea were Sue Kester, Kim Thomas, Lisa Bauer, Laura Coffman, David Boyer and Store Manager Geoff Flaum.

McDonald's PACE program is a computerized career guidance program. It is designed to help McDonald's employees and their immediate family explore interests, careers and educational and training opportunities by providing relevant, personalized and up-to-date career information.

Program contains six "packets": Exploring Careers; Career Descriptions; Military Job Descriptions; Exploring Colleges; Exploring Vocational and Technical Schools; and Exploring Financial Aid. Participating employees pay \$2 per packet, fill out an inventory analysis and send it to a designated computer center, and within two weeks receive a print-out tailored to the individual's needs.

For example, an employee may receive information describing the nature of a job, the skills required, general pay scales, and employment prospects over the next several years.

According to PACE Program Director Patricia Novick, "McDonald's is one of the largest employers of teen-agers in the world and this program is part of its

corporate responsibility effort. PACE focuses on a whole range of career and opportunities that most of us don't think about."

In Michigan, the PACE program carries the support of the Michigan Personnel and Guidance Association. Lt. Governor James Brickley along with State School Board Member Silvernia Kanoyton, and Dr. George Grisdale,

president of Michigan Personnel and Guidance Association addressed the 2,000 delegates and lent their support to the effort.

"The program was tested last year in the Washington, D.C. area. It was a success not only among

teen workers but also for the many women over age 35 who have returned to the labor market and found their first jobs with the fast-food chain," Novick added.

For further information write to McDonald's PACE program, McDonald's Corp., McDonald's Plaza, Oak Brook, Ill. 60521.

A dozen Michigan Farm Bureau members are working with WJR radio in Detroit on the "Acres for Charity" project.

Participating in the season-long event are hog producers Mike Pridgen of Montgomery, Werner Clasen of Richmond and George Swartzendruber of Bay Port; apple producers Jim Erwin of Novi, Don and Sandra Hill of Montrose and Rob Peabody of Fenton; dry bean producers Clare Harrington of Akron, John Knoer of Sandusky and John Tanton of Deckerville; and wheat growers Dave Jacobs of New Lothrop, Nelson Leach of Richmond and Chuck Paas of Belleville.

Each of these growers agreed to symbolically donate to WJR a portion of their commodity. WJR morning personality J. P. McCarthy is putting the growers on the radio and asking them about the many factors involved in the production of their commodity.

At harvest time McCarthy will, with the advice and assistance of the growers, select a time and method for selling the donated commodity. The selling price will be donated by the grower or other MFB members to the Detroit Police Athletic League, a charity that is the frequent beneficiary of WJR fund-raising efforts.

Meanwhile, 100 miles north of Detroit, the Saginaw County Farm Bureau and radio station WSGW are co-ordinating another commodity donation project. This one involves navy beans, soybeans, corn and sugar beets. Local farmers will talk about these commodities in weekly telephone interviews with WSGW air personalities.

"The project is definitely helping consumers better understand agriculture," says WSGW Farm Director Terry Henne, "especially the production of sugar beets. At harvest time the truckloads of sugar beets go right through downtown Saginaw. Since almost everyone uses sugar, I think it's helpful for people to understand where the sugar comes from."

Chelsea Girls Compete in Pentathlon

Two girls from Chelsea High school's track team ran in the Michigan Pentathlon Championships at Alma Saturday, June 16 and both made fine showings.

Lorrie Vandegrift took 8th place and Pris Drew 12th in the open women's division. The field was comprised of 21 high school and post-high school runners, many of whom were high placers in the recent state meets.

A pentathlon is a contest consisting of five track and field events: 100-meter dash, 100-meter hurdles, long jump, shot put and 1,500-meter run. Rather than competing against each other in each event, contestants are awarded points based on their time or distance in the events. Total score determines the final standings and the same scoring tables are used for both men's and women's competition.

Both Chelsea girls turned in outstanding individual performances. Lorrie Vandegrift had the best shot put of the day with a toss of 32' 3". Pris Drew finished 5th in the day's final event, the 1,500 meters.

Over-all women's champion was Jeanne Alvarez from Chesaning, currently a high school student, who finished with 2,246 points.

Two Area Students Earn Degrees from Northwood Institute

Jerry Lloyd Bridges of Chelsea received an Associate of Art degree, magna cum laude, from Northwood Institute in Midland, Saturday, June 16.

Also receiving an AA degree from the institute was Sandra Y. Kopinski of Dexter. Kopinski's degree was awarded cum laude.

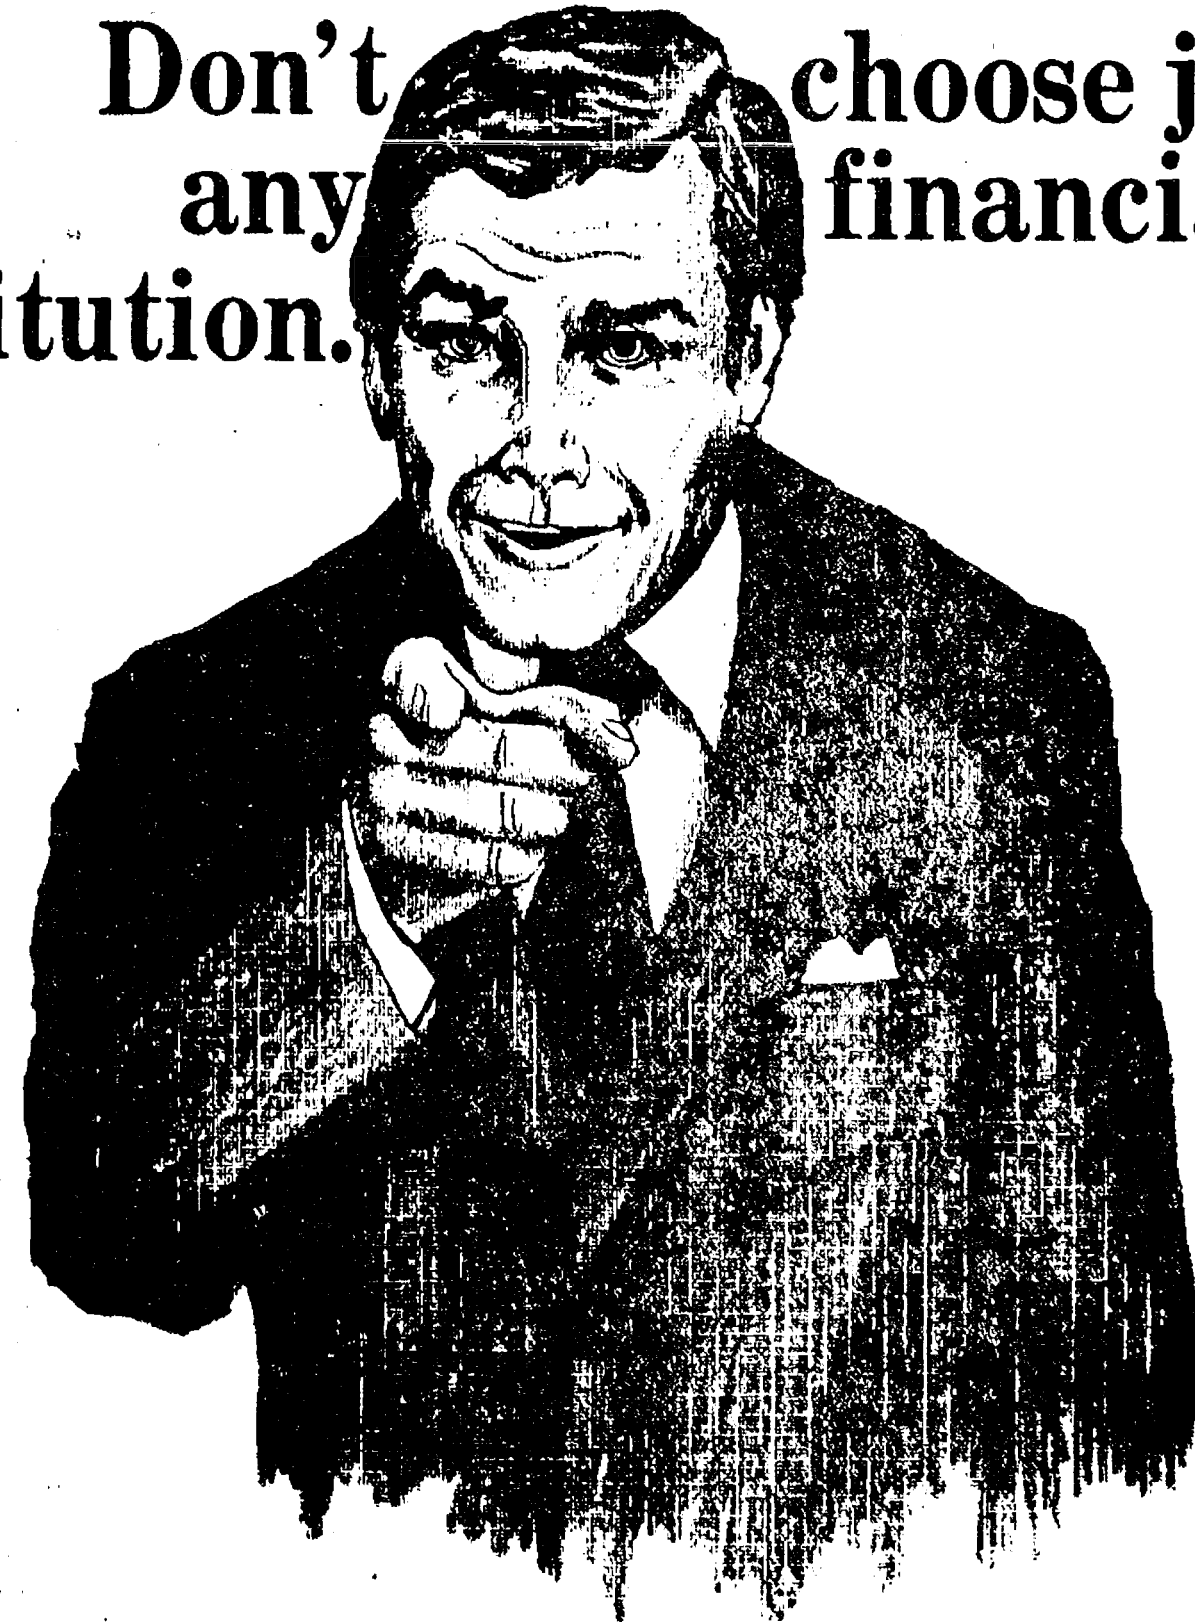

The first written contract between coal miners and operators was signed on July 29, 1870. It provided for a sliding scale of pay, based on the price of coal, according to "Important Events in American Labor History," a publication of the U. S. Department of Labor.

VFW National Home Denies Abuse Charge

More than two weeks ago the Department of Social Services released a 97-page report of allegations concerning operation of the VFW National Home, touching off a wave of surprise, disgust, dismay, anger, denials, conjecture, rumor, and law suits.

Despite the fact that Dr. John Dempsey testified before a congressional hearing that the normal procedure is to review such data with the affected agency before release, the procedure was not followed in this case. The Department actually released the report to the press before placing it in the hands of the VFW National Home. In so doing, the DSS actually committed child abuse itself, since the children at the Home heard of the possibility of the loss of their home from the news media. The professional staff never had an opportunity to prepare them for the news.

Once the dust settled and there was an opportunity to read and study the 97 pages of charges, a different picture was painted. The alleged charges stem from a few

actual incidents which spanned several years and which were appropriately dealt with at the time. The 97-page report takes these incidents and repeats them under different categories. The bulk of the report consisted of statements of records and reports which are misinterpreted, misquoted and taken out of context. Such gross misinterpretation of facts and inaccurate conclusions would have been prevented if the investigators had only discussed them openly with the staff who deal with the children on a daily basis.

Since the report was released there has been extensive media coverage. But despite the color of the information, there has been an avalanche of support for the Home and its staff. School officials, clergy, alumni, employees, former employees, local residents and children currently at the Home have expressed their support in many ways. Letters to the Home, letters to the news media, letters to government officials all support the Home. Even a num-

ber of government officials have publicly condemned the report. There have been a few who voiced support of the DSS report, but these are a very few. Since the report was released not one parent figure expressed anything other than complete support of the Home's policies, and as a matter of fact four new children were placed in the Home.

Shortly after the report was released, a previously scheduled meeting of the Board of Trustees was held. DSS officials, including Dr. Dempsey, met with the board. Frank discussions were held to obtain a better indication of both the DSS position and the Home's position. The board pledged to work with DSS and appointed Mrs. Odie Lee Gossett, a past president of the board to act as a liaison with DSS. Mrs. Gossett has had a distinguished career with the State of Louisiana in the area of public health. The board told Dr. Dempsey that they felt that the charges were unwarranted, that they felt the staff was doing a fine job and that their first concern was keeping the Home open. They stated that they were appalled by the manner in which DSS released the report prematurely to the news media, the lack of any consultation or check of facts with the agency staff and complete disregard of facts. Following the board meeting the Home's attorneys obtained a temporary restraining order prohibiting DSS from revoking the Home's license without a court hearing. They also petitioned the court for an order prohibiting DSS from further release of confidential information regarding the children and staff at the Home.

Officials of the Home have stated repeatedly that no confidential information will be released even if it would help the Home's image on the issues. A point-by-point answer to the 97-page report has been prepared but since it contains much information about children and staff it will not be released to the media.

While the Home does not profess to be perfect in all respects, it does maintain the position that it is very well operated. There are very few child care facilities that provide the love, care, education, compassion and support for their children not only when they are at the facility but even after they have gone on into life to take their place in society. The VFW National Home does care. Care does not cease upon graduation, rather a college education or vocational training is offered to every child upon graduation, and counselors maintain contact with the student through college. Alumni return to the Home for vacations, alumni activities and return for visits throughout the rest of their lives. The outstanding product of the Home—their alumni—are the greatest example of the possibility that this unique place called the Veterans of Foreign Wars National Home does a better job.

The first U. S. organization of black workers was the American League of Colored Laborers in New York City in 1850, according to the U. S. Labor Department's "Labor Firsts in America."

Clowning Workshop Scheduled

Three workshops on how to be a clown are among the 182 action-learning options open to the 75 Washtenaw county youths and adults attending 4-H Exploration Days, June 21-23, at Michigan State University.

The workshops will emphasize makeup techniques, clown etiquette, costume design and approaching children through various comedy techniques.

Beginners may attend two programs, "Beginning Clowning" and "Clowning Around with Puppetry." The first, taught by Alice Hicks and Phyllis Irner, will focus on choosing a character that fits the participant's personality, and on comedy techniques.

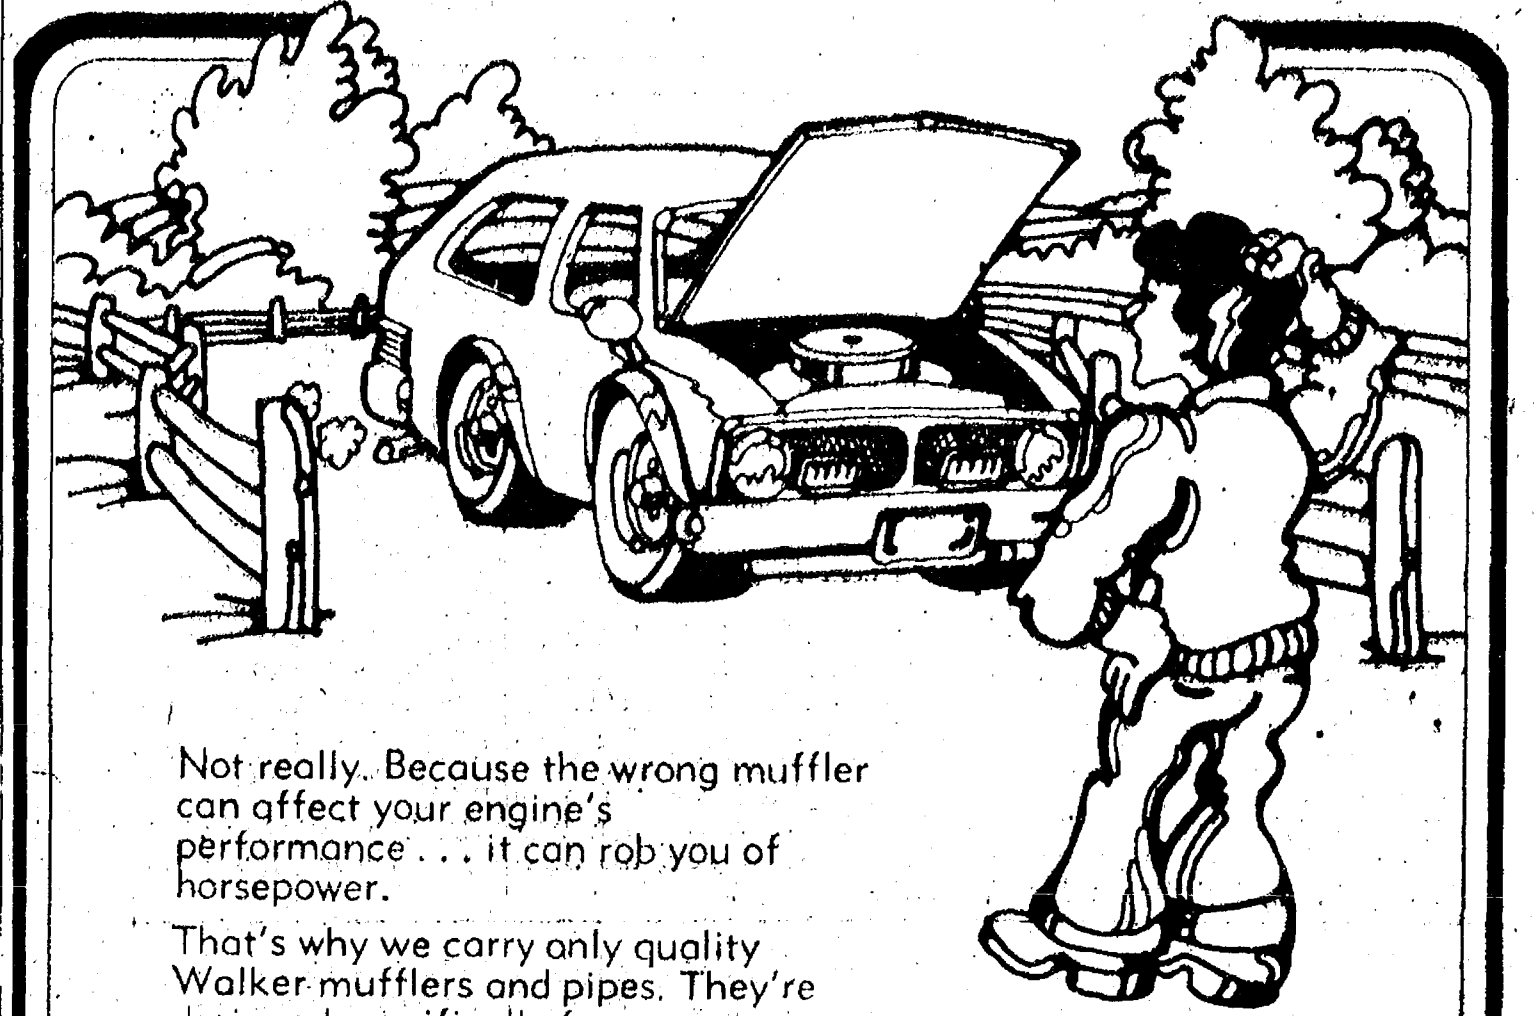

Experienced clowns can improve their skills by attending the workshops "Clowning Around with Communication" and "Advanced Clowning (Mime)." Becky McKay will instruct the first program, which emphasizes clowning as a technique for teaching children and adults and includes instruction on demonstrations, advanced makeup and costumeing. The mime workshop, taught by Jack Lightcap, will explore the use of pantomime techniques in skits and routines.

The finale to Exploration Days is 4-H Action Day, June 23. Sponsored by the Michigan State University 4-H Youth Program, the event, featuring demonstrations and exhibits, is open to the public from 9-11:30 a.m. at no charge. For additional information on 4-H Action Day, contact the Washtenaw County 4-H office, 973-9510.

Many people who experience the symptoms of a heart attack refuse to seek help because they think they are experiencing indigestion, or some other mild disorder and they will feel foolish if they go to a hospital. In fact, the average heart attack victim waits three hours before seeking help, which is why half of those who die of a heart attack, die before they ever reach a hospital. Learn the symptoms of heart attack. Contact the Michigan Heart Association today. We're fighting for your life.

Can You Afford a CHEAP MUFFLER?

Not really. Because the wrong muffler can affect your engine's performance... it can rob you of horsepower.

That's why we carry only quality Walker mufflers and pipes. They're designed specifically for your car. Designed to fit your engine's spec... and designed to last long.

No, you can't really afford a cheap muffler. But you can afford us. So stop in soon.

DETROIT EDISON OFFERS EIGHT IMPORTANT TIPS TO HELP YOU GET THE MOST OUT OF YOUR AIR CONDITIONER THIS SUMMER.

Fortunately, Detroit Edison customers have plenty of electric power available. Now and in the future. It's the result of planning, development and investment and the fact that over 84 percent of Detroit Edison's power is generated

from coal, the nation's most abundant fuel. The balance is generated from other fossil fuels. Even so, none of us should waste energy. So follow these tips and stay cool and comfortable all summer long.

1 Keep your air conditioner on a moderate setting. When leaving home, set the temperature higher.

2 Pull down shades and close draperies to keep out the hot sun.

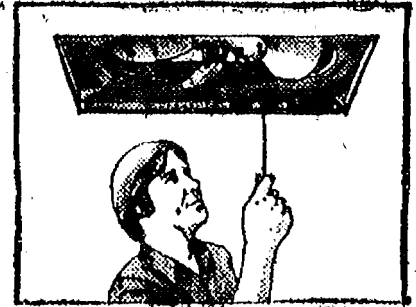

3 Be careful not to block the flow of cool air.

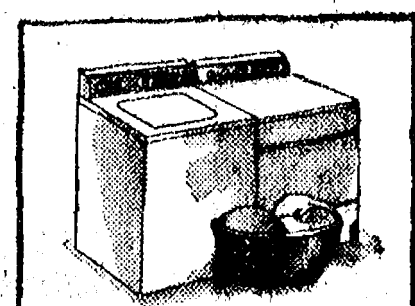

4 Shade windows from outside with ventilated awnings, solar screens, trees or shrubs.

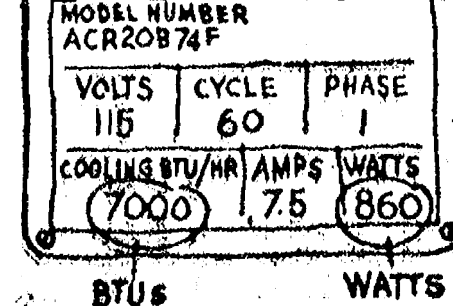

5 Keep air filter, coils, registers and return ducts clean.

6 Cool off hot attic at night with an attic exhaust fan.

7 Use heat and humidity-producing appliances such as your oven, washer and dryer early in the morning or in the evening.

8 If you're buying a new air conditioner, you'll save electricity if you select one with an energy efficiency rating (EER) of 8 or higher. The EER is figured by dividing the BTUs by the watts.

KEEPING PLENTY OF POWER IN YOUR HANDS

ANOTHER DODGE DIVIDEND FROM VILLAGE MOTOR SALES, INC.

Smaller feels bigger in an Aspen.

Aspen is the compact car with transverse torsion-bar suspension for big-car ride. And plenty of passenger room; full six-passenger comfort in four-door and wagon models. And standard equipment like front disc brakes, Electronic Ignition, 225 six-cylinder engine, radial blackwall tires.

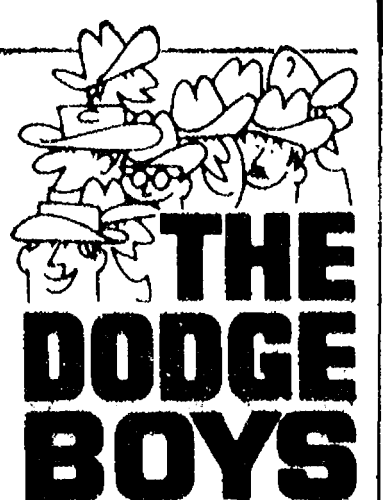

DODGE ASPEN 18 EST. MPG 24 HWY EST.

These are EPA estimates. Use the estimated MPG for comparison purposes. Your mileage may vary depending on speed, weather conditions, and trip length. Actual highway mileage will be lower than the highway estimate. California estimates are lower.

MILEAGE UPDATE.
Chrysler Corporation is No. 1 in gas mileage of the Big Three for cars and trucks, based on projected 1979 Corporate Average Fuel Economy ratings.

Girls Softball Team Wins 2 in AA League

Chelsea's 13 to 15-year-old travel softball team began play in the Ann Arbor league last Wednesday, defeating a strong Ann Arbor Federals team, 10-6.

Amy Unterbrink started on the mound for Chelsea and pitched her first no-hitter of the summer season. Unterbrink walked nine and hit four as she struck out 17 batters to handcuff the Ann Arbor Federal hitters. This was the fifth no-hitter pitched by Unterbrink this year. She hurled four no-hitters for the Chelsea JVs this season.

Chelsea's hitting attack was slow to get started against an excellent pitching performance by Ann Arbor Federal's Diane Copp. Chelsea went scoreless until the third inning when they scored four runs to tie the score. They went on from there to score three runs in the fourth inning and three more in the sixth, as Unterbrink continued to control the Federals, giving up just two more runs. Chelsea took their first victory of the season.

Kim Boyd and Amy Unterbrink led the Chelsea hitting attack as each collected two hits. Ann Eisele headed the defense at first base as she made three unassisted put-outs, including a fine

catch of a line drive in the seventh inning that was earmarked for extra bases.

Friday the travel team met Ling's Marathon at Vets Field and posted a strong win of 18-5 in five innings behind the one-hit pitching of Ann Eisele.

Ann had a rough time with her control, walking 11 and striking out 10. Eisele usually has excellent control and 11 walks are very unusual for her. However, she was able to settle down after giving up five walks and the only hit of the game in the third inning. She struck out the last two batters of that inning and faced only six hitters in the next two innings.

Chelsea pounced early in the game as the team collected six runs in the first innings. Shelly Weber and Laurie Voita singled and Celeste Powell doubled as Chelsea sent 10 batters to the plate.

Chelsea continued the hot scoring pace as Amy Hume and Kim Boyd led off the second inning with singles and Chelsea poured seven runs across the plate. Maggy Sweet tripled home two runs and Laurie Cobb belted a two-run homer to complete the scoring for the inning.

Chelsea added four more runs in the third and one in the bottom of the fourth to end the scoring.

The 13-15-year-old travel team now stands at 2-0 for the first week of play in Ann Arbor, and is looking forward to a competitive season.

Chelsea Women's Fast-Pitch Club is also fielding a second 13-15-year-old fast-pitch team which will begin competition this week. This fast-pitch team will be coached by Pat Clarke and play as an independent team against some of the Ann Arbor teams as well as traveling to other towns and also playing at home.

Paul Wood Inducted into Phi Beta Kappa Honorary

Paul A. Wood, son of Mr. and Mrs. Clarence Wood of 646 Flinders St., was among students inducted into the Michigan State University chapter of Phi Beta Kappa, which honors students for academic excellence in the fields of liberal arts and sciences.

Outstanding juniors and seniors are invited to join Phi Beta Kappa on the basis of academic achievement and personal evaluation by administrators and professors in the student's academic field.

To be selected, students must be in the top 10 percent of their class and must have taken a broadly-

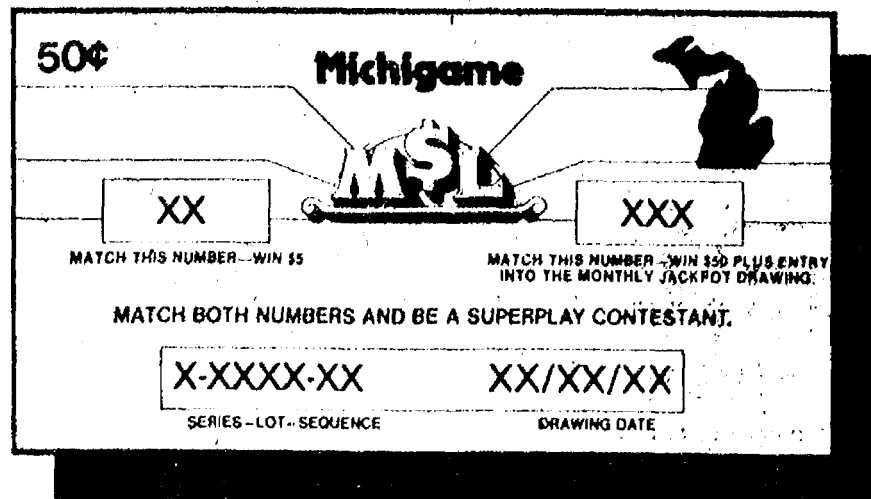

based course of study, including two years of a language and one year of mathematics.

Wood, a 1975 graduate of Chelsea High school, is a senior majoring in political science and public administration. He is a member of Tau Sigma and Phi Kappa Phi honoraries, the Honors College, Senior Class Council and was a speaker at the 1979 MSU winter term commencement.

Since the Revolutionary War, some 39 million men and women had military service during periods of armed hostilities. Over 28 million of them are living.
