Girls Softball Teams Win State Titles

Lyndon Group Holds Giant Block Party

Approximately 70 people were present for the 6th annual block party and pot-luck lunch held at Park Lyndon Sunday. The afternoon was spent playing softball, volleyball, card games, and lots of visiting.

This country block consists of Roe Rd., M-52, Boyce Rd., Bee-man Rd., and Cassidy Rd., all located in the northwestern corner of Lyndon township.

This annual party is held so all new residents of the area have a chance to meet those who have resided there longer.

Host families for this year's party were the Jay Hopkins and the Thomas Lancaster families.

Physical Exams Scheduled for School Athletes

Athletic Director Phil Bareis encourages all young men who plan to participate in athletics at either Beach school or the high school to be at Chelsea High school gymnasium Monday, Aug. 6 at 7 p.m. for physical examinations. Cost of the physical is \$3.

Girls physicals will be given Wednesday, Aug. 8 at 9 a.m. at the Chelsea Family Practice Center at the Medical Center. Cost is \$3.

STATE CHAMPIONSHIP: A week-end of fatigue and early disappointment in Alpena turned to sweet victory for the Chelsea 16- to 18-year-old fast pitch team as they captured the ASA state softball championship. Playing 53 innings of softball in two days, the team moved

through the loser's bracket to finally take the title. Contributing to the victory for the softballers were, back row, left to right, Coach Bill Wescott, Kim Wood, Sally Matthews, Pat Rossen, Amanda Schwarze, Angie Inglis, Molly Eisele, Nannette Push; front row, Anita Powell,

Kelly Hense, Diane Thompson, Patti Hume, Kim Schmidt, Jennifer Ringe and Cara Feeney. Not pictured are Cathy Wade, Kathy Taylor, Rhonda Haglund and Assistant Coach Walt Keppler.

Both Groups Now Preparing For Regionals

A tired but happy Chelsea 13- to 15-year-old fast pitch softball team emerged as triumphant state champions last week-end in Petoskey at the MASA state championship tournament. This victory will send the team to the Great Lakes Regional tournament to be held in two weeks.

This was Chelsea's second trip to the state finals in the last two years, and the girls had something to prove after having lost their two contests last year. Chelsea's team took the field at noon Saturday to begin the competition. They had outstanding support from their parents, all of whom made the trip with the girls or with Chelsea's 16- to 18-year-old travel team which played in Alpena.

Chelsea opened with Amy Unterbrink on the mound facing the city of Saginaw team, and it looked like a repeat of last year's disaster, as Unterbrink couldn't get the ball over the plate. The umpire called her for seven illegal pitches, which unnerved Amy.

She gave up 13 walks and faced 20 batters in just 2 1/2 innings, allowing Saginaw an 8-3 lead. However, the Chelsea squad soon showed signs of being a tournament contender as Ann Eisele came on to relieve Unterbrink.

Ann slammed the door in Saginaw's face, allowing them just one more run, on an illegal pitch. Eisele was almost perfect in relief as she allowed only two singles and walked just three while striking out six.

Chelsea's defense also played a vital role as they turned two double plays to end Saginaw scoring threats. Amy Hume started one in the first to get Unterbrink off the hook and Martina Rogers, who had been picked up from Great Lakes Federal for the tournament, started one in the fifth, after Saginaw opened the inning with a single.

Chelsea's big inning at the plate came in the fifth with two out. The girls put together three walks, two Saginaw errors and three big hits to score seven runs. Shelly Weber singled to start the rally, Maggy Sweet added a triple and Laurie Voita punched a two-run single into right field.

Voita, Amy Hume and Maggy Sweet had two hits each and Hume and Voita each socked three RBIs as Chelsea came from behind to win, 12-9, and advance in the winner's bracket.

In the second game of the day, Chelsea faced Charlevoix in one of the major contests of the tournament. Charlevoix had won big over Saginaw Township in the first round and looked like the team to beat.

Amy Unterbrink started again for Chelsea and this time shut the door in the face of the heavy-hitting Charlevoix team. Unterbrink didn't try to overpower the Charlevoix team, as she struck out only seven. However, she walked only five and allowed just one hit and one run in a beautiful pitching performance.

Chelsea's defense again turned a pair of double plays to break the back of two Charlevoix threats. Martina Rogers did the trick for the second time and Donna Popovich engineered the double play at second base with a neat double catch of a line drive.

Chelsea collected only four hits in the game, but confounded the Charlevoix team on the bases, bunting and running well and forcing a number of throwing errors. Kim Boyd had an exceptional game as she collected two hits and ran well on the bases. She also made a perfect throw from right field to third base to cut down a runner.

The second day of the tournament saw Chelsea and Midland the only two teams left undefeated in the tournament. Chelsea had shown excellent pitching and good defense while Midland had been the hottest hitting team. The Midland team lacked Chelsea's grace, but made up for it with raw strength.

A determined Chelsea girls fast-pitch softball team played 53 innings of softball this past week-end in Alpena to capture the 16- to 18-year-old ASA state softball championship.

The ASA tournament included 12 teams: Chelsea, Sherman Shoes of Saginaw, Whirlpool of Grand Rapids, Alpena, Pro-Am Sports from Saginaw, Midland, Schrader's Raiders of Saginaw, Escanaba, Grand Rapids Bears, Lansing, Manistee, and Petoskey. Although Chelsea was defeated in the second game of the tournament, the team refused to give up.

Chelsea took their first game of the tournament Saturday morning, against the Grand Rapids Bears, by a margin of 8-5.

Nannette Push and Rhonda Haglund both turned in fine mound performances in the victory. Push, the starting pitcher, was credited with the win. Haglund relieved her in the fifth and picked up a pitching save.

Anita Powell, Molly Eisele, and Jennifer Ringe smacked two hits each for the Chelsea sluggers. Grand Rapids laced only four singles off of Push and Haglund while Chelsea ripped eight base hits off of losing pitcher Mary Plank. Chelsea's defense struggled throughout the game and committed three errors.

After the victory over Grand Rapids, the Bulldogs clashed with a fine Lansing team at 7 p.m. the same day. The game went eight innings with neither team scoring a run. At the beginning of the ninth, with Chelsea coming to bat, the umpires postponed the game because of darkness.

Sunday at 8:40 a.m., the game was continued at the point of the postponement. It took Lansing only one turn at bat to score a run on two errors and a single. Nannette Push was tagged with her first and only loss of the tournament. Chelsea was held to just three hits by Lansing's pitcher, Lori Swanson.

After that 1-0 loss to Lansing, Chelsea's chances for the state championship were slight. The girls would have to bounce back and win five consecutive games in a time span of only eight hours. It seemed like an impossibility to the disappointed and fatigued team.

In the loser's bracket, Chelsea met Pro-Am Sports of Saginaw, last year's defending state champions. Rhonda Haglund and Kathy Taylor started as the battery for Chelsea and turned in fine performances. Taylor and Jennifer Ringe both whacked key hits to spark Chelsea's offense to an 8-2 win in nine innings. The Chelsea victory knocked the Saginaw township team out of the tournament.

Chelsea's next competition was Midland. Nannette Push and Anita Powell teamed up to hold Midland to only two runs. Chelsea romped, 12-2, after struggling through the first three innings of the game without a run. Kathy Taylor led Chelsea's hitters with four singles. Patti Hume also collected three hits in the winning game.

That win moved Chelsea into an important contest against a fine Saginaw city team called Schrader's Raiders. Haglund started the game for Chelsea but Push was credited with the win. Jennifer Ringe and Push led the offensive attack against the Raiders. Push, Patti Hume and Anita Powell, combined to stroke consecutive singles in the bottom of the sixth inning to put Chelsea in the lead, 7-6.

The victory over the Raiders set up a re-match between Lansing and Chelsea in the final. For Chelsea to win the title, the girls needed to take two games from Lansing. Lansing needed only one win to take the crown back home.

Nannette Push took the mound and pitched 14 innings of near-perfect softball. She did not give up a single run in either game and struck out six Lansing hitters.

Sidewalk Sale, Art Fair Open Next Week

Set apart from art lovers who moan and groan yearly about the crowds at Ann Arbor's well-attended art fair are the Chelsea folks, who, by waiting only one week longer, can have the convenience and comfort of enjoying art without burning gasoline or hassling over parking.

The scene of this local bliss is Main St. on the week-end of Aug. 3-4, as Chelsea's seventh annual Sidewalk Sale and Art Fair presents the work of more than 45 exhibitors and the wares of local merchants.

According to co-ordinator Karen Johnson, exhibits will run from the usual crafts, such as macramé, wood working, pottery, painting and jewelry making, to unusual handicrafts such as a glass-blowing demonstration and a

make-up booth where artists will paint clown faces on children.

This year's fair will run from 8:30 a.m. to 8:30 p.m. Friday and 8:30 a.m. to 5:30 p.m. Saturday. West Middle St. will be closed off to accommodate most of the food stands and some exhibitors. Booths will be placed from the UAW union hall on Main Down through the business district. Booths will also be set up on Park St., South St. and E. and W. Middle Sts.

Hungry art- and bargain-lovers will delight in food stands hawking everything from tacos, knackwurst and French waffles to honey, ice cream and popcorn.

Chelsea High school's jazz band will perform for the crowds on Friday as will a jazz band from Ann Arbor. Performance times are still to be announced.

Rec. Council Softball Near End of Season

Chelsea Recreation Council's two girls softball leagues moved closer to determining their season champions, \$ regular season play ended for the Junior Miss League. Final standings for the Midget League are not yet in.

Monday, July 16, was the last night of Junior Miss League Competition. The Candy Kisses slugged 18 hits, four of them doubles, to down the Orange Crush 22-12.

Second game was to determine the league winner with the Blue Eyes battling the Red Devils. Plenty of action highlighted the game, with the Blue Eyes eventually ending up on top, 20-15.

Junior Miss girls started their double elimination tournament with the Orange Crush meeting the Blue Eyes in game one. The game contained a little bit of everything, making it an exciting contest for the spectators.

Orange Crush Kim Forner played right field with a cast on her broken ankle. Miraculously, she made a game-saving snag of a long drive, then completed the effort with a double play throw to second base, catching the runner off guard.

In the bottom of the sixth, the Crush scored two runs, closing the Blue Eyes lead to one run. Blue Eyes fought off the onslaught, however, and held on to win, 20-19.

Game two of the tournament was just as action-packed, as the Candy Kisses and Red Devils displayed excellent defensive play. The Devils broke loose in the top of the sixth, scoring 10 runs and then held defensively to take the contest, 23-10.

In the Midget League Tuesday, July 17, the Red Hots continued their winning streak by defeating the Blue Streaks, 12-8. Jill Schaffer socked a home run in the fourth inning to help secure the victory.

The Chelseaettes took a close game as they nipped the Giants, 8-7.

Basso's Bombers played a good all-around game as the girls all contributed to the 13-5 victory over the Blue Angels. Chandra Hurd and Melinda Fletcher both doubled, knocking in five runs for the Bombers.

It was home run power for the Blue Streaks as they met the Chelseaettes. Jenny Pichlik, Michigan, 475-7372 or Marge Wilson, 475-9630.

School Athletic Booster Club To Plan Fair Help Schedule

A meeting of the Booster Club will be held Monday, July 30 at 8 p.m. in the high school cafeteria-teachers' lunchroom. Main purpose of the meeting is to set up procedures and scheduling for the Chelsea Fair.

Boosters will be manning all gates again this year as one of their major projects. Any parents who have students in athletic activities will be contacted for help.

Others wishing to donate some time are welcome to do so. Any one having specific choices of times to work or who would like to assist in any other way, such as telephoning, should come to the meeting next Monday or call Donna Schrottenboer, 475-7372 or Marge Wilson, 475-9630.

Work Crews Busy On Fair Projects

Work on the new bleachers at the fairgrounds is progressing. Monday and Tuesday, July 30 and 31, Kiwanians were on hand to assist with the construction. Walt Zeeb, Doug Stevens, Julius Blass, Clare Warren, Kay and Marty Poljan, Mark Starpish, Darlene Vargo, Ed Kecer, John Klink, Jerry Herrick, Dick Bollinger, Reuben Lesser, Jr., Mary Ann Guenther, Joe Merkel, III, Frank Renton, Bryce Flynn and Bob Heller.

Decisions were reached regarding some arrangements of the arena and the tractor pull slab. Some workers picked stones and rubbish off the arena to be buried. After dark, the meeting was

called to order by vice-president Jerry Heydlauff. The secretary and treasurer's reports were read and accepted. Discussions of lights, guard rail, which had been moved to the south side of the arena, and many other items, followed.

Only a few spaces remain open in the Merchants' Building. Contact Charles or Mark Stapish for space.

There are a few premium books available. New admission rates were made official: daily, \$2; parking, free; children 14 and under, free; no extra charge for demolition derby nights Tuesday and Wednesday; Senior citizens (65 and older), free on Thursday; season pass, \$7; students with high school ID, season pass, \$5.

An exhibition pass will enable an exhibitor to enter and park on the fairgrounds to care for exhibits. They are available at fair office.

STATE CHAMPS: It was an exhausting but exhilarating day last week-end in Petoskey as Chelsea's 13- to 15-year-old fast pitch softball team took four straight contests and emerged with the state crown. Contributing to the victory, which sends the team to the Great Lakes Regionals in two weeks, were, back row, left to right, Coach Pat Clarke, Tracy Borton, Ann Eisele, Amy Unterbrink,

Laurie Voita, Scorekeeper Frank Waller, Coach Charles Waller; middle row, Molly Feeney, Martha Rogers, Donna Popovich, Amy Hume, Shelly Weber, Missi Lazarz, Maggy Sweet; front row, Kim Boyd, Amy Ziegler, Celeste Powell, Ann Aello, Amy Check, Diane Bareils and Laurie Cobb. Flanking the state trophy in the very front row are bat girls Beth Unterbrink and Annie Weber.

Little League All-Stars Win Tourney In Manchester

Chelsea's Little League All-Stars took the championship in the Manchester Little League Tournament held July 14 and 15.

Chelsea took four of five games in the double elimination series. The first day of the event, Chelsea defeated Manchester 1 by a score of 5-0 and then mopped up Manchester 11, 4-2, and Leslie, 6-5.

In the playoff against Napoleon, Chelsea took the final game by a 12-7 score, after having lost to Napoleon earlier, 8-5.

Chelsea's team was comprised of All-Stars from the Tigers, Red Sox, Cubs, Orioles and Pirates. Players included Chuck Downer, Eric Schaffner, David Boote, Chris Gallas, Doug Graves, Dave Rushway, Dave Sumner, Charlie Kocnn, Jeff Morgan, Mike Ball, Scott Jones and Kevin Maynard. Coach of the team was Gerald Graves.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Ed Doolittle was fit to be tied Saturday night at the country store. He came to the session waving his bright colored postcard and growing there ought to be a law. The fellow was concerned right off, knowing that one of the strongest planks in Ed's platform is doing away with all the useless laws that have piled up on our books, going back to the 10 Commandments and putting some enforcement behind the words.

What it was, Ed had got the card the middle of last week. It said he was a winner in "category one" of a contest he didn't even know he was in. He tracked that down and found out his old lady had signed both of them up for a gift in a promotion put on by an outfit developing resort property. She had said this booth in a shopping center and, being a woman, she had done whatever the sign said. Ed looked up category one on the card and found out he could get such a color television or a new car.

All he had to do was visit the

place the promoters were opening up. He could pick up his gift there. He and the old lady talked about it, and they decided it would be worth the trip, provided they could find the gasoline. They were all set to go Friday and spend the night when Ed happened to take notice of some tiny writing on the back of the card. He put on the glasses his old lady used to thread her needles, and he found it said the promoters reserve the right to substitute prizes. That's when Ed's blood pressure shot up. He could see them driving half the day to get a plastic letter opener substituted for the car that he had won.

Ed said he done some reading and learned these new consumer laws say a contest has to be a contest and not everybody can be a winner, as it used to be in this kind of come on. But the laws don't say nothing about the promoter's right to slip in a set of plastic pop bottle stoppers for a television set. There ought to be a law, Ed declared, that says if a feller has actual won something for nothing he ought to get it. Instead of getting nothing but a high pressure sales pitch for his excitement and his effort to get where the gift is.

General speaking, Mister Editor, Ed got no sympathy. Clem Webster told him flat out that he was old enough and ugly enough to know better. Somewhere there's a catch, Clem said, and you don't have to live long to find it out. The fine print will get you in the end, was Clem's words, cause the fine printers stay at least one jump ahead of the lawmakers. Clem said he was surprised at Ed, since Ed is the sharp eyed Doubting Thomas that can pick out the fatal flaws in Salt talks and Panama Canal treaties at 50 paces. Ed is the feller, Clem went on, that not only looks a gift horse in the mouth, he works him to a sweat to make sure he ain't windbroke.

Personal, Mister Editor, Ed's somethin' fer nothing problems remind me of the feller that figured out hydrochloric acid was real good fer cleaning out clogged drains. He took to using it all the time until he found out that the acid eats up the pipes in the bargain. Just about every way you turn in this life you run a risk of getting pole axed from the blind side.

Yours truly,
Uncle Lew.

New No-Fault Auto Insurance Law To Cost Policyholders More
Automobile insurance premiums will increase drastically for most residents of Michigan under legislation designed to comply with the state's no-fault law with a recent state Supreme Court ruling.

The high court last year ruled the no-fault insurance law basically unconstitutional but directed the legislature to amend the law to provide the insurance at reasonable rates to everyone in the state since coverage is required of every driver in the state.

The legislature must act by Dec. 6.
The Senate recently took the first step toward implementation of the order with the approval of

legislation which, in effect, removes all factors, except driving records, for insurance companies to use in determining auto insurance rates.

The bill removes use of where a person lives thus making the state a single insurance rating territory for determining rates.

Also prohibited for use under the bill are marital status, sex, occupations and handicaps to either deny or increase rates.

Meanwhile, the House Insurance Committee is completing work on similar legislation but it permits the division of the state into as many as 20 different rating territories. Any differences are expected to be worked out during the summer recess with the fin-

ishing touches expected to come in the early fall session.

Senate Republicans, in a solid block opposing the legislation, charged Democrats with shutting off debate on the issue when they, on a straight party-line vote, advanced the bill for a final vote without allowing unlimited debate—an item of business allowed on all other measures.

Minority Leader Robert VanderLaan of Kentwood charged the Democratic majority with practicing undemocratic procedures and said the action would look like that of a kangaroo court.

All Republican offered amendments addressing the territory question were ultimately rejected on a basic party-line vote.

The bill spreads the risk factor across the entire state and does not take into account the areas where the person will do the majority of his or her driving and the number of cars, or potential risks, within a specific area.

Therefore, under the bill, drivers in rural communities will be considered the same type of risk as drivers in major metropolitan areas and pay similar insurance rates. It will, in effect, increase rates of drivers out-state and decrease rates of people living in metro areas.

Sen. Arthur Miller (D-Warren), chairman of the Commerce Committee which reported the legislation to the floor, said the insurance problem stretches across the entire state and it is grossly unfair for people who live in urban areas to pay 30 percent more for coverage.

Sen. Richard Allen (R-Alma) said he could not believe the Senate would consider legislation to make people pay more for insurance than their actual risk value. He added it was absurd not to recognize differences around the state.

Allen even went as far as to suggest the state take general funds and subsidize insurance rates of people in high risk areas instead of making people all over the state pay higher insurance rates to subsidize urban drivers.

The legislation requires availability of auto insurance to all licensed drivers whose vehicles comply with safety requirements and their driving records meet certain minimum standards.

These standards include no more than five violation points in

M. J. Anderson, chairman of Children's Day events at the Community Fair, has announced as a special entertainment feature in the evening, the appearance, in person, of the popular television star Dave Mitchell. Well-known from his "Little Rascals" program on a Detroit television station, he will entertain with magic and other features.

Dr. Otto Engelke, Washtenaw County health officer, was in Lansing Monday and brought back with him the supply of second-

a prior three-year period, have not been at fault in an accident and have not been convicted of a serious moving violation, such as drunken driving, vehicular homicide and/or reckless driving.

Those who are denied insurance because of their records would qualify to obtain coverage through the state's assigned risk pool, but only after a due process hearing requiring the insurance company to declare reasons for denial or cancellation.

The final form of the legislation is yet to be determined, but one certainty is that most Michigan motorists will be paying higher auto insurance rates.

Becky L. Darwin, Steven Potter Wed in Home Garden Ceremony

Approximately 150 guests were present at the home of Mr. and Mrs. William Darwin at 9088 Bee-man Rd., to witness the garden wedding of their daughter, Becky Lynn, to Steven Thiel Potter on Saturday, June 16. Mr. Potter is the son of Mrs. Shirley Potter of Naples, N.Y.

The ceremony was performed by the Rev. William Cardwell Prout of Westside Methodist church in Ann Arbor.

For the ceremony the bride was attired in a floor-length ivory gown with a deep lace off-the-shoulder ruffle. She carried a bouquet of stephanotis, baby's breath and white roses. Her hairpiece was made of the same flowers.

Maid of honor was Elizabeth Ellen Darwin of Ann Arbor, sister of the bride. She wore a pink gown with fitted bodice, floor-length flared skirt and a deep, off-the-shoulder ruffle. Her bouquet and hairpiece were of baby's breath and pink roses with stephanotis in the bouquet.

Bridesmaids were Kitty Donnelly of Ann Arbor and Kathy Mallory of Ann Arbor, friends of the bride; sister of the bride, Melanie Darwin; and Juli Dally of Ann Arbor, a friend.

The bridesmaids wore gowns similar to that of the maid of honor in shades of pink and blue. They wore baby's breath in their hair and carried bouquets identical to that of the maid of honor.

Mother of the bride wore a floor-length sea green gown with a sleeveless blouse top. The bridegroom's mother chose a floor-length blue sleeveless gown. Flower girl was Amy Darwin, sister of the bride. Brother of the bride, Andrew Darwin, was ring bearer.

Best man was the bride's brother, William J. Darwin, II. Ushers were brother of the bride, Brian Darwin, and friends Terry Black, Libby Longoria and Peter Swope.

A reception was given by the bride's parents at the Chelsea American Legion Home. The couple is now residing in Waterloo Village.

Patti Schumann Attending Summer Fine Arts Camp

Attending Blue Lake Fine Arts Camp for the third summer session, July 25-Aug. 5, is Patti L. Schumann of Chelsea, majoring in musical theatre.

Blue Lake, which will host approximately 3,200 elements through high school students this summer offers instruction in a wide variety of fine arts. Located 15 miles north of Muskegon in the Manistee National Forest, the 11-year-old summer school of the arts has grown to be one of the largest facilities of its type in the country.

Patti is the daughter of Mr. and Mrs. Dale Schumann of 667 Washington St.

Mental Health Center Volunteers Sought

The Washtenaw County Community Mental Health Center has announced its spring search for new volunteer mental health workers. Training begins May 19.

Interested persons may inquire by calling 994-2601, between 9 a.m. and 5 p.m.

Volunteer workers are needed for services in Ypsilanti and Ann Arbor, most in daytime services. Volunteers work in the Assault Crisis Center, Huron Valley Child Guidance Clinic, Ann Arbor Community Services, Ypsilanti Area Community Services, all of which are units of the Community Mental Health Center.

Volunteers work once weekly making a time pledge of six months to a year. They must be 21 years of age or older.

Some power lawnmowers can generate a potentially hazardous noise levels, warn hearing specialists. Operators of particularly loud mowers should wear protective ear plugs, the specialists advise.

Attempted Gasoline Theft Is Reported

Although an apparent attempt to steal gas from school buses parked at Dexter High school was reported last week to the Washtenaw County Sheriff's Department, no one is certain if it was successful.

While on road patrol Sunday night, July 22, Deputy Joe Marshall discovered that the gas tank caps had been removed from some of the vehicles and placed on the ground, but was unable to determine if any fuel was missing. School authorities were equally mystified, as there is no record of how much gasoline was left in each tank.

The first federal agency to promote occupational safety was the Working Conditions Services, which sought to improve working conditions for defense workers during the war of 1912, according to the U. S. Labor Department booklet, "Labor Firsts in America."

Mr. and Mrs. Robert Norman Darnold

Shannon Passow, Robert Darnold Wed at North Sharon Church

Shannon Gale Passow, daughter of Mr. and Mrs. Donald Passow, 408 Cavanaugh Lake, wed Robert Norman Darnold, son of Mr. and Mrs. Robert Darnold of Ypsilanti on Saturday, July 7, at North Sharon Bible church. The Rev. Ronald Purkey officiated.

Vocalist Mrs. Norma Esch sang "Saviour in Thy Loving Arms" and "Oh, Perfect Love" to the organ accompaniment of Mrs. Vivian Craft.

The bride wore her mother's wedding dress of floor-length white satin. She carried white lilies and small white carnations.

Maid of honor was Sharon Corts of Ann Arbor, who was attired in an off-white long dress with blue lilies and lace sleeves. She carried yellow daisies and wore daisies in her hair.

Mother of the bride wore a floor-length dress of pink with silver sequins and pearl trim. The bridegroom's mother wore a floor-length gown with pink and blue flowers.

Best man was Charles Steffen of Ypsilanti. Greg Harper of Ypsilanti and Darryl Passow of Chelsea were ushers.

A reception was held following the ceremony at North Sharon Bible church. Felicia Passow, sister of the bride, poured. Eileen Tobin was in charge of the guest book.

Following a wedding trip to King's Island, the couple is at home in Ypsilanti.

The bride is a 1978 graduate of Chelsea High school. Mr. Darnold graduated from Ypsilanti High school in 1978.

Methodist Vacation Church School Opens Monday

"We Do God's Work" is the theme of Chelsea United Methodist church's vacation church school. This year's program will be July 30-Aug. 9, Monday through Thursday, 9:30 to 11:30 a.m. Registration will be July 30 at 9:15 a.m. in the education unit. Fee is \$2 per child with a \$5 maximum per family.

More than 15 staff members are busy planning special activities for children two years old through 8th grade. There will be music, crafts, games, stories and special projects. Some classes will be visiting interesting places in the area such as Waterloo Nature Center and the United Methodist Retirement Home.

Other groups will be working on special craft projects. A Mission Day is being planned and the students will be asked to work on projects to help support a mission in Kenya, Africa.

The two-week school will climax with a Parent's Open House on Aug. 9 at 7 p.m. At that time there will be a music program, classroom visitation and refreshments.

While excessive noise makes understanding conversations difficult for everyone, the problem can be particularly acute for young children who are just learning the language, warn hearing specialists.

Two Chelsea Students In ISU Honors Program

Two weeks of academic challenge and a sample of college life are on the agendas of two talented Chelsea High school students enrolled in the July 15-27 session of Indiana State University's 1979 Summer Honors program.

Attending from Chelsea are Kollette Rinehart, 551 Glazier Rd., in theater and David Waldyke, 555 Chandler St., in technology.

The 276 young people attending all of whom were outstanding members of their class as juniors, will engage in a variety of activities in one of eight seminars: archeology, art, English, interior design and housing, math and computers, radio-TV-film, technology, and theater.

Scheduled annually, the ISU Summer Honors program provides the opportunity for young scholars to explore their academic interests and study with the university faculty.

Those who successfully complete a seminar may earn two hours of university credit and become eligible for an ISU talent

grant which waives a portion of their fees upon enrollment at ISU immediately following high school graduation.

naw county residents regardless of location, though all requests are subject to availability of Home Companions. An hourly fee may be charged and is paid directly to the Home Companion.

The agency also has need of those desiring to be Home Companions either male or female, especially in the areas of Manchester, Saline, Chelsea, Pinckney, South Lyon, Dexter, Milan and other areas of the county.

Those in need of a Home Companion, or who would like to be a Home Companion, may call 483-1887. The office is open daily from 8:30 to 5.

Hospital Auxiliary Offers Scholarship

Chelsea Community Hospital Auxiliary has established a \$500 scholarship to be awarded to a student enrolled in a health career program. The scholarship will be granted to a student in the Chelsea Community Hospital service area.

Awarding of the scholarship will be based on a student's academic achievement and his/her sincere intent to further education in a health oriented field.

After initial screening of applications, personal interviews will be conducted for those candidates deemed most highly qualified.

Application forms for this scholarship are now available at the office of Jan Tupper, director of volunteer-auxiliary services. To be considered for the 1979-80 school year, applications must be returned no later than Aug. 4, 1979.

Energy-Efficient Fabrics Help With Heating, Cooling Expenses

If your wallet is flat from last winter's fuel bills or you're thinking about modifying your present home to take advantage of solar heating, here are some tips that may help you put the icing on the cake and save even more money on heating and cooling expenses.

Believe it or not, the fabrics that you use in your home improvement efforts will make a big difference in the total efficiency of your heating and cooling systems, an interior decorator told a College Week audience in June at Michigan State University.

"When you choose fabrics for draperies, furniture upholstery and carpets, you need to consider more than just their appearance and durability," said Denise Guerin, a Miami (Ohio) University expert. The basic material isn't the only consideration. Usefulness of fabrics can vary with weave and dye treatment.

Guerin provided the following list of textiles that will give best service in energy-efficient interior design:

For draperies and curtains: acrylic, glass fiber, nylon, modacrylic and polyester. Polyester fabrics are very good for this application because they absorb little or no moisture. But, they do cost a lot.

For upholstery applications: acrylic, cotton, leather, linen, nylon, polyester, silk vinyl and wool.

When considering leather and vinyl as upholstery materials, remember that these materials don't absorb moisture, so they can become uncomfortable in warm temperature conditions.

For carpets: acrylic, nylon, polyester and natural wool. Dyed wood will not give satisfactory performance in applications where the carpet is exposed to the sun. The color will rapidly fade. Light gray and off-white colors may be used, however, where exposure to intense sunlight is infrequent.

Home noise levels can be reduced by covering the floor in high traffic areas with carpeting or rubber or plastic runners, advise hearing specialists.

Donald Rays Observe 25th Anniversary

Mr. and Mrs. Donald Ray of Delhi were honored on the occasion of their 25th wedding anniversary by their eight children at a party held at the St. Joseph Catholic church hall June 30.

The couple was married June 26, 1954 in Belleville.

On hand to honor them at the celebration were their children,

Cindy, Sandy, Don, Jr., Bob, John, Mary Kay, Dan, and Laurie, among 200 friends and relatives who attended.

Mr. Ray, who with his wife, Mary Katherine, operates the Delhi Grocery, is Scoutmaster of Dexter Boy Scout Troop 428. Mrs. Ray is a member of the Dexter Child Study Club and the St. Joseph Altar Society. Both are members of

St. Joseph Catholic church.

An anniversary mass was held for them at St. Joseph Catholic church the day of the celebration.

Yankees, Pirates Lead Babe Ruth Play

With only one week remaining in league play, the Royals have extended their streak to seven games with wins over the Orioles and Dodgers. Jeff Blanchard pitched well to beat the Orioles. Tom Headrick went three for three and Ross Murphy four for five. Their strong play, coupled with the untimely loss by the Pirates to the Astros, has resulted in three teams at the top of the league standings with only three losses.

The Yankees, with a bit of tough luck, stumbled against the rejuvenated Astros who in the last two weeks have beaten almost all of the league leaders. Randy Ralston pitched well enough for the Yankees but in a losing cause as the Yankees slipped to 9-3.

Hot on the trail of the leaders are the Athletics with only four losses and still in the thick of things. The Athletics have played strong ball with excellent pitching

by John Walton and strong relief from Bob Trevino.

In addition to beating the Yankees, the Astros took the measure of the leading Pirates, as Day silenced the Pirate bats in a 13-3 five-inning affair, and helped his own cause with three hits.

This week will surely provide some interesting match-ups as teams try their hardest to unseat the league leaders. Next week there will be a tournament in Chelsea among the top four teams as a grand finale to the season.

Chelsea Hospital Offers Weight Reduction Classes

Chelsea Community Hospital is pleased to once again offer a series of eight weight reduction classes that will begin the week of July 29. Topics covered during the eight weeks include low calorie cooking tips, exercise and weight reduction, shopping tips, eating out on a low calorie diet, normal nutrition, and information on fad diets. Particular emphasis will be given to assessing behavior modification techniques helpful to each person's weight reduction program.

The course will be taught by Julie Say, R.D., community nutritionist. Each registrant will receive a personalized diet, knowledge of using behavioral techniques useful in controlling weight, and increased knowledge in nutritional aspects of weight reduction and normal nutrition.

Community members who attended the fall and winter series of weight reduction classes enjoyed learning about topics covered in the program. Class members were also pleased with their success in weight loss. The classes lost a total of 400 lbs.; average weight loss for the participants was 1 lb. per week.

A registration fee of \$25 is charged to cover costs of the eight class series. Classes will be held at Chelsea Community Hospital, 775 S. Main St., 7 p.m. each Thursday evening, beginning the week of July 29 and ending the week of Sept. 16. To register for the classes phone 475-1311, ext. 354 or 369.

Since the first GI Bill was signed into law on June 22, 1944, more than 17 million armed forces veterans have taken some form of training under this popular program.

WASHINGTON CONFERENCE: Chelsea FFA advisor Keith Gafner and local members Bill Lamb and Patti Shoemaker (left to right) are greeted in Washington, D. C., by Jeff Rudd, right, of Yanceyville, N. C., national vice-president of the Future Farmers of America. The Chelsea group returned home Saturday from the week-long National FFA Washington Conference program.

FFA Members Attend Conference

Patti Shoemaker and Bill Lamb, both members of the Chelsea FFA Chapter at Chelsea High school, attended a national FFA Leadership Conference in Washington, D. C., last week. The week-long event was held at the Old Colony Motor Lodge and the National FFA Center near the nation's capital.

FFA's conference program is designed to improve leadership skills, develop an understanding of the national heritage and prepare FFA members for more effective leadership roles in their chapter and community. Such a conference is also a forum for the exchange of FFA chapter activity ideas among members from across the nation.

Besides attending training sessions, Patti and Bill visited Mt. Vernon Plantation, the National Archives, Smithsonian Institution, Arlington National Cemetery and several other historic monuments and memorials in and around the capital.

A highlight of the conference was a morning visit to the office of Congressman Bob Carr of the 6th District. The pair from Chelsea also attended a Capitol Hill meal featuring a question

and answer period with Congressmen Shoemaker. Fifteen-year-old Bill Lamb's parents are Mr. and Mrs. Donald E. Schlee. Patti Shoemaker, 17, is the daughter of Mr. and Mrs. Victor is Keith Gafner.

Child Care Center Plans Open House

Chelsea Community Hospital Child Care Center is having an Open House Thursday, August 2, from 7 to 8:30 p.m. This will give anyone interested in the Center an opportunity to meet with the staff and observe the equipment and facilities.

The Center offers an educational program with the basic philosophy that each child is a unique human being with special talents and interests. It strives toward the healthy development of the total child—his or her social, emotional, intellectual, and physical development.

In a safe setting, with children his/her own age, with equipment designed especially for the small, but active, preschooler, the child has the opportunity to explore, experiment, and learn. The program incorporates a schedule which alternates quiet with active play, solitary with group play, indoor with outdoor play, and child-directed with teacher-directed activities.

Such a schedule allows the child to participate in different types of experiences, assures him/her of a certain routine so he will feel secure, yet is flexible enough to be changed as the needs of the group or individuals warrant it. Center is organized into specific

interest or learning areas. The areas provide for art activities, science activities, block play, dramatic play, woodworking, table toys, language arts activities, music, and large muscle activities. During a period often referred to as free play, the child moves from one area to another, at his/her own pace, responding to his/her own needs and interests.

At this time, he/she is developing autonomy, self-direction and initiative as he makes decisions about what he/she will do. He is acquiring information as he/she interacts with materials and people, both through self-discovery and through teacher guidance as they find time to interact with him/her on a personal level.

During group time, the teacher has an opportunity to more formally instruct the child in specific concept and to sequence learning for individual children. For the child, group activities provide a quiet time and help him/her learn to comply with the wishes of others, both children and adults.

Child Care Center is licensed by the State of Michigan to care for children ages 2½ to 7. The hours of the center are 6:30 a.m. to 5:30 p.m., Monday through Friday. It cares for children on a full- or part-time basis, including before and after kindergarten, first and second grade. Many families send their children two or three half-days a week for nursery school.

Center is located in the west wing of St. Paul United Church of Christ, 14600 Old US-12. Further information may be obtained from Corinne Priehs, director, at 475-1920.

AGRICULTURE IN ACTION

* Salt II

With the debate over the Salt II treaty nearing a climax on Capitol Hill, perhaps we need to stand off and take the long view of the likenesses and differences between the Soviet Union and the United States. A famous author once summed it up this way:

"There are at the present time two great nations in the world, which started from different points, but seem to tend toward the same end. I allude to the Russians and the Americans."

"The American struggles against the obstacles which nature opposes to him; the adversaries of the Russians are men. The former combats the wilderness and savage life; the latter, civilization with all its arms. The conquests of the Americans are therefore gained by the plowshare; those of the Russians by the sword. The Anglo-American relies upon personal interest to accomplish his ends, and gives free scope to the unguided strength and common sense of the people; the Russian corners all the authority of society in a single arm. The principal instrument of the former is freedom; of the latter, servitude."

"Their starting point is different, and their courses are not the same; yet each of them seems marked out by the will of Heaven to sway the destinies of half the globe."

That analysis was written nearly 150 years ago by a French nobleman by the name of Alexis de Tocqueville, who toured what was then the United States of America and published a famous account, "Democracy in America." Like most of the remainder of that remarkable literary classic, this passage about the Russians and the Americans is as true today as it was in 1835.

DONALD A. COLE
Director

In times of great stress familiar surroundings have a tendency to ease tensions. Which is why the atmosphere of our Funeral Home tends to simulate the comfort and serenity of one's own home. The temptation to endeavor to impress with ostentatious touches was firmly resisted and time has proven that we have largely achieved our aim. The atmosphere literally has had a relaxing effect on frayed nerves and weary bodies. Little enough to do for a bereaved family, but a start in the direction members of our staff will continue to work toward during the Funeral Service itself.

★ Farmers Going On Radio Shows

Michigan city dwellers are finding out that it takes more than just a song and dance by "Ronald McDonald" to make a meal. To produce food it takes men and women working on land and thanks to two radio publicity projects consumers are learning all about the rewards and frustrations of farming.

A dozen Michigan Farm Bureau members are working with WJR radio in Detroit on the "Acres for Charity" project.

Participating in the season-long event are hog producers Mike Pridgeon of Montgomery, Werner Clasen of Richmond and George Swartzendruber of Bay Port; apple producers Jim Erwin of Novi, Don and Sandra Hill of Montrose and Rob Peabody of Fenton; dry bean producers Clare Harrington of Akron, John Knoer of Sandusky and John Tanton of Deckerville; and wheat growers Dave Jacobs of New Lothrop, Nelson Leach of Richmond and Chuck Paas of Belleville.

Each of these growers agreed to symbolically donate to WJR a portion of their commodity. WJR morning personality J. P. McCarthy is putting the growers on the radio and asking them about the many factors involved in the production of their commodity.

At harvest time McCarthy will, with the advice and assistance of the growers, select a time and method for selling the donated commodity. The selling price will be donated by the grower or other MFB members to the Detroit Police Athletic League, a charity that is the frequent beneficiary of WJR fund-raising efforts.

Meanwhile, 100 miles north of Detroit, the Saginaw County Farm Bureau and radio station WSGW are co-ordinating another commodity donation project. This one involves navy beans, soybeans, corn and sugar beets. Local farmers will talk about these commodities in weekly telephone interviews with WSGW air personalities.

"The project is definitely helping consumers better understand agriculture," says WSGW Farm Director Terry Henne, "especially the production of sugar beets. At harvest time the truckloads of sugar beets go right through downtown Saginaw. Since almost everyone uses sugar, I think it's helpful for people to understand where the sugar comes from."

Special Awards Set For State Fair Queen

Who will be the fairest of the Fair?

That's the question Michigan State Fair officials will answer in the 1979 Queen of Queen competition. And this year the royal winner will have an added jewel in her crown.

Harold Arnoldi, Supervisor of Entertainment and Special Events for the Fair, has announced that the winner in the queens contest, one of the Fair's most popular events, will receive a round-trip ticket for two to Orlando, Fla., and Disney World.

The queen will fly via Delta Airlines — designated Official Carrier of the Michigan State Fair "Queen of Queens" — to Orlando on the week-end of her choice.

There she'll receive two nights' complimentary accommodations at the Orlando Hyatt.

The trip is in addition to other prizes, including a \$100 Savings Bond, a dozen American Beauty Roses and a basket of Michigan products.

Contestants in the Queen of Queens Pageant must have won a live beauty queen contest in the past year. Preliminary competition will be Tuesday, Aug. 28, with the finals Wednesday, Aug. 29.

For details on the queens contest or the Fair's other special events, write the Fairgrounds, Detroit 48203, or call (313) 368-1000. Entries must be received no later than Monday, Aug. 27.

The Michigan State Fair will run from Aug. 24 to Sept. 3 (Labor Day). It is the oldest state fair in the nation.

Admission to the 1979 Fair, the first under the direction of the Department of Natural Resources, will be the same as it has the past three years. Adults get in for \$3. Children under 12 are admitted free when accompanied by an adult.

Legislative Update

A Weekly Report from
State Rep. Mary Keith Ballantine
State Capitol, Lansing 48909
Phone (517) 373-1775

Week of July 23-30

GAS TAX APPEAL—The Michigan Supreme Court has heard arguments on submitting last year's gasoline and weight tax increases to a vote of the people. The Court of Appeals ruled that weight taxes could be voted on, but not gas taxes.

ENERGY CUTS—Governor Milliken has ordered state employees to cut official car travel by 5 percent as part of a gas-saving program that includes staggered work hours in urban areas and increased use of vanpools and carpools.

TIE BREAKER—In the closing hours of this month's legislative session, Lt. Gov. Brickley cast a rare tie-breaking vote in the Senate. Rather than rush through complex legislation, there was a motion to adjourn; on a tie vote, Brickley voted yes.

BALANCED BUDGET?—After all was said and done, the budget bills approved by the legislature this month add up to a balanced budget, based on revenue estimates. Total spending is to be some \$8.48 billion; the general-fund portion is to be \$4.6 billion. Spending will be less if the Governor vetoes some items; revenue will be less if there is a prolonged auto strike.

MANDATED COSTS—The House has approved and sent to Governor Milliken SB 460, which implements the mandated-cost section of the Headlee Tax Limitation Amendment. State laws which do not apply principally to local governments are exempted from the requirement that the state pay for costs of them. Thus, there is certain to be a lawsuit challenging this.

CONSERVATION LOANS—The Public Service Commission has approved rules which allow utility companies to make interest-free loans to homeowners for installing fuel-conservation devices like insulation and furnace modifications, as long as the loans can be paid off in 7 years. This will help save natural gas; loan costs can be recovered by a surcharge on all utility bills.

SCARED STRAIGHT?—The "scared straight" program, in which juvenile offenders are exposed to prison conditions to deter them from crime, has been temporarily discontinued because a preliminary study shows that those in the program do not commit fewer crimes than others.

LAND INVENTORY—The Senate has approved and sent to the House SB 443, which would order a statewide land resource inventory, with the state picking up 75 percent of the inventory's total cost. The inventory would include geology, agriculture, wildlife, and metal deposits.

OLD BOATS—Governor Milliken will soon sign into law HB 4394, which lowers the registration fee for boats built before 1940 which are collectors' items used in exhibitions, parades and club activities. Under this bill, the fee for such vessels would be one-third the normal fee.

Popular Canoe Trips Through Metro Parks

Summer is one of the most beautiful seasons in which to enjoy a canoe trip along the Huron River in southeastern Michigan.

One of the most popular routes begins on the Huron River south-west of Pontiac, through Millford, Kent Lake in Kensington Metropark, the Hamburg area, Hudson Mills and Delhi Metroparks near Dexter, southeast to Ann Arbor and on to Belleville and Lake Erie.

Overnight Campsites
There are several Huron-Clinton overnight campsites available by advance permit. Charges are \$1 per canoe up to \$5 maximum. Permits are available by contacting the park offices at Kensington Metropark (phone 685-1581), Hudson Mills Metropark (phone 426-8211) or Lower Huron Metropark (phone 687-9181).

Canoe Rental Service
Canoe rental service is available at Delhi Metropark near Dexter daily in the summer (with advance reservations advised during busy week-ends and summer months). Two trips are available: Hudson Mills to Delhi Metropark, \$12.50, or Dexter-Huron Metropark to Delhi Metropark, \$7.50, plus deposit charge.

Huron River Canoe Map
Free copies of the 1978-79 Huron River Canoe Map (with orange colored cover) are available at most Metroparks. To receive a copy by mail send your name, address and 20 cents to cover postage to Canoe Mgr., in care of Metroparks, 3050 Penobscot Bldg., Detroit 48226.

North Lake Co-Op Nursery Planning Fair Parade Float

North Lake Co-Op Nursery is planning a float in this year's fair parade. A meeting will be held soon to discuss the theme. On Aug. 11 and 25, the dads will meet to get the school ready for opening day. A get-acquainted coffee will be held for the mothers in each session. The parent orientation meeting will begin the week of Aug. 28.

Openings are still available for both three-year-old and four-year-old sessions. Anyone interested may call Mary Steele, 475-9396.

A new company, to be known as Chelsea Implement Co., has been organized by Stanley Beal, local garage owner, and Dean Willis of Grass Lake. This new company has the agency for the complete line of International Harvester Co. farm implements, tractors and trucks. Construction will soon begin on a three-acre tract of land about one mile south of Chelsea on M-92.

VIC VERCHEREAU, (right) of the Chelsea FFA chapter and current state president of the Michigan FFA Association, was greeted in Washington, D. C. by General Motors youth activities coordinator Ronald O. Woods during the recent Future Farmers of America State Presidents' Conference there. The week-long conference was designed to give state officers a better knowledge of the FFA and national agricultural issues. Vic is the son of Joseph Verchereau of Gregory.

FFA Leaders Meet With President Carter

Victor Verchereau, of Chelsea's FFA Chapter, state president of the Michigan Association of the Future Farmers of America (FFA), was one of 100 State FFA officers who met Thursday morning (July 19) with President Jimmy Carter.

The meeting at the White House was a highlight of a week-long State FFA Presidents' Conference in the Nation's Capital. The conference, sponsored by General Motors Corp., through the National FFA Foundation, Inc., is designed to help new state officers lead more effectively by expanding their knowledge of the FFA and the nation.

Verchereau is the son of Joseph Verchereau of Gregory. He was elected state president of the Michigan FFA Association at the state convention, March 23.

Making a "unique call, especially tailored for the FFA," President Carter "challenged every FFA chapter in this country to get involved in this basic question of energy conservation and production tied intimately with food and conserving energy."

Many people who experience the symptoms of a heart attack refuse to seek help because they think they are experiencing indigestion, or some other mild disorder and they will feel foolish if they go to a hospital. In fact, the average heart attack victim waits three hours before seeking help, which is why half of those who die of a heart attack, die before they ever reach a hospital. Legion Post Observes 32nd Birthday

The 32nd birthday party given by Dexter American Legion 557 was pronounced a great success July 14.

Ruth and Jane Doletzky prepared dinner with help from the Auxiliary, after which a drawing was held for the door prizes, donated by McLeod Pharmacy, Sportsman's Tavern, Hackney Hardware, Dexter Bakery, Ben-singer's Meats, Norm's Barber-shop, Dancer's Department Store, Mill Creek Sporting Goods, Dick Scott's Bulk of Plymouth, and Mel James of Dexter.

Thirty-year pins were then presented to all 30- and 31-year members. In the final drawing, Carol Sor-tor of Dexter-Chelsea Rd., won the trip to Florida. The trip to Las Vegas, Nev., went to Bud Farrell of Miller Rd., with Vern Dishman of Brookside, Ann Arbor, taking the three-day trip to Toronto, Ont. Canada.

Art and Muriel Klumpp, visiting their former hometown from their current residence at Fort Meyers Beach, Fla., were in attendance.

Ann Arbor Trust Co. Reports Show Growth

Total assets, deposits and loans at the Ann Arbor Trust Co. as of June 30, 1979 were up substantially over the corresponding period in 1978, President George H. Cress announced today.

Assets increased from \$73,264,474 to \$83,807,990, up 14.5 percent. Cress reported, while deposits stood at \$76,574,399 on June 30, compared to \$67,462,302, or an increase of 13.5 percent.

"On June 30, 1979, our outstanding loans to customers were \$51,613,376 an increase of \$10 million from a year ago, which is an increase of approximately 25 percent," Cress noted in his six-month report to Ann Arbor Trust Co. shareholders.

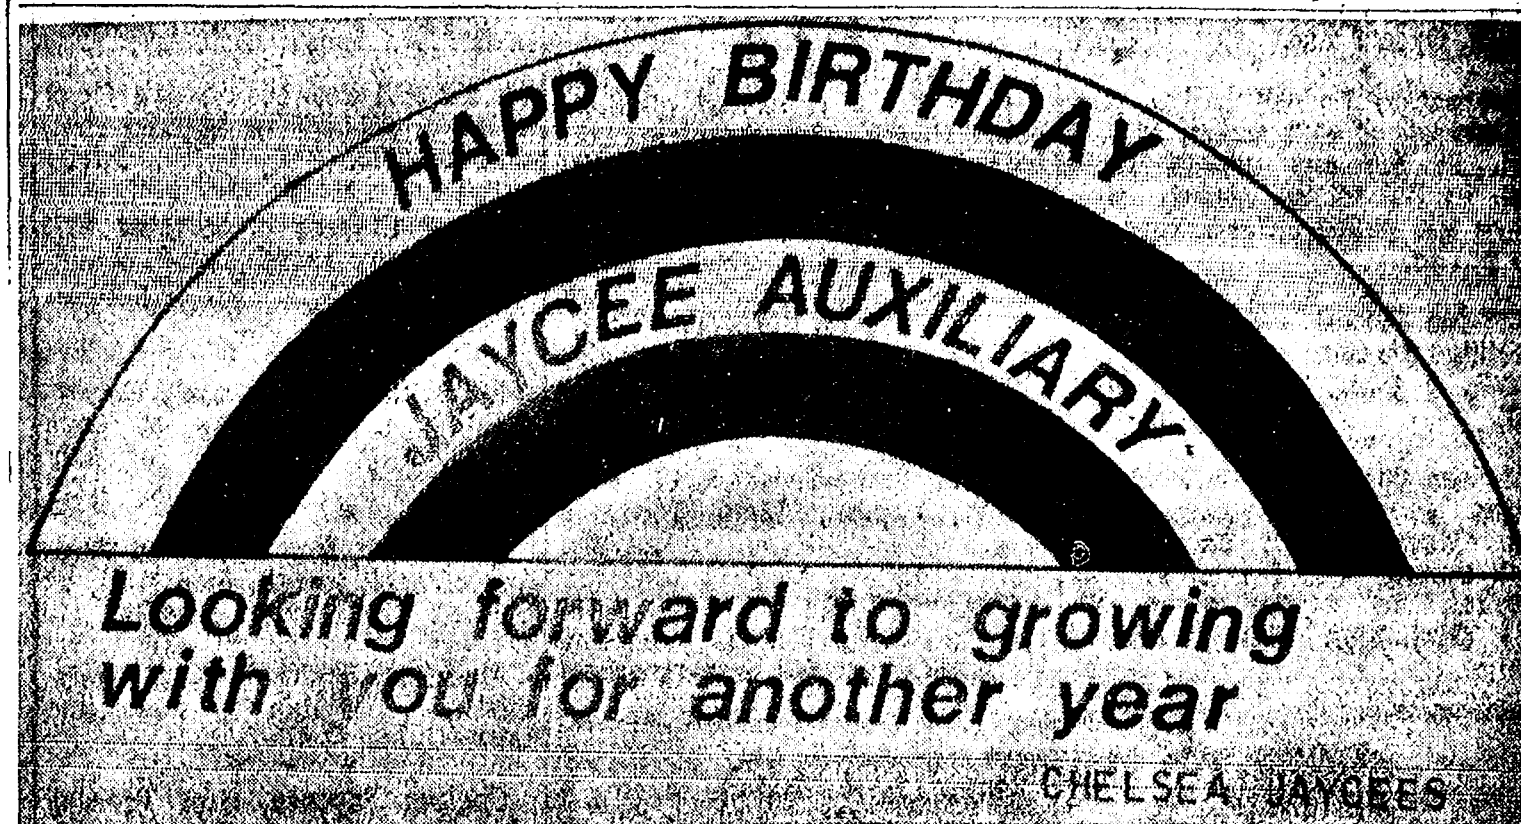

Total earnings for the first six months of 1979 2343 \$423,468, compared to \$434,095 for the comparable period of 1978. On a per share basis (after giving effect for stock split payable April 12, 1979) the six months earnings amounted to \$2.08 compared to \$2.13 for the same period in 1978. Cress reported that the Trust Company's newly opened branch banking offices in Chelsea and Brighton are making good progress.

"We have been well accepted in those communities, and we are now looking forward to earnings contribution from these operations in the near future," he added.

Cadet Tod Jordan Undergoing Training At Military Academy

LOCAL ARTIST CATHY MUHA relaxes on the front porch swing of her home with her pen and ink rendition of St. John's church at Rogers Corners. Muha utilizes slides of the Chelsea buildings in her work, rendering the familiar town edifices in a delicate, detailed style. Her work will be on display at the Chelsea art fair and side walk sale next week-end, Aug. 3 and 4.

Chelsea Artist Capturing Local History in Pen and Ink Sketches

A good deal of historical Chelsea resides in the house at 20450 Old US-12. Specifically, it may be found in one room at that address, where Cathy Muha is likely to be hard at work with pen and ink.

The history isn't in the old house itself, but in the meticulously crafted drawings of Chelsea churches, houses and public buildings that flow from Muha's prolific drafting pen.

The upcoming Chelsea art fair and sidewalk sale, Aug. 4 and 5, will be the first opportunity for most Chelseaites to experience Muha's black and white views of their village. A relative newcomer to the area, Cathy and her husband, Michael, moved here last September when he was transferred by Burrough's Corp. to its Ann Arbor offices.

Cathy, a Belleville native who holds a bachelor of fine arts degree from the University of Michigan, first became interested in drawing historical Chelsea when she was attracted to the First United Methodist church on Park St. After successful completion of that project, Muha decided to tackle all the churches in Chelsea. She admits that at the time she had no idea of how many buildings there actually were and what a project it would become.

Nevertheless, she pressed on and did pictures of every church serving Chelsea. Churches completed, Muha next turned her attention to the centennial farms in the area. The sheer number of farms so designated, however, did cool that project temporarily. It has not been completely shelved, only postponed.

Muha's art ranges across a wide selection of media. She has taken classes in stained glass, rug braiding at Waterloo Farm Museum and has worked extensively in watercolor.

Chelsea's art fair will mark a turning point in Muha's artistic career, as she actively sets out to present her work for purchase for the first time. In the past, she has given art works as gifts but has never set a value on each piece in monetary terms.

Her booth at the art fair will feature mostly pen and ink drawings and all will feature Chelsea subjects. To make her works more widely accessible, Muha has had limited edition prints made of some of the drawings, including McKee Memorial Library, The Chelsea Standard, a view of Main St. and the railroad depot.

Muha's art will also be on display at an Art Fair benefit for a Vietnamese family at St. Joseph church in Dexter in September. She'll also be presenting a rug

braiding demonstration at that time.

Muha hopes that once Chelseaites become familiar with her renditions of well-known buildings in the village they may become interested in commissioning a "portrait" of their own home, done in Cathy's delicate, evocative pen and ink style. Her booth will feature more information on this.

A large project in her future is a return to the centennial farms, in which she hopes to augment the pen and ink with watercolor.

After that titanic undertaking, Muha is not sure of her immediate artistic goals. "I'm just going to keep doing it and see what happens. I'd like to eventually get into full-blown oils, but that's pretty expensive," she mused.

In the meantime, Cathy is intent on making a little of Chelsea's history available to homes other than the one at 20450 Old US-12.

Younger Group Avenges Last Year's Tourney Loss

(Continued from page one)

In spite of such formidable opposition, Ann Eisele once again amazed the entire tournament by pitching almost flawless softball. Giving up just two hits and two walks and striking out two, Ann shut out the powerful Midland hitters and posted her second win, 9-0, in the only shutout of the entire tournament.

Shelly Weber and Laurie Cobb played well on defense for Chelsea and Kim Boyd and Maggy Sweet had two hits each to lead the Chelsea hitting attack.

Sweet ripped her third extra base hit of the tournament as she doubled and scored in the second inning.

It was the very first inning, however, that put the game away for Chelsea. Playing as the "away" team for the only time during the week-end, Chelsea came out and scored six runs on five hits in the first frame.

In the final game of the tournament, Chelsea once again faced the Charlevoix team for the crown. Amy Unterbrink started for Chelsea and dominated the game as she struck out 16

and walked only five. Chelsea built a 7-1 lead early. When Charlevoix threatened in the top of the seventh with the score 7-3, a runner at second and no one out, Unterbrink took control and fanned the last three batters.

Tracy Borton extended her hitting streak as the designated hitter, collecting her third extra base hit of the tournament and driving in her fifth and sixth RBIs.

Thus, Chelsea won the championship in four straight games. Coaches Charles Waller and Pat Clarke agreed after the close first game that the Chelsea team should win the tournament on its excellent pitching and fine defense. One weak point was the difficulty the Chelsea girls had in hitting the slow pitching of some of the teams.

However, the hitting attack was balanced and Chelsea consistently scored first, forcing other teams to play come-from-behind ball.

The victorious Chelseaites will now play in the Great Lakes Regional tournament in hopes of earning a berth at the nationals. Regionals will be played in two weeks at a location not yet specified.

Girls Rally With Great Come-from-Behind Win

(Continued from page one)

Chelsea won the first game, 9-0. Cara Feeney sparked the offensive attack by placing a perfect bunt in the seventh inning, in which Chelsea scored four runs. The nine to zip score set up the final battle of the day between Chelsea and Lansing for the state championship.

Chelsea took an early 1-0 lead in the first inning when Kathy Taylor drove home Jennifer Ringe on a single. Chelsea then collect-

ed two more in the fifth and three in the sixth to shut Lansing out, 6-0.

The exhausting string of victories marked the first ASA 16- to 18-year-old state championship for Chelsea. That win qualifies the team to participate in the ASA Great Lakes Regional tournament, to be held Aug. 3-5 in Saginaw.

THE MONEY TREE

In my experience, money and elbow grease spent wisely on landscaping will pay off handsomely in adding value to your property — in dollars — not just in impression. Some go as far as to say that a mature tree in the right place is worth a thousand dollars.

Landscaping gives a house personality. It is exterior decoration. Landscaping and the house facade greet the visitor and give that important first impression of the owner as well as the home. It can work both ways, too. A plain house can be made attractive with the right landscaping. A beautiful house can become ugly with the wrong landscaping. In fact, a prospective buyer will have a pretty good opinion of what the inside of the house will look like by the time he has finished perusing the appearance of the exterior decoration.

Aside from increasing value, good landscaping pays dividends in other ways. It adds pleasure to your family's life. And it's not all that difficult to achieve and maintain.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8881; evenings, 475-2621. We're here to help!

Willard Guests Are Honored at Farewell Dinner

A family dinner was held at the home of Mr. and Mrs. Arthur Paul last Sunday in honor of Mr. and Mrs. Willard Guest of Portage Lake, who are moving to Florida next month.

The dinner also honored their son, Willard "Bud" Guest, Jr., who celebrated his 40th birthday. More than 30 people were present from Chicago, Ft. Wayne, Ann Arbor, Grass Lake and Clinton.

Capt. Ronald Falcone Completes Navigation Course With Air Force

Capt. Ronald L. Falcone, USAF, son-in-law of Chelseaites Mr. and Mrs. Leroy Bristle, just finished a navigation course with the 426th Squadron at CFB, Trenton, Canada with the 435th Squadron at CFB, Edmonton, Canada.

Capt. Falcone and his wife, the former Elaine Bristle, are visiting in Chelsea this week with Mr. and Mrs. Bristle.

Job banks cover over three-fourths of the U. S. labor force.

Summer Playground Program Completed

Activities in Chelsea's Summer Playground Program culminated last Friday, July 20, with a surprise "day at the lake." The staff and children spent a fun-

filled day swimming and sunning at Silver Lake. During the last week of the program, both North and South schools were buzzing with special activities and events.

Tuesday, North school held a "sooper-dooper" carnival with games and prizes. A cupcake walk, basketball throw, rubber band guess and bean bag toss were just a few of the special events of the day. Leaders worked very hard planning and organizing and everyone enjoyed themselves. Tournament games were also held throughout the day.

Wednesday, both North and South schools combined efforts for a hula hoop contest. Judging the six stunts was not easy and a three-way tie resulted among Laura Torres, Sonya Steele and Kellie Ghent. Laura Torres won the event with her free-style routine.

A frisbee contest was also scheduled but the day just wasn't long enough for all activities. Unfortunately, the event was never rescheduled and the program director apologizes to all who had signed up.

Linda Wahr on Dean's Honor List At Spring Arbor

Linda M. Wahr 16400 Heim Rd., is among 138 students named to the second semester dean's list at Spring Arbor College for the 1978-79 school year.

The list is based on a 4.0 point system and a 3.5 grade point average or above is required for this scholastic honor.

Laugh Olympics were also held during the day. Those winning the unusual categories were as follows:

Kelly Ghent, longest arms; Laura Torres, most cavities with fillings; Greg Clark, most freckles; Steve Everett, smallest waist; Amy Everett, largest sunken chest cavity; David Hamel, largest extended stomach; Greg Clark, most double jointed body parts; Tima Kimbles, longest tongue; David Steele, longest toe; Doug Neal, most unique hair color; Kelleigh Ghent, largest bubble gum bubble; and Todd Nagel, most tricks with a rubber band.

Thursday proved profitable for those who helped leaders clean up the park at South School. Those who helped were treated to a delicious ice cream treat for their efforts.

At North school, it was "Crazy Fight Day," including a whip-cream war, a water balloon fight and a watermelon eating extravaganza.

The program went by so quickly that all activities that the staff had planned just never came to be. It's a long wait, but they will be rescheduled for next summer along with much, much more, the director promised.

Tennessee Temple U. Ensemble Appearing Here

The Templeaires of Tennessee Temple University, in Chattanooga, Tenn., will be presented in a special concert Monday, July 30, at 7 p.m. at the North Sharon Bible church and Christian school, Sylvan and Washburne Rd., Grass Lake.

The ladies ensemble is traveling this summer for 10 consecutive weeks, representing Tennessee Temple University in more than 70 churches in the north and midwestern states.

The group is accompanied by Evangelist and Mrs. Bobby Brown, tour leaders, with the Rev. Brown presenting a gospel message in the meeting. Pastor Ronald Purkey invites the public to attend the performance.

Tennessee Temple University is a "distinctively Christian" institution consisting of a division of arts and sciences, a division of Bible and Christian ministries, a division of graduate studies, a theological seminary, a school for the deaf and an academy, offering training in grades K - 12. It draws its students from all 50 states and 24 foreign countries. More than 4,900 students are presently enrolled.

The division of arts and sciences provides a four-year program offering the bachelor of arts and the bachelor of science degrees with majors in 17 fields: accounting, art, Bible, broadcasting,

business administration, elementary education, English, history, music, sacred music, missionary nursing, photographic design, psychology, pulpit communications, secondary education, science and speech.

Church Schedules Guest Speaker

Chelsea's Church of the Uncompromising Word will host a guest speaker, Clarence King, at the 11 a.m. worship service Sunday, July 29.

Clarence King is an evangelist whose messages of healing and prosperity have "led many to abundant life through God's Word," said Pastor Chuck Clemons.

Trained in the Catholic church, Brother King experienced first hand the healing power of God, says Pastor Clemons.

His radio program, "Healing for the Nation" is presently heard three times daily on WBBG-FM, 98.7 on the dial. His latest book is "Jehova Rapha" — The Lord that Healeth Thee.

THANK YOU

We want to thank the Lions Club, the Rev. Morris at Zion Lutheran church, the volunteers and everyone else who made our ice cream social such a success. Spaulding for Children.

THANK YOU

We would like to thank all of our friends, neighbors and relatives who attended our Golden Wedding anniversary party Sunday, July 15 and made it such an enjoyable day for us. Also those who were unable to come Sunday and called at our home. We want to thank all of our neighbors and friends most sincerely for their part in helping to make this celebration such a delightful event. We also want to thank the following who did the planning and took charge of serving the food and refreshments: Mr. and Mrs. Paul Prentice, Mr. and Mrs. Darrell Satterthwaite, Mr. and Mrs. Donald Bauer, Betty Messerman, Mr. and Mrs. Robert Fornar, Mr. and Mrs. Verne Satterthwaite, Mr. and Mrs. Joseph Steele, Jr., Mr. and Mrs. Jerry Dresselhouse, Mr. and Mrs. Michael Loux, Audrey Bochholz and Jerry Satterthwaite. And a big thank-you to Gene Shoemaker and Mary Messner from the Jiffy Market for seeing to it that we had plenty of food and refreshments for the 600 guests who attended the party, and Tim Orthing for preparing the beans. We want to thank Mrs. Doris (Weber) Calcut (niece of Mr. Weber) for making the Golden Wedding Cake. It was electrically equipped with a waterfall making it just beautiful. We received 227 beautiful cards and many gifts. We are very grateful to all of you.

Good Things Growing In Michigan

The pickle barrel once provided one of the nation's favorite treats during visits to the country store. Not many of these stores are still in existence, but pickles remain a favorite food, and Michigan cucumbers are available now for your summer fixings. For pickling or just plain eating with salt, pepper and vinegar, good things are growing in Michigan.

Michigan leads the nation in growing cucumbers for pickle production with 128,000 tons harvested for pickling in 1978, which may help explain why the largest pickle packer in the U.S. is located here.

Fresh market cucumbers totaled 14.7 million pounds, ranking Michigan ninth in the nation, according to the Michigan Department of Agriculture.

Cucumbers have two special distinctions to their many varieties. Gherkins are small, two-to-four-inch prickly ones used primarily for pickles. Smooth-skinned large cucumbers are used for fresh market.

Cured pickles are fermented in salt brine, usually for several months, then de-salted and washed. Processing is completed in a vinegar solution with seasonings added for flavor.

Fresh pack pickles, having fresh cucumber flavor, are packed directly into containers, covered with a pickling solution containing vinegar and flavorings, sealed and pasteurized with heat to preserve them.

When selecting cucumbers for table use look for long, green tapered ones with smooth skins. They should be firm and feel solid to the touch. Although cucumbers can be kept at room temperature, they will taste better and last longer if refrigerated.

To obtain a listing where you may pick your own cucumbers and other vegetables and fruits, write the Michigan Department of Agriculture for the free publication, "Country Carousels." P.O. Box 30017, Lansing 48909.

Legislature Finishes Budget in Confusion

By Mary Keith Ballantine
23rd District Representative

The legislature finished up its work on the budget last week in a typically confused and hurried manner. Every year, work that should have been done responsibly from January to June is rushed through the few weeks before we adjourn for our summer recess.

I believe that these type of sessions do nothing to improve the quality of the legislative process.

It is under the pressure to adjourn for the summer by a specific date that the legislature most often passes the majority of its budget bills. I believe that this hasty approach to finalizing legislation is one of the prime reasons that state government is becoming more costly all the time.

One of the problems is that the majority party in the legislature—the Democrats—do not maintain a master schedule. There was a time not too many years ago that, under the leadership of the Republicans, the workload was carefully scheduled to avoid the last-minute approach to legislation.

We need a more responsible approach to the legislative process in Lansing and I intend to work toward that goal.

Let's take a look at the 1979-80 budget approved by the legislature last week. It totals about \$4.6 billion and was one of the least debated budgets in recent years. Overall, the budget is relatively modest, but there are still some areas that I feel could have been trimmed more than they were.

Here are the highlights of the 1979-80 budget:

—Over \$1.5 billion will go for school aid, of which \$450 million comes from the state general fund and most of the remaining \$1 billion will come from the school aid fund. The school aid formula for this year includes \$325 for each student, plus \$43 a mill for each mill the school district levies for operations up to 30 mills. Another \$43 will be granted for one-half of the mills levied over 30 mills.

—About \$132 million was also approved for special education in Michigan.

—Michigan's 29 community colleges will receive \$134 million in 1979-80—up 10 percent from last year.

—Four-year colleges will receive about nine percent more than they did in 1978-79. Their \$667 million appropriation is considerably less than both the House and Senate asked for.

Here is a breakdown for the money individual colleges will receive next fiscal year: Central Michigan, \$29.5 million, up 9.1 percent; Eastern Michigan, \$34.8 million, up 9.1 percent; Ferris State, \$21.8 million, up 9.2 percent; Grand Valley State, \$13.3 million, up 9.2 percent; Lake Superior State College, \$5.7 million, up 10.5 percent; Michigan State (academic), \$122.9 million, up 9.3 percent; MSU (agricultural experiment stations), \$12 million, up 8.1 percent; MSU (co-operative extension service), \$11.2 million, up 9.4 percent; Michigan Tech, \$20.9 million, up 9.2 percent; Northern Michigan, \$20.8 million, up 9.2 percent; Oakland University, \$19.7 million, up 9.1 percent; Saginaw Valley, \$6.7 million, up 10.5 percent; University of Michigan, \$143.4 million, up 9.3 percent; U-M-Dearborn, \$9.3 million, up 9.2 percent; U-M-Flint, \$8.6 million, up 9.4 percent; Wayne State, \$98.2 million, up 9.2 percent and Western Michigan, \$46.7 million, up 9.1 percent.

—About \$4.5 million was added to the \$453 million school employ-

ees retirement budget so that retired teachers will not have to pay for the increases in their Blue Cross-Blue Shield premiums.

—The state's mental health budget was increased about 18.4 percent for next fiscal year, bringing it to a total of \$494.7 million. Included in that budget was \$185.8 million for community programs, \$153.1 million for institutions for adult mentally ill persons, \$27.1 million for institutions for mentally ill children and about \$183.0 million for the developmentally disabled.

—The total appropriation for corrections for 1979-80 will be \$177.8 million. The conference committee made cuts in the areas of inmate housing, mental health and public health standards and personnel positions.

—The state Department of Agriculture's appropriation for 1979-80—\$36.2 million was cut by about nine percent, even though \$300,000 was added by the conference committee to fund increased agricultural research.

—Over \$1 billion was approved for the state Department of Transportation, a 5 percent increase over the 1978-79 budget. The largest single portion of the budget—\$464.3 million—will go to the Michigan Transportation Fund.

—The largest single budget will go for the Department of Social Services, with a \$1 limit on Medicaid funding for abortions. Governor Milliken has promised that he will line-item veto that provision out of the budget.

The caseload for Aid to Families with Dependent Children (AFDC) was estimated at 204,000 and funding for the program was increased by 6.2 percent. General assistance caseloads was estimated at 50,000 and grants for the program were upped six percent.

Included in the Social Services budget was a provision prohibiting Medicaid payments to chiropractors unless the patient is referred to them by a licensed physician.

Letters to the Editor

To the Editor:

I wish to extend congratulations to Mrs. Roberta Kemp (director of the girls softball program) for the time and jobs she did beyond the call of duty.

It was a real joy to go to the games and see everything go so smoothly. She was always there to answer our questions.

A special thanks to all the coaches who gave of themselves freely. A lot of time was spent with these young girls and I hope they learned and enjoyed it as much as I.

Mrs. Yvonne Minick.

To the Editor:

"A SPECIAL LOVE STORY"

A few weeks ago, Howard moved to Chelsea with his family. Because they were awaiting delivery of a new refrigerator and were in the midst of some remodeling, Howard ate his breakfast every morning at the Chelsea Restaurant.

Being new in town, he was full of questions. He was anxious to meet new people and make new friends. He was quite surprised to find everyone working in that little restaurant to be so friendly and outgoing. He was especially taken up with a very nice lady, a waitress named Estelle. Each day when he arrived, Estelle would hurry over to his table, smiling and making friendly conversation. Within a few days she caught his likes and dislikes. He inquired about many things concerning Chelsea, about this or that person leaving the restaurant, and he got to know most of the ladies names working there. Before long, all of them were greeting him with those big happy smiles, making this little morning encounter one of the highlights of his day.

A few days ago, Estelle was not waiting tables when he arrived but was busy elsewhere in the building. He missed her and decided to draw a little picture on a

table napkin and sent it back to her. Yesterday when he stopped in, Estelle immediately came to his table with a small paper-plate. It had a "Smiling Face" drawn in the middle and a note written around the edge of the plate which read: "To my little friend, Howie, who is a sweet little fellow. I love you . . . Estelle." (This simple little paper-plate will be kept among his many "treasures.")

You see, Howie is my 8-year-old son—a handicapped child, born with water-on-the-brain and cerebral palsy. He is also my greatest blessing. And the ladies at the Chelsea Restaurant have befriended us in a most unexpected manner. Seldom have we been made to feel so welcome in a new place. And so . . . to all the ladies . . . and especially to Estelle, we just want to say "Thank You," and "God Bless You."

Mrs. George Long and "Howie."

To the Editor:

As this account of a wonderful and fruitful experience is put on paper, it is hoped that it will find place on the front page of The Chelsea Standard—not the fourth, fifth, or back page. Why? So much is written from time to time of the inmate from Cassidy Lake Technical School, who "bushed" (walked away), and so very little of the good that takes place within the boundaries of the minimal security prison in our Chelsea limits.

So, as a first-hand witness I submit the following information for your kind consideration and review.

On Saturday, July 21, at approximately 5:20 p.m., a station wagon pulled up to the visitors area of Cassidy Lake Technical School. As the wagon came to a stop, the doors were opened and from inside came 10 boys from St. Louis School for Excep-

tional Boys, here in Chelsea.

Why? These 10 boys were to find waiting for them, Big Brothers. Men at Cassidy Lake Technical school who signed up for this exchange of love some time ago. The young people from St. Louis school, were escorted by Fr. Fortunato, director, and a counselor from school, Rita Risse. The smiles on the little guys' faces told the joy they expected to share with these men in prison. And so they did.

It was a picnic which began with lunch, goodies galore! Everything from hot dogs, chips, pop, fruit, dessert, candy, watermelon and even balloons. The "goodies" were purchased with a generous cash donation from the Knights of Columbus at St. Mary church of Chelsea. Thank you, one and all, it was "HMMmmmm GOOD."

After eating, the prisoners and the exceptional boys with Fr. Fortunato, began to play kick-baseball. The game was to kick the ball (exceptional boys did very well), and run like heck from one home-made base to another. Whenever the boy would run the bases, in most cases the "Big Brother" took his hand and ran with him to make sure he touched each base. These were the precious moments.

Then, some took their exceptional boy and on a one-to-one basis, helped the boy find his special "heaven" on a swing. Another one a frisbee—one-to-one toss. Sweaty and hot . . . did they stop? Nope. They had a race. First it was the exceptional boys racing. Then the Big Brothers put their special "care" on their shoulders and ran a race that way. No one really cared who won . . . it was just sheer pleasure for all.

There was picture taking and, all too quickly, it was time for Father to take his boys back to St. Louis school. Before departing for the station wagon all of us formed a huge circle and prayed together. Then it was time to say "Good bye." I had a personal tug at my heart when one of the exceptional boys ran across the lawn and put his arms around me and kissed me with tender words of, "thank you, for a wonderful time."

The Big Brothers walked their special charges to the station wagon and there too, there was love. One prisoner, David by name, gave his special little brother, from St. Louis school, his favorite baseball hat, and a wrist watch. Each boy was given a gift by their prisoner Big Brother. The plaques given were made in the art department of the prison.

When the station drove out of sight there was such happiness in the faces of the prisoners who gave these little people a part of their lives for a few hours. The unanimous question was "How soon can we do it again?"

Deep gratitude to the prison personnel who made this day so wonderful for so many. Mr. Weinberg, superintendent, and Mr. Man, the officers, especially Smitty. Thank you Fr. Fortunato and Rita, and all the very special boys who touched our lives. To the 14 men who were "Big Brothers" . . . you were terrific! A very warm thank-you to my husband, Bob, who was there also and helped. Above all thank you, God, for the two-way street of loving and caring.

May I add just this from my own observation? I personally have been sharing the faith, as a representative from St. Mary Catholic church of Chelsea, with the men on the Lake since April 1978. It has been a wonderful experience.

While some in prison will

always be losers, I see other men, many in their teens, who have become Christians while in prison. I have seen many leave back in to the world sincerely wanting a new life for themselves and their families. There are more in numbers inside this prison trying with all their being to prove to God and society they are truly reborn.

So, when you hear of one or two who "bush", remember the many who stay and try harder than anyone of the outside and struggle harder then anyone on the outside, to build a new life by letting go completely of the old habits. With God's grace and prayer they will make it, and a outstretched hand from a lot of us to help them find their way.

There are all creeds represented in the 300-some inmates at Cassidy Lake. There is a need in the prison for all denominations to reach out. If you are qualified, they need you. Already a Jaycees group has baseball games on the prison grounds. Did you know this?

I am Mrs. Millie Warner, Acting Catholic Chaplain of Cassidy Lake Technical School, and so very happy to be there.

Millie Warner.

Dear Editor:

There has been generated a great deal of concern about the Chelsea Babe Ruth League. Some people seem to have chosen sides but have yet to grasp the real nature of the problem. Be that as it may the details of the "tournament forfeit" should not go unmentioned.

At the initial league meeting prior to the season the consensus of the coaches present was that our league would be better off if it did not attend the annual All-Star game. There was a genuine concern for our ability to be competitive as well as for the organizational effort necessary.

When David Lukasiak volunteered later to take a team to Lansing it was with mixed feelings that a team from Chelsea was assembled. The tournament draw and rules were presented to the coach along with instructions for meeting the deadline for the program preparation. Unfortunately, deadlines were not met. The team roster was not completed until the day before the tournament. Scorebooks of two coaches out of town on personal business were still being sought the morning of the tournament. Clearly the organization

Hospital Child Care Center Enjoying Summer Activities

Children enrolled in the Chelsea Community Hospital's Child Care Center are enjoying summer together with their friends and teachers. They are spending more time outside in the warm sun and picnicking in the park.

Gardening has become an important aspect of each day as the children observe the growth of their tomatoes, carrots, zucchini, radishes, and popcorn. They are learning about how seeds grow and the importance of water and the sun to plants.

The week of July 30, the children will be learning about dinosaurs and fossils. A special field trip to the U. of M. Exhibit Museum in Ann Arbor is being planned. At the museum, the children will view skeletons of dinosaurs, exhibit on Michigan wildlife and Indians, and attend a planetarium demonstration.

The following week the children will be studying about native Americans. During this week the children will learn how Indians live—their traditions and values. The children will learn songs about Indians and make Indian head-dresses, teepees, and necklaces.

Older children will learn about sports the following week. Differ-

ent types of sport activities will be discussed and skills relating to these sports will be practiced.

Younger children will explore the world of color. Each day the children will explore a special color. The children will be asked to wear clothing displaying the color of the day. They will paint with that color, sing songs, and find the color all around the school.

The week of Aug. 20 the children will be studying shapes. During each day the children will explore a special shape and activities will revolve around that shape.

Last week in August the children will learn about health and safety. The importance of nutritious food, exercise, and cleanliness in regards to health will be emphasized with the children. Songs about brushing teeth, exercising everyday, and taking a bath will encourage the children to take an interest in health habits.

In discussing safety with the children, emphasis will be placed on traffic safety habits. What does red mean? Green? Through filmstrips and the use of the school's safety belt, the children will be encouraged to think about safety.

A walk is being planned to cross the street at a traffic light. New words such as curb, shoulder, and intersection will be explained to the children. Through games, songs, and stories, safety rules will be learned by the children.

There will be an open house at the Child Care Center on Thursday, Aug. 2, from 7 p.m. to 8:30 p.m. This will give anyone interested in the Center an opportunity to meet with the staff and observe the equipment and facilities.

The Center is located in the west wing of St. Paul's United Church of Christ, 14600 Old US-12. Further information may be obtained from Corinne Priests, director, at 475-1920.

Average (median) weekly earnings of all women who usually work full-time were about 61 percent of the full-time earnings of men in May 1978, according to the U. S. Department of Labor's Bureau of Labor Statistics.

We spend a little more

Like any other business, we have to make money choices at Rampy Chevrolet. Sometimes, spending a little more can mean saving a lot. So before one of our new cars goes off the lot and into your garage, we spend time and money to make sure it's ready for you.

We put our best mechanic in charge of new car preparation. When he says a car is ready to go, it really is. He has a check-list, an ear for rattles and a lot of patience. And he knows that every time we sell a new car, his reputation is on the line.

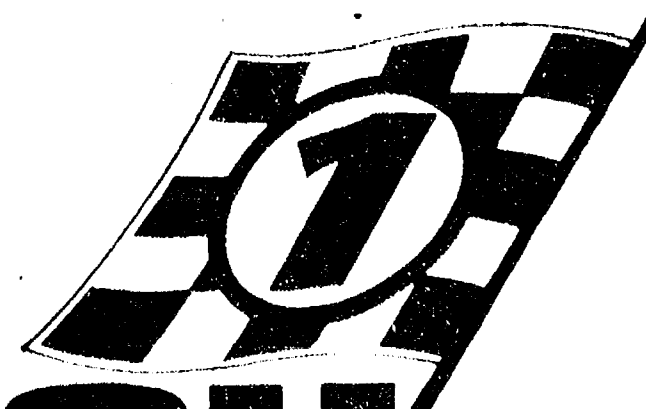

So is Rampy's.

Rampy knows that a reputation for trouble-free new cars is his best form of advertising. And no new car warranty covers being inconvenienced and irritated.

You're both when you have to bring a new car into the shop for adjustments. Rampy doesn't want to see that happen. So we spend more on new cars, before they're sold, than most other dealers.

When your car doesn't come back... except for regular warranty checks and service, our investment in time and money pays off. You're pleased because everything operates properly. We're pleased because, if you're satisfied, you'll come back to Rampy for your next car.

We don't want you back because a job was done wrong. We want you back because the job was done right.

Senate Now Has Toll Free Telephone Line

In an effort to make state government more accessible, the Michigan Senate has installed a toll-free "Action Line," Senator Edward C. Pierce (D-Ann Arbor) announced today.

Senator Pierce said that constituents calling the toll-free number 1-800-292-5893 can leave a message for him or a staff member with the Secretary of the Senate's office. Phone calls received between the hours of 9 a.m. and 5 p.m., Monday through Friday, will be forwarded to his office twice a day.

"The Senate's new Action Line will provide the residents of the 18th District with a simple, economical method of contacting me about any state government issue," said Pierce. "If you have a question about legislation, want

to voice an opinion or need help in cutting through bureaucratic red tape, call the toll-free Action Line at 1-800-292-5893."

Senator Pierce said that any messages left for him on the Action Line would receive his prompt attention.

"I want to help you with any problems or questions you have said Pierce. "By using the Michigan make your voice heard in the legislative process."

Also available to the constituent on a 7-day 24-hour basis is Pierce's answering service located in Ann Arbor. That number is 313-005-4872.

TODAY'S INVESTOR

By Thomas E. O'Hara

Q. I am retired and have been for seven years. I'm beginning to wonder if I made a mistake in the way I have been managing my affairs. I had approximately \$200,000 in savings when I retired and have it invested in Savings Certificates and Bonds. I have earned a very good rate of interest, but the problem is I am not getting any increase in income. At the same time inflation is getting worse every year. When I retired I had a pretty good income, but now with my income having stayed the same and my expenses continually increasing I am getting pinched.

A. While stock prices have been disappointing for years, the dividend income paid by stocks in recent years generally has been rising well above the rate of inflation. Of course this has not been true of every stock, but has been on many selected lists. I'm enclosing for you a copy of a list of stocks that appears in an article by H. Bradley Perry, president of David L. Babson & Co., Inc. in the July issue of Better Investing. There are 20 stocks in the list and for the 10 years 1968-78, they have increased the amount of their dividends by 10 percent a year. During the same period of time the 500 stocks in the Standard and Poors averages have increased their dividends an average of 5 percent a year. During that period the consumer price index advanced 7 percent a year. This means that while dividends went up between 1968 and 1978, they didn't go up as fast as prices. But over the period their total advance was 50 percent while your income stood still.

In the five years 1973-78, the dividends paid by this list of stocks increased 15 percent a year or a total of 75 percent. The 500 stocks in the Standard and Poors average were up 9 percent a year. Since in that period the Consumer Price Index was up 8 percent both groups increased dividends faster than inflation.

These figures suggest that while your income would be smaller to start with, if you had most of your money in stocks, the likelihood that your income would increase over the years seems to be better.

Chelsea Agent Attends Insurance Training School

Joseph Marzec of Chelsea recently completed a comprehensive two-week license and product training program sponsored by Metropolitan Insurance Company's midwestern head office in Dayton. Marzec, a sales representative in the Ann Arbor District Office, received concentrated, in-depth instruction on all types of property and casualty insurance contracts and coverages with a strong emphasis on Metropolitan's new product line — private passenger automobile and homeowners insurance.

Marzec resides at 1177 Freer Rd. with his wife, Lanette, and their six children, Chris, Tim, Matt, Damian, Patric and Madonna.

Buses and heavy-duty trucks regularly produce noise levels that exceed the level at which sound can be hazardous, warn hearing specialists. When driving next to such a noisy vehicle make certain your car windows are closed and the specialists add.

Charlie Cann was sentenced in absentia for assault and battery to eight months of psychiatric treatment from the date of conviction. Fines and costs of \$255, suspended.

Robert A. Clark pled guilty to driving without a license. Sentenced to spend three days in Washtenaw County Jail and pay \$130 fines and costs. Balance of jail time suspended.

Harry T. Markarian pled guilty to littering. Sentenced to one day on probationary work program. Fines and costs, \$40.

Norm Colbry Chosen for Jaycee Honor

The Chelsea Jaycees have selected Norm Colbry as their Jaycee of the Quarter for the months of May, June, and July.

Norm is a past president and past district director and was previously awarded the Jaycees highest honor, the JCI Senatorship. His dedication to the Jaycee concepts is evident by his continued involvement again for the first three months of this year.

Norm has participated in a past president's rap with this year's president, attended all membership meetings, represented the Chelsea Jaycees along with Bob Smith at the Regional Meeting, as well as serving as chairman of the annual steak fry, which will host nearly 100 Jaycees from near and far.

Under Norm's direction, the entire Executive Board of the Michigan Jaycees will be in attendance along with many other old and new Jaycees. Norm has made numerous visits to encourage the attendance of guests for the attendance of guests for the evening.

Norm, a seven-year Jaycee resides at 13926 Bramble Brae, Gregory, with his wife, Alberta, currently serving as chaplain for the Michigan Jaycee Auxiliary, and their two children Dirk and Tricia.

Area Students Participate in Girls State

Two students from the Chelsea area participated in the 39th American Legion Auxiliary Girls State Program held June 16-24 on the Olivet College Campus in Olivet. The two participants are Julie Botsford and Sarah E. Haselschwardt.

Botsford is active in band, the flag corps, and the student council at Chelsea High school. She resides with her mother, Mrs. Jean Botsford at 19500 Sibley Rd. She was elected as the party chairperson for the platform committee during her stay at Girls State. Julie also won a county citizenship award.

Sarah Haselschwardt is active in cheerleading, the tennis team, musicals, forensics, and the National Honor Society at Chelsea High school. She resides with her parents, Mr. and Mrs. Howard Haselschwardt at 754 Book St.

Haselschwardt was elected city mayor during her stay at Girls State. Upon arrival at Girls State, each girl is assigned to a mythical political party, a county and a city. The citizens nominate, elect and appoint girls to various city, county and state offices.

Girls State is designed to emphasize the importance of government through actual participation in the political and governmental process.

The first states to have equal pay legislation for women were Michigan and Montana in 1919, according to the U. S. Department of Labor publication "Labor Firsts"

BOB MEYER, 29, of Chelsea (right) has been elected to serve as president of the Chelsea Jaycees. He is shown here with Alex Arends, president of the Michigan Jaycees, at a recent training session held at Eastern Michigan University. Bob and his wife Sandy have one child. He is employed at the University of Michigan-Children's Psychiatric Hospital.

Dan Bieske Chosen Jaycee Of the Month

Chelsea Jaycees have selected Dan Bieske as their Jaycee of the Month for June. For the second consecutive year, Dan has served as the chairman for the Chelsea Jaycee Horse Show and for the second consecutive year, Dan has done a tremendous job of organizing and conducting this community action project.

Chelsea Jaycee Horse Show is run for the benefit of children who are interested in gaining both experience and some knowledge about showing horses. It is one of the shows which the youth can use to refine their efforts before the Fair Horse Show. Together with the official judge, Dan provided helpful pointers and information to the youthful contestants, as well as explaining the evaluation of their performance.

Somehow, Dan also managed to serve as the liaison person between the Chelsea Jaycees and the Camp Waterloo Jaycees, a prison chapter. Dan's desire to help the residents there has been largely responsible for the involvement and growth that their members have achieved. This is a commitment that Dan has agreed to for the entire year.

Dan is a four-year member of the Chelsea Jaycees and has served as director for the chapter. With his wife, Paula, and their children Carrie, Chris, and Carl, Dan resides at 509 Wilkinson.

Gregory Student on Lake Superior State Dean's Honor List

Lamar Johnson of Gregory was included on the Lake Superior State College dean's list for the term which recently ended. To be so listed, a student must have earned a 3.50 grade point average or better at the Sault Ste. Marie college.

An estimated 93.3 million Americans are potentially eligible for veterans benefits.

JCs, Auxiliary Hold Joint Picnic Meeting

Tuesday, July 17, the Jaycees and their Auxiliary held a joint picnic-meeting at Lyndon Park. The "Jaycee Kids" attended also.

Highlight of the evening was a slave auction. The Jaycees "purchased" Auxiliary members for various fees to bake their favorite cakes and pies or manicure their nails.

The Jaycees are busy planning the fair bingo and steak fry function in August. The Auxiliary will be busy also in the bingo tent as well as jointly building a fair float with the Jaycees. The Jaycees' newest project is helping with the Handicapped Riders program this fall. Members have found assisting with the Special Olympics extremely rewarding.

Arlene Samek has a great schedule of fun planned for the "Jaycee Kids" including a day at her home on North Lake and a trip to Cedar Point next month.

The Taco Stand is the current project. It was a tremendous success last year and is set up annually during the sidewalk sales in Chelsea.

The Winner of the Girl of the Month and 90-Day Wonder award was Denise Martell. The meeting ended as Charlie Sprawka received a pie in the face from Sandy Meyer.
