Fair Sets New High Records

The Standard Enters Age of Computers

By now you will have noticed something different about this edition of The Chelsea Standard. The typeface has changed, for one thing, and the columns, and consequently the pages, are narrower. Most startling is the quality of reproduction in the photographs, which is finer than any that has ever appeared in the 110 years of the newspaper's existence.

With this issue, The Chelsea Standard bids fond farewell to the clanking iron and smoking lead of the letterpress, or "hot metal" system of printing, and enters the 21st century riding upon computerized circuits and rubber rollers. For some years the electronic keyboards of modern photo-offset have been taking over the territory which for the past century was dominated by the Linotype and the cylinder press, and as the nation's colleges began to turn out data processor operators, faster than print shops could apprentice Linotypists and printers' devils, it became evident that sooner or later both The Standard and its affiliate organ, The Dexter Leader, must fall in line or be passed by.

The World of Journalism has ever been one of change.

Gutenberg started it by inventing moveable type, steam power released mid-19th-century printers from the arduous task of screwing down presses by hand, the Linotype took typesetters away from the job case and sat them at the keyboard as a new century prepared to turn. Now it is time for those dignified giants to take their place in history gathering dust in the corner of a museum exhibit or awaiting their fate on the scrap heap. They have earned their retirement.

This is not an occasion for mourning, however but for celebration. Out of the ashes of the old order will arise a cleaner, more efficient product, an organ with the appearance and vitality of youth coupled with the experience and wisdom of age. The Chelsea Standard has not forsaken those ideals which have seen it through its first 11 decades; it is merely presenting them in a fresh package.

As with any new system, there will be a period during which the inevitable 'bugs' must be worked out before a comfortable balance is obtained. We ask our readers to be patient with us during this transitional stage, and to welcome with us the dawning of a new era of challenge.

Schools Preparing For Sept. 5 Opening

School has been scheduled to begin Wednesday, Sept. 5 for all students in the Chelsea School District.

All students in grades 9 through 12 are to report to the high school gym by 8:55 a.m. After a brief assembly program, class meetings will be held. Students will receive their class schedules at these meetings. A shortened schedule of morning classes will be held, with afternoon sessions running normal length.

On the first day, all students will be given a student-parent handbook containing the rules and regulations for the 1979-80 school year. Parents are advised to review this information and call the high school office if there are any questions.

Students in grades 6, 7 and 8 will begin school this Wednesday at Beach Middle school.

Sixth graders should report directly to the cafeteria, and

7th and 8th graders will report directly to home rooms.

New students who have enrolled should report directly to their home rooms. If students are not sure to which home room they have been assigned, they should check at the school office.

New students in any of the three grades who have not enrolled should telephone or come to the Beach school office between 8:30 a.m. and 3:30 p.m. Thursday, Aug. 30, Friday, Aug. 31 or Tuesday, Sept. 4, to enroll.

All students who attended South school last year are assigned to South for this year unless notified. Elementary school children are to find their new teachers by the lists posted on the room doors. There will be assistants in the halls to help the children.

All pick-up times and locations for school transportation are the same as last year.

Teacher Contract Talks Continue

With 11 bargaining sessions already past history and only one more set before the scheduled first day of school, the Chelsea School District and Chelsea Education Association (CEA) still differ on at least nine important articles of the new contract.

According to the CEA, articles still under discussion include class size, professional compensation, fringe benefits and extra-curricular compensation. To this list the administration adds the issues of association and teacher rights, teaching hours, conditions and loads, department chairpersons, leaves of absence, and professional and personal days.

Chelsea school Superintendent Raymond Van Meer said the 8 a.m. Labor Day session would bring negotiations into the "eleventh hour," with hope expressed on both sides that an agreement can be reached before Tuesday morning, when teachers are scheduled to report for a full day. School begins for students Wednesday, Sept. 5.

CEA President Richard Bareis

said that the association is "holding off as long as possible" in deciding whether to strike or work without a contract.

Bareis said the CEA has a meeting scheduled for 8 p.m. Monday evening and will make a decision based on that day's negotiations. Bareis added that he hoped an agreement could be reached in Labor Day bargaining and that a strike decision Monday night would not be necessary.

Concerned Chelsea School District residents may call a special hotline number after 9 a.m. Tuesday, Sept. 4 to learn the status of the negotiations. Dialing the 475-7400 number will reach a message recorded by the school district administration with up-to-date information on the scheduled Sept. 5 school opening.

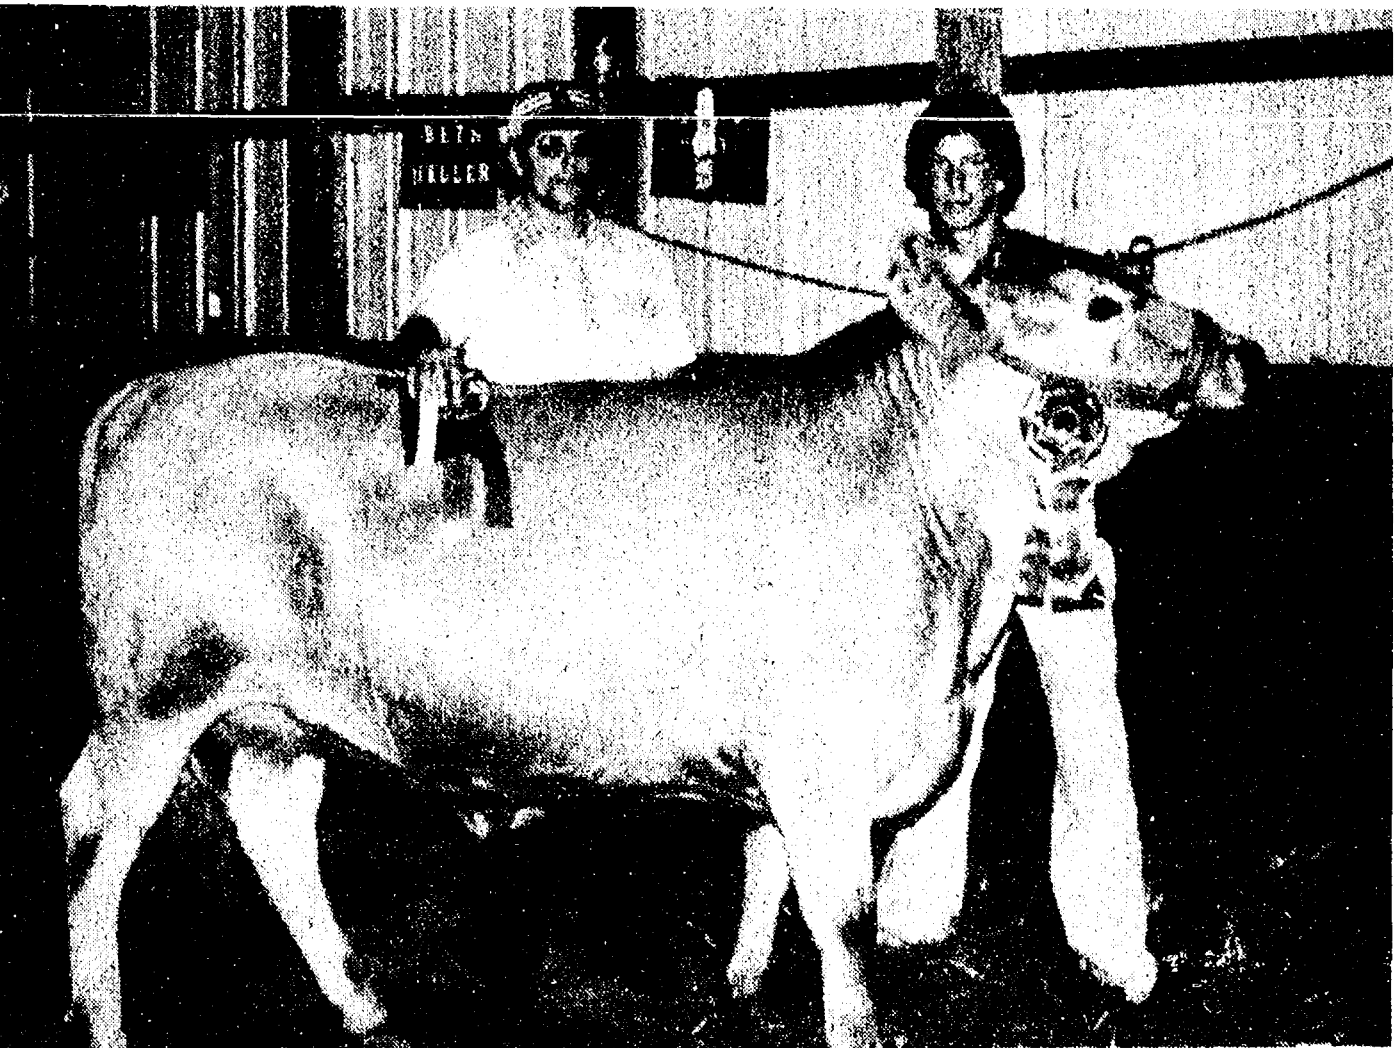

Chelseaite Douglas Brooks was among students who recently received bachelor's degrees at the University of Wisconsin-Madison. Brooks was the recipient of a bachelor of science degree in mechanical engineering.

A WASHTENAW COUNTY RECORD was set last week at the Chelsea Fair, when Fred White, center, of Eder Lime Spreading, paid \$11.50 per pound for Julie Nixon's Grand Champion Lamb. White then donated the lamb back to Chelsea Fair, and it was sold once more, to Polly's Market, for \$5 per pound.

GRAND CHAMPION STEER at the Chelsea Community Fair was this animal, owned by Lori Nixon. Polly's Market purchased the 1,295 lb. steer for \$2.25 per pound.

RESERVE CHAMPION STEER at the fair was this magnificent animal, owned by Steve Grau, right. Chelsea Lanes purchased the steer at \$1.65 per each of its 1,230 lbs.

Demolition Derby, Tractor Pulls Draw Huge Crowds

Blessed with unexpectedly fine weather, the Chelsea Community Fair was a bustling center of activity last week.

Always a highlight in the early days of the fair, the Demolition Derby nights drew large, enthusiastic crowds. Standings from the Tuesday night event were as follows:

Heat 1: Art Farley, Chelsea, 1st; Mike Roskowski, Chelsea, 2nd. Heat 2: Dennis Aschenbrenner, Howell, 1st; Steve Robbins, Chelsea, 2nd; Heat 3: Tom Tolles, Ann Arbor, 1st; Tom

Dyer, Ann Arbor, 2nd. Coming out on top in the feature heat were Dennis Aschenbrenner and Tom Tolles.

On the second night of derby action, the following daredevils finished on top: Heat 1: John Kimberly, Ann Arbor, 1st; Fred Hill, Saline, 2nd. Heat 2: Randy Gregory, Dexter, 1st; Chuck Broderick, Chelsea, 2nd. Heat 3: Frank Kornel, Chelsea, 1st; Donald Yeatts, Pleasant Lake, 2nd. When the dust cleared at the end of the feature heat, still running were

Chelsea's Frank Kornel, 1st, and Randy Gregory of Dexter.

Friday was paradise for insomniacs and night owls, as the tractor pull puffed and chugged on until 4:30 Saturday morning. Taking honors in the 10-hour marathon were the following drivers:

Steve Milkey of Manchester took first place in the 4,000 lbs and under class, followed, respectively, by Art Sias, Dennis Trinkle, Steve Trinkle, Ron Frey and Dick Busha.

Huge Crowds Attend All Major Events

With the weatherman wrong for at least the fifth time last week, Chelseaites basked in the Main St. sun and enjoyed the Chelsea Community Fair parade which kicked off the last day of fair activities.

Led by a color guard of the American Legion, the parade stepped off at 1 p.m. Saturday. Chelsea's High school marching band and the Beach marching band set the pace for the lengthy procession following behind.

Clowns, old cars, farm machinery, fire trucks and livestock were interspersed with floats carrying the fair queen candidates. Finding favor with the judges this year in the youth category was the freshman class float with the theme "We've Only Just Begun." The float took first place for its delicate double arch and rainbow of colorful flowers providing a background for queen candidate Julie Patrick.

Second in the youth category was the sophomore class with a flowered shell surrounding their candidate for queen, Jeanne Bury. Taking third was the senior class float, followed by a string instrument-bedecked entry by the Chelsea High school Orchestra in fourth place.

In the adult categories, first place was taken by the Chelsea Methodist Retirement Home's entry, bearing the theme "Friendship is the shadow of evening which strengthens with the setting sun of life." The float featured senior citizens from the home engaged in hobbies and activities enjoyed by many seniors.

Second place winner was the Inverness Snowmobile Club, with a float sporting summer and winter sporting equipment and fair queen candidate Debbie (Miss Congeniality) Honbaum. ABWA's third place winning entry was pulled by a convertible bearing their nominee, 1979 Fair Queen Melanie Schneider. The float represented women in many

varied and diverse professions and roles.

Taking fourth and the firemen's award was the VFW float, carrying candidate for queen Kelly Stebelton.

Winners in the livestock competitions were displayed in the parade. Winning vehicles from the demolition derby paraded past side-by-side with the shiny, mint-condition antique cars driven by Dexter Car Club members.

Following the arrival of the retinue at the fairgrounds, a drawing was held to award the bicycles which have been displayed on Main St. for the past two weeks. Staci Tone of Chelsea and Jennifer Boughton of Gregory were the lucky winners of the bikes.

Ending up the day and the entire fair was the 2 a.m. excitement of the 4-wheel drive pulling contest. Just as the tractor pull the night before, the 4-wheel drive contest had spectators at the new arena on the edge of their seats until the small hours of the morning.

Taking honors in the Stock categories were: 3500—Gerald Roberts, 1st; Ron Schubert, 2nd; Tony Burnett, 3rd. 4500—Gary Martin, 1st; Ron Schubert, 2nd; Gerald Roberts, 3rd. 5500—Ken Winters, 1st; Jay Poortenga, 2nd; Allen Smith, 3rd. 6500—Dale Pell, 1st; Ron Hyma, 2nd; Chuck Munger, 3rd.

Placing in the Modified Categories were: 4500—Russ Lupo, 1st; Jay Reich, 2nd; Richard Bollinger, 3rd. 5500—Jay Poortenga, 1st; George Stinnett, 2nd; Donald Spencer, 3rd. 6500—George Stinnett, 1st; Ron Hyma, 2nd; Dean Bailly, 3rd.

In the Open Categories which capped the evening, winners were: 5500—Dave Stump, 1st; Dave Forbush, 2nd; James Roberts, 3rd. 6500—James Roberts, 1st; Dan Hickman, 2nd; Dave Forbush, 3rd.

Champion Lamb Sold at \$11.50 lb.

For the first time in many a long fairgoing year, a lamb stole the thunder from the beef at the Chelsea Fair Livestock Auction, which was held Thursday.

The lamb in question was Julie Nixon's 127 lb. Grand Champion Individual, which was purchased by Fred White, owner of Eder Lime Spreading, for a whopping \$11.50 per pound. White then donated the lamb back to the Chelsea Fair, and it was resold to Polly's Market for \$5 a pound, with the proceeds going to the fair.

White's \$11.50 per pound figure set a Washtenaw County record for a sheep bid.

The upstaged beef weren't exactly ignored, however, with the 1,295 lb. Grand Champion, owned by Lori Nixon, going to Polly's Market for \$2.25 a pound. Steve Grau's Reserve Champion, weighing in at 1,230, was sold to Chelsea Lanes at \$1.65 per pound.

In the hog sale, Lucinda Mc-

Calla sold her 218 pound Grand Champion Individual for 3.85 a pound to Klink Excavating. Hans Sausage House in Stockbridge paid \$2.55 a pound for Melinda McCalla's Grand Champion Pen.

Other members of the McCalla family got into the act as Leonard McCalla sold his Reserve Champion Pen, at weights of 257 and 252, to Michigan Livestock Exchange for \$1.20 per pound. Polly's was the high bidder for Melinda McCalla's Reserve Champion Individual, which brought \$2.20 for its 225 lbs.

A lamb set another record at the sale this year, this time a Chelsea Fair Record. Jason Bradbury's Reserve Champion Individual was bought by Harold Trinkle and Sons for \$6.25 a pound. It weighed in at 111 pounds. Mark Lesser's Grand Champion Pen sold to Bob Bauer for \$2.00 a pound and Lori Nixon's Reserve Champion Pen brought \$3.00 a pound from Diuble Feeds.

It's decision time again, Monday, Sept. 13, as voters of Chelsea school district will go to the old junior high school and mark their choices on each of two ballots. The voting will decide whether the community gets its three-point building plan to meet the needs of a continually rising enrollment and swimming pool at the junior high school.

Following the example set by an older brother, Robert Koenigster, 13, showed the grand champion steer at this year's

Chelsea Community Fair. His brother, Donald, won the honor at the 1960 Fair.

Charlene Powers, 14, was named the 1965 Chelsea Community Fair Queen, and pat Guest, 16, was selected runner-up in the queen contest Saturday. She was the candidate of the sophomore class.

New drinking fountains have been installed in the downtown area to replace the old ones at the southwest corner of Main and Middle St. and the southeast corner of Main and Park Sts.

A Chelsea teen-ager was ordered to the county Juvenile Home last Wednesday. He and a companion from Gregory were picked up by sheriff's department deputies after they admitted they stole and drank seven bottles of beer and two bottles of soft drinks from a refrigerator at Inverness Country Club.

Workers' Compensation Discussion To End for Month
Partisan politics spelled doom to a proposed week-long series of meetings designed to rewrite cost premiums and benefit levels of the state's workers' compensation liability program.

Twenty-one states have already adopted 100 percent of the average wage as the maximum benefits and some states have even higher maximums. Labor, however, getting 100 maximum, wanted to set the maximum at 133 percent of the

1960 average wage by 1962 and at 200 percent by 1966.

During the second day of discussions, the group reversed itself and recommended that minimum benefits for disabled workers be abolished.

Business argued for the elimination of minimum benefits saying it would prevent the occasional situation where a worker gets more under workers' compensation than he did while still working.

Labor advisors warned, however, that elimination of minimum benefits could also mean workers with debilitating injuries would be left with benefits as low as \$10 to \$15 per week.

Currently the state requires benefits of two-thirds the average weekly wage for death and total disability.

Upon the elimination of the minimum benefit level, task force chairman Sen. David Plawecki (D-Dearborn Heights), who is also chairman of the Senate Labor Committee, said he was afraid the group was falling into a partisan split on the labor issues, but continuing bipartisan support on business issues.

During the third meeting of the group, which was to make recommendations to the legislature on workers' compensation, partisanship was in the open and the total process was beginning to break down.

No matter how hard both sides try, there are basic differences between labor and business when considering proposed reforms for

the workers' compensation laws. A task force on workers' compensation got off to a fast start in the opening sessions of a week-long series but partisan haggling put a halt to any progress.

The scheduled concentrated hearings were unable to be completed as both sides agreed there was nothing to gain by continuing them at the present rate. They were postponed for at least 30 days to allow both sides to cool.

Labor was successful with the adoption of a principle that maximum benefits should be 100 percent of the average weekly wage beginning January, 1960.

Business opposed the decision, warning that establishing a 100 percent maximum on benefits could increase benefit costs for employers from 18 to 25 percent. Additionally, they suggested workers' compensation insurance could also increase by as much as 10 percent.

The group was beginning to consider inflation protection and co-ordination of benefits.

A stalemate over major issues developed by Thursday and the task force adjourned for 30 days, thus spelling doom for reform for the remainder of the current calendar year.

The workers' compensation question is always listed as a top priority item for every convening legislature. Additionally, it is always left unresolved when the final pieces fall into place.

Even with the art of compromise, such items as workers' compensation and unemployment compensation cannot be solved when both business and labor feels so strongly about the issue and is willing to go to the mat for their benefits.

In Michigan, where labor is constantly challenging business,

Find Some Items Stolen From Car

Some of a number of items reported stolen from automobile parked in the village early Sunday, Aug. 26, were recovered near Copeland school and turned in to the Dexter substation later that morning, according to the Washtenaw County Sheriff's Department.

The victim, Bonita LaMay, 22, Lawndale, Flint, told deputies that her car, a 1977 Pontiac, was parked at Fourth St. and Dover between 12:30 and 2 a.m., during which time an unknown party unlocked it and removed a brown leather purse containing a large brown billfold, \$100 in \$20 bills, assorted personal papers, two charge cards, a ring with assorted keys, and a checkbook from the Citizens Bank of Flint. Since there were no signs of forced entry, it is believed a wire was used to spring the lock.

At 11:45 a.m., Deputy W. R. Stielow was summoned to an address in the 7700 block of Ann Arbor St., where he was given items answering the description of some of the stolen articles, said to have been found on the west side of Copeland school.

it is all that much more important for business to at least hold its ground.

For these reasons, workers' compensation and unemployment compensation will continue to be listed as top priority items for each subsequent legislature with a resolution not available in the near future.

Mexican Band Festival in Mexico City on May 1 through May 5, 1980.

The Board approved an agreement between the University of Michigan and Eastern Michigan University pertaining to student teachers.

The Board set only one meeting date for the month of January. The meeting will be held Jan. 21, 1980.

The Board authorized the administration to proceed with an issuance of a Golden Pass for all District residents who are between the age of 60 and 65 and are retired and for all District residents who are over the age of 65. This pass will admit them free of charge to all District activities where an admission is normally charged.

The Board reviewed the Board of Education Goals Workshop and discussed as an information item a review of the tuition policy.

The Board set the opening date of school as Tuesday, Sept. 4, 1979, as a full day for teachers and Wednesday, Sept. 5, 1979 as a full day for students.

The Board certified the election results as follows: 629 yes, 744 no, 6 spoiled ballots, for a total of 1,379 votes.

The Board set the tax levy for the 1979-80 school year at 33.62. The total for the General Fund of 29.02 and 4.6 Debt Retirement Fund for a total of 33.62. The district will only levy 28.8865 operation mills due to the increased State Equalized Valuation and the Headlee Amendment.

The Board awarded the borrowing of \$460,236 against State Aid for the low bidder, Chelsea State Bank, at 5.85 percent. The other bid received was from Ann Arbor Trust at 6.20 percent.

The Board approved a contract for Ann W. Crawley to teach Spanish and English at the high school. Mrs. Crawley will replace Mr. Hudnut who resigned to accept a position with the University of Michigan.

The Board approved an increase in student lunch prices. All student lunches will be sixty cents (.60) this year. The 50 cent price had not been increased in three years. This increase is to help offset the rising cost of goods and services.

The Board received the budget reductions that will be necessary due to the millage failure. The Board will review these reductions and take action at the next meeting, which will be Tuesday, Sept. 4, 1979.

The Board adjourned at 9:55 p.m.

Hot Line Set Up for School Information

Chelsea School District has set up a special hot-line telephone number for district residents to receive up-to-date information on the status of teacher contract negotiations.

Dialing 475-7400 after 9 a.m. Tuesday, Sept. 4 will reach a recorded message with information regarding the scheduled first day of school for students, Sept. 5.

Financial Planner Available

Since 1925 the Ann Arbor Trust Company has been providing a complete range of trust services to the people of Washtenaw County. Their trust division currently manages more than \$314,000,000 of client investments. As the branch representative from the trust division, John Paup will bring a good deal of experience and expertise to Chelsea.

John joined Ann Arbor Trust 12 years ago as the head of the Property Management Department and later transferred to the Trust Financial Planning area where he is now an assistant vice president and trust officer.

A graduate of the University of Michigan, John has also attended the Trust Financial Planning School at the University of Colorado.

John will be available by appointment at the Chelsea Banking Office of the Ann Arbor Trust Company every Monday afternoon, or other days at your convenience, to discuss your trust and investment requirements.

McDonald's Head Local M-D Drive

This week only, the children of our cities and towns can help other, less fortunate children stricken with Muscular Dystrophy, by joining the McDonald's neighborhood collection drive.

Anyone wishing to help the fight against Muscular Dystrophy may do so by picking up a neighborhood collection kit at any Chelsea, Ann Arbor or Saline area McDonald's restaurant. These kits have been compiled in co-operation with the Washtenaw County Muscular Dystrophy Association.

A neighborhood collection kit and instructions from a McDonald's are all that's needed to conduct a successful collection drive.

Sometime between now and Labor Day, Sept. 3, collections should be finished and returned to the same restaurant that provided the kit. McDonald's will donate the money to the Washtenaw County Muscular Dystrophy Association in each collector's name.

Also, upon the return of the donations, a prize will be awarded to each and every person for giving their time and efforts. All prizes are donated by area McDonald's restaurants.

Ladies Golf League Holds Final Tourney

Sparrow Hawk Chippers ladies golf league held its final tournament and luncheon Tuesday, Aug. 21. Nineteen members were on hand to enjoy the scramble tournament.

After golf, a luncheon was held at Win Schuler's in Jackson. Prizes were awarded and officers selected for the next season.

Winning foursome of the day was Marti Hart, Dot Hume, Fran Lorenz and Sherri Plank. Winning the league yearly prizes were Sherri Plank for low gross average, Lenore Mattoff and Gerry Tallman for low putts average and Neta Mills for most improved player.

When golf season begins next May, leadership will be provided by President Pat Whitesall, Secretary Barbara Pruess and Treasurer Dot Hume.

The first state legislation requiring factory safeguards was in Massachusetts in 1877, according to the Department of Labor booklet "Labor Firsts in America."

ERA REAL ESTATE PRESIDENT Jim Jackson congratulates Jeanene Riemenschneider, Robert W. Riemenschneider, partner, and John C. Pierson on completion of a recent ERA Real Estate Seminar.

Pierson & Riemenschneider Join Nationwide Network

Pierson & Riemenschneider, 111 Park St., has joined ERA (Electronic Realty Associates, Inc.), a nation-wide home marketing service, it was announced today by John C. Pierson and Robert W. Riemenschneider.

As real estate brokers, Pierson & Riemenschneider said they will be able to offer such consumer aids as ERA Real Estate's two home warranties—the Home Buyers Protection Plan and Home Sellers Protection—as well as photo-by-wire listings and a nation wide relocation system.

ERA Real Estate, the fastest-growing national home marketing service, will have

more than 40,000 sales associates in more than 3,750 offices nationwide by the end of 1979, according to Pierson & Riemenschneider.

"With ERA Real Estate's exclusive consumer aids, we can help people sell their homes and alleviate the trauma of moving," Pierson & Riemenschneider said.

"The Home Buyers Protection Plan," said Pierson & Riemenschneider "protects the homeowner against the operational failure of major home com-

ponents including the central heating, electric air conditioning, plumbing and electrical system, built-in appliances, water heaters, and softeners and accessible sheet metal ducts."

"Home Sellers Protection coverage begins 15 days after the home is listed for sale with an ERA Real Estate Broker, for up to six months or until the home is sold. The coverage is identical to the buyer's plan," Pierson & Riemenschneider said.

Reunion Plans Underway for Dexter Ag. School

A reunion is being planned for all students who attended the old Dexter Agricultural School at Dexter and Pratt Rds. Sunday, Sept. 16, at the home of George and Lois (Pratt) Kilbreath, 9925 Dexter-Chelsea Rd.

Organizers of the get-together are now combing the countryside for alumni of the school, which was discontinued in 1954. Thus far, the two oldest former students notified are Adolph Helber, 93, and Harold Wing, 90.

Many more have been traced, but there are still others whom the committee has not been able to reach. Anyone who knows of a former student who attended the school is asked to call 426-8697.

Students, parents of students and families are invited to join the pot-luck dinner at 1 p.m.

Nature Center offers May Apple Guide

By Tom Hodgson
Waterloo Park Naturalist

Hidden among the ground plants in many woods and thickets in southern Michigan is an edible plant that is very seldom harvested. It has been given two very unlikely and inaccurate names: May Apple and Mandrake.

In response to the former name, the fruits look more like miniature lemons than apples, and they ripen in late August and early September, not May. As to the latter, the original Mandrake is a Mediterranean plant whose roots were highly valued for medicinal properties in many European countries.

Early settlers learned from the American Indians that the May Apple also had a root of medicinal value. They named it Mandrake after their old familiar native herb, but the two plants are totally unrelated.

To those who might be tempted to experiment with the roots or leaves of May Apple, a word of caution. They contain a powerful drug called podophyllin which is highly poisonous if taken in overdose. Taking this violently cathartic drug would likely end in a trip to the hospital.

Roots of the May Apple are long lived and send up new stems year after year. Over the years they spread and form large colonies. Leaves and stems first appear in spring when many other plants are still dormant. Each plant stands 12 to 18 inches high and looks like a small umbrella or miniature palm tree.

A root will send up several stems. Some will have one leaf, with the stem attached at the center, and will bear no fruit. Others have two leaves attached to a forked stem. In April and May a single white blossom appears in the fork of the stem, from which a single fruit ripens slowly as the summer months slip by.

Ripe fruits are a bright, lemon yellow. They may be found suspended from their stems or lying on the ground. Describing their flavor is somewhat difficult, but they remind me of the inside of the concord grape. The only way to find out is to try them yourself.

Though the fruits are edible and good, like prunes, they must be eaten in moderation. They are at their best in preserves. Here is a recipe for May Apple Marmelade I found in the book *Stalking the Wild Asparagus* by Euell Gibbons.

May Apple Marmelade
1/2 gallon ripe May Apples
1 cup water
1 box Sure-Jell
5 cups sugar
Paraffin

Remove stem and blossom ends from washed fruit. Cut into quarters and put into a suitable sized kettle. Add water and simmer 15 minutes, stirring occasionally to prevent sticking. When the fruit is soft, put it through a colander to remove the seeds and skins. Add a box of Sure-Jell to four cups of the pulp and bring to a boil. Add sugar, return to boil and maintain a hard boil for one minute. Skim and pour immediately into prepared jars and seal.

I'm sure you will be pleased with the results. My wife and I sent some to our friends along with some other homemade preserves. We labeled it "The Mystery Marmelade" and had many good comments and inquiries about the ingredients.

For those who do not already have a May Apple patch located, a May Apple picker's guide to Waterloo Recreation Area will be available at the reception desk in the Waterloo Nature Center.

The nature center is located midway between Ann Arbor and Jackson. Visitors take I-94 to exit 158, turn north and follow the park signs to the nature center. It is open from 9 a.m. to 5:30 p.m. Tuesday through Saturday and from noon to 7 p.m. on Sunday. For further information, call 475-8069.

Police Attend School Crossing Workshop

Chelsea Police and Washtenaw County Sheriff's deputies were among 105 law enforcement agencies who attended a school crossing guard workshop sponsored by the Automobile Club of Michigan and the Michigan Department of Education, Aug. 13.

The half-day seminar was one of eight such programs held throughout the state this month.

The program is designed to help police comply with state requirements that all adult school crossing guards receive four hours of training and two hours of annual review in traffic control, first aid and other areas from local officers.

Chelsea Police also received new formulas to help them determine where guards are most needed and received new, federally mandated reflectorized, hand-held stop signs and highly visible orange and white striped guard vests.

Public Announcement

Superintendent Raymond E. Van Meer today announced the policy for Free Meals and Free Milk or Reduced-Price Meals, for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast, Special Milk Program, and U.S.D.A. Donated Foods Programs.

Local school officials have adopted the following family size and income criteria for determining eligibility.

Total Family Size	Scale for Free Meals and Free Milk		Scale for Reduced-Price Meals	
1		\$ 4,590		\$ 7,160
2		6,040		9,420
3		7,490		11,680
4		8,940		13,940
5		10,390		16,200
6		11,840		18,470
7		13,290		20,730
8		14,740		22,990
Each additional family member		\$ 1,450		\$ 2,260

Children from families whose income is at or below the levels shown are eligible for (free meals and milk, or reduced-price meals). In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space of signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

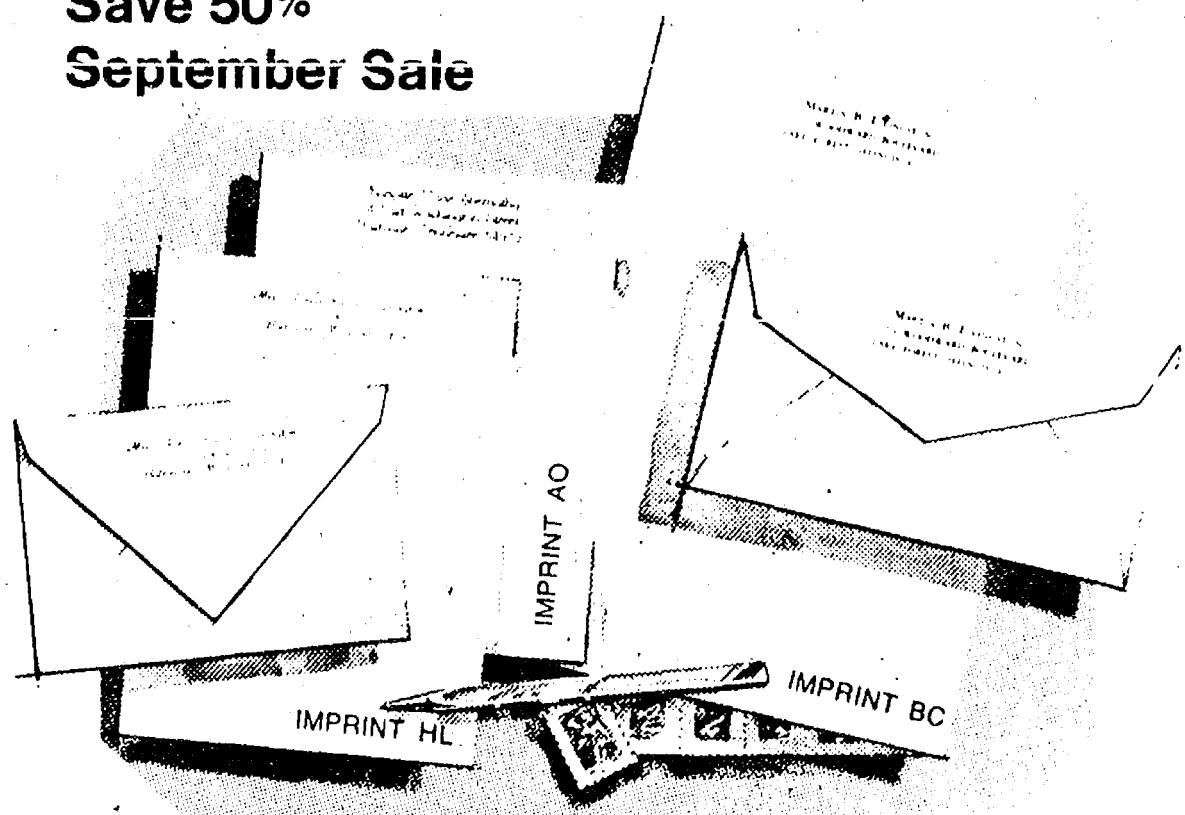

Children of unemployed parents may qualify for free or reduced price meals and/or free milk if total family income include welfare payments, unemployment compensation and sub-pay benefits fall within the prescribed family income guidelines.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, creed, color, or national origin.

Golf Team Participates In Tourney

Sports season opened early for some Chelsea High school athletes last week, as the golf team traveled to Tecumseh to begin its season on the links by participating in the Tecumseh High School Golf Invitational Tournament.

Chelsea was one of 11 teams in a strong field of squads from Dexter, Jackson, Manchester, Marshall, Milan, Monroe, Saline, Tecumseh and Jackson County Western.

Chelsea finished sixth in the field with 343 points, led by the outstanding play of sophomore John Welton, who tied for fourth medalist out of 55 golfers with a score of 78.

Marks recorded by other Chelsea players were: Steve Wolak, 86, Dan McGill, 88, Doug Bowen, 92, and Mark Barnes, 96.

First regularly scheduled match of the season will take place Tuesday, Sept. 11, when the Bulldogs meet Lincoln at home.

Dr. D.T. Snyder Chosen Editor By Dental Society

Chelseaite Daniel T. Snyder, D.D.S. was recently selected newsletter editor of the Washtenaw District Dental Society for the 1979-80 year.

The society has been active for more than 50 years in encouraging the improvement of the public health and promoting the art and science of dentistry.

One of its notable projects is the outfitting and volunteer staffing of the Mack School Dental Clinic in conjunction with the Washtenaw Dental Auxiliary. The clinic provides dental care throughout the school year for disadvantaged and indigent children.

DEATHS

Mrs. Hugh Hosier
Chelsea Man's Mother
Dies at Hospital

Opal Sarah Hosier, 15030 Reiman Rd., Grass Lake, died Saturday, Aug. 25 at Chelsea Community Hospital. She was 74.

Mrs. Hosier was born Feb. 9, 1905 in Spiceland, Ind., the daughter of Orville Phillip and Leona (Templeton) Noah. She moved to this area from Plymouth eight years ago. She married Hugh Risk Hosier in Spiceland.

Mrs. Hosier attended Salem Grove United Methodist church and was a member of the First Presbyterian church of Plymouth. She had been a cook at Northville State Hospital for 16 years.

Survivors include two sons, Hugh Phillip Hosier of Grass Lake and Carl Hosier of Plymouth; two sisters, Mrs. Ruth L. Bishop and Mrs. Faye Vanderbeck, both of Louisville, Ind.; two grandsons, Larry and Jeff Hosier; two granddaughters, Bonnie Robbins and Joyce Hosier; and five great-grandchildren.

Funeral services were held Monday, Aug. 27 at the Burghardt-Cole Chelsea Funeral Chapel, with the Rev. Carl Schwarm officiating. Burial followed at Riverside Cemetery, Plymouth.

Memorial contributions may be made to the American Cancer Society. Envelopes are available at Burghardt-Cole Funeral Home.

M. Packards attend VFW Convention

Representing Chelsea VFW Post No. 4076 at the recent National Convention held in New Orleans were Mac and Eulabee Packard. The convention was held Aug. 18-25.

Some 17,500 VFW members and nearly 16,000 from the Auxiliaries from all 50 states, France, Germany and the Canal Zone were on hand to pass legislative action and constitutional amendments.

More than 4,000 youths from all over the country were present to participate in a 4 1/2 hour parade and a drum and bugle corps competition. Michigan representatives, the Saginews from Midland, finished in third place.

The Morley Oats No. 701 Band from Lansing took first place among the adult units at the competition. They led the parade and returned to the starting line to escort the large Michigan delegation in the march.

The VFW National Home in Eaton Rapids had a float entered in the parade.

During their free time at the convention the Packards enjoyed the many sights and tours offered in New Orleans. They saw the French Quarter and Bourbon St. and enjoyed jazz bands and a boat trip up the Mississippi. Their only complaint was the 92 degree weather combined with 92 percent humidity for all six days of the trip.

Next year's convention will be held in Chicago.

Schools Lose More Funds By Headlee Rules

Chelsea's Board of Education certified this week that the district will operate the 1979-80 school year on the same funds as allocated during the 1978-79 school year.

Allocated millage is 11.22 mills, extra voted millage is 17.30 mills for operation and .50 for maintenance, for a total of 29.02.

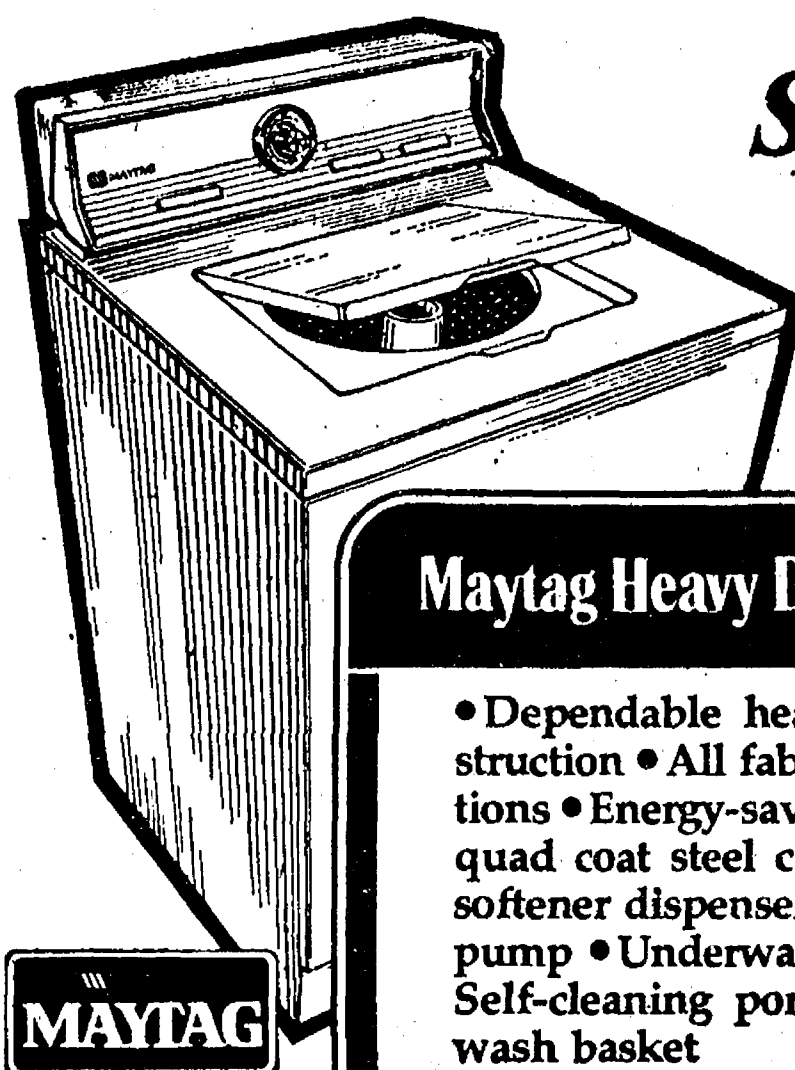

District tax payers will be levied only 28.865 mills for the 1979-80 year. This roll-back, provided for by the Headlee Amendment, comes because of an increase of the state equalized valuation of the district. The district will lose approximately \$18,020 through the roll-back.

GERALD ROBERTS of Chelsea did a fair share of tugging and straining in his "Twister" Saturday night, on his way to taking first- and third-place finishes in the stock category of the 4-wheel drive pulling contest.

Announcing

Modernization & Expansion of DRIVE-UP WINDOW SERVICES

Chelsea State Bank is pleased to announce the expansion of the Drive-Up Window facilities at the Main Office from the current two windows to four windows, each with a separate lane. This improvement, together with the new Branch Office of this bank, presently under construction at the corner of S. Main St. and Old US-12, will increase our ability to serve our customers with greater speed and efficiency.

During the construction period the Drive-Up Window service will be limited to one window. This inconvenience should not last more than a few weeks, and during this time more tellers will be on duty in the lobby.

We appreciate your patience and co-operation during this construction period.

The Bible-The Light from Heaven

Instructs us about walking with God. (Genesis 5:24). "And Enoch walked with God: and he was not; for God took him." Walking as taught in the Bible suggests a manner of living. Let us observe some of the passages that touch on this theme: To walk with God is to have God as a companion. This means to be in agreement with God. "Can two walk together, except they be agreed?" (Amos 3:3). The apostle Paul taught about "Walking in newness of life." (Romans 6:3, 4). The Christian is "to walk by faith, not by sight." That faith comes by hearing the word of God. (Romans 10:17). To walk by faith is walking in the light. (1 John 1:7). The apostle Paul wrote to the Romans, "There is therefore now no condemnation to them that are in Christ Jesus who walk not after the flesh, but after the Spirit." (Romans 8:1). Walking after the Spirit is the way of the clean. (Isaiah 35:8; John 15:3). This walking is "the straight and narrow way that leads unto life..." (Matthew 7:14). Enoch walked with God and God took him. In Hebrews 11:5 we read: "Before his translation he had this testimony, that he Pleased God."

Music Teachers Attend Suzuki Workshop Classes

Two local music teachers at-
tended the recent American
Suzuki Institute, held in Wiscon-
sin Aug. 5-12. Betty Rasmussen
and Pat Stirling, both Chelsea
residents, participated in classes
preparing them for teaching pre-
school children in the study of
piano, violin and cello.

This was the second year they
have spent in pedagogy classes,
observation of master teachers
and studying the philosophy of
Suzuki music teaching.

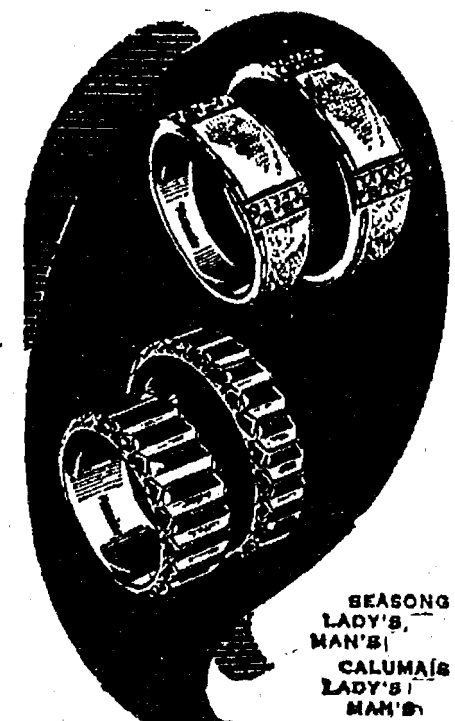

The method was developed in
Japan by Shinichi Suzuki who
feels there is a learning potential
in every person. Through en-
couragement, understanding,
repetition and imitation, he
believes, any child can learn to
play a musical instrument.

Suzuki's method has received
widespread media attention,
focusing on children aged 2
through teen-agers, all making
music through the method.

Parents play a vital role in this
type of teaching, since they at-
tend all lessons, practice with
children and play recordings for
the children at various times dur-
ing the day.

THEATRE WORKSHOP: Chelsea High school student Kollette Rinehart, seated second from right, joined other Michigan high school students in a theatrical discussion with actor William Windom, center, during a recent

theatre workshop at Indiana State University in Terre Haute. Rinehart spent two weeks at ISU, learning and practicing theatrical techniques and skills.

Attends Theatre Workshop

Chelsea High school student Kollette Rinehart recently attended a theatre workshop for honor students on the Indiana State University campus in Terre Haute, Ind.

During the two-week session, conducted by Lew Hackleman of the ISU theatre faculty, Rinehart and fellow students concentrated on developing performance skills through active participation in exercises and by discussions and demonstrations held by professional theatre people.

A highlight of the workshop was the appearance of actor William Windom, who presented his nationally-known one-man show based on the writings of Ernie Pyle and held a seminar for workshop students. Windom won an Emmy for television's "My World and Welcome To It" and is active in theatre and television.

Also of note were seminar sessions with the professional actors and technicians of the ISU Summer Theatre Company, which took place after workshop participants attended performances of all the company's productions.

Culminating event of the workshop was the presentation of small group performances

created totally by the visiting students from Indiana, Michigan and Illinois.

Students may now return to their high schools with increased

knowledge of performance skills and of the theatrical process in order to be more effective leaders within their own performance groups.

Chelsea Hospital Names Public Relations Director

Ronald Olmsted has been named director of development and public relations of Chelsea Community Hospital.

Olmsted was formerly vice-president for development and public affairs of Northwestern Memorial Hospital in Chicago.

In making the announcement, Will Johnsons, Chelsea Community Hospital administrator said, "Mr. Olmsted will be in charge of community relations and fund raising for the hospital."

Chelsea Community Hospital is a 113-bed community hospital serving Chelsea, Manchester, Dexter, Stockbridge, Grass Lake, Pinckney, Jackson and Ann Arbor. It has an extensive outpatient and community program as

well as a general medical and surgical program, family practice, burn unit, substance abuse program, psychiatric unit, and intensive care unit.

Olmsted attended Lewis & Clark College in Portland, Oregon and the University of Southern California. He served as vice-president and executive director of the Los Angeles Center for International Visitors from 1961 to 1967. From 1967 to 1971, he was Associated Director of Development at the University of Chicago. He was vice-president of development and public relations at Northwestern Memorial Hospital in Chicago from 1971 until he moved to Chelsea.

Good Things Growing in Michigan

Thirty-five million pounds of peaches would make a mound of peach sundaes or peaches and cream! Good things are growing in Michigan and our state's peach growers are estimating this harvest of peaches this summer, according to the Michigan Department of Agriculture.

Due to adverse weather conditions, this year's production is predicted 40 percent less than 1978. Peaches are picked when "firm-ripe." Because of this, they're very perishable and require special handling.

Unlike peaches, Michigan pears are picked when not quite fully ripe and still firm. To ripen pears, store them in a dark place at 60 to 70 degrees for two to three days. Our state's pear production has doubled in the last three years, with an estimated 12,000 ton harvest this summer. Michigan is fifth in the nation for total pear harvest, according to MDA.

Most of our state's pears, primarily Bartletts, go to canners; however, fresh Michigan pears are available mid-August through October.

Prune plum production in Michigan climbed to the second highest in the nation in 1978 with a 65 percent crop increase. Growers harvested 48 million pounds for a total market value of about \$3.3 million.

Two-thirds of the prune plum crop goes to processors for making jams, jellies, preserves and other products. Michigan plums are also excellent in cakes, tarts, pies, salads or for out-of-hand eating.

All three fruits are excellent for snacks and preserving, but try some new recipes. Michigan plums are great for a plum sauce topping for cheesecake. Boiled or baked peaches complement ham or duckling main courses.

The first woman Secretary of Labor and the first woman cabinet officer was Frances Perkins who was appointed in 1933, according to the Department of Labor booklet "Labor Firsts In America." She was also the first Secretary of Labor not to belong to a union and the first to have a college education.

JASON BRADBURY (far right) took home honors for exhibiting the Reserve Champion Lamb at Chelsea Community Fair. Harold

Trinkle & Sons purchased the 111-lb. lamb at a Chelsea Fair record price of \$6.25 per pound.

UAW Local 437 Contributes to Band Mexican Trip Fund

Becoming the first Chelsea organization to contribute, UAW Amalgamated Local 437 recently donated \$100 to the Chelsea Symphony Band Mexican Festival Project. Their contribution brings the fund total to \$766.

While locals throughout the county continue to make financial commitments, members of the Symphony Band will begin fund raising activities of their own to aid in reaching the \$6,000 goal. Total cost of the Mexican trip is \$18,000, of which \$12,000 has already been pledged by the Band and Orchestra Boosters.

Leaf raking, car washes and bake sales are currently being planned for fall Saturdays. Final dates for these events will be announced in the near future.

Do you know someone who has had a stroke? If so, why not put him in touch with a stroke club? There are 21 clubs around Michigan which bring stroke patients together for mutual support, socializing and gaining more understanding of the problems associated with stroke.

HUMIDITY AND COMFORT

During the hot summer months, humidity forces you to take refuge in the drier atmosphere of air conditioning. In the winter, you wonder why the air is so dry that your lips are parched and static electricity pops all over.

Why does the humidity quotient vary from summer to winter? Because relative humidity is a function of both moisture and temperature. The warmer the air, the more moisture it can hold.

If too much humidity is your problem you may be able to deal with it at the source by installing ducted fans that vent vapors outdoors from the kitchen, laundry and bath. In the summer, if you don't have air conditioning, you may want to invest in a mechanical dehumidifier.

The problem of too little moisture may occur during cold snaps. If you need more moisture, you have two main types of automatic humidifiers to choose from. One kind is built into the heating system and spreads moisture through the heating ducts. The other requires no ducts and functions much in the manner of a window air-conditioner.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **FRISINGER REALTY CO.**, 935 S. Main St., Chelsea. Phone: 475-3681; evenings 475-2621. We're here to help!
