Homecoming Fun Starts Monday

Monday, Oct. 8 ushers in the fun and activities of Homecoming Week at Chelsea High school.

All four classes will be competing in a number of events throughout the week, culminating in the selection of the class with the most spirit.

The week's excitement peaks Friday night with the Saline game, preceded by the Homecoming Parade at 6 p.m.

Schedule for the week is as follows:

Monday, Oct. 8, 7 p.m.—Powderpuff football: Freshmen vs. Seniors and Sophomores vs. Juniors.

Wednesday, Oct. 10, 7 p.m.—Finals of powderpuff football.

Thursday, Oct. 11, 7:30 p.m.—"Anything Goes" including a Volkswagen stuffing contest, pyramid building, egg toss, banana eating, tug-of-war and obstacle relay race.

Friday, Oct. 12, 6 p.m.—Homecoming parade begins downtown and ends at the football field. After the game, a high school dance until midnight.

Other activities during the week will include dress-up days and a pep rally on Friday.

The entire student body will vote for a homecoming queen, who will be announced at the game Friday night.

PP&K Winners Are Announced

Springlike temperatures greeted 90 eager youngsters Monday night as they vied on the Chelsea High school football field for Punt, Pass and Kick honors.

Placing in the various age categories were the following:

8 year old—Larry Nix, 1st; Loren Keezer, 2nd; Steven Emmert, 3rd.

9 year old—Junior Norseau, 1st; Greg Baughton, 2nd; David Kvarnberg, 3rd.

10 year old—Todd Starkey, 1st; Jeff Harvey, 2nd; Matthew Steinhauer, 3rd.

11 year old—Kevin T. Maynard, 1st; Chris Tarassow, 2nd; Tim Bowdish, 3rd.

12 year old—Scott Jones, 1st; Jason Pierson, 2nd; Steve Kropf, 3rd.

13 year old—Jay Marshall, 1st; David Kiel, 2nd; Dave Merkel, 3rd.

The first-place winner in each age group will travel to the zone competition this Saturday, Oct. 6, 10 a.m., at Shadford Field, Ypsilanti High school.

Chelsea's local contest was sponsored by Palmer Motor Ford Dealership.

Cagers Win, Lose At Charity Stripe

Free throws can easily win and lose ballgames, as Chelsea's girl cagers saw to both their delight and regret in two SEC contests last week.

Thursday evening against Milan, the Bulldogs hit an amazing 24 for 32 from the charity stripe in their first SEC victory of the season, 46-36.

Chelsea took the lead in the first quarter, 6-4, and never trailed in the contest. Once again the defense was strong, holding the

Redettes to 11 points or less in each quarter.

Second quarter was the most productive for the cagers as they netted 17 points to pull into a 26-17 halftime lead. The Bulldogs bagged only six field goals the entire first half but kept heavy pressure on the Milan defense, causing a parade to the foul line where Chelsea hit 14 of 20.

At one point in the third quarter Milan cut the margin to 29-25, but (Continued on page four)

then cut each 23"x17" letter out of plywood with a sabre saw and coated them with four layers of outdoor paint. The words, commissioned by the library board, recall a time when the grand building was a stopping place for travelers instead of readers.

Boy Leads Police On Wild Chase

Chelsea Police and three other law enforcement agencies were led on a wild chase by a local youth early Saturday morning that began in Chelsea and ended some 15 minutes later in the heart of Ann Arbor.

According to Chelsea police reports, an officer on routine patrol at about 1:15 a.m. noticed a car with a defective muffler turn from M-52 onto Old US-12 going east. The officer reportedly pursued the vehicle, which immediately sped up in an apparent effort to elude police.

The 16-year-old driver had reached a speed of close to 100 mph near Freer Rd., police said

and the officer activated his car siren and notified Washtenaw County Sheriff's Department and the Chelsea dispatcher that he was involved in a chase.

Zooming down Jackson Rd. through patchy fog, the fleeing youth eluded a waiting Sheriff's Department vehicle at Baker Rd. Another sheriff's patrol was left behind at Jackson and Zeeb Rd. as the renegade car reached speeds in excess of 100 mph.

Continuing his flight, the Chelsea youth left behind two Ann Arbor Police patrol cars lying in wait at Wagner Rd. and Jackson. The car ran a red light at Jackson and Stadium Blvd., Chelsea police said, and sped westbound on Stadium at the same breakneck speeds. It turned onto Packard Rd., then Eisenhower Pkwy., where it was finally cornered by patrol cars.

The boy was turned over to his parents and advised that he would be petitioned into juvenile court on charges of failure to stop on police command. Chelsea police said that he had been drinking and that a half bottle of liquor was found in the car.

Approximately 17 miles were covered in the pursuit by officers from the Chelsea Police Department, Washtenaw County Sheriff's Department, Ann Arbor Police Department and Pittsfield Township Police.

Johnny Orr Will Speak At Banquet

University of Michigan basketball coach Johnny Orr will highlight this Wednesday's Chelsea Athletic Boosters' thank you banquet for those who helped sell tickets at the fair.

The banquet is for workers and fair directors only, but the general public is invited to come to the high school auditorium at 7:30 p.m. to hear Orr's address.

The Standard regrets that the banquet date was incorrectly reported as Oct. 3 instead of Oct. 10 in last week's paper.

First Area Deer Kill Reported By Bow & Arrow Hunter

First deer taken locally in the current bow and arrow season was reported by Chelseaites Richard Gaunt Monday, Oct. 1.

Gaunt said he felled the 60-pound doe on the Kalmbach farm on Garvey Rd. early Monday morning.

Bow and arrow deer season runs from now until Nov. 14 and again from Dec. 1 through Dec. 15.

Tip Line Initiated By Sheriff

A confidential "tip line" has recently been initiated by the Washtenaw County Sheriff's Department for use by all residents of the county.

By calling 973-7711, citizens may anonymously call in tips to the sheriff's department regarding any crime or criminal activity. The line is aimed at citizens who might neglect to report such activity if required to reveal their name along with the information.

The department will take information 24 hours a day, seven days a week on narcotics activity, vice activity or any other crimes. All calls will be kept confidential.

Sheriff's department reminds residents that the 973-7711 number is for tips only. Emergency calls should be phoned to 994-3911.

School Enrollment Down By 46

Official enrollment figures for the Chelsea School District from the fourth Friday count, taken Sept. 28, show 2,558 students.

The count is down 46 students from last year, but is just one-half the number of students lost by the district in 1978-79.

The district had predicted an enrollment of 2,550 upon which to base its tentative budget. The additional eight students counted will each bring in an additional \$1,500 to the district.

According to Fred Mills, assistant school superintendent, there is "no question" that certain of the cuts anticipated to be made in this year's budget will be eased by the approximately \$12,000 in additional funds.

Dog Alerts Family to Gas Leak

A nine-year-old dog named Peanuts was credited with saving the lives of his owners last Thursday, when he alerted them to a 4 a.m. gas leak in the home.

Mr. and Mrs. Wynn Kanten and daughter Kellie, Peanuts' owners, were asleep in their home at 560 Chandler when the dog nudged Mrs. Kanten repeatedly until she awakened and noticed the smell of "peanut butter" in the home.

Suspecting a leak, she phoned Michigan Consolidated Gas Co. An emergency crew discovered (Continued on page four)

Bulldogs Rout Milan, Ready For Dexter

Still seething from the previous week's rout by Okemos, Chelsea's varsity gridders rolled up an impressive 368 yards on home turf Friday night to pound Milan, 41-7.

Chelsea led the Big Reds, 15-7, at the half, but really broke loose in the second half to pick up 26 points and the rout.

In an unexpected move, Coach Gene LaFave started usual receiver Jeff Dils in the quarterback slot. Dils passed to Mike Killelea for one touchdown in the quarter, completing one pass in two attempts for 18 yards.

John Dunn was back in the quarterback position in the second quarter and he promptly handed off to John Preston who ran two yards for a touchdown. Killelea caught the two-point conversion pass from Dunn.

The Bulldogs scored 13 points in each of the final quarters on a 30-yard John Preston run, a 6-yard gallop by Brad Knickerbocker, a two-yard pass from Dunn to Killelea and an 18-yard pass to Dils.

Dunn had an outstanding night, completing 8 of 13 for 104 yards in the air. Chelsea's ground game was also effective, rolling up 246

yards, 150 of which belonged to John Preston on his 25 carries.

Coach LaFave was enthusiastic about the Bulldog performance against the agile Big Reds.

"I think our offensive line played well," he said. "John LaBarbara, Andy Weir, Killelea, Eric Headrick, Dan Kolander, Tom Gilbreath, Keith Stillion all played extremely well."

"Defensively, it was our best effort of the season. Pagliarini, LaBarbara, Jahnke, Wilson, Morris, McLaughlin, Thams, Freeman, Cobb all did a tremendous job."

Chelsea's defense was truly effective, holding Milan to just 59 yards rushing and 108 passing for a total of 167.

The Bulldogs next travel to Dexter, where the Dreadnaughts will be trying to please a homecoming crowd.

"Dexter is one and three," said LaFave, "but they're better than people think. In spite of their record, they've been in every football game they've played. I'm very concerned about them. We'll have to come to play or else they'll take us."

Friday night's contest at Dexter begins at 7 p.m.

JV Gridders Lose Fourth Straight

Chelsea's unfortunate junior varsity gridders dropped their fourth consecutive game of the 1979 season last Thursday, as Milan rolled over the locals, 20-6.

The Bulldogs scored first and held a 6-0 lead at the end of the first quarter, but the Big Reds took over the contest from there.

Milan scored in the first half on a 45-yard pass and an interception of a Chelsea throw to lead 12-6 at half time. They picked up their remaining points in the third half on a four-yard quarterback sneak following a 64-yard Big Red run.

Both sides failed to make the scoreboard in the final quarter.

Coach Jon Schaffner said Chelsea moved the ball well in rolling up 286 total yards, 100 more than Milan. But Milan

made three big plays to score and set up scoring.

Bulldogs' defense was vastly improved this week, as was the offense with the exception of passing. Chelsea consistently moved the ball for five yards to lose it on a penalty, fumble or interception.

Tod Sprague gained 134 yards rushing thanks to fine blocking by Jeff Lantis, Dave Longue, Rick (Continued on page nine)

Girl Scout Uniform Exchange Set

Girl Scout Troop 719 is sponsoring a two-part uniform exchange for anyone with a Brownie or Girl Scout uniform they can no longer use.

To participate, bring uniforms to Beach Middle school large group instruction (LGI) room Monday, Oct. 8 between 3:30 and 5 p.m. All uniforms to be sold should be clean and tagged with your name, phone number, size and the price being asked.

The actual exchange sale will be held the following Monday, Oct. 15, at the same location during the same hours.

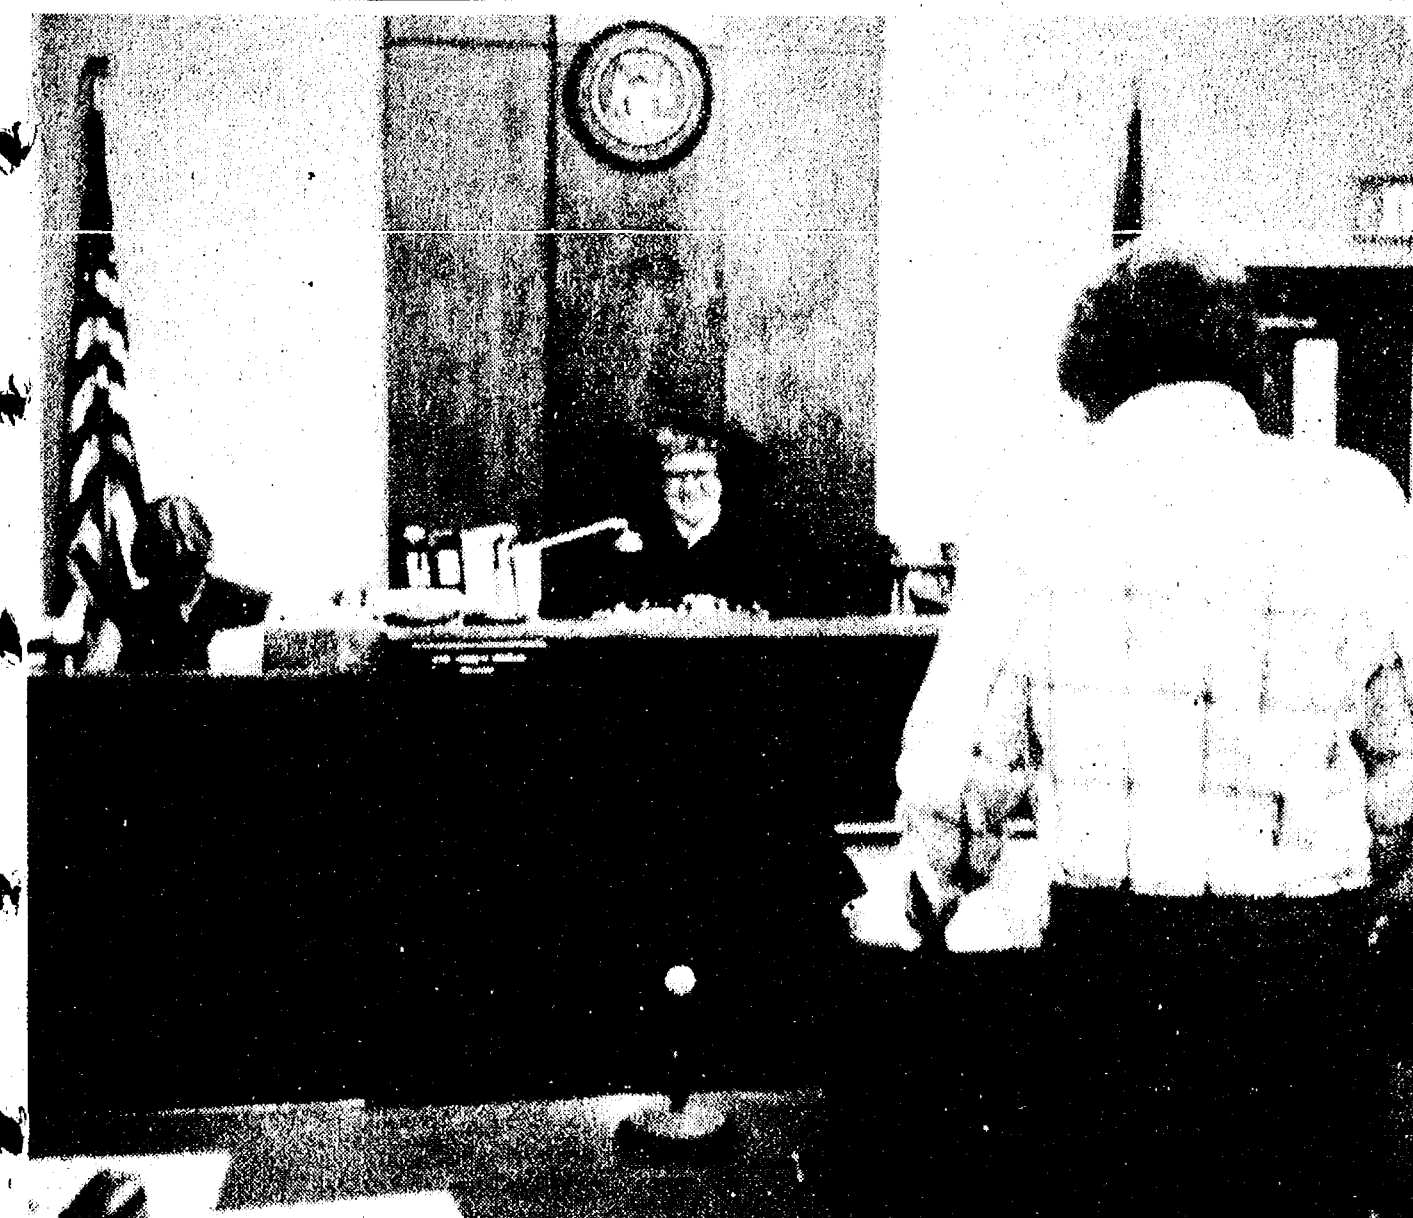

For more information, call Chris Nyhof at 475-8907 or 475-2848, or Dottie Martin at 475-7106.

Alumni Band Being Organized

Anyone interested in becoming a part of a Chelsea High school Alumni Band, which hopefully will perform at the homecoming contest against Saline, Friday, Oct. 12, should consider brushing up the old technique and joining other alums on the field.

Anyone who plays an instrument and graduated from Chelsea High is needed to round out the group. All ages are welcomed.

Call Dave Baldwin at 475-8245 for more information.

JUDGE KENNETH BRONSON of the 14th District Court counsels a defendant while court recorder Debbie Orlowski takes down the proceedings. Bronson spoke on juvenile delinquency

at the Chelsea United Way kick-off dinner Wednesday evening at Chelsea Community Hospital.

Judge Bronson Hits Lack Of Parental Responsibility

Speaking before a campaign dinner of Chelsea United Way volunteers Wednesday, Oct. 3, 14th District Court Judge Kenneth Bronson stressed the vital importance of family love, family loyalty and family discipline as tools in combating juvenile crime and delinquency.

"My court's primary customers are the young," Bronson told the gathering in the dining room of Chelsea Community Hospital. "What I see very often

may be described as youngsters with narcissistic behavior patterns. Their relationships are weak and shaky. Their personalities are defined by what others think of them. They are molded by peer groups rather than by any inner direction.

"Many of them have no sense of identification, with their country, their parents, their grandparents or their sense of ancestry. They show little sense of identification with the past and

very little sense of direction toward the future. They live for the moment and dread growing old. Their reason for being is to enjoy themselves. Their motto is 'If it feels good, do it.'"

"As a result," Judge Bronson continued, "we have an epidemic of death on the highway due to the use of intoxicants and drugs among the young. And by 'intoxicants' I refer to both alcohol and drugs. In Saline, five families (Continued on page nine)

Fall Priorities Will Determine Successes of Legislative Session
The fall legislative agenda and how much of it becomes law will determine the effectiveness of the 1979 legislative session.

Completion of the 1979-80 budget tops the immediate agenda that appears to have few priority items although some promise to be time consuming.

Besides the budget leftovers, some of the uncompleted tasks include consumer protections in obtaining essential insurance, requirement for sunset review of governmental programs, regulation of wetlands, resolution of the future of Michigan's presidential primary and Wayne county reorganization.

The \$4.6 million general fund operating budget was mostly approved when the legislature recessed in July, but a grants and transfers bill and capital outlay bills remain to be sent to the governor.

The legislature will formally revive Governor William G. Milliken's line-item vetoes, the foremost being his veto of budget

restrictions in the welfare budget on non-therapeutic abortions.

The governor's authority to take that action was, early in September, upheld by the Court of Appeals and the issue is before the state Supreme Court.

One of the first items facing the Senate is getting the so-called essential insurance bill in a joint conference committee where differences between the House and Senate can be resolved.

The bill would prohibit insurance redlining and meet the Supreme Court objections to the no-fault automobile insurance act.

As approved by the Senate, the bill dealt only with auto insurance and eliminated the division of the state into separate rating territories. The House added homeowners insurance coverage to the bill but said the state could be divided in no fewer than 20 rating territories.

Wetlands legislation is now in the House Conservation, Environment and Recreation Committee. It is one of the top

priorities of both House Speaker Crim and the governor.

Crim has said he is ready to go "head to head" with the bill's chief opponent, Rep. Dominic Jacobetti (D-Negaunee). Jacobetti has in past sessions been able to bottle up similar legislation in his Appropriations Committee.

Also high on the priority list is conflict of interest legislation that has been getting sharp controversy from local officials. Related to the conflicts bill is another political reform bill—the sunset bill.

Legislators, however, may find themselves holding off on those issues to deal with bills relating to Wayne county reorganization.

Some type of decision will also have to be made this fall on the presidential primary. Senate Republicans have predicted the Senate would approve a House bill eliminating the primary.

However, the speaker has said he thinks the primary will continue in its current state which means the National Democratic Committee will no longer consider results from the primary as a valid means of selecting delegates to the national convention.

Wayne county reorganization, another issue involving a standoff between the governor and the legislature may soon come to a head.

The county reorganization is viewed as a long-term solution to its long-standing deficit problems. Legislators also want to help the county on a short-term basis to pay its bills, but Milliken is objecting to that route until a long-term agreement is reached.

Meanwhile, the governor has his own ideas as to what the legislature should concentrate on this fall. Items on his priority list include bills setting procedures for appeals in the occupation safety and health act, reorganizing the structure of Blue Cross-Blue Shield, extending the home heating assistance program, increasing the severance tax on oil and gas operations, recodification of the juvenile code, setting points for violation of energy speed limits and creating a state Department of Energy.

Michigan State University's Mass Spectrometry Facility has equipment so sensitive that it can detect and identify chemicals in amounts as small as one-trillionth of a gram.

didn't say that was the right thing to do, but they said that it was nothing to get worked up about like they did against Joe McCarthy. Joe got so rambunctious they actual "condemned" him. And they didn't want to "censor" Herman, cause that didn't sound nice. They got a split vote on "denounce" finally, Ed said. One member didn't like it because he said that's what Churchill said to Hitler for invading Poland.

Whatever word they decided on, Ed went on, the Senate honored Herman by keeping him as chairman of the Agriculture Committee, and Sen. Talmadge came out of the whole unhappy business claiming a "personal victory." Maybe the senator promised to retire that overcoat to the same place of honor Ike's right hand man Adams sent his vicuña coat back some years. Ed said as far as he could tell, Herman didn't have to promise not to use campaign money any more for out of pocket expenses, so there's always a chance he won't use it any less either.

Practical speaking, Clem Webster said, it's bound to be hard for anybody in Congress to get excited about \$12,000 when they're fellaers are dealing in \$500 billion. Clem said he had saw where the House and Senate had denounced a seven percent raise for themselves that all federal employees are getting, but he ain't heard yet how reprehensible they think the 13 percent pay hike they're in line for is. After all, if the 18,400 people it takes to wait on them 535 members of Congress get seven percent the honorables ought to take sompun to be polite, was Clem's words.

Yours truly,
Uncle Lew

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I've been reading U.S. Department of Agriculture pamphlets nigh unto 50 year now, Mister Editor, so natural I have a deeper understanding than most of the workings of the Washington mind. I reckon that's why I couldn't git as excited as some of the fellaers at the country store Saturday night when they fell to talking about how politicians can use such big words for such little thoughts.

It was Ed Doolittle that opened the session by "denouncing" this and "reprehending" the other. When Bug Hookum called him on it, as Ed knowed somebody would, Ed was quick to point out that they are words you use when you don't want to say nothing. He said a old newspaper hand told him once that the best way to guess the size of crowds at public gatherings was to say the meeting was attended by "upwards of so many people." This way, the reporter said, nobody will know if you mean more or less, so you're always right with upwards. Ed was of a strong opinion that was the advise the honorables took in the case of their brother in the lodge, Herman Talmadge. They didn't want to congratulate him, and they didn't want to fuss at him, so they denounced him for his reprehensible acts.

All Talmadge done, after all, Ed said, was turn a measly \$12,000 or \$20,000 in campaign funds to his personal use. It seems the senator just stuffed that money in an overcoat pocket and forgot how it got there, but he got to going to that overcoat regular fer walking around money and forgot all about writing checks for some months. Panel To Discuss Needs of Children

Kathleen Cavanagh, development director of Spaulding for Children, will be special guest on a panel discussing "The Needs of Children" Thursday, Oct. 11, 7:30 p.m. at the Chelsea United Methodist church Educational Building.

The program is sponsored by United Methodist Women of Chelsea, who are offering the discussion in connection with the International Year of the Child.

Cavanagh has a background of social work, dealing primarily with children and their problems. Her work with Spaulding for Children, a private, non-profit adoption agency, puts her in close contact with children's needs.

Also serving on the panel will be Bernice and Gary Packard, representing both parent and

teacher views, and the Rev. Marvin McCallum. Moderator will be Ethel Fleenor.

The program will be concerned with needs of children all over the world, but the panel discussion will deal primarily with children's needs in the Chelsea area.

The evening meeting is open to any interested persons. Refreshments will be served and there is no charge.

This improvement, together with the new Branch Office of this bank, presently under construction at the corner of S. Main St. and Old US-12, will increase our ability to serve our customers with greater speed and efficiency.

During the construction period the Drive-Up Window service will be limited to one window. This inconvenience should not last more than a few weeks, and during this time more tellers will be on duty in the lobby.

We appreciate your patience and co-operation during this construction period.

Mr. and Mrs. Charles William Johnson

Brenda Hawley, C. Johnson Wed at Zion Lutheran Church

Brenda Kay Hawley of Chelsea and Charles William Johnson of Munith were joined in marriage Saturday, Sept. 22 by the Rev. John Morris at Zion Lutheran church.

The bride is the daughter of Mr. and Mrs. Andrew Hawley, 141 W. Middle St. Parents of the bridegroom are Mr. and Mrs. William Johnson, 6600 Portage Lake Rd., Munith.

The bride was attired in a white Qiana floor-length gown with a Queen Anne neckline and a chapel-length train falling from the shoulders. A cathedral-length veil crowned the wedding costume, which was made by the bride's cousin, Debra Savage. She carried a dozen white, yellow and tangerine roses, baby's breath, and ivy in a cascading arm bouquet.

Matron of honor was Denise Rosentreter of Chelsea. She wore a peach floor-length polyester halter dress with a chiffon jacket. Her arm bouquet consisted of baby's breath and three tangerine roses and she wore baby's breath and a rose in her hair.

Bridesmaids were Jill Schwiager of Cavanaugh Lake, a friend of the bride, and the bridegroom's sister, Shelly Brosasky of Munith. They wore yellow gowns styled like that of the matron of honor, and carried arm bouquets of yellow roses and baby's breath and a rose in her hair.

baby's breath and wore a rose and baby's breath in their hair.

Mother of the bride was attired in a sleeveless mint green floor-length gown with a matching floor-length lace jacket. The bridegroom's mother wore a sleeveless apricot floor-length dress with a chiffon cape.

Amy Savage, goddaughter of the bride was the miniature bride. Miniature groom was Jason Rosentreter.

Best man was James Boyer of Gregory. Ushers were Robert Bentley and Robert Hawley, both of Chelsea. David Clouse and Eric Prizning of Chelsea were groomsmen.

Mrs. Robin Aspiranti sang "The Wedding Song" at the ceremony.

A reception was held following the wedding at Chelsea UAW Hall. Guest book was tended by Chantel Collins, niece of the bridegroom. A friend, Cynthia Wisniewski, and the bride's cousin, Debra Savage, cut the cake.

Following a week-end wedding trip to the Hotel Ponchartrain in Detroit, the couple will be at home in Munith.

The bride is a student at Eastern Michigan University and plans to graduate in December 1979 with a teaching certificate in the special education of the mentally impaired. Her husband is employed at Federal Screw Works in Chelsea.

The door prize is a quilt and there is free coffee and tea.

Workshop Offered For Women Going Back to Work

A one-day workshop designed to help women who are contemplating re-entering the work force will be held Saturday, Oct. 13 at Washtenaw Community College from 9 a.m. until 3 p.m.

Gwen Arnold, instructor for the class, explains that not only will the workshop be concerned with how to get back into the work force but also how to get promoted and "how to create your own 'old boy' network. We will be concerned with women seeking employment and with working women striving for career mobility."

The class will be offered at the College's Ypsilanti Center at 210 W. Cross, the Old Ypsilanti High school. Advanced registration is requested by phoning WCC staff at 482-2230. As with all programs offered by the College, in-district senior citizens are invited to participate at no charge as part of the Emeritus Program. All other enrollees will be charged a \$15 fee. Participants are asked to bring a lunch.

Modern Mothers Study Various Craft Projects

Modern Mothers Child Study Club met Tuesday, Sept. 25 at homes of various members for an evening of craft projects.

Favorite crafts, such as baker's clay and applique stitching were offered. Newer projects introduced were counted cross-stitch and wheat weaving.

Part two of the program will be Oct. 9 at the previously scheduled homes. This will allow members to complete their projects or pursue other ones. Instructors are Nancy Pichlik, Theresa Freed, Chris Pokara and Sherrie Lawton.

Also in October, members will be hosting workshops at which various crafts will be completed in time for the Homemade Item Auction to be held in mid-November.

Mr. and Mrs. Mark Heydlauff

Amy Enderle, Mark Heydlauff Exchange Vows Saturday

Three hundred guests were present at Zion Lutheran church Saturday, Sept. 29 to witness the marriage vows of Amy Beth Enderle and Mark F. Heydlauff.

The bride is the daughter of Mr. and Mrs. Peter Enderle, 12755 Scio Church Rd. Mark Heydlauff is the son of George F. Heydlauff of 151 Orchard St. and the late Wanda Heydlauff.

Officiating at the late afternoon ceremony was the Rev. John R. Morris.

The bride was attired in a floor-length gown of ivory organza eyelet with a train and full skirt. She carried roses and a pink silk flower arrangement in a bouquet and wore the same flowers in her hair.

Maid of honor was Heidi Enderle of Plymouth, sister of the bride. She wore a dusty rose crepe de chine gown and had baby's breath and pink tea roses in her hair. Her bouquet was of pink roses, carnations, stephanotis and trailing English ivy.

Bridesmaids were Caroline Enderle, sister of the bride, of Chelsea, and friends of the bride Judy Cichowski of Detroit and Deb Kerr of Mesick. Their dresses matched that of the maid of honor and they carried bouquets of pink carnations, stephanotis and trailing English ivy.

Mother of the bride was attired in a cerise crepe de chine blouse and jacket with matching skirt.

Leah Enderle of Chelsea, sister of the bride, lit the candles preceding the service.

Best man was John M. Tandy, II of Gregory. Ushers were brothers of the bridegroom Matt and Steve Heydlauff of Chelsea, and friends Howard Haselschwardt of Wisconsin, John Houle of Chelsea and Philip Steinhauer of Chelsea.

A reception was held at Roma Hall in Ann Arbor following the ceremony. The guest book was tended by Elinor Musolf and Andy Thomas.

Following a wedding trip to

northern Michigan, the couple will reside at 2000 Sugarloaf Lake in Chelsea.

The bride is a June 1979 graduate of Butterworth School of Nursing and is a registered nurse at St. Joseph Mercy Hospital in Ann Arbor. Her husband received his BBA in marketing from Eastern Michigan University in 1978 and is employed at Heydlauff's, Inc.

Newly elected officers took over the business meeting. They were Kathleen Chapman, president; Bernice Cekala, first vice-president; Evelyn Hale, second vice-president; Mary Guinan, secretary; Jeanette Sweet, treasurer.

Other new officers are: Janet Salyer and Barbara Robinson, program chairwomen; Ruth Zeeb, Churchwomen United; Dorothy Paul, remembrance; Mildred Eeles and Beth Forner, funeral dinners; Helen Harvey, altar; Del Erickson, senior citizens; Kathryn Brett-Schneider, parish council; Agnes Guinan, Good Samaritan; Anna Laban, parliamentarian; Loretta Doll, historian; Mildred Eeles, Del Erickson and Helen Rybka, executive board.

Projects which will be keeping the group busy include the annual Christmas Bazaar Nov. 16 and 17, and serving coffee at the VA Hospital Oct. 27.

After the business meeting, the group played penny bingo while enjoying the delicious refreshments made by the officers.

Cross Country Team Falls Before Milan

Chelsea's harriers were fleet of foot last Thursday, but couldn't quite make it past Milan and fell, 23-36, at Inverness Country Club.

"The team was extremely disappointed at the loss," said Coach Pat Clarke, "but we'll bounce back next week as young teams are known to do."

The Bulldogs were led by senior Mark Beyer in first place with his best-ever time on the home course of 17:13. Other placers were Jeff Bradley, 4th, 17:38; Bob Benedict, 8th, 18:26; Bob Schleede, 12th, 18:43; and Dave Kies, 15th, 19:12.

Bulldogs are now 1-1 in league play and 2-3 over-all. Their next meet is this Thursday at Dexter.

80th Birthday Honored

A regular board meeting of Spaulding for Children was something more than ordinary last Wednesday, Sept. 26, when board member emeritus Dorothea Pielemeier was surprised with a cake and flowers on the occasion of her 80th birthday.

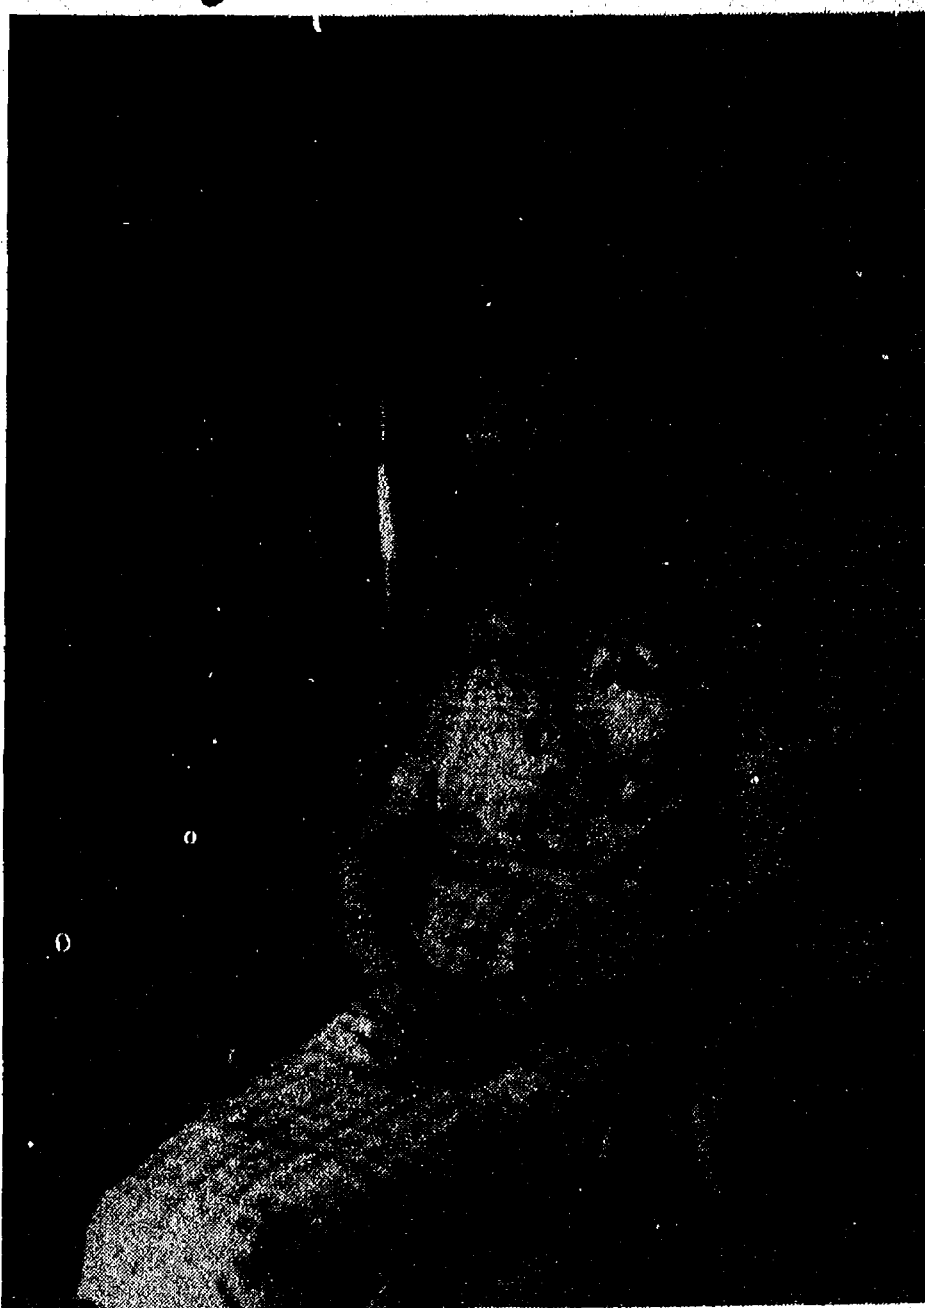

According to Mrs. Pielemeier, the surprise came in two parts. Before the meeting began, she was presented with a carnation and rose corsage and congratulated on her birthday. It wasn't until after the business meeting had concluded, however, that the impressive cake was brought in and happy birthday sung by some 15 people present.

A family party celebrating the event had been held the previous evening.

Mrs. Pielemeier has been involved with Spaulding since its inception in 1967 and is still extremely active in board activities. She was born near Vincennes, Ind., but came to Chelsea when she was 12 and has lived here ever since.

In addition to Spaulding, Mrs. Pielemeier is active in St. Paul United Church of Christ and is serving her sixth and last year on the church council. For 14 years she cared for Larry Block, a child suffering from Muscular Dystrophy, through the Michigan Children's Aid Society.

Active and involved at 80, Mrs. Pielemeier looks upon the coming of that birthday with serenity. "You can say that I'm thankful for good health," she said, "and happy to be active."

A DELICATE CORSAGE and a festive cake were in store for Dorothea Pielemeier last week Wednesday, as she was feted at a Spaulding for Children board meeting on the occasion of her 80th birthday. Mrs. Pielemeier has been active in Spaulding since its 1967 inception and is a board member emeritus.

Good Things Growing in Michigan

Autumn brings a feast to the senses—an array of many brilliant colors, a cool, crisp wind on your skin and the delicious fruity aroma of Michigan apple cider.

Fresh cider and donuts are natural treats during fall in our state. They go well with trips to the football games, waxing leaves and carving pumpkins.

Good things are growing in Michigan and our apple growers estimate 720 million pounds of apples will be harvested this year according to the Michigan Department of Agriculture. Varieties produced include Red Delicious, Jonathan, McIntosh, Rome Beauty, Northern Spy, Ida Red and Paulared.

Michigan's apple crop of 920 million pounds last year was the largest produced since 1896 and much of the credit belonged to weather. Our state ranks third in apple production.

Apples for juice don't require special handling as apples for fresh market and are usually mechanically harvested, about five to ten percent of Michigan's apple crop.

Cider is the natural pure juice of apples with no sugar added and has only 87 calories per six-ounce glass. Flavor depends on the blend of different apple varieties and varies in different areas of the country depending on preference for sweet or tart cider.

When cider has been pasteurized, it is commonly referred to as apple juice.

Cider needs constant refrigeration because of perishability. It will stay sweet and unfermented for one to two weeks, or two to three weeks if a preservative has been added.

Apple cider may be served hot with cinnamon and cloves or frozen for winter treats around the fireplace.

Ninety-one percent of a chemical company's disabled employees rated average or better than average in performance when compared with the employee population in general, according to the President's Committee on Employment of the Handicapped.

The Bulldogs jumped back out to a 10-point lead and held on for the win.

Jennifer Ringe led the attack with 15 points and 4 steals as well as a strong over-all defensive effort. Nanette Push tallied 14 points and hauled down 11 rebounds. Mary Boylan and Amy Unterbrink worked the boards for nine and seven rebounds, respectively. Senior Patti Hume hit for an important eight points.

Saturday, the Chelsea squad returned to SEC action when they traveled to Dexter and came out on the short end of a close 47-44 score.

Once again the Bulldogs shot well from the line, hitting eight of 16, but Dexter was better, canning 13 of 23, including four of six in the closing seconds.

Offense, or lack of it, was the problem for Chelsea in the first half, as they cracked the Dexter zone for only four field goals in 16 minutes. Halftime adjustments led to more production in the second half and the Bulldogs managed several one-point leads in the course of the game.

But the Dexter five fought back each time to quickly regain the lead and Chelsea fell short in its last attempt to take the game.

Push led Chelsea scorers with 19 points. The senior tri-captain also had seven rebounds and three steals. Junior center Mary Boylan played well, pitching in 12 points and leading all rebounders with 13. Amy Unterbrink came off the bench to add nine points and four rebounds, and Lorrie Vandegrift pulled in seven rebounds.

Thursday, Oct. 4, the Bulldogs will host the Saline Hornets and will be at home again Tuesday,

Oct. 9 to entertain Columbia Central.

Chelsea Hospital Plans 'Get Acquainted' Meet

Chelsea Community Hospital will conduct the first of a series of "Get To Know Us" meetings on Oct. 4.

Community leaders will be invited to hear a presentation from doctors and hospital personnel describing hospital services and programs. Ample time for questions and discussion is planned.

Commenting on the series of meetings, Rebecca Lindemer, chairperson of the Board of Governors Community Relations Committee said, "We believe it is important for community leaders and employers to become more acquainted with Chelsea Community Hospital and the services we provide. At the same time, we want to get to know our community more thoroughly and better understand their needs."

The meeting will be held in the Chelsea Community Hospital dining room on Thursday, Oct. 4, at 7:30 p.m.

Former Chelsea Student Patrols College Campus

Writing parking tickets and patrolling campus is all part of college life for former Chelseaite Christopher Johnston.

Johnston, a freshman at DePauw University in Greencastle, Ind., is one of seven student police officers hired by the university.

Chris and his fellow students work 10 to 15 hours a week at handling complaints, office work, dispatch service, issuing parking tickets and riding patrol with a regular officer.

According to Grover Vaughan, head of security at the private university for the past 24 years, "Using students is a common practice at some colleges, especially those with criminal justice programs. We've been using students for the past four years and it's worked out very nicely."

Members of the student security staff say they have a much better appreciation for Vaughan's work and the concept of providing safety and security for what amounts to a small town of 2,300 students and nearly 50 buildings on 115 acres.

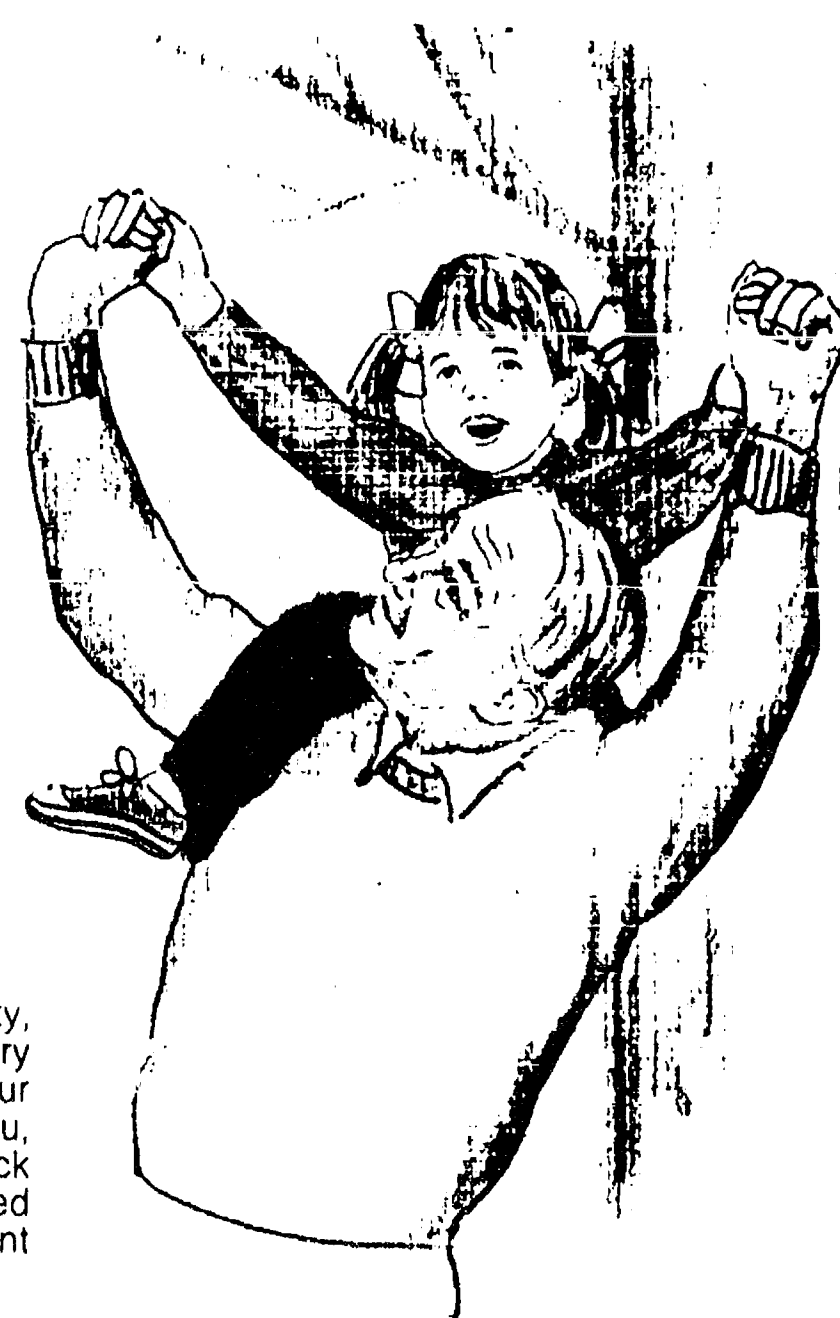

Johnston, an economics major, said, "All students are very cooperative and understanding."

A 1979 graduate of Lebanon Senior High School in Lebanon, he is the son of Mr. and Mrs. Peter R. Johnston, 20990 Waterloo.

School Board Briefs

At a regular meeting of the Chelsea Board of Education Monday, Oct. 1 present were Stirling, Feeney, Heller, Schumann, Snyder, Dils, Superintendent Van Meer, Assistant Superintendent Mills, Principals Williams, Wojcik, Assistant Principal Vogel and guests.

Meeting was called to order at 8 p.m. by President James W. Stirling.

Board approved the minutes of the Sept. 17 meeting.

Board approved the 1979-80 agreement with the Bus Drivers Committee. This agreement is a 7.5 percent increase for employees.

Board approved the salary increase for school secretaries. This increase is equal to 7.5 percent for the 1979-80 school year.

Board approved the salary increases for custodial and maintenance personnel. This increase is equal to 7.5 percent for the 1979-80 school year.

The Board authorized the administration to investigate the leasing of a 15-passenger new or used van. This vehicle would be used in transporting small groups of students to school activities and would generate a dollar savings in transportation.

Assistant Superintendent Fred Mills informed the Board that the State Court of Appeals had reversed the Tax Tribunal decision on the exemption for the Methodist Home apartments. The Methodist Home had the exemption for the apartments, but it was later denied by the State Tax Commission. The Methodist Home appealed this decision to the Court of Appeals. Sylvan Township and the Chelsea School District will file for a re-hearing before the Court of Appeals. The total taxes involved are approximately \$60,000, of which approximately 62 percent was paid to the School District.

The administration approved a minimum six week leave for Laurel McDonald, Media Specialist at South school.

The Board of Education set the public budget hearing for Oct. 29 at 7 p.m. in the Board Room of the Administration Building. The Board will also conduct official business beginning at 8 p.m. and have cancelled the Nov. 5 meeting.

Superintendent Van Meer reviewed the official fourth Friday enrollment figures. The official count as of Sept. 28 was 2,558 students. This is a membership loss of 46 students from last year. The administration had projected the 1979-80 membership to be 2,550.

The Board reviewed the committee assignments for the district priorities and tentatively made appointments to the Athletic Ad Hoc Committee.

The Board was informed that the Curriculum Committee has set their first meeting for Oct. 30 at 7:30 p.m. The Board was also informed that the CEA ratified the negotiated agreement.

Board adjourned at 9:23 p.m.

Bike-A-Thon Sponsored By St. Paul

St. Paul United Church of Christ workers are busy planning and preparing for a bike-a-thon, to be held Saturday, Oct. 6. It is to be an intergenerational all-church event as people of all ages are being asked to work together for the Neighbors In Need (NIN) Mission Project.

A mini-course will be set up in the church parking lot for young riders. Older and experienced riders will take a 12-mile scenic road route. All riders should have a sponsor sheet and be seeking people to pledge an amount per mile or lap, depending on the rider's size and course.

The bike-a-thon will begin at 8:30 a.m. at the church for riders who plan to take the road route. The mini-course riders may participate anytime during the morning. A lunch will be provided when riders return to the church at noon.

Money collected after the ride will be used for NIN. It is a special program set up to help those in need locally and to support programs for disadvantaged people in the United States through the homeland agencies of the United Church of Christ.

Anyone wishing to make this event a success by riding or contributing should call Kathy Young at 475-2765.

DES for Animals Bar Postponed Again

The Food and Drug Administration has again postponed a ban on DES as an animal-growth stimulant. Appeals by cattlemen and feed manufacturers prompted the FDA to put off the ban for a second time, until Nov. 1.

FDA spokesman said it was realized "that an immediate DES ban would result in economic disruption in the cattle-production industry."

The agency had earlier ordered an end to the use of DES in livestock and sheep by July 20.

HAPPY RETIREMENT: This banner adorned W. Middle St. last week, proclaiming Earl "Tex" Tison's retirement from Chrysler after 27 years. The life of the huge sign was short, however, as village officials requested it

be removed for lack of a permit. Enjoying the happy occasion were, from left, daughter Nancy Tison, "Tex", wife Betty, and daughter, Jo Ellen Bowling.

Retirement Party Greets Tison

When Earl "Tex" Tison first began work at Chrysler in 1952, he bought a brand new watch to go along with his new job. Twenty-seven years later, the watch and "Tex" celebrated another milestone together, as the faithful timepiece ceased ticking just one day before Tison's Friday, Sept. 28 retirement.

That morning, Tison (together with his revived watch) was surprised with a cake and good-bye

card from 50 of his co-workers at the Chrysler plant where he had worked as a driver-mechanic.

Another surprise awaited "Tex" when the party moved to his son-in-law's business, ASCCO, on W. Middle St. A large banner stretched across Middle St. welcomed him with "Happy Trails To You, Earl!"

Everything seemed just perfect until a call came from the Village Offices, asking the happy

partiers to remove their illegal banner. (No one had asked permission from the village to hang the giant birthday card.)

The day had a happy ending after all, however, as Earl and his wife, Betty, made plans to leave the soon-to-be snowy streets of Chelsea for a warm winter in Florida, enjoying his retirement.

Of course, the newly-retired watch goes along too.

NORTH SCHOOL'S OPEN HOUSE last Thursday gave the Parent-Teacher Organization a chance to show their wares. Here Ways and Means committee chairman Barb Selwa, seated at right, oversees the ordering of North school tee-shirts by parents and students alike.

ELSIE PETTIBONE of Dexter was recently awarded a 50-year membership pin by the Washtenaw County Extension Service. Mrs. Pettibone joined in Superior township in 1924, then joined the East Lima group in 1926. She later switched to her present group, the Lima Center Extension Club. Mrs. Pettibone is 89 and lives with her daughter and son-in-law, Dorothy and Floyd Fowler of N. Dancer Rd.

4-H Members Win at Expo

Four-H members from Washtenaw county were major winners at the Michigan 4-H Livestock Expo held at Michigan State University.

David Skjaerlund, Dexter, won the Trifecta, a contest which recognizes over-all achievement. He received a \$1,000 scholarship for his accomplishments in the major trifecta categories of showmanship, judging and evaluation, and communications. In the same contest, Dee Dee Starling, Saline, and Louise McCalla, Ann Arbor, earned expense-paid trips to the North American International Livestock Exposition in Louisville, Ky., for their outstanding performances.

The county's livestock judging team won the state contest and will represent Michigan in national competition at Louisville in November. Team members include Sue Nonnemacher, Ann Arbor; David Skjaerlund; Dee Dee Starling, and Tom Hammond, Saline. Sue placed first in the oral seasons competition and was second place over-all in the contest. David Skjaerlund was fifth overall. Ricky Baldus, Dexter, was the first-place winner in the junior division of the livestock judging contest.

Louise McCalla also exhibited the Grand Champion Swine Breeding Project and placed third in the Swine Showmanship Contest. Dee Dee Starling exhibited both the Grand and Reserve Grand Champion Hampshire Ewes.

McKune Library Starts Story Hour For Pre-Schoolers

McKune Memorial Library head librarian Jo Ann Walter has announced the beginning of a story hour for pre-schoolers each week from 9 to 10 a.m. on Tuesdays, starting Oct. 23. Storytellers Gwen Whitaker and Candy Schirmacher will spin tales of wonder and delight for the youngsters and all pre-schoolers are welcome.

Milk Prices

The price support program and federal milk marketing orders are often criticized for allegedly pushing milk prices too high. During the period 1970-78, retail prices of fluid milk and all dairy products rose 54 percent and 66 percent, respectively, compared to a rise of 84 percent in the prices of all foods.

Legislative Update

A Weekly Report from
State Rep. Mary Keith Ballantine
State Capitol, Lansing 48909
Phone (517) 373-1775

Week of Oct. 1-8

SCHOOL COUNT: The legislature has acted to approve HB 4944, which would allow school districts to make their official student count on which state aid is based on the first Friday after classes begin, rather than the 4th Friday after Labor Day.

BUDGET CUT: State department directors have now completed their recommendations of specific cuts to comply with Governor Milliken's order to cut \$100 million over-all due to expected revenue declines. Only education programs are exempt.

LICENSE LAW: A new, stricter law for first-time drivers is now in effect. It provides a 3-year probationary period during which new drivers with "bad" records may be counseled and re-examined; the last 10 months must be free of violations.

INSURANCE AGREEMENT: Segments of the insurance industry have agreed on legislation to set objective standards for availability and price of car and home insurance. The Supreme Court last year ordered such a change in our no-fault auto insurance law. This differs from prior proposals in allowing a greater variation in rates based on geographic areas of the state.

COMP PACKAGE: A major proposal to improve the Michigan unemployment compensation system has been introduced under Republican sponsorship. HB 4974-75 would increase benefits to unemployed workers and eliminate benefits for those who voluntarily quit their jobs. Unemployment benefits have not been increased since 1975, while inflation has gone up about 35%.

TAX CLASSES: Some local units do not assess some property at the required 50 percent of true cash value, so that equalization creates higher rates for some property than others. HB 4013, now approved by the Senate, requires that property tax equalization be by class: agricultural, residential, developmental, commercial, industrial, and timber cutover.

CHECK TAX: Still before the House Taxation Committee is HB4712, which would put a 10-cent tax on every check and money order cashed in Michigan. To register your opinion on it, write the bill's Democratic sponsor: Rep. George Montgomery, State Capitol, Lansing 48909.

POINT ORDER: The House will soon vote on SB 471, which would for the first time give points to drivers convicted of over-55-mph speeding violations. Now, points are not given for freeway speeds between 55 and 70; this would add 2 or more points to a driver's record for that.

VOTE AMENDMENT: A state constitutional amendment has been proposed in HJR "R" which would allow the public to vote on increases in the gasoline tax and license plate fees. This is in response to the recent Supreme Court ruling that those items are not subject to referendum.

Tim Doolittle and his Pine Center Gang, WJR radio stars, will appear at the Chelsea High school gymnasium on Friday night, Oct. 26, with a full evening's entertainment and dance program.

The village council has employed T. P. Flynn & Co. of Detroit to surface portions of Lincoln, Taylor, Garfield and Flanders streets and some alleys. Mr. and Mrs. Edmund Ely of Ann Arbor have leased the west room of the Hendley building on Park St., formerly occupied by the Tower Cafe, and will open a dairy bar there about Nov. 1.

Fred G. Broesamle, Homer Stofer and Elmer Mayer were in Lansing Wednesday to attend the annual meeting of the State Supervisors' Association.

The Michigan Grand Chapter, Royal Arch Masons, at the closing session last Thursday of its 20th annual convocation, installed Paul P. Belser of Chelsea as master of second veil.

Community Services Awarded Grant for Foster Grandparents

Washtenaw County Community Services Agency in Ann Arbor has been awarded a \$13,000 Foster Grandparent grant by the State Commission on Services to the Aging. The grant made last Friday, will enable the Agency to

hire five Foster Grandparents to work with children and young adults.

One of 13 Foster Grandparent grants awarded by the Commission for the 1979-80 fiscal year, Oct. 1 to Sept. 30, 1980, the grant

supplements a Federal grant from ACTION, the Federal volunteer agency.

There are currently 17 Foster Grandparent Program projects operating in the state. A state appropriation of \$1,174,000 funds

eight projects and supplements eight others funded by ACTION. The remaining project is totally Federally funded. The agency currently operates a Foster Grandparent Program project.

CHELSEA'S POOL at Beach Middle school is a busy place again this fall with the enthusiastic competing and practicing of the

Aquatic Club. Club members have brought the fall league title home the past two years and hold most individual league records.

Aquatic Club Starts Trail of Another Title

Chelsea Aquatic Club is off and swimming for another season. Presently, 194 swimmers are participating in various levels of the CAC.

During the summer, club members participated in the Washtenaw County League with 14 teams: Milan, Ypsilanti, Saline, Willow Run and Ann Arbor each have more than one team.

This summer Chelsea finished 4th with two record setting performances by Sara Weiss in 8 and under girls and Margie Rawson in 11 and 12 girls, both butterfly events.

Other winners among summer swimmers were Dave Karns, John Hoffman, Dave Nicola, Dave Mason, Sean Oxner, Phil Hoffman, Tom Gaunt, Mike Mason, Scott Prohaska and Sara Borders.

In the fall and winter, the club competes in the Super Six League with Milan, Ypsilanti, Willow Run, Plymouth and Belleville.

For the past two years, Chelsea has won the fall championship and the team presently holds the majority of league records.

The club is presently trying to increase its enrollment to help insure its third successive championship.

Competition is divided by sex and by age. All swimmers participate in all meets. Each swimmer competes at his or her own level and practices with groups at that level. The goal of the team is wide-scale team participation with emphasis on personal improvement, self-discipline and a modest introduction to competition.

Elementary practice for new members is Monday, Wednesday and Friday, 4:30 to 6 p.m.; for previous members Monday, Wednesday and Friday from 5:30 to 7 p.m.; and junior high members Monday through Thursday from 3:15 to 4:30 p.m.

Fees are \$20 for one swimmer in a family, \$30 for two and \$40 for three.

Three-Year-Old Bitten By Poodle

A three-year-old Chelsea girl was bitten by a small dog in the village Monday, as she played on East St. near her home.

Chelsea Police were notified that Nicole White of Harrison St. had been taken to the emergency room of Chelsea Community Hospital by her mother, Jan Raymond, after being bitten by a

small, white poodle. The dog's owner had brought the little girl home after the incident.

Injuries were not severe, but the dog will be confined for 10 days for observation in case of rabies.

Chelsea police issued a violation to the owner for having a dog at large.

Many Children Still Need Immunizations

Even after the spring push to immunize youngsters in Washtenaw county, one out of every three children has not been completely immunized. Some children are up-to-date on polio and tetanus immunizations, but they have not been immunized against measles (rubella) and mumps. They may not have had any vaccine — or in the case of measles, they may have received the vaccine when they were too young for it to offer permanent protection or before the "permanent" live vaccine was available. Others may need a polio booster or a tetanus shot.

Vaccines are now on hand to protect children against measles, rubella, mumps, polio, diphtheria, tetanus and whooping cough.

The Health Department and local physicians are available to answer questions about immunization requirements. The Health Department offers immunization clinics on the second and fourth Saturdays of each month from 9 to 11 a.m. in Ypsilanti at 555 Towner. Clinics are held in Ann Arbor on the third Saturday of the month at 2350 W. Stadium. For additional information, call 973-1488.

Table Tennis Class Offered By County Parks Commission

Washtenaw County Parks & Recreation Commission is offering an eight-week Table Tennis class scheduled to begin Oct. 12. This is a recreational program geared for all ages and skill levels.

The class meets on Friday evening, 5-7 p.m. at the Washtenaw County Recreation Center, 4133 Washtenaw Ave., Ann Arbor. Class size is limited so those interested are asked to register early.

For further information and registration call the Commission office at 973-2595.

ALBERTA COLBRY, of Gregory, right, a Chelsea Jaycee Auxiliary member has been appointed to serve as State Chaplin for the Michigan Jaycee Auxiliary (Jayceettes) this year. Alberta is shown with Sharon McGill, President of the Michigan Jaycees at an Executive Board Meeting in Muskegon. A Chelsea Jayceette since 1972, Alberta has served her chapter as treasurer, vice-president and president. She has also served as secretary and district vice-president for the six chapters in her area. In state awards competition, Alberta was named one of 10 Outstanding Jayceettes of Michigan. She has also been honored with the Distinguished Service Award presented by her chapter. She and her husband, Norman, have two children. She is employed, part time at the Territorial Family Medical Center.

Board Names Assistant Librarian

Caralee Hoffmeyer was recently named by the McKune Library Board to the position of assistant librarian, a spot she has been unofficially filling since March.

Hoffmeyer has lived in Chelsea for 20 years and was this year's chairperson for Chelsea Home Meals Service.

She attended Albion College and graduated from Michigan State University, and this summer attended a library certification workshop at MSU.

October Bustling With Fall Festivals

Sunny days, crisp evenings and forest lands turning technicolor proclaim the arrival of autumn in Michigan. It's the season of harvests and halloween, summer memories and holiday plans. The Michigan Travel Bureau's Calendar of Travel Events shows October to be a month of festival activities and entertainment as bright and colorful as the landscape.

High on the list of popular fall activities are the Fall Color Cruises, out of Charlevoix, aboard the motor ship Beaver Islander. The cruise meanders along the shoreline of Lake Charlevoix providing passengers with a breathtaking view of Mother Nature's seasonal spectacular. Cruises are scheduled for Oct. 6-7, 13 and 20. Reservations are limited and should be made in advance through the Charlevoix Chamber of Commerce.

On shore, color tours are planned in Crystal Falls and Iron River, Oct. 1-10, at Newaygo, Oct. 1-21, at Cadillac, Oct. 3-31, and at White Cloud Oct. 6-7 and 13-14. Area color tour maps are available at local Chambers of Commerce to point you in the most colorful direction.

The perfect prelude to cold winter nights is the annual Red Flannel Festival at Cedar Springs, Oct. 6. The Festival of the Forks at Albion is also set for Oct. 6, and both events will feature parades, chicken barbecues and a variety of fun and games.

Oktoberfests at Big Rapids, Oct. 3-7 and Kalamazoo College, Oct. 12-14 will be flavored with bratwurst and beer, and enlivened with music and dancing.

The Kalamazoo Nature Center brings back fall festival fun of early America, Oct. 6-7, with the Fall Harvest and Crafts Festival. Horse-drawn wagon rides, old-time harvest activities and pioneer crafts will highlight the week-end.

Parades, games, crafts, bargains and good things to eat will be in evidence throughout the State, throughout the month, as many communities celebrate the season. Bellaire holds their Autumn Festival Oct. 12-13; a Fall Harvest Festival, Chippewa Nature Center, Midland, Oct. 13-14 and at White Pine Village, Ludington, Oct. 19-21; and, Squires Street Square, Rockford offers Harvest Festival week-ends, Oct. 6-7, 13-14, 20-21 and 27-28.

At Greenfield Village, Dearborn, the Autumn Harvest Week-end, Oct. 5-7 spotlights pioneer crafts, antique farm machinery, folk music and dancing; and during the October Crafts Week-ends at the Village, Oct. 12-14, 19-21 and 26-28, village craftsmen and guest artisans will demonstrate their expertise in dollmaking, pottery, and 15 other crafts in the Village buildings.

Watch ethnic craftsmen at work, discover unusual gifts from around the world, or just sit back and relax at the Old World Cafe, Oct. 5-7 at the International Festival, Northville Downs. The arts, culture and cuisine of nearly three dozen nationalities will be featured. Admission is \$1.50 for adults, 75¢ for children under 16.

The works of Michigan artists will be the focus of the Michigan Watercolor Artists Exhibition, opening Oct. 3 at the Jesse Besser Museum, Alpena. More crafty creations can be found at the Senior Citizens Arts & Crafts Show, Oct. 20-28 at the State Fairgrounds, Detroit and the Arts & Crafts Exhibit, Meridian Mall, Okemos, Oct. 24-28. Antique lovers will want to note the Antique Show and Sale, Oct. 4-7, State Fairgrounds, Detroit; World Wide Antique Show, Civic Center,

Lansing, Oct. 5-7; and the Antiques Market, Oct. 21, Farm Council Grounds, Ann Arbor.

Architectural treasures of yesterday will be open to visitors on Bay City's Tour of Homes, Oct. 7; the Tour of Homes, at Coldwater, Oct. 14; and Lansing's Turner-Dodge House will be prettied up by local interior designers beginning Oct. 15, and continuing through Nov. 4.

Star-studded entertainment brightens stages across Michigan in October. The Detroit Symphony's Weekender Pops Series features the multi-talented Steve Allen, Oct. 5 and 7, at Ford Auditorium. Kalamazoo's Miller Auditorium, on the Western Michigan University campus, has a full line-up of entertainment this month, starting out with America's goodwill ambassador, Pearl Bailey, and the Louis Belson orchestra, Oct. 6; followed by the mellow vocal styles of Lou Rawls, Oct. 12; and on Oct. 30, Isaac Stern, accompanied by the Kalamazoo Symphony Orchestra. The "first family" of Dixieland Jazz, the Preservation Hall Jazz Band, performs Oct. 28, at Warriner Auditorium, in Mt. Pleasant; and the American dance sensation of the 70's, the Twyla Tharp Dance Company, brings their unique style to Detroit's Music Hall, Oct. 30 through Nov. 3. Richard Basehart brings "Damn It, I Was There," to Warriner Auditorium, Mt. Pleasant, Oct. 7; "Showboat" pulls into Miller Auditorium, Kalamazoo, Oct. 9-10; and the "Music Man" spots trouble in River City, from the stage of Snyder Theatre, Jackson, Oct. 4-7 and 11-13.

International offerings this month feature the Moscow State Symphony Orchestra at Michigan State University, East Lansing, Oct. 14 and again at Miller Auditorium, Kalamazoo, Oct. 16. The Michigan State Lively Arts Series hosts the Dresden State Orchestra.

Other colorful happenings this month include: the Cavalcade of Bands, Oct. 13, at Western Michigan University, Kalamazoo; the music of Gene Krupa and Tommy Dorsey is featured at the Big Band Festival of the Fabulous Forties, Oct. 24, Miller Auditorium, Kalamazoo; the Rare Book and Antiquarian Book Fair, Oct. 26-27, at the main branch of "The Detroit" Public Library is sure to turn up an interesting tome or two; and the Detroit Ski Show, Oct. 26-28, at the State Fairgrounds Coliseum, Detroit offers everything for the skier, from seminars to ski fashions for the upcoming season.

Plan your escapades in Michigan in the months ahead with a free copy of the Michigan Calendar of Travel Events, by writing the Travel Bureau, Michigan Department of Commerce, Post Office Box 30226, Lansing 48909.

Study Shows More Farmland Purchases By Foreign Buyers

Congressional investigators say that foreign investors may have bought more U. S. farmland in recent years than previous government studies have indicated.

In 148 randomly-selected counties, surveyed by the Government Accounting Office (GAO), 248,146 acres were sold to foreign buyers out of 3.05 million acres involved in sales.

GAO auditors found 100,000 more acres sold to foreigners in those counties than USDA uncovered last year.

The official estimate for many years was that foreign interests own less than 1 percent of the 1 billion acres classified as farmland.

Judge Bronson Hits Lack Of Parental Responsibility

(Continued from page one)

have been visited by the deaths of their high school aged children; in Manchester, one high school student has died since the beginning of the year—all due to abuse of alcohol, in some cases combined with a little pot."

The judge observed that many experts attribute youth problems to a breakdown in family life.

"Changes in the relationships between men and women has increased competitiveness within family and reduced it as a haven in a heartless world," he said. "All the members of the family, very often, are trying to do their own thing. The me generation, not the we generation, is the present style."

"When the parents abdicate their responsibility, the family itself is damaged. The teaching of moral values and loyalty should be principally done in the home. There is right and wrong. Everything is not just a different shade of gray."

"It is the duty of the family to protect, shield and prepare children," the judge declared. "In performing this duty, parents need to use discipline. Instead, we appear to be producing a generation many of whom are incapable of submitting to authority. Law and order does not come from above. It comes from the family, from the neighborhood, the churches, from moral law. There is no law and order without a strong family, a strong sense of community and a knowledge that there is actually right and wrong."

In addressing his central theme, Judge Bronson concluded: "In a society that sees every improper conduct, including murder, as a social ill, and where everything is explainable under the theory 'He must have been sick or he wouldn't have done it,' moral values get washed away. 'This type of facile, 'justification' solves nothing since it answers everything. We see our

society, including the courts, many times acting to displace the role of the parents. An example can be found in the case in Denver where the child sued his parents for malpractice because they didn't give him proper psychological care."

"Parents have the right and duty to exercise authority over their children, and if they don't believe they have that right they injure both themselves and their children. It is simply not sufficient to be a friend or a colleague to one's child. Parents must direct, lead and set examples."

Bronson also addressed himself to local crime and presented these facts to the dinner audience:

—Chelsea has the least major crime problem of any community in the county. A major problem affecting adults as well as young people in the area is alcoholism.

—The village of Chelsea has the lowest rate of break-ins of any community in Washtenaw county.

—In Chelsea, the primary crime is fleeing from a police officer in a car—a dangerous activity for both youngsters and officers.

In answer to an audience observation that national crime statistics make Chelsea seem like a "Sunday school picnic," Judge Bronson cited the following:

—Nationally, one violent crime is committed every 31 seconds—a murder every eight minutes, a rape every eight minutes, a robbery every 78 seconds.

—One person in four has been mugged, robbed, assaulted or victimized by a break-in at least once during a recent 12-month period covered by a Gallup poll.

The leading cause of death among males between the ages of 15 and 24 is homicide. This is the same age-sex group that ranks so very high in fatal highway accidents.

In addition to volunteer leaders of Chelsea United Way, the hospital-sponsored dinner was attended by industrial donors, public officials and officers of social service agencies. The Rev. Merle Bradley served as toastmaster. Brief talks were also given by Will Connelly, president of Chelsea United Way, and campaign chairman Dale Schumann.

SEMCOG Estimates Chelsea Population Dropping Since 1970

According to a recent population and dwelling unit study done by the Southeast Michigan Council of Governments (SEMCOG), Chelsea's population has declined 4.6 percent since the 1970 census at the same time dwelling unit numbers have jumped 10.6 percent.

The report, which compares actual 1970 census counts with estimates made in July of 1978, shows Chelsea's population dropping from 3,858 in April 1970 to 3,680 in 1978, a decline of 178 people. Dwelling units are estimated to have increased from 1,139 in 1970 to 1,260 in 1978, or a rise of 121 units.

According to the study's compilers, the population estimates are "based on a mathematical formula which takes into account factors such as housing demolitions and building permits as reported to the Council by individual units of government. They are not 'head counts' or population studies."

The report goes on to stress that such studies are valuable tools for making planning judgments and that these estimates are not used by any federal or state agency as a head count for any revenue sharing or funding program.

For Washtenaw county as a whole, the report indicates a 10.5 percent population increase, from 234,103 in 1970 to 258,800 in 1978. Dwelling units in the county were estimated to have risen from 68,579 to 89,200, or 30.1 percent.

Lima and Sylvan townships both show substantial population increases in the study. A 45.2 percent population increase is indicated for Lima, from 1,281 to 1,860, and dwelling units increased a huge 61.0 percent from 385 to 620.

Sylvan showed a 19.4 percent increase in population, from 1,642 to 1,960, and figures indicated a 35.8 percent increase in dwelling units, from 464 to 630.

Predictably, the largest population decreases in the study were in the Metro Detroit area, with the city proper and many northern suburbs losing more than 3 percent of their population. Ann Arbor was reported quite stable, with an estimated 1.7 percent increase in population.

More information on estimating population is available through the Council's Information Services Office, 800 Book Building, Detroit 48226.

Macrame Course Offered By WCC

A four-week Wednesday evening class in macrame will be offered by Washtenaw Community College beginning Oct. 10. The class will be given in the Ypsilanti Center of the College from 6:30 to 9:30 p.m.

Zane Olukains, instructor for the class, explains that the course will provide instruction in knots, techniques, materials, and designs for making belts, wall hangings, plant holders and hammocks. "Creativity, inventiveness and enjoyment will be stressed," she adds. Materials will be provided.

Advanced registration for the class, taught in Room 304 of the Ypsi Center in the Old Ypsilanti High school at 210 W. Cross, is requested by phoning WCC staff at 482-2230. A \$13 fee will be charged. As with all offerings of the College, however, in-district senior citizens are welcome to participate at no charge.

The Labor Department's Office of Federal Contract Compliance is responsible for protecting the job rights of women, minority group members, members of religious and ethnic groups, handicapped persons, and Vietnam-era and disabled veterans on federal contract and subcontract work, according to the Labor Department's 66th annual report.

Manchester Youth Completes Navy Recruit Training

Navy Seaman Robert L. Smith Jr., son of Patricia A. and Robert L. Smith, Sr., of 11484 Heber Rd., Manchester, has completed recruit training at the Naval Training Center, San Diego. During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic occupational fields. Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene. A 1977 graduate of Manchester High school, he joined the Navy in June, 1979.

Student Loan Requests Soar

Lansing—The State Board of Education reported today that a record 44,000 Michigan college students have applied during the first 11 months of the current fiscal year for State Guaranteed Student Loans.

A sharp increase in loans—nearly 17,000 since June 1—has been evident this summer since the removal of a family income ceiling to qualify for a loan. The ceiling was \$25,000 for adjusted incomes and about \$30,000 for an income without exemptions.

The year's loan rate has surpassed last year's total of 34,471. At the present pace the State Board expects a total of 50,000 loan applications to be made by Sept. 30, end of the fiscal year.

Guaranteed state loans are made to students by local banks, savings and loan institutions and credit unions and are "guaranteed" by the State of Michigan.

Undergraduates may borrow up to \$2,500 per academic year, with total loans ranging up to a maximum of \$15,000 for a graduate or professional student.

Real Estate

By PAUL FRISINGER

REALTOR

GOING THE LIMIT

It's not unusual to find that the amount of money needed to finance the purchase of a home and the amount of cash in the bank account are too close for comfort. When does it make sense to pull back your horns and when would propriety say — "Go the limit?"

It's better not to spend every last cent available for a home if you customarily buy big ticket items, such as cars and appliances on time; if the local property taxes are likely to go higher; or if you have any unusual financial obligations, such as medical care for a member of the family.

On the other hand, you might justify going the limit if you can make a big down payment; if the home is unlikely to need maintenance or repairs which are above and beyond your personal capability; if your outlook for financial advancement is bright, and if your family has proven that it can tighten belts if you really have to.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

The Bible-The Light from Heaven

Teaches if I am lost I cannot blame God. God gave his Son for man's salvation. (John 3:16). He would that all men might be saved. (I Timothy 2:3, 4). This is made possible through the gospel. (Romans 1:16). If I am lost I cannot blame Jesus Christ. He died for all. (Hebrews 2:9). He invites all to come unto him. (Matthew 11:28-30). The apostle Paul wrote: "This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners; of whom I am chief." (I Timothy 2:15). The Lord doesn't want any to perish. (2 Peter 3:9). I cannot blame the Holy Spirit. He guided men into giving us the Bible—God's light from heaven. (2 Peter 1:21). God's revelation to man meets man's needs. (2 Timothy 3:16, 17). The Spirit invites. (Revelation 22:17). I have a part in my own salvation. (Acts 2:40; Philippians 2:12). It is true that man may be deceived and misled by others but he allows this to happen.

Gridders of the Week

TEAM LEADERS: A pounding such as the one Chelsea delivered to Milan last Friday night can't help but be a total team effort. That 41-7 victory produced no less than five Bulldog gridgers of the week. Leading the defense in its best showing of the season were junior **STEVE WILSON** (front left) and senior **DAN PAGLIARINI** (rear left). Largely through their efforts, Milan was held to 167 total yards.

Sophomore **JOHN PRESTON** (rear right) had an outstanding game as he ran for 150 yards in 25 carries and galloped 30 yards to a third quarter Chelsea touchdown. Co-captain **JOHN LABARBARA** (front, center) and senior **ANDY WEIR** were mainstays of the offensive line that helped Chelsea to gain 368 yards in the course of the contest.

BEST ROUTES AND PARKING AREAS FOR SPARTAN STADIUM

MSU STADIUM ROUTES: Football fans traveling to East Lansing for the Michigan State-University of Michigan game Saturday (Oct. 6) should encounter few traffic problems on routes leading to the stadium area, according to Automobile Club of Michigan. East Lansing streets leading to parking near Spartan Stadium are one-way inbound prior to the game and one-way outbound afterward. There is parking for approximately 18,000 vehicles with a \$2 charge at campus-operated lots. Shuttle buses are available at the campus commuter lot at Farm Lane and Mt. Hope (not shown on map). The commuter lot has free parking for 6,000 vehicles with round-trip shuttle costing 75 cents. The lot can be reached by exiting northbound I-496 at Jolly Rd., one mile north of I-96, and by following the signs posted along the way. Kickoff for the game is 1:30 p.m. Motorists are advised to arrive at parking lots no later than 12:45 p.m. to avoid missing the kickoff.

HOSS Carpet Cleaning

October brings Halloween. So be careful that colored-paper decorations don't contact your carpet. They can cause stains. We recommend Host, the new method of cleaning carpets without water. The carpet is dry and ready to walk on immediately. Use our Host Electric Up-Brush. It's easy. Clean 40 sq. yds. only \$9.95.

Equipment Stolen from Con Rail

More than \$9,000 in equipment belonging to Con Rail was stolen sometime after Saturday, Sept. 22 from its location near the depot on Jackson St. near Main.

Chelsea police said the Con Rail work crew reported missing a spike gun, two tamping guns, 50 feet of high pressure hose and an air compressor, totalling \$9,378.

Con Rail told police that at first the equipment was assumed borrowed by another crew, but a check revealed that it had been stolen.

CARD OF THANKS

We, the family of Dennis

Guinan, greatly appreciate the

many kindnesses shown us dur-

ing the long illness and death of

our husband and brother. We

thank the many people who

visited Dennis at Convalcare and

Chelsea Community Hospital. We

thank all of you who called at

Staffan Funeral Home and

remembered us in your prayers.

The many Mass offerings, the

Spiritual Bouquets, the donations

of food, beautiful cards of sym-

pathy, and lastly the pretty, color-

ful flowers helped so much to

lighten the days of his passing.

We thank all the members of the

Knights of Columbus for the

ceremony by the Color Guard in

the presentation of the gold

chalice and pater in the memory

of Dennis. We are also very

grateful to the Altar Society for

planning and serving a dinner at

St. Mary's Hall after the funeral

services. Father Dupuis, we

thank you for your many visits

and blessings, and also Father

Fortunato, we thank you for offer-

ing the Funeral Mass and your

kind words in the Homily. May

God Bless every one of you who in

any way helped us through the

sad days of Dennis' illness and

death.

MORTGAGE SALE — Default has been made in

the conditions of a mortgage made by Richard A.

Dupuis and Patricia Dupuis, husband and wife to

Ann Arbor Mortgage Corporation, a Michigan cor-

poration Mortgage, dated September 29, 1977,

and recorded on December 2, 1977, in Liber 1638,

on page 366, Washtenaw County Records,

Michigan, on which mortgage there is claimed to

be due at the date hereof the sum of Twenty Five

Thousand Four Hundred Thirty Eight and 04/100

Dollars (\$25,438.04), including interest at 8 1/2%

per annum.

Under the power of sale contained in said mort-

gage and the statute in such case made and pro-

vided, notice is hereby given that said mortgage

will be foreclosed by a sale of the mortgaged

premises, or some part of them, at public vendue

at the Huron St. entrance to the Washtenaw County

Building in Ann Arbor, Michigan, at 10:00 o'clock

a.m., local time, on November 6, 1979.

Said premises are situated in the Township of

Ypsilanti, Washtenaw County, Michigan, and are

described as: Lots 880, 881 and 882, Washtenaw Park

Subdivision, as recorded in Liber 6 of Plats, Pages

33 and 34, Washtenaw County Records.

During the six months immediately following the

sale, the property may be redeemed.

ONCE NEARLY EXTINCT, these great sandhill cranes may now be found in relatively large numbers across the nation. Waterloo Recreation Area boasts a hoarde of the huge creatures from mid-October through mid-

November, as they pause here before migrating to Florida for the winter. Bird fanciers may pick up a crane watcher's guide at the reception desk of Waterloo Nature Center for techniques of spotting and enjoying the cranes.

Sandhill Cranes Nesting In Waterloo Rec. Area

By Tom Hodgson
Waterloo Park Naturalist

Much has been made of Michigan's endangered wildlife in recent years. A special habitat management program has been developed for the Kirtland's warbler. Nesting platforms have been installed in northern wetlands to help the struggling osprey. Wild turkey and elk, once eliminated completely, have been re-introduced into the state.

The greater sandhill crane, one of Michigan's most unique and impressive wildlife species, has been struggling back from near extinction with little fanfare and a minimum of help. The greater sandhill crane is a spectacular animal. It is the largest bird in Michigan and third largest in the United States. It stands four feet tall with a six-foot wingspan, but its large, slim neck and equally long, slender black legs make it seem even larger. Its head is adorned with a bright red patch.

Its body feathers are a uniform gray but often appear a rusty brown. The cranes change the color of these feathers by rubbing them with marsh vegetation. The plants are covered with iron oxide precipitated from the marsh waters which stains the feathers a reddish brown. In late summer and fall, when the birds molt, they return to their normal gray color. The value of this curious habit is still not known.

The crane's loud, trilling call is as impressive as its appearance. The primordial sound, almost frightening at close range, can be heard for a half mile or more.

The greater sandhill crane is a living relic. Fossil remains found in Wyoming confirm that its ancestors roamed North America more than 50 million years ago.

Prior to the arrival of the first Europeans, the greater sandhill crane was found throughout Michigan and in many other states as well. The settlers found crane flesh very tasty. As late as the turn of the century, sandhill crane was listed on the menu of the old Otsego Hotel in Jackson.

Uncontrolled hunting and extensive draining of their marshland homes nearly wiped them out. In 1916 the Migratory Bird Treaty placed them on the protected species list. Further draining of the wetlands continued to reduce their numbers until, by 1944, fewer than 2,000 were left in North America.

After flirting with extinction for many years, their numbers slowly increased. By 1968 the total population was estimated at 6,000 birds. By 1975 the cranes had increased to 20,000 and were removed from the U. S. Fish and Wildlife Service's threatened species list. Today they number about 35,000 and are still on the increase.

Their remarkable recovery is primarily due to better preservation of remaining wetlands and to their own adaptability. The cranes the settlers knew were wary birds that shunned civilization and demanded extensive marshlands for nesting. Today's birds have learned to nest in small marshes covering as little as an acre. They have also learned to supplement their natural diet with waste grain and insects found in nearby fields of wheat, corn, oats and alfalfa.

Today, the largest breeding concentration of greater sandhill cranes in the midwest is found in the Southern Michigan counties of Livingston, Jackson and Washtenaw, where 118 nesting pairs have been located. Jackson's county's Waterloo township, in the heart of Waterloo Recreation Area, may have the greatest population density in the nation, with nearly one crane per square mile.

The cranes spend the winter in Florida. They arrive in the Waterloo area in early March and can be seen feeding in farm fields and roosting in nearby

marshes until they return to Florida in late November. During the spring and summer, sightings are limited to breeding pairs with their young and small flocks of non-breeding birds.

At the end of the summer, birds that nested in Canada and Northern Michigan begin arriving in the area. By mid-October their numbers have reached eight to nine hundred. This seasonal peak is maintained until mid-to-late November, when the cranes begin their non-stop flights to their wintering grounds in Florida. During this period, it is not unusual to see 50 or more in a field at a time.

The Michigan Audubon Society's Haehnle Sanctuary, located near the western end of the Waterloo Recreation Area, serves as a night time roosting area for most of the fall migrants.

At dawn, sanctuary visitors can witness a magnificent sight as hundreds of cranes leave the marsh en masse to fly to nearby fields. In early afternoon, they begin to trickle back to the sanctuary in small groups. The majority return during the two hours prior to sunset.

In spite of these impressive gains, the greater sandhill crane is still a unique and rare bird. It is found in only 23 of the lower peninsula's 65 counties. Most of these have only one or two nesting pairs. The future of the greater sandhill crane still depends upon its continued protection and the preservation of its marshland nesting grounds.

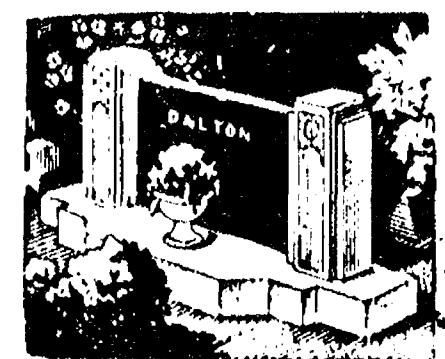

The greater sandhill crane is a Michigan wildlife species worth seeing. To help everyone get better acquainted with these magnificent birds, the Waterloo Nature Center is offering a crane watcher's guide to the Waterloo Recreation Area, available at the reception desk. The center is open from 9 a.m. to 5:30 p.m. Tuesday through Saturday and from noon to 7 p.m. on Sunday.

There is no charge for visiting the Nature Center. However, because it is a state park facility all vehicles entering the center's parking lot must have a state park motor vehicle permit. They are available at the reception desk in the Nature Center. The annual permit is \$7 and allows that vehicle to enter any Michigan State Park facility an unlimited number of times during the calendar year.

A daily permit is \$2 and is good for the date of issue only. Senior citizens 65 or older may buy a special annual permit for \$1.

To reach the Nature Center, take Middle St. west from Chelsea business district to the village limit where it becomes Cavanaugh Lake Rd. Proceed west on Cavanaugh Lake Rd. to Pierce. Turn right on Pierce and follow it to the end. Turn left on Bush Rd. and proceed about one-half mile to the entrance of the Nature Center on the left.

Remember, the fields the cranes are feeding on are on private property. Do not trespass. The cranes are wary birds and are quick to take flight when humans approach. They have no

Never Store Extra Gasoline In Car Trunk

Have gas lines and gas shortages tempted you to fill up a gas can and store it in your trunk? Don't. One gallon of gas stored in the trunk of your car has the explosive power of 14 sticks of dynamite.

How can this happen? According to the U. S. Consumer Product Safety Commission (CPSC), the danger is in the fumes. Drastic temperature changes in the trunk of your car can cause the gasoline to expand, which in turn causes pressure in the can and leaking fumes. Then a mere spark from a short in a tail light or a rear end collision could cause the explosion. Believe it or not, these vapors, which are invisible to the naked eye, can travel up to 30 feet from the source—and this can happen in your car trunk, your home, or at the gas station.

The CPSC reports more than 569 fatalities from igniting gasoline since 1973, and more than 4,300 injuries from gasoline-related burns in 1977. What can you do?

—Never use flammable liquids near a flame or ignition source.

—Always remember that those invisible gasoline vapors can easily ignite.

—Do not refuel power equipment, such as lawnmowers or boat engines when they are hot or running.

—Use only manufacturer-recommended fuels for camping stoves and lanterns.

—If you must store gasoline, do so only in approved safety cans with flame arresters and pressure-release valves.

In many states it is illegal to siphon gas. But if you must siphon gas in or out of your car—never siphon by mouth. Just a few drops of gasoline in the lungs can kill you. Instead, use a hand operated pump.

The best way to store gas is in the tank of your car—by using less of it. For some useful tips on stretching the gasoline dollar, send for the free Department of Energy booklet, Tips for Motorists. Just write to the Con-

The Food Dollar —Where Did It Go?

The USDA has released the following information in answer to the question: where did the U. S. food dollar go in 1978? (The figures for 1973 are in parentheses.) Farm value, 32¢ (38¢); labor 32¢ (30¢); packaging 9¢ (8¢); transportation 5¢ (4¢); other costs 22¢ (21¢). The department explains that these figures will not equal \$1 because of rounding.

Co-op fathers recently held a "Dads' Day" for repair and maintenance around the grounds of the school.

Saline Valley Project Slated for Federal Funding

Governor Milliken has selected two projects—one in Washtenaw and Monroe counties and one in the Saginaw Bay area—for funding under the federal Rural Clean Water Program.

Milliken listed the plans for cleaning up the Huron and Raisin River basins in the Saline Valley as the top priority project in the state and the plan for improving the Dutch Creek watershed as second priority.

He said recent studies by the Great Lakes Basin Commission and the International Joint Commission document the need for pollution control from non-point sources such as farm and developed land runoff in Lake Erie and Saginaw Bay. Both plans call for controlling non-point pollution by containing animal wastes, improved farm management programs and improved planting cycles.

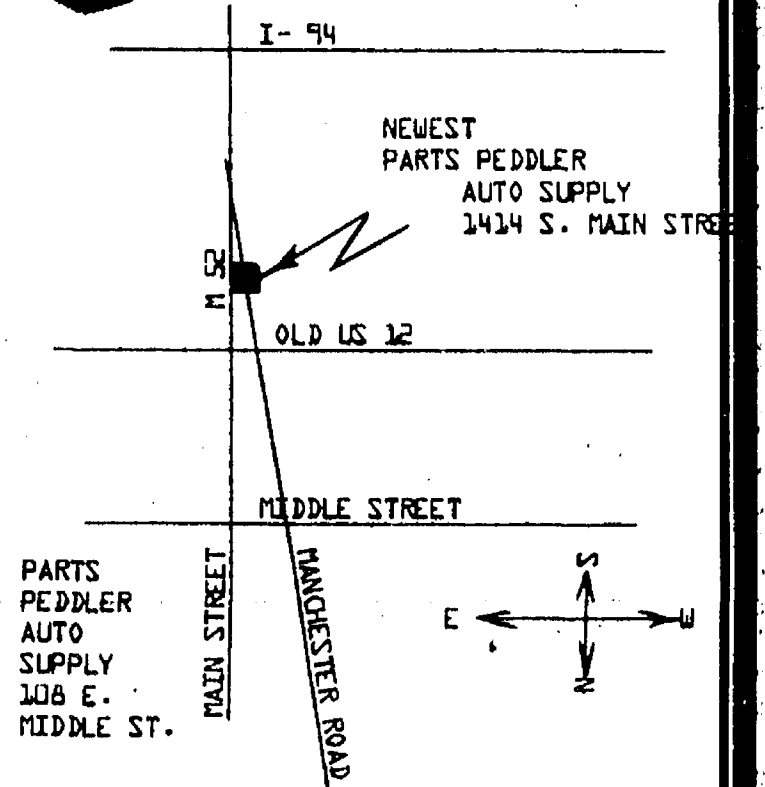

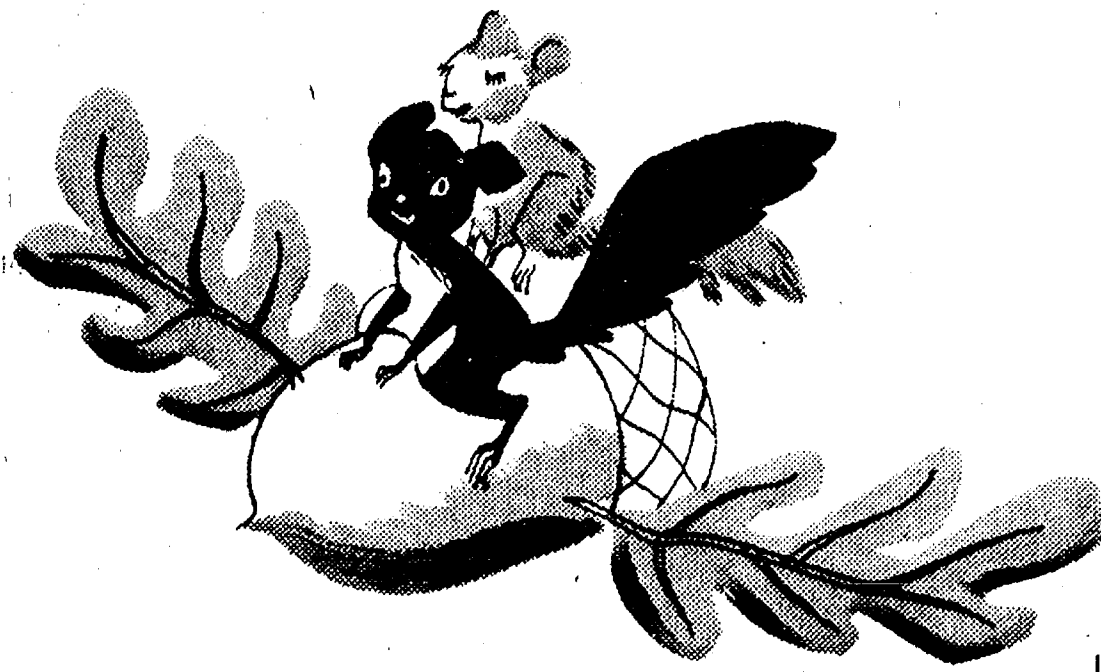

Both projects are subject to approval by Congress, which has not yet funded the 1979-80 Rural Clean Water Program.

Like having two washers in one. Doubles your convenience!

Automatically shuts off and signals when clothes are dried the way you want.

Combines big capacity with energy savings. The lift-out Mini-Basket™ tub for small loads uses 25% less hot water than the big tub's low water setting. And the Mini-Quick™ cycle washes small loads in less than 18 minutes. Has 4 wash/spin speed combinations and 4 wash cycles, plus variable water levels, bleach and fabric softener dispensers. And the exclusive Filter-Flo™ system traps lint.
