Apartment Tax Exempt Status Being Studied

A question of the taxability of the Chelsea Methodist Home apartments has again been brought into the limelight by a recent decision of the Michigan Court of Appeals to overturn a Tax Tribunal decision which gave authority to levy taxes on the apartments.

The property in question encompasses apartments adjacent to the Home. The Methodist Retirement Homes has paid taxes on the units since their construction, but under protest, claiming that the apartments should share the tax exemption enjoyed by the Home itself. Sylvan township and the Chelsea School District contend that the units were taxed fairly.

"Our contention is that Chelsea Village Apartments is an integral part of our full-service retirement center. That means providing service for the independent, such as in the apartments, through those who need nursing care."

Chelsea School District, according to Superintendent Ray Van Meer, will file for a re-hearing of the case before the Appeals Court. If the request for the re-hearing is denied, the district's legal counsel will apply for a leave to appeal from the Michigan Supreme Court.

Total taxes involved are approximately \$60,000 over the course of seven years, plus interest. Of this amount, 62 percent went to the school district and therefore would have to come from the pocket of the district if courts rule that the tax monies must be paid back to the Home.

JC Bar-B-Q, Color Tour Set Sunday

This Sunday, Oct. 14, marks the 24th anniversary of the first autumn that Chelsea Jaycees held their Fall Color Tour-Chicken Barbecue. Once again this year, area residents may enjoy a hearty dinner and enjoy the fall sights.

For the first time, the dinner will be held at Chelsea Fairgrounds, providing indoor dining facilities for those wishing to eat immediately. Box lunches will be provided for those who wish to enjoy the colors, which should be at their peak Sunday.

Maps highlighting the numerous recreation facilities in the area will be provided with the box lunches.

To encourage senior citizens to come out and enjoy the day, a special seniors discount will be offered.

Chairman Jim Ross plans to have the fires stoked early Sunday morning, with dinner beginning at 11:30 a.m. The 1,500 chickens will probably be sold by 3 p.m., so come out early.

SHORT PASS: Chelsea quarterback John Dunn (center, No. 11) is taken out of the play by an aggressive Dexter defender, but not before he dumped the ball off to his targeted receiver who went for long Chelsea yards. The Bulldogs gained 250 yards on the ground (475 total) in their Friday manhandling of the Dreadnaughts, 48-24.

BILL FREEMAN, junior halfback for Chelsea's varsity gridders, exhibits some fancy footwork as he makes a bid to elude a Dexter defender in Friday night's trouncing of the Dreadnaughts, 48-24. Freeman scored two touchdowns in that contest, both on short sneaks, and set up the Bulldogs' very first TD in the first quarter with a sparkling 55-yard run.

JV Gridders Stomped By Dexter

A troubled season continued for the Chelsea junior varsity gridders last week as they were stomped by Dexter Thursday night, 43-0.

The Dreadnaughts scored in every quarter and twice in both the first and fourth quarters.

Bulldogs offense managed only 151 yards as opposed to 461 for Dexter.

Defensively, Chelsea was led by Brian Cooper, Gary Van Meer, Dave Wojcicki, Jeff Klink, Darren Pierson, Rick Poljan, Tim Whitesall, Jeff Lantis and Bill Lamb.

Pierson was a particular bright spot as he intercepted two Dexter passes. Rick Poljan moved quickly to block a Dreadnaught extra point.

Cagers Squeak Past Saline, 60-58

Chelsea's lady cagers raised their season record to 5-2 last Thursday when they squeaked past Saline, 60-58, in a tight SEC game.

Fans saw two different ball games, as Chelsea dominated the first half but yielded in the second to the Hornets, who fell just two points short in their comeback attempt.

The game opened with the Bulldogs attacking the Saline defense with good ball handling and teamwork to break away to a 16-10 lead. Nanette Push bucketed all 16 points herself, most coming on hard-driving close-up shots at the end of an effective Chelsea press break.

Sharp ball handling also helped the Bulldogs put Saline in foul trouble in the first half, as junior guard Jennifer Ringe directed the press break and offense that put continuous pressure on the Hornet defense.

Chelsea's defense, meanwhile, was holding the opposition to a mere six first-half field goals and 19 points. The offense increased its second stanza production to 19 points, with five Bulldogs hitting the mark to give Chelsea a 35-19 margin.

Bulldogs Win Over Rival Dexter, 48-24

A superlative offense and charged-up defense took the field for Chelsea Friday night and decisively spoiled Dexter's homecoming in an exciting 48-24 romp.

The Dreadnaughts threatened briefly in the third quarter, scoring two touchdowns in succession to come within 12 points of Chelsea. Dexter had gained momentum in the quarter and the 12-point lead seemed but a flimsy margin for the Dreadnaughts to overcome.

Chelsea came back with two insurance touchdowns in the fourth quarter, however, and held the opposition scoreless to grab the victory.

The Bulldogs dominated the contest from the opening kickoff, scoring just 31 seconds into the game. A 55-yard Bill Freeman run set up a one-yard quarterback sneak by John Dunn for the score. Dunn successfully passed to Mike Killelea for the two-point conversion and Chelsea led, 8-0.

A John Dunn interception later in the quarter set up another TD as Jeff Dils reeled in a Dunn pass and took it 60 yards for the score. Brad Knickerbocker booted the extra point and Chelsea led at the quarter, 15-0.

Chelsea's streaking offense continued its good work in the next quarter, bringing in 13 more Bulldog points. Bill Freeman took the ball in from one foot out after a Knickerbocker run brought the ball to the one-yard

line. Knickerbocker booted the ball over the roof of Dexter High school for the extra point.

Dunn then hit Dils with a 17-yard pass for six points. Chelsea missed the extra point attempt, but had a 24-0 lead.

With just eight seconds left in the period, Dexter got on the scoreboard with a 27-yard touchdown pass set up by a Chelsea fumble, the only Bulldog turnover in the game. Jim Vaughan hit Chris Rutkowski for the touchdown and Vaughan threw to Jeff Leighton for the two-point conversion.

At the start of the second half, Chelsea made a fair bid for absolute domination of the game, scoring again midway through the quarter. Bill Freeman slipped over the line in a one-yard lunge and Dunn hit Killelea for two points, bringing the score to 36-8.

The Dreadnaughts came right back, however, sending Vaughan over the goal line in a one-yard sneak and converting for two points. Dexter then executed an on-side kick and recovered the football to continue their offensive attack.

Minutes later, Vaughan scampered five yards over the goal line and passed for the extra two, bringing Dexter to within 12 points of the Bulldogs.

It looked like momentum was on Dexter's side, but Chelsea rose to the challenge and held Dexter scoreless in the final quarter. The

Frosh Gridders Near SEC Title

Hold onto your hats, Chelsea football fans, because the old home town may have a conference champion in its midst come next Thursday.

By smashing Saline Tuesday night, 22-0, the Chelsea freshman footballers have set themselves up to play Ypsilanti Lincoln next Tuesday night for the SEC freshman title.

Chelsea moved a step closer to the crown Tuesday evening in a rough and tumble contest with Saline which the Bulldogs dominated totally.

Scoring began in the second quarter when quarterback Matt Villemure hit Steve Cattel with a 48-yard touchdown bomb. Russell Harris carried the ball in for two conversion points, and Chelsea led, 8-0.

In the third quarter, speedster Rod Robeson galloped 51 yards to set up the seven-yard touchdown run by Harris, making the score 14-0, Chelsea.

The frosting was on the cake later in that quarter, as Robeson

once again turned on the steam and ran 46 yards for the score. Villemure hit Matt McCallum with the two-point conversion pass, and Chelsea had the contest, 22-0.

Wonder man Robeson carried 18 times in the contest for 183 yards. Harris was right behind him with 14 carries and 144 yards rushing. In all, the offense rolled up a mighty 402 total yards.

The Bulldogs received excellent blocking from guards Mike Neibauer and Doug Pagliarini. Defensively, ends McCallum, Chris Seitz and Richard Cobb played well. Defensive tackle Jim Hayden collected 10 tackles, Robeson and Harris had seven each and Dave Weber and Neibauer had five each.

Villemure had his third interception of the year and Pagliarini recovered a fumble.

Chelsea had won its two previous contests by lopsided scores, shutting out Milan, 18-0, and crushing Dexter, 42-0.

Transportation Taxes Immune
 In our system of government by the people, one tax in Michigan found not to be subject to voter referendum is increased fuel taxes and license plate fees.

According to a recent unanimous state Supreme Court decision, voters do not have the right of referendum for or against the taxes, thus preserving \$147.6 million in revenue approved by the legislature in 1978 as part of a \$168 million transportation package.

The state's highest court said (in County Road Association v. Board of State Canvassers) the constitution and a 1951 law providing for allocation of fuel tax and license plate revenues "make transportation tax legislation unique."

The court said its ruling is rooted in Supreme Court decisions on 1927, 1951 and 1972 tax legislation.

Those decisions barred referenda on the taxes on the basis that they were part of an appropriations process and the constitution does not extend the power of referendum to appropriations.

The court said it declined to modify earlier interpretations on use of the power of referendum since the framers of the 1963 constitution had ample opportunity to review decisions made up to that time and make revisions they believed necessary.

The decision resulted from a petition drive by a group called People Against Higher Taxes, who sought to hold a referendum election on the legislature's action increasing motor fuel taxes and vehicle registration fees.

Had the petitions been allowed, the tax would have been suspended and the increase in registration fees been refunded until voters made the final decision.

The attorney for the group said he regarded the court's decision as the last word on prohibiting a referendum on transportation taxes. He added the only way a referendum could be held on such issues is if the legislature specifically provided or if the

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:
 There is just no end to information you can pull from your mailbox. Last week came this piece from the National Wildlife Federation that tells about attack butterflies, which to my way of thinking puts President Carter's battling bunny in the shade. If there's anything peaceable left on this earth, Mister Editor, you would say it's a butterfly, cause he sure ain't got much to fight with.

Not so, says the wildlife people. They report battles to the death amongst certain kinds of these insects, and some will bash themselves into people that invade their territory. They let out battle cries by clicking parts of their bodies together, and they will chase dogs and cats for half a mile.

From reading the piece, you would figure that prize fighter that said he could float like a butterfly and sting like a bee was bragging more than he thought.

I brung up this butterfly report during the session at the country store Saturday night, and it got some of the fellers talking about other strange doings. Zeke Grubb, fer instant, said he had saw that fer \$16,000 a feller could open his own franchise tanning studio. That is a place where people bring their hides to be tanned. They git to lay under special lamps and burn to a even turn, with the cost running somepon on the order of \$50 fer 25 fries. Zeke said these studios are opening in the big cities, and like everthing else from tacos to Prairie water they'll be out here in the country before long. Zeke said he figgered he was as likely to meet up with a prize fighting butterfly as a feller willing to pay good money to use electricity to burn lamps to do what the sun will do fer free, but that just goes to show what a feller gits fer his figgering nowadays.

Bug Hookum said you can have your battling butterflies and tanning operations, fer his money he'd rather take the doctors that specialize in house calls. Just when you think making a house call was as dead as the \$3 office visit, along comes a house call service in Portland, Oregon, Bug said. This team of doctors takes

calls from other doctors who don't think patients need to be in the hospital, mostly after office hours. But they will come to the home of anybody that calls em and charge less than an emergency room visit. Bug was of a mind that if this catches on we might have to git the doc a horse and buggy in case we can't find him enough gas to make his rounds, then we'd really see some doctoring.

General speaking, the fellers was excited about Bug's report. Ed Doolittle said this service could be a real help fer older folks that didn't want to live in a rest home and couldn't git into town ever time they need a doctor. Ed was worried that it might work out so good Medicaid and Medicare would have to step in and find some grave risk in treating folks at home without proper sanitation equipment, backup ambulances and the rest. It is to bad, Ed declared, that we and all the Government agencies that look out fer us have to relearn everthing about ever 50 year, and this is truer in medicine and education than anywhere.

Yours truly,
 Uncle Lew.

1st LT. RODNEY K. COLE of Grass Lake in his Jeep during exercise "Constant Enforcer" in West Germany. The white band on his cap identifies Cole as an umpire in the exercise.

Grass Lake Soldier In European Exercise

A Grass Lake soldier joined more than 30,000 other allied troops recently in a major European training exercise.

First Lieutenant Rodney K. Cole, son of Mr. and Mrs. Kenneth H. Cole, 704 Jill Dr., Grass Lake, took part in "Constant Enforcer," a maneuver that saw American, German, Canadian and Belgian troops move through almost 4,500 square miles in central West Germany. "Constant Enforcer" was held to discover what problems NATO allies would face if they were attacked at a boundary line dividing two allies who didn't speak the same language and who were equipped with different weapons. The exercise successfully brought out the allies' strengths and highlighted where improvements are needed.

Cole, 25, is a platoon leader with B Company, 1st Battalion, 8th Infantry of the 1st Armored Division. "In my job I am responsible for the health, welfare, training and employment of 50 and more soldiers," Cole said. "The hours are very long, often going 7 days a week. But the work is rewarding. I like the opportunity I have in the Army to travel and meet new people all the time."

He has only been in West Germany since June 10 this year but he has formed some positive impressions of the country and the people of our strongest NATO ally. "The people are extremely friendly, and the chance to become involved in a new culture is fun," he said.

A 1972 graduate of Grass Lake High school, Cole went on to Eastern Michigan University where he earned a bachelor of science degree in history and geography before he entered the Army in April, 1976.

"In the future, I plan to go back,

to college," Cole said, "I have three more years to serve in Germany and then I will decide about staying in. I have enjoyed my job and the people that I've met very much. If I had to do it all over again I wouldn't change a thing," he added.

Eaton Rapids To Honor Former Coach, Player

Two Chelsea residents will take part in a pre-game ceremony in Eaton Rapids this Friday, honoring their undefeated 1959 Eaton Rapids High school football team.

Taking the field at the Friday, Oct. 12 ceremonies will be Chelsea school Superintendent Raymond Van Meer, head coach of that team, and a former guard on the squad, John Henderson, now a resident of 10815 Boyce Rd.

That 1959 undefeated squad was the first in Eaton Rapids in 46 years, when the 1913 team also played perfect football. An Eaton Rapids team has not gone without a defeat since Van Meer's perfect 1959 squad.

In his coaching career, Van Meer has guided undefeated teams at Essex, Ia. in 1955, their first such record in 32 years; in Eaton Rapids; and in 1966 at Jackson Parkside, the first Jackson public school to go without a loss in 100 years.

An armed forces veteran is entitled to compensation from the Veterans Administration for a disability incurred or aggravated while on active duty. The amount is based on degree of disability.

Ralph Nader To Speak in Ann Arbor

A special car-caravan will be arranged for interested senior citizens of Chelsea to travel to Ann Arbor to hear consumer advocate Ralph Nader and Maggie Kuhn, founder of the Gray Panthers, senior power organization.

The pair will be keynote speakers in Ann Arbor at the third annual Cooperative Education and Training Institute, sponsored by the North American Students of Cooperation (NASCO).

The speeches will be given on Friday, Oct. 19 from 7 to 9 p.m. at the Michigan Theatre. The title of Nader's address will be "Pathways to Economic Democracy." Kuhn will speak on "New Lifestyles for this New Age: Interdependence and Cooperation."

Executive director of NASCO, Stewart Kohl says: "Co-ops are a proven way of fighting inflation and giving the consumer a voice. Even Congress has recognized their enormous potential and authorized over \$300 million to create the National Consumer Cooperative Bank to fuel their development."

Anyone who can volunteer to be a driver or who wishes a ride in the caravan, should call the Community Education Office, 475-9830, on or before Thursday, Oct. 18.

Handicapped employees make up more than 12 percent of the Veterans Administration workforce. Included in this group of 28,000 workers are 13,600 service disabled veterans.

The Sept. 27 game with Milan saw the Bulldogs get on the scoreboard in the second quarter on a 27-yard Rod Robeson run for the goal line. The extra point attempt was no good.

Again in the third quarter, Chelsea picked up a TD, as quarterback Matt Villemure sneaked in on a two-yard run. The score had been set up by the fine running efforts of Matt McCallum, Russell Harris and Robeson.

Finally, late in the fourth quarter, Chris Seltz lofted a pass to Kevin Richardson for a six-yard touchdown. Chelsea missed the extra point again, so the final score stood at 18-0.

The Bulldogs rolled up 328 total yards, 270 of them on the ground. Coach Wayne Welton cited "good blocking from our interior line of Todd Guenther, Mike Neibauer, Frank Waller, Doug Pagliarini and Carl Pate."

Robeson had 17 carries for 133 yards, Harris carried 14 times to roll up 107 yards. Matt McCallum caught four passes for 26 yards and David Weber snagged one pass for 26 yards.

Chelsea's defense was led by Pagliarini and Weber, with 11 tackles each. Neibauer and Robeson, linebackers, each collected 10 tackles, and Steve Catel excelled with eight.

Interceptions were recorded by Catel, Harris and Neibauer, and Robeson recovered a Milan fumble.

That win set Chelsea up for an Oct. 2 humiliation of Dexter, 42-0.

The Bulldogs scored three times in the first half on the sure ball handling of quarterback Matt Villemure.

In the opening quarter, Villemure unloaded a 24-yard

throw to Weber for a TD. Russell Harris ran in for the two-point conversion.

When Chelsea next got the ball, Villemure uncorked a 28-yard spiral to Weber for the score. Harris again took in the conversion for two-points.

Just before the half, Villemure galloped 53 yards himself to bring the ball to the five-yard line. Harris then took it in for the score, and Chelsea led, 22-0, at the half.

At the top of the second half, Harris took the opening kickoff 35 yards to give the Bulldogs good field position. Villemure then hit Weber with a 39 yard bomb to give Chelsea a 28-0 lead.

Russell Harris, later in the third quarter, flew 61 yards for the score and Rod Robeson carried the ball in for two, making the score 36-0.

The Bulldogs' final TD came in the fourth quarter on a five-yard run by Richard Cobb, which had been set up by a 56-yard Robeson run.

Chelsea's offense ran and passed for an awesome 453 yards against Dexter. Harris carried 13 times for 138 yards, Robeson had 14 carries for 125 yards and Villemure ran with the ball five times for 71 yards.

Villemure completed four passes in eight attempts for 108 aerial yards and threw for three touchdowns.

Defensively, Harris led with 11 tackles. Robeson collected eight tackles, followed by Neibauer with seven and Weber and Pagliarini, with six each.

Dexter fumbles were recovered by Jim Hayden and Rod Robeson, and Villemure and Don Hayden each had one interception.

Week of Oct. 8-15

CAUCUS RACE — Democrats have now decided to use a caucus system to select National Convention delegates next year; but if the Presidential Primary is held, delegates must still vote in accordance with the percentage results for each candidate.

HOME HEATING — The legislature moved quickly last week to approve HB 4728 which continues the Home Heating Assistance tax credit program. Speed was necessary to meet the Oct. 1 deadline for printing of the 1979-year income tax forms.

NOISE RULES — The Department of Transportation will hold a public hearing next Wednesday, Oct. 18, at 9:30 a.m. in the Law Building on proposed rules for controlling noise from trucks, cars, buses and motorcycles using Michigan public roads.

JUST A REMINDER — A series of Town Hall Meetings have been scheduled in the 23rd House District so that my constituents will have an opportunity to express your concerns and views on current legislation and tell me about any problems you have with state government. REMEMBER: Thurs., Oct. 11, 1979, 7:30, Scio township, 827 N. Zeeb Rd., Ann Arbor, and 10/25/79 at Summit township, 2121 Furguson Dr., Jackson, at 7:30.

BLUE BILL — A House subcommittee worked last week to complete their action on HB 4550, which would restructure state regulation of Blue Cross/Blue Shield insurance plans. The bill sets requirements for cash reserve levels; sets goals for cost containment, availability of services and quality of services; and spells out what to do if those goals are not met.

SENIOR POWER — The Public Service Commission has again pointed out that people who are head of a household and at least 65 years old may qualify for a special senior-citizen rate from Consumers Power Co. The rate is designed to help seniors who use less electricity than the average residential customer. Applications are available at Consumers Power offices.

NEEDED JOLT — The House Corrections Committee has recommended that the state Corrections Commission continue the JOLT program which brings juvenile offenders into contact with convicts in prison situations, in order to discourage the youths from committing further crimes.

BOARD DECISION — Michigan's billboard-control program has run out of federal money but the Transportation Commission has agreed to continue the \$600,000 state allocation for removal of unlicensed highway billboards. As part of removals, signowners and landowners must be paid.

GILL NETS — The Attorney General is seeking a federal court injunction to stop all gill-net fishing in Michigan waters, including that by Indians with treaty rights, based on recent DNR evidence that continued use of gill nets will do irreparable harm to Michigan's fishery.

National Average Price of Beef Falls

A survey by the National Cattlemen's Association shows that the average national price of five cuts of beef dropped 12 cents a pound to \$2.30 since July. In May, the average price of five cuts of beef was \$2.48 per pound.

The average price in Denver fell 14 cents per pound, from \$2.10 per pound July 12 to \$1.96 per pound late last week.

Lauren Carlson, association president, said the average price of all beef is lower than the average price in the survey, because of the inclusion of three steak cuts. The five cuts of beef surveyed in 19 cities were T-bone steak, chuck roast, ground beef, round steak, and sirloin steak.

Michigan State University's orchestral training program has the only professional conductor residency program of its kind in the country.

Open House Slated at Fire Hall

Chelsea Fire Chief James Gaken has announced an Open House to be held at the fire station on W. Middle Saturday, Oct. 13 from 1 to 4 p.m.

The event is in conjunction with Fire Prevention Week, Oct. 8-13 and will feature demonstrations of equipment. Emergency Medical Technicians will also be on hand to do blood pressure checks for the public.

Julie Say, Chelsea Community Hospital Community Nutritionist, will discuss nutrition requirements of people aged 50 and over. Topics to be discussed include whether natural or health foods are more nutritious and if vegetarian diets are more healthful.

A fee of \$1.50 is charged to cover cost of the session. To register, call the Community Education Office at 475-9830.

Letters to the Editor

To the Editor:

I read Tom Hodgson's article "Sandhill Cranes Nesting in Waterloo Rec. Area" (Chelsea Standard, Oct. 4) with sorrow. "The greater sandhill crane, one of Michigan's most unusual and impressive wildlife species," he writes, "has been struggling back from near extinction with little fanfare and a minimum of help."

Sometime around Labor Day week-end, two sandhill cranes were found dead in a field on Werkner Rd., near Chelsea and the Waterloo Recreation Area. An autopsy done by the DNR at Rose Lake confirmed that the two birds had been shot to death by a .22 calibre rifle.

The senseless slaughter of these cranes in Washtenaw county has also apparently received "little fanfare." Not one word about it in the press.

May I suggest that a more appropriate title for the story of their struggle to survive might have been "Rare Sandhill Cranes Shot Near Waterloo Area."

Suzanne Coash,
Stockbridge.

To the Editor:

On March 21, 1978 the Bureau of Alcohol, Tobacco and Firearms published in the Federal Register 11 pages of new rules that would enable the Bureau to determine who owns every dealer-purchased firearm in the United States. Under the new BATF regulations local gun dealers would, four times a year, be required to surrender the name and address of each person who has legally purchased a firearm from him since 1968.

As Senator Orrin Hatch commented, "This attack on our

citizens has the potential of depriving them of their legal right to hold and bear arms." Representative John Ashbrook warned that "this is a broad sweeping plan for gun control." Apparently Robert Carr, representative from the 6th Congressional District does not agree with them for he says, "I have no objection to the regulations." Once again Robert Carr has proven he has no regard for our Constitution. The 2nd Amendment says "...the right of the people to keep and bear arms shall not be infringed."

As we all know, before a government can become totally oppressive, as Stalin in Russia and Mao in China, they have to disarm the citizens. Only the people who have the means to defend themselves are completely free.

Luckily, in spite of Robert Carr, there was such a hue and cry from aroused citizens who want to keep their guns for protection and sport, that the regulations at this time have not been enforced.

It's time all of us in the 6th District let Robert Carr know that we are against gun control in any form.

Sincerely,
Russell Wolff,
Manchester.

18 School Enrollment Officially Set at 2,564

Contrary to figures reported in The Standard last week, the official fourth Friday count in Chelsea schools has been set at 2,564 students, not 2,558 as indicated last week.

The number reflects a membership loss of 40 students over last year's count. In Chelsea schools, there are 1,000 students in K-5; 621 students in grades 6, 7 and 8; 906 students in grades 9 through 12; and 37 full-time equivalent basic adult education students.

An enrollment of 2,550 had been projected by the Chelsea School District administration, but the actual count puts the number of students 14 above the prediction of officials.

Figuring increased revenue, however, is not as simple as multiplying the number of additional students by the set figure of \$1,500 per student.

With state aid and tax adjustments, the gross additional revenue will be increased by \$21,938 because of the number of students over the original projec-

tion. However, the budget was \$5,574 from being balanced and the district will lose approximately \$9,000 in declining enrollment calculations.

These factors plus \$14,574 of additional expenses because of the increased enrollment will leave the district with approximately \$7,384 in additional projected income.

HOW FAR IS TOO FAR?

You've gone too far by far when you drive all the way into Detroit looking for a new car bargain. Too far is taking all day for service when a few hours is all it should take. Too far is having to stop to eat lunch when you're shopping for a used car. Too far is driving to Detroit when you could go to Rampy Chevrolet in Ann Arbor.

Somehow a lot of people have gotten the idea that just because they make cars in Detroit, it's the best place to buy one. Not so.

Rampy has always been competitive in pricing both his new and used cars. That's how he got to be the biggest dealership in Washtenaw County. And at Rampy, the sale is only the beginning of a mutually satisfactory relationship. Service is a big part of his business. At Rampy, service is second to none. Rampy has hired top professionals and given them the best possible equipment to both diagnose and fix your car's problems expertly and efficiently.

How far is too far? The distance it takes to go anywhere but Rampy Chevrolet.

Rampy doesn't just sell cars,
he sells service.

Psychology Award

DREW SPRAGUE

The psychology class at Chelsea High school, taught by Paul Terpstra, has elected to once again present a monthly psychology award to a student in the class. Class members vote on the selection, so the winner is chosen by his or her peers. The recipient is chosen on the basis of class participation, interest in the subject and over-all class interest. Scholastic achievement in psychology is also considered. Purpose of the award is to provide positive reinforcement for the students' participation. Recipient of the award this month is Drew Sprague, a senior. He was chosen by the class because of his interest in the subject, his attitude in class, contributions to class discussions and excellent grades in the course.

Drew is the son of James F. and Marian Sprague. He truly enjoys the class, but says that you can extract from the class only what you are able to put into it. Said Drew, "A student who doesn't care will not benefit from this course."

Sprague is a member of the Chelsea Band, the Band-Orchestra Stage Band and debate team, and also participates in baseball.

Children Offered Improvisation Day By Theatre Group

This fall, the Traveling Smiles Story Theatre at the Black Sheep Repertory introduces a new concept in performing with children—improvisation days. On these days the performers and audience will explore the world of building stories from scratch. The first of these special days is Saturday, Oct. 13, at 11 a.m. and 2 p.m. in Manchester.

Children should bring with them ideas for characters, places and situations they would like to make up stories about. They may even wish to bring existing stories they would like to bring to life, perhaps with a new outlook.

On improvisation day, everybody will become actors, writers and directors of story theatre.

For further information, phone 428-9287.

Hoffman's Work Cited By Historical Society

Chelsea Area Historical Society held its September meeting at McKune Memorial Library Monday, Oct. 8, with 20 members in attendance.

During the business meeting, Membership Chairman Hazel Dittmar reported that Sally Rendell, Mrs. George Coasch, Mrs. William Storey and Mrs. Allen Brosamle had joined as members, and that Ann Bumpus became a life member.

Britton Graham was appointed to replace Katie Chapman on the Chelsea Historical Commission. Programs for the coming months were discussed.

A resolution was passed and recorded in memory of Paul Hoffman for his work in the society. The text reads as follows:

Whereas, Paul N. Hoffman, who resided at 301 Lincoln St., in the Village of Chelsea, had been a member of the Chelsea Area Historical Society since its founding, and

Whereas he was an active historian of the Chelsea area for

many years prior to his membership in the society, devoting untold hours researching the history of homes and buildings in the area, and

Whereas he has transcribed his voluminous findings and illuminated them with photographs of the subjects he researched, and

Whereas his work will have lasting results and is a permanent addition to the history of the area,

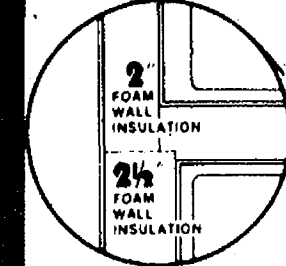

Now therefore the Chelsea Area Historical Society at its meeting on Oct. 8, 1979 does hereby memorialize him and honor his contributions, and further hereby records its loss at his passing March 16, 1979, and does herein and hereby extend its sympathy to his survivors.

Next meeting of the society will be Nov. 12. Mrs. Lawrence Ziegler of Washtenaw Historical Society will speak on "Revolutionary Soldiers Buried in this Area."

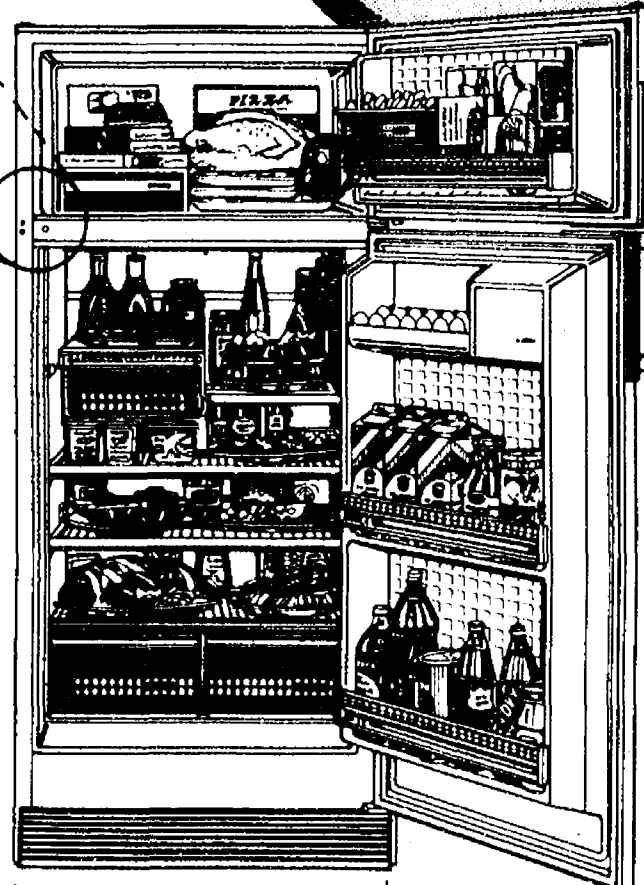

Refreshments were served by Angie Smith and Sally Nicola.

Gridders of the Week

ONCE AGAIN a terrific effort by Chelsea's varsity gridgers has produced a group, rather than a pair, of gridiron standouts. Jim Cobb, right, short-side defensive cornerback for the Bulldogs, was extremely effective in shutting down Dexter's passing game. Coach Gene LaFave pointed to the 5'8" senior as a tenacious tackler, who downs the enemy runner just when he seems about to go all the way for a score. Junior Bill Freeman, left, was a key factor in Chelsea's 48-24 victory, scoring two touchdowns on short, tricky yardage and setting up the Bulldogs' first TD with a 55-yard run. Center Eric Headrick's, middle, contributions to the squad often go unnoticed because center isn't a

traditional football glamour position. Coach LaFave points out, however, that the clean snaps executed by the 5'10" junior, together with his diligence in taking the opposing noseguard out of the play, add up to a valuable player. Also putting in fine performances are repeat gridgers of the week quarterback John Dunn and offensive lineman John LaBarbara. Dunn had 11 completions in 17 pass attempts against Dexter and threw for 220 yards. Coach LaFave calls LaBarbara "as good an offensive lineman as there is in the league." The 5'8" senior's quickness and strength make him a factor in every Bulldog contest.

Real Estate

By PAUL FRISINGER

REAL ESTATE INSTALLMENT SALE

It is quite common, and in some cases even necessary, for the seller of real estate to finance the deal on his own. If it results in a substantial gain, serious consideration should be given to qualifying the transaction for the installment method of reporting the gain.

Generally, a gain is reportable for tax purposes in the year of the sale. If the seller has accepted notes or other obligations of the buyer, payment of income taxes could be a considerable financial burden since the seller has not yet collected the cash from the sale. To overcome this dilemma, a properly structured transaction could qualify for the installment method whereby the

seller would report the gain proportionately in those years in which he collects the cash from the buyer.

In addition to receiving cash in the year tax payments are due, the seller also benefits by deferring the taxes. To qualify for the installment method of reporting the gain, the seller must not receive more than 30% of the selling price in the year of the sale.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2821. We're here to help!

The Bible-The Light from Heaven

Speaks about Abraham the friend of God. The only person to have received this title. (James 2:23; 2 Chronicles 20:7; Isaiah 41:8). It is good for us to note some of his qualities. He believed God. (James 2:23; Hebrews 11:8, 9, 17). Faith is a part of the plan of salvation. (Hebrews 11:6); but it is not the whole of it, because man can believe and be lost. (John 12:42, 43; James 2:17-26). Abraham obeyed God. When told to get into another country, he went. (Hebrews 11:8). When commanded to offer Isaac, he did. (Hebrews 11:17). The obedience of faith is clearly set forth in Hebrews 11 - the faith chapter. Abraham had a deep concern for the lost. (Genesis 18:16-33). We too should have a concern for lost souls. The soul is most important. (Matthew 16:26). God doesn't want any to perish. (2 Peter 3:9). There are no half and half friends with God. (Matthew 6:24; 12:30; James 4:4). We also can be friends with God and Christ. (John 15:14).

Announcing

Modernization & Expansion of

DRIVE-UP WINDOW SERVICES

Chelsea State Bank is pleased to announce the expansion of the Drive-Up Window facilities at the Main Office from the current two windows to four windows, each with a separate lane. This improvement, together with the new Branch Office of this bank, presently under construction at the corner of S. Main St. and Old US-12, will increase our ability to serve our customers with greater speed and efficiency.

During the construction period the Drive-Up Window service will be limited to one window. This inconvenience should not last more than a few weeks, and during this time more tellers will be on duty in the lobby.

We appreciate your patience and co-operation during this construction period.

Your Auto-Owners agent wants you to get the policy that's right for you.

Even if it isn't from Auto-Owners

When you go to an insurance agent who represents only one company, he only has one company's policies to offer you. But an independent agent represents several companies. So if one company's insurance isn't right in price or coverage he'll tell you. He knows another one of his companies is. But the one-company agent? Do you think he'd tell you? So talk to your independent Auto-Owners agent. There's no telling how much he can help you.

Auto-Owners Insurance

Cagers Squeak Past Saline, 60-58

(Continued from page one) third-quarter points to cut the lead to 12, 49-37. With eight minutes to go, however, and Saline in foul trouble, it seemed as though the Bulldogs were in control.

That illusion disappeared at the tail end of the final quarter, though, when Ringe went to the floor with a knee injury. With Ringe on her way to the hospital for x-rays and a 10-point lead, the Bulldogs went out, determined to secure their fifth season win.

Before that happened, the Hornets pulled within one point of the Bulldogs, 59-58, with just

seven seconds left. A free throw by Push at the two-second mark provided the final two-point margin.

Push ended the evening with 24 points, 10 rebounds and six steals. Ringe had 16 points and two steals in her three quarters of play.

Junior center Mary Boylan scored all seven of her points and hauled down most of her 10 rebounds in the second half when they were badly needed. Lorrie Vandegrift and Amy Unterbrink came off the bench with important contributions of five and four points and six and 12 rebounds, respectively.

Next contest for the fired-up cagers will be Thursday, Oct. 11 at Lincoln.

A grand prize of \$25 was awarded to Joe Merkel, a 7th grader, who sold \$432 worth of candy, or 864 candy bars.

In the sixth grade, the band prize was won by Kevin Wengren. Tops among the string players was Katrina Heaton.

For seventh graders, string player Marie Bulick took top honors, while Forest Geesey was high seller for the band.

Lori Heller was top seller for

the eighth grade band, and Hallie Schmidt sold the most candy among the strings.

At the high school, Symphony Band member Will Rosentreter was tops in sales. A three-way tie developed among eager Symphony Orchestra members, and \$5 prizes were given to Susan Cobb, Margie Peterson and Sherry Weber.

Finally, the 9th grade band winner was Jean Folsom.

To date, the youthful salespeople have turned in \$8,555.62, 50 percent of which is profit and will help send the Symphony Band to the Mexican Festival in May.

Ride-A-Thon Will Benefit Retarded

A horseback ride-a-thon, sponsored by the Washtenaw County Horseback Riding for the Handicapped organization and the Michigan Lung Association for the benefit of retarded children, will be held Sunday, Oct. 21 at noon in the Village of Whitmore Lake.

Riders will assemble in the parking lot of St. Patrick's church, 5731 Whitmore Lake Rd., and ride a 10-mile course, rain or shine, to raise the funds.

Riders must obtain pledge sheets in order to be able to ride in the event. Handicapped persons wishing to participate may accept pledges and ride the course in a horse-drawn wagon.

More information on pledge sheets and volunteering to assist may be obtained from the following: Mary Robinson, 429-9639; Judy Green, 665-3038; Michael Hermetz, 437-8185; or Jim and Pat Love, 426-4370. The 4-H is also supporting the event and information may be obtained from that office, 973-9510.

Nazarene Church Ground-Breaking Slated Sunday

A happy occasion for the congregation of the Southwest Church of the Nazarene will take place Sunday, Oct. 14, as all will gather in Gregory to break ground for a new church.

Church members had been meeting in the Unadilla Township Hall, but when that building burned to the ground last month, the congregation lost their "church."

Guest at the 3:30 p.m. Sunday ceremonies will be Dr. Donald Gibson, Eastern District Superintendent.

Temporary quarters for church services until the new building is ready will be Gregory Elementary school on Orlando St.

William Delhey Named to NDAA Board of Directors

Effective immediately Delhey will represent Michigan's 83 prosecuting attorneys as a member of the Board of Directors of the national association. NDAA maintains national offices in Chicago and provides services to more than 7,000 prosecutors throughout the United States.

Delhey served as president of the Michigan association in 1971-72 and is currently chairman of the state Prosecuting Attorneys Co-ordinating Council. The council, composed of Delhey, Attorney General Frank J. Kelley and three other prosecuting attorneys, oversees all state-financed services to Michigan prosecuting attorneys.

Bulldogs Down Dexter

(Continued from page one)

Bulldogs scored halfway through the quarter on a 33 yard pass from Dunn to Dils and a nine-yard throw from Dunn to Killelea. Both extra point attempts were foiled, but Chelsea had the contest, 48-24.

Dunn played a superb game, completing 11 of 17 passes for 220 yards. John Preston carried 22 times for 140 yards. Jeff Dils caught four passes for 117 yards. Killelea snagged four for 46 yards and Knickerbocker reeled in three throws for 57 yards.

Chelsea's offense ran and passed for 475 total yards, compared to Dexter's 235 (149 rushing, 86 passing).

A pleased Coach Gene LaFave

said simply, "We came to play." Chelsea is preparing for homecoming this Friday when they will meet with powerful Saline. The Hornets are 5-0 this season, 3-0 in the SEC, and will provide a stiff challenge for Chelsea's ever-improving squad.

Vietnam Era veterans have been the greatest participants in GI Bill training with 65 percent of those eligible having taken some form of training, compared with 50.5 percent and 43.4 percent, respectively, for World War II and Korean Conflict veterans.

Special Olympics Soccer Team Wins Division Title

Area Special Olympics Soccer players returned home victorious from the State Soccer Tournament in Grayling, Oct. 5-7, after taking the Division I Gold Medal.

The tournament was hosted by Roscommon County Special Olympics. Teams had already competed in county competition at High Point Center on Sept. 18.

Two teams and five skills participants left Chelsea Friday, Oct. 5 under the direction of Nancy Cooper, Judy Bottum, Doug Cooper, Kyle Hollis, Ron Young, Mitchell Heard, Arlene Schreiman and Linda Durgon.

Local upper division team was called the Washtenaw Peles and consisted of nine Chelsea students, four High Point students and two students from Dexter.

Representing Chelsea were Terry Walkowe as goalie, Ryan Sweeney, Glen Passow, Tracey Harvey, Tim Black, Dennis Czechowski, Clarence Weiss and Terrence Verge. From High Point were John Taylor, Rick Creviston, Rick David and Jeff Hoover. Representing Dexter were Karl Pauley and Paul Klapperich.

The Peles played the Roscommon COOR Cowboys first and defeated them, 3-1, with goals scored by John Taylor, Glenn Passow and Terrence Verge. Excellent goal tending was displayed by Terry Walkowe.

Final game of the tournament was played against the Area 19 Monroe county team. The Peles soundly trounced their opposition, 10-0, on goals by Tracey Harvey, Terrence Verge and John Taylor.

An amazing seven goals were

scored in the contest by Dennis Czechowski, earning most valuable player honors on the team with his aggressive play.

Division Two team from this area was called the Washtenaw Stompers and consisted of Chelsea students Lori Brown, Mike Foster, Rodney Liggett, Kenny Capazolli, Lenny Warner, Albert Bedard and Dawn Stancato. Playing for High Point were Kim Westwood, Jimmy Shreve, Tom Cannon and Gordon McArthur. Dexter players were goalie Ray Stillion, David Cole and Theresa Calcut.

The Stompers first played Flint and were defeated, 6-0. They proceeded into the losers' bracket and came up with a third place bronze by besting Grand Rapids Lincoln, 8-3. Three goals were

scored by Lori Brown, one by Dawn Stancato, one by Jimmy Shreve, two by Rodney Liggett and one by Lenny Warner.

Skills participants were Linda Alber, Theresa Murphy, Kenny Merriman and John Karnopp. Linda placed fourth, Theresa first, Kenny second and John third.

In addition to soccer, the 32 athletes and their eight chaperones also enjoyed a trip to the Bear Museum, a dance and a pizza party.

Donations from the Chelsea Knights of Columbus, Chelsea Lions, Trinkle Barn Dance Committee and Chrysler Proving Grounds employees paid for motel accommodations, uniforms and transportation for the winning athletes.

Cross Country Team Wins Over Dexter

Chelsea's cross country team continued a see-saw season last week, as they won a meet and gave a good showing at the Manchester Invitational.

Thursday, Oct. 4, the local harriers traveled to Dexter and came out on the winning end of a 25-32 score.

Leading the way for the Bulldogs was senior Mark Beyer in second place at 17:12. Other placers were Jeff Bradley, 4th, 17:47; Bob Schleede, 5th, 17:52; Bob Benedict, 6th, 18:22; Steve Kvarnberg, 8th, 18:44; and Brent Martin, 9th, 18:50.

"We looked a little better against Dexter," said Coach Pat

Clarke, "and, hopefully, we'll look even better Saturday at the Manchester Invitational."

Better was exactly the word for the team's performance that day as eight runners earned medals at the Manchester meet.

Mark Beyer placed 14th in the senior run with a lifetime best time of 16:25. Jeff Bradley was 12th in the junior run with a 16:56 time.

In the sophomore run, Bob Benedict was 5th at 16:59 and Bob Schleede was 7th at 17:06.

VFW Members Attend 6th District Banquet

Members of Chelsea VFW Post No. 4076 were among many from the state of Michigan attending the past presidents' and past commanders' banquet at Petersburg Post No. 6509 Saturday, Oct. 6.

Attending from Chelsea were Post Commander Gary Erskine and immediate past 6th district commander, Mac Packard, and their wives.

The annual dinner is given to honor all past commanders and presidents from the VFW 6th district. Recognition is given each one, and the "has beens" can renew old acquaintances and make new ones.

Packard was presented with

his life member pin as past district commander.

Speaker for the evening was Mrs. Mildred Sebrill from No. 701 Lansing and junior vice-president of the state of Michigan. Her topic was "The Cross of Malta," dating back to the 11th century. The founders of the VFW used this insignia as their emblem.

Dalton Seegert of Clinton, the 6th district commander, and Mrs. Marian Albright of Hamburg, 6th district president, were master and mistress of ceremonies.

The Petersburg Post and Auxiliary were co-sponsors of the event, attended by 100 persons. A dance followed the banquet program.

Beauty Salon Week Benefit Events Slated

The very young and the very old will benefit from the efforts of local hairdressers during National Beauty Salon Week to be held in Washtenaw county Oct. 7-13. Local establishments participating include Touch of Class, Ricardo's, Foxy Lady and Norma's Beauty Shop.

Steve Rodgers, chairman of the event, is proud of the participation of shops in many community events planned.

"We have cut-a-thons organized in local beauty academies on Oct. 7 and 11," he said, "and there will be canisters in every beauty salon to collect funds for our special project. It takes many operators to fully staff these places.

Money raised will be used to purchase a portable incubator for Mott Children's Hospital at the University of Michigan. Such a life support is needed to transport critically ill or premature infants to Ann Arbor.

The Holden Intensive Center at Mott is the regional center for the care of infants experiencing difficulty at birth. Holden Transport

Team is a group of highly trained professionals who, at a moment's notice, can respond to a call from any hospital within a 100-mile radius where an infant is in trouble. The transport incubator is a part of the sophisticated equipment used as the life support system during the ambulance trip.

Another activity during the week-long celebration is the Convalescent Home Brigade, which will donate time to Whitmore Lake Convalescent Center, Parkview in Ypsilanti Whitehouse Convalescent Home of Ann Arbor, and Saline Convalescent Home to do hair styles for shut-ins.

On Oct. 10, officers of the Washtenaw affiliate of the Michigan Cosmetology Association will participate in a Career Day for the Handicapped, explaining the many opportunities in their profession for the disabled.

More information is available from the local hairdressing establishments.
