## Frosh Grid Team Rallies To Win Title

A fired-up, well-oiled Chelsea football team went out and brought the SEC freshman crown back to Chelsea for first time in more years than Coach Wayne Welton can remember, as the Bulldogs trounced Ypsilanti Lincoln Tuesday night, 42-14.

That crown nearly slipped from the Bulldogs' heads before the evening was through, as the Railsplitters led at the end of the first quarter of play.

Chelsea went out for a score on three plays into the game as Russell Harris galloped 45 yards for a TD. The extra-point attempt was no good, which allowed Lincoln to go ahead on a subsequent touchdown and two-point conversion, 8-6.

The Railsplitters went for another score in the opening quarter and had Chelsea on the ropes, 14-6, going into the second stanza.

Bulldog tenacity brought Chelsea right back, however, and the next quarter saw Rod Robeson go for 35 yards and Matt McCallum snag a 41-yard Matt Villeneuve pass to set up Harris' two-yard touchdown plunge. Again, the conversion attempt was in vain, and Chelsea trailed, 14-12.

Doug Pagliarini, later in the quarter, blocked a Lincoln punt

to begin a sustained Chelsea drive which culminated in Villeneuve squeaking the ball over the goal line for six points. This time the conversion attempt was successful, and the Bulldogs went to the locker room with a 20-14 lead.

Coach Wayne Welton pointed to the third quarter as the key to the Chelsea victory. The Bulldogs controlled the ball for a full seven and one-half minutes, capping the series with a five-yard Robeson run that brought the score to 26-14 in favor of Chelsea.

The Bulldog defense came alive after that score, and Coach Welton said that Chelsea was able to decisively stop Lincoln for the first time. As soon as he got his hands on the ball again, Harris flew 43 yards into the end zone. Robeson took in the extra point and Chelsea now dominated the game, 34-14.

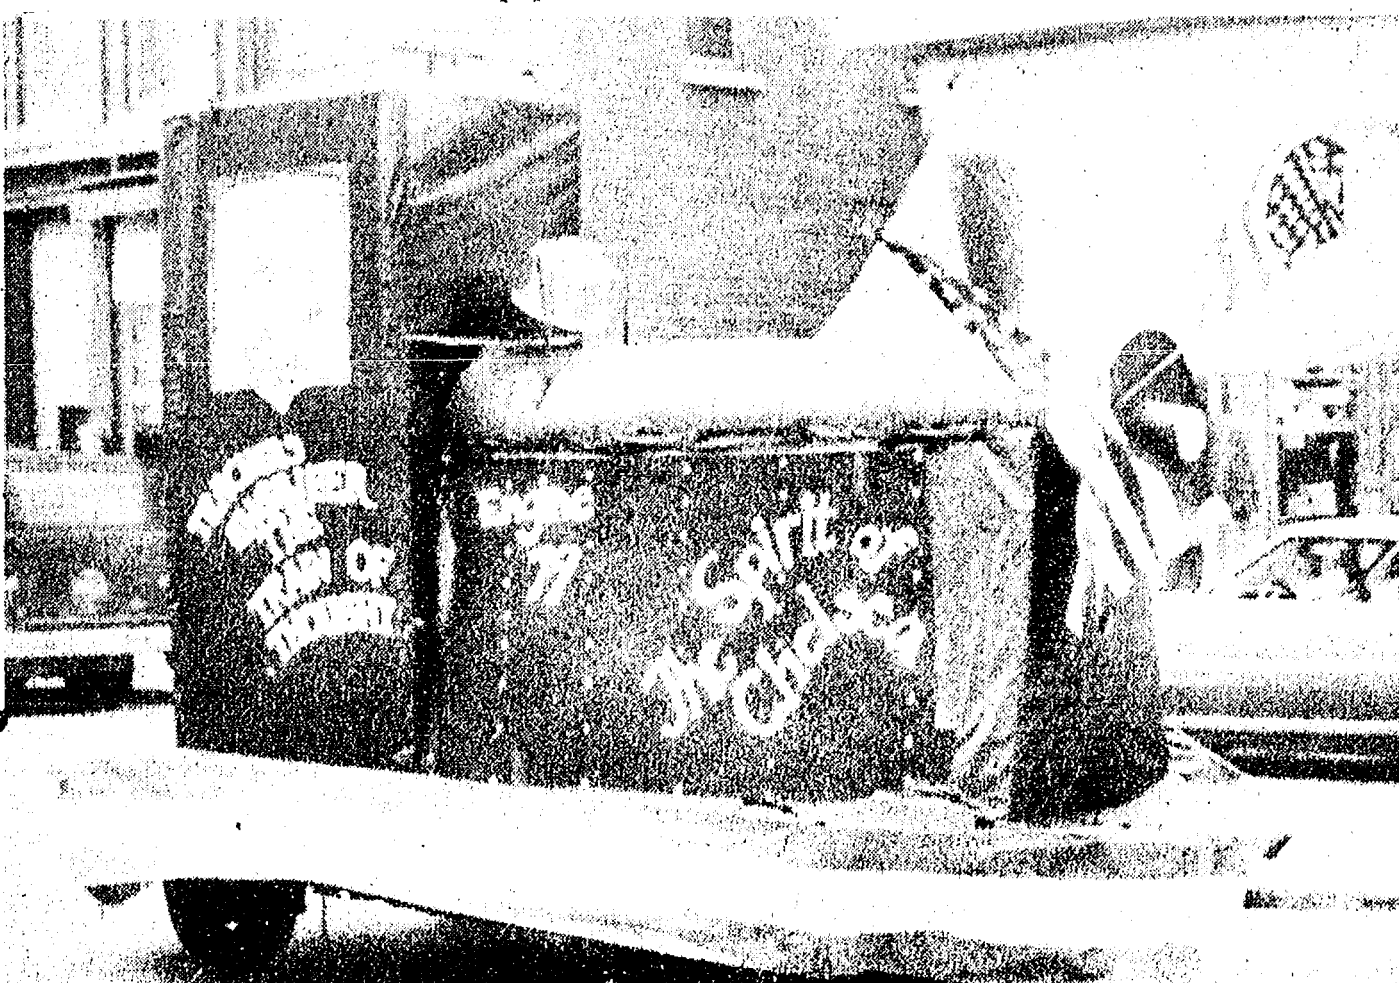

An additional touchdown was garnered by the home crew at the very beginning of the fourth quarter, on what Welton called "a perfect play." Villeneuve threw 80 yards to Dave Weber on a "really well-run pattern" to give the Bulldogs their margin of victory, capped by Harris' three-yard conversion run.

## Gridders Pull Near Upset Over Saline

Chelsea's Bulldog footballers warmed the hearts (if not the feet) of a frozen crowd briefly Friday night, taking the lead against mighty Saline late in the third quarter of their homecoming game. The Hornets, however, returned with just one more score to steal the contest, 36-29.

A late third-quarter TD on an 11-yard John Dunn run, followed by Brad Knickerbocker's extra-point kick, gave the Bulldogs a skin-of-the-teeth lead, 29-28, but Saline managed one more score in the final quarter and remained undefeated in the 1979 season.

Saline jumped out to an early lead on a two-yard run followed by a successful extra-point kick. The partisan Chelsea crowd loudly disputed some officials' calls that led to the scoring, but Saline had an undisputed seven points on the scoreboard early in the first quarter.

Chelsea came back to within one point of the opposition when Dils caught a 10-yard Dunn pass and carried the ball in for six points. The two-point pass attempt failed.

In the second quarter, Saline forged ahead with 14 points in succession, on a two-yard sneak and a 69-yard sideline gallop. Conversion kicks were both good and Saline led, 21-6.

The Bulldogs refused to lie down and play dead, however, and they stormed back with eight points, as Dunn hit Brad Knickerbocker with a 10-yard pass, followed by a two-point conversion toss to Dils. At the half, Chelsea was down just one TD, 21-14.

As fans streamed to the parking lot after the half-time show, victims of the bitter cold, many remaining diehards missed the next Saline score, hardly more than a minute into the half.

The Chelsea defense shut the Hornets out for the rest of the quarter, however, and the offense moved into gear. Dils was hit by a 35-yard Dunn bomb in the middle of the quarter, followed by a two-point conversion by the Dunn-Dils team.

Just seconds before the end of the quarter, Dunn scrambled 11-yards for the TD that put the Bulldogs momentarily on top, 29-28.

The undefeated Hornets, however, grabbed an opportunity in the final quarter and took in a four-yard run for the score, followed by an extra-point kick, to spoil Chelsea's homecoming, 36-29.

"Our kids played hard," said Coach Gene LaFave of the Bulldog performance. "They gave a full effort, but there's a few plays we'd like to have back."

LaFave had praise for the team, and their tenacity in going after the Hornets. "Our defensive backfield performed very well, our defensive line performed reasonably well," he said. "The offensive line was very, very good. Dunn wasn't rushed much all evening and he had plenty of time to throw."

That protection is evident from the game statistics. Dunn completed 13 passes in 32 attempts for a total of 216 yards in the air. (Continued on page four.)

## Police Nab B&E Suspect at Work

Acting on an anonymous tip, Chelsea police foiled a breaking and entry in progress at the Union 76 station, 501 S. Main St., about 1:45 a.m. Saturday, Oct. 13.

Police reports indicate that Chelsea officers proceeded to the station after an anonymous telephone call informed them that a robbery was taking place there. Officers found a broken picture window when they arrived, but searched the premises and found no one. They noted that the lights were on.

Driving by about 20 minutes later, police observed that the lights were out and that another window had been broken.

Inside the office, police reported that a desk drawer had been pulled out, and that a faint rustling noise could be heard from the vicinity of the ceiling. Officers checked the roof of the building, but upon reentering the office, observed a "portion of a

person" sticking out from behind a ventilation duct.

Meanwhile, a second man had appeared on the scene and began to taunt police and create a loud disturbance. As officers arrested the man found inside the station, the second man broke out another window in the building and continued to hurl abuse at police. He fled on foot as police approached him, and was later picked up by Washtenaw County Sheriff's deputies and charged with obstructing a police officer. Police are unsure of his connections, if any, to the breaking and entering.

The man apprehended by Chelsea police, a 19-year-old village resident, was charged with breaking and entering.

Both men were transported to the Washtenaw County Jail. Chelsea Police would not release their names pending arraignment.

## Police Nab Escapee in Robbery

Chelsea police this week apprehended a Cassidy Lake Technical School escapee in the act of robbing Tower Shell service station, 1630 S. Main St.

On routine patrol early the morning of Oct. 15, an officer surprised John Lee, 17, in the act of taking candy, gum, cigarettes and about \$12 in change from the office of the station, police reports said.

Lee had broken a 3'x2' window to gain entry to the building, police said, and surrendered to the Chelsea officer without hesitation.

Lee was taken to the Washtenaw County Jail and later was transferred to Jackson State Prison.

## Golf Team Places 2nd In League

Chelsea High school golfers finished second in the SEC this year, after a strong showing in the SEC league meet held at the Tecumseh Country Club last Monday.

Chelsea's linksters took second place in that meet with 354 points, behind Milan's 330 point winning effort.

Doug Bowen was Chelsea's outstanding performer in the meet, shooting a 78 which captured the low medalist medal.

Other Chelsea scorers were Mark Barnes, 91; Steve Wolak, 92; and John Welton, 93.

Final league standings show Milan on top with 27 points; Chelsea next with 21 points; Saline, 3rd, 19 points; Jackson County Western, 4th, 15 points; Dexter, 5th, 8 points; and Lincoln, 6th, 0 points.

The Bulldogs had briefly been in a tie with Milan for first place at an Oct. 4 meet in which they tied the Big Reds.

Chelsea had ended the dual portion of their season tied for second. (Continued on page five.)

FRESHMAN LYNETTE MEPYANS was elected 1979-80 Homecoming Queen by Chelsea High school students last week in school-wide voting. Lynette was surprised with her crown at half-time of Friday's varsity football game with Saline. Besides being extremely active in cheerleading, Lynette is also interested in playing softball for Chelsea. She is the daughter of Silas and Sharon Hopkins.

## Swin Club Wins Over Willow Run

Last Monday evening the Chelsea Aquatic Club took its 1-0 record on the road to Willow Run to swim against the Willow Run Flyer Swim Club. By the end of the meet, the Chelsea team had increased its league record to 2-0, beating the opposition, 313-208.

The eight and under category, which for Chelsea includes some four-year-old youngsters, had the following boys and girls notching first place finishes:

## Open House Set By VFW Post

Local VFW Post No. 4076 will be holding an open house at their post, 105 N. Main St., Chelsea, beginning at 7:30 p.m. Wednesday, Oct. 24.

The event was planned in conjunction with the proclamation that October is VFW month in all states of the union. The purpose is to let the public know the workings and aims of the veteran's organization.

On the local level, the post and auxiliary were instituted in April and July 1945, with Charles Ritter and Magdalen Weber as the first commander and president, respectively.

The groups are involved with community service, VA Hospital volunteer work, National Home for Children in Eaton Rapids, safety programs, Voice of Democracy program in schools and placing flags on Main St. on holidays and for parades.

Other projects include presenting American flags to schools and organizations, cancer aid and research, Buddy Poppy sales, drug abuse and environmental programs and parade units.

On the state level, Post No. 4076 is in the 6th District, along with 30

other posts. There are 14 districts in the state and the 59th annual state convention was held in Kalamazoo this year.

At the national level, the 80th national convention was held in New Orleans in August.

At that convention, the national organization felt it was time to become involved in politics. A Political Action Committee was instituted, to be funded solely from donations.

All men and women are invited to attend the open house. Food, drinks and entertainment will be provided along with explanations of the workings of the VFW and Auxiliary. Goals on the local and national levels will also be discussed.

The post currently has 143 members, with 55 of them members for life. The auxiliary currently has 93 members.

Four Vietnam veterans have served the local post as commander, including this year's commander, Gary Erskine. Current Auxiliary president is Lucy Platt.

A display of post items is in Dancer's window this week. (Continued on page three.)

ART STOLL, a director of Chelsea United Way, and a hard-working volunteer, pauses beside newly erected campaign thermometer in front of the post office. Stoll rebuilt the sign structure this year with specially treated woods so that it will last for many Chelsea United Way campaigns in the future.

HAPPY COOKS: About 1,500 chickens were set on these pits at the Chelsea Fairgrounds Sunday and sold by the Chelsea Jaycees to hungry customers out enjoying the pleasant weather. Cooking and serving up a storm were Jaycees, left to right, Morgan Rowe, co-chairman Jim

Ross, Ted Lewis, co-chairman Bob Smith, unidentified guest, Charlie Sprawka, Dan Bleske, Ty Larson, and, at far right, Dave Rowe. Cook Tim Ortrig was so busy keeping the chicken coming he missed the picture.

### Essential Insurance Bill Nearing Reality

Following months of haggling among legislators, consumer groups and insurers, a final agreement has been reached which may finally bring reality to the so-called essential insurance act.

The legislation basically would prohibit insurance redlining—disqualifying of increasing rates for coverage depending upon where the applicant resides—and guarantee coverage at a fair and equitable rate under the state's automobile no-fault insurance act.

During the summer recess, an ad hoc committee hammered out differences between the House and Senate over rating territories.

Under the agreement, auto insurers are given explicit criteria for making insurance available. It further requires companies to tell consumers what factors were used in setting rates while limiting the variance in rates in adjacent areas and across the state for each company.

The Senate version would have eliminated rating territories entirely which would have resulted in averaging insurance

premiums state-wide, regardless of where the person lives.

The House version would have allowed the state to be divided in no more than 20 rating territories with the highest rate in the state no greater than twice the lowest rate and rates in adjacent territories differing no more than 10 percent.

The agreement still allows only 20 rating territories and retains the 10 percent variance standard, but permits the high rate to be 2.22 times the low rate.

While companies could still base rates on age, they could not vary rates due to marital status, sex or handicap.

The standards of the legislation require insurance companies to write policies for all drivers unless they have bad driving records, were substantially at fault in an accident, have safe vehicles and have not been convicted of serious violations.

Driving records are rated by a penalty point system similar to that used by the secretary of state, although different point values are used and energy points (exceeding the 55 mph limit) are used.

For the first two years of the legislation, insurance would be

guaranteed to drivers with no more than six points, and thereafter, to drivers with no more than seven points. Points are to be accumulated over a three-year period.

An appeal procedure would be established for drivers who are denied insurance coverage, based on the above point and/or accident standards. Drivers legitimately denied insurance would still be placed in the assigned risk pool.

Last year the state Supreme Court upheld the no-fault insurance law, but said both availability and rates must comply with due process requirements.

The homeowners insurance provisions of the bill also limit rating territories in the voluntary market to three in an effort to eliminate insurance redlining in central cities.

Separate territory provisions apply in the residual pool, which has been used for high-risk coverages and where attempts have failed to make each territory no smaller than a county.

The agreement of the ad hoc committee will be placed in the legislation by a Senate-House committee which would not be subject to amendment after a final agreement is reached.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellers at the country store was setting around Saturday night giving one another the benefits of their doubts and Bug Hookum said he was worried about all the Government agencies that worry about him. Bug had saw this piece on "The Future of Regulation," and he said the professor that wrote it was of a mind that the bureaucrats are killing us with kindness.

Bug allowed he couldn't go with the professor all the way. He said he left him about where he blamed the ban on DDT and most of the other bug killers for this summer's grasshopper and locust invasions. Bug was full agreed with the feller, though, that in too many cases the Government cure is worse than the disease. For instance, Bug said, one agency said children's bed clothes had to be fire proof and another agency found out that the best stuff the pajama makers could find to treat the fabric with causes cancer. As for Government regulation in farming, Bug said, you mention one program and you can think of four programs dreamed up to git us out of the first program.

Ed Doolittle, that had wanted to give his thinking on a strike for higher wages and better working conditions by nude models, didn't take kindly to Bug's topic of the evening. Ed said he ain't heard much from OSHA lately and he's content to let sleeping dogs lie. But Zeke Grubb took some interest in what Bug was talking about.

Actual, declared Zeke, all the Government has got to do to give all of us a fighting chance agin is to go back to the old kind of medicine bottles that everybody could git the cap off of. Zeke had read this piece by three doctors that said the Poison Prevention Packaging Act was a threat to old folks. These new type caps that have written directions on them

like "Pull up and turn" are to keep children that can't read from getting into the medicine. But what are we to do, Zeke ask, about old, sick people that can't see a lick without glasses they can't find. They need to take their medicine, but they don't know the combination. One woman reported that her arthritis was so bad she couldn't push down and turn, so she give the bottle to her four-year-old granddaughter that opened it with no trouble and no instructions.

Final, Mister Editor, Ed worked his way back into the discussion. He said we got to improvise, like them nude models in Boston. We can put our pills in regular top bottles and hide them in places the children would never think to look, like behind the lawnmower in the garage. But them models need help. They say winter's coming on, and them stools in them art studios not only are dirty, they're cold. And the pay ain't all that good. Ed said \$5 a hour to do nothing ain't bad, but these models that are planning to picket a Boston art school in November in their working outfits have got bigger problems. They're going to have to deal with another regulating agency, mamas that won't let em out of the house without their mittens and mufflers.

Yours truly,

Uncle Lew.

**BULLDOG DOLDRUMS:** It's difficult to tell whether Chelsea mascot Pugsley is smiling or frowning here, this familiar, saggy droop being his customary expression. Take our word for it, however, last Friday it was a rueful sigh at his

namesakes' loss, 36-29, to Saline. Pugsley didn't have to hear the final, sad whistle, however, as his chilled countenance failed to reappear after half-time.

## Special Ed. Teacher Runs In Free Press Marathon

The autumn wind was bitter cold, but the sun smiled on Nancy Cooper Sunday morning as she ran 26 miles, 385 yards through Detroit and Windsor to raise \$2,692.01 for Special Olympics.

Cooper and friends traveled to the Motor City to take part in the Detroit Free Press International

Marathon. Marathoners began in Windsor's Jackson Park and ran through the tunnel to Detroit, dashed through Greektown to Grosse Pointe Farms and then back to the Belle Isle casino for the finish.

Many area individuals and organizations pledged donations

to Special Olympics, which is a volunteer sports program for mentally handicapped adults and children. More than 900 residents of Washtenaw and Livingston counties participate in the area council, of which Cooper is director.

Assisting Nancy in the exhausting run was her husband, Doug, who ran the last 13 miles with her for moral support. Another Chelsea High school teacher, Judy Bottum, acted as refreshment stand and cheerleader, as did former Beach school teacher Marla Sebu Sewell, now a teacher at High Point Center.

Also contributing encouragement and support were Chelsea runners Helen Thomas and Dennis Stoffer. Chelseaites Nancy Black and Joe Brosnan also ran.

Last year, Cooper received \$1,500 in pledges for a November race in Grand Rapids. After a year of practice and training, she was able to better her time by 45 minutes, finishing in four hours and 16 minutes.

Money raised will be used to run various Special Olympics programs—for uniforms, transportation, room and board at state events, bowling tournaments, awards, ribbons and trophies, and state entry fees for the summer and winter games.

## Bulldog Gridders Nearly Upset Saline

(Continued from page one)

Saline managed only 52 aerial yards, but made up for it on the ground, rushing for 385 yards. Chelsea, on the other hand, managed just 61 rushing yards.

Saline led the contest in first downs with 13 against Chelsea's nine. Saline lost the ball three times on fumbles and threw into one interception. The Bulldogs threw two intercepted passes and turned the ball over once on a fumble.

More than any other facet of Bulldog play, LaFave expressed real pleasure with the increasing tenacity and desire displayed by the Bulldogs in each contest of the season.

"Our kids came back very well," he pointed out. "There was at least twice when we could have laid down and died, but we didn't."

"Our kids have adapted to the entire system (of stressing quickness over power). They come off the ball quicker. They have intensity and always feel they're still in the football game and that they're going to come back."

Mathematically, the Bulldogs are still in the SEC race. They are now 3-3 on the season and 3-1 in the SEC. To give Chelsea a shot

at the crown, however, Milan would have to defeat Saline week after next, a generally-conceded likelihood.

Chelsea's next match-up is with Ypsilanti Lincoln in Ypsilanti next Friday night. Lincoln is 5-1 and is currently tied for second place with the Bulldogs in the SEC.

LaFave sees the Railsplitters as a real challenge for Chelsea.

"We've got to regroup and play very well to stand against Lincoln," he insisted.

### Gregory Woman Named to Position at Bob Jones University

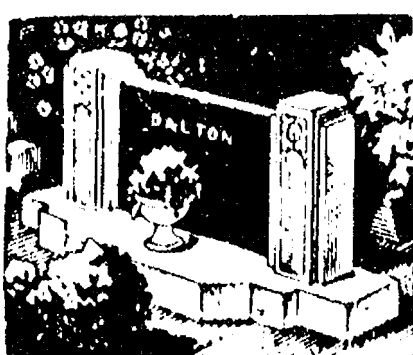

Mary Lois Verchereau of Gregory has accepted a position as assistant manager of food services at Bob Jones University, Greenville, S. C., according to an announcement by Bob Jones, III, university president.

A 1974 graduate of Chelsea High school, Miss Verchereau is the daughter of Joseph E. Verchereau, 10397 Hadley Rd. She received her bachelor of science degree in physical education from the university in May 1979.

While a student at the university, she was a member of Alpha Gamma Tau Literary Society. Bob Jones University is a liberal arts, co-educational, Christian institution. Each year the university matriculates more than 5,800 students who come from every state in the union and about 30 foreign countries and territories.

While the Soviet Union is leading the world again this year in total wheat production with 83 million metric tons, the figure indicates nearly a 30 percent decline from the USSR's 1978 output.

## Medication Test Slated Next Week At Senior Center

The National Medication Awareness Test (NMAT) will be presented at the Chelsea Senior Center Tuesday, Oct. 23 at 10 a.m. and again, Friday, Oct. 26 at 1:30 p.m.

This program will be of vital interest to anyone who has ever taken medicine or will take it in the future. Dr. Lorraine Perkins, director of pharmacy at Chelsea Community Hospital, will lead the presentations.

Part of Michigan Pharmacist Week, Oct. 21-27, the program was developed by the Academy of Pharmacy Practice and American Pharmaceutical Association, with the cooperation and support of Lederle Laboratories.

Questions such as the following will be answered: Do you really know how to take medication? Do you understand your physician's instructions? What would you do, for example, if you forgot to take your tablets when you were supposed to? Would you take double the dose next time? Would you just skip it?

The presentation will consist of a lively slide show and will utilize a quiz format. Participants will be issued a certificate upon completing the session.

There is no charge for the session and refreshments will be served, compliments of Chelsea Pharmacy and Village Pharmacy.

**RALPH L. OWINGS**, a former Chelsea resident, has been named claims manager by Hastings Mutual Insurance Co., Hastings. Owings will supervise the home office claims staff as well as the field claims operation in Michigan and Ohio. He lives at 183 Welcane Rd., Hastings, with his wife, Sherry, and children Lee Anne and Jamie. Their oldest child, Scott, is a senior at Central Michigan University. title-winning contest with 18 carries and 176 yards rushing. Robeson also carried 18 times for 149 yards. Richard Cobb added 18 yards on the ground and Eric Buckberry ran for 20 more.

Chelsea's offense rolled up 387 yards rushing and 132 aerial yards for a powerful total of 499 yards. The defense was led by Robeson, who had 11 tackles, and Harris and Tim Greenleaf, who had nine each. Both Doug Pagliarini and Frank Modrzejewski garnered seven tackles, and Modrzejewski recovered a

Ralleplitter fumble for the Bulldogs.

Chelsea's league title comes on a season of six victories against just one defeat, 16-2, to Tecumseh early in the season. Tecumseh is not appearing in league standings until next year, so Chelsea's loss to that team is not considered a league loss.

The champs will travel to South Lyon next Tuesday for their final game of the season.

### SHOULD YOU REFINANCE?

There are two good reasons for refinancing a mortgage—to replace a high cost loan with a cheaper one or to convert accumulated equity into usable cash.

In an inflationary setting, your chances of reducing costs by rewriting a loan taken out years ago are zilch. You will pay more for today's money.

Still, there could be circumstances where an old loan had become burdensome and new loan for a smaller amount or a longer term or both might reduce monthly carrying charges despite interest. Figure the effect before you go this route, though.

Also, there may be other good reasons for refinancing to raise cash. Even though

interest rates are sky-high, mortgaging a home still ranks among the cheapest way the ordinary person has to borrow sizable chunks of cash.

Whether such a move is wise depends on why you want to do it. It would be imprudent to tap this basic asset for frivolous purpose. But putting kids through college or a once-in-a-lifetime business opportunity might be worthy reasons.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FRISINGER REALTY CO., 935 S. Main St., Chelsea. Phone: 475-8681; evenings 475-2621. We're here to help!

**GROUND-BREAKING CEREMONIES** were held Sunday, Oct. 14, in Gregory for the new church building of the Southwest Church of the Nazarene. Present for the earth-turning were, from left, contractor Henry Cornell; architect Clifford Hull; Chiquita Gustaitis, church

treasurer; Pastor Norman Guilford, founding pastor; present pastor, the Rev. W. O. Welton; Michael DeMint, chairman of the board; and Dr. Donald Gibson, Eastern Michigan District Superintendent of the Church of the Nazarene. Construction will begin soon on the edifice.

## Ground Breaking Held for New Gregory Area Church

On July 14, 1978, a small group of 14 people met "with a God-inspired goal" of someday seeing a church in the Gregory area committed to bringing believers together, building the kingdom of God and developing strong human relationships.

Sunday, Oct. 14, 1979 brought to life one phase of this goal as ground-breaking ceremonies for a church building were held at the property located on M-106 south of Gregory.

The Rev. W. O. Welton, pastor, officiated at the service. A prayer of blessing was offered by the Rev. Ron Ketchum, pastor of the Tyndall Memorial Church of the Nazarene in Howell, and founding pastor, Pastor Norman Guilford, read the great commission from Matthew 28.

Dr. Donald Gibson, Eastern Michigan District Superintendent of the Church of the Nazarene, presented the congregation with

a challenge to succeed and a mental picture of what lay before them.

Construction on the structure will begin as soon as permits are finalized. Men for Missions, a group of laymen and pastors who assist mission churches throughout the world, have plans to aid in the construction.

The Southwest Church of the Nazarene had met in Unadilla township until, until that building burned about a month ago, prompting the building of the new church.

He is a crewmember aboard the tank landing ship USS Barbour County, homeported in San Diego. While deployed his ship operated as a unit of the U. S. 7th Fleet.

During the six-month cruise, he and his shipmates participated in training exercises with other 7th Fleet units and those of allied nations, including the recent exercise "Fortress Gale" off the Okinawa coast. ## JC Auxiliary Helps Band Trip Fund

Regular monthly meeting of the Chelsea Jaycee Auxiliary was held Tuesday, Oct. 16 at Inverness Inn. Hostess for the evening was Nan Rowe and co-hostess was Sandy Meyer.

Theme for the evening was "Turn About," and the entire agenda was done in reverse. Cider and doughnuts were served first and then awards were presented.

Nan Rowe was girl of the month and also received the

90-Day Wonder award. Her name will be engraved on the president's plaque.

Various business items were discussed. Special guests present were Don and Carol Kleis representing Chelsea Band Boosters. They spoke about the band's upcoming trip to Mexico and discussed the various ways money was being raised to cover expenses.

They then accepted a check from the auxiliary for \$45 to go into the trip fund. The Jayettes raised the funds at a bake sale held specifically for the band.

Auxiliary volleyball game was cancelled because of bad weather so Cindy Beauchamp arranged a swimming party for members next week at Beach school.

Next month's hostess is Ginny Wheaton.

TRIP FUND: Don and Carol Kleis, representatives of the Chelsea Band Boosters, accepted a \$45 check Tuesday night from Jaycee Auxiliary President Carol Smith, right, as a donation to the Chelsea Symphony Band's Mexican trip fund. Jayettes raised the money at a bake sale sponsored exclusively for the band's cause.

## YOU'VE GOT MY WORD ON IT.

There may be bigger used car lots in the area. But there aren't any that are better than Rampy's. You've got my word on it. I'm Bill Miller, Used Car Sales Manager for Rampy Chevrolet.

I'm responsible for seeing to it that when someone buys one of our used cars, he's got more to depend on than a smile and a handshake.

I personally decide which used cars and trade-ins will stay on our lot. And because I'm careful about the cars I choose, Rampy can back me up with both his good name and his OK Used Car Sticker.

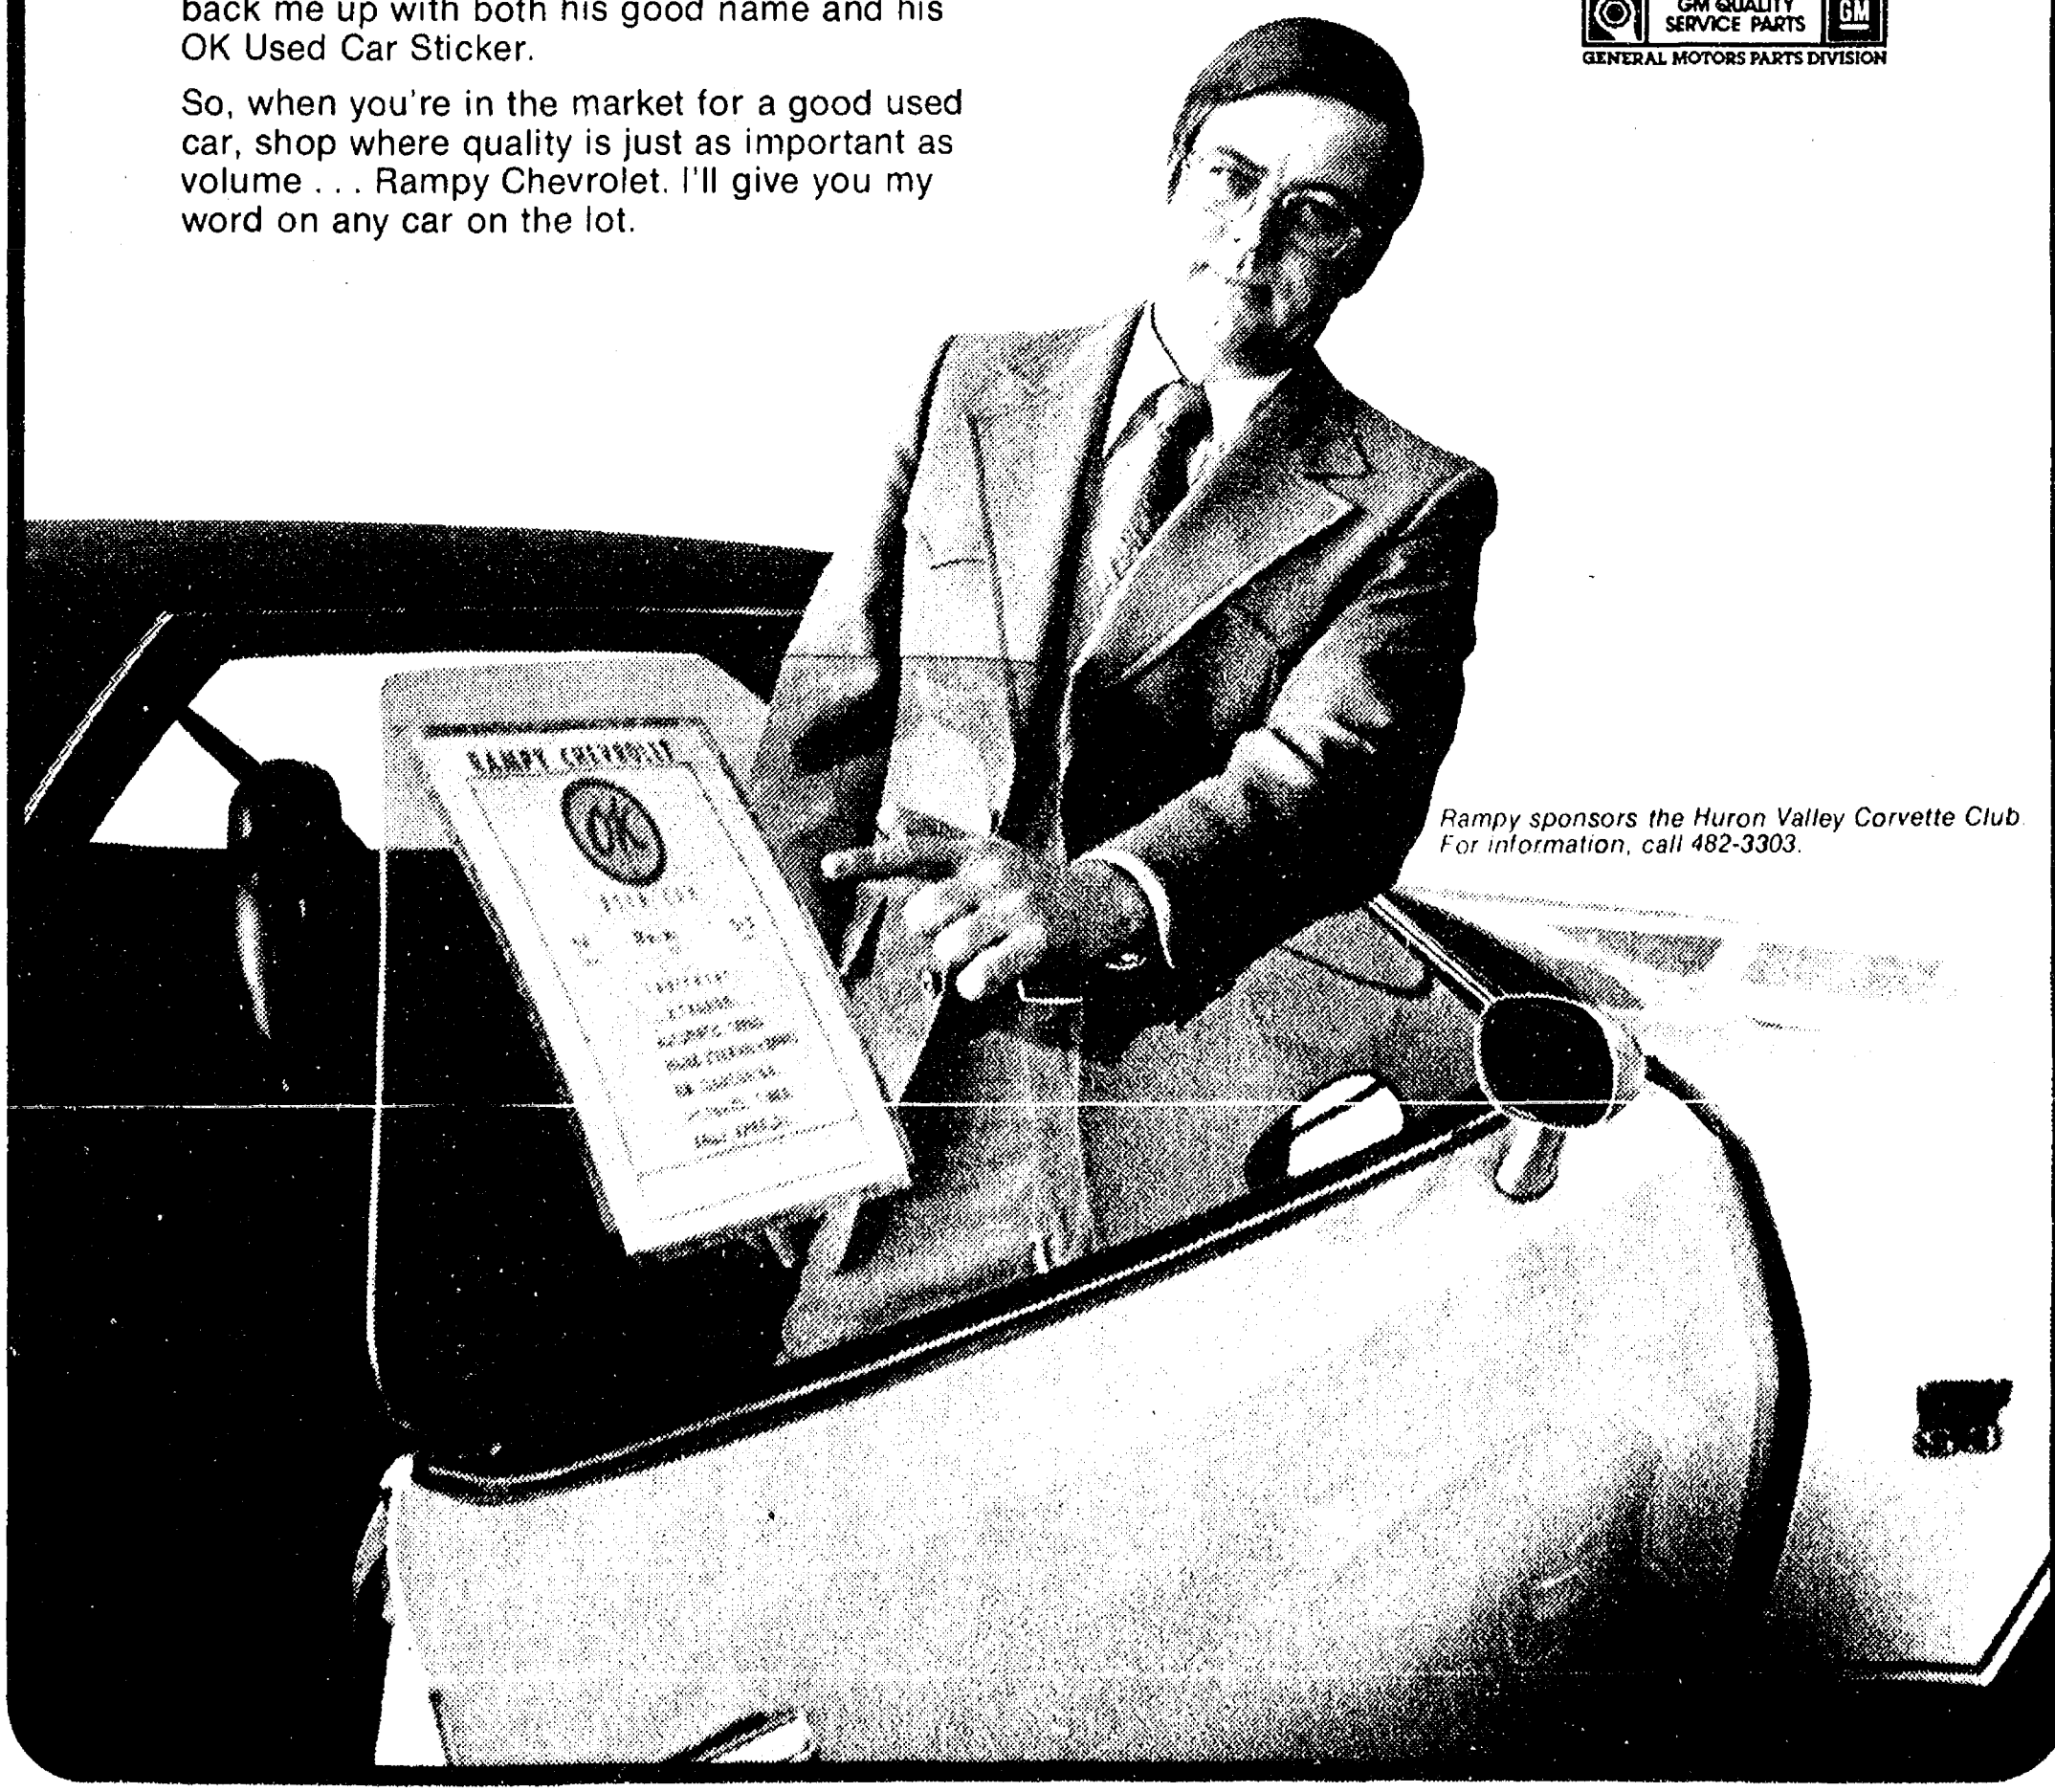

So, when you're in the market for a good used car, shop where quality is just as important as volume... Rampy Chevrolet. I'll give you my word on any car on the lot.

Rampy's not just selling cars, he's selling service.

## Dr. Donald Katz Cited By Historical Society

Donald R. Katz, professor emeritus of chemical engineering at the University of Michigan, recently received the Award of Merit of the Historical Society of Michigan for his book on pioneer life in Waterloo township.

The award was presented at the society's annual meeting in Monroe, Oct. 8.

"The Settling of Waterloo, Michigan, the Schnackenberg-Katz Families," a chronicle of Katz's mother's family, was first published in 1977. The 528-page work contains extensive documentation of the life style of pioneer American families in the Waterloo area.

Katz wrote the book for his "grandchildren's grandchildren" as well as "to inspire families to prepare their family records and pass on a heritage to the oncoming generations."

Although the book focuses on the family of John and Mathilde (Benter) Schnackenberg, Katz's maternal grandparents, it includes the history of related families, the Waterloo area and the state of Michigan since the middle of the 19th century. It documents the rapid change in the area, from the horse and buggy era to the automobile and industrial age. A large collection of photographs illustrates everyday activities of the early pioneers.

Katz, born and raised on the Schnackenberg farm, received a Ph.D. from the University of Michigan in 1933, was the A. H. White Professor of Chemical Engineering before his retire-

ment in May 1977, and is a consulting engineer. His "Handbook of Natural Gas Engineering" is the standard work in the field. He has 275 publications, including 15 scholarly books.

The Waterloo history book is available in local libraries and at Ulrich's Books, Inc. in Ann Arbor. It is also included in the Library of Congress in Washington, D. C.

In 1957, Katz published a history of his paternal family and in 1973, the "Records of the Hertler and Harwood Families," his second wife's ancestors who settled in Washtenaw county. Last month he published the "Crull Families from Coldwater, Branch County, Michigan," a family history of his first wife, who died in 1965, thus completing the records for his children.

### Aging Study Underway at MSU

The effects of age on the physical properties of human tissue are being studied at the Michigan State University College of Osteopathic Medicine under a two-year grant from the National Institute on Aging.

Using tendons from the hands and feet, researchers in the Department of Biomechanics are investigating the differences in physical properties that occur with aging and correlating them with biochemical and microscopic studies on the same tissue.

DREW SPRAGUE, Chelsea Band member, was proclaimed one of the very best in the land at Friday's football game, as he received a certificate naming him to the 102-member McDonald's All-American High School Band

from CHS principal John Williams, right, and local McDonald's manager Jon Gamble. Drew will play with the band in the Macy's Thanksgiving Day parade in New York and in the Pasadena Rose Bowl Parade on New Year's Day.

## Drew Sprague Named to McDonald's All-American Band

It was just pure coincidence that Drew Sprague had been chosen to play a trumpet solo at half-time ceremonies on Homecoming night, but a more delightful coincidence could hardly be found.

Drew soloed to warm applause on "What I Did for Love" just minutes after being awarded a certificate naming him to play in the McDonald's All-American High School Band—one of only 102 U. S. high school musicians so chosen.

Nominated for the honor last year by school band director Steve Bergmann, Sprague was presented with his award by Jon Gamble, manager of Chelsea's McDonald's, and Chelsea High school Principal John Williams.

The McDonald's All-American High School Band was organized in 1967 to recognize outstanding high school musicians. It consists of 102 of the finest young musicians in the country—two from each state and the District of Columbia.

Paul Lavalle, former director of Radio City Music Hall and director of the Band of America, directs the band in its performances. Assisting Lavalle is Paul Jeffrey, associate professor of music at Rutgers University and musical director of the Manhattan Jazz Center.

Each member is selected for the band by Lavalle, Jeffrey and a panel of distinguished music educators.

The newly-formed musical unit

will perform in the Macy's Thanksgiving Day Parade in New York City and the Tournament of Roses Parade in Pasadena, Calif. on New Year's Day 1980.

Both parades will be telecast on the NBC and CBS television networks, giving hometown viewers a chance to see Drew Sprague and company perform. The band will also play in a special concert at Carnegie Hall in New York. All of Drew's travel, accommodations and expenses in New York and California will be paid by McDonald's.

Drew is the son of James F. and Marian Sprague, 3490 Clear Lake Rd. In addition to membership in the Chelsea Band and Band-Orchestra Stage Band, Drew is active on the debate team and participates in baseball.

## Gridders of the Week

**DEFENSIVE HONORS:** Gracing the "Gridders" section this week are two familiar faces in somewhat unfamiliar roles. All Chelsea fans are familiar with the quarterbacking skills of John Dunn (11) and the tenacious running and ballhandling exhibited by Jeff Dils (12), but this week the pair is being honored for purely defensive contributions. Coach Gene LaFave points to

them as mainstays of the defensive secondary. "They made umpteen tackles," LaFave said. "They played as fine a game in secondary as anyone could have." A measure of their effectiveness is the passing statistics for the Saline offense—4 completions in 14 attempts for just 52 aerial yards. Dunn also had an interception late in the second quarter.

## The Bible-The Light from Heaven

Gives four "Alls" of the great commission. (Matthew 28:18-20). "And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth." A full recognition of his power or authority would solve all religious problems. He has the preeminence in all things. (Colossians 1:18). The apostle Paul wrote to the Ephesians, "God hath put all things under his feet; and gave him to be the head over all things to the church, which is his body, the fulness of him that filleth all in all." (Ephesians 1:22, 23). Jesus next stated, "Go ye therefore, and teach all the nations." In the first commission to the twelve they were to go only to the lost sheep of the house of Israel. (Matthew 10:5, 6). The middle wall of partition has been broken down. (Ephesians 2:14). Now "there is no respecter of persons with God." (Acts 10:34; Galatians 3:28, 29). Jesus then stated, "Teaching them to observe all things whatsoever I commanded you." After obeying the gospel there are many things the child of God must learn from Jesus and the apostles. Finally the Lord said, "Lo, I am with you always even unto the end of the world." His abiding presence to every disciple is indeed a consoling thought.

## Taking The First Step

DONALD A. COLE  
Director

Prepayment of funeral expenses is a considerable step which eases the burden of loved ones when bereavement comes. But because the need to act is not immediate, many people put off acting on this gesture until it's too late.

Now is the time to discuss prepayment of funeral expenses with the people at Burghardt-Cole Chelsea Chapel. Call or come by this week.

## Announcing Modernization & Expansion of DRIVE-UP WINDOW SERVICES

Chelsea State Bank is pleased to announce the expansion of the Drive-Up Window facilities at the Main Office from the current two windows to four windows, each with a separate lane. This improvement, together with the new Branch Office of this bank, presently under construction at the corner of S. Main St. and Old US-12, will increase our ability to serve our customers with greater speed and efficiency.

During the construction period the Drive-Up Window service will be limited to one window. This inconvenience should not last more than a few weeks, and during this time more tellers will be on duty in the lobby.

We appreciate your patience and co-operation during this construction period.

## Jayvees' Rally Falls 5 Short

A demoralizing season for Chelsea's junior varsity gridders continued last Thursday evening, as Saline outpointed the Bulldogs, 21-18.

The Hornets dominated offensively in the first half, scoring all three of their touchdowns on two long runs of 26 and 73 yards and a one-yard sneak.

After the half, Chelsea's defense came alive and allowed the Hornets only 10 yards in the entire third quarter. Offensively, Chelsea began to move the ball but couldn't make it into the end zone.

Finally, in the last quarter, Chelsea profited from a Saline mistake. Jeff Lantis recovered a Hornet fumble and raced 35 yards for a TD. The two-point conversion was good, and Chelsea put eight points on the board.

Later in the period, Steve Grau unloaded a 21-yard pass to Dave Wojcicki for another Chelsea score. Dave Patterson took in the ball for two extra points and Chelsea trailed by just five points. Time ran out, however, and five points remained the Saline margin of victory.

Chelsea's revived second half defense was led by Tim Whitesall, Steve Hass, Gary Van Meer, Jeff Lantis, Rick Poljan, Brian Cooper, Mike Bareis, Dave Longe, Dave Wojcicki and Dave Peterson. A Saline fumble was recovered by Dave Harrison.

According to Coach Jon Schaffner, Chelsea probably played their best football of the year in the second half of the Saline contest. "If the team will just continue from there and build until Thursday," Schaffner said, "we should have a good shot at our first season win this week."

The Bulldogs play Lincoln at home this Thursday at 7 p.m.

**Your children could save a life, with a little help from you and your telephone.**

Michigan Bell . . . people who enjoy serving people.

Tell Them You Read It in The Standard!

If you have children at home, would they know who to call in case of a fire, accident or sudden illness? Be sure you have listed near your phone the numbers of your doctor, hospital, poison control, police, fire department and other emergency numbers. Show your children how to find those numbers, how to dial them (if they don't already know), how to call the operator; let them know if 911 can be dialed for fire, medical or police help in your area. Write down your home address near these numbers, too, so your children or your baby-sitter can give it to people who need to find your home in a hurry. (But, for safety's sake, you should instruct them *not* to give your address or other information to strangers on the phone.) Your telephone can be a lifesaving help in an emergency. Teach your children how to use it for their protection and yours.

## ALL KINDS OF PEOPLE SHOULD GET TOGETHER

Solidarity—that's the secret of good credit union management, and that's the spirit of Credit Union Week. Our theme—"All Kinds of People Should Get Together"—captures this spirit and reflects the desire to let everyone know what can be accomplished when different people sharing a common bond come together for the benefit of all concerned. You can help us spread the good word by telling your friends and neighbors and by bringing in potential members during Credit Union Week. Let's make this year's celebration the best yet. It's a great chance to prove that getting together can be both fun and rewarding.

## MUCC Recipe Book Helps Prepare Game

Between now and late May,  
when the wild turkey season ends  
in Michigan, this state's hunters  
will bring home literally millions  
of pounds of game birds and  
animals.

How should the wife (or hus-  
band) prepare this bountiful  
harvest?

The Michigan United Conser-  
vation Clubs (MUCC) has the  
answer—nearly 400 answers, in  
fact.

That is the number of recipes  
for cooking wild game (and fish)  
contained in "The Wildlife Chef,"  
the popular cook book published  
by MUCC, a non-profit organiza-  
tion dedicated to the wise use of  
the state's natural resources.

First issued in 1975, the cook  
book has enjoyed sales number-  
ing thousands of copies, with pro-  
ceeds going to MUCC's conserva-  
tion and education programs.  
In addition to the recipes, the  
publication contains tips on field  
dressing, care of big and small  
game and fish, freezing, and  
other aspects of the preparation  
of game and fish dishes. Special  
sections are devoted to breads  
and desserts, sauces and stuff-  
ings, camp cooking, and edible  
wild plants of Michigan.

Copies of "The Wildlife Chef"  
may be obtained for \$3.95 each,  
postpaid, by sending a check of

MICHIGAN FARM BUREAU

### Fussing About Food Prices . . .

This may surprise you, but—in  
terms of our take home pay, food  
is cheaper in this country than it  
ever has been, and cheaper than  
any other place in the world. This  
is because we work less time to  
earn our food than do workers in  
any other county.

Recently, the Wall Street  
Journal came out with a report  
that confirms those facts. It  
points out that since 1960, after-  
tax income has risen at a rate of  
eight percent a year, while the  
amount spent on food has climbed  
about seven percent annually.  
This means that wages are up one  
percent more than food costs over  
the past 19 years, and therefore it  
takes less of our take-home pay  
than it did then.

It turns out that food increases  
have been less than many other  
things we buy. Since 1960, accord-  
ing to the Journal, transporta-  
tion costs have risen at a rate of  
nine percent a year; housing  
costs by a 8.5 percent; and health  
costs by 11 percent annually.

These are averages. There is a  
wide difference in the percentage  
of income spent on food depend-  
ing on whether you are in the  
lower, middle or upper income  
brackets. The wealthier families  
of the nation are spending only  
10.2 percent for food, while  
poorer families must allocate 34.2  
percent for food items.

Over-all, the average Ameri-  
can family spends 16.9 percent  
of its income for food, com-  
pared to 21 percent in Canada,  
23.6 percent in France, 27.1  
percent in West Germany, 31.6  
percent in Britain, and 47.5 per-  
cent in Brazil.

In its story, the Wall Street  
Journal suggests that we  
Americans should make less of a  
fuss about food prices, and quotes  
an economist as saying, "Nobody  
ever had the courage to stand up  
and say it."

We'd have to disagree with that  
statement. Farmers, especially  
farm women, have been standing  
up and saying it for a long time  
now through their speakers'  
bureaus, at mall promotions and  
in the schools. The problem is  
that the people who do all the  
fussing are the ones who don't do  
any listening.

money order to MUCC, Box 30235,  
Lansing 48909.

Here are just two examples of  
the recipes to be found in "The  
Wildlife Chef":

### PHEASANT CACCIATORE

2 pheasants  
1/2 cup olive oil  
1 large carrot, diced  
1/4 pound butter  
1 large can Italian style to-  
matos  
1 green pepper, seeded and  
diced  
1/2 cup dry sherry or white wine  
2 large cloves of garlic, diced  
1 box (7 oz.) fresh mushrooms,  
diced  
1 can tomato paste  
2 large ribs of celery, diced  
1 medium onion, chopped  
1/2 teaspoon oregano (optional)  
salt and pepper to taste

Cut pheasant into serving  
pieces, place in deep baking dish  
or roaster. Sprinkle over it the  
garlic, celery, carrot, mush-  
rooms, onion, green pepper. Dot  
with butter, sprinkle with salt,  
pepper, and oregano. Mix  
tomatoes with tomato paste and  
wine and spread all over the  
pheasant. Pour olive oil evenly  
over all. Bake in 450-degree oven  
1 1/2 to 2 hours or more until pheas-  
ant is tender and the tomato  
gravy is reduced to just short of  
being dry. Turn the pieces  
several times during baking. If  
the juices don't seem to be cook-  
ing fast enough, or the pheasant  
browning enough, turn oven heat  
up to 500 degrees near the end of  
the baking period.

### BRUNSWICK STEW

2 pounds meat (disjointed rab-  
bit, squirrels, or partridges)  
1/4 cup oil  
1 medium onion, chopped  
1 diced lemon  
1 cup tomatoes  
1 cup lima beans  
1 cup corn  
salt, pepper

Brown meat in hot oil until  
brown, along with onions. Add 1  
cup water and tomatoes and  
cover. Simmer until tender. Then  
add rest of vegetables and cook  
10-15 minutes until done. Salt and  
pepper.

Sunny days, crisp evenings and  
forest lands turning technicolor  
proclaim the arrival of autumn in  
Michigan. It's the season of  
harvests and halloween, summer  
memories and holiday plans. The  
Michigan Travel Bureau's Calen-  
dar of Travel Events shows Octo-  
ber to be a month of festal ac-  
tivities and entertainment as  
bright and colorful as the land-  
scape.

High on the list of popular fall  
activities are the Fall Color  
Cruises, out of Charlevoix,  
aboard the motor ship Beaver  
Islander. The cruise meanders  
along the shoreline of Lake  
Charlevoix providing passengers  
with a breathtaking view of  
Mother Nature's seasonal spec-  
tacular. Cruises are scheduled  
for Oct. 6-7, 13 and 20. Reserva-  
tions are limited and should be  
made in advance through the  
Charlevoix Chamber of Com-  
merce.

On shore, color tours are plan-  
ned in Crystal Falls and Iron  
River, Oct. 1-10, at Newaygo, Oct.  
1-21, at Cadillac, Oct. 3-31, and at  
White Cloud Oct. 6-7 and 13-14.  
Area color tour maps are  
available at local Chambers of  
Commerce to point you in the  
most colorful direction.

The perfect prelude to cold  
winter nights is the annual Red  
Flannel Festival at Cedar  
Springs, Oct. 6. The Festival of  
the Forks at Albion is also set for  
Oct. 6, and both events will  
feature parades, chicken bar-  
becues and a variety of fun and  
games.

Oktoberfests at Big Rapids,

#### PROCLAMATION FOR A UNITED NATIONS DAY OF SHAME

Whereas, the United Nations has never condemned the Communist tyrants for assaulting religious freedom, destroying the sanctity of the family, abrogating property rights, abolishing free elections, or murdering tens of millions, and

Whereas, the UN did condemn the United States in 1975 for maintaining military bases in Guam, and in 1976 for importing nickel and chrome from anti-Communist Rhodesia, and

Whereas, the United States has only one vote in the UN General Assembly, while the Soviet Union has three (USSR, Byelorussia and the Ukraine), and

Whereas, America's taxpayers pay twenty-five percent of the UN regular budget, more than sixteen times the amount that a majority of the member nations collectively contribute, and

Whereas, the money Americans "contribute" to the UN has not been used to support American ideals of true human rights and freedom, but instead has been used to suppress freedom and glorify tyrants, and

Whereas, in 1961, the UN troops in the Congo massacred civilians, bombed hospitals, destroyed churches and slaughtered women and children, and

Whereas, in 1971, the UN expelled the government of Free China from its membership, and welcomed instead Communist Chinese tyrants who have murdered millions of their fellow Chinese, and

Whereas, just this year, the United Nations Development Program has approved a \$15 million aid program for these same Communist Chinese, and

Whereas, two groups affiliated with the terrorist Palestine Liberation Organization (the Special Unit on Palestinian Rights and the Committee on the Exercise of the Inalienable Rights of the Palestinian People) have been receiving funds from the UN and

Whereas, UNICEF (which claims to help needy children) has issued medical combat packs to terrorists entering Rhodesia, and

Whereas, far from being a meaningless debating society, the UN is actually the formal framework for a one world government, and

Whereas, the United States should maintain its sovereignty and freedom, and should not allow the UN to acquire control over its citizens,

BE IT THEREFORE RESOLVED that the United States should get out of the United Nations, and that the UN anniversary on October 24, 1979 should be proclaimed a **United Nations Day of Shame**.

**METHODIST FUNDS CAMPAIGN:** In an echo of Pony Express days of old, Chelsea United Methodist church will be utilizing "trail bosses" and "route riders" in its upcoming stewardship campaign. Preparing for the program are Clare Warren, left, publicity chairman, and Jeremy Kumpf, son of Mr. and Mrs. William Kumpf of Mester Rd.

## Methodist Pledge Campaign Begins

More than 40 members of Chelsea United Methodist church will become saddlebag-carrying "trailbosses" and "route riders" within the next few weeks in their church's Pony Express stewardship campaign.

The Rev. Marvin McCallum, pastor, said the campaign this year is based on the same concept as the Pony Express of more than a century ago—teamwork.

Jim Line, general manager of the campaign, said 30 leaders of the church have been designated trail bosses, to supervise the relaying of saddlebags to each of the church's families on Pony Express "run" routes.

Each saddlebag bears the names of 10 church families on the run route, he said. A family fills in an "estimate of giving" card, seals it in an envelope and inserts it in the saddlebag, which is then hand-carried to another family on the route.

"We decided to use this unique approach because we believe stewardship campaigns should be exciting and pleasurable, in addition to having their serious moments," Line said.

"And, many dedicated members of the church are hesitant to solicit pledges from their friends and neighbors. With this Pony Express program, there are no solicitations and no pledges."

The Rev. McCallum explained that each member is asked simply to estimate the amount he or she will be able to give to the church during the coming year.

"Each family makes their decision in the privacy of their home, without any over-the-shoulder 'supervision' of someone from the church," he said.
