## Wrestlers In Season of Rebuilding

A Chelsea wrestling squad deep in the process of rebuilding took to the mats for the first time this season Tuesday evening and sustained a loss at the hands of Columbia Central, 45-26.

Chelsea took five individual wins but lost the last five consecutive matches to seal the loss. Garnering individual victories were Adrian Saarinen at 98, with a pin; Jeff Osentoski at 112, pin; Craig Sturgeon at 126, pin; Michael Stahl, a freshman, at 138 with a come-from-behind pin of his opponent; and John Preston at 145.

Rounding out the varsity roster for the Bulldog grapplers are Steve Snyder, Jim Cobb, Dave Harrison, Eric Headrick, Rick Poljan, Doug Bradley, Chan Lane and Will Rosentreter.

A junior varsity match was held before the varsity match-up, featuring individual wins by Mark Bulick at 98, Tim Pennington at 112, Greg Ackley at 126 (tie), Steve Grau at 138 and Tom Headrick at 155. In all, the JV took four of six matches.

According to first-year Coach Tom Fletke, Chelsea is "definitely a rebuilding team." The Bulldogs showed poorly in the SEC last year, and Fletke is hoping to get the entire wrestling program on the comeback trail with this season.

Fletke is new to Chelsea this year, coming here from coaching wrestling at Bishop Borgess in Redford township. He is a native of Redford, having attended Thurston High school there.

According to Fletke, his major task is to co-ordinate the entire Chelsea school wrestling program. He has already begun joint practices with Bill Wescott's junior high team at Beach and hopes to have the Beach wrestlers attuned to his system when they reach Chelsea High next year.

Chelsea's squads next grapple with Pinckney this evening, Thursday, Dec. 6, at home. Pinckney, says Fletke, "is very, very good. I can't imagine winning too many matches against them, but I don't think we'll be shut out."

## Another Addition Okd for Hospital

While construction on a Surgical Center addition continues at Chelsea Medical Center, permission has been received by the hospital to begin work on another addition to the facility at an estimated cost of \$522,000.

The State Health Director announced approval of the building project on Nov. 2. It will add 4,000 square feet to the hospital, of which 1,961 square feet will be allocated to the radiology department, approximately 640 square

feet for corridor and circulating space, and 1,390 square feet for basement storage space.

According to Jim England of Chelsea Community Hospital, the present contractor, North Construction of Jackson, plans to undertake the additional work, completing it together with the present construction, sometime in June or July.

Funds for the project are coming from the Farmers Home Ad-

HO, HO, HO: A robust and jolly Santa Claus made his first Chelsea appearance of the season last Saturday at Dana's Christmas party. Dozens of children, like this unidentified party-goer, crowded close to the old elf to whisper Christmas secrets.

## Chelsea Girls Score in State Swim Meet

A visit to Grand Rapids for the State Swimming Championships found Chelsea's girls team finishing in 29th place. Local swimmers scored points in two events and finished in the top 20 in six events.

The Bulldogs were led by Michele Clark, who finished 11th in diving with 381 points, and Sara Borders, who placed 12th in the 100-yard butterfly with a time of 1:05.4. Both performances were personal and school bests. Finishing 14th were both Chelsea relay teams. The medley

relay composed of Borders, Anita Powell, Teresa Degener and Shannon Springer, swam a record 2:04.7. Borders, Powell, Springer and Kristin Thomas competed in the freestyle relay.

Borders' time of :48.9 in the 100-yard freestyle broke the Chelsea High school record. Thomas was 19th in the 200 IM and 14th in the 500-yard freestyle.

"The girls performed admirably," said Coach Larry Reed. "Their performances were among their very best."

## Aquatic Club Rips Belleville, 354-149

The Belleville Tigers came to Chelsea last Wednesday night and were greeted by a fired up Chelsea Aquatic Club team. With the exception of the 8 and under boys category, Chelsea ran away with the meet, 354-149.

ALL CONFERENCE: Recently elected a member of the SEC All-Conference girls basketball team was Nanette Push, left, a unanimous choice of the SEC coaches. Honorable mention honors went to her Bulldog teammates Mary Boylan, center, and Jennifer Ringe.

## Nanette Push Again Named To SEC All-Conference Team

In voting results that surprised no one familiar with SEC sports, Chelsea basketball ace Nanette Push was once again unanimously selected to a berth on the Southeastern Conference All-League first team by SEC coaches last week.

Push, a 5'10" senior, averaged 20.1 points a game throughout the season and hauled down an average of 10.2 rebounds. It was her second year on the All-League first team.

According to Coach Jim Winter, Nanette this fall topped her own record for season points,

scoring close to 400. She also became the first Chelsea cager, male or female, to break the 1,000 career point mark earlier this season, finishing her Chelsea basketball years with 1,145 career points in four years on the varsity squad.

Winter confirmed that colleges in Michigan and Ohio are "looking at her," but declined to mention any names.

No other Chelsea players appeared on the first or second teams, but Bulldogs Mary Boylan and Jennifer Ringe both achieved honorable mention ratings.

Joining Push on the first squad were Milan's Linda Armstrong, Laurie Rogers of Saline, Jane Walsh of Dexter and Kim Peyton of Jackson County Western. All but Peyton were unanimous choices.

Push was the only first team repeater from last year. Armstrong of Milan had been on the second team last year, and Rogers from Saline was an honorable mention.

Nanette's 20.1 points per game average was tops among the five members of the first team. Dexter's Walsh was second with 17.7.

## Lessons, Carols Festival Set For Sunday

Included in the festival will be members of the various local churches and other groups.

## Dana Corp., UAW Sign 3-Year Contract

The Dana Corporation and the international union UAW have reached a tentative contract agreement in principle on a new three-year contract. The announcement was made jointly by Ron Bueter, Dana's director of industrial relations, and Don Rand, administrative assistant to UAW Secretary-Treasurer Emil

Mazy, director of the UAW's Dana Department.

The agreement, which covers more than 8,000 workers in 24 facilities throughout the United States, was worked out by company and union negotiating committees at 3 a.m. Monday, Dec. 3, after more than three weeks of negotiating in Indianapolis, Ind.

Locally, 365 of Dana's 435 Chelsea plant employees are affected by the agreement. In addition to the master agreement reached Monday in Indianapolis, a local agreement has also been reached. Local plant UAW

members must ratify their agreement later this month.

Al Feldman of Dana's Chelsea plant was reluctant to discuss any specifics of the local situation. "I'd hate to jeopardize the hard work that's been done here," he said.

Plants covered by the new master agreement are located in Ohio, Michigan, Indiana, Pennsylvania and Wisconsin.

Terms of the settlement will be made available after local units have ratified the contract. The agreement includes a substantial

## Girl Cagers Lose to Dexter in Tourney

"We played one of our worst games of the year," sighed Coach Jim Winter. "We were out-shot, out-run, out-scored and out-hustled."

Such was the final verdict on Chelsea's girl cagers and their performance in last Wednesday evening's district tournament contest with Dexter. The Dreadnaughts had narrowly edged Chelsea twice before this season, but managed to blow them off the court last week, 53-35.

The game was actually quite close at the outset, with Chelsea trailing by only three points, 23-20, at the half. The Dreadnaughts returned to the court with confidence, however, and Chelsea's cagers began to drive themselves, with disastrous consequences.

"We never relaxed," related Coach Winter. "We were tense and tight. I think we wanted to win it too badly."

Errors began to pile up in the second half for the Bulldogs. "We started to make mental and physical mistakes," said Winter. "We started trying too hard and made too many mistakes."

Nanette Push was held to 12 points in the game, followed by Amy Unterbrink with 10 and Jennifer Ringe and Lori Vandegriff with five each.

Dexter moved on from its victory over the Bulldogs to a Friday night contest with Hartland in which they were defeated, 47-46, in overtime.

101 YEARS OLD: A celebration was held last Wednesday, Nov. 28, to welcome in the 101st birthday of Chelsea United Methodist Retirement Home resident Leno Doty. She was born on Thanksgiving Day 1878, the oldest of nine

children and the only one still living. Married on May 22, 1898 to Lewis V. Doty, she has five children, 18 grandchildren, 40 great-grandchildren and 50 great-great-grandchildren.

**Tax Increase Appears Likely To Balance State Budget**

An increase in the state tax rate is looking more and more likely as the state is struggling to balance its budget as mandated by the constitution.

Efforts are ongoing in the executive and legislative branches of government to cut the current year budget by some \$100 million as spending authorizations are at least that much over the anticipated revenues.

Revenues may fall even shorter than expected with the slumping economy which is impacting hard on the automobile industry, on which the state relies heavily to fill its revenue coffers.

With auto sales down, massive layoffs are looming and effecting income tax collections plus adding to the cost of unemployment and welfare payments.

Although it is a bitter pill to swallow, executive and legislative leaders are beginning to look at the possibility of increasing taxes to increase state revenues just to maintain the current level of services.

Not only is an increase in the income tax under consideration, but an increase in the state sales

and use tax may also be necessary.

One tax increase already in the legislative process is an increase in the severance tax for oil and gas. This would be levied on oil and gas producers but consumers will, in the final analysis, pay the bills.

Additionally, the severance tax hike will not help state revenues as all the increased income is earmarked for low aid and moderate income people as well as senior citizens with the newly extended home heating assistance program.

In an effort to head off any further tax increases, state department heads have been ordered by Governor William G. Milliken to make recommendations to cut current fiscal year budget allotments.

State budget planners are also facing another crunch with the Civil Service Commission's Compensation Hearings Panel making a recommendation for a 10 percent pay increase for state employees beginning with the next fiscal year—starting Oct. 1, 1980.

Along with other recommendations in the compensation

package, total cost would be around \$136 million.

In total dollars, the recommendation is 71 percent more than civil service employees received for the current fiscal year and the total workforce is expected to increase about three percent.

The panel said its recommendations reflect inflation and the state's financial condition.

It recommended pay levels also be reviewed at least four months into the fiscal year to determine if additional increases should be granted.

Inflation was a prime concern of the panel and it said six percent of the total recommended increase is meant as an offset to the way inflation has outstripped pay increases in the current year.

Besides the actual 10 percent hike, the package includes one additional paid holiday (the Friday after Thanksgiving), full state payment of life insurance premiums instead of the current 75 percent, equal sharing by the state and employees in the cost of long-term disability insurance, a \$2 co-payment for prescription drugs under the health insurance plan and eliminating sick leave pay-off provision for all new employees as of Oct. 1.

So with a sagging economy

**Uncle Lew from Lima Says:**

MISTER EDITOR:

Ed Doolittle come to the session at the country store Saturday night with his usual clippings and a unusual claim that a item he saw last week could open a new field for reporters. Ed said this piece out of Washington started off by saying the Army claims that most Army recruiters don't lie and cheat. Ed declared that scoops like that could turn the whole news business around. We could start by announcing that most preachers don't get drunk and beat their wives and then take off in all directions, was Ed's words.

Actual, Ed told the fellers, the story was about hearings Sen. Morgan of North Carolina is holding to see why military recruiters don't play by civilian rules. Ed said that at last count 350 recruiters in 45 of the Army's 57 recruiting commands had been caught at what the Army calls malpractice. This means they give answers to tests, hide police records and do whatever they got to do to get people in the Army. At the hearings, the secretary of the Army said at least 90 percent of the recruiters are following the rules "and responding well to pressures that are part of the job," Ed reported. When it comes to walking the straight and narrow, Ed declared, that percent ain't bad in or out of the Army, but he agreed with Sen. Morgan that the problem don't stop there.

When you got a volunteer Army and you ain't got enough volunteers you come up short every time, Ed allowed, and the shorter the more pressure on recruiters. You set a man a goal and you tell him he's going to be guarding a warehouse in South Korea if he don't reach it, and you got a man on fire to do a job by hook or crook, was Ed's view. Sen. Morgan says the Army has got to change its recruiting before it can expect to change its recruiters, and Ed said that makes sense to him. Ed said if good pay a no KP ain't enough to draw good men, we had better bring back the draft before the Russians, the Cubans, the Chinese, the Irans and all the rest figger out our Army ain't nothing but a shell of its former self.

Usual, Mister Editor, I set and listen during the sessions. But I saw a little stateside duty in the first World War, so natural I am qualified to address this issue. First, I said we got to understand the right way, the wrong way and the Army way. When the sargent told us to scrub the messhall he knowed we'd have to steal mops from the company messhall next to ours. In the Army that's called results. A "midnight requisition" ain't stealing, it's initiative. In the second war, Ike told his generals "no excuse is necessary because none is acceptable." That's the Army way. People coming out of civilian life learn that quick, just like they learn they left democracy, liberty and pursuit of happiness back there to fight for and come home to.

General speaking, we got to see that a standing Army in peacetime is necessary, and that you can't apply civilian rules to the military game. The Army has to play the cards it is dealt, even if that means midnight requisitions by recruiters.

Yours truly  
 Uncle Lew

### ABWA Members See Aerobic Dance Demonstration

Chelsea Charter Chapter of the American Businesswomen's Association held its November meeting at St. Mary's school hall. Seventeen members and one guest enjoyed a lasagne dinner. During the business meeting, it was announced that Woman of the Year selection would take place at the March meeting. Betty Koch is chairman of this event. Joan Luick introduced program speaker Susan Perlick, an aerobic dance instructor. She told the women that aerobic dance originated in Puerto Rico when the Army asked Jackie Sorensen to develop a program of physical fitness for wives of army personnel stationed there. Aerobic means "with oxygen."

Perlick explained that the dance is a series of easy-to-learn movements for non-dancers. It is a carefully choreographed blend of jogging, lunges, arm swings and leg kicks set to music from the rag time 20's to the disco 70's. The dance can be done in walking, running or jogging form.

After the explanation and demonstration, members had an opportunity to try some of the steps under Perlick's direction.

Berneice Augustine, hospitality chairman, announced that the December Christmas party for members and their guests would be held at Die Bauerstube Restaurant in Manchester, Dec. 18.

### Homemakers Club Auction Funds Will Help Charity

Chelsea's Homemakers Club held a Holiday Bazaar Silent Auction as this year's money-making project. Each member brought a craft item and a baked good to be auctioned.

More than 40 members and guests attended the meeting, which was a great success, bringing \$194 for the evening's efforts.

Each year the Homemakers Club makes a donation to charity, and the silent auction will allow them to do so again this year.

It was decided to move the date for the Christmas Luncheon from Dec. 5 to Dec. 12, to avoid a conflict with Parent-Teacher Conferences. The time will still be 11:30 a.m. at the Red Lobster Restaurant on Carpenter Rd., Ann Arbor. The Secret Pal gift exchange will follow lunch.

The meeting was adjourned and refreshments were served by co-hostesses Holly Porter, Nancy Bielmeyer and Dee Koengeter.

### Trudi Sanderson, Brian Whitley Wed at Congregational Church

Trudi Ann Sanderson, daughter of Mr. and Mrs. Carl J. Sanderson, 750 N. Main St., became the bride of Brian Charles Whitley, son of Mr. and Mrs. John Whitley, 17946 Old US-12, at the First Congregational church of Chelsea, Saturday, Dec. 1. Officiating at the ceremony was the Rev. Carl Schwarm.

The bride was attired in her mother's wedding gown of candlelight slipper satin with a sweetheart neckline, full skirt and circular train. An off-white blusher veil trimmed in tiny flowers accented the gown. Deep red and white roses were carried by the bride in a bouquet.

Matron of honor was the sister of the bride, Judy Armstrong of Gregory. She wore a cream colored Qiana gown with a burgundy velvet blouson raglan-sleeve jacket. In a bouquet she carried bunny's fur muffs with baby sweetheart red roses and holly.

Acting as bridesmaids were Jane Engel of Chelsea, a friend of the bride; Debbie Clark of Grass Lake, a friend of the bride; and Gail Whitley and Lynn Whitley of Ann Arbor, sisters of the bridegroom. They were attired identically to the matron of honor and carried the same flowers.

Mother of the bride, Mrs. Sanderson, chose a frosted rose gown with blouson top and accordion pleated skirt and pearl trim at the neckline. Mrs. Whitley, mother of the bridegroom, was attired in a green knit A-line gown with sequin trim.

A niece of the bride, Aimee Armstrong, served as flower girl. A nephew of the bridegroom, Bruce Whitley, was ringbearer.

Best man was Daniel Baldus of Dexter. Serving as ushers were Mark Engel of Chelsea and Charles King of Dexter, friends of the bridegroom; Larry Sander-

son of Chelsea, brother of the bride; and Wayne Whitley of Brighton, the bridegroom's brother.

Brenda Armstrong sang "The First Time Ever I Saw Your Face," "Wedding Song" and "Lord's Prayer" at the ceremony.

A reception was held at the AFL-CIO, UAW No. 1284 Hall on Chelsea-Manchester Rd., given by the parents of the bride. The annual meeting ended at 8:30 p.m. and the regular meeting was called to order at 8:30 p.m. The secretary and treasurer's reports were read and accepted. The 1979 fair report indicated that the 1979 fair was the best ever held.

### Correction . . .

An omission was made in last week's Chelsea Standard in the article concerning the 60th wedding anniversary of Mr. and Mrs. William A. Zahn of Manchester.

Inadvertently left out of the list of the Zahns' children hosting a dinner for the couple were Mr. and Mrs. Clarence (Viola) Schneider of Manchester.

Subscribe today to The Standard.

The fair convention will be in Dearborn, Jan. 17-19. Several of the local board members will attend.

A 4-wheel drive contest will be held in Chelsea July 4, along with fireworks and the regular Independence Day program.

Jerry Herrick, Art Steinaway, Frank Renton and Lloyd Grau will bring the fair by-laws up to date. The needs of the horse show were discussed at some length.

The December Fair Board meeting will be Thursday, Dec. 20. The meeting was adjourned at 10 p.m.

## HOLIDAY HOURS

The University of Michigan Family Practice Center will be closed at 12:30 p.m. on Monday, December 24, 1979 and all day Christmas, December 25, 1979. The Family Practice Center will also close at 12:30 p.m. on December 31, 1979 and all day New Year's Day. There will be a physician on call 24 hours, as usual, to take care of emergencies. ## Merkel's Holiday House Boutique Now Open

You can't buy a trip around that world at Merkel's Holiday House Boutique. But, you'll find a world of wonderful things to select from Merkel's little corner Christmas Shop.

From Turkey, a group of unique conversation-creating wall decorating items. They started life as tin-plated, hand-hammered copper cooking utensils. Years of wood smoke fires and countless meals have bared an antiqued burnished beauty to these once mundane household utensils. We think they'd be especially lovely reflecting the firelight on a brick or paneled wall.

From Vienna, an antique that conjures up visions of tortes and sugary goodies. A kitchen balance scale in black wrought iron with gleaming brass pans. You could still use it to weigh with; however, it would have great decorating impact on display holding a duet of potted plants.

If you're looking for a unique way to present some home-baked treats, look at our collection of antique replica French canning jars. Fill the smallest size with Aunt Clara's favorite blend of tea. Give your nephew the largest size packed with Christmas Candies.

Everyone has a hard-to-buy-for person on their list. Why not gift Grandma with a Santa that's pure whimsy in plush jewel tone velvet? Package some stockings and other lingerie items in the camel colored velvet bag he carries on his back. Watch him become a family tradition for many Christmases to come.

From the most primitive of times, man has made baskets for storing and transporting life necessities. Today's cardboard boxes and paper bags lack the charm and artistic grace, but perhaps are more utilitarian. In many parts of the world, the art of basketry still lives. Merkel's has imported a vast array of beautiful baskets in all sizes and types. All carefully selected for their decorating value and usefulness. All are exciting gift ideas.

The duck decoy has long been a useful tool to the hunter and his dog. We think they are novel and newsworthy decorating fun for a man's den or a family room. See our collection carved from wood and hand painted to mimic mother nature and signed by the artist.

If you're looking for a family room lamp, Merkel's has some conversation-provoking lamps made from authentic English tin canisters.

If you're giving your portrait this Christmas, don't miss the collection of unusual and unique frames in Merkel's Holiday House Boutique.

BAH, HUMBUG, growls nasty Ebenezer Scrooge (Brian Kruger) at his nephew Fred and Fred's wife (Sara Connors and Brad Barr) at the mere mention of the word "Christmas." Overworked Bob Cratchit (Mark Stevenson) looks on at the unfriendly

scene, part of rehearsals for Chelsea High school's drama club production of Dickens' "A Christmas Carol." A performance will be given Saturday, Dec. 8, 8 p.m. at Chelsea High school.

## 'Christmas Carol' Cast Rehearsing For Dec. 16 Play at High School

"Things are going great," says Bill Coelius, director of Chelsea High school's upcoming production, "A Christmas Carol," regarding the drama class' progress with the show.

The adaptation of the Charles Dickens classic tells the tale of Ebenezer Scrooge, a stingy old man who hates Christmas. Things are destined to happen,

however, that will change his whole attitude.

Scrooge is first visited by the ghost of his long-dead partner, Jacob Marley, who speaks of three spirits who will visit Scrooge during the course of a night.

At the stroke of one, the ghost of Christmas Past comes, and Scrooge and the spirit travel back

into the past, bringing back all the pain and misery of forgotten memories.

At two, Scrooge is handed over to Christmas Present, who proceeds to show the unhappy man how Christmas is celebrated by the people of his own city.

Then, at three, the ghost of Christmas Future brings a final warning, showing Scrooge all the

terrible things to come that only he can change.

Does Scrooge reform his opinion of Christmas and save his future by a change of heart?

The answer can be found Saturday, Dec. 15, 8 p.m., in the Chelsea High school auditorium. Tickets are available at Chelsea Drug for \$2.50 each.

## Motor Vehicle Tax Collection Levels Off

Higher gas and weight taxes produced more revenue in the fiscal year that ended Sept. 30, but reduced fuel consumption and lighter cars have leveled the growth rate, the Michigan Department of Transportation reported recently.

A two-cent-a-gallon gas tax increase that went into effect Jan. 1 pushed receipts to a record \$477.6 million in the 12-month period, an increase of 14.3 percent from \$413.7 million collected the year before. Income from the diesel fuel tax, also up by two cents, totaled \$30.4 million, a 24 percent increase.

Without the tax boost, income would have shown no growth because of a decline in gas consumption during the last six months of the fiscal year.

In the quarter ending Sept. 30, the net amount for distribution totaled \$138.28 million, up by \$21.24 million, or 18.2 percent from the July-September period last year.

In Washtenaw county, distribution amounts rose to \$1,056,718 in the third quarter of 1979. This compares with \$873,701 in the same quarter last year.

Chelsea's third quarter 1979 figure is \$16,650, compared with the \$13,916 total in the comparable quarter of 1978.

Vehicle weight taxes increased to \$235.6 million, up by 35.6 percent, the result of an increase in license plate fees last Nov. 1. The average passenger car fee was

\$25.36, an increase of 30.9 percent from the \$19.38 average in 1978.

Vehicle registrations increased only six-tenths of one percent, or 41,672, to a total of 7.3 million. It was the smallest increase since 1957.

Income from all highway user taxes, which makes up the Michigan Transportation Fund, totaled \$760.25 million. The total is 20.8 percent higher than the \$629.34 million collected in 1978.

Collection costs and various grants cost \$50.1 million, leaving \$710.14 million for distribution to the state, counties and cities and to state-supported public transit and rail programs.

The State Trunkline Fund for construction and maintenance on the state highway system will receive \$52.67 million as its 38.4 percent share of the fund. The Comprehensive Transportation Fund, earmarked primarily for state-financed public transportation and rail programs, will receive \$11.39 million as its 8.3 percent portion.

The 83 county road commissions will collect \$47.64 million as their 34.3 percent share, a 20.2 percent increase from the same quarter 1978. The 531 incorporated cities and villages will receive \$26.58 million as their 19 percent share, a 19.8 percent increase.

Together, the state, counties and municipalities maintain more than 116,000 miles of highways, roads and streets.

**Cut-It-Yourself Christmas Tree Guide Available**

For family outings during this holiday season, the Michigan Department of Agriculture, in cooperation with the Michigan Christmas Tree Growers Association, has produced a guide to choose and cut Christmas trees in lower Michigan, according to Dean M. Pridgeon, MDA director.

Good things growing in Michigan include about 4.5 million Christmas trees sold annually. Our state is the nation's largest grower of plantation Christmas trees and they are shipped as far as Florida, California, Texas and Hawaii.

The guide provides names, addresses and phone numbers of 75 Christmas tree growers in Michigan, explains what types of trees are available at each farm and the grower's business hours. A map shows the location of each grower listed.

Some Christmas tree farms provide saws, have snack bars, tree wrapping and cleaning services, and pre-cut trees. These services are indicated in the listing.

Old-fashioned wagon or sleigh rides are also available at some listed farms for people who want to take a trip down memory lane.

Guides are available without charge from AAA branch offices, Michigan Travel Bureau, and the Communications office, Michigan Department of Agriculture, Lewis Cass building, P. O. Box 30017, Lansing 48909.

**WHOLESALE VS RETAIL LAND**

In the normal marketplace, there are two price levels — wholesale and retail. The purchase and sale of raw land is no different. A review of the sales price history of any large parcel of land will show abrupt little jumps as the acreage is subdivided and sold off in smaller lots.

Much of this increase is due to the cost of improvements such as sewers, streets, sidewalks, and utilities. But increases of this sort are also due to the wholesale / retail — marketing structure of the world. Therefore, consider bulk buying of land at a wholesale level a good way to buy. It may take the pooling of several financial sources (partners, for ex-

ample). But if ten acres are available for \$5,000 per acre, then forty acres may be available for \$4,000 per acre if you are buying from one seller.

Conversely, assemblage, which is the act of buying a group of small parcels to make up one large parcel, can prove very costly because the buyer will have to pay retail prices.

**Jaycees, Auxiliary In Busiest Season**

Tuesday night, Dec. 4, the Chelsea Jaycees and Auxiliary held their annual joint Christmas Dinner Meeting at Inverness Inn. After cocktails and a prime rib dinner catered by Tim Orbring, both groups held brief meetings.

Special guests were Sharon McGill, president of the Michigan Jaycee Auxiliary, and her husband, Hugh, and Jaycee District Director N-2 Jim McCassey and his wife, Connie.

McGill and her husband presented speeches. A silent auction was held and everyone enjoyed dancing after the meetings.

Entertainment included a visit from Santa Sprawka and Christmas Sandy, and secret pals exchanged gifts.

December is the busiest month

of the year for both organizations. They are involved in the Red Cross Blood Drive, trees for fatherless boys, needy kids Christmas and many social activities.

The Art Steinaways are once again opening their home for the Jaycee family Christmas party.

In January, the Auxiliary will be sponsoring a Bowl Down Reyes project to raise money for research into Reyes Syndrome. Jaycees are organizing a basketball team and are planning their DSA banquet in the spring.

Jaycees meet the first Tuesday of each month. Anyone interested in joining should contact Bob Meyer, president.

## Letters to the Editor

Dear Editor:

State Representative Mary Keith Ballantine (R-Jackson) has called to our attention the concern that has been voiced in the Chelsea area over the great number of escapes from the Cassidy Lake Technical School in Chelsea.

We feel that minimum security institutions, such as Cassidy Lake, serve a valuable purpose in our correctional system. At the same time, however, it is imperative that the people who live in the communities in which correctional facilities are located be adequately protected from those who are incarcerated. The number of escapes from Cassidy Lake suggests that perhaps the Chelsea community is not being adequately protected.

Representative Ballantine, as a member of the House Corrections Committee and as a concerned area citizen, met with local officials and citizens on Tuesday, November 20, over the Cassidy Lake problem. Representative Ballantine is currently investigating the problem in detail in order to ensure that corrective actions taken by the Department of Corrections will be sufficient. Once Representative Ballantine has completed her investigation, she will meet with appropriate local officials to update them on the situation.

The fact that the Chelsea community has been willing to accept Cassidy Lake facility has been very helpful to the correctional facility in Michigan. In return, we feel that as members of the House Corrections Committee, it is our responsibility to take the concerns of the community regarding public protection very seriously. The House Corrections Committee is the legislative body with formal oversight over the operations of the Department of Corrections, and we hope to work with you to ensure that your concerns are being taken seriously by the Department and that those concerns are resolved to the satisfaction of all parties involved.

Sincerely,  
House Corrections Committee

# Legislative Update

A Weekly Report from  
State Rep. Mary Keith Ballantine  
State Capitol, Lansing 48909  
Phone (517) 373-1775

Week of Dec. 3-10

**WINTER WRAPUP** — Issues to be dealt with during these final days of the 1979 session include legislation on wetlands, public employees' right to strike, restructuring Wayne County government and the increasing of oil and gas severance taxes in Michigan.

**PETITION DRIVES** — Two petition drives have begun to place on the 1980 ballot issues that were also topics in 1978: restoring the death penalty for first-degree murder; and lowering the legal drinking age to 19 from the present 21.

**PAY HIKE?** — The Compensation Hearings Panel has recommended that all state employees get a 10 percent pay hike for the 1980-81 fiscal year. However, Governor Milliken has already indicated his opposition, and legislative approval is unlikely.

**BUDGET CUTS** — In preparing his recommendations for the 1980-81 fiscal year, the Governor has noted that state revenue will show little or no increase over present levels. Therefore, he has said it will be necessary to either raise taxes to maintain current services, or to cut services and have no tax increase. His initial thoughts have been for a 20 percent cut.

**COAST GUARD** — The U. S. Coast Guard Academy is now accepting applications for appointment to the Class of 1984. Graduating high school seniors interested in attending must submit their applications by Dec. 15; many factors are considered. For an application, write to the Director of Admissions, U. S. Coast Guard Academy, New London, Conn. 06320.

**LAND INVENTORY** — Both houses of the legislature have now approved SB 443, which requires the Department of Natural Resources to conduct and complete within three years an inventory of the state's land resources and how they are used. This will then be used for state land plans as well as to help local governments manage their land resources too.

**RACING VETO** — Back before the legislature is HB 4531, which was vetoed by Governor Milliken. It would have prohibited withholding income taxes on racetrack winnings, and would have allowed betting losses to be deducted from winnings. He said this was bad tax policy.

**SCHOOL PRAYER** — Now in the Senate is HB 4508, which would require public schools to provide students with time for prayer. Such time is presently allowed but not required. The bill was approved in the House by a 2-to-1 margin despite questions on its constitutionality.

**RAPID RAIL** — The Governor will soon sign into law SB 469, which will join Michigan with six other nearby states in a study on building a rapid-rail transit system between major cities in those states. These would be similar to 100-mph trains now used in Japan and Europe.

## Pre-Christmas Workshops Set

Two Saturday Pre-Christmas workshops will be offered by Washtenaw Community College, Dec. 8 and Dec. 15.

The first is in special ornament making on Saturday morning, Dec. 8 from 10 a.m. until noon. Each student will construct two different snowflake Christmas tree ornaments in class with provided materials. The class will be taught at River Art Works at 60 E. Cross St. in Depot Town, Ypsilanti. A \$5 fee will be charged.

The second is a photo seminar designed to show participants how to take pictures of Christmas decorations, how to make

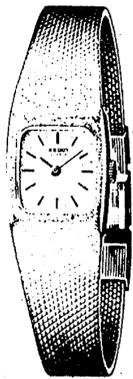

Christmas cards for next year. Those enrolled in the class are urged to bring their own cameras. No darkroom work is involved. The class meets Saturday, Dec. 15, from 1 to 4 p.m. in Room 104 of the College's Ypsilanti Center at 210 W. Cross St. (the old Ypsilanti high school). A \$5 fee is charged.

Advanced registration for the classes is requested by calling WCC staff at (313) 482-2230. As with all programs at the College, in-district senior citizens are invited to participate at no charge as part of the College's Emeritus program.

## questions and answers

Q. I've hired a man to do some painting and repair work around my home this fall. Is he considered a household employee for social security purposes?

A. Yes provided he is not engaged in a trade or business. Household employees include people who do repair work or house cleaning, gardeners, babysitters, cooks, and chauffeurs—anyone working as an employee in or around someone else's home. If you pay a household employee \$50 or more in cash wages in a 3-month calendar quarter, the employee's wages are covered by social security. You must report the wages and send the social security taxes due on them to the Internal Revenue Service. For more information about reporting wages of a household employee, contact an Internal Revenue Service office.

## Cross-Country Ski Clinic Scheduled

The United States Ski Association (USSA) is conducting a free cross-country ski clinic for youths under the age of 14 on Saturday, Dec. 15, from 10 a.m. to 12 p.m. The clinic will be held at the Washtenaw County Recreation Center, 4133 Washtenaw Ave. (at the corner of Washtenaw and Hogback Rd.).

The USSA is the national governing body for amateur ski competition and supports the Bill Koch Ski League through a grant from the Travelers Insurance Companies of Hartford, Conn. The clinic features a professional instructor from the USSA and a "mobile ski shop" equipped with boots, poles and skis. Activities will include the opportunity for all youths to try on the equipment and receive basic instruction, also games, demonstrations and films.

Parents and interested nordic skiers are welcome to attend and help out with the program or participate in an adult clinic that will run concurrently with the children's clinic.

Weather permitting the clinic will be held outside. In the event of inclement weather, the clinic will be held inside using a 25-foot simulation ramp for instruction purposes. The clinic is being sponsored by the Washtenaw County Parks and Recreation Commission and Pittsfield Township Recreation Department.

For further information about the clinic contact the Parks and Recreation office at 973-2595.

## Christmas Ballet Scheduled By Salvation Army

The 11th annual Christmas  
Ballet, which is co-sponsored by  
the Ypsilanti Area Dancers and  
the Salvation Army, will be held  
Saturday, Dec. 8, at 3 p.m. and 7  
p.m., and Sunday, Dec. 9 at 3  
p.m. at the Ypsilanti High School  
Auditorium, corner of Packard  
and Hewitt. Tickets will be  
available at the Salvation Army  
Citadel, 9 Park St.; Buck Realty,  
950 W. Cross St.; Durant's  
Florist, downtown Ypsilanti; and  
at the Ypsilanti High school box  
office immediately prior to each  
performance. Please call the  
Salvation Army, 482-4700, if fur-  
ther ticket information is needed.  
Mr. Edward Deake, president  
of the board of the Ypsilanti Area  
Dancers, is the liaison and co-  
ordinator with the Salvation Ar-  
my in producing this year's per-  
formance. Mrs. Deake served as a  
board member with the Salva-  
tion Army for many years and  
through her determination and  
tireless effort the annual produc-  
tions of the Christmas ballet  
are made possible.

The Ypsilanti Area Dancers,  
under the direction of Marjorie  
Randazzo, is divided into two  
groups. The younger students,  
ages 10-14 are the Apprentice  
Dancers, and the Dance Theater  
is comprised of older and advan-  
ced students.

The Dance Theater will per-  
form unforgettable excerpts  
from "The Nutcracker Suite Act  
II" and "Cakewalk." Through  
the skill, talent and strength of  
these dancers, a fine perfor-  
mance of classical ballet will be  
witnessed.

The Apprentice Dancers will  
perform the ballet "Degas,"  
choreographed by Beth Wood-  
ward. This ballet is based on  
Degas' masterpiece "The Danc-  
ing Class." The dancers will  
skillfully bring the activities of  
this painting to life by presenting  
their version of what might oc-  
casionally happen in a 19th cen-  
tury ballet class.

Does the dance master have  
firm control over his class of  
adolescent students? Could the  
serious atmosphere break down  
into some delightful and  
humorous antics? Come and take  
this imaginative journey with the  
dancers.

Teaches it is of divine origin: "Inspired of God." It  
is God-breathed. It contains God's thoughts. It was  
written by holy men as they were "moved by the  
Holy Spirit." (2 Peter 1:21). It is a gradual un-  
folding of God's plan and will toward man. (He-  
brews 1:1, 2). The Bible reveals its function: "it is  
profitable" — "For teaching." It is the source of  
our instruction concerning the fundamentals of  
life. "For reproof." That is, confutation of error.  
"For correction." We make many mistakes and need  
correction. When we go astray, the word of God sets  
us upright. The Psalmist David wrote: "Thy word  
have I hid in mine heart, that I might not sin against  
thee." (Psalms 119:11). "For instruction that is in  
righteousness." The Bible offers the only remedy  
for sin. We find written in 2 Peter 1:3, "Seeing that  
his divine power hath given unto us all things that  
pertain unto life and godliness through the knowl-  
edge of him that hath called us to glory and virtue."  
The conclusion, thoroughly furnished unto all good  
works."

## Good Things Growing in Michigan

In Michigan, where good things are growing, we don't make all the wine in the world—but we do make some of the best!

Michigan's vineyards produced 4,200 tons of wine grapes in 1978 to rank sixth among wine-making states, according to the Michigan Department of Agriculture. Appetizer, dinner, sparkling and cooking wines are bottled at many of the 14 wineries now selling products throughout the state and in half the nation. If the word Michigan appears on the label, a minimum of 75 percent of the grapes used must be grown here.

Wine-making involves more than fermenting grapes. They are fermented, then aged to permit the characteristic flavor, body and bouquet of the wine to develop.

Michigan's wineries have been presented with more than 145 state and national awards in the last three years, including 39 at the 1979 Michigan State Fair in Detroit.

Leonard Olson, wine-maker for Tabor Hill Vineyard and Wine Cellar near Buchanan, was awarded a Gold Vine award for 1979 by the Brotherhood of the Knights of the Vine for his "specific outstanding achievement as the founding father of premium wines in the midwest." Olson received one of five Gold Vine awards presented yearly by this international wine society (based in France and California) to recognize outstanding achievements in the wine industry.

Michigan wines make any meal a celebration! To learn more about our state's wine, have a wine-tasting party. First, check the wine for color and clarity by

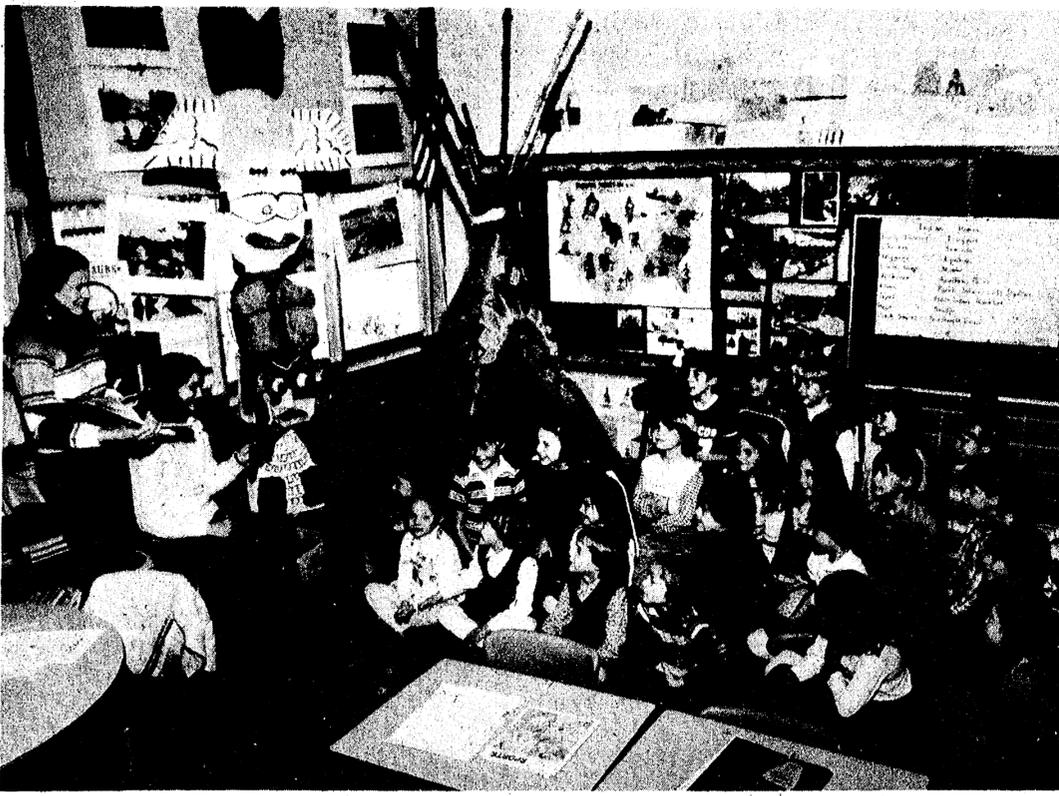

holding the glass stem and raising it to light. Swirl the wine to sniff the aroma, the grape fragrance, and its bouquet, which comes from aging. Next, sip the wine slowly to note its pleasant tartness, sweetness, if any; its body, consistency and distinctive flavor.

It's best to begin by tasting light and most delicate dry wines—white, light rose; and then those wines with more pronounced flavor and sweetness.

**TRIBE'S TOTEM:** A study of North American Indians by Mrs. Hamilton's South school second grade class prompted the children to design and build a totem pole themselves. The class chose a Thunderbird for the top because of a legend Mrs.

Hamilton read to them, and then added traditional smiling and scowling faces. Mrs. Keane helped the class to construct the pole of a cardboard carpet roll and paper bags stuffed with newspapers, finished off with paper mache and colorful paints.

ENERGY PLUS+ BILL PAYING ASSISTANCE.

# HELP US HELP YOU.

### HAVING TROUBLE PAYING YOUR ELECTRIC BILL?

Detroit Edison understands that sometimes special problems arise that make it difficult for customers to pay bills on time—an illness, loss of employment, an accident or a disability.

If this happens to you, just visit, telephone or write any Detroit Edison Customer Office. Every office has Customer Representatives who can assist you with any bill payment problem... and help you avoid overdue bills that could result in a service shutoff.

Here are some Detroit Edison programs designed to help you keep your electric service account up-to-date.

### BILL PAYMENT COUNSELING

Detroit Edison's Customer Representatives will offer advice and assistance and suggest ways to obtain aid for paying bills through public assistance programs such as social service, welfare agencies or the Michigan Heating Assistance Program. So, call or stop in at any Customer Office and talk things over.

### PAYMENT PLANS

There may be a time when you are temporarily having trouble paying your Edison bill. Payment plans are available for any overdue bill and can be tailored to fit your situation.

Other Detroit Edison Programs can help you avoid problems arising from overdue bills:

### DOUBLE NOTICE PROTECTION PLAN

When you sign up for this Plan, you will choose a relative, friend or community agency to receive a copy of any shutoff notice that may go to you. The person or agency will be able to contact you to find the cause of difficulty and to help make payment arrangements with Detroit Edison. This Plan is especially helpful for the elderly, the sick, the shut-in or persons who spend extended periods of time away from home.

### SENIOR CITIZEN RATE

If you are 65 years or older and the head of a household, this special rate can help lower your electric bills if you use less than 548 kilowatt-hours a month—848 kilowatt-hours or less if you have controlled electric water heating combined on your regular meter. If you want more information, phone or stop in at any Customer Office. A Customer Representative will answer your questions and suggest the rate which best meets your needs.

### WISE USE OF ELECTRICITY

Detroit Edison has a wide selection of booklets on how to make the most of your electric dollar.

Just stop in at any Customer Office and pick up what you need.

Detroit Edison does everything possible to get in touch with you when your electric bill is overdue to see if you need help. But you can help by getting in touch with Detroit Edison.

Detroit Edison wants to do everything in its power to keep the power in your hands.

So please help us help you.

**THANK YOU**

It is with the deepest and most grateful appreciation that I want to express my "thank you" to each and everyone one of you who remembered me on my 90th birthday. Many of you perhaps will not know an old song which brings back golden memories, the lyrics of which are—quote "dear friends and gentle people, who live in my home town". However, not only in my home town, but in every home town in which I lived during my teaching years, also to my many friends in the surrounding area—Chelsea, Jackson, Ann Arbor, and especially the half-page coverage in the Rochester Clarion. "Thanks, Chuck!" I would like to extend a special thank you and grateful appreciation to Professor Carol Harding and Mary Leeman, both of the faculty of Michigan State University, and Carl Loeffler, of Ann Arbor, who planned the open house. God bless them and everyone for making my special day such a delightful and memorable day.

Linda T. Knorpp.

**CARD OF THANKS**

A special thank you to Pastor Porinsky who spent so many long hours with us. Thank you also to the Ladies Aid and members of Faith Lutheran church and our many friends and neighbors. We also appreciate the comfort provided by Don Cole and the Burghardt-Cole staff.

The family of  
Charlotte Straub.

**THANK YOU**

Chelsea High school debate team wishes to thank the community for their support on our "I Can Day," Sunday, Nov. 25. We are also grateful for the use of Bob Merkel's garage and house, and to Jiffy Market, for accepting the "truck load" of cans. Due to the generous donations (we raised \$172.50), we will be able to go to debate tournaments that we otherwise would have missed. Thanks again.

**Holiday Season Activities Abound**

Michigan trims December with ho ho holiday happenings and jolly things to do right into the New Year.

Visions of sugar plums become more than just visions for all who stroll the streets of Fantasyland, Dec. 1-24, Kennedy Memorial Center, Lincoln Park. There will be toy shops and candy stores, a mouse factory and nursery rhymes come to life. Santa's elves will be there too, busily filling Christmas orders.

All month long, (Dec. 1-31) the International Institute, Detroit will feature Christmas Around the World, yuletide traditions celebrated in other countries. At Greenfield Village and Henry Ford Museum, Dearborn, the traditions, crafts and cookery of Christmas past give the holiday month a very special flavor. And, the Christmas Flower Show will be in full bloom in the Belle Isle Conservatory, Detroit.

Detroit's Christmas Carnival, Dec. 8-23, Cobo Hall, has become an annual favorite among children and grown-ups alike. This year's gala will include 35 festive exhibits, many of them animated. There will be an opportunity to test your snowball throwing skill and Santa's Castle will be open to visitors.

Music and mime, puppets and dance, craft demonstrations, Christmas decorations, foods and carolling are just a few of the things to enjoy Noel Night, Dec. 12, in Detroit's Cultural Center.

America's pioneers didn't have ready-made ornaments, or twinkling tree lights, but they knew how to make Christmas a very special occasion. The homespun crafts, recipes and joys of the season are recalled Dec. 1-2 at White Pine Village, Ludington and at Delano Homestead, the Nature Center, Kalamazoo, Dec. 16.

Lunch and a sleigh ride with Santa himself will put a twinkle in a child's eye, Dec. 14-16 and 21-23 at the Kensington Children's Farm, near Milford. Reservations are required. Other holiday events specially for children include, the National Puppet Theatre's "Story of the Nutcracker," Dec. 1-16, Fashion Square Mall, Saginaw, and "Snow White," Dec. 7-9, at the Players Guild of Dearborn.

The magical world of the Sugar Plum Fairy is an annual treat, and "The Nutcracker Ballet" will be on stage at Whiting Auditorium, Flint, Dec. 1; Heritage Theatre, Saginaw, Dec. 9; Miller Auditorium, Kalamazoo, Dec. 15; and Ford Auditorium, Detroit, Dec. 28-30. Another "once-a-year" special, the Detroit Symphony performing the "Messiah," is set for Dec. 21-22, at Ford Auditorium. The Symphony will be accompanied by the Kenneth Jewell Choral and special guest soloists.

The holiday month includes special musical and magical treats the likes of song and dance man extraordinaire, Ben Vereen, at Detroit's Music Hall, Dec. 4-9; followed by the Murray Louis Dance Company, Dec. 12-16.

Closing out the month at the Musical Hall is the '79 edition of the Blackstone Magic Show, Dec. 18-31. The breathtaking illusions that are a family trademark, animals, dancers and many new surprises are sure to appear from the Blackstone bag of tricks. Special discounts will be available for children 12 and under.

The Christmas star inspires December programs at Michigan planetariums this month. In Alpena, the Jesse Besser Planetarium, presents "The Star of Bethlehem," Dec. 2-20. "Holiday Skies and the Christmas Star," will be presented weekends and Wednesday evenings during the month at the Cranbrook Institute of Science, Bloomfield Hills. Abrams Planetarium, East Lansing offers their popular "Star of Wonder" Skyshow, Dec. 1-23.

For snowmobiling families in particular, the Harrison Mardi Gras, Dec. 26 through Jan. 1 is a most popular event. Activities include daily snowfests, poker rally, a Snodeo, plenty of hot dogs and hot chocolate, and of course, the Mardi Gras Parade. There'll also be games and dancing at the Millionaires Party, Dec. 31, and daily cross country skiing safaris and races.

Other December "specials" include the Christmas Craft Bazaar, Dec. 8, Community Center, Alma; and the Copper Country Sled Dog Race, Dec. 29-30 at Atlantic Mine, just south of Houghton.

**CHRISTMAS BIKES:** Deanna Richardson, a 7-year-old first grader at North school, was the proud winner of a new 3-speed bicycle at the Dana Corporation Christmas party last Saturday evening, Dec. 4, the children and grandchildren of Mr. and Mrs. William A. Zahn of 1545 Pleasant Shore Dr., Manchester to honor the Zahn's 60th wedding anniversary. They were married Dec. 4, 1919.

The Zahn's children and their families present were Mr. and Mrs. Clarence (Violet) Schneider and son, Jim, Aunt Goldie Tippet and daughter-in-law, William and daughter-in-law, William and Mrs. Schneider were unable to make the trip from McAllen, Tex., where Carl is a student in the Lutheran Church, Missouri Synod.

The Zahn's son's family, Mr. and Mrs. Oscar Zahn and children, Ronald, Brian and Sharon, of Sallie were present.

**Today's Investor**

Q. My husband is a retired Civil Service employee and his retirement benefits are \$1,500 plus each month. I am still employed and my salary is \$30,000 per year. I will be able to take early retirement at 55 if I desire, but of course, I must take the money within six months of retirement. I need to invest this money at that time. My husband and I have our home and two rental houses. We have talked about investing in more real estate but it has gone up so high now that it does not seem to be a practical investment at the present.

We have \$50,000 in Money Market Certificates which we have been reinvesting each six months; a \$4,000, 7% Credit Union certificate and deposits of \$4,000 at 5% per year, a \$1,000 note at 10% and \$1,000 in a Mutual Fund.

I would be interested in your ideas.

A. So far it looks to me like you are beautifully prepared for retirement.

Your pension and your husband's give you a base of fixed income. They are a very good thing to carry on an excellent standard of living.

You do not say whether you have debts on your rental housing and son, Jim, Aunt Goldie Tippet and daughter-in-law, William and daughter-in-law, William and Mrs. Schneider were unable to make the trip from McAllen, Tex., where Carl is a student in the Lutheran Church, Missouri Synod.

**BOOK NOOK:** The fascination of a good book never wanes, as these south school youngsters, off in their own protected world, demonstrate.

**DNR Gives Tips on Preparing Venison**

The November-December issue of "Michigan Natural Resources Magazine," provides deer hunters with some tips on how to handle and cook venison for best results at the table.

While many people, especially those tasting venison for the first time, are doubtful of the taste, claiming it's "too dry" or "too gamey," the simple truth is that properly prepared venison can be as delicious as any serving of beef or pork.

Many hunters have different opinions on the proper way to field dress a deer. But everyone agrees there's one important principal that should always be followed: cleanliness. Other than the fact that a dressed-out deer is much easier to drag out of the woods, your two objectives in "gutting" it are to remove the blood and the internal organs as soon as possible because these are the major causes of bacterial action which spoil the meat. If you can make sure the animal is clean and stays that way you've done half the job necessary to prevent spoilage.

Wrap the deer in plastic or canvas to transport it home. If the temperature is quite cold, put the deer in your trunk. Do not carry it near the engine where heat may cause the meat to spoil.

When cooking venison, you need to compensate for its leanness by use of moist heat methods, or by adding bacon strips of beef suet to the recipe, or by marinating liberally.

A marinade sauce used by Walt and Sybil Houghton of Interlochen, who teach a wild game cookery class, contains the following: ¼ cup wine vinegar, 1 T. soy sauce, 1 tsp. onion salt, ¼ tsp. pepper, 1 T. catsup, 1/8 tsp. garlic powder (or one crushed garlic clove), 2 T. salad oil or olive oil.

Soak venison round steak in marinade for two hours in the refrigerator, turning every 20 minutes. It may then be grilled on a grill, or broiled, depending on the thickness of the steak. The meat will still be a little red in the center when it's done. Baste with marinade for the last 10 minutes.

A favorite method of cooking venison is in a stew. Jane Herbert of Ann Arbor has the following recipe for Deer Hunter's Stew. She says it is delicious served with bread butter.

—2 pounds cubed venison stew meat, 1 package stew seasoning mix, ¾ cups water, about a dozen small red-skinned potatoes, 3 stalks celery (chopped), 4 carrots (chopped), 6 small whole onions.

Roll meat in flour, salt and pepper, then brown in shortening. Add seasoning mix, one teaspoon salt, and water. Cover and simmer for about 45 minutes, depending on cut of venison used. Add vegetables and cook another half hour.

Another favorite way of cooking venison is in a crock-pot. Simply brown stew meat in a skillet, then turn into the crock pot with onions and water. For flavoring add dried onion soup mix and mushroom soup mix. Simmer for several hours, adding vegetables later so they don't overcook. Serve when meat is easily separated with a fork.
