Police Seek Witness to Dog's Death

At 8:43 p.m. Wednesday, May 5, Chelsea police were given a report of a dog lying dead on Main St. According to the owner of the animal, the dog fell or jumped from the second-story roof of a building on Main St.

Since that time, Chelsea Police have questioned each and every person who was in the area at the time of the incident and made a report to the police department. Nevertheless, a number of area residents are suspicious of the animal's death, in part, because it fell into the street and not on the sidewalk.

Police have made serious attempts at locating an eyewitness to the occurrence in order to provide them with an accurate account of the actual incident. Until such time that a witness is located, it must be assumed that the dog fell or jumped from the roof. Still, should an eyewitness report be made and includes that the animal was thrown from the building, legal action will be taken. Without an eyewitness account, no charges can be filed against the dog's owner.

Choral Groups Prepare Concert

Poppy Day Sale Set For Friday

On Friday, May 21, the red paper poppy will be offered to the public by the American Legion Auxiliary as well as the Chelsea VFW Auxiliary. This is a reminder of the sacrifice of countless thousands in four wars and is an annual event undertaken by members of both local service groups.

Volunteers from the ladies' organizations will once again take part in this nationwide program in memory of those who gave their lives in the name of freedom.

Funds collected on Poppy Day are used to assist the needy veteran and his family. It is a self-help program; the familiar red paper poppy is hand-made in poppy shops operated by volunteers. In these shops, disabled and hospitalized veterans make the flowers by hand, petal by petal. It is part of a physical and psychological therapy program. The veteran is paid for his work and then the poppy is offered to the public, not at a price, but for a contribution to say America remembers. This program has been conducted in the United States since 1920.

All proceeds from the Poppy Day event are channeled directly into rehabilitation and welfare work for the needy veteran and his family in the community and in the hospital.

Auxiliary members will ask the public to pause for a moment, pin on a poppy and wear it with pride.

Founding members will elect the officers and Board of Trustees of the foundation and will have the opportunity to take part in the formation of the foundation and the determination of its objectives and goals.

The Civic Foundation of Chelsea is a community trust which will seek, receive and administer gifts, grants, and bequests from individuals, corporations and foundations and manage and distribute them under community control for charitable purposes.

Funds collected by the foundation will be used in the best interests of the citizens of the

Chelsea area. Funds will be used for charitable, religious, scientific, civic, moral, literary, cultural, social, economic and educational purposes. Similar community foundations have made grants to senior citizen centers, area transportation services, libraries, museums, parks, recreation centers, etc.

The Civic Foundation of Chelsea is a non-profit organization. The Internal Revenue Service has ruled that contributions are tax deductible.

Interested persons should contact any member of the committee or Art Dils, 994-3004.

Youths Caught Stripping Vehicles on Railroad Car

At 9:30 a.m. Thursday, May 13 a west-bound freight train was passing through Chelsea enroute to Jackson when it developed mechanical problems and forced the blockage of all railroad crossings. The railroad offices were contacted and the train was backed up to the outskirts of town, thereby blocking the Freer Rd. crossing only.

At the time of the breakdown, a Chelsea citizen reported to the Chelsea Police Department that two boys were on the train, loaded with trucks and automobiles. According to reports, these youths were rolling tires on the bi-level.

When noticed, the boys jumped off the train and ran north on McKinley St. They were apprehended on North St. and taken to Chelsea Police Department. Heading back to the railroad, Chelsea police apprehended the third suspect and took him into custody as well. The trio was apparently stripping tires from the vehicles.

Through interview, Chelsea Police were told that the three boys, ages 13, 14 and 15, were all

from Jackson and had jumped an east-bound train on Wednesday and spent the night in the Ypsilanti train yard. They were enroute back to Jackson at the time of the freight train breakdown.

Chelsea police notified the Jackson Police Department and were told that each of the three boys has extensive juvenile criminal records ranging from violation of probation to breaking and entering.

Conrail Police Department Capt. Don Cowling took the three youths into custody from the Chelsea Police and returned them to Jackson.

Court Challenge Expected Over Legislative Reapportionment
 Democratic members of the Legislature are expected to file a suit in federal courts to challenge the legislative reapportionment plan developed as a result of guidelines established by the state Supreme Court.

The suit is expected to be filed in the U.S. District Court in Flint after negotiations broke down between Senate Democrats and Republicans over a bipartisan plan.

The state Supreme Court is expected to approve a plan written by former state elections director Bernard Apol who developed the plan under guidelines of the court.

The Apol plan was developed without regard to any incumbents, thus making members of the current Legislature unhappy that some incumbents will face others as their residences now fall within the newly drawn districts.

Negotiations broke down in the Senate as Republicans declared they could not support the proposed bipartisan plan.

Senate Minority Leader Robert VanderLaan of Kentwood said his caucus was not too anxious to pass another plan over the Supreme Court-directed Apol plan as it would give the court a mixed signal.

He said the bipartisan plan gives Republicans no more than 13 sure districts and not the 17-17 split with four swing districts as suggested by Senate Majority Leader William Faust of Westland.

The Apol plan, meanwhile, has a definite Republican flavor and could swing the majority in the Senate back to Republicans and narrow the gap of the Democratic majority in the House.

Faust said he would file a suit against the Apol plan and would expect similar suits from House Speaker Bobby Crim of Davison, Detroit Mayor Coleman Young and the Democratic party itself.

He said he would file the suit as soon as the Supreme Court takes any action on the Apol plan.

The majority leader further said his suit would be based on equal protection, the one-man, one-vote concept, weakening in black districts and incumbents not being considered when drawing the new districts.

Crim, meanwhile, indicated that a plan approved on a 67-37 vote would still be presented to the Supreme Court as a measure that had bipartisan support and met the court's guidelines on reapportionment.

House Minority Leader William Bryant of Grosse Pointe

said, however, his vote for the proposal should not be considered his "consent" to have the House plan installed instead of the Apol proposal.

Bryant said the plan drafted by Apol would give Republicans a better chance of winning a legislative majority, but warned it would cause greater legal problems with its large population deviations of more than 15 percent.

Reapportionment follows the results of the every 10-year census count. It reflects shifts in population both in and out of the state.

As a result of a declining population, Michigan will lose one of its current 19-member congressional delegations.

The congressional reapportionment plan, earlier read by the state Legislature, is also being finalized in the courts.

Weight Reduction Classes offered By Chelsea Hospital

Chelsea Community Hospital is once again offering a series of 10 weight reduction classes that will begin the week of May 23. The classes are 10 weeks in length. Topics to be covered during the 10 weeks include low calorie cooking tips, exercise and weight reduction, shopping tips, eating out on a low calorie diet, normal nutrition, and information on fad diets. Particular emphasis will be given to assessing behavior modification techniques helpful to each person's weight reduction program.

The course will be taught by Julie Say, R.D., community nutritionist, and Karen Pyett, R.D., clinical dietitian.

Each registrant will receive a personalized diet, knowledge of using behavioral techniques useful in controlling weight, and increased knowledge in nutritional aspects of weight reduction.

Community members who attended the winter series of weight reduction classes enjoyed learning about topics offered in the program. Class members were also pleased with their success in weight loss. The average weight loss for each participant was one pound per week.

A registration fee of \$35 is charged to cover costs of the 10-class series. Afternoon classes will be held at Chelsea Community Hospital, 775 S. Main St. at 4 p.m. each Wednesday.

Evening classes will be held at the Manchester Medical Center, 500 Galloway Dr., Manchester, beginning the week of May 23 and ending the week of July 25.

For information about class registration, call Pam Burton at (313) 475-1311, Ext. 361.

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

Never mind the As and Bs, Ed Doolittle declared at the opening bell of the session at the country store Saturday night, think 3 Cs. Ed had this clipping where a Florida car dealer run ads in papers all over the country claiming America has ferreted her 3 Cs, and Ed was spitting mad about it. The feller told how this country has got away from consideration, cooperation and communication in building cars, and Ed said the ad is about the biggest crock to come down the pike since Pearl Harbor.

First off, Ed reported, the ad claims Japanese cars are better because Japanese workers are happy. They git along fine with their boss, they go straight home to their wives and everting is right with their world. They only issue that ever comes up between labor and management in Japan, this feller claims, is how they can make better cars. This "wake up, America" message went on to say the American worker has lost his pride and his purpose, all because he and his boss don't cooperate or communicate and ain't considerate.

While Ed had the floor, Mister Editor, he run his own ad. He said what we're talking about is national Government policy in the international marketplace. This country felt so bad about winning the war, Ed said, until it pumped Japan into the best of all worlds. Japan can buy all the raw material it wants here, make cars and send em over here and sell em. But try buying American products in Japan. You can't come up with enough yen to satisfy your yen for anything American that Japan is turning out a copy of, was Ed's words.

Bug Hookum, fer one, was full agreed. He had saw where folks in Japan are crazy about baseball, but they can't make a decent metal bat. The best bats are made in the U.S.A., but when our companies tried to sell bats in Japan what they got was a quick

Japanese Government process to certify foreign bats. And Japan sent the order to the American companies wrote in Japanese. What this means, Bug declared, is that American baseball can grow in Japan, but \$30 million worth of metal bats a year will be supplied by Japanese companies and most of em will be broke, which will only make the bat market grow faster. When you play in their ball park, and when they play in your ball park, Bug said, you play by their rules.

Farthermore, Ed broke in, while the Japanese are breaking all their bad bats, Americans will be playing in "made in Japan" shoes and gloves and driving to the park in Toyotas and Datsuns while they gripe about America's loss of pride in workmanship. The trouble with being a free and open society, Ed declared, is that you're a easy mark fer ever society that ain't.

Personal, Mister Editor, I'm with Ed. I figger if the Russians could make bread we could eat we'd buy back all our wheat just so they wouldn't think refusing was insulting their cooking.

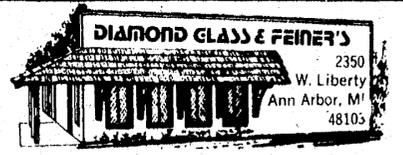

Yours truly,
 Uncle Lew.

Spinners' Flock' Guild Formed By Women Interested in Spinning

The Spinners' Flock' is a guild of handspinners, with members and chapters in three counties in Southeast Michigan. It was founded in the fall of 1980 in Howell, by a group of women who raised sheep and were spinners of their own flocks' fleece or wished to learn to be spinners.

Those members who knew how to spin taught the others. Now women joined the group at every meeting, and soon the Livingston county group inspired a group in Washtenaw county to form as part of the whole group. Again, most of the women who joined were wool growers or sheep breeders, or were interested in becoming so.

An avid spinner and sheep breeder from Lenawee county, Donna Brown Davidson, met with both groups frequently, then founded an affiliate group called the Lenawee Spinners. Today the three groups together member some 80 members, and are still growing.

The Spinners' Flock' exists for the encouragement and teaching of handspinning, and for the encouragement of sheep breeding and wool growing in

Michigan, and for the purpose of educating the public at large about the wonderful uses and qualities of wool, one of the most important agricultural products of our district. Members teach and demonstrate all over this part of the state, at grade schools, fairs, museums, and 4-H gatherings. While not all of the members have sheep, by far more than half do, but it is not a prerequisite for membership.

The guild holds monthly meetings in members' homes, and has a Newsletter published regularly and edited by Donna Brown Davidson, of Weston. It is called Second Cuts, and is also available by subscription by writing to Donna Brown Davidson, 10110 S. Brown St., Weston 49289.

Members of the "Spinners Flock" are very industrious, many producing enough hand-spun yarn for their own use and for sale as well, to the general public. In addition, they have wool fleeces of many breeds and colors for sale for handspinning and felting. Also, several of the members are now raising and selling Angora rabbits

Good Things Growing in Michigan

By Margaret G. McCall
Michigan citizens—young and old—are celebrating Michigan Week (May 15-22). With all the "good things growing in Michigan" you can join in the festivities by preparing all-Michigan menus for your family. In your tribute to Michigan's bountiful harvest each year, you can choose from nearly 50 agricultural crops grown in our state.

Michigan farmers received more than \$3 billion for their products in 1981, according to the Michigan Department of Agriculture. With addition of transportation, processing and marketing, the contribution of Michigan's agriculture to the state's economy is estimated at about \$16 billion.

The 1982 edition of Michigan Food Facts is now available, just in time for Michigan Week. Copies of the colorful 16-page booklet are available from the Michigan Department of Agriculture, Communications Office, P.O. Box 30017, Lansing 48909.

Food Facts lists nearly 50 commercial food crops grown in Michigan, tells how we rank in national production, and the value of each crop.

An endless number of delectable dishes can be prepared from our tremendous variety of agricultural products, such as chilled apple cider, tossed spring salad, glazed baked ham, crispy dinner rolls, milk and ice cream sundaes.

Treat guests to a succulent beef sirloin tip or rump roast with all the trimmings. Boneless cuts are easy to prepare and leftovers make great lunchbox sandwiches. Beef goes well with most vegetables. Michigan potatoes are a natural accompaniment, whether baked, boiled, mashed or prepared in a special dish.

A tasty side dish is made with fresh mushroom sauteed in butter and mixed with early spring peas. Or you can enjoy fresh Michigan asparagus, in season now.

Every professional with a grip on success, an eye on tomorrow, a style like no other, and an uncompromised philosophy should bank with the same.

Flexible. Independent. Experienced.

Softball Team Dominates SEC

Chelsea's varsity softball team has continued its domination of SEC play by defeating Milan, April 28. Amy Unterbrink threw her first no-hitter of the season as the lady Bulldogs won, 10-0.

Kim Forner led the Chelsea hitting attack with three hits, including a double while Unterbrink and Missy Lazarz each had two hits.

Chelsea continued league play by defeating Lincoln on April 30 as Donna Popovich tossed a no-hitter to post an 18-2 win over a weak Lincoln team. Popovich helped her own cause with three hits while Kim Forner continued

her hot hitting streak with two hits.

The Chelsea team finished the first round of league play on May 3 as they defeated Jackson County Western, 20-3, as Amy Unterbrink and Donna Popovich combined pitching duties and limited Western to just one hit. Unterbrink ran her string of hitless innings to 11.

In the second round of league play, Chelsea defeated once beaten Saline, 5-1, as Unterbrink stretched her hitless innings to 16 before giving up a hit in the sixth inning of the Saline game. Shelly Weber led the hitting attack

with three hits, including a double, while Celeste Powell collected two hits and Unterbrink blasted a three-run home run in the first inning as Chelsea took control of the game.

On May 8, the Chelsea team traveled to Royal Oak for the Dondero Tournament of Champions. The Chelsea team opened the tournament strongly as Amy Unterbrink tossed a strong no-hitter against Riverview to pick up a 3-0 win in the opening round. Unterbrink struck out 14 Riverview batters and allowed only one ball to be hit out of the infield. Chelsea next faced Class A Regina and Unterbrink continued to dominate the game from the mound as she threw five perfect innings. However, the roof fell in on Chelsea in the sixth inning as Regina erupted for seven runs on four walks, two fielding errors and two Texas league hits. Regina went on to score four more runs in the seventh inning as Coach Waller pulled Unterbrink from the mound to rest her arm for the next game. Donna Popovich pitched well in relief but the Chelsea team was clearly shaken by their first loss of the year and committed three more errors in the seventh inning.

The Chelsea team next faced a strong Fenton team in the losing bracket and Unterbrink once again was snake-bitten as she pitched five more hitless innings, giving Chelsea a 2-0 lead going into the sixth inning. Once again, disaster struck as Fenton opened the inning with an infield hit and the Chelsea team committed three errors to give Fenton a 4-2 lead. Chelsea loaded the bases in the seventh inning but came away without a run as Fenton took the game, 4-2, and knocked Chelsea out of the tournament. Coach Waller commented that the team played well for 19 of 21 innings and that the real problem was that the team collected just 11 hits in 21 innings.

Chelsea picked up league play on Monday, May 10 and Donna Popovich shut out Dexter, 10-0, in five innings as Amy Hume had two hits and drove in four runs as the lady Bulldogs continued their undefeated league play.

On Tuesday, the lady Bulldogs traveled to Tecumseh to make up a game that had been rained out and the Chelsea team fought off a tough Tecumseh team for a 4-3 win in eight innings. Amy Unterbrink pitched a two-hitter for the Chelsea team and Shelly Weber collected three hits to lead the lady Bulldog hitters. Celeste Powell had two hits for Chelsea while Amy Hume and Missy Lazarz each had an RBI single. However, the winning run came as Maggy Sweet opened the top of the eighth inning with a single and pinch hitter Jane Verwey sacrificed her to second. With one out, Shelly Weber tripled to right center to drive in what proved to be the winning run.

On Wednesday, Chelsea defeated Milan behind the two-hit pitching of Amy Unterbrink and Donna Popovich and guaranteed themselves no less than a tie for the SEC championship with a 10-0 league record.

Chelsea girls are now 15-2 for the year.

Warm-Up Exercises May Help Prevent Painful 'Tennis Elbow'

If you're taking to the courts this summer, some warm-up exercises might prevent a bout with tennis elbow, says a Michigan State University physician.

Kenneth Stringer, D.O., a staff physician with the Sports Medicine Clinic at MSU, recommends tennis enthusiasts warm up for 10 to 15 minutes before their game and cool down with some exercises after the game.

SPECIAL ED-CAMPING: Last week, 27 Chelsea Special Education students ventured out for a three-day camping experience at Storer Camp in Napoleon. Above, the Rev. John Morris, president of Chelsea Kiwanis Club, presents a check to teachers Barb Fisher and Marcia Quilter, funds from which assisted in the outing. With the group is Bill Dixon and, front row, left to right, Jeff Moore and Matt Schweiger.

Special Ed Students Enjoy Camp Session

Recently, a group of 27 Special Education students from both North and South school packed their camping gear, boarded a bus and headed for Napoleon to spend three days at the YMCA Storer Camp. The event was held May 10-12.

North Elementary students kicked off camp preparations several weeks ago by holding a car wash. Chelsea McDonald's provided the site and the water.

South Elementary students raised money by selling popcorn to the staff and student body on two different days. Popcorn, oil and bags were provided by Schneider's, Kusterer's, Polly's and parents. Monetary donations were presented to the Special Education classes by the Chelsea

Lions Club and Kiwanis Club.

Camp activities were varied and plentiful, including classes in fishing, pioneer crafts, animal habitat, pond life, obstacle courses and survival. Other outdoor experiences enjoyed by the students were a campfire, cook-out, hayride, a scavenger hunt and learning the "Chelsea Reel" under the direction of Tennessee McVee.

When the bus pulled into Chelsea on May 12, the campers unloaded with tired smiles, sunburns, disheveled sleeping bags and lots of good memories. Now back in their classrooms, their curriculum will include language experience stories, art projects and other activities focusing on this camping experience.

JV Baseball Team Wins 3 This Week

Chelsea's junior varsity baseball team won three games this week, defeating Dexter, Tecumseh and Milan.

Against Dexter, Chelsea scored a run in the bottom of the first inning on a walk to Chris Gallas who then stole second and came home on Chuck Hager's single. Dexter scored three runs in the second inning to take a 3-1 lead but, in the sixth inning, Marty Steinhauer walked, stole second and third and scored on a ground-out to shortstop. In the bottom of the seventh inning, Chelsea won the game on a walk and singles by Chuck Hager, Jeff Blanchard and Dave Gipson to score two runs. The final score was 4-3. Marty Steinhauer won his third game of the year for Chelsea, pitching an eight-hitter and striking out four.

Chelsea defeated Tecumseh, 14-11, in eight innings behind 17 hits to post its second win of the week. Chelsea scored two runs in the first inning on a walk, Chuck Hager's single and Jeff Blanchard's triple. In the third inning, Chelsea trailed 3-2 when they exploded for seven runs on hits by Marty Steinhauer (single), Eric Stofflet (double), Dave Gipson (single), Rich Slater (single), Jim Ritter (single) and Chris Gallas (single). However, poor fielding allowed Tecumseh to score six runs.

Chelsea went ahead 11-9 in the top of the sixth on singles by Chuck Hager, Jim Ritter and Marty Steinhauer. Tecumseh tied the score and set the stage for the eighth inning when Chelsea scored three runs on singles by David Bushway, Eric Stofflet and Dave Gipson and a double by

Marty Steinhauer. Tecumseh rallied in the bottom of the eighth and had runners on first and third when Chelsea turned a game-

ending double play. Marty Steinhauer had four hits and six RBIs for the game and Ron Dunn picked up his first win of the year, pitching 2 1/2 innings of shut-out relief.

Chelsea traveled to Milan for the third game of the week and won a thrilling come-from-behind, 8-7, victory.

Chelsea scored two runs in the second inning on singles by Chuck Hager and Marty Steinhauer to tie the score at 2-2 in the fourth inning. The Bulldogs scored a run on singles by Marty Steinhauer; Chuck Hager and Eric Stofflet to trail Milan, 7-3.

In the sixth inning, Chelsea scored five runs on hits by Marty Steinhauer (single and three walks), Rick Boham (single scoring two runs) and Ron Dunn (single). In the top of the seventh, Marty Steinhauer was safe on an error, stopping his streak of seven consecutive hits, stole second, went to third on Jeff Blanchard's single and scored on a ground ball to short to give Chelsea a 9-8 lead.

Jay Marshall, pitching in relief, slammed the door on Milan in the last two innings to notch his fourth win of the season without a loss.

Chelsea's record in now 9-3 over-all and 7-2 in the Southeastern Conference.

With a reported working budget of nearly \$3,000, students transformed the gym and courtyard into anything but their original state, laying sod, erecting a brick facade, adding lampposts and decking the halls with tropical plants of every size, shape and color. This was the first time the prom had been held at home in recent years.

CLASS B STATE CHAMPS: Members of the Class B state forensics championship team circle the monstrous trophy earned at the state championships on May 8. Winning members include, left to right, Coach Bill Coelius, Halle Schmidt, Kathy Waldyke, Rob Moore, Duane Branch, Dave Moore, Carl Pate, Matt Lorenz, Phil Powers, Connie Dault and Tom Mull.

Hunter Safety Course Will Be Offered

Members of the Chelsea Rod and Gun Club plan to give hunter safety instruction without charge to area residents 12 years of age or older who have never had a hunting license. Men and women, boys and girls, are invited to evening classes which will be held at the clubhouse on Lingane Rd., June 14-16. Club members have conducted these hunter safety courses for many years.

According to George Padgham, club secretary, the instruction will cover various types of guns and their safe handling. Also included will be sighting techniques, hunting privileges and protection of the habitat. As always, the instruction includes first aid for the various emergencies that may occur while enjoying the outdoors. Because hunters may become lost, they are also instructed in the use of compass and maps as well as techniques of survival.

Four instructors, certified by the Michigan Department of Natural Resources and the National Rifle Association, will provide the training. Their names and phone numbers are as follows: Jerry Craft, 475-7487; Lloyd Hardin, 475-9913; George Padgham, 475-8812; and Marv Schiller, 475-2941.

SECOND-PLACE WINNERS: Individual placers at the state forensics championships included Phil Powers, second in humorous reading; Kathy Waldyke, second in radio newscasting; and Tom Mull, second in storytelling. Others placing individually included Dave Moore, fifth in informative speaking; and Connie Dault, seventh in storytelling.

Big Boy Softball Crew Gets 2 Wins

Chelsea Big Boy softball team opened its season Tuesday, May 11 at Vet's Park in Ann Arbor. They came away with a come-from-behind 9-8 win over Central Cafe of Ann Arbor. Big Boy fell behind, 6-0, in the game as Central had an explosive second inning. Big Boy cut the lead to 6-2 in their half of the second and scored two more runs in the third to get back in the game at 6-4.

Central Cafe got a lone run in the 4th but Big Boy tallied four times in the fifth and once again in the sixth to surge out in front, 9-7. Central rallied for a final run in the seventh, but came up short and Big Boy had the victory in an exciting contest.

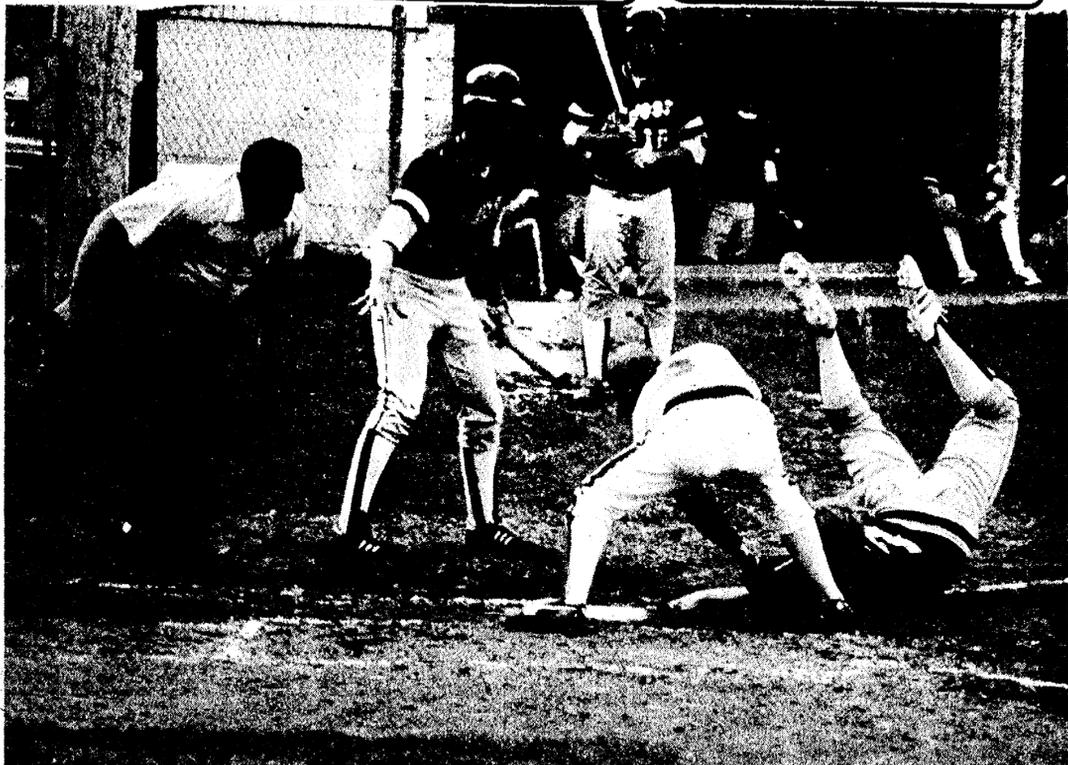

Leading hitters for Big Boy were Bruce Wagner with a double, triple; Bob Moffett, two singles; Randy Brier, a single, double and home run; Mike Laverman, two singles and a double; and Craig Houle, with a double and a single. Defensively, Todd Orbring made two great plays in right field in the seventh inning, throwing out a Central hitter trying to go to second base to end the game. Winning pitcher was John Strong who went the distance. Losing pitcher was Jerry Petroska.

On Thursday, Big Boy tallied its second win of the season, defeating Portage Lake Hardware, 10-7.

Big Boy took an early 5-0 lead, but Portage kept battling back, cutting the lead to 6-4 at one point. Big Boy then scored two more in the fifth and sixth innings to increase their run total to 10. Portage mustered up three more runs, but couldn't overcome Big Boy's early season hot hitting. Bob Moffett led Big Boy's assault with a perfect three for three night, plus a walk, scoring all four times he was on base and delivering three RBIs with two triples and a double. Bruce Wagner and Roger Bourne each had two hits for Chelsea, while

Craig Houle added a double and Randy Brier, Mike Laverman, Todd Orbring and Alan Augustine delivered key RBIs in the game. Steve Pertoska got the win with relief help from Jim Strong.

Chelsea will try to add to its 2-0 mark by facing Omega Farms of Howell on Tuesday at 9:45 p.m. All games are played at Vet's Park in Ann Arbor on Tuesday and Thursday evenings, now through Aug. 1.

STUCK IN THE MUD: John Preston attempts a dramatic slide into home plate but, instead of the desired effect, gets stuck in the mud on the over-watered field. In what would have been a sure tie in the 1-0 game against Milan last Wednesday, the game was over as Preston came up just a fraction of an inch too short. Chelsea lost the contest, 0-1.

Sluggers Win One Lose Two in Week

In a three-game week, Chelsea's varsity Bulldogs defeated Dexter Monday and dropped their other two contests to Tecumseh and Milan.

Against Dexter, Chelsea came out on top, 4-0, as John Welton pitched his fifth win and third shut-out of the season, allowing just four hits.

Chelsea scored all four runs in the fifth inning as Gipson walked and Van Meer singled. Pagliarini doubled both home and a walk to Murphy and a double by Olmsted brought in the other two runs.

Chelsea took on Tecumseh's Indians in important league

baseball action last week, dropping the contest, 5-6, in eight innings. The win upped the Tecumseh slate to 11-3 over-all and 8-1 in the Southeastern Conference as the Indians opened a two-game lead in the SEC standings.

Chelsea dropped to 9-4 over-all and 4-3 in the conference as a result of the loss. Nevertheless, highlighting the game was Mike Nelbauer's pinch-hit, two-run triple which capped a four-run sixth inning rally for the Bulldogs.

Losing pitcher for the Bulldogs was Steve Grau. John Welton got three hits for Chelsea, including a

triple, while John Preston and Bob Trevino each added two. One of Trevino's hits was a double. Mike Gipson also hit a triple.

Following a disappointing loss to Tecumseh the preceding day, Chelsea's luck was no better Wednesday as the Bulldogs were shut out, 1-0, at the hands of the Milan Big Reds.

The Big Reds allowed just two singles in the game and the contest was scoreless until Milan's run in the fifth inning.

Losing pitcher for the Bulldogs was Ken Nadeau. The loss dropped Chelsea to 6-4 in the Southeastern Conference and 9-5

over-all. The Bulldogs are in third place in the standings behind Tecumseh and Dexter and play a total of eight games this week.

Girls Track Team Loses Two Meets

Chelsea's girls varsity track team won just four events Tuesday as they lost to Jackson County Western, 41-62.

Tracy Bohlender had three of the four firsts as she won the high jump and the 100 and 200 hurdles. Sandra Frame got the other win in the 3200 with a time of 12:25.2 after finishing second in the 1600 at 5:40.4. Bohlender also added a second in the 400 with a fine time of 1:02.9.

The Bulldogs had two other placers in the field events: Cinda Thornton, third in the discus and Sue Young, third in the long jump.

Carol Warren finished second in the 200 and third in the 100. Wendy Wolfgang was also a double scorer with thirds in both the 400 and 800. Lisa Vandegrift was second in the 800, Mary Ann Richardson, third in the 1600 and Kristin Thomas, second in the 3200 to round out the scoring.

Friday's Saline meet saw some improved performances from the Bulldog runners but no change in results. The Hornets came out on top, 71-52.

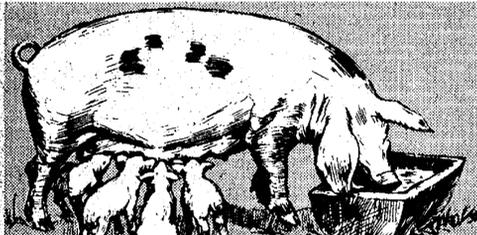

Shot putter Nora Morseau, who has steadily improved all season, got Chelsea's only first in the field events with a throw of 27'3". Sue Young was second in the long jump at 15'1" and Tracy Bohlender was third in the high jump at 5'. In the discus, Cinda Thornton threw a personal best of 81'8 1/2" but didn't place. Kay Bauer increased her season's best by 8' in a non-placing effort in the same event.

The Bulldogs failed to score in any of the sprint events but Tracy Bohlender won both hurdle races with times of :18.2 and :32.9. Bohlender also won the 400, edging teammate Carol Warren by .1 seconds, 1:04.7 to 1:04.8.

Sandra Frame ran two excellent races, winning the 1600 in 5:39 and the 3200 in 12:06.7, her third best ever and .7 off her own school record. Lisa Vandegrift won the 800 in 2:35.8, with Wendy Wolfgang a close second in 2:36.8. Wolfgang added a third in the 1600 and Kristin Thomas was third in the 3200.

The 1600 relay of Wendy Wolfgang, Lisa Vandegrift, Carolyn Chandler and Carol Warren ended the meet and the dual meet season on a high note by winning the event in an excellent time of 4:19.3, another season best.

The girls now look forward to the regionals Saturday at Dexter and the conference meet Wednesday, May 26.

SAFE ON FIRST: Milan's first-baseman stretches for the pitch as John Preston crosses the plate with ease during Chelsea's league contest with the Big Reds last week. Despite some excep-

tional defensive play, the Bulldogs lost the important contest, 0-1, and are now in third place in the Southeastern Conference standings.

IN HIS FIRST LEAGUE START, junior pitcher Ken Nadeau hurled a fine game against Milan last week despite the Bulldogs' loss. Milan won the contest, 1-0, despite Nadeau's fine control and over-all exceptional pitching performance.

TENNIS, ANYONE? Chelsea's No. 3 doubles team is made up of Greg Markle and Craig Hinz. This team won over Williamston last week, 6-0, 6-2 and lost to Pinckney, 6-3, 4-6, 9-6. Currently, the team of Markle and Hinz is 5-3 on the season.

Pavilion Reservations Now Being Accepted

Washtenaw County Parks and Recreation Commission is now taking reservations for its picnic pavilion at Independence Lake County Park. The park is open daily from Memorial Day Weekend through Labor Day weekends. Week-day and week-end rental reservations may be made by contacting the WCPARC offices at 994-2575 before Memorial Day.

Varsity Tennis Team Loses to Williamston

Chelsea's varsity tennis team took on Williamston Tuesday and lost, 3-4. Rob Moore, three singles, won his match over Rich Dunkle, 7-5, 6-1. The other singles did not far as well. Bill Merkel lost 6-0, 6-2, Mike Reid was defeated 6-2, 6-2 and Bob Bentley went down, 6-1, 6-4.

Tom Schumann and Kurt Eisenbeiser won a very tough match over Pinckney's Corocan and Haak, defeating them, 0-6, 7-5, 7-5. They stand at 5-3, a good record thus far. Hinz and Markle lost a tough three-setter to Pinckney. They were defeated 6-3, 4-6, 8-6. They also have five wins. All Chelsea doubles teams are playing extremely well and should do better next year. Only one player will graduate.

The standout doubles team of the area, Damon Mark and Rod Worthing won again, 6-0, 6-1 and are 7-0 on the season. Schumann and Eisenbeiser lost a tough match, 3-6, 4-6 while Hinz and Markle won their fifth match, 6-0, 6-2 and stand at 5-3 over-all.

In singles play against Pinckney, Mike Reid, playing the number one spot, lost 6-2, 6-1. Bill Merkel lost a tough three-setter to Frank Brooks, 6-1, 4-6, 6-0. Rob Moore played very well but lost to Bob Brooks, 6-3, 6-3 and Bob Bentley lost to Scott Holmes, 6-1, 6-3.

Chelsea managed only two points of a possible seven from a tough Pinckney team but again won first doubles. Mark and Worthing upped their season record to 8-0 and are a good bet to be seeded in the upcoming regionals. They can end their season with an exceptional record having won over Gabriel Richard, Pinckney, Novi, Williamston, Saline and Howell.

Chelsea plays its last three matches at home this week against Lumberport, Howell and Gabriel Richard. The entire team will compete in the regionals Friday, May 21 at Monroe.

AND, THEY'RE OFF! Area Special Olympians gathered at the Dexter High school track last week for a two-day track meet. Above, this pair of avid runners competes in the 100-yard dash, each trying enthusiastically to bring home a trophy for his efforts.

Metroparks Ready for Big Holiday

Hudson Mills, Dexter-Huron and Delhi Metroparks, each located near Dexter along the Huron River, are ready for the three-day holiday week-end.

Hudson Mills (1,054 acres) has heavily-wooded areas, two shelters, lagoon, rustic bridges, a nature trail, picnic tables, stoves, playground equipment, roads and parking lots and bike-hike trails.

The Acorn Nature Trail is 3/4 miles in length and takes hikers near the Huron River, through densely wooded areas and handsome flowering dogwood trees.

Dexter-Huron (125 acres) and Delhi (46 acres) Metroparks, also primarily picnic-playground parks, are favorite picnic spots with family groups.

Canoe rentals are available at Delhi Metropark, with information available by contacting Hudson Mills Metropark (426-8211).

For group information contact Skip's Huron River Canoe Livery, Phone: 769-8686 (Ann Arbor).

Park hours are 8 a.m. to sunset daily, unless otherwise posted. For additional information contact Hudson Mills Metropark (426-8211).

Good Things Growing in Michigan

By Margaret G. McCall
Bedding plants are some of the most colorful good things growing in Michigan, and last year our state produced 6,428,000 flats.

More than three-fourths of them were flowering plants to add brilliant hues to gardens and lawns all across Michigan.

Combined, the flowering and vegetable bedding plants were worth more than \$26 million last year, nearly half the total \$54.5 million wholesale value of Michigan floriculture, according to the Michigan Department of Agriculture.

Michigan continues to rank second among the states in bedding plant production, and fifth in floriculture, which includes chrysanthemums, hybrid tea and sweetheart roses, and a variety of other cut and potted flowers.

Last year, Michigan growers produced 6,765,000 pots of geraniums, enough to brighten a great many patios, planters, balconies and gardens.

Right now is a particularly delightful time to visit your city farmers' market or a roadside stand so you can feast your eyes on the remarkable riot of color.

Each year it seems the growers bring forth new varieties or new colors of old favorites to compete for your attention.

The same is true of vegetable plants, and isn't it nice to have someone else worry the seeds into sturdy, healthy seedlings ready for your home garden.

Two CHS Juniors On YFU Exchange

Two Chelsea High school juniors, Sandra Sundling and Melanie Lee, have been named recipients of scholarships covering 75 percent of their expenses during 8-week stays in Switzerland and Colombia, respectively.

They were selected from applicants throughout the Chelsea area for these special foreign exchange programs sponsored by Chelsea Community Hospital and Youth for Understanding, one of the largest international student exchange programs in the world.

Both Sundling and Lee were awarded the scholarships based on YFU's traditional selection criteria of academic achievement, personal maturity, quality of essay question answers, personal interview, involvement in extracurricular, volunteer and/or employment activities as evidenced by their written applications as reviewed by YFU's independent admissions committee.

Sundling, the daughter of Richard and Sherry Sundling, is a cheerleader, a member of the Key Club and a member of the Spanish Club. In her spare time she enjoys watching television and listening to music.

Sandy is currently employed part time as a dishwasher at a local drug store.

Lee has worked as a volunteer at Chelsea Community Hospital. She is secretary of the Spanish Club, a member of the Key Club and the band and orchestra, and participates in her church choir and youth group.

She also plays the piano and teaches oboe lessons. Melanie, the daughter of Richard and Elizabeth Lee, plans to pursue a medically-related career.

Strawberry Festival Scheduled Saturday

A very special event is being planned for Saturday, May 22, from 1 to 6 p.m. The 1982 Strawberry Festival is an event held in honor of May as Older Americans Month.

The festival, at 1200 Earhart Rd., Ann Arbor, will include a Quilting Contest and Cheesecake Contest and arts and crafts exhibited by talented area seniors.

The day will be filled with talented entertainment such as Jerry Danforth (Mister "Rat-bones"), the Spinning Star Square Dancers, Sweet Adelines and many other groups.

In addition, there will be wandering clowns, hot air balloons, raffles, a large petting zoo with pony rides, strewers and antique cars and fireworks.

Strawberry shortcake, sundaes, and cheesecake will be the main theme of the festival and there will be no admission charge for those attending.

All proceeds from the festival will be donated to Community Service Agency-Nutrition sites, Turner Clinic and Washteanw Adult Day Care Center. These

Sundling will join some 30 American students who will leave for Switzerland in June while Lee will be accompanied by some 50 American students heading for Colombia. Upon arrival, they will each live with volunteer host families and take part in family and community activities.

Youth for Understanding stresses host-family living as the heart of the student exchange experience. Its purpose is to encourage a deeper appreciation and comprehension of world cultures through first-hand experience. The non-profit educational organization was founded 30 years ago in Ann Arbor and now maintains its international headquarters at the historic Rosevale property in Washington, D.C.

Youth for Understanding has enabled more than 83,000 students from 53 countries and all 50 states to take part in the exchange experience. The program began as an effort to counteract the bitterness between Germany and the U.S. after World War II.

From its humble beginning in 1951, involving 75 German students, Youth for Understanding has grown to exchange more than 7,000 students annually, supported by approximately 3,000 volunteers in the U.S. and abroad.

The over-all YFU family numbers nearly half a million—natural and host families, students and host volunteers. More than 60 major corporations provide scholarship funds and numerous foundations provide program support.

Chelsea Community Hospital, itself, designed a program to send three students from throughout the United States overseas for the summer of 1982.

three agencies provide services to the elderly in Washtenaw county. If a "rain day" is necessary, the festival will be held on Sunday, May 23, from 1-6 p.m.

Area Students Assist With CMU Stage Production

Marcia Warren, a Central Michigan University freshman from Chelsea, was a member of the cast/crew of the University Theater's recent production, "The Robber Bridegroom." Adapted from Eiddora Welty's novella, "The Robber Bridegroom" blends rural bluegrass music and dance with the tall tales told in 19th century Mississippi. The play was performed in late March and early April in CMU's Bush Theater.

Warren was principal dancer in the play. She is the daughter of June and Dr. Clare Warren. Also taking part in the production was Diane Johnston of Gregory. A sophomore at CMU, Diane served as a lights crew member. She is the daughter of Sandy and Don Johnston.

TINTINNABULATORS: Members of First United Methodist church's Tintinnabulators, who will perform at North Lake Methodist church this week, are, standing, left to right, Linda Mullison, Alison Chasteen, Carol Palmer, Donna Palmer,

Father & Son Banquet Set at N. Lake Church

On Wednesday, May 19, the North Lake United Methodist Women will sponsor a Father-Son Banquet. The Tintinnabulators, a hand bell choir from the First United Methodist church, have been invited to present a musical program at the banquet.

Chelsea residents may remember this hand bell choir

which performed in the Festival of Lessons and Carols at First Methodist church during the last two Christmas seasons.

The group is made up of 15 junior high school students under the direction of Donna Palmer with Sherri Plank serving as the assistant director.

The Tintinnabulators play a set of three octave Malmark brass hand bells. Two octaves were donated to the church in 1978 in memoriam of the Rev. W. Scott Westerman and one octave was given in 1979 in memory of Mrs. Robert Benedict, Sr.

The group rehearses each Monday night. They have spent several months preparing for this program and their subject matter ranges from sacred to light classical to popular pieces.

Julie Vorus, president of North Lake United Methodist Women, reports that the women of North Lake church take a great deal of pride in having the opportunity to present this program to the fathers and sons of the North Lake community.

Speech Pathologists Offer Help for Children

This is the third article in a four-part series directed toward speech, language and hearing problems.

The middle and junior high students should be well on their way to mastering the speech and language skills of the adult. The caseload of the speech and language pathologist at this school level is usually smaller than at the elementary school. This is due, in part, to emphasis on early diagnosis and treatment of speech and language problems.

Some children at this level may still have persistent articulation problems (usually s, r, and l). These children may be enrolled on a regular basis each week, or may be seen at intervals throughout the year as determined by individual need.

The child who is exhibiting signs of vocal abuse is mature enough at this level to benefit from direct voice therapy. This therapy stresses proper vocal hygiene and teaches the child to take responsibility for developing correct vocal habits.

The middle school child who is non-fluent (stuttering) can be taught any one of several different methods to achieve more fluent speech. A program is selected and developed which meets the individual needs of the child.

The effects of early age hearing and/or language problems may still be evident at this time. These students will often show lags in the ability to express themselves adequately. Not only are the effects noted in listening and speaking skills, but also in reading and in written language. When necessary, the child can be taught to develop strengths which will help to compensate for areas of difficulty.

By helping the middle school students to think and to express themselves logically, and to use good problem solving skills, we hope to help prepare them to ade-

quately communicate both in and outside of the classroom. The students should be able to speak on the telephone courteously and effectively. They should be able to give oral reports, and collect and arrange materials for these reports. They should be able to converse effectively with their peers as well as with adults.

The Chelsea School District has speech and language pathologists who are available to evaluate and to determine the needs of any child who is experiencing speech, language or hearing difficulties. If you have any questions about these services, please contact either Lynn Davis or Michelle Johnson at 475-9131.

Open House Set for Solar Design House

Chelsea High school's Building Trades classes have arranged an open house to exhibit their work on the house at 3105 Chisholm Trail (off Old US-12 West), Sunday, May 23, from 1 p.m. to 4 p.m.

Building Trades instructor Dale Richards supervised construction of the house, which began last September and will be completed by the end of the school year. Richards has supervised construction of four houses by Chelsea High school students.

The house is a proven passive solar design that contains 3 bedrooms, 2 full baths, a great room, kitchen, laundry, utility room, in 1,580 square feet. The house also features an attached 2-car garage and air lock entry to minimize air infiltration.

The passive solar design takes advantage of the energy available from the sun by having double-glazed windows facing south to allow the heat of the sun to enter to be absorbed in the masonry floor and brick storage wall for later release. Insulated automatic window drapes on the south windows (R-12) will hold the heat in the winter. The roof overhang will shade the south windows with the summer sun at a higher elevation.

All north, east and west windows are triple-glazed and set in six-inch walls completely insulated (R-23). The first floor on the north, east and west is 48" in the ground to minimize the wind hitting the exterior walls. The ceiling features 15 inches of insulation with an 'R' value of approximately 42. Auxiliary heat is provided by a

natural gas furnace and a wood burner in the great room. A cooling thermostat at the ceiling will energize the fan of the furnace to move the hot air that rises to the ceiling through the furnace duct work to all parts of the house.

The house will be offered for sale upon completion, and will be eligible for a tax credit of approximately \$5,000 for the extra expense of the passive solar features such as insulated drapes, added masonry, added insulation and triple-glazed windows.
