**A FOUR-YEAR GRAND SLAM FOR THE SENIOR CLASS!** Yes, they did it. They won the youth division of the fair parade for four years in a row. They met in May, said advisor Bud Janich, and decided they had to go all out to win. "And the Class of '83 Lives Happily Ever After" was made with colored napkins, which hold up better than facial tissue (These guys are float pros!) and the gold trimmed carriage is done with plastic bags spray-painted gold. Don Beeman, whose daughter Lisa is a senior, drove his horses as

coachman. That clock tower striking midnight, has towers designed to be easily pivoted to go under those tall trees further down Main St. The wheels on the carriage went around as the float itself moved. Jean Folsom was their fair queen contestant, and she is joined on the Cinderella float by Marty Kovich and Jane Musbach, "the ugly sisters." As one awestruck Chelsea resident said, "It looked like something in the Rose Bowl Parade." Applause and cheers greeted this marvel in the parade Sept. 4.

**WINNER OF THE ADULT FLOAT DIVISION** was the Inverness Snowmobile Club's Christmas fantasy, complete with a be-stockinged chimney, hobby horse, and pretty girl—fair queen contestant Laurie Beckwith, an avid downhill skier sponsored by the club in the queen contest.

## Yearbook Orders Taken

Applications for the 1983 Chelsea High school yearbook staff will be taken Thursday, Sept. 16 after school in the classroom of Phil Jones, the yearbook advisor. As soon as the staff is selected, they will begin selling advertisements for the new yearbook.

The 1982 yearbook should arrive at the end of this month and will be distributed at an after-school party. There will be come extra copies, which will sell for \$15 at that time.

This year's yearbook editor will be Mary Hellner, the daughter of Mr. and Mrs. Leo Hellner of 1038 S. Lima Center Rd.

She was appointed editor after only one year on the staff, said Jones, because of her ability to organize and her past dedication.

Mary, a junior, attended a five-day yearbook workshop this summer at Bowling Green State University in preparation for this year.

**GRAND CHAMPION PEN OF LAMBS**, raised and shown by John Heller, the seven-year-old son of Earl and Kay Heller of 20440 Sager Rd., was sold at the fair livestock auction Sept. 2 for \$2.50 a pound to Polly's Market for lambs weighing 121 pounds and 110 pounds. John, a second-grader at South school, has shown lambs for four years. His pen of fat market Hampshire lambs was born this spring, and he fed and exercised them by running them over pole jumps. He is joined at the auction by Carine Brown, the 1982 fair queen. Polly's buyers John Wood and Tom Arnold, and his older brother Marty.

**THE GRAND CHAMPION LAMB WAS SOLD TWICE.** Fred White bought Matt Gran's 118-pound lamb for \$10 a pound and donated it to the fair, which then sold it to Polly's market, with the profit going to the fair. Matt, the 15-year-old son of Lloyd and Arlene Gran of 3429 Chelsea-Manchester Rd., can't remember exactly how long he has raised sheep, steers, and dairy cattle. He is a sophomore at Chelsea High school and a member of Rogers Corners 4-H club. He is joined at the livestock auction Sept. 2 by Fred White and Carine Brown, the 1982 fair queen.

## Fair Attendance Hits All-Time High Under Clear Skies

Chelsea Community Fair attendance was up again this year to more than 35,000—a combination, says fair board president Jerry Heydlauff, of weather that "couldn't have been better," new events such as Ladies Day and the rodeo, old favorites such as the demolition derby and tractor pulls, and new rides, such as that double ferris wheel.

Four out of the five nights of the fair, the grandstands were packed, he said. Last year a questionnaire was passed out at the gate, and the overwhelming selection of new event was rodeo. Plans for next year's events will be firmed up after the January fair convention in Detroit, although general planning will start soon after the fair party Sept. 18.

But first those more than 100 volunteers that put together the 1982 fair need to get a much deserved rest, said Heydlauff, to get over their fair colds!

It only rained once in five days, a mere shower Thursday evening just after the end of the livestock auction, which Heydlauff said was a real crowd attraction this year.

Winners, if there were a prize for who came the furthest to the fair, were probably the seven farmers and their wives from north of Johannesburg, South Africa. They were accompanied by two Massey Ferguson representatives on a U.S. tour, and included Chelsea on their stop.

The farmers grow corn, cattle

and seed potatoes, said Heydlauff, who with Lloyd Grau lunched with them. "One man showed me a picture of his seed potato field, and you couldn't even see the other side of it. He

had 80 employees on his farm, and even a church for their families."

There was even a fair baby this year. A calf, named Budweiser, was born at the fair.

## Anna Laban Wins Homemaker Award 5th Time

Anna Laban was named the 1982 champion homemaker of the Chelsea Community Fair, winning the Michigan State fair plaque the fifth time for highest ribbon point total for four divisions of homemaking.

Mrs. Laban was runner-up last year. This year's runner-up is Janice Martin, who was awarded a Chelsea Fair board plaque.

Mrs. Laban, who will only admit to being a senior citizen, "Let's say I'm more than 50," says it's getting a little harder for her to enter each year because of her age, but she's a woman who loves competitions and wouldn't mind it if younger women took her on.

She began cooking when she was nine years of age and her mother became sick, but must have had innate talent since she can't remember any cooking horror stories. She has no favorite homemaking skill in the five divisions she entered, sewing, needlework, canning, baking and antiques—she likes doing a variety of things.

She entered more than 45 different categories of canning, which she starts with strawberry season in June, then raspberries, fruit, catsup, chilli, pickles, pears, sweet and sour cherries, peas, corn, beans, and 33 other things.

She couldn't even remember off the top of her head what she won for, "Oh a cotton apron, dresser scarf, quilts..."

She and her husband, the late Richard Laban, moved to Chelsea 49 years ago from Ohio. She began entering things in the fair in 1964, and found it a challenge as new categories were added.

She sews and bakes for bazaars and to give as gifts, now that her children are grown. Her son Richard Laban lives in Chelsea, son Francis lives in Clarksburg, Md., and her daughter, Dorothy Miller lives in Dearborn Heights.

"Those younger women should start in on me now," she says. "Tell them all to enter!"

## Rev. Thodeson Retiring As Baptist Pastor

The Rev. Thode Thodeson preached his last sermon, an appropriately titled "Are You Ready?" on the second coming of Christ, at Chelsea Baptist church on Sunday. He is retiring after more than 30 years in the ministry.

The Rev. Barry Hampton of Pontiac will take over for him this week.

Thodeson and his wife, Dorothy, moved to Chelsea in 1973, and he was minister at Chelsea Assembly of God. He began filling in for holiday services for the Baptist church four years ago, and then accepted the call to its ministry. His years in the ministry have all been spent in Baptist and Assemblies of God in Michigan.

He and his wife will continue to live in Chelsea, but they plan a trip to visit their new grandson in Ohio and a trip to the west coast and Canadian provinces such as

## Steer Quarters Winners Named

Local winners of steer quarters at the 1982 fair ranged from the first time buyer to those who had bought tickets for more than 20 years.

Richard Bareils of 10411 Chelsea-Dexter Rd. won his quarter with two packs of tickets. Members of the family have been buying ticket book for more than 20 years.

"It's a way we can help the fair," said Arlene Bareils, his wife, and at the same time fill a freezer with good meat, at a price that can't be beat.

Each year the fair board purchases a steer at the livestock auction, sells tickets, and draws four lucky names on Saturday evening. Any profit from ticket sales is used to improve the fair grounds.

This year Jeff Haist's 1,130-pound steer was bought on

Thursday.

Caroline Arbogast of 1780 Rank Rd. bought her first steer ticket this year, and won with it. Her next-door neighbor Patty Schenks had won one last year, which encouraged her to try.

Her neighbors to the other side of her, she says, will probably buy tickets like crazy next year, to see if there is anything to this Rank Rd. luck.

Part of her steer quarter will end up in Detroit, she says. Her daughter is a staff worker at a Catholic worker house, which provides emergency shelter to the poor.

"You know, I always figured someone else won these things," she said, "but now I'll probably become an addict."

Other winners were Don Labrimbard of Jackson and Jaunita DuBois of Brooklyn.

**GRAND CHAMPION STEER**, raised and shown by Ryan Nixon, was sold for \$2 a pound to Lloyd Bridges at the fair's livestock auction. The Charolais-mixed steer weighed 455 pounds in the fall of 1981, but gained to 1,154 pounds for the fair. Ryan is the 13-year-old son of Mrs. and Mrs. Bill Nixon of 6175 Daly Rd., Dexter. He is joined at the livestock auction by Carine Brown, the 1982 fair

queen, and Mr. and Mrs. Bridges. Ryan has been raising steers and hogs with the Blue Ribbon Livestock 4-H club and the Chelsea-Dexter steer club for four years. He will bank the money and use part of it to buy livestock. In addition to what he paid Ryan, Bridges said he would donate 25 cents a pound or \$300 to muscular dystrophy.

**DO VETERANS RECEIVE SPECIAL BENEFITS AT TIME OF DEATH?**  
Yes, there are certain death benefits for which veterans may be eligible.  
These benefits are less substantial than they used to be, but they are still worth investigating as to the amount of eligibility. The regulations may change from time-to-time on Veteran and Social Security benefits so you may wish to check these out with these government agencies or with us.  
After October 1, 1981, Veteran death allowances are as follows:

1. A payment of \$300 for funeral and burial expenses only for those receiving V. A. compensation or pensions.
2. A \$150 plot allowance for eligible veterans not being buried in a national cemetery.
3. A burial allowance of up to \$1100 when a veteran dies of a service-connected disability.
4. A grave marker allowance, currently at \$59.

Payment for these benefits is not forwarded automatically. Forms must be filled out and application made for them. We can process these claims for you or will help you contact the V. A. directly. Feel free to ask us about other benefits for which survivors may be entitled.

By Warren M. Hoyt, Secretary, Michigan Press Association

**Governor Will Try Again On Budget Cuts**  
Governor William G. Milliken, attempting to balance the current year budget and ready the fiscal 1982-83 budget for his successor, was rejected by the Legislature on his first attempt to cut another \$150 million from the budget but said there was no other alternative and would try again.  
Milliken's budget director, Gerald Miller, said the cut is the only feasible approach to the deficit facing the state and he would continue to try to get the \$150 million in cuts approved.  
Milliken said he shares the reluctance of legislators to make further cuts in education but added, "There are no easy answers. The Legislature must face up to the need for an executive order of this magnitude. Continued talk of alternatives that fail to bring real reductions in spending does a real disservice to the people of Michigan, raising false hopes that there is an easy way out of a tough dilemma."  
Budget director Miller repeated, following the rejection of the original order, the basic outline of the governor's proposal to be approved.  
The cuts proposed include \$72.3 million for public schools by reducing combined state-local funds by 2.38 percent; \$32 million from four-year colleges and universities; \$7 million from community colleges; \$11.3 million from counties; and \$27.4 million from cities, villages and townships.  
Alternatives developed by the House Fiscal Agency include a promise to restore those cuts in 1982-83 or instead use various combinations of the Medicaid accounting change in conjunction with lesser cuts and/or borrowing from the state accident fund.  
Miller, however, said besides putting the state's cash status in a precarious position, the accounting change or other proposals to paper over the deficit would further damage the state's reputation on Wall Street. He called the proposed alternatives a "major disaster."  
House Speaker Bobby Crim (D-Davison), who said the cuts were rejected in part to get legislative input into the process, said he needs a full review of the state's various accounts to be satisfied the cash situation is as precarious as described by the administration.  
State Treasurer Loren Monroe said the cash deficit, if the budget cuts are not made, will be in excess of \$700 million in the general fund and School Aid fund.  
Monroe suggested the deal with five Japanese banks to back the state's \$500 million borrowing in the next fiscal year could be jeopardized if the cash deficit is allowed to increase to that level.  
Crim added he also wants to press alternatives to borrow from

## Uncle Lew from Lima Says:

**DEAR MISTER EDITOR:**  
The fellers got to talking at the country store Saturday night about them Baltimore porpoises that were about to have nervous breakdowns and were took to Florida for a rest. The piece Zeke Grubb brought to the session reported the porpoises had ulcers and other "stress-related" ailments from big-city living, and that they had been taking medicine for indigestion. Zeke was of a mind that if you sent everybody in Baltimore that has them problems on vacation, you wouldn't have anybody left over 50 year old, but then people ain't nearly as valuable as porpoises.  
Most people ain't nearly as smart either, declared Ed Doolittle, cause we take better care of our animals, as a rule, than we do ourselves, and our pets are quick to catch on. Ed had saw where this doctor at the North Carolina State University Veterinary School said dogs need a regular home life as much as people. She said dogs thrive on routines fer eating and sleeping, and dealing with people that don't snap at em one minute and hug em the next. When he read that item, Ed said, fer the life of him he couldn't keep straight whether the lecture was meant fer dogs or people. The doctor said mental health is a big part of dog care, but Ed figured all they need is enough fleas to keep em busy so they won't worry to much about being a dog.  
Democrat Clem Webster used the lull that followed Ed's report to say the stress of Reagan Recovery was gitting to man and beast, and what he keeps hearing is that it's gitting harder and harder to blame Carter. Clem was of a mind that when the libraries start checking out how-to-repair books for Cadillacs, like the one report he heard, you got to figger the screws are tightening up the line, not just among the folks that can't buy gas fer their Fords and Chevies. Pity a dog that likes order trying to make sense of the Administration's economy saving tax and spend routine that changes with ever press conference, was Clem's words.

As fer people learning to handle hard times, Bug Hookum said this feller in Hartford, Conn., must of took lessons from the glass installer in New York City that was shooting out all the car windows. This Hartford feller sold burglar alarms door to door. When he got turned down he'd come back and rob the house, then call again. He even run a secondhand store where he sold the stuff he stole. He got caught robbing a house, Bug said, because the owner had bought a burglar alarm from another salesman at a better price than his first offer.  
Personal, Mister Editor, I think stress of big city living, economic slowdown or any other situation can be eased by looking fer the bright side. Like the Argentines say, every one of their ships that got sunk was insured by Lloyd's of London. I recent saw two hard-times highlights: A feller that runs a store in Dover, N. H. called off \$10,000 in debts fer 1,000 out of work customers that couldn't pay. The other was a young man in Florida that got a job and repaid the \$800 he had received in unemployment benefits.

Yours truly,  
Uncle Lew.

## K-C. Auxiliary Hears Discussion By Quilting Expert

The Knights of Columbus Auxiliary presented Charlotte Ingalls, the owner of Cross Roads Fabric & Quilt Shop in Saline, as guest speaker on quilting at their Sept. 9 meeting.

Ms. Ingalls displayed her quilts, craft items, and books on quilting, and spoke with such enthusiasm that one could tell she truly enjoys her work. She answered questions about her work also.

One auxiliary member brought in a comforter she had started, and needed advice on how to finish it off.

Charlotte examined it and explained to the group the various steps to give it a finishing touch.

Another member ran home and returned with a quilt she had salvaged from a garage sale. Charlotte examined it and pointed out the different designs and stitches, and she told the auxiliary member that she had made a good investment.

Everyone enjoyed the evening, which was both educational and fun.

## Nutrition Workshop Slated

Who says "health foods" are boring and tasteless? Leading nutritionists encourage eating meals that are lower in sodium, sugars, and fats, but fail to tell how to prepare such meals deliciously.

Learn a few basic tricks and cut down on your food bill, by taking a series of four Saturday morning workshops sponsored by Chelsea Community Education, beginning Sept. 18, and taught by Teresa Freed, local writer and publisher of The Foodletter. She will teach about non-traditional ingredients such as bulgar, tofu, and whole grain flours and show how to incorporate them into daily menus.

The first workshop, 9 a.m. to noon Saturday, Sept. 18 "In the Beginning . . .", is designed to provide time-saving information for those who are taking their first steps toward a healthier diet. It will introduce "convenience" mixes, kitchen techniques, and shopping tips that will help one gradually cut down on the salt, sugar, and win one's family over to tasty whole foods.

Meatless meals are not only economical, but also tend to be lower in sodium and saturated fats. The second workshop, "What, No Meat?!", will be held 9 a.m. to noon Saturday, Oct. 2. It will show how high quality protein (as in meat) can be provided by mixing and matching grains, beans, nuts, and seeds. Students will learn how to use a variety of protein sources, including tofu, in flavorful main dishes.

Kids of all ages love the smell of oven-fresh bread, and whole grain breads are much tastier and certainly more nutritious, said Freed, than white. The "Breads!" workshop (9 a.m. to noon Saturday, Nov. 6) will explore basic bread making, with the emphasis on variations in texture and flavor that can be achieved with different flours. In addition there will be special time-saving recipes for busy families.

The fourth workshop, "Holidays, and Baking," is scheduled for 9 a.m. to noon Saturday, Dec. 4. It is designed for those who would like to convert their favorite baked goods into healthier foods by substituting whole grain flour for white, and by cutting down on fats and sweeteners. Participants will sample "healthy" variations of traditional holiday treats, and will leave with simple formulas for improving nutritional values of family favorites.

To reserve a place in these workshops, register with the Chelsea Community Education Offices (475-9830). The series of all four workshops is \$24, or register for individual workshops at \$6.50 each.

Responsibility for the protection of approximately 40 million employees in 3 million of the nation's workplaces is carried out by some 1,200 compliance officers of the U.S. Department of Labor's Occupational Safety and Health Administration. Some 30 million workers and 2 million workplaces are under the jurisdiction of OSHA-approved state job safety and health enforcement programs.

# First Fair Ladies Day Is Popular Attraction

It was hard to believe this was the first Ladies Day at the fair—it was so well organized and more than 450 women came. One would have guessed it had been around for a decade or two.

What made it work was the pace and the variety of events, which appealed to the range of teen-agers to grandmothers present. It was relaxed enough that one could bring their baby in a stroller, or leave to go to the store.

There was never a moment when something wasn't happening. When the volunteer models were changing during the fashion show, door prizes were being given out, rather briskly too with the help of fair queen contestants who shuttled the gifts to the raised hand.

Although things happened quickly, it was not hectic. One had time to talk to one's bleacher partner in the livestock tent about whether one liked that California-look outfit being modelled, or what door prizes they drooled over, like the big fresh bouquets, decorating the podium.

There will be another Ladies Day next year, the ecstatic planners said, but a date has not been set.

The doughnuts gave out quickly, but the coffee lasted longer. The Kitchen Band from Jackson warmed up the crowd with their spunky renditions of old favorites on their kazooes, spoons on washboards and jangling, dangling cookie cutters. Marlene Coffey, a Northville fashion consultant, showed how to accessorize a navy blue jumper and blazer with scarves, silk flowers and jewelry for the different seasons.

Anna Laban was recognized as Homemaker of the Year, the person who had the most points total from exhibits in the home-economics division.

Lenore Mattoff showed how to cook a head of cauliflower, a

DR. GALE BAUMGARDNER'S upbeat talk on "You Are Ladies Today" fit the mood of Ladies Day at the fair, Sept. 3. Baumgardner, a dairy youth specialist at Michigan State University, told humorous stories about her weed-filled yard, and encouraged the women to concentrate on what their accomplishments, instead of dwelling on things they feel guilty about not having finished or tackled.

white sauce and meatloaf in her microwave demonstration. Gale Baumgardner, a dairy youth specialist at Michigan State University, then spoke about being women today.

"Sometimes it's hard to believe you're a special person," said Baumgardner, "especially when you concentrate on all that you haven't done."

"But single out those special days, when everything goes right and store them in your memory, for those days when it's hard to smile at yourself in the mirror." She also suggested thinking about problems obliquely sometimes. Often children can solve problems that stump adults because they look at problems from unusual perspectives.

Between events the 148 door-prizes donated by Chelsea and Dexter area businesses, and merchants exhibiting in the merchants building, were given out to the 455 women who had registered at the door. Again a sign of the event's organization—it had already been planned how many prizes would be given out at each time, 25 here, 35 there.

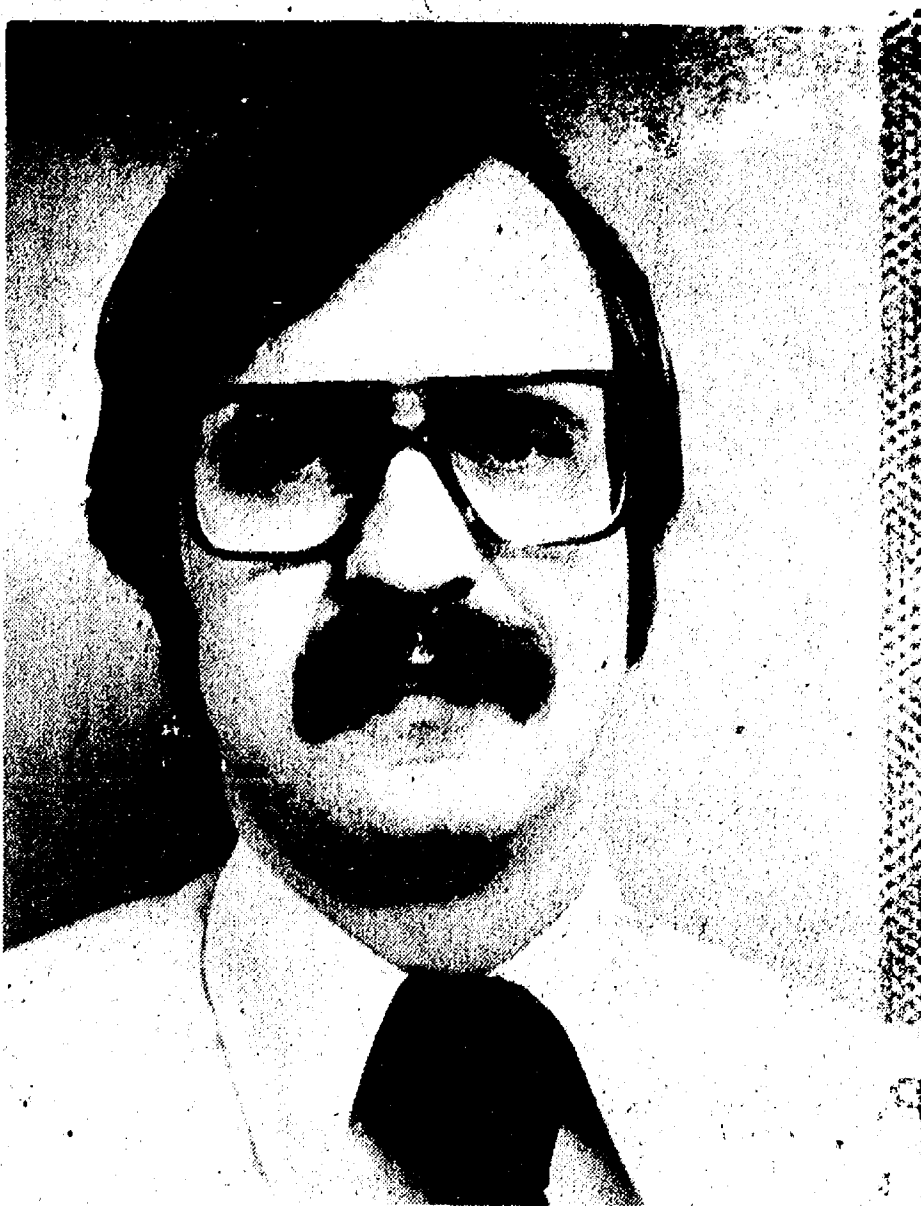

The fashion show by Dancer's

with local models, featured new fall colors such as olive green and teal, and office outfits, dressy outfits to wear for a special night out, and casual clothing.

The highlight of the fashion show and perhaps of Ladies Day itself, was the two guest Parisian models, Simone and Monique, two local men dressed up as female models. One wore a long black wig, and modelled a golfing outfit. He tore off his white wrap-around skirt to reveal sporty purple shorts underneath, and was flailing that golf club all over the stage. The other one wore a fetching outfit in peach, with a hat, striped socks, and clutched her pocketbook like she was a New York City tourist.

Planning for Ladies Day, which one woman described as, "something to look forward to for the women, which added a lot to the fair," began last September when several Chelsea women visited the Allegan fair's Ladies Day.

Those who helped organize this event were Kay Heller, Kay Poljan, Else Heller, Donna Dault, Sue Van Netter, Debbie Spalding, Veretta Whitaker, Lynn Klink and Jackie Rogers.

## Lions Club Offering Community Calendar

Chelsea Lions Club is sponsoring its first Chelsea Community Birthday Calendar this year and will be conducting a door-to-door subscription campaign during the week of Sept. 13-18. These popular calendars were previously offered through the Chelsea Band Boosters.

The Community Birthday Calendar is a 12-month calendar, complete with historic photos of the village, printed especially for the Chelsea community with the names of family members and fellow townspeople printed on their individual birthdays. It also lists wedding anniversaries, school athletic events, fairs, community club meetings, school functions, and includes a directory-style listing of local businesses and services. "It's nice to surprise someone on their birthday or anniversary with a special greeting," and the Lions Club calendar makes this all possible," according to Lions president Dave Prohaska.

A family subscription is priced at \$3.50 and will include listing all birthdays in the immediate family plus wedding anniversary. Subscribers will also receive one calendar. Additional calendars are \$2 each.

Prohaska continued, "Chelsea area residents who have not been contacted during our door-to-door subscription drive and wish to subscribe may do so by sending \$3.50 to the Chelsea Lions Club, P.O. Box 121, Chelsea. Information required includes names of subscriber, spouse, children, appropriate dates for birthdays and anniversary, plus address and telephone number." Prohaska stressed that orders must be received by Sept. 24 in order to

meet the December delivery date. He added, "The calendars make nice Christmas presents and stocking stuffers."

Local businesses wishing to be included in the directory listing, as well as persons wanting further information or a Lions club member to contact them, may call Bill Wescott any evening at 475-8518, or Dave Prohaska at 971-7020 during the day.

Prohaska concluded by saying, "We hope that everyone will support this useful and worthwhile Lions Club project. Proceeds go toward sight and hearing conservation programs in our community plus activities related to other handicapped persons and citizenship development for our youth."

The Board accepted, with appreciation, the following equipment donated by the Athletic Boosters: two electric scoreboards (one for girls' softball and one for boys' baseball), a wrestling take-down machine, a color TV to monitor the videotape system, power volleyball standards, and aluminum players' benches.

The Board approved the leasing of kitchen facilities to Community Services Agency at North school, from Oct. 1, 1982 to Dec. 30, 1983. The facilities are used to dispense the senior citizens' noon meal program.

The Board ratified the tentative agreement between the Chelsea Board of Education and the Chelsea Education Association.

Superintendent Van Meer reviewed the opening of school, which went rather smoothly.

President Ann Feeney made the following committee appointments: personnel, chairman Lloyd Grau, Art Dils; curriculum, chairperson Anne Comeau, Daniel Snyder; finance, chairman Dale Schuman, Earl Heller; communications/public relations, chairman Daniel Snyder, Ann Feeney.

Trustee Snyder commented that the class of 1983's winning parade float was certainly an extraordinary one to be prepared by high school students.

The next meeting of the Board of Education will be Sept. 20.

The meeting adjourned at 9:43 p.m.

DIANE CORWIN won baby green working hunter over fences, ponies with her half-Arab 11-year-old pony Sox, which was also the grand champion pony at the fair. Together they won four first places, three seconds, and five third-place ribbons. Diane is the 13-year-old daughter of Benny and Trudy Corwin of Norvell, and has ridden since she was two years old. This is her third year competing at the Chelsea fair. She is in the eighth grade at Napoleon Middle school in Napoleon, and she rides with Cedar Ridge Pony Club and Horses and More, a 4-H club in Jackson county.

LORI NIXON of Daly Rd., Dexter, was one of the top winners in the young ladies lead class at the Michigan State Fair with her yearling ewe lamb. ## Congr. Pursell To Speak on Gifted Students

Honorable Carl D. Pursell, Michigan's 2nd District Congressman, will be speaking on "Today's Federal Perspective on Gifted/Talented" at High Point Cafetorium, Washtenaw Intermediate School District, 1819 S. Wagner Rd., Ann Arbor on Monday evening, Sept. 20 at 7:30 p.m. The congressman will discuss what's happening for gifted/talented students in the light of shrinking federal dollars and highlight gifted education in U. S. Department of Education priorities.

Congressman Pursell authored the landmark legislation for gifted and talented students in Michigan in the early 1970's and at the federal level in Public Law 95-581—Educational Amendments of 1978. Known as one of the republican "gypsy moths," he serves on both the House Appropriations and the Sub-Committee on Labor, Education, Health and Human Resources.

The Ann Arbor Area Association for Gifted Children is sponsoring the event. For more information call 994-8197 or 429-7273.

The income tax as a regular source of revenue in the U. S. dates only from 1913, with the adoption of the 16th Amendment.

# MADD Group To Meet Thursday at Sheriff's Dept.

Mother Against Drunk Drivers of Washtenaw county will hold its next monthly meeting on Thursday, Sept. 23, at 7 p.m. at the Sheriff's Department on Hogback Rd. near Washtenaw. The agenda includes the film "Twenty Ways to Recognize a Drunk Driver" and a walk through from the first observation through the booking procedure. (Please bring only the minimum personal possessions with you for the walk through.) Interested persons will also be able to register for the Oct. 14 session on court monitoring to be conducted by attorney Mike Ritenour.

Mothers Against Drunk Drivers is a rapidly growing grass roots organization made up

of women, men and children who are concerned about the 26,000 people who are killed each year in the United States by drunk drivers. M.A.D.D. originated in California only two years ago by Candy Lightner when her daughter was killed by a drunk driver. The man had been out on bail just two days after his fourth drunk driving offense. He still had a valid California driver's license. Since that time, 80 chapters have been formed in 29 states and tougher legislation has been passed in 30 states and bills are pending in three more, including Michigan. M.A.D.D. of Washtenaw county is the newest chapter having been chartered on Sept. 1 this year.

The firefighters were able to save the records area and the parts area. Destroyed in the garage area was a wrecker, a two car hauler, and other miscellaneous equipment.

# Sheriff's Dept. Asks Neighbors To Help Watch

Chelsea, Michigan, Tuesday, September 14, 1982

SWIMMERS OF THE WEEK are members of the freestyle and medley relays which qualified for the 1982 state meet. These swimmers will form a medley relay this season, which coach Von Acker says, will try to qualify for this year's state meet tonight in a meet against Okemos. Team captain Kristin Thomas is a senior, Acker says, who knows how to have fun and work hard. She has missed only one practice since Aug. 23. Dawn Borders, a junior backstroke and freestyler, is the darkhorse cut-up on the team, says Acker.

"She waits for the right moment to tease someone—and when you least expect it." Liesel Culver, a junior sprint freestyler, is the team's motivator and world traveler, says Acker. She has been to Australia and Washington, D.C. since school ended in June. Marji Rawson, a junior individual medley and breaststroker, is a talented athlete and "best coach" of the team, said Acker. She helps others on their strokes and flip turns. "She'd rather do that than swim her own practice," he said.

# Aquatic Club Is Starting 7th Year

Chelsea Aquatic Club beginning its seventh year with a program designed to be low pressure but highly motivating.

The club is coached by Chelsea High school boys swimming coach Larry Reed, the former Michigan high school coach of the year; Von Acker, the coach of the high school's highly successful girls swimming team; by Chris Seufert, an Olympian, and holder of many national and international titles; and Jon Oesterle, a former Chelsea High school swim

team captain and Eastern Michigan University swimmer.

Only minimal swimming ability is needed to joined the club. Those 10 years of age and under need only swim 40 feet of any stroke, and those 11 and older need only swim 75 feet of any stroke.

The club has many different practice times, but it is not necessary for a member to come to all practices. The more a child goes to practice, however, the greater his opportunity for improvement.

The club is involved in a new league which offers competitive events for swimmers and divers from 4-18 years of age. Reed founded this league, which consists of teams from Brighton, Ann Arbor, Chelsea, Milan, Jackson, and Ypsilanti.

Meets are on week-ends during October and November. A swimmer need not participate in all meets.

Practices are as follows.

Swimming—10 and unders (new/novice) practice Monday, Wednesday, and Friday, 5 to 7 p.m.; 10 and unders (experienced/advanced) practice Monday, Wednesday, Friday, 6 to 7 p.m.; junior highs (grades 8, 7, 8) practice Monday, Wednesday,

Friday 7 to 8 p.m., and Tuesday and Thursday 3:30 to 4:30 p.m.

Diving—Advanced club diving practices Monday, Wednesday, Friday from 5 to 7 p.m., and Saturdays to be announced. Beginning diving practices from 5:30 to 6:15 p.m. and 6:15 to 7 p.m. Monday, Wednesday and Friday.

Private diving is Monday, Wednesday, and Friday 7 to 8 p.m.

Chelsea school teams practice

Monday through Friday 6:30 to 8 a.m., and Monday, Wednesday and Friday from 3:30 to 5 p.m.

Chelsea Aquatic Club fees are: one swimmer, resident, \$35, non-resident, \$50; two swimmers, same family, resident, \$50, non-resident, \$75; three or more swimmers, same family, residents, \$60, non-residents, \$90.

The program begins Monday, Wednesday, and Friday, Sept. 13, 15, and 17. Registration will be at the pool between 3:30 and 7:30 p.m. on these days.

# Swim Pool Offers Classes, Fun Time

Cameron Swimming Pool at Beach school is used just about every minute of the waking day and sometimes, when some are not awake.

The pool is open for recreational swimming Monday, 8 to 9 p.m.; Wednesday, 8 to 9 p.m.; Friday 8 to 9 p.m. and Saturday, 2:30 to 4 p.m. The fee is 60 cents per swimmer.

Adult swimming lessons are Mondays from 9 to 10 p.m., and run between Sept. 13 and No. 1.

The fees are \$15 for residents and \$22 for non-residents.

Swim and Trim combines 45 minutes of dry land exercise and 45 minutes of water time. Section I runs between Sept. 14 and Nov. 2 and meets Tuesdays, 8:30 to 10 p.m. Section II runs from Sept. 16 to Nov. 4 and meets Thursday, 8:30 to 10 p.m. Fees are \$15 for residents for either section I or II; \$22 for non-residents for either section; \$25 for residents for both (Continued on page 11)

## Varsity Gridders Play Poorly in Opening Game Loss to Novi

The varsity football team lost to Novi, 21-0, away, in a non-conference game Friday night, in a game where Chelsea just didn't play well.

The offense could never sustain a continuous drive to score, said coach Gene LaFave, and although the defense played better, they made a couple of mistakes, which "cost dearly."

"But we're going to bounce back," said LaFave. "We are going to have a hard week of practice before our first conference game Sept. 17."

"We wanted to win our opener for sure, but our goal is to win the league. We are better than we played Friday, so we'll put this game behind us, and concentrate on the league."

A Chelsea turnover in the first quarter set up the first score. Novi quarterback Eric Deline threw a 68-yard pass play to Dave Williams to score at 5:13 in the first quarter. At the end of the second quarter, Deline had a 20-yard pass to flanker Tim Bunker. The final touchdown was scored with 6:47 left in the game on an 8-yard run.

Chelsea cornerback Steve Catell had an "outstanding" game, said LaFave. "He shut down any plays that came his way."

Other defensive players with good games were Matt McCallum, Tom Headrick, Chris Gallus, and Jay Marshall.

Chelsea gained 153 yards total

offense in the game, way under their 300 to 400-yard average.

The offense is always more difficult to prepare for the season than the defense, said LaFave, because it requires specialized skills, which need to be so well-coordinated with other players.

Part of the problem for the offense in the opener, he said, was that many players had been hurt, sat out practices, and scrimmages, and just hadn't played together much.

"We're going to bounce back," said LaFave, "and its going to be good to play at home."

The next game is Friday, Sept. 17 at 7:30 p.m. at the high school against Jackson County Western.

### Todd Sprague On Ferris State Track Team

Todd Sprague, a 1982 graduate of Chelsea High school, will be throwing the 16-pound shot, the discus, and the 35-pound weight for the Ferris State College track team this year, according to the track coach George McGinnis.

Conditioning starts in October, and the indoor track season for Ferris State, an NCAA Division II school and member of the Great Lakes Conference, begins Jan. 9 with the Monarch Open. The outdoor season begins March 27 with the Central Michigan Invitational.

Sprague, the son of James and Marian Sprague of 3490 Clear Lake, was a member of the Chelsea varsity track team for three years. He was a member of the three-man winning shot put team, whose best throws are combined for a team total, in the Cardinal Relays for 1980, 81, and 82. Sprague won the shot event at the 1981 Mason Invitational, was a regional qualifier in 1981 and 82, the same years he qualified for the state meet and was shot put league conference champion.

He was also a member of the winning discus relay, second in the shotput at Bishop Foley in 1982 and third at the 1982 Siena Heights meet. He lettered in football as all-conference defensive linebacker for the 1981 season, and also lettered in basketball and wrestling.

## Girls Varsity Cagers Loses First Two Games

The girls varsity basketball team lost its first two games, to Stockbridge, 43-22, Sept. 7 and to South Lyon, 46-29, Sept. 9.

The team's big problem is offense, said coach Jim Winter, but he is encouraged because they shot much better in the second game, and worked really hard at practice Sept. 10.

"Not getting the ball in the basket is frustrating for the girls," he said, "but the only way to learn to shoot, is shoot."

The team played good defense, committing few fouls against Stockbridge, he said, but they only scored five field goals, getting more than half their points from free throws.

Amy Poljan was leading scorer with 7 points, and Missi Lazarz had 11 rebounds.

## Girls JV Cagers Win First Two Contests

The junior varsity girls basketball team won its first two games, defeating Stockbridge at home, 43-30, Sept. 7 and defeating South Lyon away, 47-15, Sept. 9.

Both Stockbridge and Chelsea were sluggish in that game, said coach Paul Terpstra. Chelsea led, 6-2, in the first quarter. The Bulldogs picked up the pace in the second quarter and led, 18-6, at halftime.

The Panthers came out of the locker room fired up, said Terpstra, and outscored Chelsea, 14-11, in the third quarter, but still trailed, 29-20.

Chelsea took command in the fourth quarter, to stretch the final victory margin to 13 points, 43-30.

Kelly Hawker scored 13 points; JoAnn Tobin, 10; Samantha Collinsworth, 8; Jenny Catell, 6; Anne Weber, 5; and Tina Padock scored 1 point.

Leading rebounders for Chelsea were Hawker, 12; Tobin, 6; Weber, 5; and Collinsworth, 5. Against South Lyon, Chelsea jumped to an 8-2 lead in the first quarter and led, 18-5, at halftime. After leading, 23-9, at the end of the third quarter, Chelsea scored 16 unanswered points to lead, 39-9, in the fourth quarter. Final score was 47-15.

Weber scored 12 points; Padock, 10; Tobin, 9; Collinsworth,

South Lyon "surprised us," said Winter, because they had only won one game last year, but came out scoring on Thursday.

South Lyon is a quick team, and played tough man-to-man defense, he said. It was a "loosely called" physical game.

Missi Lazarz sprained her knee during a play in the game's last 36 seconds, when she was driving to the basket and was hit very hard from both sides, said Winter. She will be out at least a week.

Beth Unterbrink had 14 points, and Lazarz had 7. The rebounds were spread evenly among the players, 3 or 4 each. Chelsea got 20 rebounds to South Lyon's 34.

The team's next games are home against Pioneer at 5:30 p.m. Sept. 14 and away against Michigan Center Sept. 16.

8; Catell, 6; and Hawker, 2. Collinsworth had 9 rebounds; Hawker, 6; and Padock had 5.

The team will play two more non-conference games, tonight at home against Ann Arbor Pioneer, and Thursday away against Michigan Center.

## Club Needs Pellet Guns

The Chelsea Rod and Gun Club needs pellet guns for use in hunter safety instruction. The National Rifle Association has certified air rifles as proper tools for use in such classes, and the Rod and Gun Club prefers to use them, because they are less dangerous than other firearms. If you own a pellet gun that you are willing to give to the club as a permanent donation, call Lloyd Harden at 475-9913.

The club's hunter safety classes will be held on Sept. 20, 21, and 22 from 6 p.m. to 9 p.m. at the clubhouse on Lingane Rd. Anyone who is at least 12 years old on Sept. 22 is eligible to enroll in the class. Those who wish to sign up may obtain the forms and instruction book at Strieter's Men's Wear or from Doug Warren at his barber shop.

## Golf Team Loses Match To Northwest

Chelsea High school golf team lost a very well-played squeaker Sept. 9 to Northwest, 157-159, at Hankard Hills in Jackson.

The course was flat, open and didn't have many sand traps, said coach Ken Larson. It was also "burned out," meaning it was dry, hard, and the ball bounced further when it landed.

"Usually when a team breaks 160 points," he said, "you can expect to win."

That score was the fifth best a Chelsea team has shot, since he has been coach, the best being 154.

But three Northwest players shot 38 for nine holes on this, their home course, which some of their seniors have played for four years.

The difference between home course advantage, and playing the course sight unseen, said Larson, was the deciding factor in the match.

"But, I'll take a 159 score anytime. I'm pleased they are shooting this well so early in the season."

The four best Chelsea scores which were tallied for the varsity were: Doug Otto, 37; Eric Schaffner, 40; Mike Carignan, 41; and Kurt Eisenbeiser, 41. Two other varsity team scores were Jim Ritter, 43 and Doug Pagliarini, 47.

The junior varsity team won, 183-211. The four scores for the team total were Pete Eisele, 44; Bill Merkel, 45; Brian Ackley, 45; and John Mitchell, 49. Other team scores were Chris Tarasow, 50 and Rick Boham, 54.

The team's next matches are Sept. 14 away against Saline, and Sept. 16 away against Western.

"The Register of Reporting Labor Organizations," published by the U.S. Department of Labor in April 1981, lists more than 50,000 labor organizations that file reports with the Office of Labor-Management Standards Enforcement, a part of the department's Labor-Management Services Administration. These reports are required under the Labor-Management Reporting and Disclosure Act, also known as the Landrum-Griffin Act.

## JV Gridders Tie Novi in Opener

Chelsea's junior varsity football team tied Novi, 6-6, in their Sept. 9 season opener at the high school.

The game started out looking like a scoring binge when both teams scored on their first possessions, said coach Ken Sullins, but then both teams' defense held off close scoring attempts, often marred by first-game-jitters errors.

Novi kicked off and downed Chelsea on its 36-yard line. On the second play of the game, they picked off a Chelsea pass, and in six plays they ran the ball across the goal line on a 10-yard run.

Their extra point attempt failed.

Novi again kicked off, and downed Chelsea on the 35. On the next play Chelsea quarterback Tony Hammerschmidt and flanker Jon Carey combined for a 35-yard touchdown pass to put Chelsea on the big board. They also missed their conversion.

Both teams had chances to score later in the game, but tough defense ruled. Chelsea knocked at the door from the 15 and 19 yard lines, and Novi from the 24, and 25. Novi got down to the 8-yard line, but Chelsea

recovered a fumble, one of two Novi made.

Novi had one pass intercepted, and intercepted four Chelsea passes. Chelsea had one fumble.

Sullins was quite pleased, he said, with the offensive yardage Chelsea gained, quite a lot for their first game of the season, 44 yards rushing and 179 yards passing. Carey caught 157 yards of Hammerschmidt passes. Novi had 111 yards rushing and 118 yards passing. Those offensive totals of 213 and 227, respectively, said Sullins, showed how even a contest it was.

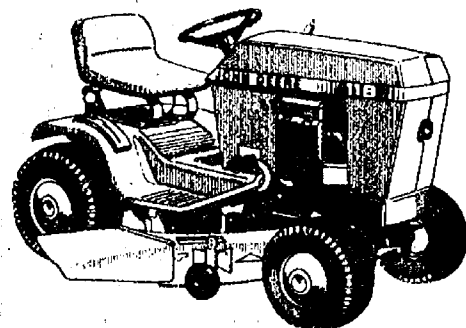

Chelsea's defensive front played "really well," he said, especially against Novi's "huge" lines. The defense was "very sound" and well-balanced.

Linebackers Mark E. Bentley had 11 tackles, and Ed Brosnan had 8 tackles. Cornerback Dean Boote had 9 tackles; Dan Fenton, strong safety, had 8; and defensive end Rob Long had 9.

Last year Novi beat the junior varsity, 42-14, said Sullins, so it was especially gratifying to tie this year.

The junior varsity's next game is against Western, away, Sept. 16.

## Girls Tennis Team Showing Promise

Chelsea girls tennis team opened its season with a four-team invitational at Pinckney, the host team, and Novi and Saline.

The girls gained valuable experience here by playing three matches each, said coach Terry Schreiner, although they came in last. Only four team members have experience, and then only two years.

Chelsea did fairly well against Pinckney this week in its first regulation match, said Schreiner. "We lost, 5-2, but played exceptionally well."

One of these points was won by team newcomer, Mika Kidoaki, a Japanese foreign exchange student, who was not on the team yet for the invitational.

The second point was won by Margaret Merkel who tied her opponent at 6-6 and then won the

tiebreaker. She went on to win the second set, 6-2.

Margaret is playing singles for the first time this year, said Schreiner, and doing very well.

Mika played beautiful tennis, said Schreiner, splitting sets with her opponent, 6-4, 2-6, and then coming back to win the third set, 6-2.

Members of the girls tennis team this year are: Carolyn Chandler, first singles; Mika Kidoaki, second singles; Margaret Merkel, third singles; Chris DeFanti, fourth singles; Nancy Weir and Marie Sullivan, first doubles; second and third doubles are interchangeable with the rest of the team members, Sue Bareis, Dawn Olsen, Lisa Smith, Jane Wood, Carrie Parkins, and Carol Nixe.

## Cross Country Teams Both 9th in Invitational

Both the boys and girls cross country teams placed ninth at the West Bloomfield Invitational Saturday, Sept. 11.

Both Sandra Frame and Mark Brosnan ran very well, placing in the top three finishers.

The girls team tied for ninth out of 30 teams with 343 points. Lumen Christi won the meet with 110 points and defending state champion Dexter was sixth with 162 points.

Frame ran an "excellent" race, said coach Pat Clarke, and finished third out of 210 runners, with a time of 20 minutes flat over a tough 5,000 meter course.

Other girls who placed were Mary Ann Richardson, 69th, in 23:02; Wendy Wolfgang, 70th, in 23:05; Stephanie Grant, 99th, in 23:57; Laura Damm, 102nd, in 24:00; and Rachell Schmell, 122nd in 24:53.

The boys team had a tough day, finishing ninth out of 24 teams with 265 points.

Brosnan ran a "super" race, said Clarke, finishing second with a time of 16:23.

Other Bulldog boy placers were Allen Cole, 29th with 17:53; Eric Green, 62nd, with 18:38; Dave Kies, 70th with 18:43; Jared Bradley, 102nd, with 19:21

seconds; and Randy Krichbaum, 118th, with 19:31.

"We did not have a good day over-all," said Clarke, "but we will improve dramatically as the season progresses."

"Saline looked just super at this meet. They look like the team to beat in the league this year," he said.

## Farm Leader Urges More Grain Sales to USSR

President Reagan was urged by American Farm Bureau Federation President Robert Delano to support increased grain sales to the Soviet Union so U. S. farmers can capitalize on a short Soviet grain crop.

Delano told the president that a 15 million metric ton additional shortfall in Soviet grain production, as now projected by a U.S. Department of Agriculture report, gives American farmers an opportunity to dispose of a sizeable carryover in corn and wheat from banner production years on U. S. farms.

**THE CLASS OF '84** didn't win a float parade award at the fair parade Sept. 4, but they did sponsor the girl chosen 1982 fair queen, Carine Brown. That's Carine in her crown and cape, carrying her bouquet of flowers. The horse-drawn float, entitled, "On Our Way To The Big Top" also carried two court members, Carol Stirling and Terri Bort.

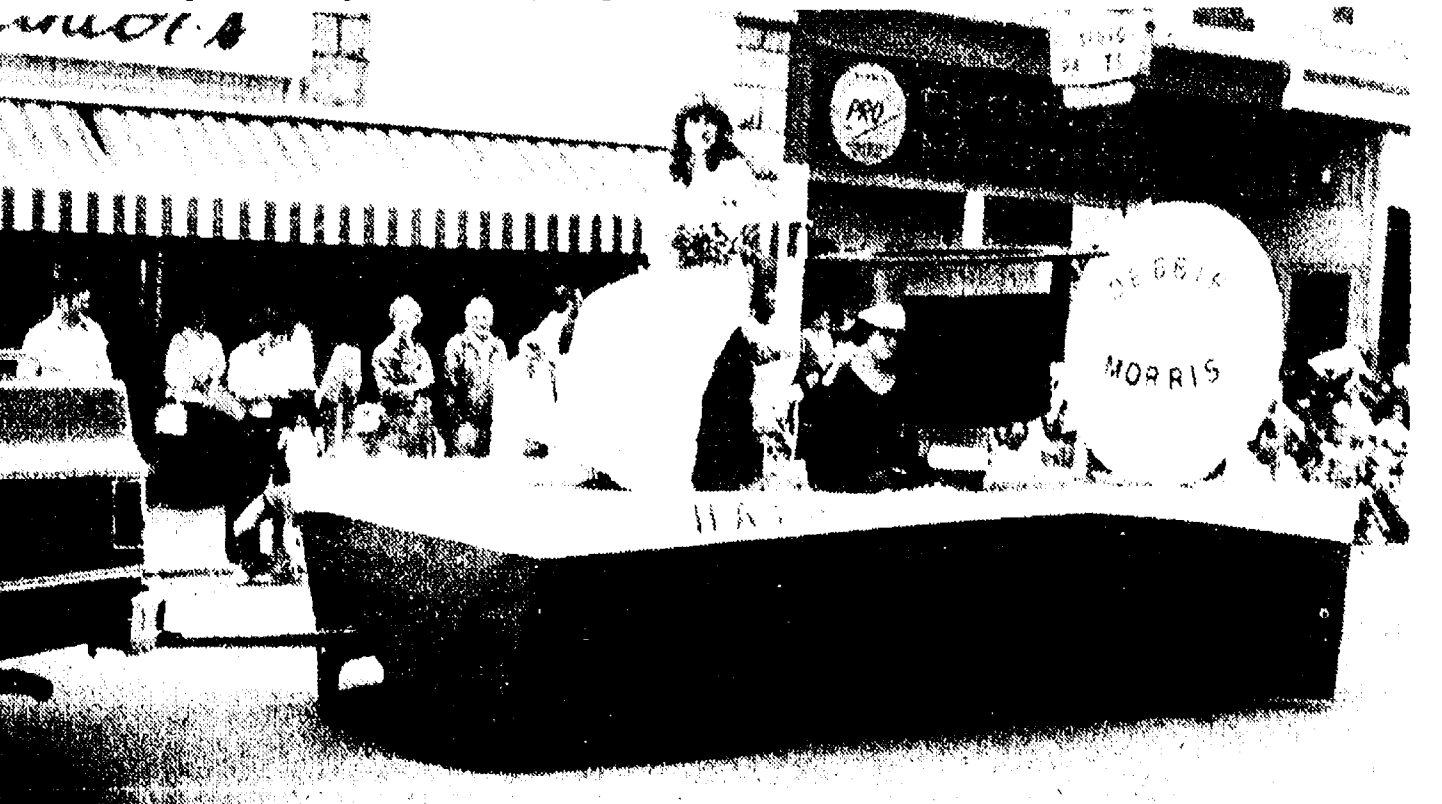

**CHELSEA UNITED METHODIST RETIREMENT HOME** took third place in the adult division of fire department-sponsored fair parade down Main St. Saturday, Sept. 4. The float, whose theme was "Sail on Through Life's Storms, The Harbor Is Safe," features a boat with two sailors going down a river from the horizon, and even waves lapping at its sides.

**THE CLASS OF '86** took second place in the fair parade's youth division for their float, "We're Cruising to Success." That's Nancy Case, their fair queen contestant, perched high up on the upper deck of this steamer boat, riding down the waters of Main St. Sept. 4. She is the 15-year-old daughter of Mr. and Mrs. Cas Case of 9100 Ham Rd. Her court members riding on a lower deck are Cindy Kvarnberg and Chandy Hurel.

**TERRIFIC TAILORS**, a sewing 4-H club, had a float in the Sept. 4 fair parade featuring their fair queen sponsor, Laurie Heller, the daughter of Robert and Else Heller of 1610 Guenther Rd., for the fair queen contest. She did her club proud at both the queen contest and in the home-economics entries, and was named junior champion homemaker.

**ROGERS CORNERS HERDSMAN FLOAT** took fourth place, which is also called the firemen's award, since this prize is sponsored by the Chelsea Fire Department, at the fair parade Saturday, Sept. 4. That's Connie Bollinger, the fair queen contestant sponsored by this 4-H club, waving to the crowd. She is joined by her court of Amy Wolfgang and Lucy McCalla. Connie is the daughter of Oscar and Jean Bollinger of 6142 Ivey Rd.

**THIS FAIR FLOAT FEATURED THE HISTORY OF WOMEN IN BUSINESS**, and was sponsored by the Chelsea Chapter of the American Business Women's Association. There is a pioneer woman, an early secretary with a manual typewriter of all things, and a modern business woman of today, complete with a blazer.

**CUB SCOUT PACK 455** enjoyed a beautiful ride down Main St. Sept. 4 in the fair parade, sponsored by the Chelsea Fire Department. Scouting is the "Doorway to Adventure," and interested boys and their parents can learn more about it at a 7 p.m. Cub Scout round-up at South school Thursday, Sept. 16.

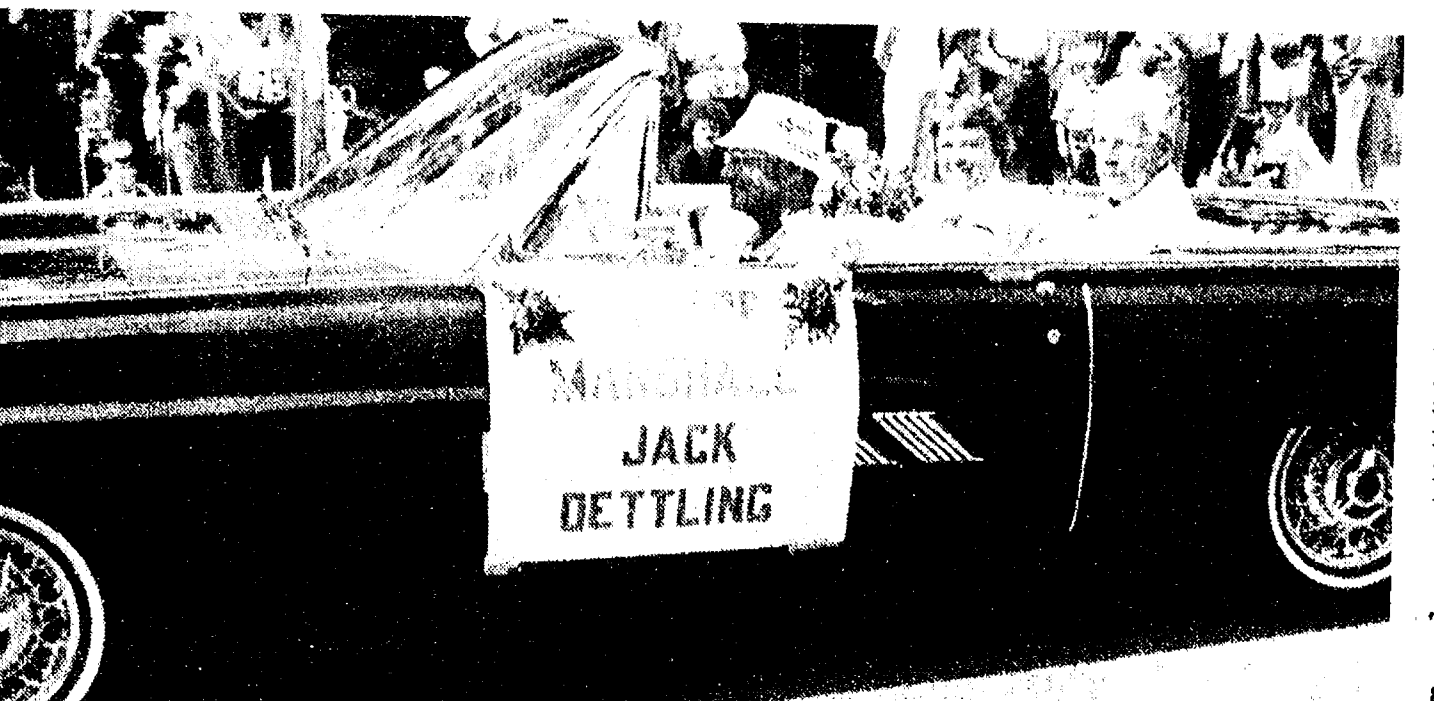

**THE CHELSEA FAMILY PRACTICE CENTER** wants us "Growing With Health." Their float, featuring colorful paper-tufted arches, had riding on it center personnel such as physicians and nurses, and the full-range of age groups the center has as patients—from babies to grandparents.

**IF IT IS FAIR WEEK, FOOTBALL CANNOT BE FAR BEHIND!** This fair float Sept. 4 featured players and cheerleaders from Chelsea's football teams for eighth through twelfth graders. The football teams have co-ordinated training throughout, so that each year boys are building new skills and refining old ones, as they join the next age group. The Bulldog cheerleaders in their blue and gold uniforms will be concentrating on short, crowd-pleasing cheers this year.

**RESERVE CHAMPION STEER** was raised and shown by Steve Grau, the 18-year-old son of Lloyd and Arlene Grau of 3420 Chelsea-Manchester Rd. Grau, a 1982 graduate of Chelsea High school, is now a freshman at Eastern Michigan University. He sold the 1,150 pound Charolais-mixed steer to Polly's Market for \$1.90 per pound. The steer weighed 475 pounds in the fall of 1981. Carine Brown, the 1982 fair queen, and Polly's buyer Tom Arnold join Steve at the auction block.

**JACK DETTLING**, a sheriff's department deputy, was chosen parade marshal for the Chelsea Community Fair parade, Saturday, Sept. 4. It was a great day for a parade—sunny with bright blue sky to show off the floats. Along with the seven youth and 11 adult floats, there were horses, antique cars, fire equipment from neighboring towns, and vehicles put in by local merchants.

**SMOKE AND FIRE BOILED UP** from this car at the demolition derby in the final heat Wednesday evening, Sept. 1 at the fair. It was the worst fire of the eight years of the derby, but the driver of the car escaped without injury. As soon as a fire is sighted, a siren goes off and the action stops until firemen give the go-ahead.

## Letters to the Editor

To the Editor and Chelsea Fair Board:  
What a super morning we have just spent at "Ladies Day." The program was great for all ages. Everyone there could learn something new.  
The gifts by the merchants were very much appreciated and the speakers left us with many good ideas.  
Thanks for providing something special for the ladies. We hope this will be an annual part of the fair.

To the Editor:  
While The Ann Arbor News was exclaiming me on the front page, (Thursday, Sept. 2), at the same time their editorial was recommending that other politicians do what I have been doing for the past six years as a County Commissioner—face up to tough budget decisions.

The County Administrator and the majority of the Board of Commissioners are proposing to increase the operating millage of the County from 5.03 to 5.15 mills which will generate \$700,000 more than last year in actual tax dollars for the County operations.

Mr. Burnham finds that my proposals to hold the line on spending are "denigrating to the County Board of Commissioners and to the people receiving services" but he shows no concern for the taxpayer who is paying ever increasing tax bills. Perhaps he should look at the proposed budget and see that, if wages and fringe benefits are frozen, a reduction of \$1,168,000 would be attained without any reduction in services or personnel. By holding the line on operating millage as I propose, a reduction of only \$700,000 will occur in the proposed budget.

I do not believe it unreasonable to freeze county employees wages and fringe benefits. The federal government has put a freeze on salaries and State employees are taking payless days off. In the private sector employees are making even greater salary and benefit concessions to keep their jobs. It is also not unreasonable to freeze the 1982 levels of funding for discretionary programs while we scrutinize each program closely to see if it indeed is an appropriate program for the County to be funding.

The public hearing on the budget is Wednesday, Sept. 15, at 7 p.m. in the Old Post Office building in Ann Arbor. Those who want to hold the line on budget increases should make their voices heard.

Margaret O'Connor  
County Commissioner,  
District 3.

Dear Editor,  
Girl Scouting has always played a large role in my life. As a girl member I had many wonderful experiences and friendships. As an adult I have continued these activities and helped make them possible for the girls in our area. One of my personal goals as a Girl Scout leader has been to give back to the Girl Scout movement what it has given to me.

Friendships in Girl Scouting and Girl Guiding are international and very meaningful. I still visit and correspond with my Senior troop leader and members from 23 years ago. Serving as a volunteer Girl Scout leader I have worked with many first class people and have made lasting friendships.

Girl Scouts are special and give so much to this world of ours. As a leader I can help these girls to their fullest potential and grow to be an important part of their family and community. I'm proud to be a Girl Scout leader. How about you? Wouldn't you like to make the difference in the life of a girl?

Romain Kling,  
Troop Leader.

To the Editor:  
Hats off to our Community Fair and Parade Committee.

It was one of the best all-around fair times for all ages. The parade with Smokey the Bear, Senior Citizens, school bands, marching units, the school kids and teachers, etc., and last but not least, the very beautiful floats that took so many busy hands and long hours of labor by so many.

The busy Volunteer Fire Dept. needs a special pat on the back for their fine organized Fair parade (as for many years)—and their contacts with our neighboring smaller communities for the response in sending fire trucks and antique cars to the delight of all youngsters and adults alike.

It's so easy to find fault, but trying something good in each thing—it's more satisfying.

Keep up the good work for bigger and better fairs and parades. From the "Sideline Superintendent" (Who never misses a parade)

### Kero-Sun® offers Omni and Radiant portable heaters that are 99.9% efficient

Forget what you've heard about kerosene heaters in the past. Kero-Sun introduces a whole new age of advanced heating technology.

The key is fuel efficiency. Kero-Sun® heaters are 99.9% efficient. They're smokeless and odorless in operation. They don't need a flue or chimney; so you can pick them up and take them almost anywhere. They give you warmth only when and where you need it. They cost you only pennies per hour to operate — and they're easy to use. They've met the highest international safety standards — and have been safety-tested and listed by Underwriters Laboratories.

### New Economies in portable heating

With heating costs so high it's startling to realize that Kero-Sun® heaters cost only pennies per hour to operate.

That's true whether you use Kero-Sun heaters as your main source of heat — as in a vacation cottage. Or, as a supplement to your primary heating system — to heat an add-on room, or for use where you work — in an office, factory or store.

Another way to save is in the autumn or spring. You don't need to start up your central heating system, but want just enough warmth to take the chill out of the air. With a Kero-Sun heater, you can patriotically "dial down" without cooling down.

### Safeguards are designed-in

One of the most distinctive Kero-Sun® features is the automatic safety shut-off system, which features a positive action. If the heater is ever jarred or tilted, the extinguisher snaps shut over the wick, literally cutting off combustion.

Other built-in safety factors include: Push-button automatic lighting that eliminates need for matches; fuel is wick-fed, unpressurized, so if combustion stops, fuel does not continue to feed; low center of gravity makes Kero-Sun heaters resistant to tilting or tipping over accidentally. And if there's a power failure a Kero-Sun heater in your house could keep your pipes from freezing. In extreme cold over a long duration, it could even save your life.

## MORE EFFICIENT THAN OTHER HEAT

Compare Kero-Sun® heaters with standard central heat. Average seasonal efficiency of oil and gas central heat is 60%-65%. That means almost half the heat generated flies up the chimney or is dissipated through pipes and ducts before it gets to you.

Or compare with wood and coal. Average seasonal efficiency is only 50%. And the friendly old fireplace? Everybody loves it, but unfortunately it sends more heat up your chimney than into your home.

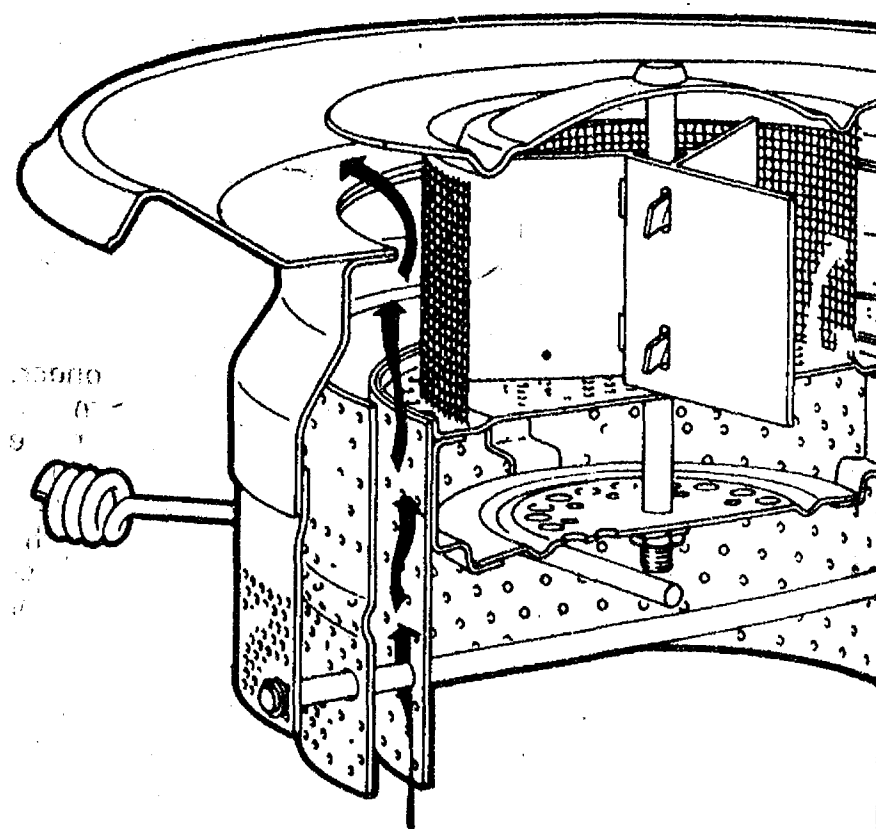

Electric heat? Everyone knows how much it costs.

But, with Kero-Sun, the money you spend on heat comes back to you in heat.

## 99.9% efficient — clean-burning, smokeless, odorless in operation.

The secret of the efficiency in Kero-Sun® heaters is no secret at all. It's the combination of clean kerosene fuel with the precision engineering of the heaters themselves. The heart of any Kero-Sun® portable heater is the combustion chamber. It is so precisely engineered that every tiny hole and piece of stainless steel plays a vital role. The wick at the bottom of the chamber draws the fuel upward from the tank. Fuel and air are combined in the chamber where primary combustion takes place. Products of combustion pass upward through the chamber where glowing red stainless steel parts complete the combustion process like a jet after-burner. This secondary combustion is so complete and clean-burning, there's no smoke or odor during operation.

# ILY PENNIES AN HOUR!

## HUMAN ENGINEERING FOR EASY OPERATION, EASY MAINTENANCE

Kero-Sun® heaters have been engineered to make using them as comfortable and as convenient as possible. A siphon pump comes with the heater to make it easy to refuel. The wick is easy to keep clean and under normal use should last a season, probably longer. Same for the two D-size common flashlight batteries which power the automatic igniter coil. Kero-Sun® has also gone to great lengths, so that no tools are needed for disassembling the heater or replacing the wick. Maintenance is minimal. Important point: for peak efficiency, Kero-Sun recommends using only high-grade, water-clear kerosene, readily available in your area.

## Give vent to your fuel bill worries.

**A Kero-Sun® Monitor 20™ or the Monitor 30™  
vented heater could lower your heating costs substantially, in  
your home, cabin, office, garage or shop.**

The Monitor Heater with its unique forced flue system enables it to burn kerosene at 70-80% greater efficiency than the average wood or coal stove burns its fuel. The Monitor has other big advantages: An automatic on/off timer . . . temperature control . . . instant ignition . . . smokeless, odorless burning . . . easy installation . . . many others we'll be happy to show you.
