Hospital Fall Benefit Plans Taking Shape

Chelsea Community Hospital's fall benefit, "Autumn Celebration," is well underway in planning. Many exciting gifts have been donated by local artists, dealers and merchants. Many individuals are also donating their time to make the fund-raising event a success.

Some of the items at the auction include two trips for two to Toronto, Michigan-Ohio State football tickets, a tail gate party following the game, an antique grain scale, Tiger baseball memorabilia, antique toys, artwork and many other fine items.

Funds raised by the benefit will go toward the purchase of a handicap lift-equipped van for the Hospital's Rehabilitation Program.

Date of the "Autumn Celebration" is Saturday, Nov. 2.

Beach School Open House Set for Oct. 3

Beach Middle school will hold an open house on Thursday, Oct. 3 beginning at 7 p.m. in the school cafeteria. Parents, relatives and friends of the students are invited to attend.

Following a brief meeting in the cafeteria, parents will participate in a simulated version of their child's schedule, with short visits to each classroom.

At the completion of the "school day," there will be a social gathering in the cafeteria where service clubs, such as the Music Boosters, Athletic Boosters, and Aquatic Club will be available to explain their respective programs.

High School Open House Scheduled

Chelsea High school will have its annual open house Monday, Sept. 30, beginning at 7 p.m.

The evening will start out in the gymnasium, where various department areas will be set up to answer questions.

Afterward, parents will follow their children's schedules and spend 15 minutes with each teacher in his or her classroom.

Fingerprinting Offered for Area Children

Parents will have the opportunity to have fingerprints of their children taken by Chelsea police on Saturday, Oct. 5 at the VFW Hall, from 9 a.m. to 1 p.m.

The program is being sponsored by the women's auxiliary of the VFW.

The idea of the program is for parents to have a means of positive identification of their children. The fingerprints, which will be taken by Chelsea police reserves, will be turned over to the parents immediately. No agency will have copies.

"Right now, most parents have no way to positively identify their children," said Chelsea Police Chief Lenard McDougall. "This is an important tool to have in the battle to find a missing child."

While the program is aimed at children, any other Chelsea residents who would like to have fingerprints made are also welcome to participate.

The VFW Hall is located at 105 N. Main St.

Meetings Scheduled With School Superintendent

The first "Dialogue With the Superintendent" meeting will be held Sept. 24 at 9:30 a.m. at the high school.

"Dialogue is a session for the superintendent of schools and district residents to discuss the operation of the Chelsea schools. If you have an interest, please feel welcome to attend. All sessions are open to the public and meet monthly.

In addition to the Sept. 24 meeting, future sessions are scheduled for Oct. 17, Beach school, 9:30 a.m.; Nov. 12, North school, 9:30 a.m.; Dec. 5, South school, 9:30 a.m.

THE KNITTER: Ole Carlson of Chelsea examines an intricate knitting pattern while talking about the history of a once male dominated craft at Saturday's Country Craft Show.

JOSEPH RILKO of Saginaw demonstrates the craft of chip carving for an inquisitive audience at the Chelsea Country Craft Show Saturday.

THE DOLL MAKERS: Linda Wade and Helen Baynes of Gregory demonstrated the art of doll making at Saturday's Country Craft and Folk Art Show at Chelsea High school for the benefit of Chelsea Senior Citizens.

JANET ALFORD, a school teacher by vocation and a stenciller for fun embellishes a floor cloth at Saturday's Country Craft Show which benefitted Chelsea Senior Citizen Club.

Council Negotiating on Land Purchase for New Sewage Treatment Plant

Plans are moving along for the eventual building of Chelsea's new wastewater treatment plant, although there is no word about the possible Environmental Protection Agency grant for 50 percent financing of the project.

The most recent development is that councilman Joe Merkel is working with village attorneys on the purchase of slightly more than five acres of land adjacent to the current plant for use as the site of the new plant. The land

now belongs to Henry and Martin Merkel.

The asking price of the land was \$5,000 per acre, which would put the entire purchase price at \$28,650 for the 5.73 acre plot. However, the land has been appraised at \$26,000, according to Joe Merkel, by Swisher Realty Co. of Ann Arbor.

Village administrator Frederick Weber would not comment on the price that would be offered.

According to Weber, the village will enter into a sales agreement that is contingent upon council approval.

Joe Merkel said the land should be purchased within the next 60 days. It is currently being used as farm land, although it is zoned for residential development.

According to Joe Merkel, 50 percent of the purchase price would be funded by the EPA grant for which the village has applied to fund the wastewater plant project.

New Scoreboard Being Installed at CHS Athletic Field

Thanks to the generosity of the Chelsea Kiwanis Club and Chelsea Athletic Boosters, Chelsea High school should have a brand new scoreboard in time for the Bulldogs' next home football game, with Lincoln this Friday. In fact, by the time you read this, it may already be installed.

According to Athletic Director Larry Reed, the two organizations each contributed \$3,000 toward the scoreboard, which will ultimately cost \$8,000. The school district took care of the remaining \$2,000. The names of the service organizations will appear on the scoreboard, along with "Jerry Niehaus Field."

There's a slight possibility the board won't be up in time for this week's game. The school is at the mercy of its supplier, General Displays of Southfield.

What's the advantage of having a new scoreboard?

"It'll work," Reed said. "The old board has been in place since 1958 and it has been down about as often as it has been working. We looked into gutting it and replacing the insides, but that

would have cost about half as much as a new scoreboard."

The new scoreboard, made by Daktronics, Inc., a well-known name in swimming pool timers, will have several advantages over the old board.

The first advantage, unnoticeable to the spectators, will be that it is all solid state. Circuit boards can be replaced much more easily and cheaply than repairs to the old technology. It's like the difference between a television built in the 1950s and today.

The letters and numbers on the board will be 24" high rather than 18."

For football games, there's an indicator showing what yard line the ball is on.

The clock can be set to count down the time, as in a football game, or count up the time, as in a track meet. It can start from, or count up to, 99:99 rather than counting down from 12:00. As a matter of fact, the clock could even interface with equipment of official timers use in a track meet to show the official time.

However, Reed said that would cost a couple thousand dollars, and there are more pressing needs.

The new board will be about 15' higher off the ground than the old board, and about 10, closer to the fence, giving a better view to both participants and spectators.

"Right now when a football player stands at about the 50-yard line, the goal post goes right through the middle of the timer," Reed said.

Reed said the board is designed for track meets in that the numbers are readily visible in bright daylight.

The school district considered other, less expensive, scoreboards, but found that the warranties were not what was expected.

"Considering the problems we've had with the old board, we wanted to avoid as many potential repair problems as possible," Reed said.

The new board comes with a two-year warranty on parts and labor, Reed said.

Council Studies Plan To Cut Electric Costs

Chelsea may be able to save more than \$25,000 annually in peak electrical costs by participating in a plan devised by the Michigan Public Power Agency.

Under the plan, which has not yet been approved by the village council, the village would buy electricity through the MPPA from the City of Lansing from 10 a.m. to 9 p.m. on weekdays.

Participants in the program, which are expected to include

Charlevoix and Petoskey, will be able to save about \$5 per kilowatt, according to the "Report on Peak Shaving" submitted to the council at its Sept. 17 meeting. Chelsea currently pays up to \$11 per kilowatt.

"No action was taken during the last meeting because I wanted to get comments from our electrical consultant," said village administrator Frederick Weber. That consultant is Cum-

mins & Barnard of Ann Arbor, an engineering firm.

The village council is expected to have a special meeting this week concerning participation in the project.

The program would have its greatest impact in the hot summer months when air conditioners are in heavy use. Saving in August alone is expected to be about \$6,000.

Country Craft, Art Show Proves To Be Big Success

More than 50 artists and craftsmen from across the state and just across town gathered at the Chelsea High school gymnasium Saturday for the first annual Country Craft and Folk Art Show.

They came from Gaylord, Saginaw, Reed City; woodworkers, weavers and bobbin lace makers; painters, potters and a scrimshaw crafter. They filled the gym with their wares and a capacity crowd. Many demonstrated crafts that are almost extinct.

The fair is a trial balloon for the Chelsea Senior Citizens, a 1,500-member locally sponsored group. According to Jackie Rogers one of the group's co-ordinators, the senior citizens needed a fund raiser for daily expenses to keep the group going. The seniors agreed to provide the manpower, sell the tickets and run the cafeteria. What they needed was leadership.

Marcey Stump, a veteran art show co-ordinator agreed to

organize the show since Chelsea does not have an exhibit for the fall season. "This is the first strictly country craft show I've done," said Mrs. Stump. "We decided that if it was successful we would make it an annual event and from the looks of it it certainly is a success."

According to Rogers more than 400 people paid the \$1 admission and filed into the gym before 11 a.m. The cafeteria did a brisk business much to the credit of senior citizen Mary Herrst's lively salesmanship.

Many of the artists responded to an ad Mrs. Stump placed in the Michigan Council for the Arts Bulletin, but many more were acquainted with Mrs. Stump through the many shows she has co-ordinated.

Chris and Jerry Yoeman who specialize in personalized country folk art, traveled from Otisville. "They were in our South Lyon show and they were such a terrific hit at the sidewalk

sale that they decided they would like to be in this one. They have just been swamped with orders," Mrs. Stump said.

Joseph Rilko of Saginaw began chip carving 15 years ago and is now a supplier for shops in Frankenmuth, Muskegon and Petoskey, businesses that had to import their wares from overseas up until a few years ago.

Ole Carlson of Chelsea demonstrated the intricate art of lace knitting, and described the history of this once male dominated art. According to Carlson, knitting guilds required a six-year apprenticeship before the age of mechanization. Many professionals could attain a speed of from 400 to 600 stitches per minute Carlson said. The stitches of the Aran sweaters so popular today were developed by the Aran island fisherman of Ireland, and the Shetlanders have stitches and techniques never revealed to the outside world.

JUST REMINISCING

Items taken from the files of The Chelsea Standard

4 Years Ago . . .

Tuesday, Sept. 22, 1981—

Mrs. William (Edna) Walker has decided to sell her tractors and other farm equipment and give up her 60-year career of farming on the farm where she was born.

Born in 1908, she was the eldest daughter of Frank and Elizabeth Guenther Grieb who resided at 2401 Fletcher Rd. Later, the couple gave birth to a second daughter, Emma, who died in 1946.

Edna attended the Jerusalem school on Sager Rd. until the eighth grade, walking the mile and a half each way, rain or shine, snow or sleet. Sometimes she'd stop at her grandmother's home at the corner of Scio Church and Fletcher Rds.

After her completion of eighth grade, Edna went to work on her parents' farm. This decision was based in part on the fact that tuition had to be paid for high school.

During her 60 years of farming, Mrs. Walker (who married William Walker, a German immigrant who came to this country in 1923), has seen many changes. Initially, she and her family operated their equipment with the help of horses.

Her parents had even planted and cultivated all of their crops by hand. She remembers when she and her husband and parents husked 2,000 bushels of corn by hand.

Commenting on the walking necessary in the fields in her earlier years, Mrs. Walker kidded that she wished she'd worn an odometer to log all of the

miles she has walked in her 73 years.

14 Years Ago . . .

Thursday, Sept. 23, 1971—

Chelsea is fielding its first varsity cross country team this year, but has good potential, and a couple of strong contenders for regional honors, according to coach Pat Clarke.

The runners are Robin Boyer, Ken Buxton, Jim McGinn, Dan Hoover, Howard Schenk, Mike Agopian, Jon Schenk and captain Dave Buxton.

Approximately 50 Chelsea residents and representatives of local industries participated in a lengthy and often heated discussion of the sewer service charge and the method in which it is billed, during the village council meeting Tuesday night.

Part of the discussion focused on the differences between the percentage rates established for residents and industries, but the most intense debate occurred over the percentage billing method itself.

It was discovered during the discussion that alternatives suggested at the meeting would also result in inequities in the amount residents would have to pay, and an ultimate but reluctant consensus favoring the present method was reached.

The village council did agree, however, to give the matter further study.

Joe Aspiranti (32) and Randy Brier (22) were named gridders of the week. Aspiranti is a senior halfback and has been playing for Chelsea High since his sophomore year when he and his family moved here from Detroit, while Brier, also a senior, is beginning his grid career at CHS this fall. Brier has been a baseball player for four years and has been playing with the varsity team since he was a sophomore.

American Legion Auxiliary Past Presidents Club met at the home of Mrs. Luther Hale with 16

Governor Proposes Use of Cigarette Tax To Cut Deficit
 Governor James Blanchard has urged President Ronald Reagan, the U.S. Congress, and his fellow governors to support an extension of a federal cigarette tax to be earmarked to reduce the federal deficit.

In a recent letter outlining his stance on the tax, the Governor invited the President to visit Michigan to acknowledge the state's success in its fiscal recovery and to highlight the fact that bipartisan co-operation is needed to attack the deficit issue.

He noted he has declared Nov. 30 as Solvency Day, when a \$1.7 billion accumulated deficit will have been eliminated by portions of the income tax and cigarette tax earmarked for that purpose.

The Governor, in an address to the Michigan Municipal League, said retention by the federal government of an eight-cent per pack tax, which is scheduled to expire Sept. 30, could provide \$3 billion a year toward reducing the deficit.

The total federal cigarette tax is currently 16 cents.

"It is essential that future federal revenues from this excise tax be retained by the federal government, but only if they are not squandered on new spending," the Governor said.

In correspondence to the other 49 governors, Blanchard said, "We must reinforce our image of fiscal responsibility by avoiding a fight over these dollars. Urging Congress and the President to

pledge the federal cigarette tax to deficit reduction can demonstrate our willingness to help solve this overriding national problem."

However, several states have already adopted budgets which assume they will adopt all or part of the tax which is scheduled to expire.

The Midwestern Governors' Association at its August meeting divided on the issue, but did defeat a resolution supporting the planned sunset.

Blanchard said Michigan could add \$90 million by picking up the eight-cent tax which "could be well spent on important state needs. But I believe it will be even better spent by using it to reduce the deficit and help remove that cloud from Michigan's future."

Grant To Fund Mental Health Training Projects
 Mental Health Department director C. Patrick Babcock recently announced a project of expanding and updating skills of mental health and related human service workers will be funded by a three-year, \$439,000 grant from the Institute of Mental Health.

The grant, awarded to the department's Office of Resource Development, will permit the department to proceed with four separate training efforts, Babcock explained.

The projects include a work force demonstration project, focusing on workers safety, reduction of worker compensation

costs and job satisfaction. Other parts of the project include expansion of an information system to allow the department to monitor composition of work force and project future need for various mental health specialists such as psychologists, registered nurses, social workers, physicians and other therapists.

Additional parts of the grant will be used for development of training programs tailored to the needs of case managers and development of increased training for law enforcement or mental health workers who deal with persons confined to local or county jails who also are exhibiting signs of mental disorders.

Open Houses Scheduled By Schools

Annual Open House is a time for parents to visit their schools to learn about programs and projects.

Scheduled Open Houses are as follows:

Tuesday, Sept. 24, North school.

Monday, Sept. 30, High school.

Thursday, Oct. 3, Beach school.

Thursday, Oct. 10, South school.

All Open House activities begin at 7 p.m.

Country Craft Show

(Continued from page one)

Larry Hitchcock of Garden City described the finer details of stained glass art. Janet Alford demonstrated stenciling, and the list goes on.

Mrs. Stump says that it has been pretty much decided that the Chelsea Country Craft and Folk Art Show will become a regular part of Chelsea's calendar of annual events.

Five Escape Serious Injury in Auto Crash

Five Chelsea residents escaped serious injury when the car in which they were traveling crossed the center line of East St. and rammed a tree in the early morning of Sept. 14.

Police said the driver of the vehicle was Michele Marie Hayter, 22, of 215 Park St. Passengers in the car were Hayter's husband, James, her mother, Susanne Huggins, of 435 North St., and friends Glenn Rooke, of 421 W. Middle St., and Robert Devoe, of 14200 Jerusalem Rd.

All five were taken to Chelsea Community Hospital. The Hayters and Huggins, who were all pinned in the automobile and had to be freed by Chelsea firemen, were transferred to St.

Joseph Mercy Hospital. James Hayter was released on Sept. 19, and Michele Hayter and Huggins were released on Sept. 21.

According to police, the five were on their way home from a bar in Jackson, where they had been drinking, at approximately 3 a.m. The group made a stop at the Hop-In, where Michele Hayter took over driving.

The Chelsea Fire Department was called to the scene, near the intersection of Park St.

Police said Michele Hayter was cited for driving with excessive speed and drunk driving.

All five were taken to Chelsea Community Hospital. Huggins sustained the most serious injuries, with a broken arm and broken ribs.

Extension Service Offers Program on Low Calory Snacks

If you are tired of rich, fattening party foods that add inches you can learn about a new approach to appetizers and snacks. Co-operative Extension Service is sponsoring a public program on Tuesday, Oct. 8 at 10 a.m.

Donna Clark, home economist who has taught extensively with Ann Arbor Continuing Education, will be the guest speaker. She will show new ways to set an attractive table with appetizers and snacks that are healthful, easy on the budget and the waistline. She will demonstrate the preparation of adult party foods as well as children's snacks.

The program will be held at the Co-operative Extension Service building at the County Service Center at 4133 Washtenaw and is free of charge.

Co-operative Extension Service programs are open to all regardless of race, color, creed, sex, handicap or national origin.

"See for Yourself" School Tours Set

"See for Yourself" is an opportunity for district residents to observe the schools in action. The commitment would be from 11 a.m. to 1 p.m.

Included is a tour of the schools, a light lunch, and an opportunity to discuss integral parts of school programs with the superintendent and other administrators.

If you have an interest in participating in the "See for Yourself" program, call 475-9131.

Scheduled dates for the tours are: Oct. 2, high school; Nov. 6, Beach school; Jan. 22, North and South schools.

Mr. and Mrs. Steven Scott Grau

Susan Riemenschneider, S. Grau Exchange Vows at St. Mary's

Susan Marie Riemenschneider, daughter of Mr. and Mrs. Robert Riemenschneider of Chelsea, was married to Steven Scott Grau, son of Mr. and Mrs. Lloyd Grau, also of Chelsea, on Saturday, Sept. 14 at St. Mary's church.

The Rev. Fr. Philip Dupuis, the Rev. John Morris and Richard Cesarz performed the ceremony. Jeanne Welton and Ron Harris were vocalists and LaVonne Harris played the organ.

The bride wore a satin gown with venise lace and full puffed sleeve. A semi-cathedral train trimmed with yards of chantilly lace and baby ruffles, was high-

lighted with satin bows. She wore a matching hat with blush veil. She carried a bouquet of white and pink roses with baby's breath.

Maid of honor was Jody Klink of Chelsea. She wore a suede rose taffata floor-length gown with a sweetheart neckline, puffed sleeves and a ruffled hemline. Her flowers were long stem, dark pink roses with fern and baby's breath.

Bridesmaids were Kathy Grau of Chelsea, sister-in-law of the bridegroom, Kelly Barkley of Chelsea, and Lisa Norris of Dexter. Their dresses were the same style as the maid of honor's of a darker rose color. Her flowers were long stem, light pink roses with fern and baby's breath.

Catherine Hoffenbecker was the flower girl and Daniel Koenigter was the ringbearer.

The best man was Michael Bareis. Serving as ushers were Matthew and Daniel Grau, both of the bridegroom, and Robert Riemenschneider, Jr., the bride's brother.

A reception for 250 guests was held at the Chrysler UAW Hall. Mr. and Mrs. Ronald Borders greeted guests. Godmothers Shirley Vandervoort and Donna Guenther cut the cake, and Amy Koenigter was in charge of the guest book.

The newlyweds took a one-week trip to Jamaica. They are residing at 403 East St.

The bride is a 1984 graduate of Chelsea High school and Preston Beauty Academy. She is employed with Merkel's Home Furnishings.

The bridegroom is a 1982 graduate of Chelsea High school and attended Eastern Michigan University. He is employed at Allied, Inc.

Although the number of women business owners is on the rise, women still own only a small portion of the businesses in the United States. According to the most recent data from the Bureau of the Census, women owned over 700,000 firms in 1977—representing 7 percent of all businesses. A survey of women-owned businesses revealed that 94 percent were owned by white women, almost 4 percent by black women, and nearly 3 percent by women of Hispanic origin, according to "Women Business Owners," a fact sheet issued by the Women's Bureau of the U. S. Department of Labor.

40TH ANNIVERSARY: Calvin and Lois Clark, of 15685 Old US-12, celebrated their 40th wedding anniversary with a gathering of family at Gilbert's Steak House in Jackson. The Clarks were married Sept. 9, 1945 at the Federated Church in Grass Lake. On hand to help celebrate were David and Kathleen Clark and their children, Dennis and Jon, of Cavanaugh Lake; Richard and Pam Clark and their children, Amber and Danny, of Grass Lake; and Elita and Debra Borders of Ann Arbor. The celebration took place Sept. 8.

Gum Disease Can Be Easily Prevented

Dental disease can be prevented and it is the role of the dental hygienist to assist you in preventing dental disease. This is the first in a series of articles on preventive dental health care, developed in co-operation with the Washtenaw District Dental Hygiene Society, in observance of National Dental Hygiene Week, Sept. 15-21.

Americans, more than ever, are working hard to stay healthy and fit. They are exercising, watching their diet and finding out more about what it takes to stay healthy.

But many of those health conscious Americans separate their dental care from their total health care. To them, dental care means having a bright, pretty smile.

Teeth and gums, like other parts of the body, are susceptible to disease. One dental disease which is prevalent among adults, although it can occur at any age, is periodontal (gum) disease. Periodontal disease is the major cause of tooth loss in adults.

The Washtenaw District Dental Hygiene Society recommends you inspect your mouth for any of the following signs of gum disease:

—Bleeding gums when brushing teeth.
—Red, swollen and tender gums.

—Loose or separating permanent teeth.

—Change in the way dentures and partials fit.

—Bad breath.

—Change in the way teeth fit together when biting.

Gum disease can be prevented. Brushing and flossing thoroughly at least once a day, eating well-balanced meals and limiting snacks, visiting your dental hygienist and dentist on a regular basis, and checking for any signs of gum disease are important in preventing gum disease.

Some youngsters grow up eating from a silver spoon. Others grow up eating from a peregrine falcon hand puppet! According to National Wildlife's Ranger Rick magazine, the peregrine falcons' survival has been threatened by harmful pesticides. So scientists have begun raising falcon eggs taken from the wild. The chicks are fed from hand puppets fashioned to look like a mother falcon.

Low Sodium Foods Is Topic for Extension Program

Too little or too much can be dangerous but even the experts disagree about how much is just right. The topic is sodium and everyone's concerned about it because the American diet is loaded with it. It comes in the form of salt, MSG, sodium nitrate, sodium bicarbonate, etc.

An educational program, sponsored by Co-operative Extension Service, will examine some of the evidence about sodium and its influence of health.

Marion Prince, extension home economist and registered dietitian, will show foods that are naturally low in sodium and prepare some exciting dishes made with alternative seasonings.

The program will be held at the Extension Service Building at the County Service Center on Oct. 8 at 7:30 p.m. A \$3 fee, to cover cost of food for tasting, will be collected at the door. Reservations are required: call 973-9510.

School Board Notes

Present at a regular meeting of the Chelsea Board of Education Monday, Sept. 16 were Schumann, Grau, Feeney, Corneau, Redding, Satterthwaite, superintendent Van Meer, assistant superintendent Mills, principals Williams, Benedict, Wescott, Stielstra, assistant principal Larson, community education director Rogers, curriculum director Bissell, athletic/pool director Reed, special education director DeYoung, guests.

Meeting called to order at 8 p.m. by president Schumann.

Board approved the minutes of the Sept. 3 meeting.

Superintendent Van Meer entered official communications commending the board for permitting the showing of Christian Ministries films, and an appreciation letter relative to Ladies' Day at the Chelsea Fair.

Dr. Laurie Bissell, curriculum director, indicated she is working on a plan to give organization and structure to curriculum changes and review. She will get input from teachers in each building. She also indicated she is gathering study skill materials, will list them by topic and category, and will review with teachers to determine additions or deletions. Decisions will then be made as to where the topics will be covered in the K-12 spectrum.

Dr. Henry DeYoung reviewed with the board an analysis of the survey results to date. The administration will be making the analysis public in the near future.

Superintendent Van Meer commented on the possible teacher shortage as indicated in the Ann Arbor News of Sept. 16. The median age of Michigan's teachers is 42. Chelsea has not experienced a teacher shortage at this time; however, the provisions of the new retirement bill is an inducement to have people take early retirement. An early retirement, plus student enrollment gains in the early grades, lead one to believe there will be a teacher shortage within the next 10 years.

President Schumann indicated his pleasure with the new format of The Chelsea Challenge. In answer to a question as to the reason for the change, superintendent Van Meer indicated that, after eight years, it was decided to change the masthead color and go to three columns, which now seems to be the style.

Darcy Stielstra indicated that the Beach school enrollment is

470. Students there will be taking part on Saturday, Sept. 21, in the Walk for Mankind. The funds involved will take care of underprivileged people, especially in areas of health related services.

Stielstra reported that Beach school's Open House is scheduled for Oct. 3. Principal Bob Benedict reported that South school's Open House is Oct. 10.

John Williams reported that the high school Open House is Sept. 30. There will be a new format this year; it is a combination of departmental and capsule, giving flexibility for parents. Also, the high school is participating in parent-teacher conferences this year.

Principal John Williams reported that student selections of vocational consortium offerings at Saline seem to be increasing. Currently 15 students are taking courses in the consortium. The building trades instructor position is now filled and the classes are under way. The cosmetology consortium will be operating its own program in a storefront on Stadium Blvd., Ann Arbor; everything will be in place in about 10 days.

Larry Reed reported that of 790 high school students, 237 participated in the fall athletic programs. He further indicated that the scoreboard should be erected in time for the Homecoming game. Contributions for the scoreboard came from the Athletic Boosters and Chelsea Kiwanis Club. Reed indicated that on Sept. 27 the University of Maryland Band will perform pre- and post-game shows.

Community Education Director Jackie Rogers indicated that 120 students have registered for pre-school, and that Sept. 16 is the first night for adult education. She reported that Peg Skelton and Bob Hodder will present on Saturday, Sept. 21, a self defense program for children. This is supported by the Chelsea Police.

Principal Bill Wescott reported that Vehicle Day will be held at North school on Friday, Sept. 20.

Superintendent Van Meer indicated he had met with a district parent who had expressed concerns relative to the lack of a diving coach in the swim program.

Meeting adjourned at 9:17 p.m.

CHELSEA CHARMS BATON CORPS has started their sixth year outfitted in new military style uniforms. Members of the corps, front row, left to right, are Rianne Jones, Jenny Walker, Lindsay McHolme, Gretchen Dehn, Winston Howard, Angela White, Richard Schaffer; second row, from left, Douglas Howard (color guard), Chrissy Dunlap, Tricia Terry, Kate Neal, Kori White, Richelle Jones, Tracy Wales, Heather Wynn, Jennifer Genung, Dusty White (color guard); third row, from left, Don Schaffer (color guard), Nicki Schultz, Kate Steele, Deana Hagerly, Whitney Hampton, Heather Dehn, Tiffany Scott, Dani Clark, Stephanie Wynn, Peter Howard (color guard); fourth row, from left, Susan Schmunk, Michelle Graflund, Mintia Van Reesema, Amy Feldkamp, Linda Schaffer, Amy Weir, Laurie Honbaum, Elizabeth Mauer, Rita Wilson-Howard, director.

Chelsea Charms Start 6th Year

Chelsea Charms Baton Corps, under the direction of Rita Wilson-Howard, opened its doors for the sixth year on Sept. 4 at North school. New students from the young ages of three upwards are beginning a new adventure into the art of baton twirling which also includes ballet, gymnastics, and jazz dance.

In its five-year history, the corps boasts several state champions and five national champions. More than 100 children have had instruction in marching and baton. The corps has per-

formed for various parades in and out of Chelsea, the Senior Citizens, the Methodist Home, the Chelsea Hospital, the Girl Scouts, and the Sesquicentennial.

The Baton Boosters Club has completely outfitted the corps in handsome military uniforms. They have sponsored several contests in Chelsea, the annual recital, and have sent outstanding students to AYOP (nationals). This year they plan to send the corps to west Tennessee for "Tennessee Homecoming 1986."

For information on joining the

Baton Boosters Club, a non-profit organization, call president Darlene Schaffer at 475-9468 or Rita Howard, director, at 996-1360.

Red Cross Appeals for Blood Donors

Seasonally, summer is a bad time for blood collections. Organizations that normally sponsor blood drives for the American Red Cross Blood Services, such as businesses and factories are reluctant to do so because of vacationing employees and staffing shortages.

A large source of blood donors, high schools and universities, are not in session. Warm weather activities also sideline many donors from making or keeping appointments at local donor centers.

Area residents are asked to respond to this urgent need for blood and support local blood collection efforts, either through donating at one of the community drives listed below or by calling their local donor center for appointments. Donor centers have week-end and evening hours for the donor's convenience.

A blood donation takes only 30 to 45 minutes, is painless and can save up to four lives. Blood may be donated by anyone in good health between the ages of 17 through 65 who weighs at least 110 pounds.

Donations are accepted at the Washtenaw Donor Center, 2729 Packard Rd., Ann Arbor, on Monday, Thursdays, 10 a.m. to 4 p.m.; Tuesday, 12 noon to 6 p.m.; first and second Friday of the month, 1 p.m. to 7 p.m.; and third and fourth Friday of the month, 12 p.m. to 6 p.m.; first Wednesday of the month, 10 a.m. to 4 p.m.

Special Saturday hours on Aug. 24, 9 a.m. to 2 p.m.

For an appointment, call 971-5300, Monday through Friday, 8:30 a.m. to 4:30 p.m. (Save-A-Life, Saturday, Aug. 31 and Labor Day, Sept. 2 hours 9 a.m. to 3 p.m.)

Red Cross bloodmobiles will be located in the following Washtenaw locations:

Wednesday, Aug. 21, Arborland (Central Mail area), Noon to 6 p.m. For an appointment, call Barbara Pate, 971-5300.

Tuesday, Aug. 27, Saline Industrial, Crescive Die & Tool, 10 a.m. to 4 p.m. For an appointment, call Barbara Pate, 971-5300.

Energy Management Computer Saves Dollars

In 1982, the Chelsea School District received a 50-50 matching grant from the federal Department of Energy for the installation of an energy management computer and other energy

conservation measures. The installation has resulted in major cost avoidance in energy bills.

Using calculations based on a "three-year average," previous to the installation, the district has been able to avoid costs that would have been automatic as energy prices have increased. The calculations are based upon cubic feet of natural gas and kilowatts of electricity used, along with "degree heating days" from national climatological data reports and current energy rates.

The cost avoidance for 1982-83 was \$40,856.00; for 1983-84, \$55,747.00; and for 1984-85, \$79,447.00. This total of \$176,050 in cost avoidance savings, represents approximately one mill in savings to the district.

Manchester Man Claims Top Award At State Fair

The tradition continued at the 1985 Michigan State Fair, as Anthony Micallef's five-month-old rabbit hopped away with the prestigious Best of Show award. Micallef, from Manchester, has been breeding prize hares for over 20 years now. He and his son raise over 75 rabbits at their two farms, Micallef's Rabbits and Shepherd Hollow Farms.

What started out as a small hobby has now become a winning tradition.

He captured the blue ribbon with his Tortoise Dutch rabbit, Francy. He named his champion after his granddaughter.

Micallef has now posted three consecutive Best of Show awards at the fair and has placed first nine times.

The judges designated Francy as the champion based on her undercut, markings, and fur condition.

Micallef prides himself in breeding top Dutch rabbits. Not surprisingly, Francy's grandfather had also won the Best of Show award in the past.

Emergency Medicine Week To Be Observed

The Emergency Service at Chelsea Community Hospital will participate in a salute to emergency medical personnel during Emergency Medicine Week, Sept. 29 through Oct. 5. The week is set aside to recognize the ambulance, fire, police and emergency departments' efforts in answering community needs for emergency help.

At Chelsea Community Hospital, the Emergency Service is available to the entire community and provides a full range of

emergency support services. During Emergency Medicine Week, the Emergency Service will offer free blood pressure screenings, free colon cancer screening kits and in addition will have two drawings each day for a free first aid kit. The drawing for the kits is open to anyone who visits the Emergency Service on any day, between Monday, Sept. 30 and Saturday, Oct. 5.

For more information about Emergency Medicine Week, call 475-1311, extension 301.

All Sugars Are Enemy To Good Dental Health

Dental disease can be prevented and it is the role of the dental hygienist to assist you in preventing dental disease. This is the second in a series of articles on preventive dental health care, developed in co-operation with the Washtenaw District Dental Hygiene Society.

It is common knowledge that sugar adversely affects dental health. But it is a common misconception that only white and brown refined sugar, sucrose, is the only dentally harmful sugar.

Dental researchers now know that all types of sugars can promote tooth decay. These sugars include sucrose, fructose (fruit sugar), glucose, lactose (milk sugar) and maltose (grain sugar).

"The sugar in foods mixes with plaque (a thin, sticky, colorless film of bacteria that constantly forms in the mouth). This combi-

nation creates an acid that attacks tooth enamel and causes decay," says Mary Gilson-Layher, RDH, president of the Washtenaw District Dental Hygiene Society.

It would be difficult to eliminate all foods containing sugar from your diet, since the nutrients found in these foods are essential to your health.

"The object is to eat less retentive (or sticky) sugars less frequently and not throughout the day," says Gilson-Layher. "Learn to use foods that contain sugars wisely."

Information about labor-management cooperative programs may be obtained from the Division of Cooperative Labor-Management Programs, Bureau of Labor-Management Relations and Cooperative Programs, U. S. Department of Labor.

Fair Board Receives Good Reports for '85

The Chelsea Fair Board met Thursday, Sept. 19.

Bill Stoffer, president, called the meeting to order. Other officers present were Jerry Herick, vice-president, Lloyd Grau, executive vice-president, Maryann Guenther, secretary, and Debbie Staphis, treasurer. Directors present were Jim Gault, Tom Dault, Earl Heller, Gary Houle, Jeff Layher, Reuben Lesser, Jr., Ralph McCalla, Mark Staphis, Harold Trinkle, Ed Whitaker, and John Wellnitz, reporter.

Visitors were Gerald Wonders, Tim Tonishany, Randy Ellis, Dan Rowe, and Gary Wonders. These men represented the Huron-Bern Busters, who promote mud bogs. The secretary's report and correspondence was read and accepted. The treasurer's report was the best on record. The fair gate receipts were the best ever. Early removal of exhibits and forfeit of premiums was discussed.

ed. The consensus was "go by the rules."

Next year's fair is supposed to be the last week of August.

A Fair Party was held the next night at the Fair Service Center. More than 120 people attended and had a pot-luck dinner at 7:30. Food and beverages, as well as entertainment by the Tracey Lynne Mountain Express, were provided by the fair board.

Stoffer and Grau recognized many people for their work during the recent fair. The fair and fair party was the best since the Fair Service Center was built, according to the Fair Board.

Revision of the U.S. Department of Labor's Consumer Price Index was scheduled to start in 1984, and be completed in 1988, with publication of the revised index by the Bureau of Labor Statistics to begin with data for January 1987, according to the department's annual report.

RUN FOR YOUR CAR if time has run out on your parking meter and this guy is in the vicinity. Robert Clark is the new parking meter attendant and dispatcher for the Chelsea police department. He's in charge of all 115 parking meters in the downtown area. Clark, a lieutenant in the Chelsea Police Explorer Post, is a 1984 graduate of Chelsea High school.

Job Training Program Started for Unemployed

Washtenaw Community College will launch a Job Training School for unemployed persons in Washtenaw and Livingston counties this fall, announces Edith Jacques, Dean of Continuing Education at the College.

Designed to serve 40 or more unemployed and disadvantaged citizens, the school will train them in the classroom and on-site for immediate identified local job opportunities.

Job Training Partnership Fund (JTPA) funds, facilitated by the Educators' Collaborative for Unemployment Services, will fund the program. It is also supported by the Private Industry Council (PIC), and the Washtenaw, Ann Arbor, Livingston Training and Employment Center (WALTEC). The program's full-time co-ordinator and support staff will report to the Dean of Continuing Education.

"The Job Training School could make Washtenaw Community College one of the prime deliverers of services to the

unemployed in our area," says Jacqueline Parks Andrews, director of ECUS, which is located at the College. "The community college has the broad base and delivery systems to reach people."

The program's first phase will involve canvassing area employers to identify available jobs, explains Andrews. The Office of Continuing Education will then place participants in intensive training for these jobs. Some participants may be placed in existing programs on campus, and the Office may create new short programs to meet employers' training needs. "The industry needs people faster than the usual 15-week term," explains Jacques. "Our training will be shorter and more concentrated than usual." Through entrepreneurial classes, some participants will learn to start their own businesses. Others will take part in mentorships and be placed with workers who train them on the job. "These two features make the Job Training School unique among other training programs," says Jacques.

The Job Training School's office will be in Ypsilanti's Higher Education Consortium Office, notes Andrews. Advising and other support services will be available to program participants.

The program, funded through June 30, 1986, is open to anyone eligible for JTPA funds living in Washtenaw or Livingston counties.

For more information on the Job Training School, contact the Office of Continuing Education Services at 973-3352. For information on JTPA eligibility, contact WALTEC at 994-1640 in Ann Arbor; 994-2613 in Ypsilanti; or 1-517-546-7450 in Howell.

Low Vision Support Group Will Meet Next Wednesday

The regular monthly meeting of the Low Vision Support Group will be held at Turner Geriatric Clinic on Wednesday, Sept. 25, 1 to 3 p.m.

John Williams, manager of the U-M Hospital Optical Shop, will demonstrate optical aids for those with low vision.

All interested persons are welcome to attend.

For further information, call 764-2556.

Dexter Schools Adopt Youth Fitness Program

Blue Cross and Blue Shield of Michigan (BCBSM) has agreed to underwrite a \$282,000 physical education and nutrition program which will benefit an estimated 8,000 children in three Michigan school districts. Several other school districts are considering the program and expected to adopt it this fall. The program sponsors plan to run the program in at least five new districts.

A nationally-known fitness expert, Guy Reiff, PhD, of the University of Michigan Fitness Research Center, will begin the Fitness for Youth program in the Dexter, Warren-Fitzgerald (Macomb county) and Lake Odessa (Ionia county) districts.

"The Fitness for Youth program is designed to help youngsters understand how exercise and nutrition can benefit them and to provide the information they need to monitor their own physical well being," Reiff said.

"We know that about 40 percent of America's youth have at least one risk factor for heart disease and research has told us that intervention programs featuring exercise and nutrition counseling will reduce those risks and ultimately help lower medical costs," said Dr. Donald Bearden, BCBSM medical director for alternative health care systems.

Under terms of the contract with the University of Michigan, BCBSM receives the right to exclusively market Fitness for Youth and may expand the program to other states after an evaluation period.

Fitness for Youth was developed by Reiff, a special adviser to the President's Council on Physical Fitness and Sports, W. Robert Dixon, PhD, University of Michigan professor of educational psychology, and Joseph Arends, MD, a Detroit-area physician. BCBSM's first full scale pilot project testing the concepts began in the Stockbridge elementary school district in the fall of 1983.

The expanded program will include community education components to reinforce the wellness message and exercise habits children are learning in school. For example, in Dexter an 11-unit physical fitness and nutrition course aimed at adults and parents will be offered through the Co-operative Extension Program, taught by U of M personnel from the Fitness Research Center, visiting physicians and Julie Say, a nutritionist from Chelsea Community Hospital. Exercise science concepts are developed by consultant Kathy McCommis, Center for Human Development, Farmington.

Another new element will involve modifying school lunch programs. The challenge, according to consultant Ron Yonkowski, director of dietary service, Chelsea Community Hospital, is to cut down on fats and sugars in lunchroom menus but still use many of the federally subsidized foods in order to stay within budget. The model school lunch program will begin in the Blissfield district.

"We know that generally speaking today's kids are eating too many fats, are overweight, and don't exercise enough," Reiff said. "Our tests show that after the first year of this program, during which students receive 30-minute aerobic exercise periods twice a week, students are leaner, stronger, more flexible, have lower blood pressure and significantly increased cardiovascular endurance."

Last year, Stockbridge expanded the program into its middle school and this fall the system is continuing it entirely with its own funds. More than 1,200 K-8 grade students are enrolled in the Stockbridge program. BCBSM has contributed \$10,500 toward the Stockbridge program. Programs in Blissfield, Waterford and Romeo also received BCBSM support during the past year.

Telephone your club news to 475-1371

Coin Boxes Pried Open at Car Wash

Someone broke into coin containers at the Spray and Wash on S. Main St. on Sept. 6 and made off with an undetermined amount of change.

According to police, the theft appeared to be the work of one person. A photograph was taken of a footprint at the scene, but police have no other leads.

Police said three of four coin containers had been pried open. Apparently the thief had more change than he could handle, because there was change scattered on the ground of the stalls.

From 1980 to 1984, the number of self-employed women in non-agricultural industries increased from 2.1 million to 2.6 million, a 22 percent gain. However, self-employed women constituted only 6.0 percent of all employed women in 1984, compared with 11.1 percent of employed men, according to the fact sheet, "Women Business Owners," issued by the Women's Bureau of the U. S. Department of Labor.

A Friend Is There

Death is one of those certainties in life which, at one time or another, touches us all.

When someone we love dies, just knowing our friends are there sharing our grief and offering their support and friendship can be very meaningful.

We now have a special brochure entitled, "A Friend Is There—Suggestions for Friends of the Bereaved." It contains a number of helpful ideas on how to help and support a bereaved friend. Please feel free to call or drop by if you would like a personal copy.

Sexual assault counseling for victim, family, friend. Assault Crisis Center, 40009 Washtenaw, Ann Arbor, 994-1616, no charge.

Applicants Sought For Many County Commissions

Washtenaw County Board of Commissioners is scheduled to consider applications for appointments to its various board committees and commissions at the Nov. 6 session of the annual meeting at 7 p.m. in the Board Room, Administration Building. The appointments will become effective Jan. 1.

These appointments include: Two appointments to the Accommodation Ordinance Commission for one-year terms.

One appointment to the Building Authority for a six-year term. Two appointments to the Consumer Mediation Committee for three-year terms.

Two appointments of consumer representative and two alternate consumer representatives to the Emergency Medical Services Commission for two-year terms.

Two appointments of handicapped representatives to the Handicap Advisory Committee for two-year terms.

One appointment to the Board of Health for a five-year term. Three appointments to the Historic District Commission for three-year terms.

One appointment to the Library Board of Trustees for a five-year term.

Four appointments to the Community Mental Health Services Board of three-year terms.

Three appointments to the Parks and Recreation Commission for three-year terms.

Four appointments to the Metropolitan Planning Commission for three-year terms.

One appointment to the Board of Public Works for a three-year term.

One-page resumes should be addressed to Carol Hampton, Controller/Administrator's Office, County Administration Building, P.O. Box 8645, Ann Arbor 48107.

U.S. SECRETARY OF TRANSPORTATION Elizabeth Hanford Dole stands beside a new vehicle equipped with the eye-level rear stop lamp. All new cars manufactured after Sept. 1 are required to have this added safety feature.

Eye-Level Stop Lamp Standard on New Cars

You're going to see more and more cars on the highway this fall sporting an additional safety feature—an eye-level rear brake light that will reduce the danger of rear-end collisions.

Transportation Secretary Elizabeth Hanford Dole, who has made safety her number one priority, said, "We expect to cut the number of rear-end collisions significantly, eliminate some 40,000 injuries and save annually an estimated \$434 million in property damages once all vehicles on the road are equipped with the third lamp."

Cars manufactured after Sept. 1, 1985 will be required to have the new rear stop lamp, which will supplement the two lower brake lights. The regulation requires the third stop lamp to be mounted on the centerline of a vehicle, between the trunk and the top of the roof, either inside or outside the rear window.

The additional lamp is the result of a new passenger car equipment regulation issued by the U.S. Department of Transportation's National Highway Traffic Safety Administration.

The new rule follows federal research on vehicle rear lighting systems in an effort to reduce one of the most costly and common types of traffic accident. In 1984 alone, there were an estimated 3.8 million collisions in which a passenger car was struck from behind.

DOT sponsored on-the-road field studies using taxi cab fleets and nation-wide telephone company cars in the research. Vehicles in the study equipped with the additional, eye-level stop lamp had 53 percent fewer braking-related rear-end accidents than vehicles without added light.

Owners of older vehicles may equip their cars with this additional safety equipment by purchasing it from an auto supply store or from auto dealerships.

DOT cautions "do-it-yourself" installers to follow carefully the manufacturer's instructions. Proper installation will ensure

that no technical complications arise when the new lamp is used.

"The sooner all vehicles are equipped with the eye-level stop lamp, the sooner all of us will benefit from this additional safety protection," Secretary Dole said.

Kathleen Woodard Promoted By Citizens Trust

George H. Cress, president and chief executive officer of Citizens Trust, recently announced the promotion of Kathleen M. Woodard to the position of marketing officer.

Ms. Woodard joined Citizens Trust in August of 1978. She was promoted to assistant marketing officer in 1981. Prior to joining the firm she was a marketing coordinator for Ann Arbor Terminals, and previously held the position of sales representative for Comp-U-Check, Inc.

A graduate of Eastern Michigan University, Ms. Woodard earned her BBA degree in marketing. She has also completed the Essentials of Bank Marketing school and is a recent graduate of the School of Bank Marketing at the University of Colorado-Boulder.

Ms. Woodard is a member of the Bank Marketing Association and the Main Street Area Association. She has served as committee member for the Michigan Theatre Millionaires Party.

Ask MESC

PUBLIC INFORMATION SERVICES DIVISION

7310 WOODWARD AVE. - DETROIT, MICH. 48202 - (313) 876-5488

Question: I am considering the purchase of a small business. Will I have the same unemployment tax rate as the current owner or will I get a different rate?

Answer: If you take over a business, you become liable for the same unemployment insurance tax rate as the previous owner. In fact, as the "successor," you become liable for any taxes and interest which the previous employer owes at the time of purchase.

A "successor" employer is one who buys out 75 percent or more of a firm's assets and continues to provide the same services or products as the previous employer.

If you are transferring business assets from one location to another in the process of establishing a new business, you can expect to pay the same unemployment insurance tax rate as was required at the prior location.

Should a business close down for 12 months or longer and then reopen, it may be eligible for the new tax rate of 2.7 percent.

If you have a question for MESC, send it to "Ask MESC," 7310 Woodward, Room 505, Detroit 48202. Unfortunately, it is not possible to answer or acknowledge each letter. We do, however, read them all and print those of most general interest.

Safety Services Assistant Named By Red Cross

Jeffrey L. Hutchinson of Belleville has been named staff assistant of safety services for the Washtenaw county chapter of the American Red-Cross. He brings to the position 18 years of military and federal civilian service, six years of which he was the social insurance representative for the Department of Health and Human Services Social Security Administration. For the last 10 years he has served as a volunteer for the Red Cross.

Hutchinson will be responsible for the administrative support of the chapter's health and safety courses.

Mopeds, Cycles, All Must Be Registered

Whatever it is called, if it has a motor and two or three wheels, it has to be registered before it can be driven on public highways, roads and streets.

If it has two horsepower or less, no gears, and a top speed under 30 miles per hour, it's a moped and the operator has to have either a driver license or a special moped license to operate on public highways. The minimum age for a special moped license is 15.

If it has more than two horsepower, a gear shift, and a top speed of over 30 miles per hour, it is a motorcycle. The operator must have a driver license with a motorcycle endorsement.

According to Secretary of State Richard Austin this distinction is not clearly understood by many parents who purchase mopeds for their children. "Some dealers apparently are not aware of the laws that apply to moped operation," Austin said. The sharp rise in the number of these new two

and three wheeled vehicles has contributed to the confusion.

Austin said the law requires all motorcycle riders and all moped operators under 19 years of age to wear helmets, but for safety sake, all moped operators regardless of their age should wear helmets.

Businesses selling mopeds must make application for a moped registration with the Secretary of State for their customers. This requirement was added to the law in 1983 in order to insure that mopeds are properly registered when sold by moped dealers.

Before performing any farm labor contracting activities, farm labor contractors must register with the U. S. Department of Labor and obtain certificates of registration specifying the types of activities they are authorized to perform, according to a U. S. Department of Labor fact sheet.

Adult Education Enrollment Offered Through Sept. 29

It's never too late to learn! And, it's not too late to register for adult high school completion classes at Pinckney Community Education.

Although adults from ages 18-77 began classes the week of Sept. 16, people interested in obtaining their GED certificate or adult high school diploma may still register for classes through Monday, Sept. 29.

If you're interested in exploring new career opportunities such as cosmetology and secretarial skills, in meeting new people through our many classes, or in having new learning experiences such as computers, word processing, and woodworking then join Pinckney Community Education. Call 878-3115, ext. 72 for an appointment. Remember: it really is never too late to learn.

Pinckney Area Youth Is Vehicle Mechanic In West Germany

Army Pvt. Thomas J. Gray, son of Rich E. Gray of 8565 Country Club Dr., Pinckney, and Barbara J. Gray of 6073 Piedmont, Detroit, has arrived for duty in West Germany.

Gray, a heavy-vehicle mechanic with the 36th Field Artillery Brigade, was previously assigned at Fort Jackson, S. C. He is a 1984 graduate of Pinckney High School.

The housing component of the Consumer Price Index, issued monthly by the U.S. Department of Labor's Bureau of Labor Statistics, was changed in January 1983 to a rental equivalence concept, according to the department's latest annual report.

Road Commission Tackles Problem of Salt Contamination

In recent years, several property owners adjacent to and southeast of the Washtenaw County Road Commission yard 1 at Zeeb Rd. in Scio township have reported a brackish or salty taste in their well water.

The Commission has acknowledged its possible role in the elevated salt levels in well waters at and near to its Zeeb Rd. property related to its prior storage and handling of salt used for snow and ice control on local and state roads in Washtenaw county.

The Commission has periodically upgraded its salt storage and handling practices. In 1981 the Commission constructed the main concrete dome to shelter the salt from rainfall and runoff.

An investigation, completed in August 1985, appears to confirm the elevated salt levels are limited to a narrow area in the upper ground water layer. Over time, rainfall and general ground water movements will purge the upper aquifer of the dissolved salt. Although the complete purging of the aquifer may require some time, as long as no additional salt is added, concentrations will steadily reduce and prospects appear to be good.

The Commission has installed special sampling wells and will periodically monitor the salinity of the ground water to assess the effectiveness of its control efforts.

The Washtenaw County Road Commission recognizes its obligation to protect the general public by providing safe, open roads year around, as well as being a

good neighbor. It will continue to work to eliminate entirely any salt entering the ground water from its facility and to assist the neighbors, who may now have salty well water.

Citizens who have any questions or concerns are invited to contact acting director Mike Anderson, Washtenaw County Road Commission, 761-1500 during working hours 7 a.m. to 3:30 p.m., Monday through Friday.

Cat Behavior, Care Clinic Scheduled By Humane Society

Humane Society of Huron Valley will be holding its Cat Behavior and Care Clinic Tuesday, Sept. 24, from 6:30 to 8:30 p.m. at the Society's Education Center.

The clinic is free to the public and covers household behavior, feeding, litterbox training, grooming, health care, scratching, etc.

The clinic is taught by the Humane Society's veterinarian and education director and is designed for the seasoned cat owner as well as the novice or potential cat owner.

Questions are welcomed and hand-outs are available.

For more information phone the education department at 662-5545.

Trees to Wear Fall Colors

Michigan's Packed With Choices for Fall Color Fans

The curtain is going up on Michigan's fall color extravaganza for a six-week run staged for hikers, bikers, boaters, festival goers and, of course, motorists, reports AAA Michigan.

This year's autumn showcase begins in mid-September and early October in the Upper Peninsula and northern tip of Lower Michigan. Trees should wear brilliant hues of magenta, gold and orange from late September to mid-October south of Mackinaw City to north of a line from Ludington to Standish.

The best time for color viewing should be early and mid-October in the lower peninsula's midsection, south of a line from Ludington to Standish and north of a line from Holland to Port Huron. Fall color should peak in southern Michigan in mid- and late October.

Fall color enthusiasts may choose traditional or off-beat ways to see the state's autumn beauty.

Among the most favored pastimes is touring the state by car. Motorists and hikers may wander through more than 8 million acres of state and national forest land to see vivid fall displays. Sugar maples turn brilliant golds and red maples are noted for bright red leaves. Aspens are drenched in brilliant yellow while oaks become light brown to russet and sumac trees glow nearly iridescent red.

Local parks and several scenic gardens in the state, such as Midland's Dow Gardens and Kalamazoo's Nature Center, also are choice spots for color viewing.

In Southeast Michigan, the Huron-Clinton Metroparks' nature centers schedule special programs relating to fall color. Oakwoods Metropark near Flat Rock hosts an autumn canoe tour from 10 a.m. to 4 p.m. Sept. 22, 28-29 and Oct. 6, 12-13. Fall color cruises aboard a paddleboat begin at 10 a.m. Oct. 12 and 13 at Kensington Metropark near Brighton.

UP vacationers may see the fall color show while on the Pictured Rocks Cruise departing from Munising at 1 p.m. Sept. 21-Oct. 10.

In northern Lower Michigan, gliding along the Au Sable River near Oscoda for a color tour via open or enclosed paddleboat is an option Sept. 28-Oct. 20. Sailings on Lake Charlevoix at Charlevoix are scheduled on the Beaver Island Oct. 5 and 12 and on the Star of Charlevoix daily through Oct. 13.

Those who want a light or heavy aerobic exercise may go biking, Michigan Bicycle Touring

of Kingsley sponsors festivals and other special events which offer good opportunities to see fall color.

The UP's events include an Octoberfest, Copper Harbor, Sept. 14-15; Harvest Festival, Lakeview Arena in Marquette, Sept. 9-21; Ethnic Food Festival, Escanaba, Sept. 28, and a Pumpkinfest in Bessemer, Oct. 11-12.

West Michigan activities include Kalamazoo College's Octoberfest, Oct. 4-5; the Viking Color Festival, Cadillac, Oct. 4-13; the Red Flannel Festival, Cedar Springs, Oct. 5; a Color Tour/Art Show, Frankfort, Oct. 5-13; the Heritage Hill Home Tour, Grand Rapids, Oct. 6-7; an Apple Festival, Bangor, Oct. 11-14; the sixth annual Apple Festival, Charlevoix, Oct. 12-13, and the Four Flags Apple Festival, Niles, Oct. 20-22.

East Michigan travelers may enjoy a Pumpkin Festival in Caro and Tuscola county, Oct. 3-6; the Heritage Days Festival and Fall Harvest Day, Oct. 4-6; Alpena; a Fall Color Tour, Houghton Lake, Oct. 5; self-guided color tours of Gladwin county, Oct. 5-6; the King Salmon Derby on Lake Huron at Tawas, Oscoda and Harrisville through Oct. 6, and a Kite Festival, Mackinaw City, Oct. 12.

Among Southeast Michigan activities is Dearborn's Octoberfest, Sept. 27-Oct. 6; Greenfield Village's Autumn Harvest Festival, Dearborn, Oct. 4-6; Fall Harvest Day at Ella Sharp Museum, Jackson, Oct. 6; an Apple Festival, Museum of Arts & History, Port Huron, Oct. 20, and the Octoberfest at Trapper's Alley in Detroit's Greektown, Oct. 25-27.

License Revenues Hit Record Levels

American hunters and sport anglers spent over a half billion dollars in license and permit fees—a new record—to pursue their sports in 1984, the U. S. Fish and Wildlife Service has announced.

State fish and wildlife agency records showed \$552 million was spent for the purchase of hunting and fishing licenses, tags, permits and stamps. The total number of license holders, however, dropped slightly from 45,503,447 in 1983 to 45,034,168 in 1984.

Michigan ranked third behind Pennsylvania and Texas in the number of paid hunting license holders—912,119. With 1,391,515 paid fishing license holders, Michigan ranked fifth in the nation behind California, Texas, Minnesota and Wisconsin.

JUST REMINISCING

Items taken from the files of The Chelsea Standard

14 Years Ago . . .

(Continued from page two) members and one guest, Mrs. Loretta Doll, outgoing unit president.

After a pot-luck supper, the meeting was called to order by the president, Mrs. Duane Hall.

Plans for an installation of the new unit president, Mrs. Walter Bolanowski, were made. Mrs. Luther Hale will act as installing officer, Mrs. Lynn Kern as chaplain, and Mrs. Ruth Christwell as sergeant-at-arms.

24 Years Ago . . .

Thursday, Sept. 28, 1961—George Knickerbocker and Larry Chapman co-chairmen of this year's Community Chest Fund campaign, announcing the kick-off luncheon at the Congregational church, Oct. 18, quoted from a message sent by President John F. Kennedy to heads of all United Fund and Community Chest campaigns.

Excerpts from the President's message are as follows:

"United Funds and Community Chests this fall will make their annual appeals throughout the country and among federal, civilian and military personnel for the support of more than 28,000 health, welfare and recreation organizations. Many of these campaigns will include such national agencies as the Red Cross, USO and others working to eliminate disease and secure the health of us all. Altogether they will be raising more than \$470,000,000 in the largest of all voluntary fund-raising appeals."

"The President's message concluded with the hope that people in each community would give thoughtfully and generously to these campaigns."

Chelsea High school band members will be among the 12,862 bandmen from 198 Michigan high schools who will perform at half-time of the University of Michigan-UCLA football game at Ann Arbor, Saturday, the largest number ever to assemble in the 13-year history of Band Day.

Guest-conductor for two of the six compositions to be played will be Harold Walters of Chicago. He will direct "On the Mall" by Goldman and his own arrangement of "Battle Hymn of the Republic."

The event is under the direction of Dr. William D. Revelli, leader of the Michigan Band, and George Cavender, assistant U-M band director.

A first-hand report on the Hurricane Carla Disaster Relief operation will be the highlight of the Red Cross County Board meeting to be held Oct. 4 at St. Luke's Episcopal church in Ypsilanti.

In an advertisement in this week's Standard, Kusterer's Food Market listed lean, tender Cube Steaks for 79 cents per pound.

Chelsea High school has initiated a new club, according to an item printed in the The Hi-Light—The Bulldog Boosters. Both high school, junior high and St. Mary's students may join this club. Dues are 50 cents and all members are able to ride the bus to the remaining "away" football games.

34 Years Ago . . .

Thursday, Sept. 27, 1951—A re-dedication service will be held Sunday morning, Sept. 30, at St. Paul's Evangelical and Reformed church which has been redecorated and re-carpeted during the past three weeks.

The church hall auditorium was painted two weeks ago and the church dining room is in the process of being painted this week.

A dinner had originally been planned to follow Sunday's dedication service but the plans were cancelled when it was learned the dining room would not be completed in time.

Ned Stuitts, a former coach at Chelsea High school, has accepted a position as line coach and head baseball coach at Holland, (Michigan).

He will teach physical education and do some guidance work in the high school program there.

Mr. and Mrs. Stuitts and family have moved to Holland from Kalamazoo.

Mrs. Ray Thomas has an Easter lily in bloom in the garden at her home on Flanders St. The plant was given to her last Easter and was put out in the garden after it had finished blooming at that time. The plant now has two flowers open and a bud ready to open.

Last Friday, J. V. Burg opened the root beer stand erected on his property at the corner of South Main and Old US-12.

A work bee is being planned at the fairgrounds again this Thursday afternoon, with the primary task being to clean up the grounds and building so everything will be in readiness for the opening day next Wednesday.

Everyone who can do so is invited to turn out and help with the project.

Mrs. Ellis Pratt and Mrs. Reno Feldkamp of Manchester were elected leaders of the Beacon Light Extension club at a meeting held Monday at the home of Mrs. Donovan Sweeney. Mrs. Floyd Parr, also of Manchester, was elected substitute leader.

The Chelsea Child Study Club held a family picnic Sunday evening at Pierce Park with approximately 40 present.

The first regular meeting of the club was held Sept. 11 at the home of Mrs. Clarence Dietle with Mrs. P. E. Sharrard and Mrs. Malcolm Bruce as co-hostesses.

The program period at that meeting was given over to an auction of baked goods and children's clothing with Mrs. Karl Koenigler acting as the auctioneer.

Insurance Deadline Near For Wheat

The deadline to apply for insurance on wheat in Michigan is Sept. 30, according to Barbara A. Cranson. However, because a number of major changes have been made in the insurance program since last year, Cranson suggests that farmers interested in considering insurance should obtain information about the coverage available and the cost as early as possible.

Under the new actual production history policies being written for the first time this fall, farmers who have verifiable production records are eligible for yield guarantees based on their own experience. Adequate time should be allowed, Cranson says, to compile and arrange for ASCS verification of the necessary records.

In addition, obtaining information in advance of the deadline will permit more time in which to consider the available insurance alternatives. Policyholders may elect both the percentage of an average yield they want to be guaranteed and the size of the indemnity they want to be paid for each bushel in the event of a loss.

Interested farmers may request an analysis, without charge, of the amount of protection available to them under the new program and what different levels of coverage would cost, Cranson adds.

Producers should contact a local authorized agent for more information. A list of agents may be found at their local ASCS office.

Letters to the Editor

Dear Editor:

The African National Congress, the foremost terrorist group fomenting trouble in South Africa, has been so thoroughly infiltrated and taken over by the South African Communist Party that they are virtually synonymous, according to Michael Harmel in the Official History of the South African Communist Party. According to Harmel, joint planning by the USSR, the African National Congress and the South African Communist Party is done in Moscow.

Bartholomew Hlapane says that during the time that he was the treasurer of the South African Communist Party the sole source of funds for all the military activities of the African National Congress was the South African Communist Party.

South Africa is the world's storehouse of minerals which the Soviets would like to control. South Africa is responsible for the production of 87% of the non-communist world's platinum, 77% of its gold, 48% of its chrome ore, 36% of its asbestos, 32% of its manganese, 32% of its antimony and 32% of its diamonds (including industrial stones.) If the Russians were ever to control South Africa, together with their own resources, they would have almost 100% of the world's important minerals. According to some predictions at least 3½ million jobs could be lost in the United States if we're prevented access to these minerals.

Putting sanctions on South Africa as our government is doing can only hurt the black people in the country. Sanctions on S. A. could wreck their economy, bringing about more unrest, the situation the Communists like to use to move in and control a country. We don't want to happen to these people, the famine, sickness and displacement that have happened to the people of Ethiopia and other African countries when the Communists get control. Thank you.

Louise G. Rickert.

The U.S. Department of Labor's Bureau of Labor Statistics has completed negotiation of cooperative agreements for labor market information statistical programs with the 50 states, the District of Columbia, Puerto Rico and the Virgin Islands, according to the department's annual report.

Thornton Named Realtor of Year

Robert H. Thornton, Jr., president of Thornton, Inc. and Thornton/Dalitz, Inc., has been honored as the 1985 Realtor of the Year by the Ann Arbor Board of Realtors. This prestigious award is given annually to honor that member who best represents service on behalf of their real estate profession, their customers and clients, and their community.

The selection of Thornton as this year's award recipient recognized his extensive and long-term involvement in service to his industry. Since joining the Ann Arbor Board of Realtors in 1967, he has served on many committees. He became president of the board in 1976. Thornton went on to serve the Michigan Association of Realtors and chaired many state committees. In 1984, he became president of the state association.

ROBERT H. THORNTON, JR. and RAM (Real Estate Alumni Member-the University of Michigan). In addition, Thornton is one of a select few in the local real estate community who has earned a real estate securities license and is a member of the National Association of Securities Dealers.

Main Gate Only Open for Games At Athletic Field

From this Friday on, only the main gate will be open during football games, according to Chelsea Athletic Director Larry Reed.

In addition, the policy of not allowing fans to leave and return on the same ticket will be more strictly enforced. If you plan to leave the football game, you'll have to buy another ticket to re-enter.

Another new wrinkle, beginning with this week's game against Lincoln, will be the presence of Port-A-Johns. The restrooms inside the high school will be closed.

State Police Enforcing Speed Limit

Confirming earlier news reports, Col. Gerald L. Hough, director of State Police reviewed plans for stepped-up enforcement of the 55 mph speed limit throughout Michigan.

Hough met recently with Department of Transportation Director, Jim Pitz and both expressed concern that state motorists are not in compliance with federal mandates that require at least 50 percent adherence to the 55 mph limit. Penalties for non-compliance could cost Michigan millions of dollars in federal highway funds. Pitz said his department's studies for a nine-month period ending in June, showed 51 percent of the state's drivers exceed the 55 limit. He also said the studies show nearly 89 percent of motorists on urban freeways drive faster than 55.

State Police will use aircraft for speeding timing, unmarked patrol cars and target areas where speeding has become chronic. Hough identified such areas that would include (but not be limited to) I-75 south of Detroit, I-96 between Lansing and Detroit and I-94 in southwestern Michigan. He also said some patrol units may be equipped with Vascar, a speed timing device not affected by radar detectors.

In long range planning, Hough believes that legislation will be needed to keep speed compliance in check. He listed seeking a ban on radar detectors, increasing the number of penalty points a driver receives for violation of the 55 limit and the authorization for officers in the department's Motor Carrier Division to issue citations to motor vehicle operators across the board. The MCD now regulates commercial carriers only (trucking).

Colonel Hough feels that drivers will heed appeals to comply with the speed law. "First of all it's a matter of safety. The 55 mph limit has proven to be a life saving law we can live with. Secondly, the loss of highway funds affects all of us. We need to educate the public on this issue and I'm sure the majority will respond," Hough said.

Speaking for the Department of Transportation, Director Pitz said, "If everyone will co-operate and slow down a little, we can save \$10 million."

St. Louis Center Observes 25th Year of Operation Here

St. Louis Center, a home and school for mentally handicapped boys, celebrated 25 years of dedication in aiding the disadvantaged last Saturday night. More than 400 people, many of them parents, benefactors and local patrons, attended the ceremonies complete with a mass, dinner music and speeches.

Among the speakers was the Rev. Fr. Joseph Rinaldo who is the present director of St. Louis Center. The Center is operated by the 100-year-old order of Servants of Charity which operates St. Louis and similar schools worldwide. Kenneth J. Povish, Bishop of Lansing also addressed the capacity crowd whose numbers included state legislators Gary Owen and Michael Griffin. Two of the speakers, the Rev. Fr. Antonio representing the Vatican and former St. Louis administrator Father Louis Frangi both made the trip from Rome for the occasion.

"It was a bigger success than we planned on" said Al Zangara, general chairman of the 25th anniversary celebration. "We only planned for about 350 people to attend and we far exceeded that." It was not until 2:30 in the morning that the last of the guests departed.

The message of the speeches and the evening's entertainment was an expression of gratitude to the community and the benefactors.

Pinckney Area Youth In West Germany With Signal Battalion

Army Spec. 4 Brian A. Gotte, son of Mr. and Mrs. Fredrick J. Gotte of 1619 Darwin Rd., Pinckney, has arrived for duty in West Germany.

Gotte, a communications system operator with the 8th Signal Battalion, was previously assigned at Ford Ord, Calif.

He is a 1983 graduate of Pinckney High School.

tors for the years of dedication they have shown in supporting the school.

The school relies on donations for two-thirds of its budget and has been so successful in recent years it was able to open up an

adult center.

"This was a major expansion, a new direction the school is taking not only to take care of the children but also to take care of them as they become adults so that they may become self-

supporting citizens," Zangara said.

To date the school has educated more than 500 handicapped children. The stress of this education is invariably to help them to help themselves.

AL AND PATRICIA ZANGARA of Freer Rd., the general chairman of the 25th anniversary celebration of St. Louis School, chat with the Rev.

Fr. Joseph Rinaldo, the school's director, during the festivities last Saturday, Sept. 21 at the school.

ST. LOUIS CENTER, the school for mentally handicapped boys, had a 25th anniversary celebration last Saturday at the center, just a few miles west of Chelsea. More than 400 guests attended the function, including, from left, the Rev.

Fr. Joseph Rinaldo, the school's director, Mrs. Robert Guerin, Fr. Louis Frangi, who flew in from Italy for the occasion, and Robert Guerin, Grand Knight of the Chelsea Knights of Columbus Council 3092.

THANKS TO MANY BENEFACTORS, more than 500 mentally handicapped boys have been helped by the St. Louis Center just west of Chelsea. On hand for the 25th anniversary celebration were Robert Fitzgibbons of Jackson, a school

benefactor, Peggy Hammerschmidt, the Rev. Fr. Joseph Rinaldo, the center director, and Cindy and Jerry Hammerschmidt, who have helped the center in many ways over the years.

Varsity Gridders Have Forgotten Fundamentals Needed To Win Games

Chelsea High's Bulldog Gridders would have been better off if they had stayed at home and watched the re-run of the final episode of "Dallas" last Friday night rather than going to Milan. The 36-25 loss to the Big Reds was worse than it sounds.

The few hundred staunch Bulldog supporters who made the trip generally saw a gruesome display of football, wrapped around a few sparkling plays. Some of those plays belonged to Chelsea, but more of them belonged to Milan.

Although the Big Reds gained 385 total yards, 306 on the ground, they hardly looked like the polished team you might expect. They had three fumbles on simple hand-offs, two interceptions, and several near misses. But they also had the sweep to the right side, on which they probably gained at least 250 yards, according to defensive co-ordinator Wayne Welton.

"We just weren't able to contain the sweep," said Chelsea Head Coach Gene LaFave.

"They blocked us well. They executed the sweep better than we executed on defense." That's coach talk for saying they were just plain beaten to death on the play.

In the wake of the Bulldogs' second straight Southeastern Conference loss, the Chelsea coaching staff promises that there will be personnel changes, especially on defense.

But we'll have to wait for Friday's home game with Lincoln before those changes are known.

The Bulldogs are in the SEC basement with the Tecumseh Indians with identical 0-2 records. The Chelsea offense sputtered and gasped its way to a respectable 287 yards, good enough to

win a majority of high school football games. Todd Starkey caught seven passes good for 104 of the Bulldogs' 115 yards of passing offense. Quarterback Dan Bellus completed 11 of 24, a sub-par night for the normally accurate senior. LaFave admitted that Bellus didn't have much help from his offensive line.

Chelsea, for the second straight week, was its own worst enemy. Their drives were halted in a myriad of ways including a fumble, an interception, a safety, and a failure to gain short yardage on first down. There were also a variety of penalties that indicated frustration more than anything else—penalties for unsportsmanlike conduct, helmet slapping, and late hits. One Chelsea coach said the team was "embarrassed" by the penalties.

As poorly as Chelsea played, the Bulldogs were never really out of it until mid-way through the fourth quarter. They held a 12-7 lead at half-time after falling behind 7-0 late in the first quarter, and a 19-15 lead midway through the third quarter.

The Bulldogs' demise started late in the third quarter. After the Bulldogs' go-ahead score on a one-yard run by Mark Mull (his second score of the night) that put Chelsea in the lead, 19-15, Milan struck quickly. On a second and eight at the Big Red 31, Milan's Mike Hayes ran the sweep right to the Chelsea 44. Only a good, open field tackle by Starkey kept the touchdown from being scored on that play. The next eight plays were all running plays, five of them by Hayes, until he scored on a one-yard jaunt.

Chelsea moved the ball well on the next series, on passes to Starkey and the running of Mull, who finished the night with a

team-leading 87 yards. On a third and eight at the Milan 19, a pass was picked off and returned to the Big Red 45. An unsportsmanlike penalty on the play added another 10 yards. The Milan drive ended with a remarkable scramble by quarterback Bill Eaddy that resulted in a touchdown. When the point-after try was blocked, the Bulldogs were still only down by eight, 27-19.

Chelsea began its next drive at the 20-yard line but put the Bulldog machine in reverse and ended it in their own end zone, which turned out to be probably the decisive play of the game. The drive went backwards due to a personal foul that nullified a 10-yard pass to Mull, and an illegal procedure penalty. With a third and 31, Bellus was sacked. At that point, Milan got the ball with a 10-point lead.

Chelsea scored one more time late in the game on a run by Curtis Heard, his second touchdown of the night. It was too little, too late.

"We've got a long road ahead of us," said LaFave. "I don't mind saying that we were probably over-rated at the beginning of the season. We just have to improve. I'd like to say a lot of magic things and the problems would go away."

Chelsea faces "probably the best quarterback we'll see all year," according to LaFave, in the form of Lincoln's Jeff Sloan this week. Bellus and Sloan were the top two quarterbacks in the conference last season.

LaFave also said Lincoln is without a doubt the "quickest team in the league," which should send chills through every Bulldog fan. Speed is what's killed the Bulldogs the last two weeks.

COACH KEN SULLINS tries to explain what's going wrong on defense to linebacker Steve Wingrove. Milan ran roughshod over the Bulldog defense for 385 yards and a convincing 36-25 win.

QUARTERBACK DAN BELLUS found little room to run against Milan last Friday night in Milan. Although the offense gained nearly 300 yards, it looked sluggish most of the night. Chelsea lost the game, 36-25, against what may have been the least skilled team the Bulldogs have faced this year.

THE BULLDOG DEFENSE smothered the Milan receiver in the end zone to thwart a touchdown attempt. Defending on the play are Matt Harshberger, left, and Matt Bohlender, right. Chelsea lost the game, 36-25.

CURTIS HEARD looks for a little running room against the Big Reds last week during Chelsea's second consecutive SEC loss. Heard was the second leading rusher on the team with 50 yards.

Golf Team Wins 1, Drops Double Match

Chelsea High school's golf team edged a good Saline Hornet team last Tuesday, but split a double match with Pinckney and Milan on Thursday.

In the Saline match, the Bulldogs compiled a 182 to the Hornets' 164. Mark Skiff and Jon Lane each shot 40, while Rob Murrell, Matt Kemp and Mike Mitchell each shot 41.

In the dual match, Chelsea topped Milan, 178 to 187, but lost to Pinckney, who shot 158.

Low scorers for Chelsea were Lane at 42, Matt Doan at 43, and Tom Roth and Bill Sober, who each shot 44.

The junior varsity squad also topped Saline on Friday, 192-210. The top four scorers were Matt Forner with a 45, Scott Lindsay with a 45, Shane Hutting with a 48, and Mark Larsen with a 53.

Boys Cross Country Team Downs Milan

Tim Bowdish and John Cattell finished one-two in leading the Chelsea Bulldog boys cross country team to a 21-39 win over the Milan Big Reds last Tuesday, Sept. 17.

"Bowdish and Cattell ran very fine races, as did Greg Brown, who came back from a muscle pull," said Chelsea coach Pat Clarke.

Bowdish ran a 17:21.4 and Cattell a 17:45.5.

Other Chelsea times and places were: Brown, fifth, 18:36.6; Lee Riemenschneider, sixth, 18:54.1; Jason Creffield, seventh, 19:13.1; Tucker Lee, eighth, 19:15.1; Paul Hedding, 19:41.9; Jeff Wheaton, 19:42.3; and Larry Moore, 19:50.4.

The Bulldogs run in the Manchester Invitational this Saturday.

A slice of bread will often remove makeup smudges from dark clothes.

SEC ROUND-UP:

Milan, Saline Locked in Tie For Conference Leadership

The Saline Hornets and the Milan Big Reds are in an unexpected tie for first place in the Southeastern Conference football race after the first three weeks of the season.

It's no surprise that the Hornets are 2-0. But probably no one in the SEC outside of Milan would have expected the Big Reds to have a share of the lead.

While Saline's offense might be better than expected, the Hornets thus far have relied on defense, resembling one of Bo Schembechler's team's both in terms of statistics and uniforms. The Hornets have yet to be scored upon in SEC action, shutting out both Chelsea and Tecumseh. They gave up only one score in their opening non-conference loss to South Lyon.

Here's a little piece of trivia Chelsea coaches would just as soon forget. When the Bulldog junior varsity team beat the Hornets this year, it was the first

time in three seasons that any Chelsea football team on any level scored any points whatsoever against the Hornets.

In the Hornets' 13-0 win over Tecumseh last Friday, Saline was shut out in the first half, but rallied to score two touchdowns in the second half. Al Gordon and Mark Pearsall, two running backs who had outstanding games against the Bulldogs, respectively.

Tecumseh has been shut out in both of its SEC games, losing the week before to Lincoln, 52-0.

Saline matches up with the Pinckney Pirates this week at Pinckney, while Tecumseh takes on non-conference Jackson Northwest.

Milan, the other conference leader, whipped the Bulldogs 36-25 for their second SEC win. The week before they slipped

past Pinckney with two late scores.

The Big Reds amassed 385 yards against Chelsea, in a game marred by turnovers, penalties and mistakes by both sides. Chelsea was in the game until mid-way through the fourth quarter, when a Milan interception ended one drive, and a safety ended another. A score on either drive could have put the Bulldogs in the driver's seat.

The loss put the Bulldogs in a three way tie for last, with Pinckney and Tecumseh. All three teams could still be there when this week's action is over.

Milan hosts Dexter this week, the first road game for the Dreadnaughts, while Chelsea takes on Lincoln at home. The Bulldogs will have their hands full with Lincoln quarterback Jeff Sloan, one of the most elusive players in the conference, and one of the most accurate passers. While the Bulldogs don't stand much of a chance to win the conference, this week's game could be pivotal. A home victory over the tough Rainsplitters, who lost their first game of the year last week to non-conference opponent Royal Oak Shrine, 27-10, could get them back on track.

Lincoln is in third place in the SEC at 1-0.

The Dexter Dreadnaughts won their first SEC game in two years, 3-0, over the Pinckney Pirates, on a last-second, 39-yard field goal by Paul Becker. They go into their third conference game even at 1-1.

The game has to give coach Rich Grannis' team a much-needed lift. This week will be the first away game of the year for (Continued on page 12)

Three Elected to CHS Football Hall of Fame

Three members of the Chelsea High school class of 1985 will be inducted into the Chelsea Football Hall of Fame during half-time ceremonies this week.

Approximately 40 boys have been enshrined in the hall. The football coaching staff makes the selections.

David Steinhauer, captain of his team, heads the list of nominees. The three-time all-Southeastern Conference line-

backer is the all-time leader in tackles for the Bulldogs. Described as "an outstanding leader," Steinhauer also played three different offensive positions. The son of Jerry and Judy Steinhauer now attends Western Michigan University.

David Boote, a two-year letter winner at cornerback, will also be inducted. Boote, whose specialty was one-on-one coverage, was an all-SEC selec-

tion. He is the son of John and Anna Boote, and is attending Washtenaw Community College.

Mark E. Bentley, the final inductee, holds a single-season record for tackles. He was a two-year starter and letter winner at middle linebacker, who "played with great emotion," according to the coaches. The son of Robert and Diane Bentley plans to enter the armed services in October.

Cagers Lose 2 to 'Very Good' Teams

The Chelsea Bulldog girls basketball team ran into one good team and another superb one last week on their way to two consecutive losses.

Grass Lake topped the Bulldogs, 56-44, while state-ranked Gabriel Richard made a mercy rule for basketball look good, 73-21.

The Bulldogs were also hampered in both games by the loss of senior forward and high scorer Kristi Headrick to injury. Headrick has an injured foot, and the extent of the injury was unknown as of late last week.

In the Grass Lake game on Tuesday, Sept. 17, it was a case of "not playing well for three quarters," according to coach Jim Winter.

"Grass Lake is a pretty good team, too, which didn't help," Winter said.

Grass Lake had balanced scoring, hitting 12 to 15 points per quarter. The Bulldogs scored 18 points in the first three quarters, but finished off the game with 26 points in the final period.

Jennifer Cattell led all Bulldog scorers with 16 points, and Karen Weber followed with 10. Rounding out the scoring were Kris Zerkel with seven points, Pam Brown with six, Tricia Matloff with three and Mary Lazarz with two.

As a team, Chelsea shot 36 percent from the field (15-41) and 52 percent from the free throw line (14-27).

Grass Lake, on the other hand, had 52 points on field goals, and only four from the free throw line.

"We had some problems getting adjusted without Kristi there," Winter said.

"But we learned in the fourth quarter that we could still play basketball."

The Fighting Irish of Gabriel Richard had recently been ranked as high as second in class C before wholopping the Bulldogs.

Chelsea was down 16-0 after five minutes and 20-1 after the first quarter.

"We were way overmatched," Winter said.

Kasey Anderson Leads Harriers Over Milan

Kasey Anderson took the top spot, and Bulldog runners bunched in places four through nine, to lead Chelsea to a tough 23-38 win over Milan, Tuesday, Sept. 17.

"This was an outstanding team performance," said Bulldog coach Pat Clarke.

"Milan has won four straight invitational this year and have two all-state quality runners. Kasey had a super race. Amy Wolfgang and Robin Mock also had fine races."

Anderson led the pack with a time of 20:22.8. Other Bulldogs runners, and their places and times, were: Wolfgang, fourth,

21:22.3; Mock, fifth, 21:44.2; Sallie Wilson, sixth, 22:01.3; Jennifer Rossi, seventh, 22:13.9; Kim Allen, eighth, 22:14.8; Melanie Flanigan, ninth, 22:38.7; Debi Koenn, 11th, 23:00.3; Susan Jacques, 12th, 23:02; Anne Brosnan, 13th, 23:08.7; Alicia Dorow, 14th, 23:24.9; and Debby Tift, 15th, 23:40.1.

The Bulldog girls run in the Manchester Invitational this Friday.

Chelsea Boys Golf Schedule

Sept. 25—Tecumseh/Lincoln H 3:30
Sept. 26—Dexter A 3:30
Sept. 30—Tecumseh A 3:30
Oct. 2—Pinckney A 3:30
Oct. 8—Lincoln A 3:30
Oct. 11—Regional.
Oct. 14—SEC Lincoln.

The average person spends about 20 years asleep.

Round-Up

(Continued from page ten) the Dreadnaughts. If the Dexter defense can turn in another good performance, there could be an upset in Big Red territory. However, the Dexter offense is averaging one point per game. Darren Hieber, David Kokmeyer, Kyle Menard, Charlie Walters, et al, will have to get cranking.

Open House Slated at Veterans Ice Arena

Preview the 1985 ice skating season on Saturday, Sept. 28, from 12:30 p.m. to 3:30 p.m., at the Veterans Indoor Ice Arena.

A free skating session and free refreshments will be featured, along with skating exhibitions and registration information from the Department of Parks and Recreation Instructional Skating Program, Ann Arbor Figure Skating Club, and the Ann Arbor Youth Hockey Association.

Rental skates are available for \$1.25.

Veterans Indoor Ice Arena is located on the corner of Jackson Rd. and North Maple.

Please call 761-7240 for further information.

Two Swimmers Qualify for State

Two Chelsea girls swam to state-qualifying times against state-ranked Milan last week, although the Bulldogs lost the meet at Milan, 111-61.

Paula Colombo qualified for the state meet in the 200-yard individual medley with a time of 2:25.99. Amanda Holmes also qualified for the season finale in the 100-yard butterfly with a career-best time of 1:03.82.

In addition to the state qualifiers, Bulldogs swimmers recorded 25 career-best times against the outstanding competition.

"I'm very pleased with the improvement we showed at this meet," said Chelsea coach Mike Keeler.

Chelsea divers also started the season on a high note. Maryon Brainkamp, Debbie Devoe and Teresa Rudnicki dove in their first meet. Along with Deanna Zangara, Robyn Hafner, Jennifer Schweiger and Nancy Stiele, they form the largest diving team in Chelsea history.

"The divers have also shown much improvement over the last few weeks, and I'm excited for them," Keeler said.

Holmes was voted Swimmer of the Meet for her performance in the butterfly. Lisa Taylor was

named Most Improved Swimmer of the Meet for her performance in the 100-yard butterfly, as she shaved eight seconds off her career-best time.

The team now moves into the dual-meet portion of the schedule. The girls swim against Okemos next Tuesday at home at 7 p.m.

Good Season Expected for Canada Geese

Michigan hunters can look forward to a successful 1985/86 goose season, as the fall flight of Canada geese is expected to top last year's number, when a record 53,600 geese were harvested. Although goose season regulations will be more restrictive than some hunters would like, individual hunter success has never been better, say DNR waterfowl specialists.

The Canada goose season runs Sept. 26-Oct. 15 in the west 10 counties of the U.P., and from Sept. 28-Oct. 17 in the five remaining eastern U.P. counties. The daily bag limit for the Upper Peninsula (North Zone) will be one Canada.

In the northern Lower Peninsula and southwest Michigan (Middle Zone) the season runs Oct. 5-Nov. 3, with an Oct. 5-Nov. 13 season in the Allegan county Goose Management Area. The bag limit is also one per day and two in possession. Because Allegan county is a quota zone, the season there could end before Nov. 13 if the quota of 3,000 Canadas is reached early.

Michigan also has established a new quota zone of 500 at the Muskegon county Wastewater System. The season there will run from Oct. 15 through Nov. 13.

In Michigan's Southeast hunting zone, the season is scheduled for Oct. 5-Nov. 13, with a daily bag limit of two Canadas and four in possession.

Michigan will again have an extended season to control giant Canada geese that are sometimes nuisances on beaches and lawns near lakes in the southern Lower Peninsula. A special hunting season is authorized for Jan. 1 through Feb. 16, 1986, with a bag limit of two per day and four in possession. DNR waterfowl specialist report local giant Canada populations are in good shape and a good season is expected.

JUNIOR MORSEAU shows a little second effort on a run during the junior varsity's game with Milan. Morseau led the team in rushing with 94 yards, scored one of the Bulldogs' touchdowns and

kicked an extra point. Chelsea could have used two like him, though, as they took a tough 18-15 loss.

BULLDOG KEVAN FLANIGAN is pursued by a host of Big Reds during Chelsea junior varsity's 18-15 loss. The quarterback rushed for 68 yards

and passed for 76. Milan scored two touchdowns in the last few minutes of the first half, which proved to be the Bulldogs' downfall.

JV Gridders Lose To Milan, 18-15

The Chelsea Bulldog junior varsity football team "self-destructed" within the last 3:37 of the first half, according to coach Jim Ticknor, which resulted in an 18-15 loss to the Milan Big Reds on the home field last Thursday.

With Chelsea leading 7-6 at the 3:37 mark, the Big Reds scored two quick touchdowns to take an 18-7 lead.

The Bulldogs had just scored a touchdown, when the Bulldogs lofted a poor kickoff downfield, giving the Big Reds the ball near the 50-yard line. Within seconds, Milan scored on a long pass play to take a 12-7 lead.

Chelsea was stopped on four downs in its next series. Again the Big Reds came back with a long pass play, to take an 18-7 lead.

The Bulldogs scored their only touchdown of the first half early in the game on a 22-yard pass play from Kevan Flanigan to Clay Hurd. Junior Morseau kicked the extra point.

The final touchdown for the Bulldogs came in the third quarter on a three-yard run by

Morseau after a long drive. Rob Finch ran for the two point conversion.

Chelsea had a good opportunity with five minutes remaining, having stopped the Big Reds at their own 35. But a roughing the punter penalty took away what might have been a thrilling ending.

"We had numerous opportunities, and our defense played fairly well the second half, but penalties, turnovers and missed assignments killed us," Ticknor said.

Offensively, Morseau rushed for 94 yards on 20 carries, Flanigan had 68 yards on six carries, and Finch had 45 on 11 rushes. Flanigan also passed for 76 yards, completing five of 17 attempts.

On defense, middle linebacker Shawn Brown collected 16 tackles.

Ticknor cited the line play of guards Cory Johnson and Jim Williams, tackles Randy Ferry, Joel Boyer and Tom Bennett, and tight end Dan Fletcher.

Cross Country Teams Score High in Invitational

Kasey Anderson set a girls sophomore record and the boys ran their best times of the year as the Bulldog girls finished fourth and the Bulldog boys fifth in the highly competitive Jackson Invitational meet on Saturday, Sept. 21.

Both the boys and girls meets featured six of the top 10 teams in the state in class B.

Anderson broke the old sophomore record by a healthy 30 seconds with a time of 19:32. The time was good for fifth place over-all in the meet.

Tim Bowdish led all Chelsea runners in 16:27, good for third place over-all.

Times and over-all places for the Bulldog girls are as follows: Amy Wolfgang, 14th, 20:21; Robin Mock, 22nd, 20:54; Sallie Wilson, 24th, 21:04; Jennifer Rossi, 25th, 21:13; Debi Koenn, 33rd, 21:39; and Melanie Flanigan, 38th, 22:06.

Bulldog boys' times and places

In ancient Greece, a boxing match began with two boxers standing face to face, their noses touching.

Frosh Gridders Lose

The Chelsea Bulldog freshman football squad lost its second game of the year last week to a visiting team from Monroe Jefferson High school, 46-20.

"Our defense failed to do the job this time," said coach Jim Tallman.

"This time we got a little more offense, but the defense lagged. We did do a good job against the pass, though."

Tallman said the Monroe team had a "good power running game," that the Bulldogs were unable to stop.

After a touchdown on the opening drive by the visitors, Chelsea fell behind by 8-0.

However, the Bulldogs came back to tie the game on a 38-yard run by Rex Marsh, and a two-point conversion on a pass from Larry Nix to Dave Zerkel.

Monroe scored twice more, before the end of the quarter, to take a 24-8 lead.

The Bulldogs rebounded in the second quarter to cut the lead to 24-14 on an eight-yard gallop by Jason Overdorf, set up by a Monroe fumble.

However, Monroe scored one more touchdown before the half to take a 32-14 lead.

Chelsea's final touchdown came in the third quarter to cut the lead to 32-20. Nix hit Jeff Marshall on a 30-yard pass play.

Another Bulldog touchdown, a 65-yard pass play, was called back due to illegal procedure.

Tallman cited the offensive play of wide receiver Shannon Fredette, who "made a couple of nice passes, including the touchdown that was called back." On defense, Overdorf, a safety, and David Adams, a cornerback, distinguished themselves, the coach said.

Chelsea Freshman Football Schedule

Sept. 24—Leslie	A	7:00
Oct. 3—Western	H	5:00
Oct. 8—Fowlerville	A	6:30
Oct. 15—Tecumseh	H	7:00
Oct. 22—Monroe CC	A	4:30

Bear Patch To Be Given

relation to the quality of their habitat.

A new bear hunting regulation change this year requires bear hunters to register a bear at a DNR Field Office (head with validation tag is sufficient) within 72 hours after the kill. Last year seven days were allowed. The reproductive tract and tooth should be brought to the DNR Field Office at this time too, for those hunters participating.

6:15 p.m.—Youth Choir rehearsal.
8:00 p.m.—Supper for Junior High YF.
8:30 p.m.—8th grade confirmation.

Birch Leader Condemns China Pact

"How has the United States become a second-rate power in less than two decades? How have the Communists meanwhile become a superpower? By our leaders making suicidal deals such as this one with our enemies," says Louise Rickert, chapter leader of the Washtenaw Chapter of the John Birch Society. Rickert was referring to a pact approved by President Reagan on July 23 that will make available to Red China as much as \$12 billion worth of nuclear technology.

"After the so-called Sino-Soviet split, our leaders did the same thing for Moscow," Rickert says. "Claiming the rift proved that the Soviets were 'mellowing' the United States poured vast amounts of credit and high technology into the Soviet Union. Our leaders said aiding Moscow was in the interests of peace. But, thanks to our help, the Soviet Union has become the most advanced military power and the foremost threat to world peace today."

Mrs. Rickert added: "Instead of learning a lesson from this suicidal folly our government is determined to compound its error." She notes that our current policy of aiding Red China is still premised on the notion that Peking and Moscow are bitter enemies. "Justifying the Administration's pledge to supply Peking even with military aid, Defense Secretary Weinberger referred to China as our 'ally,' against what he called our 'common enemy,' the Soviet Union."

But Peking emphatically denies it is allied with the U.S. against Moscow. In fact, right while it was signing the nuclear pact with the U.S., Red China struck a \$14 billion trade pact with Moscow. And, on July 22, Peking announced it will teach Russian to the Chinese masses to cement Sino-Soviet ties.

Rickert says, "Red China and the Soviet Union are inseparably bound together in a common conspiracy to impose Communism on the entire world. Giving aid and comfort to either tyranny is morally wrong and strategically suicidal."

For additional information contact: Chapter QMRS P.B. 491, Chelsea 48118.

Rothfuss Tops Compact Tractor Pull Winners

Tim Schulze, David Diuble, David Feldkamp and Steve Rothfuss took the top spots in the four divisions of the compact tractor pulling contest.

In the 5-9 horsepower, light (700-900 lbs.) division, Schulze was followed by David Feldkamp, Ray Bock and Jeff Butts, respectively.

In the 10-11 horsepower, medium (901-1,100 lbs.) division, Diuble was followed by John Stachnitz, Kevin Diuble, and Steve Rothfuss.

After Feldkamp in the 12 horsepower or more, heavy (1,101 to 1,300 lbs.) were Mike Marion, Gary Scripser and Tim Schulze.

In the percentage pull, Rothfuss was followed by Ray Bock, David Feldkamp and Paul Horning.

Co-operative labor-management programs, often called quality of work life programs, are joint efforts by labor and management to work together to further mutual interests, according to a U.S. Labor Department fact sheet.

Record Sized Apple Harvest Means Plenty of Cider for All

A record one billion pounds of apples should be plucked off Michigan trees this year—up 30 percent over 1984—and that will mean plenty of sweet cider to savor this fall, according to AAA Michigan.

"One of the great, low-cost family outings available to Michiganders is a trip to a cider mill to watch the apples, bursting with juice, being pressed into fall's favorite beverage," stated AAA Michigan Travel Operations Manager Jim Drury.

"Apple cider prices are the same as last year and fresh doughnuts at the cider mills have dropped slightly in cost since last fall," Drury said.

A gallon of cider averages \$2.37 per gallon, ranging from \$1.50 to \$3.50. A dozen doughnuts averages \$2.29, 2 cents lower than last

year. Costs vary from \$1.30 to \$3.10.

Although Michigan's apple production has increased and now represents 12 percent of the nation's total, the 8.1 billion pounds of apples to be harvested across America this year is 3 percent below last year, according to the Michigan Department of Agriculture.

"Michigan is the leading producer of Jonathans and Northern Spys in the country and ranks third in the nation in over-all production of apples."

"We have had unusually favorable growing conditions this year," Drury said. "Good pollinating conditions, rains at the right times and a mid-September cooling period have led to excellent apple quality and size state-wide."

Red Delicious is by far the most popular Michigan apple variety, but Jonathan, Ida Red, Golden Delicious, McIntosh, Rome and Northern Spy also contribute greatly to Michigan's bountiful apple harvest.

Many of the 100 mills listed on AAA Michigan's Cider Mill Guide offer such activities as hay wagon and train rides, doughnuts and other baked goods, puppet shows, petting zoos and candle dipping.

Most mills also allow visitors to view pressing operations and provide tours and demonstrations. Visitors should call ahead for pressing dates and times and schedules of other activities.

STATE OF MICHIGAN)
COUNTY OF WASHTENAW)
TAKE NOTICE that the following described real estate, commonly known as the Van Buren Street Electrical Substation, shall be exposed for public sale at 10:00 in the forenoon on the 7th day of October, 1985, at the Village Administrator's Office, 104 E. Middle Street, Chelsea, Michigan 48118, to the highest bidder, but not less than a cash price of \$3,000.00, by open auction. The sale will be conducted by the Village Administrator. Any sale is subject to subsequent confirmation or rejection by the Village Council of the Village of Chelsea, which reserves the right to reject any and all bids. The real estate which will be offered for sale is specifically described as:
Commencing at an iron pipe in the east line of Main Street and the north line of Van Buren Street, the Village of Chelsea, Washtenaw County, Michigan; thence southerly in the east line of Main Street 49.5 feet to the south line of Van Buren Street; thence easterly 89'-08'-30" to the left 87.58 feet for a PLACE OF BEGINNING; thence continuing easterly in the south line of Van Buren Street 35.0 feet; thence southerly 89'-08'-30" to the right 62.31 feet; thence westerly 92'-42" to the right 35.04 feet; thence northerly 61.14 feet to the PLACE OF BEGINNING, being a part of the southeast quarter of Section 12, Sylvan Township, Washtenaw County, Michigan.

Subject to a reservation of a utility easement for the benefit of the Village.
This property is a non-conforming lot and building. The building cannot be expanded without Zoning Board of Appeals approval under the Chelsea Village Zoning Ordinance. The lot cannot be used for any separate business enterprise without Zoning Board of Appeals approval under the Chelsea Village Zoning Ordinance.

The successful bidder must deposit the purchase price in cash or certified funds upon the closing of bids. The sale will be closed thirty (30) days after Village Council acceptance of the bid.

MORTGAGE SALE—Default has been made in the terms and conditions of a certain mortgage made by BETTY MORRELL PROPERTY COMPANY, a Michigan corporation of Plymouth, Wayne County, Michigan, Mortgagee, to Salem Mortgage Company, a Michigan corporation, Mortgagee, dated April 1, 1982, and recorded in the office of the Register of Deeds, for the County of Washtenaw and State of Michigan, on the 29th day of April, 1982, in Liber 1836 of Washtenaw County Records, on page 8, which said mortgage was thereafter assigned to 1/2 undivided interest to Dr. Peter Atchcoo, Trustee Employees Profit Sharing Trust of Waterford Professional Group, P.C., and 1/2 undivided interest to Employee Pension Trust of Waterford Professional Group, P.C., by assignment dated May 6, 1985, and recorded on March 15, 1985, in the office of the Register of Deeds for said County of Washtenaw in Liber 1887 of Washtenaw County Records, on page 774, on which mortgage there is claimed to be due, at the date of this legal notice, charges and expenses, in sum of Forty-one Thousand Four Hundred Thirty Four (41,430.14) Dollars;
And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Thursday, the 7th day of November, 1985, at 10:00 o'clock A.M. Local Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the westerly entrance to the County Building in Ann Arbor, Michigan (that being the building where the Circuit Court for the County of Washtenaw is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at twenty-four per cent (24%) per annum and legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, necessary to protect its interest in the premises. Which said premises are described as follows:
All that certain piece or parcel of land situate in the Township of Salem in the County of Washtenaw, and State of Michigan, and described as follows, to-wit:
Parcel IV
Commencing at the Northwest corner of Section 27, T. 1 N. 36 E. R. 7 East, Salem Township, Washtenaw County, Michigan; thence North 89° 40' 20" East 676.80 feet along the North line of said Section and the centerline of Brookville road to the Point of Beginning; thence continuing North 89° 40' 20" East 187.90 feet along said North line and said centerline; thence South 0° 19' 40" East 796.53 feet; thence South 89° 40' 20" West 157.90 feet; thence North 0° 19' 40" West 796.53 feet to the Point of Beginning; said parcel being a part of the North 25 acres of the West one-half of the Northwest one-quarter of Section 27, Town 1 South, Range 7 East, Salem Township, Washtenaw County, Michigan. More commonly known as 8200 Brookville.
During the six months immediately following the sale, the property may be redeemed.
Dated at Birmingham, Michigan, September 16, 1985.

Salt used in its pure form and in the many chemicals derived from it, directly affects almost all major industries. There's salt in shoe leather, in the dye of a hat and tons go into the production of paper.

That's funny, don't you think?

Respectfully submitted,
William Eisenbeiser,
Dexter Township Clerk.

NOTICE
DEXTER TOWNSHIP
is accepting applications from persons willing to serve on the
Township Zoning Board
The appointments are four years and applicants must be residents of Dexter Township. These positions may be time consuming and a basic knowledge of zoning procedures and the Rural Township Zoning Act would be helpful.
Please send resumes with a letter of introduction and willingness to serve to:
JAMES L. DROLETT, Dexter Township Supervisor
6880 Dexter-Pinckney Rd.
Dexter, MI 48130
All applications must be received no later than Nov. 1, 1985.
DEXTER TOWNSHIP
William Eisenbeiser, Clerk

Prison 'Pen Pals' Prey On Lonely in Mail Scam
She was lonely. She wanted a meaningful relationship. So she placed an advertisement in a lonely hearts publication.
A response filled her with hope. Yes, he was lonely. Yes, he would like to relocate to her city. But that would have to wait. He was an inmate at the Indiana State Penitentiary.
There was an exchange of warm, sometimes loving letters. She wondered if something could be developing.
Something did develop. A letter with several U. S. Postal Money Orders ranging in amounts from \$500 to \$700 arrived. He had received them, he said, from family and business interests, but he was unable to cash them in prison. He needed the money for legal fees, he wrote. Would she help?
Just deposit them in your bank account, and later withdraw the money and send it to a third party who will get it to me, he instructed. She did as he asked.
The correspondence then stopped without explanation. Several weeks later the bank informed her that the money orders had been altered and increased from their purchase value of \$1. Responsible for paying the bank, she lost her life savings.
The case is far from unique. A woman in Texas lost \$62,000. One in Illinois lost \$15,500. Another in Indiana lost \$19,000. Church organizations and homosexuals also have been frequent targets. All were victims of a nation-wide U. S. postal money order scam.
"Ironically, this scheme is being perpetrated by individuals who are exactly where they should be—in prison," say Kenneth C. Weaver, postal inspector in charge of the Chicago Division.
Inmates at state penitentiaries in Indiana and Mississippi have been fraudulently increasing the value of U. S. Postal Money Orders for five years. Friends and family members of inmates, guards and other prison employees get the money orders into and out of the prisons where skillful inmate artists increase money orders to any desired amount. Accomplices are handsomely rewarded when the proceeds of the scheme are passed on to inmates.
Inspector Weaver said inmates

Chelsea Village Council Proceedings
September 17, 1985
Regular Session.
The meeting was called to order at 7:30 p.m. by President Satterthwaite.
Present: President Satterthwaite, Clerk Rosentreter and Administrator Weber.
Trustees Present: Steele, Fuks, Radloff, Kanten, Merkel.
Trustees Absent: Finch.
Others Present: Frank Grohner, Civil Defense Director Schantz, Pat Schantz, Zoning Inspector Harook, Philip and Connie Musolf and Superintendent of Public Utilities Hafner.
Motion by Steele, supported by Fuks, to approve the minutes of the regular meeting of September 3, 1985 as submitted. Roll call: Ayes all. Motion carried.
Fire Chief Hanker submitted the Fire Department Report for the month of August 1985.
Zoning Inspector Harook discussed zoning matters.
Wastewater Treatment Plant land acquisition was discussed. Trustee Merkel will negotiate a sales agreement.
Michigan Public Power Agency Project Study of Peaking Purchases was discussed. No action was taken.
Motion by Radloff, supported by Kanten, to authorize the following transfers:
From the General Fund to the Vehicle & Equip Fund, \$36,250.00.
From the Electric Fund to the Industrial Park Fund, \$202,855.53.
From the General Fund to the Local Street Fund, \$6,244.75.
Roll call: Ayes all. Motion carried.
RESOLUTION
BE IT RESOLVED, AND IT IS HEREBY RESOLVED, that the Village Council of the Village of Chelsea does hereby adopt, approve and promulgate Ordinance No. 96-A, AN ORDINANCE AMENDING ORDINANCE NO. 96, AN ORDINANCE REGULATING THE DISCHARGE OF POLLUTANTS FROM NON-DOMESTIC USERS WITHIN THE VILLAGE OF CHELSEA, and the Clerk of said Village be and is hereby directed to cause the same to be published in the Village of Chelsea, in The Chelsea Standard, or any other paper of general circulation, and otherwise record said instrument within the Book of Ordinances.
Motion by Fuks, supported by Steele, to adopt the above resolution as read. Roll call: Ayes all. Motion carried. Resolution adopted. (Ordinance No. 96-A attached to these minutes as Appendix A.)

Start Plans Now for Fall Wheat
Now is the time to start planning for fall wheat planting by choosing the best varieties and management program available.
"You can easily gain 10 to 15 bushels of wheat per acre by simply planting the best variety," says Larry Copeland, extension crop specialist at Michigan State University. "And quality is not necessarily related to seed price," he says.
Copeland recommends selecting Augusta and Frankemuth white wheat varieties. Hillsdale is the soft red wheat variety that performs the best in Michigan, though Caldwell and Auburn soft red wheat varieties also yield well. Producers sacrifice 10 to 15 bushels per acre by using other varieties, he says.
Seeds should always be treated to control soilborne diseases such as common bunt, loose smut and seed rot. More outbreaks of common bunt occurred in Michigan this year than in 1984, resulting in either substantial elevator discounts or outright rejection. This disease is virtually 100 percent preventable by effective seed treatment with a fungicide such as Vitavax 200, Copeland says.
Wheat should not be planted on land that produced a small grain the previous year as this increases the risk of disease carryover from decaying stubble, Copeland says.
Fall fertilization should be based on recommendations from soil tests. In addition to the phosphate and potash recommendations, a starter increment of about 15 to 20 pounds of nitrogen per acre should be included. All fertilizer should be applied as a blend prior to planting or with the drill at the time of seeding, Copeland says.
Good quackgrass control is essential and may be attained by using Roundup prior to tillage.
To prevent excessive plant development in the fall that promotes fungal and bacterial diseases, Copeland advises producers to plant wheat 10 to 15 days after the Hessian fly-free date. This date generally occurs during October in Michigan, depending on a farm's location.

MUCC Pledges Reward Money
The Michigan United Conservation Clubs (MUCC) has pledged \$2,000 in reward money for the arrest and conviction of a hit-and-run driver who caused a fatal accident in Detroit last March 3.
Fourteen-year-old Jason Kaminski was killed in the accident, which occurred following a family outing at Outdoorama, the outdoor sport show conducted in Detroit each year by MUCC.
The \$2,000 reward money was pledged to The Detroit News Secret Witness Program "as a demonstration of MUCC's continuing commitment to the people who support our programs with their confidence and participation."
new money order imprints and develop a more secure money order document.
A real concern, he said, is that these modifications might not provide the ultimate solution to the problem. Additional prison controls as well as increased public awareness must accompany any cosmetic cures these measures might temporarily provide. Recently, he added, officials at the Indiana State Prison have adopted security measures that should help control inmate involvement in the money order scheme.
Inspector Weaver advised anyone receiving a U. S. Postal Money Order from a prison inmate to carefully examine the amount for pin holes or discoloration by placing it in front of a ceiling light or lamp.
"If you suspect anything is wrong with the money order, take it to your post office or Postal Inspector," he said. "And do not deposit the money order in your bank account unless you are certain it is authentic," he said.

Public Hearing
Notice is hereby given that the Chelsea Village Council will conduct a public hearing, as the statute in such case provides, for the amendment of the Chelsea Village Zoning Ordinance (Ordinance No. 79); that is, the zoning map which will provide that the area hereinafter described will be zoned "C-5, Central Business District." The area to be affected is described as:
Commencing at the Southeast corner of Block 15, Elisha Congdon's Plat of his Second Addition to the Village of Chelsea; thence S 89° 40' 20" W 4.22 chains in the south line of said Block 15 for a PLACE OF BEGINNING; thence N 20° W 2.13 chains; thence S 70° W 1 chain; thence S 20° E 1.78 chains; thence N 89° E 1.05 chains to the PLACE OF BEGINNING, being a part of Block 15, Elisha Congdon's Plat of his Second Addition to the Village of Chelsea.
(This Property is located on the N side of Park Street, E of the Pomp Pizza site, and is commonly known as 145 Park Street.)
The aforesaid hearing will be held in the Council Room, in the Chelsea Municipal Building on Tuesday, October 15, 1985, at 7:30 o'clock p.m. The application for rezoning as filed by Ann Wood, is on file in the office of the Village Administrator and may be examined prior to the date of the hearing.

28 ft.x 45 ft. frame house, 3 bedrooms.
All buildings are located at 10860 Joslyn Lake Rd. Gregory, and were formerly known as Camp Crile. Building No. 4 may not be worked with until Oct. 15, 1985.
All buildings will be removed and site clean up will be completed within 90 days from the date of the sales agreement. Bids will be for the removal of all buildings with the foundations to be buried on the site.
A cash performance bond will be required to guarantee clean-up of the site in accordance with conditions of the sale. The amount of bond will be \$300 and will be returned upon completion of the building removal and site clean up. Successful bidders will be notified by return mail. The State of Michigan reserves the right to reject any or all bids.
Deadline for accepting bids will be Sept. 30, 1985 at 3 p.m.
For appointment to inspect the buildings or for further information, please contact

+ AREA DEATHS +

Seldon Wireman

537 W. Middle St.
Chelsea
Seldon Wireman of 537 W. Middle St. died suddenly Sept. 23, at his home. He was 69. He was born Feb. 9, 1923 in Magoffin county, Ky., the son of Ramey and Lillie (Saylers) Wireman. Mr. Wireman was a resident of Chelsea for 35 years and was retired from Federal Screw Works.

He is survived by one son, Steven C. Wireman of Brighton; three daughters, Kimberly B. Schrader of Chelsea, Connie L. Bateman of Huntsville, Ala., and Patricia Wieneki of Everett, Wash.; one brother, Johnny Wireman of Albion; two sisters, Jane Arnett of Gregory, and Mae Clever of Florida; six grandchildren and several nieces and nephews. He was preceded in death by one brother, Oren, in 1967.

Funeral services will be held Thursday Sept. 26, at 1 p.m. at the Staffan-Mitchell Funeral Home, with the Rev. T. B. Thodeson officiating. Interment will be in the Oak Grove Cemetery, Chelsea.

Expressions of sympathy may be made to the Kresge House Expansion Program. Envelopes are available at the funeral home.

Hazel Summers

13720 Rustic Dr.
Gregory
Hazel Summers of 13720 Rustic Dr., North Lake, 77, died Wednesday, Sept. 18 at Chelsea Community Hospital.

She was born Dec. 4, 1907 in Elwood, Ind., the daughter of James W. and Kate (Keck) Crays. On Dec. 6, 1924 she married Calvin C. Summers, Sr., and he survives her.

Surviving, in addition to her husband, is one son, Calvin C. Summers, Jr., of Chelsea; two daughters, Barbara Jean Ellis of Emmett, Id.; and Judith Corraige Perry of Monroe; nine grandchildren; nine great-grandchildren; three brothers, James C. Crays and Donald K. Crays, both of Haslett, and Jack P. Crays of Arizona; one sister, Rosemary Myers of Goodrich; and several nieces and nephews.

She was preceded in death by two sisters.

Mrs. Summers was a member of the First United Methodist church of Chelsea and the Ruth Circle of the church.

Funeral services were held Saturday, Sept. 21 at the Staffan-Mitchell Funeral Home, with the Rev. S. D. Kinde, former pastor of the First United Methodist church, officiating.

Burial was in North Lake Cemetery.

Expressions of sympathy may be made to the Michigan Heart Association.

Fabius O. Nadeau

19940 Old US-12
Chelsea
Fabius O. Nadeau of 19940 Old US-12, 79, died Tuesday, Sept. 17 at Chelsea Community Hospital.

He was born April 7, 1906 in Northbridge, Mass., the son of Phyllis and Marie (Derosier) Nadeau. On July 4, 1931 he married Bessie Martin in Windsor, Ont., and she preceded him in death on Dec. 26, 1981.

Survivors include two sons, Douglas J. Nadeau of Chelsea, and Richard F. Nadeau of Canton; eight grandchildren; Lisa, Jeffrey, Cheryl, Michael, Sherry, Donald, Brian and Kenneth Nadeau; one great-grandchild, Stacy; and two sisters, Dorothy Trotter of Worcester, Mass., and Gabrielle Dumont of New York state.

The scripture service was held Thursday, Sept. 19 at the Staffan-Mitchell Funeral Home. Mass of the resurrection was held Friday morning, Sept. 20 at St. Mary's church, with the Rev. Fr. Philip Dupuis, the Rev. Fr. Joseph Rinaldo, S.C. and Deacon Richard Cesarz officiating.

Burial was in Mt. Olivet Cemetery.

Expressions of sympathy may be made to St. Louis school. Envelopes are available at the funeral home.

Mary M. Slocum

305 Glazier Rd.
Chelsea
Mary M. Slocum, 305 Glazier Rd., age 86, died Sunday at Chelsea Community Hospital.

She was born Aug. 12, 1899 in Chelsea, the daughter of Conrad and Nellie (Grant) Schanz. She had been a resident of Cavanaugh Lake for 57 years and retired from the Federal Screw Works in 1968. She was a member of St. Mary's Catholic church.

She married Carmer LeRoy Slocum, Sr., of Muskegon on March 1, 1919 in Chelsea. He died July 30, 1956.

Mrs. Slocum is survived by three sons, Carmer L. Slocum, Jr., of Cavanaugh Lake, Charles F. Slocum of Muskegon, and Kenneth C. Slocum of Tucson, Ariz.; six grandchildren, six great-grandchildren and one great-great-grandson; one brother, Kenneth Schanz of Ann Arbor; five sisters, Mrs. Alice Atkinson of Cavanaugh Lake, Mrs. Leha Canneh of Jackson, Mrs. Irene LaMarce, Miss Eileen Schanz and Mrs. Edith Bigford, all of Grand Rapids.

The rosary was recited Tuesday evening and the Mass of the Resurrection will be held for Mrs. Slocum Wednesday Sept. 25, at 11 a.m. at St. Mary's Catholic church with the Rev. Fr. David Philip Dupuis, pastor, and Deacon Richard Cesarz officiating. Burial will follow in Mt. Olivet Cemetery, Chelsea.

Albert Kleis

17992 Waterloo Rd.
Chelsea
Albert Kleis, 17992 Waterloo Rd., 72, died Friday, Sept. 20 at Chelsea Community Hospital after a long period of illness.

He was born in Muskegon on Sept. 25, 1912, the son of Albert and Margaret (DeVette) Kleis. On April 15, 1939 he married Beulah Schuman in Dearborn, and she survives him.

Other survivors include two sons, Gerald and George; one sister, Bertha Grevengood; two grandchildren, Nina and Alan Kleis; and a niece, Margaret Clock. He was preceded in death by a son, Keith, in 1965.

A Chelsea resident since 1948, Mr. Kleis was a member of the First United Methodist church of Chelsea and the Chelsea Lions Club.

Memorial services will be held Thursday, Oct. 3 at 4:30 p.m. at the First United Methodist church. The Rev. Dr. David Truran will officiate.

Memorial contributions may be made to the First United Methodist church or the Lions Club of Chelsea.

Arrangements are being handled by the Cole-Burghardt Funeral Chapel.

Raymond P. Heiss

12909 Maxwell Rd.
Carleton
Raymond Paul Heiss, 81, of 12909 Maxwell Rd., Carleton, died Sunday, Sept. 22 at his home.

He was born April 18, 1904 in Carleton, the son of George A. and Caroline (Schaffer) Heiss. He married Anna Monte in Fairgrove on Aug. 18, 1928, and she survives him.

Other survivors include three daughters, Mrs. Adolph (Hazel) Jedryczka, Mrs. Glen (Mildred) Bretlner, and Mrs. Danford (Erma) Schar; 10 grandchildren, six great-grandchildren, several nieces, nephews and cousins.

He was preceded in death by two brothers, Earl in 1982 and Stanley in 1972, and one sister, Mrs. Allie O'Harrow, in 1983.

Mr. Heiss, a resident of Carleton for most of his life, was an active member of the Carleton United Methodist Church of Christ, where he had been treasurer, trustee, Sunday school teacher, and superintendent. He retired from the Carleton State Savings Bank as executive vice-president in 1959.

Funeral services will be held today at 1 p.m. at the United Methodist church of Carleton, with the Rev. James G. Simmons officiating. Burial will follow at Michigan Memorial Park in Flat Rock.

The Cole-Burghardt Funeral Chapel made the arrangements.

Norbert D. Weber Granted Degree By Brigham Young U

Norbert D. Weber of Chelsea has received a bachelor's degree in microbiology from Brigham Young University in Provo, Utah.

Weber was one of 2,038 August graduates of the school, which is owned by The Church of Jesus Christ of Latter-day Saints (the Mormons). It is the largest church related university in the country.

Puffins do it differently. Unlike other diving birds which propel themselves through the water by kicking their webbed feet, puffins use their wings to actually fly underwater. After converting from a "plane" to a "submarine," puffins can move rapidly enough to catch fast-moving fish, such as herring.

Robert H. Fahrner

Grand Rapids
(Formerly of Chelsea)

Robert H. Fahrner, 75, died Tuesday, Sept. 17 at Butterworth Hospital in Grand Rapids.

Born in Chelsea on June 10, 1910, he was the son of Herman and Carrie (Schweinfurth) Fahrner. He married Edna Stevens on Nov. 21, 1936 and she survives him.

He is also survived by his son and daughter-in-law, Alan and Nancy; a daughter, Kathleen Fahrner-Jones; and three grandchildren, Amy Fahrner, and Nicole and Kirsten Jones.

Mr. Fahrner was active in the transportation business for more than 50 years and was past president of the Grand Rapids Transportation Club.

Funeral services were held Friday, Sept. 20 at the Trinity Congregational church in Grand Rapids, with the Rev. Robert L. Kittendorf officiating. Burial was in Rosedale Memorial Park.

Memorial contributions may be made to the memorial fund of the Trinity Congregational church or the American Cancer Society.

Linda Lou Mayer

19839 Duey Rd.
Chelsea
Linda Lou Mayer, 19839 Duey Rd., 48, died Thursday, Sept. 19 at Chelsea Community Hospital.

She was born March 1, 1937 in Three Rivers, the daughter of Laurence Wielandt and Thelma Kline. On Dec. 23, 1966 she married Warren J. Mayer in Three Rivers, and he survives her.

Other survivors include two sons, David and Timothy, at home; her parents; a sister, Barbara Knost of Wisconsin; and several nieces, nephews and cousins.

A Chelsea resident for the past 17 years, Mrs. Mayer was a member of the Zion Lutheran church in Chelsea, the Women of Zion and was an officer in the church choir. She was also a Sunday school teacher, Vacation Bible School superintendent and teacher, Joymaker piano player, tape ministry initiator, a member of the Chelsea High school sex education committee, and chairperson of the Boy Scout fund raising committee of Troop No. 425. She was a registered nurse and had worked in labor and delivery at Bronson Hospital and had been an office nurse for Dr. William Fry.

Funeral services will be held Saturday, Sept. 21 at Zion Lutheran church in Rogers Corners, with the Rev. John R. Morris officiating. Burial was in Zion Lutheran church Cemetery.

Memorial contributions may be made of the Zion Lutheran church or Linda Mayer Trust Fund, c/o Citizens Trust.

Arrangements were handled by the Cole-Burghardt Funeral Chapel.

There may be as many as 30 to 50 million species of insects on earth—at least five times more than previously estimated, reports National Wildlife magazine. The census update is based on the results of the first survey of insects living high up in the trees of a tropical rain forest.

VEHICLE DAY at North Elementary school last Friday gave children a glimpse of a wide variety of modes of transportation, from a police cruiser, to a hot air balloon, to a hearse. A number of area businesses and service agencies were involved in helping to make the day a success.

DON BEEMAN took Mrs. Gietzen's first grade class for a ride on a horse-drawn wagon during "Vehicle Day" at North school last Friday. The wagon was probably the oldest form of transportation represented during the event, which included a mail truck, fire truck, and tow truck, among many other forms of mechanical transportation.

Maryland Band Will Perform Here

A major university marching band is coming to Chelsea on Friday, Sept. 27. The Chelsea High school Music Department will host the University of Maryland Marching Band when the Chelsea Bulldogs kick off their regular Southeast Conference schedule against Lincoln High of Ypsilanti.

The Maryland band will present a show just prior to the 7:30 p.m. kickoff at Jerry Niehaus field and will join the Chelsea Band for the half-time entertainment.

The band is accompanying the Maryland football team which plays the Michigan Wolverines Saturday afternoon.

This is the first time Chelsea High has hosted a university band from out of state according to Bill Gourley, Chelsea High's band director. Gourley said it is quite common for university and college bands to take the effort and play at high school games while on the road with a football team. "I would like to see more of this in the future," Gourley said, adding that he has extended an invitation to other universities

ROBERT JAMES WEIR

such as Michigan State or Central Michigan University, both having exceptional bands.

Among the members of Maryland's football entourage is the son and grandson of Marguerite and the late Garnett Weir of Chelsea. Robert James Weir, a former United States Navy man, has been an athletic trainer at Maryland for more than 15 years. He will be making the trip to Ann Arbor for Saturday's game along with his son, Robert, who is in his second year with the U-M marching band. The band will be staying at the Hoyt conference center on the Eastern University Campus.

CHELSEA COMMUNITY HOSPITAL

E C H O E S

Substance Abuse Program Expands

Chelsea Community Hospital began providing treatment for chemically dependent individuals and their families in 1974 with the establishment of a small inpatient program. In the eleven years which have followed, the program has changed and grown in ways which could hardly have been imagined in those early years. The Hospital now provides a full range of substance abuse services including inpatient, residential, and outpatient programs. The latest addition to the Program, the expansion of the Kresge House residential facility, opened in June.

Throughout its history, the Hospital's Substance Abuse Program has kept pace with current trends and developing knowledge in the field of substance abuse treatment. This was most evident when, in 1979, planning was undertaken for the residential treatment center, an idea which grew out of a commitment to the problem of substance abuse and the belief that residential treatment could provide a cost-effective alternative to hospital care in a setting which could be more responsive to the needs of chemically dependent individuals and their families. The home-like environment serves to encourage self-responsibility and active participation in the treatment process.

Patients begin learning to live in an alcohol/drug-free environment with an opportunity to develop the skills necessary to return to their home, families, and communities.

When Kresge House was opened in 1981, it was the first facility of its kind in Michigan and has since served as a model for other hospital based programs in the state.

Hospital Promotes Fitness with Gamefields

By Mary Barinoff
Free Lance Reporter

Outdoor fitness courses aimed at improving cardiovascular health are springing up in four area communities under an innovative program co-sponsored by Chelsea Community Hospital and a California bank.

The courses, called Wells Fargo Gamefields, have been built or are under construction in Chelsea, Clinton, Grass Lake and Stockbridge. Each is being financed by a \$2,500 grant from the National Fitness Campaign (a project launched in 1979 by the Wells Fargo Bank of San Francisco), a matching \$2,500 grant from the Hospital and \$2,500 in local contributions.

The four communities are among seven contacted by the Hospital last year when it decided to become involved in the Wells Fargo program.

"The Hospital feels it has a commitment to community health in general — not just health cures, but health maintenance as well," said Pat Kubany, Director of Public Relations. "Frankly, the gamefield program happened to be a concise way to

bring our fitness philosophy to the community."

Chelsea's project, a fitness court, is located in Pierce Park, which is at the Main Street entrance to the Hospital. It is adjacent to a jogging trail built by the Hospital eight years ago and is one of four gamefield types offered by Wells Fargo. The others include a jogging course, walking course for senior citizens and wheelchair sports course.

The fitness court has 16 exercise stations geared toward a choice of total conditioning, body building, weight loss, cardiovascular conditioning and sports enhancement.

Jackie Schiller, director of the Chelsea Recreation Department, which donated the local share for the project, said the Department became involved in the gamefield program because it wanted "to provide something other than baseball or basketball" for the Village's 3,800 residents. A fitness court seemed ideal, she said, because it required only a minimum amount of the limited space the Village has for recreational expansion.

"We consider ourselves lucky we could put it in a central location," Schiller said, adding other types of

gamefields eventually may be erected elsewhere in Chelsea if the fitness court is actively used by residents.

Land where the facility was built is owned by the Village and Village work crews were utilized to assemble the court equipment, which is provided by Wells Fargo.

Grass Lake, which shares Chelsea's problem of limited space when it comes to developing new recreational activities, also selected a fitness court as its gamefield project. It hopes to have the facility completed by the end of August.

"We did not have enough room for a running course," explained Joyce Sager, a member of the Grass Lake Village Council, who is helping spearhead the project. The fitness court is located on township property next to tennis courts behind the Grass Lake Township Center on Lakeside.

She said Grass Lake decided to participate in the gamefield program to encourage fitness awareness among its 900 residents.

"We're hoping for a good turnout of about 100 people a week when the court opens for use," she said. "We also hope to inspire kids to use it and are working with the schools to get them to incorporate it into their programs." Ideally, Sager said, Grass Lake would like to add a new recreational facility each year, but that goal will depend on available funding.

Money for the community's share of gamefield costs came from Grass Lake Township and the Village Council's community fund. Comerica Bank also contributed \$100, Sager said.

She said labor and miscellaneous materials needed to install the fitness court were donated by Lester Brothers Construction and Adams Poured Walls, two local businesses.

A third community choosing to build a fitness court when confronted with the four gamefield options was Stockbridge. Don Porter, principal of Smith Elementary School and a prime mover behind the project, said it was believed the court would complement a fitness program already underway in local schools.

"We were told by experts at the University of Michigan that the best combination for getting the heartbeat up and sustaining it was a fitness court with a running or jogging course," said Porter.

The Stockbridge gamefield, completed last spring, is located on school property between Smith

The Stockbridge
Gamefield

Elementary and Stockbridge Middle School on Mills. Adjacent to the gamefield is a track. Although the fitness court has been used mostly by students thus far, Porter is hoping a publicity campaign he has undertaken will spread participation to a wider portion of the Village's 2,500 population.

"Besides the typical school playground, there are not a lot of activities designed for fitness in Stockbridge," he noted.

Community funding for the gamefield came from a variety of sources, including the Parent-Teacher Organization at Smith Elementary, the Student Council at the middle school, the Lions and Lioness Clubs of Stockbridge, Jerry's Zephyr service station, Stockbridge Manufacturing

and the Community Chest. Boy Scouts installed equipment for the fitness court, which is landscaped with bushes.

Clinton chose the jogging course gamefield which has exercise stations set along a large jogging trail. The course is located in Tate Park on the Raisin River. The 100 acre park was the ideal setting according to Richard Sharpe, Village Manager, and since its installation, several other fitness and sports facilities have been planned for the park. Baseball diamonds, a pavilion, bleachers, an island nature study and a rodeo site are some of the park's developments. The park is also the site for the annual Clinton Fall Festival.

Along with the Village Office, a number of community groups and

private citizens are helping to make park plans such as the jogging course a reality. Both the Girl and Boy Scouts will also be involved.

When all four gamefields are finished, they will join more than 4,000 Wells Fargo Gamefields already in service nationwide. Rita Jensen, communications manager for the National Fitness Campaign, said about \$10 million has been spent by Wells Fargo on the program since it began and that amount could double if the campaign attains its goal of 10,000 gamefields nationwide by the end of 1986.

For Chelsea Community Hospital, it was an exciting opportunity to promote fitness in the communities it serves, something the Hospital hopes to do more of in the future. ■

"The Hospital feels it has a commitment to community health in general – not just health cures, but health maintenance as well."

SUBSTANCE ABUSE *continued from page 1*

Since the opening of Kresge House, some important changes have taken place. Perhaps most significant is the increasing emphasis on family treatment. Chemical dependency is viewed as a family disease and involvement of the family is regarded as essential to the recovery process. Family members are asked to become active participants in the treatment program from the day of admission. Families receive individual counseling and also have an opportunity to meet in groups with other families to share their experiences and receive support from others who have lived with the problem of substance abuse.

Another change has been a significant decrease in the length of time patients spend in the hospital. In contrast to the earlier days of the program when the length of stay in the hospital was ten to twelve days, patients now transfer to Kresge as soon as they have completed a period of detoxification which is typically about three days.

There has also been a shift in the population seeking treatment. Women now account for over forty percent of the patients, in contrast to less than fifteen percent a few years ago. Three to four years ago, most patients were treated for alcohol addiction only. Today, it is much more common for patients to enter the program addicted to multiple drugs including alcohol. The problem of substance abuse among the elderly is also receiving increased attention, where, in the past, it was largely ignored or believed by many to be untreatable.

The problem of chemical dependency in our society and its destructive effects on families, the work place, and the community is receiving increased attention. Today,

Kresge House

there are few people who have not in some way been affected by this problem. Chelsea Community Hospital's goal is to continue to meet the growing need for effective, high quality treatment for chemically dependent individuals and their families.

The expansion of Kresge House which increases from twelve to twenty-four the number of patients who can be treated in the facility will help make this goal possible. Along with this expansion, a specialized treatment program is now being offered and a number of new programs are in the planning stages. These include a substance abuse prevention program for very young children, expansion of outpatient services for adolescents, and a formalized approach to working with chemically dependent individuals when they have not yet recognized the need for treatment. The Program is also beginning to work closely with a number of Employee Assistance Programs and receives frequent requests for treatment from these groups.

The Substance Abuse Program remains committed to the principles of Alcoholics Anonymous and hosts weekly meetings for AA and Alanon, a lecture series on substance abuse

topics, and a newly formed group for Adult Children of Alcoholics which has met with notable success and is very well attended. The expanded facility will help to provide additional meeting space for these and other community groups.

Chelsea Community Hospital's Substance Abuse Program has earned a reputation for providing a high quality, comprehensive program which remains small enough to insure an individualized approach treatment. The Program was the first hospital-based program in Michigan for the treatment of alcohol and drug dependency to be fully accredited by the Joint Commission on Accreditation of Hospitals.

Perhaps the best measure of success is found in the Kresge Alumni Association which has a membership of over 700 program graduates, many of whom return each year to celebrate the anniversary of the opening of Kresge House and their new lives free from dependence on alcohol and drugs. ■

An Open House will be held on Friday, September 27, 1985 from 4:00 to 5:30 p.m. for the public.

Emergency Medicine Week

The Emergency Service at Chelsea Community Hospital will participate in a salute to emergency medical personnel during Emergency Medicine Week, September 29 through October 5, 1985. The week is set aside to recognize the ambulance, fire, police, and emergency departments' efforts in answering community needs for emergency help.

At Chelsea Community Hospital, the Emergency Service is available to the entire community and provides a full range of emergency support services.

Watch your local newspapers for further information on Emergency Medicine Week activities to be offered by the Chelsea Community Hospital Emergency Service. ■

FALL '85

SMOKELESS

(Smoking Cessation):

SMOKELESS is a 5-day smoking cessation program, starting with one free introductory session followed a week later by 4 consecutive 1½ hour sessions. Two maintenance sessions are also held one each week following the program. The program utilizes a systematic series of procedures that effectively neutralize one's desire for tobacco. It is a total lifestyle approach to smoking cessation that consists of behavior modification, stress management, cognitive coping skills, and eating management.

Dates: **Session I**

- Free Introductory Session:
Monday, September 30 —
7:00-8:00 p.m.
- Classes: Monday—Thursday,
October 7-10 — 7:00-8:00 p.m.
and Wednesday,
October 16 and 23 — 7:00-8:00 p.m.

Session II

- Free Introductory Session:
Monday, November 25 —
7:00-8:00 p.m.
- Classes:
Monday—Thursday,
December 2-5 — 7:00-8:30 p.m. and
Wednesday, December 11 and 18 —
7:00-8:00 p.m.

Location: Chelsea Community Hospital

Instructor: Jean DuRussel-Weston, R.N., M.P.H.

Fee: Introduction Free, Session fees vary

I CAN COPE

"I Can Cope" is an 8-week informational group for cancer patients and their families and supporters. The course is designed to move people from "What can I do?" to "Here's what I can do." The course context includes: Learning about your disease, coping with daily health problems, expressing your feelings about having cancer, and learning about helpful resources.

Dates: Tuesday, 2:00-4:00 p.m.
September 10, 17, 24,
October 1, 8, 15, 22, 29

Location: Chelsea Community Hospital
Woodland Room A

Fee: NO CHARGE

Instructors: Christopher Hays, A.C.S.W.
Lori Robu

WOMEN'S HEALTH LECTURE SERIES

1st Lecture in the Series:

The PMS-premenstrual syndrome lecture will be of benefit and interest to any woman experiencing this problem or who knows of others who do. Areas to be included are: definition of PMS-is it real?, signs and symptoms of PMS, modern treatment (dietary, medication, exercise), and will next month be different?

Topic: PMS - Premenstrual Syndrome and You

Date: Wednesday, November 20th

Time: Social Hour 6:30 p.m.
Lecture 7:30 p.m.

Location: Chelsea Community Hospital

Fee: \$5.00 in advance
\$6.00 at the door
Registration is required

Guest Speaker: Frances Couch, M.D.

2nd Lecture in the Series:

This talk will focus on the topics of nutrition, food preparation, exercise and self screening to encourage maximum wellness throughout a woman's life cycle. Participants will hear from a family practice physician, registered dietician and exercise physiologist. Cooking demonstrations and taste testing of low calorie cooking will also be included. Participants will also be encouraged to attend the lecture wearing their exercise clothing or leotards. An exercise session will be conducted and information on recommended frequency, intensity and duration provided.

Topic: Healthy Living For Women

Date: Wednesday, January 29th

Time: Social Hour 6:30 p.m.
Lecture 7:00

Location: Chelsea Community Hospital
Dining Room

Fee: \$5.00 in advance
\$6.00 at the door

Guest Speakers: Mindy Smith, M.D.
Julie Say, R.D.
Peg Donahoe, R.N.

SEPTEMBER '85

STRESS MANAGEMENT

In "Stress Management" learn how to identify your present level of stress and the causes of stress in your life. Learn and practice techniques to reduce stress: relaxation, imagery, time management, communication, and assertiveness skills. Recognize self-defeating negative thoughts and replace them with realistic, positive beliefs.

Length of Program: 3 sessions - 2 hours each

Dates: Wednesday, 7:00-9:00 p.m.
September 11, 18, 25

Location: Chelsea Community Hospital
Woodland Room

Fee: \$30.00 (registration is required)

Instructor: Maggie Szymke, R.N., M.S.

WEIGHT REDUCTION PROGRAM

Come to this twelve week Weight Reduction Program. Learn how to lose weight safely and keep it off! Topics covered during the twelve weeks include low calorie cooking tips, exercise and weight reduction, shopping tips, eating out on a low calorie diet, sodium in foods, how to reduce your risk of developing certain types of cancer, and information

U

M

N

on fad diets. Particular emphasis will be given to assessing behavior modification techniques helpful to each person's weight reduction program. To register for Tuesday afternoon classes, phone (313) 475-1311, Ext. 262. To register for evening classes phone Napoleon Community Education at (517) 536-8630.

Length of Program: 12 weeks

Location: Chelsea Community Hospital
775 S. Main Street
Chelsea, MI 48118
Starting September 27
Fridays at 1:30 p.m.
Napoleon Community Center
4162 Brooklyn Road
Jackson, MI 49201
(4 miles West of Napoleon)
Starting September 24
Tuesdays at 7:30 p.m.

Fee: \$65.00

Instructors: Julie Say, R.D., Community Nutritionist
and Karen Pyett, R.D., Clinical Dietitian

PRENATAL CLASS

This class will discuss infant care topics including: bottle vs. breastfeeding, infant safety, what the newborn will look like, how to tell if the baby is ill, infant home-care, and circumcision. A question and answer session will follow.

Date: Wednesday, September 11—
7:30-9:30 p.m.

Location: Dr. Mary Westhoff's Office
Beech Middle School
447 A.D. Meyer Drive
Chelsea, MI

Registration: Recommended by phoning 475-9175

Fee: FREE

Instructor: Dr. Mary Westhoff

OCTOBER '85

BASIC STRESS MANAGEMENT

(One time only)

This basic class on stress management will be an overview of how to identify stress and techniques/practices to reduce it in your life.

Date: Wednesday, 7:00-9:30 p.m.
October 9th

Location: Stockbridge High School Library
Stockbridge, MI

Fee: \$10.00 registration required

Instructor: Maggie Szymke R.N., M.S.

DIABETIC EDUCATION CLASSES

The purpose of the Diabetic Education Classes is to provide knowledge, skills and behaviors necessary for people with diabetes to control their disease and its side effects. We also encourage interested family members and friends to attend.

Length of Program: 4 sessions—2 hours each

Dates: Tuesday, 7:00-9:00 p.m.
October 15, 22, 30 and November 5

Location: Chelsea Community Hospital
Woodland Room R

Fee: \$25.00 (registration is required)

Instructors: Multi disciplinary team including nurse, pharmacist, nutritionist and social worker.

MULTIMEDIA FIRST AID

The purpose of the course is to prepare people to care for injuries and to meet emergencies when medical assistance is excessively delayed. It provides fundamental principles and skills in first aid and accident prevention. This system uses lectures, discussion demonstrations, and skill practice. All sessions are required.

Dates: Wednesdays, October 9 & 16

Time: 6:00-10:00 p.m.

Location: Chelsea High School

Fee: NO CHARGE

DEMYSTIFYING MEDITATION

This program is designed to develop the participant's awareness of what meditation involves and how it can be used as a mechanism for reducing anxiety and lowering blood pressure over time.

Dates: Thursday, 7:30-8:30 p.m.
October 10, 17, 24, 31
Nov. 7, 14

Location: Recreational Therapy Activities Room
Chelsea Community Hospital

Fee: \$25.00 (Registration is required)

ON-GOING PROGRAMS

SUBSTANCE ABUSE LECTURE SERIES

This lecture series is free and open to the public to provide awareness and education regarding various aspects of alcoholism and other chemical dependence abuse. The lectures are one hour in length. At 8:30 p.m., following the lectures, the Hospital is host to the 12-step self-help meetings of Alcoholics Anonymous, Alanon, Alateen, and Adult Children of Alcoholics/Addicts.

Length of Program: 12 consecutive lectures which repeat throughout the year.

Dates: Every Thursday evening at 7:15 p.m.

Location: Chelsea Community Hospital Dining Room

Instructor: Dr. Hardee Bethea

Fee: Free

BREATHERS CLUB

The Cardio-Pulmonary service of Chelsea Community Hospital offers Breathers Club meetings for all interested individuals who have chronic respiratory problems

Dates: Ongoing Program—3rd Saturday every month

Time: 11:00-1:00 p.m., Lunch at 12:00 p.m.

Location: Chelsea Community Hospital

Leader: Robert Pawlowski, R.R.T.

Fee: Free

"Weekend Guest" Program Answers a Need

Chelsea Community Hospital has become the first Washtenaw County medical facility to offer "respite care" to area families. Since its beginning in February of this year, 15 guests have been registered for a total of 69 days of care at the Hospital.

Respite care, a new concept for hospitals, involves the provision of temporary lodging of normally home-bound, chronically ill or disabled individuals, so that those who usually provide care can have a few days away from the day-to-day responsibility. The program is being initially called "Weekend Guest," but it may expand in the future to accommodate stays of up to two weeks, making extended vacations possible for people unable to consider them in the past.

Mary Beth McGowan, Respite Program Director at Chelsea, notes that, "From the hospital and physician perspectives, these guests are cared for as if they are in a home setting. The care provided is basic and supportive." She explained that patients are accepted as "Weekend Guests" upon submission of a simple authorization form by a Hospital staff physician knowledgeable about the patient's condition and medications. McGowan also notes that the program is not costly. Daily charges are roughly comparable to motel room rates, and are set not to make a profit for the hospital, but only to cover costs. She emphasizes that the program is a part of Chelsea's comprehensive services to senior citizens, but that individuals of all ages are welcome.

Those wishing more information about the Weekend Guest program may consult their physician, or call Mary Beth McGowan at the Hospital. Registrations should be made at least two weeks in advance of the date planned for the stay. The telephone number to call is (313) 475-1311, extension 357. ■

People/ People

Willard H. Johnson, President of Chelsea Community Hospital and a member of the Board of Trustees of its parent corporation, was elected to a four-year term as trustee at large of the Michigan Hospital Association Board of Trustees during the MHA's Annual House of Delegates meeting in June. The MHA, based in Lansing, is the chief advocate and representative of the state's 220 hospitals and health care institutions.

Kathy M. Brubaker, Director of Nursing at Chelsea Community Hospital, was chosen president-elect of the Michigan Society of Hospital Nursing Administrators during the MSHNA Annual meeting in June. She will serve in this capacity for one year. The MSHNA is based in Lansing and is the chief advocate and representative for the state's hospital nursing administrators.

Cindy H. Harrison, Assistant Director of Personnel at Chelsea Community Hospital, was chosen president-elect of the Healthcare Personnel Administration Association of South Eastern Michigan. She will serve for a three year term. HPAASEM is a chapter of the American Society of Hospital Administrators. Harrison is only the third woman to be elected to this office in the Association's thirty year history. ■

The Chelsea Community Hospital Auxiliary

Auxiliary volunteers provide many services within the hospital including staffing the information desk, helping patients with menus, delivering mail and flowers, transporting patients, performing clerical duties, sewing toys for children seen in the Emergency Service or admitted to the hospital, and operating the gift shop.

The Auxiliary supports the hospital in the community by assisting with blood pressure clinics, Health-O-Ramas, and

Red Cross Blood Banks, as well as conducting tours of the hospital. Funds raised by volunteers have supported many Hospital and community projects such as Special Olympics and Parents Anonymous.

Highlighted below are two of these projects. They are scholarship programs for the Hospital's Summer Speech and Occupational Therapy Programs and the annual Health Career scholarship.

Summer Speech and Occupational Therapy Program Scholarship

For the fifth consecutive year, Chelsea Community Hospital Auxiliary has made a generous donation to the Hospital's Summer Speech and Occupational Therapy Program.

This year, scholarships totaling \$2,500 will be provided to children whose families are in financial need.

Without the strong interest and support of the Auxiliary, these children would be unable to receive the therapies that they need.

The Auxiliary, under the leadership of President Gloria Mitchell, works on special projects throughout the year to earn funds for this and other worthwhile programs.

The Summer Speech and Occupational Therapy Programs are seven-week intensive sessions that run from the end of June to the beginning of August. The programs provide needed summer intervention to children who usually receive these special services during the school year. Both programs are conducted three days a week at North Elementary school in Chelsea. Classroom space is provided by the Chelsea Public School District.

Up to 25 children are enrolled in both programs. The Speech Program sees children with a wide variety of speech, language and hearing problems. The Occupational Therapy Program sees children with physical development delays in the areas of large and small motor skills and sensory-motor integration.

Trained professionals in Speech and Language Pathology and Occupational Therapy evaluate the children, meet with parents on an ongoing basis and provide the treatment programs. The school setting provides many opportunities of classroom and playground activities. All types of play activities are incorporated into the programs to encourage the development of communications and motor skills. Over the years the programs, with the generous help of the Hospital Auxiliary, have helped many children to grow and achieve.

Health Career Scholarships

This year, the Chelsea Community Hospital Auxiliary has awarded \$500 scholarships to Karen A. Bennett, Julie Hunn and Kimberly Lynette Guyor.

This is the seventh year for the Auxiliary's scholarship program. Funds come from Auxiliary activities and the

scholarships are open to all students who live in the hospital area. To be eligible, a student must be enrolled in a health career program for which certification is given or a degree is granted. Selection is based on academic achievement and intent to pursue education in a health career. Candidates were interviewed by a committee whose members are Gail Olson, Donna Lane, June Flanigan and Madeleine Vallier. ■

Jackson, MI

Chelsea Community Hospital in cooperation with the Chelsea Civic Foundation and major area employers is exploring the possibility of constructing a Community Fitness and Sports Center.

The purpose of this survey is to identify community interest for support of continued planning and investigation of the feasibility for such a center.

Please take time to fill out the following:

Resident of Village/City _____ Township _____

No. of Members in Family _____

Ages:

_____ 15 or under _____ 46 to 55

_____ 16 to 30 _____ 56 to 65

_____ 31 to 45 _____ 66 or older

The following fitness activities are being considered for the Center. Place an x next to items of interest:

_____ Aerobic Dance	_____ Basketball
_____ Handball	_____ Swimming
_____ Racquetball	_____ Nautilus Weights
_____ Running	_____ Universal Weights
_____ Tennis	_____ Health Ed. Classes

What other fitness activities would you like to see offered at the Center? _____

If a Center were to be available in this area, would you be interested in obtaining a membership?

_____ Yes _____ Family
_____ No _____ Individual

If Yes, what would you be willing to pay for an individual membership to such a center?

\$ _____ per year.

A family membership? \$ _____ per year.

How far would you be willing to travel to a Center?

_____ miles

Please mark the times and days you would most likely be using the Center:

Time	Sun	Mon	Tues	Wed	Thurs	Fri	Sat
7 am - 9 am							
9 am - 11 am							
11 am - 1 pm							
1 pm - 4 pm							
4 pm - 6 pm							
6 pm - 8 pm							
8 pm - 11 pm							

Comments: _____

Name and Telephone Number (Optional): _____

Please return survey in envelope provided.
