CHELSEA SENIOR CITIZENS had quite an assortment of home-baked goods for sale at the annual Country Crafts and Folk Art Show last Saturday at Chelsea High school. The event is the largest fundraiser for Chelsea Senior

Citizens organization. Women managing the table were Jeanne Gauss, Faye Johnson, Doris Schauer, VI Widmayer, Armilla Reule, and Flo Noworyta.

## Zoning Board Established By Village Council, Various Parcels Re-Zoned

Zoning items dominated the agenda of the Chelsea Village Council last Tuesday, Oct. 2.

Council officially approved the establishment of a separate zoning board of appeals, although the vote was not unanimous.

The zoning board would decide all variances as well as special rule on decisions by the zoning inspector.

Village council has doubled as the zoning board and has sometimes found itself in the unusual position of having to rule on one of its own decisions.

The only avenue for someone turned down by the zoning board of appeals is county circuit court.

Zoning board members will not be compensated, similar to planning commission members. They will also be village residents.

Trustee Joe Merkel, who cast the only dissenting vote, said he preferred to keep the council as the zoning board because people who lose appeals are probably going to complain to council anyway.

The zoning board will meet on a regular basis, probably once each month, and will be composed initially of five members.

In other zoning news, against the

advice of the village planning commission, council voted to re-zone more than two acres of land fronting Main St. for office use in what is commonly known as the Schneider Estate. It is the property with the stone fence just north of Old US-12.

The commission had recommended the developers consider a planned unit development, which would also incorporate about eight additional acres west of the planned development that is reportedly under consideration for residential development.

A representative for developers Ron Marten and William Davis, who are representing landowners Peter Flintoft and members of his family, made a long presentation about various aspects of the project. He said there is interest in office space from many potential professional clients, from physicians to lawyers.

He also cited a three-year-old report from planning consultant Carl Schmitt that indicated the current residential zoning would probably prohibit the parcel from being developed because the land is too close to a commercial zone.

The representative also said that the village's zoning ordinance would

not allow the project even under PUD because the parcel doesn't meet the minimum requirement of five acres.

The office development would not have buildings larger than one story. The developers said the existing stone wall would be kept and probably expanded across the entire front of the property.

Assistant village manager Deborah Kuehn had recommended the office zoning be approved because it would be a suitable buffer between residential and commercial areas.

The eventual motion to approve the change also included a direction that the planning commission look at establishing the north property line of the parcel as the northern end of the area that can be zoned for office use in the southern end of the village. In other words, even if adjoining homes were moved or torn down, the land could not be used for more offices.

In another matter, a variance request by BookCrafters, Inc. to expand their Buchanan St. parking lot to their property line behind the trailer park died for the lack of a motion by the zoning board.

Village zoning ordinance requires that a 20-foot setback be maintained.

Trailer park tenants objected to the fact that someone would be able to park, get out of their vehicles, and look right into their windows. Others, including attorney Robert Ponte, said they are concerned about stormwater run-off.

Zoning inspector Rosemary Harok spoke against the request by saying the company had other alternatives.

Council also denied a change of zoning for a proposed car wash next to the new Chelsea Pediatric Center on M-52.

Planning Commission had recommended against the change from C-4, commercial, to C-3, restricted commercial, because other C-3 land is available and the C-3 district should not be expanded north.

Council approved zoning changes for land owned by Chelsea Community Hospital and Dr. Steven Yarows.

The hospital property, 12.7 acres, was rezoned from residential to office, which will allow the construction of the hospital's new substance abuse treatment center near Flanders St.

Traffic circulation, in particular, a proposed entrance onto Flanders St., will be considered at site plan review by the planning commission.

Yarows plans to expand his physicians' office on S. Main St. adjacent to the Union 76 station into what is now his parking lot behind the building.

## Retirement Home Plans Open House Sunday, Oct. 14

Chelsea United Methodist Retirement Home will hold its annual open house on Sunday, Oct. 14 from 2 p.m. to 5 p.m.

Retirement Home Friends is sponsoring the event.

The public is invited to share refreshments and fellowship with residents, staff, and volunteers. The public can also tour the home.

## Hearing Set Oct. 30 On DDA Financing Plan; Details Near Completion

In what may mark the final stop in a long journey for Chelsea's Downtown Development Authority, a public hearing will be held Tuesday, Oct. 30 on amendments to the DDA's tax increment financing plan.

The plan has taken various forms over the last couple of years and recent developments may make it as much a property-purchasing plan as a beautification plan.

DDA chairman Sheridan Springer said DDA started the hearing process over because it didn't want to be challenged on a legal technicality.

DDA has offered \$120,000 for the former Hop-In property next to McKune Memorial Library. The property will be cleaned up to the satisfaction of the Department of Natural Resources before ownership changes. The soil is reportedly heavily contaminated.

Springer said Tuesday that the Hop-In building will probably be torn down soon since owner Howard Fenn signed an agreement to have the building demolished.

DDA is also apparently considering the purchase of the All Season Comfort building on W. Middle St. for the future home of the Secretary of State office.

The deal is complicated by several factors, including a proposed swap of parking lots with Harper Pontiac, soil tests on both parking lots, and improvements to make the building accessible to the handicapped.

Once the Secretary of State gives final approval to the site, DDA would reportedly purchase the property and act as landlord. Who would actively manage the property has not been disclosed.

DDA is also considering the purchase of the Esauades home immediately behind the Chelsea 14th District Courthouse on South St. as the site of a parking lot convenient to downtown.

Whether the home would be moved or torn down has not been disclosed. Springer said a sales agreement has been drawn up but has not been signed by DDA.

"We're a little hesitant to sign it until we have approval from council," Springer said.

"We may sign it with a contingency or we may wait until the 30th."

Many of the downtown beautification projects such as the installation of new street lights may not take place due to the property procurement.

"DDA is saying that the parking lot is more important than fancy street lighting, although we hope to get some of both," Springer said.

Springer said DDA's bond attorney was still working on the total amount of the bond issue. He said it will prob-

ably come in about \$1 million, or \$1.1 million.

"Total cost of the entire project will probably be a little higher than that because we hope to get a state grant for the library site, as well as raise money through donations," Springer said.

Initially the project was estimated at \$750,000 to \$900,000. According to an agreement with the Chelsea School District, DDA will only be able to capture 80 percent of the tax increment money. Springer said the agreement (Continued on page six)

## Fire Department Annual Open House Slated on Sunday

Chelsea Fire Department's annual Open House will be held Sunday, Oct. 14 from noon to 4 p.m. at the fire hall on W. Middle St.

The event is being held in conjunction with Fire Prevention Week.

The department's fire fighting equipment, from its smallest grass fire truck to its telescoping ladder truck, will be on display. Youngsters will be able to sit inside for a fire fighter's view of the road.

In addition, equipment such as coats and tools will be on display.

Children and adults can have a try at spraying an actual fire hose.

Jaws of Life will be used to cut up a car to show how rescue workers might save a driver pinned in his vehicle.

Firefighters will show how to put

out various kinds of fires, from grease to gasoline fires, and will demonstrate the use of a fire extinguisher.

Huron Valley Ambulance is scheduled to have a paramedic unit on hand.

University of Michigan Hospital's Survival Flight helicopter is also scheduled to make a brief appearance.

There may also be other activities for children, including a smoke tunnel to teach children how to stay low during a fire, and a "stop, drop" activity to show children what to do if they catch fire.

The department also plans to serve refreshments.

The event is free and open to the public.

## Chelsea Homecoming Activities Continue

Chelsea High school homecoming activities continue this week through Saturday.

Lunch activities include a cookie

stuffing contest today, pie eating contest on Thursday, and warm-soda chug on Friday.

Wednesday is "hippie day," Thursday is college sweatshirt day, and Friday is blue and gold day.

A pep rally will be held Friday from 2:10 p.m. to 2:50 p.m., a parade will be held at 5:30, the football game with the Tecumseh Indians starts at 7:30 p.m. and an alumni gathering will be held after the game in the cafeteria.

The parade will start on E. Middle St., go around the block on Main St. to Park St., then to Madison St. and right to the high school. It will feature the homecoming queen candidates and a decorated pick-up truck contest from the classes, clubs, and fall sports teams.

Homecoming queen will be crowned at half-time.

Saturday activities will run from 1:30 p.m. to 3:30 p.m. Included will be co-ed volleyball, tug-o-war, water balloon throw, and egg toss.

Finally, the homecoming dance will be held Saturday from 8:30 p.m. to 11:30 p.m.

## Fall Pick-Up Nets 475 Yards of Trash

The village fall pick-up last Saturday ended up costing the village more than \$10,000, although some of it is a matter number-juggling.

According to figures compiled by the village, \$6,326 should be transferred from the general fund to the landfill fund to cover the cost of burying the trash in the village landfill. The figure represents the amount the village would have collected had the rubbish come from another source.

In addition, the charge by trash hauler BFI for the nine hours of the pick-up is \$4,125. Village workers also participated.

The amount of trash collected was

down from previous pick-up. The last time the pick-up was held, more than two years ago, the village collected 680 yards of rubbish. This year's collection was 475 compacted yards. One yard of compacted rubbish is equal to four yards of non-compacted garbage.

The village also collected 348 tires and 145 yards of scrap iron, all of which will be sold.

Village officials noted the amount of garbage actually placed out at curbside was probably much more than what was collected as the event turns into a field day for scavengers of appliances, televisions, furniture, and many other items.

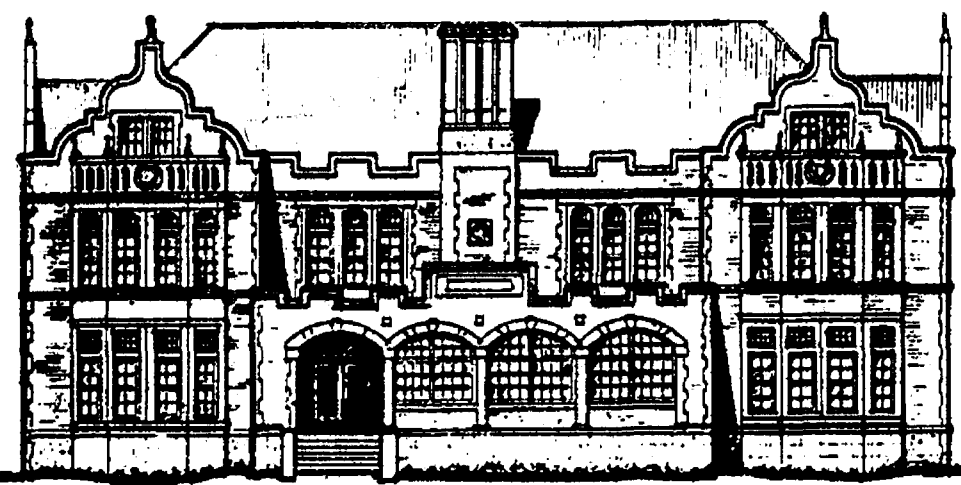

VILLAGE CREWS collected 145 yards of scrap iron last Saturday during the fall pick-up. Items such as this old furnace were picked up by heavy machinery. The scrap iron is being sold. Trash haulers picked up a total of

475 yards of compacted garbage. It may be the last time the village holds the annual pick-up, which used to be a village tradition.

FARMER HAROLD TRINKLE shows a small portion of a path someone cut in one of his cornfields using a small car last Tuesday. Trinkle said more than an acre of corn valued at more than \$400 was destroyed by the joyrider. He said the mess would have to be cleaned up by hand because any vehicle he could use would be too wide and would knock down additional corn. The driver of the vehicle hit a road sign as he exited the field. Police were able to trace the paint to a car at the Chelsea High school parking lot. The car also had traces of corn stalks underneath. The driver also damaged a field near the corner of Fletcher and Trinkle Rds. Further details were not available as of press time.

Nine American flags and one British flag were stolen from Chelsea residences and businesses since the end of May, according to Chelsea police records. So far, police have no solid leads in the series of thefts, said Chelsea Police Chief Lenard McDougall. "It's probably a group of people," McDougall said. From what police could tell, all the thefts occurred at night. The rash of thefts began on May 27, when an American flag was taken from the Kenneth Barner residence. There were no thefts in June, but activity picked up in July. Five flags were stolen in the month of July. On Sept. 20, Palmer Ford's huge flag in the used car lot on the south end of town was stolen. That flag had a value of nearly \$1,000. McDougall said that three teenagers from Hillsdale who were caught stealing flags in the Jackson area, had not been tied to the Chelsea crimes.

Frank Kornexl, Jr. was appointed sergeant of the Chelsea Police Department, effective Oct. 19. Final approval was given by the Chelsea Village Council on Oct. 7. Kornexl held a position that had been open since Lenard McDougall was promoted from sergeant to chief. Kornexl would be in charge of scheduling, filling in for McDougall, and supervising the other officers, McDougall said.

Seven girls, each representing a fall varsity sport, were candidates to be that year's Chelsea High School Homecoming Queen. The nominees were: Kirsten Erickson, football; Melanie Flanagan, cross country; Maria Saarinen, tennis; Sharon Colombo, swimming; Karen Weber, golf; Jodi Keezer, basketball; and Heidi Hosner, cheerleading. One girl would be crowned during half-time of Friday's football game with Tecumseh.

The campaign to raise local money for the restoration of Chelsea's 14-A

District Courthouse was within \$5,000 of its \$135,000 goal with the pledge of \$35,000 from the Village of Chelsea and \$15,000 from Chelsea Milling Co.

Beginning Oct. 8, a new Chelsea telephone number, 475-9494, would be in service, linking area senior citizens and handicapped adults to a village-wide and selective rural shuttle-bus service under the authority of the Chelsea Area Transportation System (CATS).

A truck load of 185 pigs, on their way to market, had an unexpected taste of freedom early Oct. 3. According to the Washtenaw County Sheriff's Department, Danville, Ind., driver, Allen Black, was hauling a trailer load of hogs on I-94 east of Fletcher Rd., when the vehicle ran out of control in the dense fog. The trailer bounced onto the shoulder and as Black struggled to return it to the roadway, the entire rig flipped onto its side, "spilling hogs everywhere," the wreckage. Police arrived to find Black had escaped serious injury, and proceeded to recapture his squealing load.

Chelsea's brilliant display of fall colors was cited as a major tourist attraction in Automobile Club of Michigan's October Motor News magazine. "Although there are many places in Michigan to enjoy fall scenery, the Chelsea area is outstanding," Auto Club's 1.2 million readers were told in an article entitled "Where the Color Is."

Chelsea Police Department issued a public warning to CB owners in the area to take added precautions in protecting and guarding their property, following the theft of two CB radios from vehicles parked outside of Chelsea Lanes. Both 23 channel radios were valued between \$180 and \$200. To gain entry, thieves forced the left side vent of a Chevy Blazer owned by Gary L. Bice and pried open the left side door of a Buick station wagon registered to Edwin Greenleaf, owner of Chelsea Lanes.

## Legislature Ignores Governor's Priorities as It Breaks for Election

The Legislature broke for its election recess ignoring many of Governor James J. Blanchard's top priorities, including gasoline station divorcement, property tax limits and auto insurance rate cuts. Also left in an incomplete state was the 1990-91 budget, with vetoes in the Corrections budget not addressed, a temporary budget authorization approved for Social Services, and approval of a capital outlay bill that commits the state to \$27 million more in projects than was appropriated. The legislature's major accomplishment during the abbreviated three-week September session was passage of polluters pay legislation, which went to the governor with final House approval.

Two issues profoundly wrapped in electoral campaigns — a 20 percent property tax cut identical to one proposed by petition and the insurance cut — were put off under an agreement between Senate Majority Leader John Engler (R-Mt. Pleasant) and Speaker Lewis Dodak (D-Montrose), permitting both parties to avoid casting potentially unpopular votes.

Both Dodak and Engler agreed they did not push the Senate on the auto insurance rollback or the House on property tax relief knowing they could not get the votes in the other chamber. They did not want to haggle for two or three days to no avail. "We don't need more votes in the Senate to establish our position," Engler, the GOP candidate for governor, said of the tax issue. "The course I think in the interest of property taxpayers is to submit this to the voters in November, and let this be one of the decisive issues of the campaign."

Blanchard pressed the speaker to vote on the insurance and gasoline station legislation, but Dodak said, "I explained to him some of the problems we have...being this close to the election. It's because we want to get the budget and get out of here." Dodak said insurance cuts remain a priority and will be done in

November, and expressed high hopes for agreement on property tax cuts in the lame duck session as well.

A 30 percent insurance rate cut without the cost-saving measures was passed by the House last year; the Senate had passed earlier this year a bill cutting property tax assessments by 20 percent, applied to school operating millages only.

William Kandler, the governor's legislative liaison, said he was unhappy about the unfinished agenda. "We don't think they should leave without doing them," he said referring to the gasoline station, property tax assessment limits, and insurance cuts. He said it indicated the Legislature was not serious about dealing with those issues. Blanchard had strongly urged action on bills prohibiting oil refineries from owning gasoline stations and permitting station owners to purchase supplies from any distributor, saying they would fight price gouging by big oil companies following rising tensions in the Middle East. The House passed the open supply bill, but not in time for the Senate to consider it and it may not ever get to the divorcement bill.

Treasurer Robert Bowman reiterated his criticism of the Senate for refusing to pass the property tax assessment limitation proposal. He noted it is a concept supported by the governor and leaders in both parties, with only the Senate refusing to pass it without being entangled in other matters such as a larger cut not backed by sufficient revenues. Bowman said the limitation plan, capping assessment increases at the rate of inflation, would offer more long-term relief than the 20 percent cut backed by the Headlee petition. The agreement also angered those pushing for the deeper Headlee cut.

Sen. Gill DiNello (D-East Detroit) said property taxes are "the number one crisis in this state. In an election cycle, people will ask us what we did about property taxes and we will have to tell them it became a hot political potato so we did nothing."

Bill McMaster, spokesman for Headlee group, criticized the

Republicans for agreeing to block a veto on the tax cut, saying 60 House members also would have voted for it before the election. "There's a tax revolt going on in Michigan and our elected officials in Lansing don't realize it," he said.

On the Senate side, nine Democrats and eight Republicans sponsored legislation (SJR Y) calling for a limited constitutional convention to develop school finance reform and property tax relief proposals to bring to the voters. Sponsor Sen. John Kelly (D-Detroit) said the legislation sets up a process allowing residents to vote on both proposals at the 1992 election.

Sen. John Cherry (C-Cllo) said, "How the Legislature can recess for the fall election, without addressing property tax relief, is beyond my conception."

Management and Budget Director Shelby Solomon said a lot of business is being left unfinished, including the budget, but said, "I am confident we can find ways to deal with it." The budget was returned to the Legislature when the governor vetoed about half of the DSS budget, significant parts of corrections, and others because they were unrealistic or he disagreed with policies in them.

Engler accused the Blanchard administration of "giving up" on the budget, saying the Legislature was pressured to deal with the budget in a brief session after executive vetoes. That would have caused funding to end Sept. 30 in several areas of the budget without the omnibus and Department of Social Services continuation budgets passed. "We had several things driving us, finishing the budget, Headlee..." Engler said. "I would say it's been a more productive session than those in the past

four, eight or 12 years because we passed polluters pay legislation."

Some legislators said the failure to grapple with the budget problems is a preview of a worsening situation. House Minority Leader Paul Hillegonds (R-Holland) said, "I think there is that possibility that the fall session and early next year we'll be overwhelmed by red ink. The one thing that's easy to predict is we've got a serious budget problem."

Appropriations Chair Dominic Jacobetti (D-Negaunee) agreed that many issues are unresolved, saying, "The next two years are not going to be easy. If there's a recession, we're going to be in very serious trouble."

## Fredette Gets New Title

Village of Chelsea has created a new position called "administrative assistant," which gives Barbara Fredette authority equal to that of the assistant village manager.

After an executive session last Tuesday, council established the position and gave Fredette, a long-time village employee, an \$848 raise to \$29,100.

Village manager Robert Stalker said the reorganization was made to reflect the work Fredette has been doing rather than to give her more responsibility. Previously, she had been a department head.

"She has a broader exposure than other department heads, particularly in the financial area," Stalker said.

Among her responsibilities, Fredette is in charge of the office.

## Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

The fellers fell to discussing how the census giveth and taketh away, and talk at the country store Saturday night took off in all directions. It was Zeke Grubb that noted when the national nose count is took ever 10 year it's like the politicians say, we never know how we look til we get our picture took.

From what he reads, Zeke said, most places don't like what they see in early numbers announced recent. They say they got more folks than the census counted, and they're trying to boost their numbers before the final figger comes out in December. They know federal money to help states and local Governments look after the school children and the sick, lame and lazy is based on population.

Furthermore, Zeke went on, they know population sets districts where Congressmen are picked to decide how much to borrow and spread out amongst the local programs. The way it works, he said, if the census gives a state a big enough gain it gets another voice for its chorus in the House, but when one gains another loses.

You would think, Bug Hookum allowed, that all the burnt citizens would fear the fire, but they keep coming back fer more. Bug said fewer Congressmen a state's got in Washington the better. Them from the same state seldom see eye to eye, Bug said, and that means you got more of em going after slices of the same pie.

Most of the fellers saw eye to eye with Bug. It is a fact proved over and over, Clem Webster said, that the best way to git in Congress is to be in Con-

gress. He saw years ago that the reelection record of Congress was better than the Kremlin's. With all the grassroots grumbling over there he said, job security at the public trough must be shaky, but Congress is holding steady at clost to 100 percent sure.

Actual, Clem declared, if cutting back on Congressmen wouldn't do anything more than cut back on Congressmen's newsletters the country in general and the post office in particular would come out way ahead. Of all the privileges they abuse, he said, franking is the worst. He had saw where they send out 100 million more pieces of mail in election years than in off years, so you got to know what they think of keeping in touch with the folks back home.

Fer sure, Clem said, you won't find in any letters where any Congressman had anything whatever to do with letting the savings and loans git in over their heads and steal what they didn't put out in bad loans. Clem said Jack Cargan is right, but what he wants can't happen because Congressmen are bought by to many PACs that want to make sure they git what they pay fer.

Clem had saw where Cargan has set up Throw the Hypocritical Rascals Out in Tampa, Fla. and he is running page ads in more than 200 big newspapers all over the country beggin money to run more ads. THRO says the only way the American people can take charge is to vote ever Congressman and ever Senator out. Keepin em in office is tellin em we'll take whatever they dish out, Clem said, and our vote is the only message they listen to.

Practical speaking, Clem said, folks don't vote their minds, they vote their money. Fer instant, as long as Congressmen protect investors of bad S&Ls and spread the payback pain over everybody, they're in.

Yours truly,  
Uncle Lew.

Paul and Sommer Wrona

## Sommer Havens Weds Paul Wrona July 14 in Chelsea

Sommer Ashley Havens, daughter of Nanette Havens of Chelsea, and Paul Christopher Wrona, son of Mark and Irene Wrona of Howell, were married July 14 at St. Paul United Church of Christ.

The Rev. Erwin Koch performed the ceremony before 100 guests.

Sue Wrona of Allen Park, aunt of the bridegroom, sang "The Wedding Song" and "The Gift of Love." She was also the organist.

The bride wore a traditional white satin dress with cathedral-length train adorned with pearls, sequins, ruffles, and flower appliques. She wore a headpiece of white flowers with pearls. She carried a bouquet of white roses with trailing ivy.

Bridesmaids were Emily Havens of Chelsea, sister of the bride, Kim Collins of Wyoming, Mich., and Karen Imm of Ann Arbor, friends of the bride. Emily Havens wore a full-length emerald green satin dress with drop waist, and Collins and Imm wore emerald green satin dresses with hi-lo hems. They all carried bouquets of pink carnations.

The bride's mother wore a royal blue silk suit and a corsage of yellow roses.

The bridegroom's mother wore a fuchsia dress and white orchid corsage.

Best man was Steve Schoen of East Lansing, friend of the bridegroom.

Ushers were Ben Havens of

Chelsea, brother of the bride, and Dan Wrona of Howell, brother of the bridegroom.

A reception followed in the church fellowship hall. Assisting were Debora Kennedy of Chelsea, Karan Wartel of Elkhart, Ind., and Jean Shoner of Stockbridge, all friends of the bride's family, as well as Thelma Fordham of Charlotte, N.C., grandmother of the bride, and Deb Smith of Goshen, Ind. and Cindy French of Racine, Wis., aunts of the bride.

The couple took a honeymoon trip to the University of Michigan, where she is pursuing a doctor of pharmacy degree. The bridegroom is a student at Eastern Michigan University, where he is studying plastics technology.

The "Work and Family Resource Kit" offered by the U.S. Labor Department's Women's bureau is designed to help employers understand the range of family needs emerging in the workplace and the numerous options for a company's response. The kit provides a state-of-the-art review of these options as well as advantages and disadvantages. There are also references and resources to help employers select the most appropriate response for their employees' family needs.

**25th ANNIVERSARY CELEBRATED:** Mr. and Mrs. Frederick Model are active members of St. John's Evangelical Lutheran church where they were married Sept. 25, 1965. They recently enjoyed a 25th anniversary celebration in their home which was hosted by their daughter, Vanessa, and Mrs. Model's parents, Mr. and Mrs. Robert Morrow. Fred and Carol share business careers in the operation of Hallmark and office supply stores in Dexter and Chelsea. Fred has held offices in the Kiwanis Club of Dexter and presently holds a Michigan District post. He is an officer in the U. of M. Club and avid Michigan sports fan. Carol is a member of the Chelsea Charter Chapter of the American Business Women's Association where she has served as an officer. Both have been extensively involved in summer sidewalk festivals in Dexter and Chelsea. They are members of the Dexter Business and Industry Council and Chelsea Chamber of Commerce.

## Health Education Team Available to Older Patients

Older persons with health problems have a new resource available to them at the University of Michigan Family Practice Center in Chelsea. A team of experts from a variety of disciplines is available to provide a comprehensive health evaluation for elderly individuals who are experiencing a problem with their physical and/or psychological well-being.

This team of professionals includes physicians who have special geriatric training, a social worker, nutritionist, clinical pharmacist, and geriatric nurse practitioner.

Each team member conducts an assessment of the older individual and shares their findings with the assembled team.

A summary letter, including specific recommendations, is provided to the individual's regular physician to aid in better management of future health concerns.

Any older person or concerned caregiver of an older person with health-related problems is welcome to

arrange an evaluation. Typical reasons for seeking such an assessment include falling general health; safety concerns with recent falls; appetite or weight changes; changes in personality or memory problems; consideration of nursing home placement.

The full evaluation includes a home visit from the nurse practitioner and a half-day visit to the Family Practice Center to be seen by the pharmacist, nutritionist, social worker and physician. If desired, an evaluation by a single member of the team can be arranged (e.g., a nutrition assessment or a pharmacist review of medication use.)

Any older person or concerned caregiver is welcome to inquire about an evaluation by calling Diane at 475-1321. The Family Practice Center participates fully with Medicare and other major insurance carriers.

## Zoning Issues Dominate Council Meeting

(Continued from page one)

That requires that more parking be constructed.

The parking would be expanded into what is now a residential zone and a home would probably be moved. Kuehn had recommended against the change as it will allow access onto Van Buren St., a street designed for residential use. It will also, she said, introduce non-residential zoning into a stable residential neighborhood and

may threaten the stability of the neighborhood.

Planning commission did not make an official recommendation, but voted 5-1 in favor of the change.

Finally, council set public hearing for Chelsea State Bank (additional parking) on Oct. 18, Dave Prohaska (to open a printing shop near Chelsea Lanes) on Nov. 8, and Great Lakes Bancorp (for another sign) on Nov. 8.

CHELSEA LIONS CLUB hosted a ladies night at their Oct. 2 meeting held at the Chelsea Community Hospital. DDA representatives Sheridan Springer, center, and

Mark Heydlauff, right, describe the village's proposed downtown beautification project to Mike Detling, Lions president.

## Garbage Service May Remain Twice Weekly

The village has apparently decided not to cut back on the twice-per-week trash pick-up for the immediate future. Solid waste committee chair Frank Hammer had suggested the change as a way to encourage recycling.

Although the village has yet to formalize a contract with Marshall Rubbish Service, members of village council said last week they'd like to see the twice-per-week service continue over the life of the next one-year contract. Trustee Tom Dorner was one of the most outspoken board members. The implication was the service might be cut back to one week next November.

In addition, council also does not seem to be anxious to tell residents they can't put their trash out in cans. Trustees Dennis Hall and Dorner each said he wants the cans to stay due to

the potential for having trash strewn around the village by animals.

Marshall's Rubbish Service charges more when residents are able to use cans.

However, council did seem to agree that cutting back the number of bags to two per pick-up was a reasonable idea. Village residents are now allowed three bags per pick-up.

## Bicycle Stolen From High School

A Chelsea High school student told Chelsea police that someone stole his bicycle from a rack on the west side of the school.

Stolen on Oct. 5 was a 10-speed bicycle. It was apparently taken some time during the school day.

## Change Told in Phone Dialing Procedure

Michigan Bell customers in the Chelsea area soon must begin using a new dialing procedure to make long distance calls within the 313 area code.

"Under the new dialing procedure, announced in February, customers will dial '1' plus the 313 area code and the local telephone number," said Marcia Buhl, Michigan Bell's local public relations director.

Calls made using the old procedure won't go through. Instead, callers will hear a recorded announcement reminding them of the change. The new dialing procedure is being phased in throughout the 313 area to avert a phone number shortage early next year.

Buhl said that long distance calls within the 313 area — such as those from Detroit to Ann Arbor — currently are placed by dialing "1" plus the seven-digit number.

The new procedure will create an additional 1.5 million phone numbers by allowing the company to use any of the nation's other 150 area codes as the first three digits of local phone numbers in the 313 area, Buhl said.

"For example, customers might find Arizona's 602 area code being used as the first three digits of their local phone number — say, (313) 602-0000," Buhl explained.

Buhl said the new procedure will standardize the way customers dial all long distance calls — to destinations inside and outside the 313 area.

The dialing plan affects only the 313 area, where the pool of available phone numbers is quickly being used up because of new technology.

"More lines at home and the office, and new uses for phone lines, such as personal pagers, mobile phones, fax machines, computer modems and answering services, have contributed to the shortage we're experiencing today," Buhl said.

None of these uses, Buhl said, was anticipated when the current number plan was developed in the 1940s.

Michigan Bell's information program in the Chelsea area includes brochures mailed with customers' bills and both radio and newspaper ads. The change also has received wide attention in news reports by both print and broadcast media.

celebrate the 60th anniversary of the Home's founding. Among the highlights of the afternoon was a speech by Dr. George H. Palmer, immediate past president of the National Association of Methodist Hospitals and Homes and executive director of the East Wisconsin Methodist Homes.

Robert J. Niehaus of New Canaan, Conn., a former area resident, was named vice-president of the Wallace-Murray Corp. at New Canaan, according to an announcement published in the New Canaan Advertiser.

Hunting season had opened, and Chelsea area hunters were returning with tales of their experiences. The first day of the duck-hunting season brought extra dividends to one young hunter. Carl Schweiger, known to his friends as "Bub," went duck-hunting with his father, Carl H. Schweiger on the opening day of the duck season. Besides a fair bag for the father and son hunting team, Bub downed a 10-pound Canadian goose. His father commented that "One of the most gratifying experiences for me is to be out hunting with my son and to see him outshoot me." According to accounts of the hunting, Bub had only number six shot in his gun and it took two shots for him to down the honker. When the goose fell into shallow water, Bub went right in after him and a wrestling match ensued. "The honker almost got the best of it," Dutch related, but Bub pulled out his leather belt, looped one end around the honker's neck, the middle of the belt around a bush, and the other end around the goose's leg. "By this time the goose was quite dead, but Bub tethered the goose 'just so it wouldn't get away again.'"

## 24 Years Ago . . .

Thursday, Oct. 11, 1966—

Frederick Schumm suffered painful injuries in an accident which occurred at Elsemann and Austin roads, about three and one-half miles east of Manchester. Sheriff's deputies who investigated said Schumm for some unknown reason, had apparently lost control of the car on a curve and the car left the road and traveled through a field for some distance. His injuries appeared to include fractured ribs in addition to cuts on the head and bruises. He was taken to the University hospital.

Thomas Bust was the new owner of Chelsea Hardware store, after completing negotiations for the purchase of the business. The store was closed for a week to check inventory and was reopened in a week. Lewis Haselschwert had been in the business at the Main street location for the past 29 years.

Sam Brown purchased the barber business of Jay Tuttle and took over the shop. With the exception of a brief interval, Tuttle had been a barber in Chelsea for 38 years. Brown had been employed locally as a barber for several years.

## Residential Building Down In County During 1989

A total of 1,994 new housing units were built in Washtenaw county in 1989, according to a study by the Southeastern Michigan Council of Governments.

The number of units, however, declined substantially from 1988 when 2,878 new units were built, the study showed.

Village of Chelsea gained 14 single-family homes and 19 multi-family units for a total increase of 33 residences.

Village of Dexter gained one single-family home and 100 multi-family units for a total increase of 101 residences.

Village of Manchester gained seven single-family homes.

Growth of single-family homes in area townships included 40 in Dexter, 18 in Lima, 25 in Sylvan, 15 in Lyndon, 27 in Manchester, 10 in Sharon, 51 in Lodi, 5 in Freedom, and 62 in Webster. Growth in Scio township was second

only to Ann Arbor. Scio picked up 107 single-family homes and 238 multiple dwellings for a total increase of 343. Ann Arbor had a gain of 428 new units.

## DDA Hearing Set

(Continued from page one)

with the district would have to be amended, although DDA still plans to work with the 80 percent agreement. Tax increment financing allows DDA to capture all additional tax revenue generated by the increase in property values in the downtown business district. Normally, about 60 percent of that money would go to the school district.

According to assistant superintendent Fred Mills, most DDA's do not enter into agreements with their local school districts.

Springer said additional information would be sent to the district this week so it could be considered at next Monday's school board meeting.

Bond issues for the projects would take a minimum of six weeks from approval by village council, Springer said. That may force DDA to borrow money against the bond issue on a temporary basis to pay for the proposed property purchases. Springer said DDA prefers not to borrow from the village.

## Flowering Trees Offered by Arbor Day Foundation

Ten free flowering trees will be given to each person who joins the National Arbor Day Foundation during October, 1990.

The free trees are part of the non-profit Foundation's Trees for America campaign.

The Foundation will give two White Dogwood, two American Redbud, two Golden Raintree, two Washington Hawthorn and two Flowering Crab trees to members joining during October.

"These trees were selected because they will give a colorful flowering of pink, white, yellow and red blossoms throughout the spring," John Rosenow, the Foundation's executive director, said.

The trees will be shipped postpaid at the right time for planting between Oct. 15 and Dec. 10 with enclosed planting instructions. The six- to 12-inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to Flowering Trees, National Arbor Day Foundation, 100 Arbor Ave., Nebraska City, Neb. 68410, by Oct. 31.

## Dial-A-Garden Topics Listed

The average age of retirement for U.S. male workers has been steadily declining, according to the U.S. Labor Department. In 1960, 33 percent of males 65 and older remained in the workforce; in 1980, the percentage had dropped to 19 percent, and by the year 2000, only 10 percent of men 65 and older are expected to be working.

## Cat Care Clinic Offered Sunday By Humane Society

If there's a special kitten or cat in your life, you won't want to miss the Humane Society of Huron Valley's Kitten and Cat Behavior and Care Clinic on Sunday, Oct. 14.

Learn the secret of training your cat to use a scratching post, grooming, dealing with the loss of litterbox training, nutrition for the life cycle of your cat, feline diseases and medication, and much more. Also featured are demonstrations and a question-and-answer period.

The two-hour clinic will be taught by Mark Alsager, DVM, of Professional Veterinary Hospital in Canton, and HSHV staff cat behavior specialist, Sue McIntyre. They will lead you in an eye-opening look at cat behavior and health.

Bring the family—but not your pet—to the Ann Arbor Dog Training Club located at 1575 E. North Territorial Rd., Ann Arbor (just one mile east of US-24) on Sunday, Oct. 14 from 4-6 p.m. Complimentary cat identification tags and pet care literature will be provided. A \$2 donation per adult is requested; however, children under 12 will be admitted free.

For directions or more information, please call the Education Department at 662-5545, Monday through Friday.

The Humane Society of Huron Valley is a private, non-profit organization dedicated to preventing cruelty to animals and promoting respect for all life. Serving the residents of Washtenaw county and surrounding areas, HSHV provides a wide variety of services including 24-hour emergency rescue, cruelty investigation, low-cost spay/neuter clinic, pet adoption, and community education programs. The shelter is open to the public seven days a week, 11 a.m. to 5 p.m.

JEFF VAN RIPER

## Jeff Van Riper To Be On The Air in Escanaba

Jeff Van Riper, son of Bill and Dorothy Van Riper of Chelsea, recently graduated from Specs Howard School of Broadcast Arts. Beginning Nov. 1 he will be on the air at WGLQ radio in Escanaba, an adult contemporary station that can be heard throughout much of the upper peninsula and parts of the lower peninsula and Wisconsin.

Van Riper finished with a 3.9 grade point average, the highest in the class, and was voted by his classmates to receive the Unselfish Radio Award. He also received a perfect attendance award.

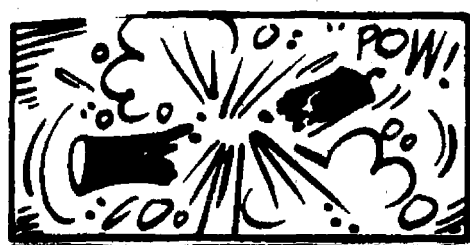

Van Riper's one minute milk commercial was chosen to air on the school's two radio stations. In addition, he produced and directed Specs Profile, which featured interviews of local personalities, including WRIF disc jockey Arthur Penhallow, and John Liebman, a music producer and performer.

Van Riper directed a situation comedy entitled "Exit Left," written by Tina Polite, a former writer for the Remington Steele television series. He also floor-directed a weekly news program called "Week in Review."

Van Riper also produced numerous videos on his own on subjects ranging from the 1989 Chelsea Fair Mud Bog to the Camel Fall Classic Golf Tournament.

Recently, Van Riper has been interning at radion stations WPZA-AM and WAMX-FM at Domino Farms. He has written afternoon traffic reports for news director Tom Tolen, and has written and produced several commercials for production director Ann Parker, including spots on Wolverine Auto Truck Plaza and Saline Community Fair. He also interned for WAMX music director Steve Williams and organized the station's music library and prepared music for on-air use.

He'll be living in Perkins. He's a 1973 Chelsea High school graduate.

The brilliant colors of fireworks come from bright-burning metallic salts.

## Public Health Division Offers Flu Shots

Washtenaw County Public Health Division will offer influenza vaccines at locations throughout Washtenaw county starting Oct. 17 and ending Nov. 8. A \$5 donation for a flu shot is requested.

Influenza shots are offered to people over 18 years of age; however, the Public Health Division's special goal is to vaccinate people who are 65 years of age and older. The flu shot is also recommended for people who are at risk for influenza-related complications which would include adults with diabetes, kidney disease, anemia, immuno-suppression or chronic disorders of the heart and lungs.

Those who are currently under regular medical care are encouraged to check with their physician regarding influenza shots.

Included in the schedule are two locations in western Washtenaw county.

Thursday, Oct. 25, 9 a.m. to 12 noon, at Dexter Senior Center, 3250 Broad St., Dexter.

Thursday, Nov. 8, 9 a.m. to 12 noon, at Manchester Senior Center, 324 W. Main St., Manchester.

For more information or other locations call 971-3993.

## Rifkin Hopes Companies Will Cave in Before BST Boycott

Bovine somatotropin (BST), after earning a clean bill of health by scientists and an anticipated approval in 1991 from the Food and Drug Administration, now faces a renewed boycott from Jeremy Rifkin's Foundation on Economic Trends, according to the American Farm Bureau Federation.

Rifkin's group announced its boycott this week during the World Dairy Expo in Madison, Wis. The group will target dairies, dairy product companies and grocery store chains and plans to release the names of companies that refuse to support its cause. Farm Bureau, in conjunction with the dairy industry, will contact food and dairy processing firms urging them to stand firmly against the campaign.

The U.S. Labor Department awarded more than \$89 million for training and employment services and technical assistance for migrant and seasonal farmworkers and their families. The funds will support programs from July 1, 1990 through June 30, 1991.

## Village To Extend Benefits If Employees Called To Serve

Village council has voted to extend health insurance benefits for one year to the families of employees who have been placed on active military status due to the Persian Gulf crisis and may be called into service.

Craig Myer of the public works department and Dick Foster of the police department were recently placed on active status.

Myer told council that military insurance provided for such an occurrence not only requires a 20 percent co-pay, but is "not well-known" for its coverage.

Trustee Dennis Hall said he believed

it is the function of a responsible employer to extend the benefit.

Village manager Robert Stalker said the insurance is not covered in the village's labor contract and would have to be formally negotiated.

NEWLY ELECTED OFFICERS of the Chelsea Area Players discuss plans for the upcoming year. Shelley Wheaton, treasurer, Cindy Beauchamp, vice-president, Jan Baltzell, president, and Tom Peckham, secretary, are shown here preparing for the CAP winter production, "You Can't Take It With You," to be directed by Ward Beauchamp. Tryout dates will be announced soon.

## Chelsea Area Players Elect New Officers

At their annual membership meeting in September, Chelsea Area Players elected seven new members to the board of directors and selected their officers for the coming year.

Serving on the board for the first time are: Maureen Devine, Adam Hartman, Tom Peckham, Dave Prohaska, Connie Scott, and Ben and Lynn Williams. Re-elected for an additional term were: Mike Fouty, Betty and Steve Leeman, Don Paulsell. Continuing board members are: Shelley Wheaton, Ken and Cindy Beauchamp, Debbie Olson, Allen

Anderson, Jerri Cole, Clara Smith, Jerry Martell, and Jan Baltzell.

CAP directors also elected new officers. Jan Baltzell will serve as president, Cindy Beauchamp as vice-president, Tom Peckham as secretary, and Shelley Wheaton as treasurer.

The Players announced the selection of their winter production, "You Can't Take It With You," which will be directed by Ward Beauchamp. Production dates and tryout schedule will be announced shortly.

### ★ Wheat Starch: Biodegradable Wrapper for Bread?

By Ben Hardin

Sandwich bread might come wrapped one day in a bag that's made from wheat—the grain used to make bread. You would send the empty bag—a biodegradable plastic—to some friendly microbes at the landfill.

It's starch from corn that nowadays makes plastic products biodegradable. Microbes eat the starch.

U.S. Department of Agriculture scientists see wheat starch also becoming a source of biodegradable plastics. But first they need to find an economical way to sort out and use wheat's smaller starch granules for plastics.

Today's biodegradable plastics typically are 6 to 7 percent starch. Corn's starch granules vary in size but they are relatively large, about 15 microns on average. This limits how thin the film can be without having weak spots. An inch has 25,401 microns.

Wheat starch granules, on the other hand, come in two fairly distinct sizes. The smaller ones are about 6 microns in diameter, according to Jerold A. Bietz, a chemist in USDA's Agricultural Research Service.

Ideally, he says, wheat starch could make biodegradable films thinner and stronger. Also, the films could be chewed up faster by microorganisms than current biodegradables.

"We're a long way from biodegradable plastic made with wheat starch," says Bietz. "The first need is a practical way to sort out the really small granules that would go into such plastics." At the ARS Northern Regional Research Center, Peoria, Ill., Bietz is co-ordinating studies to sort out the wheat starch granules.

The trick: using airstreams of differing velocities.

Bietz says the research is part of the Peoria center's efforts to find more ways to turn farm commodities into new commercial products.

## ROADSMART

Presented by Huron Valley Traffic Safety Committee

**Q.** Does alcohol play a big part in the fatal accident rate for younger drivers?

**A.** Most definitely! About 60% of the drivers aged 16-24 who were killed in vehicle crashes had been drinking.

**Q.** How many people are killed due to alcohol-related crashes?

**A.** About 22,000 people each year or 400 each week. This is the equivalent of the entire population of one of the following Michigan cities each year: Adrian, Berkley, Holland, Monroe, Mt. Clemens, Mt. Pleasant, Norton Shores, Novi, Romulus, Trenton, Wayne, or Ypsilanti.

## Hostages Will Be Exempt from Some IRS Regulations

"We recognize that the crisis in the Mideast has created many difficult situations for families and friends of U.S. citizens who have been detained overseas in Iraq and Kuwait," said IRS district director John Hummel. "In an effort to do what we can to help, I am pleased to announce that we are extending our policy of providing relief for taxpayers in hostage situations," he said.

"We have no way of knowing for certain the identity of hostages, but once alerted we can take steps to provide relief," Hummel added. "To implement the relief policy, we need to hear from family members as soon as possible."

According to the IRS, family members of hostages should call, during normal business hours, a special toll free number, 1-800-829-1351, so that IRS representatives can take steps to suspend actions already scheduled or underway and prevent future actions.

"Callers should be prepared to provide us with the names and social security numbers of detained citizens, along with any information they may be aware of concerning ongoing actions with the IRS," Hummel said.

Let's Go  
Bulldogs!

## Dogs Batter Dexter 23-8 To Even Record In League Standings

Senior Jude Quilter showed why he is one of the area's most complete football players as the Chelsea Bulldogs knocked off the Dexter Dreadnaughts last Friday in Dexter, 23-8.

Quilter ran for one touchdown, caught a pass for another, rushed for 178 yards, forced two fumbles on defense, and put one punt inside the Dexter five-yard line for perhaps his best performance of the season.

"Jude was by far our leading defensive player of the game," said assistant coach Curt Ellis.

"He was a dominant player on both sides of the ball."

Quilter almost single-handedly got the Bulldogs on the board early in the second quarter. First he recovered a Dexter fumble at the Dreadnaught 35 yard line. Then he caught quarterback Tucker Steele's pass for a gain to the Dexter 13. Two plays later he ran in from eight yards. He also scored the two conversion points on a short run.

The Bulldogs scored again on their first possession of the second half, although Quilter was one tackler away from returning the kick-off for a score.

Quilter ran the ball seven times, and caught a 13-yard pass, during the 61-yard drive. His five-yard run on third and one gave Chelsea the ball at the Dexter three. What appeared to be a Quilter touchdown put the ball near the goal line. Steele scored through the middle of the line, and Quilter ran for the conversion points.

Chelsea increased the score to 22-0 on the final play of the third quarter. The Bulldogs began a drive after a punt at the Dexter 49. They moved the ball to the Dexter 14 on six plays before a series of illegal procedure penalties moved the ball back to the 28. On fourth down and 17, Steele found Quilter down the right sideline with a perfect strike for the touchdown. Westcott kicked the extra point for a 23-0 lead.

Dexter broke up the shut out on the next play as Chelsea kick-off coverage broke down and Dreadnaught Jeromy Avery rambled straight upfield 89 yards for the score. Dexter threatened again in the middle of the fourth quarter. An apparent 27-yard touchdown on a screen pass was called back due to an ineligible receiver. An incomplete pass on fourth down ended the drive.

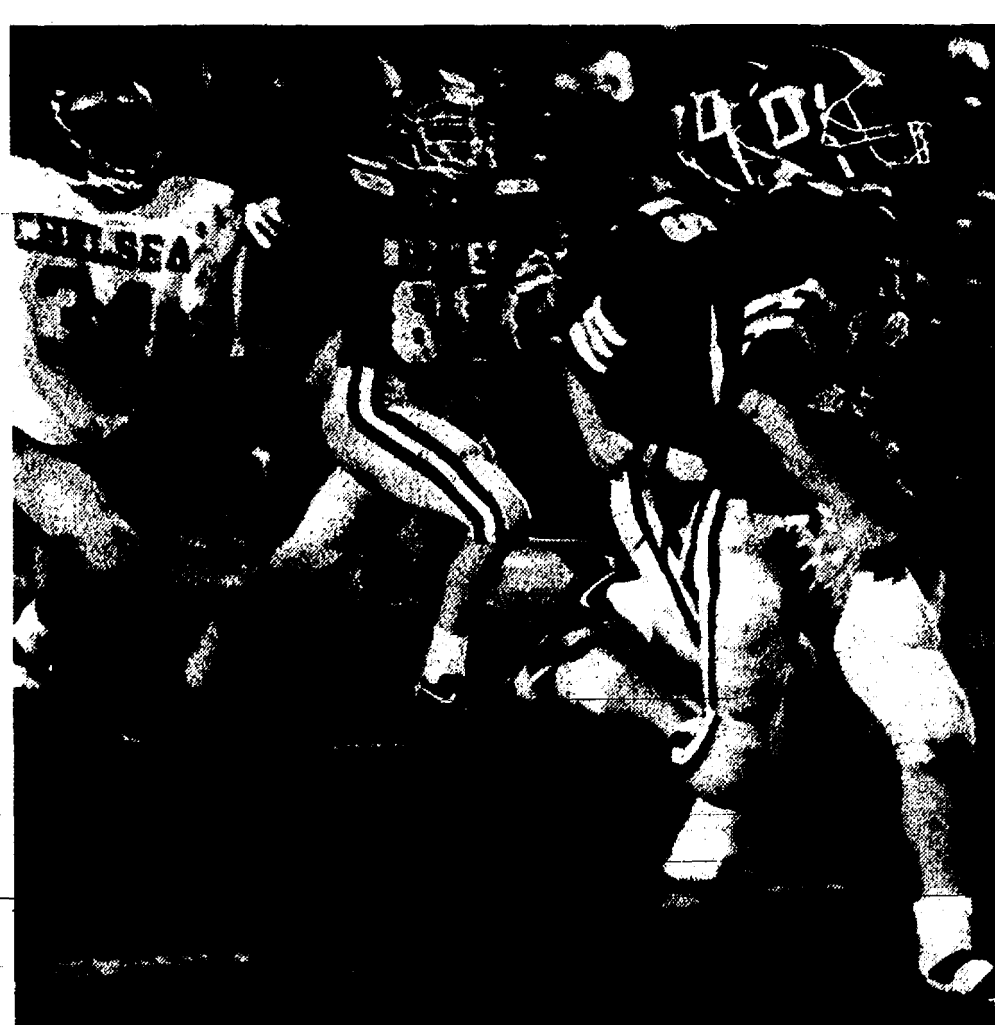

However, other than the return, and his team's 10 penalties, coach Gene LaFave was generally pleased with the Bulldogs' performance.

"We bent, but we didn't break on defense and generally made them drive most of the field to score," LaFave said.

"It's difficult to take the ball from inside the 20 for a touchdown."

Dexter's first drive to open the game began at the Dexter 19 and ended in a fumble at the Chelsea 27. Their next drive began at the Dreadnaught two after Quilter's punt was downed by Adam Taylor. That drive also ended in a fumble, at the Dexter 35.

Another Dexter drive, late in the third quarter, effectively began at the

JEROMY AVERY is off to the races for the Dexter Dreadnaughts as he returns a kick-off 89 yards for a touchdown during last Friday night's homecoming game in Dexter. It was the Dreadnaughts' only score of the game. In distant pursuit, at left, is Chelsea's Ben Hurst.

Dexter 15 after a 14-yard fumble on first down.

However, the Dreadnaughts moved the ball effectively, both running and passing, throughout the first half and had they not fumbled may have had the lead at half-time.

LaFave admitted he was surprised at how well the Dreadnaughts moved the ball early.

"I thought they'd come right at us and I was concerned until the score got to be 16-0," LaFave said.

"Then I knew we had them in deep trouble because I didn't think they could score a lot of points."

LaFave praised the play of his defensive line of Sean DeSarbo, Jeff Moore, and Craig Ferry. They stopped the Dreadnaughts at the Chelsea five on fourth down and one late in the first quarter. DeSarbo's sack on third down forced a Dexter punt mid-way through the third quarter. LaFave also had good words for the defensive backfield of Colby Skelton, Ben Hurst, Jude Quilter, and Adam Taylor, who helped limit the Dexter passing game to 24 yards.

Dexter had 105 total yards for the game and 10 first downs. Running back Darrin Pomo gained all of his 63 yards in the first half.

Quilter rushed for 178 yards on 33 carries, and Westcott picked up 33 yards on eight carries.

Steele was 3-7 for 62 yards, and Quilter caught all three passes.

Tom Poulter, Quilter, and DeSarbo each recovered a fumble.

This week the Bulldogs host the Tecumseh Indians (3-3) in their annual homecoming game.

The Indians, like Chelsea, are on a three-game winning streak. They've come back to win each of their last two games by a single point.

"Traditionally Tecumseh has started strong and then faded," LaFave said.

"Now they're doing the opposite and we're concerned about it."

The Indians feature one of the best receivers the Bulldogs will see all year in junior Brian Burns.

"They're likely to throw the ball 25 times and Burns is a real threat."

LaFave didn't say how his team would defend the pass except "we'll change up and do a variety of things."

Chelsea, at 2-4, is tied for second place in the Southeastern Conference behind the Saline Hornets, who won the league outright last Friday and are 5-0.

### JV Cagers Drop Two

Chelsea Bulldogs junior varsity basketball team lost to Dexter, 42-40, in over-time, and Tecumseh, 40-37, in action last week.

In the Dexter game, Chelsea was down 20-0 but rallied back to trail 25-15 at half-time and 31-27 at the end of the third quarter.

"The kids made a nice comeback when they could have just quit," said Chelsea coach Paul Terpstra.

Ginny Flannery led Chelsea with 14 points; Erin Schiller scored 12, Molly Dilworth had nine, Laura Carty and Nicki Piasecki scored two each, and Jamie Collinsworth had one.

In the Tecumseh game, Flannery scored 22 points and Dilworth scored 11. Flannery also had seven steals and four rebounds.

Chelsea is 4-4 over-all and 1-2 in the Southeastern Conference.

IN HOT PURSUIT of Dexter running back Darrin Pomo is Chelsea defensive back Jude Quilter. Quilter's hit a large part in Chelsea's 23-8 victory.

## Two Big Wins Put Dog Cagers In Conference Driver's Seat

"I'm shocked by what's going on here," is the way Chelsea Bulldogs basketball coach Rahn Rosentreter described his feelings about the Bulldogs' victories over the Dexter Dreadnaughts and Tecumseh Indians last week.

The Bulldogs beat Dexter in over-time at home on Tuesday, 41-37, then knocked off the Indians in Tecumseh on Thursday, 54-44.

Tecumseh and Dexter figure to be the Bulldogs' prime competition for the Southeastern Conference basketball title.

And going into last night's action, Chelsea was the only undefeated team in the league at 5-0. Tecumseh had one loss and Dexter, upset by Saline last Thursday, had two losses.

"Tecumseh probably has the best talent in the league, and Dexter probably has the second best, and they both are bigger and have more girls than we do," Rosentreter said.

"Right now we're playing very well as a team and that has been the difference. It was a fun week, although a little nerve-racking."

Chelsea, hobbled by injuries, is still without the services of high scorer Colleen Scharphorn. Rosentreter essentially played just six girls each game last week and will probably continue that strategy until Scharphorn returns, which could be by the middle of the month.

In the Tecumseh game, Chelsea started off in a 12-0 hole before closing to 14-11 at the end of the first quarter. Over the next two quarters Chelsea outscored the Indians 30-12. Ten of the Bulldogs' 15 second-quarter points came at the free throw line, and they ended up making 20-24 for the game.

Chelsea dominated the boards, 22-11, which accounted for much of the fouling.

Chelsea continued its scoring pace in the third quarter, although from the field rather than the line as they hit seven of 13 shots, including a three-pointer by Christine Burg.

Tecumseh pulled to within four points with a minute left, but Kristin Bohlender responded by sinking four straight free throws down the stretch to put the game away.

Bohlender led the scoring with 12 points, 10 on free throws. Burg scored 11, Carrie Flintoff and Shawn Losey each scored 10, Sarah Devine had six, and Mercedes Hammer scored five.

Hammer and Flintoff each had six rebounds.

The Dexter game was tied at 36 at the end of regulation play as the Dreadnaughts hit a three-point shot with nine seconds left. It was the only Dexter field goal of the fourth quarter, and the Dreadnaughts only

scored 11 points the entire second half. The Bulldogs had trailed 31-28 at the end of the third quarter.

"We had a five-point lead with three minutes left and decided to stall, which turned out to be a mistake," Rosentreter said.

Bohlender scored all five over-time points. She opened the scoring with a 12-foot baseline jumper, and, after Dexter closed to within one point, hit

one of two free throws to give Chelsea a two-point lead.

As the rest of the Bulldogs set up on defense, Bohlender stole the ball from a Dreadnaught and went in for a lay-up to put the game away.

"Kristin deserves a lot of credit for our success last week," Rosentreter said.

"She hit the free throws, made key

## Girl Runners Keep on Truckin'

Chelsea Bulldogs girls cross country team continues to dominate their opposition as they easily won the nine-team Mason Invitational last Thursday.

Chelsea scored 35 points, while second-place Olivet had 71 points.

Bulldog sophomore Lisa Monti took her customary number one spot, winning in 19:01, her best time of the season.

"The girls ran an outstanding race," said Chelsea coach Pat Clarke. "Six of the top seven ran season-best times and Tracey Wales, Sarah Brosnan, and Beth Williams each cut about 25 to 30 seconds. This was especially impressive given that the race was run in a 50 mile per hour gale."

Val Bullock, number four over-all, was the second Chelsea finisher in 20:15. Bulldogs behind her were Brosnan, 9th, 21:08

## JV Gridders Tie Dexter

Chelsea Bulldogs and Dexter Dreadnaughts junior varsity football teams battled to a 20-20 draw last Thursday evening at Niehaus Field.

Chelsea took a 6-0 lead on a fourth-down-and-two play as the blocking of Ed Waller and Steve Grau enabled Aric Dougherty to run for a 45-yard touchdown.

Dexter tied the game early in the second quarter.

But a 64-yard run by Dougherty, behind the blocking of Grau and Jay Westcott gave Chelsea a 12-6 lead. Tim Wescott kicked the extra point.

Chelsea held a one-point lead at half-time.

The Bulldogs' final score came on a 35-yard drive in the third quarter, capped by a five-yard pass from Pat Steele to Gabe Bernhard. Wescott kicked the extra point.

After Dexter tied the game again, Chelsea had two more chances inside the Dreadnaught 25 yard line, and Dexter ended the game inside the Chelsea 20.

"It was a great JV football game," said Chelsea coach Wayne Welton.

Welton praised the play of his defense, in particular tackles Waller and Steve Brock, strong safety Bernhard, and inside linebacker David Brock.

Dexter is undefeated and Chelsea is looking for its first win.

**CHELSEA RUNNING BACK** Jude Quilter makes the scored two touchdowns as the Bulldogs won their third out on Dexter defensive back Buster Bell and runs for a straight game, 23-8. nice gain. Quilter rushed for 178 yards on 33 carries and

## Dog Netters Take 4th in League

Chelsea Bulldogs tennis team defeated Pinckney last Tuesday, 6-1.

Chelsea won all singles matches and two out of three doubles matches.

In singles play, Amy Mitchell defeated Kelli Falls, 1-6, 6-2, 6-2; Sarah Musolf stopped Laurie Macias, 5-7, 6-1, 7-5; Sarah Gegenheimer beat Christi Folding, 6-2, 6-1; and Katie Neal defeated Dawn Freeman, 6-0, 6-1. Neal has a 10-2 record.

In doubles play, Jane Pacheco and Lisa Hamrick defeated Gina Burton and Diane Linten, 6-1, 6-2; Julie Weiss and Becky Vetter lost to Nicole LaMirand and Tracy Exter 6-3, 2-6, 1-6; and Becky Dehring and Christina McLaughlin defeated Beth Salogar and Lisa Johnson, 6-3, 5-7, 6-1.

Chelsea's record is 4-5.

"We had hopes of being .500 with a win over Columbia Central on Thursday but those hopes were dashed when rain came about 15 minutes into the match," said Chelsea coach Terri Curtis.

"It was supposed to be parents' night and was a double disappointment."

The match could not be re-scheduled.

In other action last week, the Bulldogs finished fourth in their league meet. The Liberty League, formed because not enough Southeastern Conference schools have tennis teams, consists of Saline and Jackson Lumen Christi,

Greenhills, Chelsea, and Pinckney.

Saline and Lumen Christi won the meet, and Greenhills was third.

Chelsea was also fourth after the regular season.

The tournament was held at Pinckney.

For Chelsea, Mitchell lost to Erin Bowbeer of Saline 1-6, 0-6; Musolf lost to Sara Beck of Lumen Christi, 4-6, 3-6; Gegenheimer defeated Christi Folding of Pinckney, 6-0, 6-3, then lost to Wendy Kelosky of Lumen Christi, 0-6, 3-6; and Neal lost to Asli Sezgin of

Lumen Christi, 2-6, 2-6.

In doubles, Hamrick and Pacheco were defeated by Saline's Cheryl Armstrong and Audrey Learnman, 1-6, 4-6; Monica Hansen and Theresa Hurst lost to Gina Burton and Beth Salogar of Pinckney, 4-6, 6-4, 3-6; Dehring and McLaughlin defeated Jody Salesky and Betty Brockman of Pinckney, 3-6, 2-6; but lost to Devon Martindale and Bethany Little of Saline, 0-6, 0-6.

"We keep hoping that we can be a part of the SEC someday," Curtis said.

## Tankers Top Ypsi, Lose to Big Reds

Chelsea Bulldogs swim team narrowly beat Ypsilanti 97-89 last week but lost to the Milan Big Reds, 109-71.

"The Ypsilanti meet was closer than I expected," said Chelsea coach Dave Jolly.

"We swam an off line-up. We wanted to see our younger swimmers carry a little more of the weight."

In the Ypsilanti meet, Erika Boughton swam all of her events well, Jolly said, in particular the 500 freestyle where she qualified for the state meet with a time of 9:45.

Jolly said other good swimmers were turned in by Maya Holleman, Jennifer McEachern, and Sandy Schmid.

"Our best swimmers of the week were turned in at the Milan meet," Jolly said.

The Chelsea 200 medley relay team of Melissa Thiel, Michele Hollo,

Boughton, and Kelly Cross combined for their best time of the year at 2:02.85.

Erica Street, "on fire all night," Jolly said, swam a :34.89 split on the B medley team and turned in a lifetime best of 1:13.42 in the 100 backstroke.

Cross swam a :26.43 in the 50 freestyle and a :58.1 in the 100 freestyle.

Diver Jennifer Schultz scored 119.9 points, the most points this season for a new diver.

Boughton turned in a time of 2:09.79 in the 200 freestyle and 5:47.59 in the 500 freestyle.

"Over-all the girls are ready to taper and begin to rest for the Southeastern Conference championships (Nov. 2-3)," Jolly said. "They're ready to go."

## Boy Runners Fourth at Mason

Chelsea Bulldogs boys cross country team placed fourth at the Mason Invitational last Thursday.

Lansing Catholic Central won the meet with 42 points. Leslie was second with 62, Williamston placed third with 89 points, and Chelsea scored 107.

The fourth-place finish was the highest finish at an invitational for Chelsea this season.

Senior captain Kelly Beard led the Bulldogs with a time of 17:42, good for eighth place.

"Kelly Beard ran a fine race and won a medal," said Chelsea coach Pat Clarke.

"Dan Zatkovich ran a personal best time and is now running number-three on the varsity."

Chelsea runners behind Beard were Jim Hassett, 18th, 18:00; Zatkovich, 24th, 18:35; Justin White, 27th, 18:41; Ben Vermeylen, 30th, 18:50; Mike

Reese, 36th, 19:13; and Tobin Strong, 37th, 19:13.

In the junior varsity race, Joe Blough led Chelsea in 25th place with a time of 19:30. Bulldogs behind him were J.J. Hanke, 38th, 19:59; Dave Sayer, 39th, 20:01; Brian Andreas, 35th, 20:29; Martin Cheng, 67th, 21:01; Rob Jaques, 69th, 21:11; Mike Kennedy, 71st, 21:18; Kevin Reese, 85th, 23:39; and Tony Trotter, 94th, 23:48. Hanke and Sayer ran personal best times.

Chelsea boys finished sixth at the Ypsilanti Invitational last Saturday. The course was wet and muddy so the times were slower than normal, Clarke said.

Zatkovich led the Bulldogs in 21st place with a time of 18:52.

"Dan ran an exceptional race to win

## 7th Grade Cagers Split Two Games

Beach Middle school seventh grade basketball team beat Milan, 37-15, but lost to Tecumseh, 28-5, in action last week.

The Bullpup press caused numerous turnovers in the win over Milan. Heidi Kemnitz, Danielle Longe, and Lisa Beard each had five steals.

Ann Terpstra had 12 points and 11 rebounds, Suzy Steele and Beard each had six points, Mitchell Orr scored five points, Kemnitz, Sara Petty, and Heidi Wehrwein, each scored two points, and Katie Spink and Katie Morse each scored a point. Carrie Buss had five rebounds.

The loss to Tecumseh was the Pups first loss of the season. Tecumseh opened up a nine-point lead in the fourth quarter.

"I was pleased with the girls' effort in coming back," said Pup coach Ann Schaffner.

The Pups had problems with Tecumseh's press and aggressive defense, Schaffner said.

Terpstra had 19 points and 17 rebounds. Morse, Buss, and Beard each scored two.

Chrissy Vargo had four rebounds.

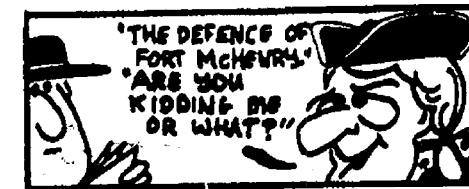

## Nature Events Offered At Hudson Mills Park

Several nature events will be held at the Huron-Clinton Metroparks on Oct. 14.

Two nature events will be held at Hudson Mills Metropark near Dexter. "Autumn Happenings Nature Hike," a naturalist-led walk focusing on changes that are occurring in the plant and animal world during the fall season, will be held on Sunday, Oct. 14 at 1 p.m. Participants should meet at the Activity Center.

"Tree I.D. Walk," a naturalist-led walk learning how to identify trees, will be held on Sunday, Oct. 14 at 3 p.m. Participants should meet at Oak Meadows Picnic Area.

baskets, and played strong defense." Rosentreter also praised Losey's defensive play and Flintoft's willingness to take up some of the scoring slack. Flintoft had 13 points in the Dexter game.

Bohlender also scored 13 points, Hammer had nine, Burg scored four, and Devine had two.

Chelsea was 14-32 from the field and 13-19 from the line.

"Going into the week we thought if we won at home and lost on the road that we'd still be in it," Rosentreter said.

"I have to give the kids a lot of credit. We were happy to get away with the Dexter game, then they got way behind against a good team, kept their wits about them and were able to come back. They were also very tired since we're really only playing six kids. We're in good shape right now. Hopefully when Colleen returns it will make us an even better team." Chelsea is 9-2 over-all.

## IRS Office Has New Toll-Free Numbers For Taxpayer Help

"The Internal Revenue Service toll free information numbers will be changed effective Oct. 1, 1990," said IRS taxpayer service division chief, Ramondo Gee. The new number for federal tax assistance is 1-800-TAX-1040 (or 1-800-829-1040). Telephone service is available Monday through Friday from 8 a.m. to 5:30 p.m.

"Tax information is also available through a pre-recorded system called TELE-TAX," Gee added. "This computer assisted program provides information on over 150 topics 24 hours a day." The new teletax number is 1-800-829-4477.

"Additionally, for those taxpayers who may wish to order forms only, that new number is 1-800-TAX-FORM (1-800-829-3876)," Gee added.

The IRS said that the numbers were changed as a cost saving device.

## Ypsilanti Man Arrested for Illegal Handgun

An Ypsilanti man found asleep in his car at the Chelsea McDonald's restaurant was arrested early Monday morning for possessing an unregistered handgun.

Police found the man at 1:52 a.m. asleep in a Ford Escort.

A check of the gun found some spent and some live ammunition.

## Altar Society Hears Committee Reports, Installs New Officers

The October meeting of St. Mary's Altar Society was held Monday evening, Oct. 1, at the church rectory. There were two guests present.

Before the committee reports were made and the installation of officers took place, members and guests enjoyed a delicious pot-luck dinner.

Beth Forner, chairman of the Christmas Bazaar which will be held Dec. 1 at the Parish Center, Wilhelmina Liebeck, chairman of the bake sales, and Helen Harvey, "white elephant" sales chairman, said plans are being formalized but would like additional ideas or help. Anyone with suggestions please call 475-2946.

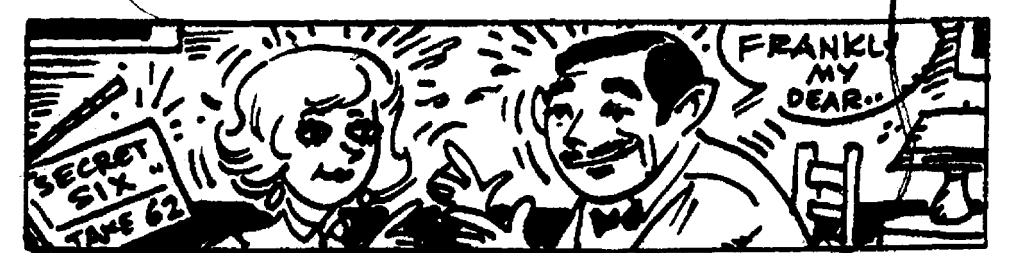

It was announced that Bishop Povich will be the speaker at the Senior Appreciation Mass which will be held on Oct. 10 in Milan.

New officers for the coming year are president, Margaret Graham; vice-president, Kathleen Chapman; secretary, Ann Wood; and treasurer, Gertrude Drouyor.

Everyone was urged to attend the Church Women United meeting which will be held Oct. 11 in Adrian.

HELEN CRAIG sold china hand-painted by Chelsea for the Chelsea Senior Citizens organization. Nearly 100 senior citizens at last Saturday's Country Crafts and Folk crafts makers and artists had their work available for Arts Show. The show is the largest fundraiser of the year sale.

Jean Harlow and Clark Gable appeared together in six movies during the 1930s. The first movie was, ironically, titled *The Secret Six*.

## Letters to the Editor

To the Editor,

Well Sondra, you certainly impressed some people with your letter to the editor; however, time will tell if the real thinkers will respond. I really wonder how many of the same people who are so adamant against abortion and letting older worn-out people die naturally and peacefully are quite willing and even eager to send our young people into another no-win situation to be slaughtered in order to protect freedoms which those people don't have and which we won't have much longer if we don't begin to choose our government officials for reasons other than how they look, how they dress and how their voice impresses us—forget what it is they say.

If anybody thinks this present mess developed during the last few months or so, then they haven't been paying any attention to the news during the past 10 to 20 years. First we sell war machines to smaller countries—at a great profit to a few individuals—it is called creating jobs—ostensibly for small country protection, then they turn these same war machines on other countries—sometimes even us—when they want more and more power.

When are we going to get tired of bolstering the economy of other countries only to have them kick us in the face. Yes Sondra, the mess in the Middle East is about oil and gas and gold and power. It has been said that every man has his price. Think about it.

Ben Bower, a veteran.

To the Editor:

We as school bus drivers in the Chelsea School District protest the new Michigan law concerning the change in the use of the red alternating flashing lights. We feel that this new law is very dangerous to children who are going to and from school on the bus.

For example, cars will follow a bus with the yellow flashers activated and stop when the bus stops then immediately go around the bus when the red alternating lights come on.

Another example is oncoming traffic upon seeing the yellow lights will increase their speed to avoid having to stop for the red alternating lights.

With the approach of inclement weather the hazard will be even greater to the children. This puts not only children but school bus drivers under extreme stress.

The length of time it will take to educate the public about this new law will take too long and is not worth the risk to our children.

School districts should have had ample time to equip their buses with additional overhead yellow lights to be ready for this "new law."

We hope a solution to this problem can be found before there is a serious accident.

The Drivers Committee.

To the Editor,

As a word of warning to Gail Tomaka, village residents and visitors...

It is not acceptable, or right, to stand in the "10-items-or-less" line at Polly's, holding 12 items. It is not acceptable, or right, to be five minutes late for work. It is not acceptable, or right, to drink alcohol when you are 261 months old. It is not acceptable, or right, to drive 66 mph on I-94, and obviously it is not acceptable to park 14 minutes in a spot reserved only for 12.

I cannot think of a better impression or lesson in observing posted rules, than the one Mr. Ringe gave to the Tomaka kids, other than, possibly, if you get caught doing something wrong, even illegal, accept the consequences, unless they are unconstitutional, and don't whine.

Jeff S. Powell.

Tell Them  
You Read It  
in  
THE STANDARD

Dear Editor,

Last Friday's "Good Morning, America" TV program carried a segment on "mail call" with a U.S. military unit on duty in the Saudi desert. The smiles said more than words.

One of the eventual outcomes of the 1960's was the consciousness raising of the American people of how not to treat our service people. They're not tanks sent to do a job. They're human beings a long way from home, and they're homesick. Another outcome is their anxiety about how the people back home feel about their assignment.

I urge you to write and let them know hometown America cares. If you're glad they're in the Persian Gulf, tell them. Tell them the leaves are changing color here in Michigan, that it's bow and arrow deer season, how the football teams are doing, who's planning to wear what costumes for halloween, etc., and that you wish them well. (If you don't agree that they should be in the Persian Gulf, tell that to your Congressman, Senator, President.)

Ask military people to write back. Outgoing mail is censored, but only exact unit locations and specific military activities are deleted, if mentioned. Ask about sandstorms, their desert-color uniforms, how they get water, what they do in off-duty time.

My son, Doug, asked for running shoes, white socks, and some books, which I sent. A checker/chess game, plus some home-made cookies, are next. Unlike Panama, Saudi Arabia is likely to be a long-term assignment, so I space mail and packages.

Doug missed last Christmas at home because he was on duty in Panama. This "away" assignment he's missed his sister's wedding. It was touching to me that during the wedding reception there was always someone at a table in the hallway adding a short letter to the eventual 15-page total sent to our missing family member. Doug was touched when he received them, but especially by the letters from wedding guests whom he's never met.

The grandmothers are seeing to it that their friends write, and just yesterday we received copies of letters written to Doug by the fourth grade class of a friend of a relative in Texas. The letters written by those kids would brighten anyone's day!

To quote Doug's last letter — "The unit has been getting mail either addressed 'American Soldier,' or 'Dear 82nd Airborne Division Paratrooper' from kids, church groups, families, and company groups. We post them in our company area. Mail's real nice to get. It's a morale booster, probably more than I can say!"

Take it from a serviceman in Saudi Arabia who says there are those who get no mail at all. Be as specific or general as you like as to who gets the letter or package. As long as the address lets the post office know you intend it to get to a military person (Operation Desert Shield, A.P.O. New York), it'll get there.

It's not as important who you write, as it is that you write. Do it today, then next week, and the week after. You'll feel good and so will they. I'd like to feel that Chelseaites aren't passive — as individuals, or members of social, school, or business groups.

Charlotte Inglis.

## Regular Session.

September 18, 1990

The meeting was called to order at 7:30 p.m. by President Steele.  
Present: President Steele, Clerk Anderson, Village Manager Stalker, Assistant Village Manager Kuehn and Administrative Services Co-ordinator Fredette.

Trustees Present: Merkel, Hammer, Hall and Dorer.

Trustees Absent: Kanten and Myers.

Others Present: Howard J. Matthews, Bertha L. White, Geraldine Rushing, Frank B. White, Bob Ponte, A. J. Marshall, Ron and Edna Hatch, Virginia Boyer, Cecil Clouse, Brian Hamilton, G. Gilzeiner, Sarah Gilzeiner, David Bulson and W. Scott Morgan.

Motion by Hammer, supported by Dorer, to approve the Consent Agenda as submitted. Roll call: Ayes all. Motion carried.

Regular meeting recessed to the Zoning Board of Appeals at 7:32 p.m.

Regular meeting reconvened at 7:37 p.m.

Motion by Hammer, supported by Dorer, to authorize the expenditure of a sum not to exceed \$7,500.00 to the firm of Midwestern Consulting for the preparation of a site plan for the new maintenance garage. Roll call: Ayes all. Motion carried.

Trustee Hammer reported on the progress of the Waste Management Committee in the recycling endeavor.

A public hearing was held on the ITF Application submitted by Chelsea Milling Company.

Residents voiced their concern regarding the noise generated by the mill operations.

Motion by Dorer, supported by Hall, to grant a tax abatement (all three requests) for a period of twelve (12) years. Roll call: Ayes — Steele, Dorer, Merkel and Hall. Abstain — Hammer. Motion failed for a lack of a 2/3 majority.

## DEMONSTRATION OF COMMITMENT TO THE PROTECTING MICHIGAN'S FUTURE SOLID WASTE ALTERNATIVES GRANT PROGRAM BY THE VILLAGE OF CHELSEA

WHEREAS, the communities of Western Washtenaw County; the Townships of Bridgewater, Freedom, Sharon, Manchester, the Village of Manchester and the Village of Chelsea and its surrounding townships; are working together as the Western Washtenaw Recycling Consortium; and

WHEREAS, these communities recognize that recycling is one of the most cost effective techniques for diverting material from the landfill and reducing their long term reliance on landfills; and

WHEREAS, these communities, through the Village of Chelsea, as the Grant Applicant of Record, are applying for a multi-community grant under Protecting Michigan's Future Solid Waste Alternatives Grant Program that will promote recycling program development in the area; and

WHEREAS, the grant, if awarded, will require commitment of a 25% local match from the participating communities to be supplied through a mutually agreed upon funding system, by members of the Western Washtenaw Recycling Consortium; and

WHEREAS, the Village of Chelsea, as the grant applicant of record and in conjunction with all other participating communities, will commit itself to provide adequate resources to implement and operate the proposed program during the duration of the contract with the Department of Natural Resources, and that these resources will be needed to cover operational costs, matching capital costs and cost overruns; and

BE IT FURTHER RESOLVED, that the Village, in conjunction with all other participating communities, will commit itself to provide adequate resources needed to provide for maintenance and future operation of the proposed project for six years after the expiration of the one year project contract with the Department of Natural Resources, for a total of seven years; and

BE IT FURTHER RESOLVED, that the Village will commit itself to running the program in compliance with State of Michigan laws, and will require the processing agent to dispose of any residual materials from the program in compliance with the State of Michigan Act 641; and

BE IT FURTHER RESOLVED, that the Village authorizes the Village Administrator to sign the grant application, and commits the Village to contributing to the 25% local match as required by the grant application; and

BE IT FURTHER RESOLVED, that the Village, in conjunction with the other communities of the Western Washtenaw Recycling Consortium, will work actively to develop a comprehensive public education program to promote recycling.

Motion by Hammer, supported by Merkel, to adopt the above Resolution. Roll call: Ayes all. Motion carried. Resolution adopted.

## RESOLUTION

Be it resolved, and it is hereby resolved, that the Village Council of the Village of Chelsea does hereby adopt, approve and promulgate Ordinance No. 79-LLL, an Ordinance to amend the provisions of Ordinance No. 79, known as the Chelsea Village Zoning Ordinance as relates to the zoning map, and the Clerk of said Village be and is hereby directed to cause the same to be published in the Village of Chelsea, in The Chelsea Standard, or any other paper of general

circulation, and otherwise record said instrument within the book of ordinances.

Motion by Hammer, supported by Merkel, to adopt the above Resolution. Roll call: Ayes all. Motion carried. Resolution adopted. (Ordinance No. 79-LLL attached to these minutes as Appendix A.)

W. Scott Morgan submitted a letter to Council regarding the effect the Hatch Stamping business has on his family's personal well-being and also requesting the Village Council investigate and upgrade the Noise Ordinance. (Copy of letter attached as Appendix B.)

Mr. Ron Hatch, owner of Hatch Stamping, spoke in defense of his business. Council directed Zoning Inspector Harook to contact other communities regarding their ordinances governing noise and report back with her findings.

The owners of Country Rose submitted a letter to Council regarding the "Village Vehicles Only" parking space on E. Middle Street in front of their business. (Copy of letter attached to these minutes as Appendix C.)

It was the consensus of Council that the parking space in question be removed and that a parking meter be installed. Council also directed Superintendent Bulson to designate three (3) Village Vehicle parking spaces in the municipal parking lot.

## RESOLUTION

TO PROVIDE FOR THE DESIGNATION OF SEPTEMBER 21, 1990 AS "POW/MIA RECOGNITION DAY"

WHEREAS, the United States has fought in many wars, the most recent of which was the Vietnamese Conflict; and

WHEREAS, Friday, September 21, 1990 is a day of remembrance for those who suffered as prisoners of war or are still missing as a result of any conflict; and

WHEREAS, this year officials have focused on the Vietnamese conflict because the Indochinese governments have been less than full co-operative in accounting for prisoners who did not return or providing information on the missing; and

WHEREAS, although co-operation has increased within the past two years, there are still 2,300 American servicemen and civilians, including 74 from the State of Michigan, missing and unaccounted for in Indochina, and the uncertainty surrounding their fates has caused their families to suffer great hardship; and

WHEREAS, the sacrifices of these brave Americans and their families are deserving of recognition; and

WHEREAS, the goals of our government, the National League of Families and Vietnam Veterans of America is to obtain as full an accounting as possible of Americans still prisoner, missing or unaccounted for in Indochina; and

WHEREAS, increasing public awareness and focusing public attention on this issue is one way to help achieve this goal;

NOW THEREFORE, BE IT RESOLVED, by the Council of the Village of Chelsea, Michigan, that Friday, September 21, 1990, shall be designated as "POW/MIA RECOGNITION DAY." We urge all of our citizens to take note of this important issue and remember those servicemen and civilians who were prisoners of war and those that are still missing and to commemorate the day with appropriate activities.

Motion by Merkel, supported by Hammer, to adopt the above Resolution. Roll call: Ayes all. Motion carried. Resolution adopted.

A request was received from the Arbor Treatment Center for a cash donation. It was Council's decision to not donate any monies due to the precedent it would set for future requests of community organizations and clubs.

Motion by Merkel, supported by Dorer, to enter into Executive Session at 9:35 p.m. for discussion of potential purchase of property and personnel evaluation. Roll call: Ayes all. Motion carried.

Motion by Merkel, supported by Dorer, to adjourn Executive Session at 10:45 p.m. Roll call: Ayes all. Motion carried.

Motion by Dorer, supported by Hall, to adjourn the regular session. Roll call: Ayes all. Motion carried. Meeting adjourned at 11:10 p.m.

Allen L. Anderson, Clerk.

### Lead Corps to National Titles

Twenty-three members of the Chelsea Baton Corps participated in the 25th anniversary America's Youth on Parade of the National Baton Twirling Association (NBTA) this summer at Notre Dame University. The Corps was led by their instructors, Christine Dunlap and Laurie Honbaum, who both won national titles. Christine won the titles of national drum majorette and solo 2-baton. Laurie won the title of All American Girl modeling for her division.

Winston Howard of Dexter won three national titles at this year's competition. Winston took the titles in military strut, intermediate 2-baton, and intermediate flag twirling. In solo twirling Winston placed second in world solo and second in the grand national solo.

Final results of Chelsea Baton Corps competitors receiving medals for placing in the top 10 were:

Erica Bloomsaat, novice flag, 3.  
Christine Dunlap, beginner flag, 5.  
Amy Feldkamp, beginner flag, 8.  
Kristie Hatch, novice fancy strut, 10.  
Whitney Hampton, All American Girl modeling, 5.  
Laurie Honbaum, intermediate two baton, 4, novice flag, 2.  
Rianne Jones, drum majorette, 5.  
Stacy Leatherberry, novice two baton, 5; beginner solo, 5; beginner Miss Majorette fancy strut, 9.  
Melony Owens, novice flag, 5; drum majorette, 2.  
Jodie Rainey, intermediate fancy strut, 9; novice two baton, 4; beginner solo, 4; novice flag, 3.  
Linda Schaffer, beginner flag, 4.  
Tiffany Scott, novice two baton, 10; novice flag, 6.

Sarah Skyles, novice fancy strut, 5.  
Hillary Wiedmayer, drum majorette, 6.

Scoring in the top half, but not receiving medals were: Michelle Eldred, Laura Johnson, Malia Montagne, Megan Morgan, and Katie Sullivan.

In addition to solo events, the Chelsea Baton Corps had two dance twirl teams competing at the competition. The dance twirl teams were choreographed and coached by Christine and Laurie. The teams both placed in the top half of the competition. Team members were: "Beat It," Erica Bloomsaat, Kristie Hatch, Laura Johnson, Stacy Leatherberry, Megan Morgan, Sarah Skyles, and Angie White. "Wipe Out" members were: Jennifer Fleck, Michelle Lucas, Jodie Rainey, Tiffany Scott and Katie Sullivan.

#### MICHIGAN STATE FAIR

Michigan State Fair held a baton twirling event and several Chelsea Baton Corps members found this to be a fun and rewarding day. The results of the day for the corps members were:

Kristie Hatch, modeling, 1; beg. fancy strut, 1; basic strut, 2; military strut, 1.  
Winston Howard, military strut, 3; solo, 1; two baton, 1.  
Stacy Leatherberry, modeling, 3; beg. fancy strut, 1; military strut, 1; beg. solo 3; two baton, 2.  
Megan Morgan, modeling, 4; beg. fancy strut, 5; solo, 2.  
Melony Owens, modeling, 2; beg. fancy strut, 1; int. solo, 1.  
Jodie Rainey, beg. solo, 3.  
Tiffany Scott, int. fancy strut, 4.  
Katie Sullivan, beg. fancy strut, 1.

## Second Vaccination Urged For Seventh Graders

Seventh grade children (12-13-year-olds) who received only one dose of measles-mumps-rubella (MMR) vaccine should receive a second dose, according to a recent recommendation issued by the Michigan Department of Public Health.

Washtenaw County Public Health Division, Human Services Department, will provide booster MMR immunizations to this group of seventh graders during their regularly scheduled immunization clinics.

Clinics are held at the following times and locations:

Service Center, 4101 Washtenaw, Ann Arbor, Wednesday (1st), 1:30 to 7:30 p.m.

Eastern Subcenter, 555 Tower, Ypsilanti, Wednesday (2nd), 1:30 to 4:30 p.m.

Social Services Building, 2350 W. Stadium Blvd., Ann Arbor, Wednesday (4th), 1:30 to 4:30 p.m.

To prevent unnecessary revaccinations, parents should review their seventh graders' immunization records before bringing their children to the Public Health Clinics.

Private physicians are also available to provide revaccinations.

According to Dr. Dennis Chernin, interim medical director of Washtenaw County Public Health, boosters are recommended because of recent outbreaks in Michigan and across the country. In Michigan, in 1989, there were 359 confirmed cases of which 82% occurred in children 10

to 19 years of age. In 1990, 478 cases were confirmed, 50% occurring in 10- to 19-year-olds.

## Among all the other good reasons . . . try this Retain Haines

### County clerk saved day for newlyweds

As a Michigan native who has moved to the Chicago suburbs, I recently had the pleasure of returning to Ann Arbor to get married (July 7). Like most couples, my fiancée and I had many details to finalize before the wedding. I, unfortunately, forgot to pick up the marriage license. I remembered Friday evening, after the County Building was closed.

Fortunately, my father was able to contact County Clerk Peggy Haines Saturday morning. She met my father at the County Building and proceeded to find and deliver the marriage license. Without her service, I would not have been able to get legally married. When offered compensation for her time and effort, Peggy Haines declined, responding that that is what being a civil servant entails.

Peggy Haines is up for re-election for County Clerk. As one who has benefited from her true commitment to civil service, I ask you to support her bid to remain County Clerk. I can honestly say that this gentleman prefers Haines.

## Spaulding Sets Fund-Raiser for Children Who Wait

Spaulding for Children, a nationally recognized child welfare agency, will hold a kick-off celebration, Thursday, Oct. 18, from 6 to 8 p.m., at the International Marketplace Ballroom in Greektown to unveil an original artwork by world-renown artist Paul Collins.

Collins generously has donated the reproduction rights to one original print per year for the next five years to be used for fund-raising. The first in this series—"The Children Who Wait"—will be unveiled at the Oct. 18 event. Those attending the party, co-chaired by John Barfield (Barfield Industries), Jay Berry (WXYZ-TV), Verna Green (WJLB-FM) and community leaders Robert and Joyce Hurst, will be feted with hors d'oeuvres, music and a brief presentation.

Spaulding finds permanent families for foster care children who wait the longest, usually children with disabilities and older black youth who have been abused, neglected or abandoned.

For more information call Gary Dembs at (313)646-1740.

## Warren McArthur Named to State Board By Drycleaners

Warren McArthur, owner and proprietor of Chelsea Cleaners in Chelsea, was recently elected to the board of directors of the Michigan Institute of Laundering & Drycleaning. The Michigan Institute of Laundering and Drycleaning is the state trade association for cleaners in Michigan and was founded in 1913.

The election results were announced at the institute's annual convention held Sept. 15 at the Lansing Radisson Hotel. Area directors are elected by institute members and serve a term of one year.

DAVE BULSON, superintendent of the village's department of public works, shows the 32 yards of milk jugs the village has collected at North and South Elementary schools each of the last two Thursdays. Village trucks will again be on hand this Thursday to collect more jugs at the schools. The village plans to put collection bins at each school, pending approval by the school board next week.

## Prisoner Labor Rates Doubled

The cost of prisoner labor for the village of Chelsea was doubled by the state beginning Oct. 1.

The village uses prisoners at Camp Waterloo for a variety of maintenance chores. Previous rate was \$2.50 per prisoner per day. The new rate is \$5 per day.

According to a letter from William Grant, warden of the camp program, the camp prisoners cost the state \$24.11 per day.

"We are confident you will still find that using our prisoner crews is a real bargain," Grant wrote.

## Business Development Help Offered at Breakfast Club

Susan Southen, southeastern liaison for the Michigan State Department of Commerce, and Gretchen Waters, executive director of the Washtenaw Development Council, will make a joint presentation to the Chelsea Economic Breakfast Club on Wednesday, Oct. 17, at 7:30 a.m. in the Woodlands Room of Chelsea Community Hospital.

The presentation will identify business development resources available to the Village of Chelsea. In addition, the program will cover what is offered on both the state and local levels for business assistance in the areas of financial counseling, loan and grant programs, strategic planning and technology.

The Chelsea Economic Breakfast Club is co-sponsored by Society Bank and the Chelsea Area Chamber of Commerce and meets in the hospital on the third Wednesday of each month. Topics and speakers which would interest members of the surrounding communities are presented.

Miss Southen functions as the Department of Commerce liaison to all business, trade and professional

associations and all local community chambers of commerce in southeastern Michigan. She is a graduate of the University of Michigan with a bachelor of arts and a master's degree.

Miss Waters directs the Washtenaw Development Council, which is a non-profit, public/private partnership organization working to retain industries in Washtenaw county as well as establishing new businesses in the area. She joined WDC in 1987 after nine years of management experience for local economic development efforts in Wisconsin and Michigan. Waters holds a bachelor of arts degree from the University of Wisconsin and a master's degree from Wayne State University.

The meeting is open to the public. A continental breakfast for a nominal charge will be served at 7:30 a.m. The program, which includes a brief question and answer session, will be adjourned at 9 a.m. Reservations are requested and should be made through Mark Baily, Society Bank, at 475-9154 or Ann Feeney, Chelsea Chamber of Commerce, 475-1145.

## Legislators Fine-Tune Farmland Act Payback

The Michigan House has approved a technical correction to P.A. 116, the Farmland and Open Space Preservation Act. Michigan Farm Bureau legislative counsel Ron Nelson said House Bill 5968, sponsored by Rep. Tom Hickner (D-Bay City), clarifies the method of calculating payback of those contracts which are enrolled in P.A. 116 but not renewed.

"The bill clarifies the language so that the calculation on a parcel removed or not re-entered into a P.A. 116 contract is based on the amount of the actual tax credit received on that contract," he said.

Nelson said a previous Department of Treasury ruling regarding payback calculation substantially changed the method and increased the amount of payback required when a single property is removed and several others remain under the contract.

JEFFREY P. STOMMEN of Chelsea has been promoted from assistant general manager to controller at C. C. & S. Telco, Inc. Stommen has been with the company since 1985. The company, a subsidiary of Rochester Tel Corporation of New York, provides local telephone service to 18,000 access lines in 14 exchanges in Jackson, Hillsdale, and Lenawee counties.

Pleasure in working and the need for money are the two top reasons for working, according to the U.S. Labor Department. In a Gallup study for the American Association of Retired Persons, 75 percent of employees between the ages of 40 and 49 said they worked for the enjoyment, while 84 percent said they worked for the money. Eighty-percent of surveyed workers between the ages of 50 and 62 said they worked for the pleasure, while 76 percent said they worked because they needed the money.

## Area Groups To Help Desert Shield Soldiers

Chelsea School District and the VFW Auxiliary No. 4076 are adopting a military police unit serving in Saudi Arabia and plan to send "care packages" as morale boosters to each soldier in the unit.

The unit, the 320th Military Police Unit, has about 180 members.

The packages will include small personal hygiene items as well as candy and small games. Children in school letter-writing classes plan to write letters.

Items needed for the packages include tooth brushes, hand cream, playing cards, toothpaste, deodorant, bar soap, powder, shampoo, mouthwash, hard candy, books, playing cards, crossword and word search books, and hand-held games.

Hygiene items can be procured at local stores in "trial sizes."

Children are asked to drop off any items at their school from Oct. 12-30. The packages should arrive just before the holidays.

The VFW Auxiliary is also adopting Chelsea-area service personnel serving in the Desert Shield operation. Items described above can be dropped off in drop boxes at many downtown stores.

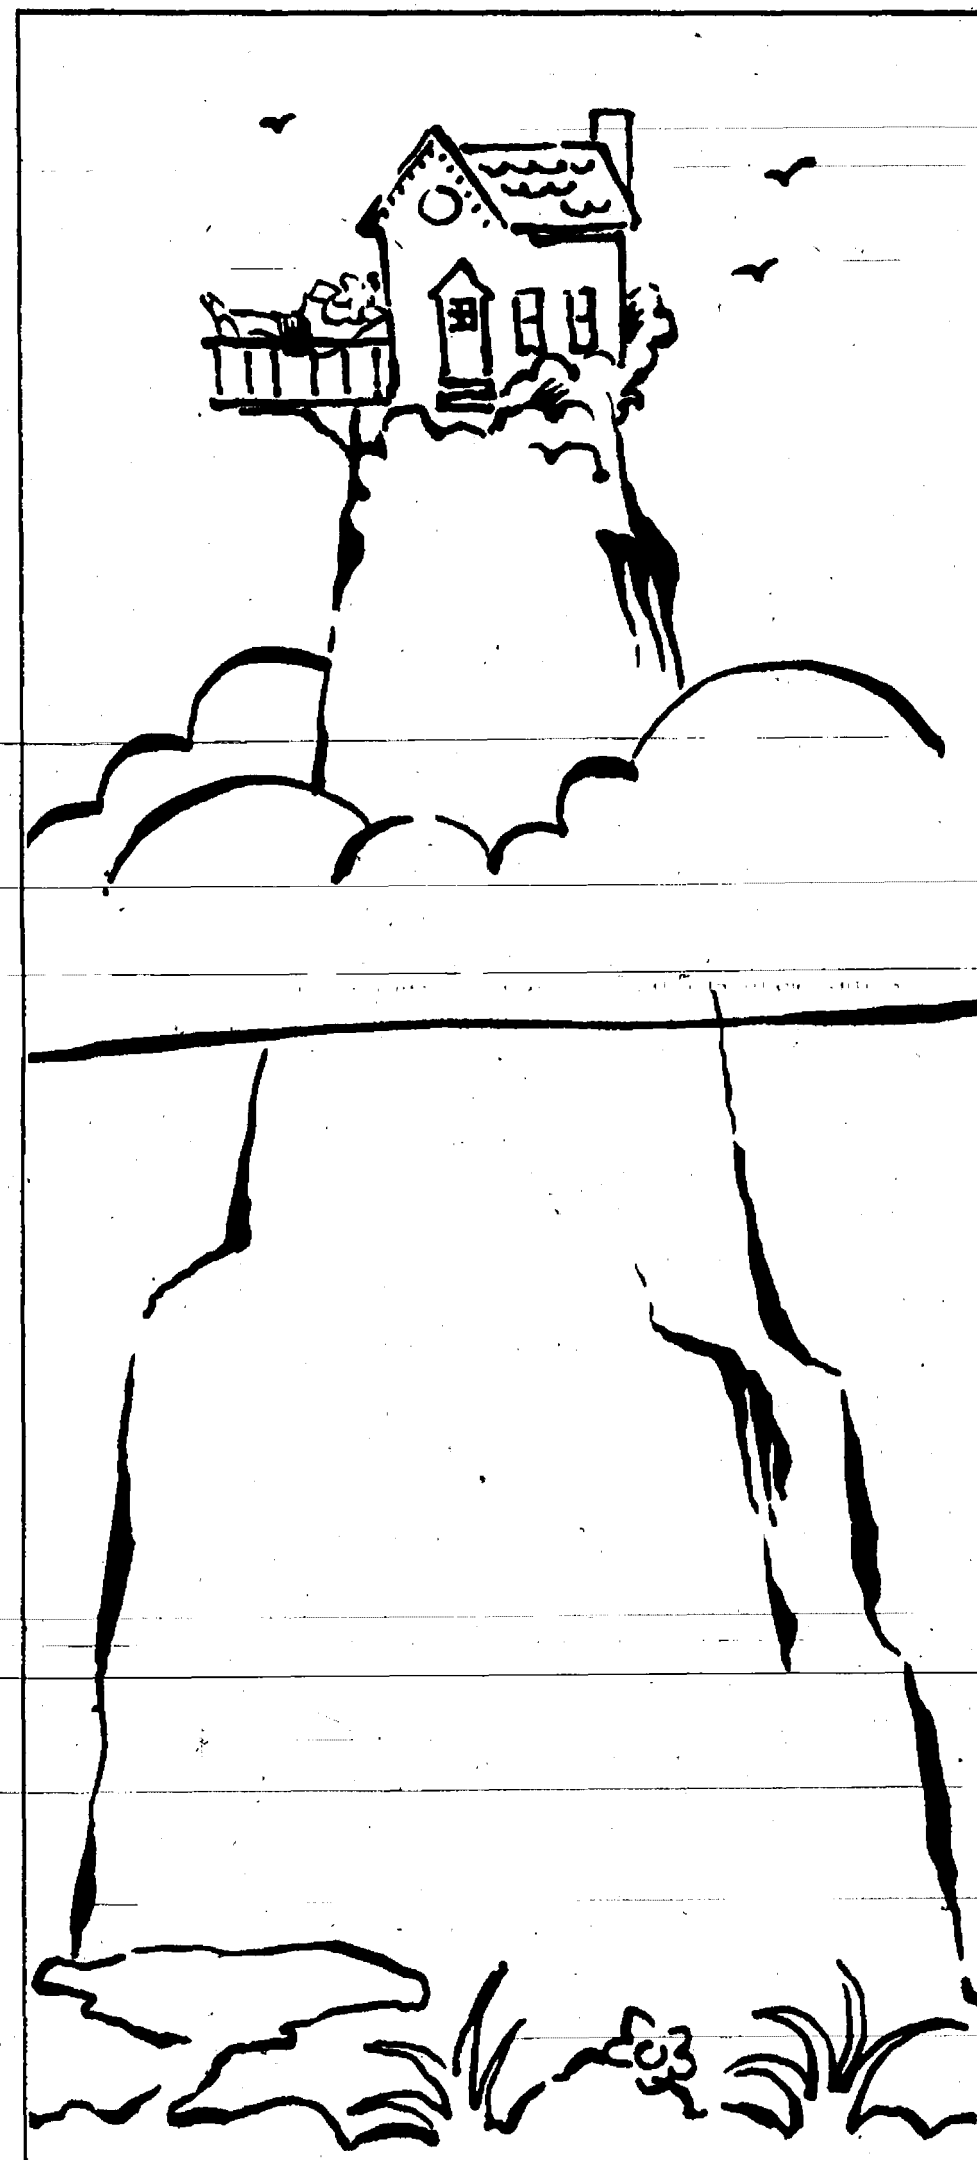

For more information contact Candace Hadley at 475-3013 from 9 a.m. to 4 p.m.; Virginia Boyer at 475-7143 between 4 p.m. and 9 p.m.; Lois Speer at 475-2017; or Eulahlee Packard at 475-2008.

## Society Bank Presents Check To School Board

Mark Baily, branch sales manager of Society Bank, Michigan presented to the Chelsea Area Public Schools Board of Education a check for \$300 to be used for the school's substance abuse prevention program.

In April Society Bank announced the availability of an eight-month certificate of deposit with an interest rate of 8.25 percent. For each eight-month CD bought before June 9, Society agreed to contribute \$5 to the drug abuse program of one of six participating public school districts in the Ann Arbor, Chelsea, Saline and Ypsilanti areas. The customer purchasing the CD was allowed to choose the school district to which the donation was directed.

The \$300 was the Chelsea Area Public School portion of the total of \$4,300 designated by the bank customers and donated to its substance abuse program.

## Board Proceedings

Regular Meeting  
Oct. 1, 1990

The regular meeting of the Lima Township Board was called to order at 8:10 p.m. on October 1.

Present were Supervisor Steffen-son, Clerk Bareis, Treasurer Messman, Trustees Heller and Trinkle and several guests.

The minutes of the September 4 meeting were read and approved.

The treasurer's report was received.

Zoning Inspector Ritchie issued 1 permit for a house and 2 for pole barns.

Approved motion to write a letter of no objection to filling in to build a surface septic field on a flood plain, this being directed to the DNR in conjunction with the application being sent to the DNR by Charles Christman.

State Representative Margaret O'Connor was present to give us a legislative update.

Approved motion to send letter from Mike Feeney re: the Michigan Par Plan to the Attorney General, upon the advice of Attorney Flintoft.

Approved motion to set the 1990 tax rate at .9677 mills for Lima Township, in accordance with the Truth in Taxation and the Headlee amendments.

Please note, Lima Township is not going to public hearing to obtain maximum millage.

Approved motion to write Mr. Bott regarding the proposed Area Master Plan indicating Lima Township has an interest in regional planning. We feel the Master Plan Proposal does not address the needs of Lima Township. We would like to keep the lines of communications open in a co-operative effort with the village and other townships, in addressing mutual concerns, as the need arises. We would like invitations to meetings addressing regional planning.

Approved payment of bills as presented.

Approved motion to adjourn at 9:25 p.m.

Respectfully submitted,  
Ariane R. Bareis, Clerk.

# NOTICE OF LETTING OF CONTRACT

## OF APPOINTMENT OF BENEFITS

### FOR CONSTRUCTION OF THE BRIDGETOWN DRAIN VILLAGE OF CHELSEA, WASHTENAW COUNTY, MICHIGAN.

NOTICE IS HEREBY GIVEN that J. Janis A. Bobrin, County Drain Commissioner of the County of Washtenaw, State of Michigan, will on the 18th day of October, 1990, at the Office of the Washtenaw County Drain Commissioner, located at Room 316, Washtenaw County Courthouse, 101 East Huron Street, Ann Arbor, Michigan, receive sealed bids until 11:00 A.M. local time when bids will be opened and publicly announced for construction of the Bridgetown Drain of the following approximate quantities and appurtenances:

1. 680 Lin. Ft. 1" Sewer ADS N-12  
2. 1 Lump Sum Seed, Fertilizer and Mulch  
3. 1 Lump Sum Soil Erosion Control  
4. 1 Lump Sum Job Site Cleanup

Bids will be made and received in accordance with plans, proposal forms and specifications that may be obtained by prospective bidders at the offices of Washtenaw Engineering Company, 3250 Liberty Road, P.O. Box 1204, Ann Arbor, Michigan 48106, at a non-refundable reproduction charge of \$20.00.

Contracts will be made with the lowest responsive responsible bidder giving adequate security for the performance of the work in the sum then and there to be fixed by me, reserving to myself the right to reject any and all bids and if no satisfactory sealed bids are received, I reserve the right to proceed immediately after the rejection of sealed bids and at the same time and place and without further notice to let the contracts by open bidding, likewise reserving the right to reject any and all such open bids and to adjourn such letting to such time and place as I shall publicly announce.

The date for the completion of said contract, and the terms of payment, shall and will be announced at the time and place of letting. Any person desiring to bid on the above mentioned work will be required to deposit with the Drain Commissioner a certified check or its equivalent to the amount of 5% of Bid Total as guarantee that s/he will enter into contract and furnish the required bond as prescribed by law. The checks of all unsuccessful bidders will be returned after contracts are awarded. All bids must be made on bidding blanks supplied by Washtenaw Engineering Company. All bids shall be by unit prices specified or lump sum. Payment will be made in accordance with the contract documents.

NOTICE IS FURTHER GIVEN that on the 8th of November, 1990, at the County Drain Commissioner's Office in Room 316 County Courthouse, Main and Huron Streets, Ann Arbor, Michigan, 48107-0645, or at such other time and place thereafter, to which the Drain Commissioner aforesaid may adjourn the same, the special assessment made against properties and the apportionment for benefits and the land comprised within the Bridgetown Drain Assessment District, and the special assessments and apportionments thereof will be subject to review for one day, from 9:00 a.m. to 4:00 p.m. At said review the computation of costs for said drain construction will also be open for inspection by any parties interested.

**4-H Offers Broadened  
Opportunities for Youth**

By Mary Houghton  
4-H Youth Agent

The start of the new school year is the perfect time to sign up for 4-H Youth Programs, according to Mary Houghton, 4-H Youth Agent.

Oct. 7-13 is National 4-H Week and nearly 2,000 4-H members in Washtenaw county will be celebrating by organizing their clubs, planning their yearly program and selecting projects for the current year. Some of the projects members may choose include creative writing, entomology, woodworking, horseback riding and care, photography and llamas, as well as 88 other projects.

In today's ever-changing world 4-H is not only concerned with agriculture related projects but exposes youth to a wide variety of hands-on experiences. "More involvement in community service, a greater emphasis on learning life skills and programs related to the global environment characterizes the current 4-H program," says Houghton.

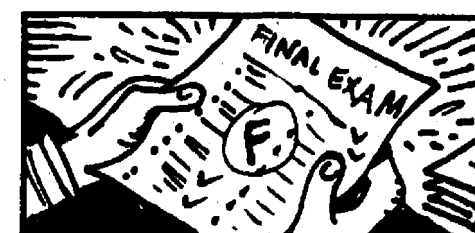

4-H is changing to meet the needs of American youth. Gaining career skills has always been part of the 4-H mission but now youth may explore science careers, computer technol-

ogy, robotics and telecommunications.

Involvement in 4-H strengthens the family—involving parents and extended family as well as building relationships with caring adults in the community.

For millions of boys and girls across Michigan, 4-H has served as a stepping stone to individual achievement and a lifetime of service to the community. Acquiring useful skills, attitudes and positive self esteem are basic ingredients of 4-H activities. "However," emphasizes Houghton, "4-H members join to have fun."

For more information on 4-H youth programs and how to enroll call the Washtenaw Co-operative Extension Service at 971-0079.

## Local Residents Attend National Satellite Conference

By Nancy D. Thelen  
County Extension Director

Holly Porter and Sue Huehl from the Washtenaw County Farm Bureau and Nancy Thelen from the Washtenaw County Co-operative Extension Service recently attended "Together We Can," a national satellite conference for agricultural education held at Michigan State University.

The conference served as a national and state forum to communicate to today's hi-tech agricultural industry, and contemporary agricultural education program. Improving and expanding agricultural education efforts at elementary, secondary, post-secondary, and adult levels of instruction was a primary goal of the conference.

Video messages during the conference from Secretary of Education Lauro Cavazos, and Secretary of Agriculture Clayton Yeutter challenged educators to develop appropriate education programs for the youth of today. The satellite conference message illustrated that agriculture is changing and that there is a viable place in our educational system for the systematic and accurate instruction about agriculture for all students.

Elementary school teachers have available a variety of agricultural literacy options for their classrooms. "Ag in the Classroom" programs are available from Michigan Farm Bureau members. "Food for America" programs are presented by secondary agriculture and natural resources students and Michigan's Co-operative Extension Service 4-H

programs offer an assortment of contemporary activities for today's students. These programs are designed to enhance elementary curriculums as they present to students in grades K-8 the relevance of agriculture in their everyday lives.

Secondary Agricultural Education, which has historically emphasized production agriculture (farming) has changed its focus to meet the ever increasing demand for professionals in the rapidly changing and technical field of agriculture. The new program follows an innovative curriculum, Agriscience and Natural Resources Education, recently developed by MSU's Department of Agricultural and Extension Education.

It is designed to offer full science credit towards high school graduation as well as university admissions. Agriscience and Natural Resources incorporates the principles of biology, chemistry and physics into the agricultural curriculum.

Post-secondary and adult programs continue to progress toward the demands of today's agricultural industry. Current and planned programs include subjects such as: biotechnology, biochemistry, microbiology, waste management, and environmental education. Michigan State University's Co-operative Extension Service and the Farm Bureau offer most of the state's post-secondary and adult agricultural offerings.

## Chiropractic Health Care

Applied Kinesiology  
Con't.

Dr. J. Nicholas Koffeman

This week's column continues with the discussion of chiropractic care and emotional health with a focus on the role of applied kinesiology (A.K.). Remember, I said A.K. was a specialty within chiropractic which uses muscle testing to determine diagnostic and therapeutic answers about health problems.

Emotional or psychological stress to the body can cause or contribute to a wide variety of symptoms.

Some symptoms which appear to be emotionally related are in reality due to chemical stress to the body. Examples of this are hypoglycemia (low blood sugar) which can contribute to depression, anxiety, etc. and synthetic chemicals (like food dyes) which can trigger a host of problems such as behavior problems in children, confusion, etc.

When under emotional stress the body has a kind of circuit breaker which will trip. This causes the stress to "spill out" and cause physical harm to the body. Problems like stomach upset, insomnia, night bed wetting in children. This is in reality a defense mechanism designed to protect your body's highest priority—your brain.

All of the above will cause distress to the body which brings about spinal and nervous system problems; this is why we have symptoms in the first place.

With applied kinesiology procedures the exact area of the spinal problem can be detected as well as finding out which factors are causing the emotional problems.

Please address all questions and comments to Dr. J. Nicholas Koffeman, 138 E. Middle Street, Chelsea, MI 48118. 313-475-2088.

## CHELSEA FULL GOSPEL CHURCH

Pastors John & Sarah Groesser  
475-7379

John 16:27 — "The Father himself loves you because you have loved me and have believed that I came from God."

The moment you accept Jesus as Savior, God becomes your very own Father. You are born of Him—recreated in the image of Jesus. From then on, the Holy Spirit lives within you and you are never alone.

Your Heavenly Father loves you! People may fail or reject you for various reasons. Even if everyone deserts you and no one cares or understands what you're going through, God does and He will never, never forsake you. He loves you as He loved Jesus. (John 17:23). God longs to fellowship with you and to bless you. You may ask, "Then why doesn't He talk to me?" Be assured that God is speaking, but you may need to "fine tune" your spiritual ears in order to hear Him clearly. Consistently spend time reading and studying the Bible and praying. The Holy Spirit will begin to instruct you from the Word. God's voice will always agree with His Word. Therefore, familiarizing yourself with the Bible is required before you will accurately recognize His voice. God is speaking to His people. Are you listening?

Jesus is Lord and Savior!

## CATHOLIC HOMECOMING NIGHTS

Did you "used to be Catholic" or just stop going to Church? Has your marriage situation kept you from the Church? Did the Catholic Church or a priest or religious hurt you in some way? Have you wanted to work out disagreements with the Church and not known how? If you fall into any of these categories, it simply isn't good to leave them unresolved. The Catholics in our area are hosting three HOMECOMING NIGHTS to begin to deal with these complex issues in a non-threatening environment.

The evenings will be repeated on three consecutive dates, beginning at 7:30 p.m. each evening. No commitments will be asked of you. All we ask is that you come.

Come to me, all you who are weary  
and find life burdensome....

and I will refresh you. Matt 11:28

### ★ Is it Time to Get a Pet?

Across America pets of all kinds are waiting for homes. But before you rush out to adopt one, make sure you're really ready. Acquiring pets on impulse results in a large portion of the animals at shelters that are relinquished by owners who found out they were more than they could handle. The following six points will help you make a wise pet decision.

1. Pets need a life-long commitment. Dogs live an average of about 12 years and cats about 14 years. Before you adopt a pet, think of what a lifetime commitment means. Will you take your pet along when you move, help your pet adjust to new family members, and care for an ailing elderly animal? If your answers are all "yes," the time may be right.

2. Living with a pet means trips to the vet. Vaccinations, neutering, injuries and illnesses — they all add up, and your pet will expect you to pay the bills.

3. A pet should be a family affair. Everyone in the household should want the pet and help with pet care. If little sister is allergic, or your roommate hates cats, consider a stuffed toy instead.

4. Check with the landlord first. Many apartments and rental homes in our area have restrictions on pet type and size. If you clear a desired animal in advance, your pet will be safe from eviction.

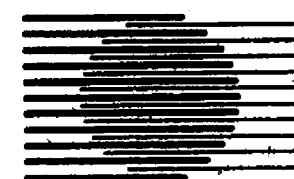

5. There's room in your heart, but what about your house? Most pets are happiest living indoors with their human companions. Take a look at your living space and choose a pet accordingly. However, that doesn't mean that a large dog can't live in a small house, as long as his owner is willing to exercise him frequently.

6. Patience, patience, and lots of love. Every new pet, no matter the age, will have a few idiosyncrasies and undesirable behaviors. Are you willing to spend the time to teach your pet the rules of the house? And will you love him or her enough to forgive a few mistakes?

Living with a pet can be one of the most rewarding experiences life has to offer, especially when you think ahead!
